Senate Amendment No. 1 to HOUSE BILL NO. 625

Passed the Senate, as amended, May 21, 2003.

Linda Hawker, Secretary of the Senate

### AMENDMENT NO. 1

AMENDMENT NO. 1. Amend House Bill 625 by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Affordable Housing Planning and Appeal Act.

Section 5. Findings. The legislature finds and declares that:

- (1) there exists a shortage of affordable, accessible, safe, and sanitary housing in the State;
- (2) it is imperative that action be taken to assure the availability of workforce and retirement housing; and
- (3) local governments in the State that do not have sufficient affordable housing are encouraged to assist in providing affordable housing opportunities to assure the health, safety, and welfare of all citizens of the State.

Section 10. Purpose. The purpose of this Act is to encourage counties and municipalities to incorporate affordable housing within their housing stock sufficient to meet the needs of their county or community. Further, affordable housing developers who believe that they have been unfairly treated due to the fact that the development contains affordable housing may seek relief from local ordinances and regulations that may inhibit the construction of affordable housing needed to serve low-income and moderate-income households in this State.

Section 15. Definitions. As used in this Act:

"Affordable housing" means housing that has a sales price or rental amount that is within the means of a household that may occupy moderate-income or low-income housing. In the case of dwelling units for sale, housing that is affordable means housing in which mortgage, amortization, taxes, insurance, and condominium or association fees, if any, constitute no more than 30% of the gross annual household income for a household of the size that may occupy the unit. In the case of dwelling units for rent, housing that is affordable means housing for which the rent and utilities constitute no more than 30% of the gross annual household income for a household of the size that may occupy the unit.

"Affordable housing developer" means a nonprofit entity, limited equity cooperative or public agency, or private individual, firm, corporation, or other entity seeking to build an affordable housing development.

"Affordable housing development" means (i) any housing that is subsidized by the federal or State government or (ii) any housing in which at least 20% of the dwelling units are subject to covenants or restrictions that require that the dwelling units be sold or rented at prices that preserve them as affordable housing for a period of at least 15 years, in the case of for-sale housing, and at least 30 years, in the case of

rental housing.

"Approving authority" means the governing body of the county or municipality.

"Development" means any building, construction, renovation, or excavation or any material change in the use or appearance of any structure or in the land itself; the division of land into parcels; or any change in the intensity or use of land, such as an increase in the number of dwelling units in a structure or a change to a commercial use.

"Exempt local government" means any local government in which at least 10% of its total year-round housing units are affordable, as determined by the Illinois Housing Development Authority pursuant to Section 20 of this Act; or any municipality under 1,000 population.

"Household" means the person or persons occupying a dwelling unit.

"Local government" means a county or municipality.

"Low-income housing" means housing that is affordable, according to the federal Department of Housing and Urban Development, for either home ownership or rental, and that is occupied, reserved, or marketed for occupancy by households with a gross household income that does not exceed 50% of the median gross household income for households of the same size within the county in which the housing is located.

"Moderate-income housing" means housing that is affordable, according to the federal Department of Housing and Urban Development, for either home ownership or rental, and that is occupied, reserved, or marketed for occupancy by households with a gross household income that is greater than 50% but does not exceed 80% of the median gross household income for households of the same size within the county in which the housing is located.

"Non-appealable local government requirements" means all essential requirements that protect the public health and safety, including any local building, electrical, fire, or plumbing code requirements or those requirements that are critical to the protection or preservation of the environment.

Section 20. Determination of exempt local governments.

(a) Beginning January 1, 2006, the Illinois Housing Development Authority shall determine which local governments are exempt and not exempt from the operation of this Act based on an identification of the total number of year-round housing units in the most recent decennial census for each local government within the State and by an inventory of for-sale and rental affordable housing units, as defined in this Act, for each local government from the decennial census and other relevant sources.

(b) The Illinois Housing Development Authority shall make this determination by:

(i) totaling the number of for-sale housing units in each local government that are affordable to households with a gross household income that is less than 80% of the median household income within the county or primary metropolitan statistical area;

(ii) totaling the number of rental units in each local government that are affordable to households with a gross household income that is less than 60% of the median household income within the county or primary metropolitan statistical area;

(iii) adding the number of for-sale and rental units for each local government from items (i) and (ii); and

(iv) dividing the sum of (iii) above by the total number of year-round housing units in the local government as contained in the latest decennial census and multiplying the result by 100 to determine the percentage of affordable housing units within the jurisdiction of the local government.

(c) Beginning January 1, 2006, the Illinois Housing Development Authority shall publish on an annual basis a list of exempt and non-exempt local governments and the data that it used to calculate its determination. The data shall be shown for each local government in the State and for the State as a whole.

(d) A local government or developer of affordable housing may appeal the determination of the Illinois Housing Development Authority as to whether the local government is exempt or non-exempt under this Act in connection with an appeal under Section 30 of this Act.

Section 25. Affordable housing plan.

(a) Prior to July 1, 2004, all non-exempt local governments must approve an affordable housing plan.

(b) For the purposes of this Act, the affordable housing plan shall consist of at least the following:

(i) a statement of the total number of affordable housing units that are necessary to exempt the local government from the operation of this Act as defined in Section 15 and Section 20;

(ii) an identification of lands within the jurisdiction that are most appropriate for the construction of affordable housing and of existing structures most appropriate for conversion to, or rehabilitation for, affordable housing, including a consideration of lands and structures of developers who have expressed a commitment to provide affordable housing and lands and structures that are publicly or semi-publicly

owned;

(iii) incentives that local governments may provide for the purpose of attracting affordable housing to their jurisdiction; and

(iv) a goal of a minimum of 15% of all new development or redevelopment within the local government that would be defined as affordable housing in this Act; or a minimum of a 3 percentage point increase in the overall percentage of affordable housing within its jurisdiction, as defined in Section 20 of this Act; or a minimum of a total of 10% of affordable housing within its jurisdiction.

(c) Within 60 days after the adoption of an affordable housing plan or revisions to its affordable housing plan, the local government must submit a copy of that plan to the Illinois Housing Development Authority.

Section 30. Appeal to State Housing Appeals Board.

(a) Beginning January 1, 2006, an affordable housing developer whose application is either denied or approved with conditions that in his or her judgment render the provision of affordable housing infeasible may, within 45 days after the decision, submit to the State Housing Appeals Board information regarding why the developer believes he or she was unfairly denied or conditions were placed upon the tentative approval of the development unless the local government that rendered the decision is exempt under Section 15 or Section 20 of this Act. The Board shall maintain all information forwarded to them by developers and shall compile and make available an annual report summarizing the information thus received.

(b) Beginning January 1, 2009, an affordable housing developer whose application is either denied or approved with conditions that in his or her judgment render the provision of affordable housing infeasible may, within 45 days after the decision, appeal to the State Housing Appeals Board challenging that decision unless the municipality or county that rendered the decision is exempt under Section 15 of this Act. The developer must submit information regarding why the developer believes he or she was unfairly denied or unreasonable conditions were placed upon the tentative approval of the development.

(c) Beginning January 1, 2009, the Board shall render a decision on the appeal within 120 days after the appeal is filed. In its determination of an appeal, the Board shall conduct a de novo review of the matter. In rendering its decision, the Board shall consider the facts and whether the developer was treated in a manner that places an undue burden on the development due to the fact that the development contains affordable housing as defined in this Act. The Board shall further consider any action taken by the unit of local government in regards to granting waivers or variances that would have the effect of creating or prohibiting the economic viability of the development. In any proceeding before the Board, the developer bears the burden of demonstrating that he or she has been unfairly denied or unreasonable conditions have been placed upon the tentative approval for the application for an affordable housing development.

(d) The Board shall dismiss any appeal if:

(i) the local government has adopted an affordable housing plan as defined in Section 25 of this Act and submitted that plan to the Illinois Housing Development Authority within the time frame required by this Act; and

(ii) the local government has implemented its affordable housing plan and has met its goal as established in its affordable housing plan as defined in Section 25 of this Act.

(e) The Board shall dismiss any appeal if the reason for denying the application or placing conditions upon the approval is a non-appealable local government requirement under Section 15 of this Act.

(f) The Board may affirm, reverse, or modify the conditions of, or add conditions to, a decision made by the approving authority. The decision of the Board constitutes an order directed to the approving authority and is binding on the local government.

(g) The appellate court has the exclusive jurisdiction to review decisions of the Board.

Section 40. Nonresidential development as part of an affordable housing development.

(a) An affordable housing developer who applies to develop property that contains nonresidential uses in a nonresidential zoning district must designate either at least 50% of the area or at least 50% of the square footage of the development for residential use. Unless adjacent to a residential development, the nonresidential zoning district shall not include property zoned industrial. The applicant bears the burden of proof of demonstrating that the purposes of a nonresidential zoning district will not be impaired by the construction of housing in the zoning district and that the public health and safety of the residents of the affordable housing will not be adversely affected by nonresidential uses either in existence or permitted in that zoning district. The development should be completed simultaneously to the extent possible and shall be unified in design.

(b) For purposes of subsection (a), the square footage of the residential portion of the development shall

be measured by the interior floor area of dwelling units, excluding that portion that is unheated. Square footage of the nonresidential portion shall be calculated according to the gross leasable area.

Section 50. Housing Appeals Board.

(a) Prior to July 1, 2006, a Housing Appeals Board shall be created consisting of 7 members appointed by the Governor as follows:

- (1) a retired circuit judge or retired appellate judge, who shall act as chairperson;
- (2) a zoning board of appeals member;
- (3) a planning board member;
- (4) a mayor or municipal council or board member;
- (5) a county board member;
- (6) an affordable housing developer; and
- (7) an affordable housing advocate.

In addition, the Chairman of the Illinois Housing Development Authority, ex officio, shall serve as a non-voting member. No more than 4 of the appointed members may be from the same political party. Appointments under items (2), (3), and (4) shall be from local governments that are not exempt under this Act.

(b) Initial terms of 4 members designated by the Governor shall be for 2 years. Initial terms of 3 members designated by the Governor shall be for one year. Thereafter, members shall be appointed for terms of 2 years. A member shall receive no compensation for his or her services, but shall be reimbursed by the State for all reasonable expenses actually and necessarily incurred in the performance of his or her official duties. ## RESOLUTION

The following resolution was offered and placed in the Committee on Rules.

### HOUSE RESOLUTION 329

Offered by Representative Chapa LaVia:

WHEREAS, Section 502 of the federal Veterans Entrepreneurship and Small Business Act of 1999 establishes a federal government-wide goal that not less than 3% of all federal contract awards for each fiscal year are to be awarded to businesses owned by service-disabled veterans; and

WHEREAS, Representative Chris Smith, the Chairman of the House Committee on Veterans' Affairs, has stated that this 3% goal is not a ceiling but is the bare minimum to meet compliance with the Veterans Entrepreneurship and Small Business Act of 1999; and

WHEREAS, In signing the Veterans Entrepreneurship and Small Business Act of 1999 into law, President George W. Bush stated that, "[The Act] will provide assistance to veterans who are entrepreneurs and especially to service-disabled veteran entrepreneurs, men and women who have sacrificed so much in service of our county. By helping these American heroes to establish, maintain, and grow their own small businesses, we help to sustain our strong economy and express our gratitude for their service to America."; and

WHEREAS, Procurement spending to service-disabled, veteran-owned businesses falls far below the 3% goal established by the Veterans Entrepreneurship and Small Business Act of 1999; Angela Styles, an official from the Office of Management and Budget, has testified before the House Committee on Veterans' Affairs that in fiscal year 2001 alone, federal agencies denied disabled-veteran's companies nearly \$6 billion in procurement opportunities and for the first 3 quarters of fiscal year 2002, up to and including the third quarter, service-disabled veteran-owned small businesses were awarded approximately .10% of the total dollars awarded by federal agencies during that period; and

WHEREAS, For fiscal year 2001 and for the first 3 quarters of fiscal year 2002, the Small Business Administration, the Department of Labor, and the Office of the President have reported spending zero dollars with service-disabled veteran-owned businesses; and

WHEREAS, Research shows that many of contracts supposedly awarded to service-disabled veteran-owned businesses are not even with companies owned by service-disabled veterans, but with firms illegally claiming that status; and

WHEREAS, According to Joseph Forney, the 2002 Veterans Small Business Advocate of the Year, "For the veteran small business owners who are among the 1,800 veterans on average who are dying each day, there will never be an opportunity for the federal government to remedy the disastrous implementation of this small business program."; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY- THIRD GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the members of the Illinois House of Representatives respectfully urge the United State Congress to closer examine how procurement opportunities are awarded to service-disabled veteran-owned businesses and to take all necessary measures to require the full and immediate implementation of the Veterans Entrepreneurship and Small Business Act of 1999; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the President pro tempore of the U.S. Senate, the Speaker of the U. S. House of Representatives, and each member of the Illinois congressional delegation.

### HOUSE BILLS ON SECOND READING

HOUSE BILL 3064. Having been printed, was taken up and read by title a second time. The following amendment was offered in the Committee on Labor, adopted and printed:

#### AMENDMENT NO. 1

AMENDMENT NO. 1. Amend House Bill 3064 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Public Labor Relations Act is amended by changing Section 9 as follows:  
(5 ILCS 315/9) (from Ch. 48, par. 1609)

Sec. 9. Elections; recognition. (a) Whenever in accordance with such regulations as may be prescribed by the Board a petition has been filed:

(1) by a public employee or group of public employees or any labor organization acting in their behalf demonstrating that 30% of the public employees in an appropriate unit (A) wish to be represented for the purposes of collective bargaining by a labor organization as exclusive representative, or (B) asserting that the labor organization which has been certified or is currently recognized by the public employer as bargaining representative is no longer the representative of the majority of public employees in the unit; or

(2) by a public employer alleging that one or more labor organizations have presented to it a claim that they be recognized as the representative of a majority of the public employees in an appropriate

unit, the Board shall investigate such petition, and if it has reasonable cause to believe that a question of representation exists, shall provide for an appropriate hearing upon due notice. Such hearing shall be held at the offices of the Board or such other location as the Board deems appropriate. If it finds upon the record of the hearing that a question of representation exists, it shall direct an election in accordance with subsection (d) of this Section, which election shall be held not later than 120 days after the date the petition was filed regardless of whether that petition was filed before or after the effective date of this amendatory Act of 1987; provided, however, the Board may extend the time for holding an election by an additional 60 days if, upon motion by a person who has filed a petition under this Section or is the subject of a petition filed under this Section and is a party to such hearing, or upon the Board's own motion, the Board finds that good cause has been shown for extending the election date; provided further, that nothing in this Section shall prohibit the Board, in its discretion, from extending the time for holding an election for so long as may be necessary under the circumstances, where the purpose for such extension is to permit resolution by the Board of an unfair labor practice charge filed by one of the parties to a representational proceeding against the other based upon conduct which may either affect the existence of a question concerning representation or have a tendency to interfere with a fair and free election, where the party filing the charge has not filed a request to proceed with the election; and provided further that prior to the expiration of the total time allotted for holding an election, a person who has filed a petition under this Section or is the subject of a petition filed under this Section and is a party to such hearing or the Board, may move for and obtain the entry of an order in the circuit court of the county in which the majority of the public employees sought to be represented by such person reside, such order extending the date upon which the election shall be held. Such order shall be issued by the circuit court only upon a judicial finding that there has been a sufficient showing that there is good cause to extend the election date beyond such period and shall require the Board to hold the election as soon as is feasible given the totality of the circumstances. Such 120 day period may be extended one or more times by the agreement of all parties to the hearing to a date certain without the necessity of obtaining a court order. Nothing in this Section prohibits the waiving of hearings by stipulation for the purpose of a consent election in conformity with the rules and regulations of the Board or an election in a unit agreed upon by the parties. Other interested employee organizations may intervene in the proceedings in the manner and within the time period specified by rules and regulations of the Board. Interested parties who are necessary to the proceedings may also intervene in the proceedings in the manner and within the time period specified by the rules and regulations of the Board.

(b) The Board shall decide in each case, in order to assure public employees the fullest freedom in exercising the rights guaranteed by this Act, a unit appropriate for the purpose of collective bargaining, based upon but not limited to such factors as: historical pattern of recognition; community of interest including employee skills and functions; degree of functional integration; interchangeability and contact among employees; fragmentation of employee groups; common supervision, wages, hours and other working conditions of the employees involved; and the desires of the employees. For purposes of this subsection, fragmentation shall not be the sole or predominant factor used by the Board in determining an appropriate bargaining unit. Except with respect to non-State fire fighters and paramedics employed by fire departments and fire protection districts, non-State peace officers and peace officers in the State Department of State Police, a single bargaining unit determined by the Board may not include both supervisors and nonsupervisors, except for bargaining units in existence on the effective date of this Act. With respect to non-State fire fighters and paramedics employed by fire departments and fire protection districts, non-State peace officers and peace officers in the State Department of State Police, a single bargaining unit determined by the Board may not include both supervisors and nonsupervisors, except for bargaining units in existence on the effective date of this amendatory Act of 1985.

In cases involving an historical pattern of recognition, and in cases where the employer has recognized the union as the sole and exclusive bargaining agent for a specified existing unit, the Board shall find the employees in the unit then represented by the union pursuant to the recognition to be the appropriate unit.

Notwithstanding the above factors, where the majority of public employees of a craft so decide, the Board shall designate such craft as a unit appropriate for the purposes of collective bargaining.

The Board shall not decide that any unit is appropriate if such unit includes both professional and nonprofessional employees, unless a majority of each group votes for inclusion in such unit.

(c) Nothing in this Act shall interfere with or negate the current representation rights or patterns and practices of labor organizations which have historically represented public employees for the purpose of collective bargaining, including but not limited to the negotiations of wages, hours and working conditions,

discussions of employees' grievances, resolution of jurisdictional disputes, or the establishment and maintenance of prevailing wage rates, unless a majority of employees so represented express a contrary desire pursuant to the procedures set forth in this Act.

(d) In instances where the employer does not voluntarily recognize a labor organization as the exclusive bargaining representative for a unit of employees, the Board shall determine the majority representative of the public employees in an appropriate collective bargaining unit by conducting a secret ballot election. Within 7 days after the Board issues its bargaining unit determination and direction of election or the execution of a stipulation for the purpose of a consent election, the public employer shall submit to the labor organization the complete names and addresses of those employees who are determined by the Board to be eligible to participate in the election. When the Board has determined that a labor organization has been fairly and freely chosen by a majority of employees in an appropriate unit, it shall certify such organization as the exclusive representative. If the Board determines that a majority of employees in an appropriate unit has fairly and freely chosen not to be represented by a labor organization, it shall so certify. The Board may also revoke the certification of the public employee organizations as exclusive bargaining representatives which have been found by a secret ballot election to be no longer the majority representative.

(e) The Board shall not conduct an election in any bargaining unit or any subdivision thereof within which a valid election has been held in the preceding 12-month period. The Board shall determine who is eligible to vote in an election and shall establish rules governing the conduct of the election or conduct affecting the results of the election. The Board shall include on a ballot in a representation election a choice of "no representation". A labor organization currently representing the bargaining unit of employees shall be placed on the ballot in any representation election. In any election where none of the choices on the ballot receives a majority, a runoff election shall be conducted between the 2 choices receiving the largest number of valid votes cast in the election. A labor organization which receives a majority of the votes cast in an election shall be certified by the Board as exclusive representative of all public employees in the unit.

(f) Nothing in this or any other Act prohibits recognition of a labor organization as the exclusive representative by a public employer by mutual consent of the employer and the labor organization, provided that the labor organization represents a majority of the public employees in an appropriate unit. Any employee organization which is designated or selected by the majority of public employees, in a unit of the public employer having no other recognized or certified representative, as their representative for purposes of collective bargaining may request recognition by the public employer in writing. The public employer shall post such request for a period of at least 20 days following its receipt thereof on bulletin boards or other places used or reserved for employee notices.

(g) Within the 20-day period any other interested employee organization may petition the Board in the manner specified by rules and regulations of the Board, provided that such interested employee organization has been designated by at least 10% of the employees in an appropriate bargaining unit which includes all or some of the employees in the unit recognized by the employer. In such event, the Board shall proceed with the petition in the same manner as provided by paragraph (1) of subsection (a) of this Section.

(h) No election shall be directed by the Board in any bargaining unit where there is in force a valid collective bargaining agreement. The Board, however, may process an election petition filed between 90 and 60 days prior to the expiration of the date of an agreement, and may further refine, by rule or decision, the implementation of this provision. Where more than 4 years have elapsed since the effective date of the agreement, the agreement shall continue to bar an election, except that the Board may process an election petition filed between 90 and 60 days prior to the end of the fifth year of such an agreement, and between 90 and 60 days prior to the end of each successive year of such agreement. No collective bargaining agreement bars an election upon the petition of persons not parties thereto where more than 3 years have elapsed since the effective date of the agreement.

(i) An order of the Board dismissing a representation petition, determining and certifying that a labor organization has been fairly and freely chosen by a majority of employees in an appropriate bargaining unit, determining and certifying that a labor organization has not been fairly and freely chosen by a majority of employees in the bargaining unit or certifying a labor organization as the exclusive representative of employees in an appropriate bargaining unit because of a determination by the Board that the labor organization is the historical bargaining representative of employees in the bargaining unit, is a final order. Any person aggrieved by any such order issued on or after the effective date of this amendatory Act of 1987 may apply for and obtain judicial review in accordance with provisions of the Administrative Review Law, as now or hereafter amended, except that such review shall be afforded directly in the Appellate Court for the district in which the aggrieved party resides or transacts business. Any direct appeal

to the Appellate Court shall be filed within 35 days from the date that a copy of the decision sought to be reviewed was served upon the party affected by the decision. (Source: P.A. 87-736; 88-1.)

Section 99. Effective date. This Act takes effect upon becoming law."
