(215 ILCS 5/500-77)

Sec. 500-77. Policyholder information and exclusive ownership of expirations.

(a) As used in this Section, "expirations" means all information relative to an insurance policy including, but not limited to, the name and address of the insured, the location and description of the property insured, the value of the insurance policy, the inception date, the renewal date, and the expiration date of the insurance policy, the premiums, the limits and a description of the terms and coverage of the insurance policy, and any other personal and privileged information, as defined by Section 1003 of this Code, compiled by a business entity ~~registered firm~~ or furnished by the insured to the insurer or any agent, contractor, or representative of the insurer.

No insurance company, managing general agent, surplus lines insurance broker, wholesale broker, group self-insurance fund, third-party administrator, or any other entity, other than a financial institution as defined in Section 1402 of this Code, shall use such expirations, records, or other written or electronically stored information to solicit, sell, or negotiate the renewal or sale of insurance coverage, insurance products, or insurance services to the insured or for any other marketing purposes, either directly or by providing such information to others, without, separate from the general agency contract, the written consent of the business entity ~~registered firm~~. However, such expirations, records, or other written or electronically stored information may be used for any purpose necessary for placing such business through the insurance producer including reviewing an

Nothing in this Section prohibits an insurance company, with respect to any items herein, from conveying to the insured or the business entity ~~registered firm~~ any additional benefits or ownership rights including, but not limited to, the ownership of expirations on any policy issued or the imposition of further restrictions on the insurance company's use of the insured's personal information.

(e) Nothing in this Section prevents a financial institution, as defined in Section 1402 of this Code, from obtaining from the insured, the insurer, or the business entity ~~registered firm~~ the expiration dates of an insurance policy placed on collateral or otherwise used as security in connection with a loan made or serviced by the financial institution when the financial institution requires the expiration dates for evidence of insurance.

(305 ILCS 5/10-2.5 new)

Sec. 10-2.5. Support for non-minor children and educational expenses. If paternity or an order for support has been established under any provision of this Article X, a petition for support and educational expenses for a non-minor child or children may be brought in the circuit court by a parent of the child or

children, and not by the Department, in the instances set forth in Section 513 of the Illinois Marriage and Dissolution of Marriage Act. The court shall make its determination under the provisions of that Section.

Section 10. The Non-Support Punishment Act is amended by changing Section 20 as follows:

(750 ILCS 16/20)

Sec. 20. Entry of order for support; income withholding.

(a) In a case in which no court or administrative order for support is in effect against the defendant:

(1) at any time before the trial, upon motion of the State's Attorney, or of the Attorney General if the action has been instituted by his office, and upon notice to the defendant, or at the time of arraignment or as a condition of postponement of arraignment, the court may enter such temporary order for support as may seem just, providing for the support or maintenance of the spouse or child or children of the defendant, or both, pendente lite; or

(2) before trial with the consent of the defendant, or at the trial on entry of a plea of guilty, or after conviction, instead of imposing the penalty provided in this Act, or in addition thereto, the court may enter an order for support, subject to modification by the court from time to time as circumstances may require, directing the defendant to pay a certain sum for maintenance of the spouse, or for support of the child or children, or both.

(b) The court shall determine the amount of child support by using the guidelines and standards set forth in subsection (a) of Section 505 and in Section 505.2 of the Illinois Marriage and Dissolution of Marriage Act.

If (i) the non-custodial parent was properly served with a request for discovery of financial information relating to the non-custodial parent's ability to provide child support, (ii) the non-custodial parent failed to comply with the request, despite having been ordered to do so by the court, and (iii) the non-custodial parent is not present at the hearing to determine support despite having received proper notice, then any relevant financial information concerning the non-custodial parent's ability to provide support that was obtained pursuant to subpoena and proper notice shall be admitted into evidence without the need to establish any further foundation for its admission.

(c) The court shall determine the amount of maintenance using the standards set forth in Section 504 of the Illinois Marriage and Dissolution of Marriage Act.

(d) The court may, for violation of any order under this Section, punish the offender as for a contempt of court, but no pendente lite order shall remain in effect longer than 4 months, or after the discharge of any panel of jurors summoned for service thereafter in such court, whichever is sooner.

(e) Any order for support entered by the court under this Section shall be deemed to be a series of judgments against the person obligated to pay support under the judgments, each such judgment to be in the amount of each payment or installment of support and each judgment to be deemed entered as of the date the corresponding payment or installment becomes due under the terms of the support order. Each judgment shall have the full force, effect, and attributes of any other judgment of this State, including the ability to be enforced. Each judgment is subject to modification or termination only in accordance with Section 510 of the Illinois Marriage and Dissolution of Marriage Act. A lien arises by operation of law against the real and personal property of the noncustodial parent for each installment of overdue support owed by the noncustodial parent.

(f) An order for support entered under this Section shall include a provision requiring the obligor to report to the obligee and to the clerk of the court within 10 days each time the obligor obtains new employment, and each time the obligor's employment is terminated for any reason. The report shall be in writing and shall, in the case of new employment, include the name and address of the new employer.

Failure to report new employment or the termination of current employment, if coupled with nonpayment of support for a period in excess of 60 days, is indirect criminal contempt. For any obligor arrested for failure to report new employment, bond shall be set in the amount of the child support that should have been paid during the period of unreported employment.

An order for support entered under this Section shall also include a provision requiring the obligor and obligee parents to advise each other of a change in residence within 5 days of the change except when the court finds that the physical, mental, or emotional health of a party or of a minor child, or both, would be seriously endangered by disclosure of the party's address.

(g) An order for support entered or modified in a case in which a party is receiving child support enforcement services under Article X of the Illinois Public Aid Code shall include a provision requiring the noncustodial parent to notify the Illinois Department of Public Aid, within 7 days, of the name and address of any new employer of the noncustodial parent, whether the noncustodial parent has access to health insurance coverage through the employer or other group coverage and, if so, the policy name and number

and the names of persons covered under the policy.

(h) In any subsequent action to enforce an order for support entered under this Act, upon sufficient showing that diligent effort has been made to ascertain the location of the noncustodial parent, service of process or provision of notice necessary in that action may be made at the last known address of the noncustodial parent, in any manner expressly provided by the Code of Civil Procedure or in this Act, which service shall be sufficient for purposes of due process.

(i) An order for support shall include a date on which the current support obligation terminates. The termination date shall be no earlier than the date on which the child covered by the order will attain the age of 18. However, if the child will not graduate from high school until after attaining the age of 18, then the termination date shall be no earlier than the earlier of the date on which the child's high school graduation will occur or the date on which the child will attain the age of 19. The order for support shall state that the termination date does not apply to any arrearage that may remain unpaid on that date. Nothing in this subsection shall be construed to prevent the court from modifying the order or terminating the order in the event the child is otherwise emancipated.

(i-5) If there is an unpaid arrearage or delinquency (as those terms are defined in the Income Withholding for Support Act) equal to at least one month's support obligation on the termination date stated in the order for support or, if there is no termination date stated in the order, on the date the child attains the age of majority or is otherwise emancipated, the periodic amount required to be paid for current support of that child immediately prior to that date shall automatically continue to be an obligation, not as current support but as periodic payment toward satisfaction of the unpaid arrearage or delinquency. That periodic payment shall be in addition to any periodic payment previously required for satisfaction of the arrearage or delinquency. The total periodic amount to be paid toward satisfaction of the arrearage or delinquency may be enforced and collected by any method provided by law for enforcement and collection of child support, including but not limited to income withholding under the Income Withholding for Support Act. Each order for support entered or modified on or after the effective date of this amendatory Act of the 93rd General Assembly must contain a statement notifying the parties of the requirements of this subsection. Failure to include the statement in the order for support does not affect the validity of the order or the operation of the provisions of this subsection with regard to the order. This subsection shall not be construed to prevent or affect the establishment or modification of an order for support of a minor child or the establishment or modification of an order for support of a non-minor child or educational expenses under Section 513 of the Illinois Marriage and Dissolution of Marriage Act.

(j) A support obligation, or any portion of a support obligation, which becomes due and remains unpaid for 30 days or more shall accrue simple interest at the rate of 9% per annum. An order for support entered or modified on or after January 1, 2002 shall contain a statement that a support obligation required under the order, or any portion of a support obligation required under the order, that becomes due and remains unpaid for 30 days or more shall accrue simple interest at the rate of 9% per annum. 17TH LEGISLATIVE DAY

Perfunctory Session

FRIDAY, FEBRUARY 18, 2005

At the hour of 3:29 o'clock p.m., the House convened perfunctory session.

HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 124

Offered by Representative Currie:

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that House Rules 37, 40, 45, 50, and 56 of the 94th General Assembly are amended as follows:

(House Rule 37)

37. Bills.

(a) A bill may be introduced in the House by sponsorship of one or more members of the House, whose names shall be on the reproduced copies of the bills, in the House Journal, and in the Legislative Digest. The Principal Sponsor shall be the first name to appear on the bill and may be joined by no more than 4 chief co-sponsors with the approval of the Principal Sponsor; other co-sponsors shall be separated from the Principal Sponsor and any chief co-sponsors by a comma. The Principal Sponsor may change the sponsorship of a bill to that of one or more other Representatives, ~~with his, her, or their consent~~, or to that of the standing committee or special committee to which the bill was referred or from which the bill was reported. Such change may be made at any time the bill is pending before the House or any of its committees by filing a notice with the Clerk, provided that the addition of any member as a Principal Sponsor, chief co-sponsor, or co-sponsor must be with that member's consent ~~notice must be signed by both the Principal Sponsor and the member whose name is being added as a sponsor~~. This subsection may not be suspended.

(b) The Principal Sponsor of a bill controls that bill. A standing committee-sponsored bill is controlled by the Chairperson of the committee, who for purposes of these Rules is deemed the Principal Sponsor. A special committee-sponsored bill is controlled by the Chairperson, or if Co-Chairpersons have been appointed, by the Co-Chairperson from the majority caucus, who for purposes of these Rules is deemed the Principal Sponsor. Committee-sponsored bills may not have individual co-sponsors.

(c) The Senate sponsor of a bill originating in the Senate may request substitute House sponsorship of that bill by filing a notice with the Clerk; such a notice is automatically referred to the Rules Committee and deemed adopted if approved by the Rules Committee. If disapproved by the Rules Committee, the notice shall lie on the table. If the Rules Committee fails to act on a notice, that notice may be discharged by unanimous consent.

(d) All bills introduced in the House shall be read by title a first time, ordered reproduced, and automatically referred to the Rules Committee in accordance with Rule 18. When a Senate Bill is received, it shall be read by title, ordered reproduced, and placed on the order of Senate Bills on first reading; after being read a first time, it is automatically referred to the Rules Committee in accordance with Rule 18.

(e) All bills introduced into the House shall be accompanied by 9 copies. Any bill that amends a statute shall indicate the particular changes in the following manner:

(1) All new matter shall be underscored.

(2) All matter that is to be omitted or superseded shall be shown crossed with a line.

(f) No bill shall be passed by the House except on a record vote of a majority of those elected, subject to Rule 69. A bill that has lost on third reading or upon a motion for the adoption of a conference committee report or a second conference committee report and has not been reconsidered may not thereafter be revived.

(Source: H.R. 22, 94th G.A.)

(House Rule 40)

40. Amendments.

(a) An amendment to a bill may be adopted by a standing committee or special committee when the bill is before that committee. An amendment to a bill may be adopted by the House when a bill is on the order of Second Reading if: (i) the Rules Committee has referred the floor amendment to the House for consideration under Rule 18; or (ii) a standing committee or special committee has referred the floor amendment to the House. All amendments must be in writing. All committee amendments that have been timely filed, as determined by the Chairperson, shall be considered by the committee or a subcommittee of that committee prior to consideration by the committee of the bill to which the amendment relates. All amendments not adopted to a bill and that are still pending in a committee or before the House upon the passage or defeat of a bill on Third Reading are automatically tabled.

(b) Except as otherwise provided in these Rules, committee amendments may be offered only by the Principal Sponsor or a member of the committee while the affected bill is before that committee, and shall be adopted by a majority of those appointed. Floor amendments may be offered only by a Representative while the bill is on the order of Second Reading, subject to Rule 18, and shall be adopted by a majority vote of the House. The sponsor of a committee or floor amendment may change the sponsorship of the amendment to that of another member, with that other member's consent. Such change may be made at any time the amendment is pending before the House or any of its committees by filing notice with the Clerk; ~~provided that the notice must be signed by both the sponsor of the amendment and the member whose name is being added as a sponsor of the amendment.~~ A committee amendment may be the subject of a motion to "do adopt" or "do not adopt". Floor amendments shall be filed with the Clerk, and are in order only when 9 copies have been filed.

(d) The Clerk shall have reproduced all adopted committee amendments that come before the House. The Clerk shall also have reproduced all floor amendments referred to the House by a committee. No floor amendment may be adopted by the House unless it has been reproduced and placed on the members' desks in the same manner as for bills under Rule 39.

(e) No floor amendment is in order unless it has been first referred to the House for consideration by the Rules Committee under Rule 18, or by a standing committee or special committee.

(f) Amendments that propose to alter any existing law shall conform to the requirements of Rule 37(e).

(g) If a committee reports a bill "do pass as amended", the committee amendments are deemed adopted by the committee action and shall be reproduced and placed on the members' desks (which may be done in the same manner as provided for bills under Rule 39) before the bill may be read a second time.

(h) In the case of special committees with Co-Chairpersons from different political parties, the "Chairperson" for the purposes of this Rule is the Co-Chairperson from the majority caucus.

Each resolution introduced shall be accompanied by 9 copies. Consideration of resolutions shall be governed by Rule 16 and Rule 66.

(b) The Principal Sponsor of a resolution controls that resolution. The Principal Sponsor of a resolution, or the sponsor of an amendment to a resolution, may change the sponsorship of the resolution or amendment, as applicable, to that of another member, with that other member's consent, by filing notice with the Clerk; ~~provided that the notice must be signed by both (i) the Principal Sponsor of the resolution or the sponsor of the amendment, as applicable, and (ii) the member whose name is being added as a sponsor of the resolution or amendment, as applicable.~~ A standing committee-sponsored resolution is controlled by the Chairperson of the committee, who for purposes of these Rules is deemed the Principal Sponsor. A special committee-sponsored resolution is controlled by the Chairperson, or if Co-Chairpersons have been appointed, by the Co-Chairperson from the majority caucus, who for purposes of these Rules is deemed the Principal Sponsor. (House Rule 50)

50. Announcing a Record Vote. When a record vote is requested, the Presiding Officer shall put the question and then announce to the House: "The voting is open." While the vote is being taken, the Presiding Officer shall state: "Have all voted who wish?" The voting is closed when the Presiding Officer announces: "Take the Record." The Presiding Officer, unless an intervening motion to postpone consideration by the Principal Sponsor is made, shall then announce the results of the record vote. After the record is taken, no member may vote, change his or her vote, or remove his or her vote as recorded; except that when a record vote is taken on more than one legislative measure at the same time, each member has the right to have his or her votes recorded separately for each of those legislative measures by filing a signed document with the Clerk on the same legislative day.

(House Rule 56)

56. Verification.

(a) After any record vote, except for a vote that requires a specific number of affirmative votes and that has not received the required votes, and before intervening business, it is in order for any member to request verification of the results of the record vote, except that (i) a member voting in the affirmative may not request verification of the affirmative votes and (ii) a member voting in the negative may not request a verification of the negative votes. If a member is disqualified from requesting a verification because of his or her vote, a qualifying member who makes a subsequent request for a verification shall be allowed to proceed with the verification.

(b) In verifying a record vote, the Presiding Officer shall instruct the Clerk to call the names of those members whose votes are to be verified. The member requesting the verification may thereafter identify those members he or she wishes to verify. If a member does not answer, his or her vote shall be stricken; the member's vote shall be restored to the roll, however, if his or her presence is recognized before the Presiding Officer announces the final result of the verification. The Presiding Officer shall determine the presence or absence of each member whose name is called, and shall then announce the results of the verification.

(c) While the results of any record vote are being verified, it is in order for any member to announce his or her presence on the floor and thereby have his or her vote verified.

(d) A request for a verification of the affirmative and negative results of a record vote may be made only once on each record vote.

WHEREAS, It costs the State of Illinois millions of dollars to own, maintain, and staff the fleet of executive aircraft; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the Auditor General conduct an audit of all State-owned executive aircraft, examining the possibility of selling or leasing the executive air fleet as a means to save money for the State of Illinois and making recommendations on rules and policies regarding the use of and cost improvement to the fleet; and be it further

HOUSE RESOLUTION 127

Offered by Representative Osterman:

WHEREAS, In one of the greatest engineering achievements of the 20th Century, the City of Chicago reversed the flow of the Chicago River in the year 1900 so that Lake Michigan could remain a pure source of drinking water, free from untreated sewage; and

WHEREAS, The Chicago region enjoys some of the cleanest, highest quality, and best-tasting tap water of any major metropolitan area in the nation; and

WHEREAS, The health of migratory birds and fish habitat, water-based tourism, and local use of the beaches of Lake Michigan depend on the purity of the water of Lake Michigan; and

WHEREAS, The flow of runoff from heavy rain events into sewage treatment systems can be greatly reduced through the use and employment of wetland reservoirs, native vegetation planted along streams and riverbanks, and effective flood and water supply planning; and

WHEREAS, The current proposal put forth by the United States Environmental Protection Agency for the sanctioned "blending" of untreated sewage with stormwater runoff that will flow directly into Lake Michigan in the event of a heavy rain will lead to increased occurrence of hepatitis, dysentery, and respiratory problems among the residents of Illinois and will lead to the degradation of wildlife habitat and recreational use of Lake Michigan; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we formally oppose the current wastewater "blending" proposal put forth by the United States Environmental Protection Agency, and encourage the Agency to reformulate its policy, taking better account of local health and recreational needs in an effort to lessen the entrance of stormwater runoff into the sewage treatment system, rather than providing an unhealthful means of managing it once the treatment system is overburdened in the event of a heavy rain; and be it further

RESOLVED, That copies of this resolution be sent to the United States Environmental Protection Agency and each member of the Illinois congressional delegation.

WHEREAS, Social Security does not face an immediate crisis and is fundamentally sound in principle; and

WHEREAS, Only modest adjustments are needed to keep Social Security healthy through the end of this century; and

WHEREAS, Carving private accounts out of the Social Security program will result in benefit cuts of up to 46 percent; and

WHEREAS, Diverting Social Security funds into private accounts will create a massive shortfall in the program's finances; and

WHEREAS, Private accounts will undermine the financial security of all Americans by reducing guaranteed benefits in the event of retirement, disability, or the loss of a wage earner; and

WHEREAS, Private accounts will increase the deficit by trillions of dollars, thus undermining the economy; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we call upon the United States Congress to maintain Social Security as a program of guaranteed benefits, to reject private accounts carved out of Social Security, and to reject Social Security changes that will reduce benefits or increase the deficit; and be it
