HOUSE RESOLUTIONS

HOUSE RESOLUTION 151

Offered by Representative Munson:

WHEREAS, The Area-wide Law Enforcement Radio Terminal System (ALERTS) combines traditional radio technology with data communications to provide officers in patrol cars with the information they need for making quick, effective decisions on the street; and

WHEREAS, Approximately 3,000 public safety officers working for over 300 public safety agencies, including municipal police departments, county sheriffs' offices, and firefighting agencies, use the ALERTS system in their law enforcement and other public safety activities on a daily basis to maximize the health and safety of Illinois citizens; and

WHEREAS, The ALERTS system was originally set up and paid for in the 1980s by Illinois municipal police forces and county sheriffs' offices pursuant to an intergovernmental agreement; and

WHEREAS, The process by which the ALERTS system was set up and maintained is precisely the sort of public-safety-minded intergovernmental agreement that the State of Illinois ought to be fostering and supporting in this time of budgetary constraints and threats to homeland security; and

WHEREAS, A study by the Department of Central Management Services has recently taken place, which points toward the convergence of the ALERTS system with the Illinois Wireless Information Network (I-WIN) being utilized by the State Police, and further suggests that the operation of the ALERTS system be transferred to the Department of Central Management Services, which would in turn dismantle one of the largest public safety communications networks in the country; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we express our thanks to the units of local government that took far-sighted cooperative action, starting in the 1980s, to create and foster the ALERTS law enforcement data communications system; and be it further

RESOLVED, That the State and its ministerial units should encourage intergovernmental cooperation between units of local government by allowing the cooperating units to hold on to what they have, rather than using their cooperation as an excuse or motivation to expropriate the products of their cooperation; and be it further

RESOLVED, That a copy of this resolution be presented to the Executive Director of the Criminal Justice Information Society, the Director of Central Management Services, and the Governor.

HOUSE RESOLUTION 152

Offered by Representative Osterman:

WHEREAS, The annual health care costs in Illinois directly related to smoking is approximately \$3.2 billion; and

WHEREAS, Of the \$3.2 billion, Medicaid pays for approximately \$1.22 billion; and

WHEREAS, The number of children who are currently under the age of 18 who will die prematurely due to smoking is estimated to be 297,000; and

WHEREAS, Secondhand smoke is the third leading cause of preventable death in the United States; and
WHEREAS, Individuals exposed to secondhand smoke in the workplace are 34% more likely to develop lung cancer; and

WHEREAS, A non-smoker in a smoky restaurant can consume the equivalent of 4 cigarettes in 2 hours; and

WHEREAS, An estimated 65,000 people die each year in the United States from exposure to secondhand smoke, nearly 1,570 people in Illinois; and

WHEREAS, Comprehensive Cancer Planning efforts, in collaboration with the Illinois Department of Public Health, have identified promoting tobacco prevention initiatives as a key priority area to reduce cancer incidence and mortality in Illinois; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we promise the American Cancer Society, Illinois Division Inc., that we will promote the health of all Illinois residents by working to reduce the toll of tobacco on Illinoisans, and we urge the Honorable Governor Rod Blagojevich to do the same; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to the Governor of the State of Illinois.

HOUSE RESOLUTION 153

Offered by Representative Cross:

WHEREAS, Ovarian cancer is the seventh most common cancer among women and the fifth leading cause of cancer death after lung and bronchus, breast, colorectal, and pancreatic cancers; ovarian cancer causes more deaths than any other cancer of the female reproductive system; and

WHEREAS, The American Cancer Society estimates that approximately 22,220 new cases of ovarian cancer will be diagnosed in the United States in 2005 and an estimated 16,000 women died from ovarian cancer in the United States during 2004; and

WHEREAS, Ovarian cancer is the deadliest malignancy of the female reproductive system, in part because only about 24 percent of the cases are detected during the early stages of the disease; and

WHEREAS, An estimated 1,000 Illinois women die from ovarian cancer annually; and

WHEREAS, The Pap test, which is an effective detector of early cervical cancer, detects ovarian cancer only in the later stages; and

WHEREAS, Screening with sonograms and blood tests of women who are high risks for developing ovarian cancer, such as women with family histories of ovarian cancer or breast cancer, would help to save lives by early diagnosis and effective treatment; and

WHEREAS, Other life-saving programs include public education campaigns, programs to alert doctors regarding early symptoms, insurance coverage for screening high risk populations, and increased research; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that there is created a House Ovarian Cancer Study Committee to be composed of six members of the House of Representatives, three members to be appointed by the Speaker of the House of Representatives and three members to be appointed by the minority leader of the House of Representatives; the Speaker shall designate a member of the committee as chairperson of the committee; the chairperson shall call all meetings of the committee; and be it further

WHEREAS, The Illinois Department of Transportation Division of Traffic Safety received federal funds for the Child Safety Seat Program for local communities; \$166,000 of federal transportation money was spent to provide safety seats and promotional materials to Illinois residents across the State; and

WHEREAS, Currently, independent insurance agencies are training individuals to be "safety seat inspectors", as well as holding community awareness days on the safe installation of child safety seats; and

WHEREAS, Enhancing the child safety seat program through a media campaign and more resources, such as safety seats for families in need, fundraising techniques to utilize local community resources, and training seminars to expand the numbers of "safety seat inspectors" and to teach proper installation techniques, would demonstrate how important safety seats are in protecting children while riding in vehicles; and

WHEREAS, These programs could also be expanded to doctor's offices, early childhood screening centers, school districts, and hospitals; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Governor to support funding for the Illinois Department of Transportation Safety Seat Program; and be it further

RESOLVED, That suitable copies of this resolution be presented to the Governor and the Secretary of Transportation.

WHEREAS, Each year the economic burden of CVD is estimated to be over \$350 billion; and

WHEREAS, In Illinois, 30,713 people died of CVD in 2002; and

WHEREAS, The American Heart Association has launched a new initiative called "Go Red for Women" to help raise awareness of women and heart disease and will focus on that theme during the American Heart Month in February and "National Wear Red for Women Day" on February 4, 2005; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare the month of February 2005, and every February thereafter, as American Heart Month in the State of Illinois and all citizens are urged to join in the commemoration of this important observance.

HOUSE JOINT RESOLUTION 21

WHEREAS, The Social Security Trust Fund is expected to have insufficient funds to meet its obligations by 2042; and

WHEREAS, The United States Congress, as part of its efforts to address the financial crisis confronting the Social Security system, is considering a proposal mandating Social Security coverage for public employees, including public employees in Illinois who presently do not participate in the Social Security system; and

WHEREAS, Illinois' State and local government employee pension plans cover over 375,000 different State and local government employees, including employees of school districts, police officers, firefighters, faculty at institutions of higher education, and employees of municipalities, as well as thousands of benefit recipients; and

WHEREAS, Illinois' State and local government employee pension plans have been carefully developed with the cooperation of the Illinois General Assembly, employers, and employees to meet the unique needs of such public employees at a reasonable cost; and

WHEREAS, Illinois' public pension plans offer benefits that are designed to address the physical demands and high risks inherent in public safety work and that are not available through the federal Social Security system, including lower retirement ages and comprehensive death and disability benefits; and

WHEREAS, It is anticipated that federal legislation will be introduced that would include a requirement that state and local government employees hired after a certain date participate in the federal Social Security system; and

WHEREAS, Preliminary estimates indicate a statewide cost of over \$2 billion if participation in the federal Social Security system is mandated for Illinois' State and local government employees, which would result in a sharp decline of benefits and a reduction in education programs and services; and

WHEREAS, A federal mandate that Illinois' State and local government employees participate in the federal Social Security system may not only threaten the integrity of the existing pension plans for the employees, but it may also affect the safety and general welfare of the citizens of Illinois; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that we urge the United States Congress to preserve the right of state and local governments to operate pension plans for their employees in place of the federal Social Security system and develop legislation for responsible reform of the federal Social Security system that does not include mandatory participation by employees of state and local governments; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the President pro tempore of the U.S. Senate, the Speaker of the U.S. House of Representatives, and each member of the Illinois congressional delegation.

Nothing in this Section shall prohibit a person from carrying an uncased, unloaded shotgun in a boat, while in pursuit of a crippled migratory waterfowl that is incapable of normal flight, for the purpose of attempting to reduce the migratory waterfowl to possession, provided that the attempt is made immediately upon downing the migratory waterfowl and is done within 400 yards of the blind from which the migratory waterfowl was downed. This exception shall apply only to migratory game birds that are not capable of normal flight. Migratory waterfowl that are crippled may be taken only with a shotgun as regulated by subsection (j) of this Section using shotgun shells as regulated in subsection (k) of this Section.

(gg) It is unlawful during the upland game season for any person to take upland game with a firearm unless he or she wears, while in the field, a cap of solid blaze orange color. However, only shotguns not larger than 10 gauge nor smaller than .410 bore loaded with not more than 3 shells of a shot size no larger than lead BB or steel T (.20 diameter) may be used to take species protected by this Act.

~~(mm)~~ Nothing contained in this Act shall prohibit the use of a shotgun, not larger than 10 gauge nor smaller than a 20 gauge, with a rifled barrel.

Nothing contained in this Act shall prohibit the use of locking type cable restraints for use in water trapping. Written permission of the owner of the land over which the water is standing or flowing is not required for water sets.

(2) The rules and regulations on early release shall provide, with respect to offenses committed on or after June 19, 1998, the following:

(i) that a prisoner who is serving a term of imprisonment for first degree murder or for the offense of terrorism shall receive no good conduct credit and shall serve the entire sentence imposed by the court;

(2.1) For all offenses, other than those enumerated in subdivision (a)(2) committed on or after June 19, 1998, and other than the offense of reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 committed on or after January 1, 1999, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, the rules and regulations shall provide that a prisoner who is serving a term of imprisonment shall receive one day of good conduct credit for each day of his or her sentence of imprisonment or recommitment under Section 3-3-9. Each day of good conduct credit shall reduce by one day the prisoner's period of imprisonment or recommitment under Section 3-3-9.

(2.2) A prisoner serving a term of natural life imprisonment or a prisoner who has been sentenced to death shall receive no good conduct credit.

(2.3) The rules and regulations on early release shall provide that a prisoner who is serving a sentence for reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 committed on or after January 1, 1999, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in

subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, shall receive no more than 4.5 days of good conduct credit for each month of his or her sentence of imprisonment.

(2.4) The rules and regulations on early release shall provide with respect to the offenses of aggravated battery with a machine gun or a firearm equipped with any device or attachment designed or used for silencing the report of a firearm or aggravated discharge of a machine gun or a firearm equipped with any device or attachment designed or used for silencing the report of a firearm, committed on or after July 15, 1999 (the effective date of Public Act 91-121) ~~this amendatory Act of 1999~~, that a prisoner serving a sentence for any of these offenses shall receive no more than 4.5 days of good conduct credit for each month of his or her sentence of imprisonment.

(2.5) The rules and regulations on early release shall provide that a prisoner who is serving a sentence for aggravated arson committed on or after July 27, 2001 (the effective date of Public Act 92-176) ~~this amendatory Act of the 92nd 93rd General Assembly~~ shall receive no more than 4.5 days of good conduct credit for each month of his or her sentence of imprisonment.

(3) The rules and regulations shall also provide that the Director may award up to 180 days additional good conduct credit for meritorious service in specific instances as the Director deems proper; except that no more than 90 days of good conduct credit for meritorious service shall be awarded to any prisoner who is serving a sentence for conviction of first degree murder, reckless homicide while under the influence of alcohol or any other drug, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, aggravated kidnapping, kidnapping, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, deviate sexual assault, aggravated criminal sexual abuse, aggravated indecent liberties with a child, indecent liberties with a child, child pornography, heinous battery, aggravated battery of a spouse, aggravated battery of a spouse with a firearm, stalking, aggravated stalking, aggravated battery of a child, endangering the life or health of a child, cruelty to a child, or narcotic racketeering. Notwithstanding the foregoing, good conduct credit for meritorious service shall not be awarded on a sentence of imprisonment imposed for conviction of: (i) one of the offenses enumerated in subdivision (a)(2) when the offense is committed on or after June 19, 1998, (ii) reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 when the offense is committed on or after January 1, 1999, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, (iii) one of the offenses enumerated in subdivision (a)(2.4) when the offense is committed on or after July 15, 1999 (the effective date of Public Act 91-121) ~~this amendatory Act of 1999~~, or (iv) aggravated arson when the offense is committed on or after July 27, 2001 (the effective date of Public Act 92-176) ~~this amendatory Act of the 92nd 93rd General Assembly~~.

(4) The rules and regulations shall also provide that the good conduct credit accumulated and retained under paragraph (2.1) of subsection (a) of this Section by any inmate during specific periods of time in which such inmate is engaged full-time in substance abuse programs, correctional industry assignments, or educational programs provided by the Department under this paragraph (4) and satisfactorily completes the assigned program as determined by the standards of the Department, shall be multiplied by a factor of 1.25 for program participation before August 11, 1993 and 1.50 for program participation on or after that date. However, no inmate shall be eligible for the additional good conduct credit under this paragraph (4) ~~or (4.1) of this subsection (a)~~ while assigned to a boot camp, mental health unit, or electronic detention, or if convicted of an offense enumerated in paragraph (a)(2) of this Section that is committed on or after June 19, 1998, or if convicted of reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 if the offense is committed on or after January 1, 1999, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, or if convicted of an offense enumerated in paragraph (a)(2.4) of this Section that is committed on or after July 15, 1999 (the effective date of Public Act 91-121) ~~this amendatory Act of 1999~~, or first degree murder, a Class X felony, criminal sexual assault, felony criminal sexual abuse, aggravated criminal sexual abuse, aggravated battery with a firearm, or any predecessor or successor offenses with the same or substantially the same elements, or any inchoate offenses relating to the foregoing offenses. No inmate shall be eligible for the additional good conduct credit under this paragraph (4) who (i) has previously

received increased good conduct credit under this paragraph (4) and has subsequently been convicted of a felony, or (ii) has previously served more than one prior sentence of imprisonment for a felony in an adult correctional facility.

Educational, vocational, substance abuse and correctional industry programs under which good conduct credit may be increased under this paragraph (4) and paragraph (4.1) of this subsection (a) shall be evaluated by the Department on the basis of documented standards. The Department shall report the results of these evaluations to the Governor and the General Assembly by September 30th of each year. The reports shall include data relating to the recidivism rate among program participants.

Availability of these programs shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. Eligible inmates who are denied immediate admission shall be placed on a waiting list under criteria established by the Department. The inability of any inmate to become engaged in any such programs by reason of insufficient program resources or for any other reason established under the rules and regulations of the Department shall not be deemed a cause of action under which the Department or any employee or agent of the Department shall be liable for damages to the inmate.

(4.1) The rules and regulations shall also provide that an additional 60 days of good conduct credit shall be awarded to any prisoner who passes the high school level Test of General Educational Development (GED) and receives a GED certificate while the prisoner is incarcerated. The good conduct credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of good conduct under any other paragraph of this Section, but shall also be pursuant to the guidelines and restrictions set forth in paragraph (4) of subsection (a) of this Section.

(4.5) The rules and regulations on early release shall also provide that a prisoner who is serving a sentence for a crime committed as a result of the use of, abuse of, or addiction to alcohol or a controlled substance and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354) ~~this Amendatory Act of the 93rd General Assembly~~ shall receive no good conduct credit until he or she participates in and completes a substance abuse treatment program. Good conduct credit awarded under clauses (2), (3), and (4) of this subsection (a) for crimes committed on or after September 1, 2003 ~~the effective date of this amendatory Act of the 93rd General Assembly~~ is subject to the provisions of this clause (4.5). If the prisoner completes a substance abuse treatment program, the Department may award good conduct credit for the time spent in treatment. Availability of substance abuse treatment shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. If treatment is not available, the prisoner shall be placed on a waiting list under criteria established by the Department. The Department may require a prisoner placed on a waiting list to attend a substance abuse education class or attend substance abuse self-help meetings. A prisoner may not lose good conduct credit as a result of being placed on a waiting list. A prisoner placed on a waiting list remains eligible for increased good conduct credit for participation in an educational, vocational, or correctional industry program under clause (4) of subsection (a) of this Section.

(5) Whenever the Department is to release any inmate earlier than it otherwise would because of a grant of good conduct credit for meritorious service given at any time during the term, the Department shall give reasonable advance notice of the impending release to the State's Attorney of the county where the prosecution of the inmate took place.

(b) Whenever a person is or has been committed under several convictions, with separate sentences, the sentences shall be construed under Section 5-8-4 in granting and forfeiting of good time.

(c) The Department shall prescribe rules and regulations for revoking good conduct credit, or suspending or reducing the rate of accumulation of good conduct credit for specific rule violations, during imprisonment. These rules and regulations shall provide that no inmate may be penalized more than one year of good conduct credit for any one infraction.

When the Department seeks to revoke, suspend or reduce the rate of accumulation of any good conduct credits for an alleged infraction of its rules, it shall bring charges therefor against the prisoner sought to be so deprived of good conduct credits before the Prisoner Review Board as provided in subparagraph (a)(4) of Section 3-3-2 of this Code, if the amount of credit at issue exceeds 30 days or when during any 12 month period, the cumulative amount of credit revoked exceeds 30 days except where the infraction is committed or discovered within 60 days of scheduled release. In those cases, the Department of Corrections may revoke up to 30 days of good conduct credit. The Board may subsequently approve the revocation of additional good conduct credit, if the Department seeks to revoke good conduct credit in excess of 30 days. However, the Board shall not be empowered to review the Department's decision with respect to the loss of 30 days of good conduct credit within any calendar year for any prisoner or to increase any penalty beyond

the length requested by the Department.

The Director of the Department of Corrections, in appropriate cases, may restore up to 30 days good conduct credits which have been revoked, suspended or reduced. Any restoration of good conduct credits in excess of 30 days shall be subject to review by the Prisoner Review Board. However, the Board may not restore good conduct credit in excess of the amount requested by the Director.

Nothing contained in this Section shall prohibit the Prisoner Review Board from ordering, pursuant to Section 3-3-9(a)(3)(i)(B), that a prisoner serve up to one year of the sentence imposed by the court that was not served due to the accumulation of good conduct credit.

(d) If a lawsuit is filed by a prisoner in an Illinois or federal court against the State, the Department of Corrections, or the Prisoner Review Board, or against any of their officers or employees, and the court makes a specific finding that a pleading, motion, or other paper filed by the prisoner is frivolous, the Department of Corrections shall conduct a hearing to revoke up to 180 days of good conduct credit by bringing charges against the prisoner sought to be deprived of the good conduct credits before the Prisoner Review Board as provided in subparagraph (a)(8) of Section 3-3-2 of this Code. If the prisoner has not accumulated 180 days of good conduct credit at the time of the finding, then the Prisoner Review Board may revoke all good conduct credit accumulated by the prisoner.

For purposes of this subsection (d):

(1) "Frivolous" means that a pleading, motion, or other filing which purports to be a legal document filed by a prisoner in his or her lawsuit meets any or all of the following criteria:

- (A) it lacks an arguable basis either in law or in fact;
- (B) it is being presented for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation;
- (C) the claims, defenses, and other legal contentions therein are not warranted by existing law or by a nonfrivolous argument for the extension, modification, or reversal of existing law or the establishment of new law;
- (D) the allegations and other factual contentions do not have evidentiary support or, if specifically so identified, are not likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; or
- (E) the denials of factual contentions are not warranted on the evidence, or if specifically so identified, are not reasonably based on a lack of information or belief.

(2) "Lawsuit" means a petition for post-conviction relief under Article 122 of the Code of Criminal Procedure of 1963, a motion pursuant to Section 116-3 of the Code of Criminal Procedure of 1963, a habeas corpus action under Article X of the Code of Civil Procedure or under federal law (28 U.S.C. 2254), a petition for claim under the Court of Claims Act or an action under the federal Civil Rights Act (42 U.S.C. 1983).

(e) Nothing in Public Act 90-592 or 90-593 ~~this amendatory Act of 1998~~ affects the validity of Public Act 89-404.

(730 ILCS 5/3-6-8 new)

Sec. 3-6-8. General Educational Development (GED) programs. The Department of Corrections shall develop and establish a program in the Adult Division designed to increase the number of committed persons enrolled in programs for the high school level Test of General Educational Development (GED) and pursuing GED certificates by at least 100% over the 4-year period following the effective date of this amendatory Act of the 94th General Assembly. Pursuant to the program, each adult institution and facility shall report annually to the Director of Corrections on the number of committed persons enrolled in GED programs and those who pass the high school level Test of General Educational Development (GED) and receive GED certificates, and the number of committed persons in the Adult Division who are on waiting lists for participation in the GED programs.
