Sec. 2.06. Minutes. (a) All public bodies shall keep written minutes of all their meetings, whether open or closed, and a verbatim record of all their closed meetings in the form of an audio or video recording. Minutes shall include, but need not be limited to:

- (1) the date, time and place of the meeting;
- (2) the members of the public body recorded as either present or absent and whether the members were physically present or present by means of video or audio conference; and
- (3) a summary of discussion on all matters proposed, deliberated, or decided, and a record of any votes taken.

(b) The minutes of meetings open to the public shall be available for public inspection within 7 days of the approval of such minutes by the public body.

(c) The verbatim record may be destroyed without notification to or the approval of a records commission or the State Archivist under the Local Records Act or the State Records Act no less than 18 months after the completion of the meeting recorded but only after:

- (1) the public body approves the destruction of a particular recording; and
- (2) the public body approves minutes of the closed meeting that meet the written minutes requirements of subsection (a) of this Section.

(d) Each public body shall periodically, but no less than semi-annually, meet to review minutes of all closed meetings. At such meetings a determination shall be made, and reported in an open session that (1) the need for confidentiality still exists as to all or part of those minutes or (2) that the minutes or portions thereof no longer require confidential treatment and are available for public inspection.

(e) Unless the public body has made a determination that the verbatim recording no longer requires confidential treatment or otherwise consents to disclosure, the verbatim record of a meeting closed to the public shall not be open for public inspection or subject to discovery in any administrative or judicial proceeding other than one brought to enforce this Act. In the case of a civil action brought to enforce this Act, the court, if the judge believes such an examination is necessary, must conduct such in camera examination of the verbatim record as it finds appropriate in order to determine whether there has been a violation of this Act. In the case of a criminal proceeding, the court may conduct an examination in order to

determine what portions, if any, must be made available to the parties for use as evidence in the prosecution. Any such initial inspection must be held in camera. If the court determines that a complaint or suit brought for noncompliance under this Act is valid it may, for the purposes of discovery, redact from the minutes of the meeting closed to the public any information deemed to qualify under the attorney-client privilege. The provisions of this subsection do not supersede the privacy or confidentiality provisions of State or federal law.

(f) Minutes of meetings closed to the public shall be available only after the public body determines that it is no longer necessary to protect the public interest or the privacy of an individual by keeping them confidential.

Section 20. License retention; requirements. A license granted under this Act is subject to all of the following requirements:

(4) The licensed dealer must strictly adhere to the provisions of all applicable federal and state laws and local ordinances and local business license requirements.

(5) A separate license must be obtained for each separate place of business. Before a licensed dealer moves his or her place of business, he or she must promptly apply to the Department for an amended license.

(6) The license, or a copy of the license certified by the Department, must be displayed on the premises at a location where it can easily be read.

(7) No concealable firearm may be displayed in any outer window of the premises or in any other place where it can readily be seen from the outside.

(8) Every concealable firearm must be unloaded when delivered.

(9) The licensee must obtain a certificate of registration issued under the Retailers' Occupation Tax Act.

(10) The licensee must take reasonable precautions to ensure that the concealable firearms the licensee sells will not be used illegally. These precautions include, but are not limited to: (i) the refusal to sell a concealable firearm to a person the licensee knows or has reason to know is purchasing the firearm on behalf of another person who could not legally purchase the firearm; (ii) the refusal to sell a concealable firearm to a person who has provided a home address in a municipality or county in which possession of that type of concealable firearm is illegal unless the transferee presents reasonably satisfactory evidence that the concealable firearm will not be used or possessed unlawfully in that municipality or county; and (iii) the refusal to sell a concealable firearm to a person who has provided a home address in a municipality

or county that requires registration of the firearm, unless the purchaser presents satisfactory evidence of compliance with the registration requirement.

Section 25. Enforcement; revocation; notice. This Act must be enforced by the Department, and may be enforced, for the purpose of determining compliance with this Act, by any municipality in which the licensee is located or, if the licensee is not located in a municipality, by the county in which the licensee is located. The Department, after due notice to the licensee and reasonable opportunity for the licensee to be heard, may revoke a license or may suspend a license for a period of time that the Department may deem proper upon satisfactory proof that the licensee has violated or permitted a violation of any requirement of this Act or is no longer eligible to obtain a license under Section 15. A person whose license has been revoked by the Department is disqualified to receive a license for 10 years after the revocation. Any person who has substantially participated in the operation or management of a licensee that has had its license revoked may not be employed by or participate in the business of any other licensee for 10 years after the revocation. Proceedings for revocation or suspension under this Section may be initiated by the Department or by any municipality or county.

Section 30. Submission to Department. A licensed dealer must, within 24 hours after making a sale or transfer of a concealable firearm to a person who is not licensed as a dealer, report that sale to the Department of State Police. The report must contain the following information: the date of the sale or transfer; the identity and address of the dealer; the name, address, age, and occupation of the transferee; the price of the firearm; and the kind, description and number of the firearm. All records of the reports must be maintained by the Department on a computer database capable of allowing the retrieval of information for each dealer and each transferee. The computer database must also contain a listing of each county or municipality that prohibits one or more types of concealable firearm, and the type or types of concealable firearms that are prohibited in that county or municipality. Information in the database must be made available to any law enforcement agency responsible for the enforcement of any federal, State or local law or ordinance relating to firearms, and to any licensed dealer who requests information relating to a person who is seeking to purchase one or more firearms from that dealer. Except as specifically provided in this Section, information in the database are confidential records of the Department and are not subject to disclosure under any other law.

In addition to any other requirements of this Section, any licensee who was required by Section 3 of the Firearm Owners Identification Card Act to keep a record of a transfer of a firearm occurring within the 24 month period immediately preceding the effective date of this Act must, no later than 30 days after that effective date, report those transfers to the Department of State Police. The report must contain the information required to be maintained as records under subsection (b) of Section 3 of the Firearm Owners Identification Card Act. The Department must include the records of those reports in the computer database required to be maintained under this Section.

AMENDMENT NO. 4. Amend House Bill 399, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Health Care Workplace Violence Prevention Act.

Section 5. Findings. The General Assembly finds as follows:

(1) Violence is an escalating problem in many health care workplaces in this State and across the nation.

(2) The actual incidence of workplace violence in health care workplaces, in particular, is likely to be greater than documented because of failure to report such incidents or failure to maintain records of incidents that are reported.

(3) Patients, visitors, and health care employees should be assured a reasonably safe

and secure environment in a health care workplace.

(4) Many health care workplaces have undertaken efforts to ensure that patients, visitors, and employees are safe from violence, but additional personnel training and appropriate safeguards may be needed to prevent workplace violence and minimize the risk and dangers affecting people in connection with the delivery of health care.

Section 10. Definitions. In this Act:

"Abuse" means (i) any physical injury, sexual abuse, or mental injury inflicted on a patient, employee, or visitor at a health care workplace other than by accidental means or (ii) a perceived immediate, threatened, or impending risk of physical injury.

"Department" means the Department of Labor.

"Director" means the Director of Labor.

"Employee" means any individual who is employed on a full-time, part-time, or contractual basis by a health care workplace.

"Health care workplace" means a mental health facility or developmental disability facility as defined in the Mental Health and Developmental Disabilities Code, other than a hospital or unit thereof licensed under the Hospital Licensing Act or operated under the University of Illinois Hospital Act. "Health care workplace" does not include, and shall not be construed to include, any office of a physician licensed to practice medicine in all its branches, an advanced practice nurse, or a physician assistant, regardless of the form of such office.

"Imminent danger" means a preliminary determination of immediate, threatened, or impending risk of physical injury as determined by the employee.

"Responsible agency" means the State agency that (i) licenses, certifies, registers, or otherwise regulates or exercises jurisdiction over a health care workplace or a health care workplace's activities or (ii) contracts with a health care workplace for the delivery of health care services.

"Violence" or "violent act" means any act by a person that causes abuse of another person.

Section 15. Workplace violence plan.

(a) By July 1, 2006, every health care workplace must adopt and implement a plan to reasonably prevent and protect employees from violence at that setting. The plan must address security considerations related to the following items, as appropriate to the particular workplace, based on the hazards identified in the assessment required under subsection (b):

- (1) The physical attributes of the health care workplace.
- (2) Staffing, including security staffing.
- (3) Personnel policies.
- (4) First aid and emergency procedures.
- (5) The reporting of violent acts.
- (6) Employee education and training.

(b) Before adopting the plan required under subsection (a), a health care workplace must conduct a security and safety assessment to identify existing or potential hazards for violence and determine the appropriate preventive action to be taken. The assessment must include, but need not be limited to, a measure of the frequency of, and an identification of the causes for and consequences of, violent acts at the workplace during at least the preceding 5 years or for the years for which records are available.

(c) In adopting the plan required by subsection (a), a health care workplace may consider any guidelines on violence in the workplace or in health care workplaces issued by the Department of Public Health, the Department of Human Services, the Department of Labor, the federal Occupational Safety and Health Administration, Medicare, and health care workplace accrediting organizations.

(d) It is the intent of the General Assembly that any violence protection and prevention plan developed under this Act be appropriate to the setting in which it is to be implemented. To that end, the General Assembly recognizes that not all health care services are provided in a facility or other formal setting. Many health care services are provided in other, less formal settings. The General Assembly finds that it may be inappropriate and impractical for all health care workplaces to address workplace violence in the same manner. When enforcing this Act, the Department shall allow a health care workplace sufficient flexibility in recognition of the unique circumstances in which the health care workplace may deliver services.

(e) Promptly after adopting a plan under subsection (a), a health care workplace must file a copy of its plan with the Department. The Department shall then forward a copy of the plan to the appropriate responsible agency.

(f) A health care workplace must review its plan at least once every 3 years and must report each such

review to the Department, together with any changes to the plan adopted by the health care workplace. If a health care workplace does not adopt any changes to its plan in response to such a review, it must report that fact to the Department. A health care workplace must promptly report to the Department all changes to the health care workplace's plan, regardless of whether those changes were adopted in response to a periodic review required under this subsection. The Department shall then forward a copy of the review report and changes, if any, to the appropriate responsible agency.

(g) A health care workplace that is required to submit written documentation of active safety and violence prevention plans to comply with national accreditation standards shall be deemed to be in compliance with subsections (a), (b), (c), and (f) of this Section when the health care workplace forwards a copy of that documentation to the Department.

Section 20. Violence prevention training. By July 1, 2007, and on a regular basis thereafter, as set forth in the plan adopted under Section 15, a health care workplace must provide violence prevention training to all its affected employees as determined by the plan. For temporary employees, training must take into account unique circumstances. A health care workplace also shall provide periodic follow-up training for its employees as appropriate. The training may vary by the plan and may include, but need not be limited to, classes, videotapes, brochures, verbal training, or other verbal or written training that is determined to be appropriate under the plan. The training must address the following topics, as appropriate to the particular health care workplace and to the duties and responsibilities of the particular employee being trained, based on the hazards identified in the assessment required under Section 15:

- (1) General safety procedures.
- (2) Personal safety procedures.
- (3) The violence escalation cycle.
- (4) Violence-predicting factors.
- (5) Obtaining patient history from a patient with a history of violent behavior.
- (6) Verbal and physical techniques to de-escalate and minimize violent behavior.
- (7) Strategies to avoid physical harm.
- (8) Restraining techniques, as permitted and governed by law.
- (9) Appropriate use of medications to reduce violent behavior.
- (10) Documenting and reporting incidents of violence.
- (11) The process whereby employees affected by a violent act may debrief or be calmed down and the tension of the situation may be reduced.
- (12) Any resources available to employees for coping with violence.
- (13) The workplace violence prevention plan adopted under Section 15.
- (14) The protection of confidentiality in accordance with the Health Insurance Portability and Accountability Act of 1996 and other related provisions of law.

Section 25. Record of violent acts; reporting of violent acts. Beginning no later than July 1, 2006, every health care workplace must keep a record of any violent act against an employee, a patient, or a visitor occurring at the workplace. At a minimum, the record must include the following:

- (1) The health care workplace's name and address.
- (2) The date, time, and specific location at the health care workplace where the violent act occurred.
- (3) The name, job title, department or ward assignment, and staff identification or other identifier of the victim, if the victim was an employee.
- (4) A description of the person against whom the violent act was committed as one of the following:
  - (A) A patient.
  - (B) A visitor.
  - (C) An employee.
  - (D) Other.
- (5) A description of the person committing the violent act as one of the following:
  - (A) A patient.
  - (B) A visitor.
  - (C) An employee.
  - (D) Other.
- (6) A description of the type of abuse as one of the following:

- (A) A verbal or physical threat that presents imminent danger to an employee.
- (B) A physical assault with major soreness, cuts, or large bruises.
- (C) A physical assault with severe lacerations, a bone fracture, or a head injury.
- (D) A physical assault with loss of limb or death.

- (8) A description of any weapon used.
- (9) The number of employees in the vicinity of the violent act when it occurred.
- (10) A description of actions taken by employees and the health care workplace in response to the violent act.

Section 30. Assistance in complying with Act. A health care workplace that needs assistance in complying with this Act may contact the federal Department of Labor or the Illinois Department of Labor for assistance. The Illinois departments of Labor, Human Services, and Public Health shall collaborate with representatives of health care workplaces to develop technical assistance and training seminars on developing and implementing a workplace violence plan as required under Section 15. Those departments shall coordinate their assistance to health care workplaces.

Section 35. Rules. The Department shall adopt rules to implement this Act.

Section 900. The Mental Health and Developmental Disabilities Administrative Act is amended by adding Section 72 as follows:

(20 ILCS 1705/72 new)

Sec. 72. Violent acts against employees of facilities under the Department's jurisdiction. Within 6 months after the effective date of this amendatory Act of the 94th General Assembly, the Department shall adopt rules prescribing the procedures for reporting, investigating, and responding to violent acts against employees of facilities under the Department's jurisdiction. As used in this Section, "violent acts" has the meaning ascribed to that term in the Health Care Workplace Violence Prevention Act.

Section 905. The Illinois State Auditing Act is amended by changing Section 3-2 as follows:

(30 ILCS 5/3-2) (from Ch. 15, par. 303-2)

Sec. 3-2. Mandatory and directed post audits. The general direction and supervision of the financial audit program may be delegated only to an individual who is a Certified Public Accountant and a payroll employee of the Office of the Auditor General. In the conduct of financial audits, compliance audits, and other attestation engagements, the Auditor General may inquire into and report upon matters properly within the scope of a performance audit, provided that such inquiry shall be limited to matters arising during the ordinary course of the financial audit.

In any year the Auditor General shall conduct any special audits as may be necessary to form an opinion on the financial statements of this State, as prepared by the Comptroller, and to certify that this presentation is in accordance with generally accepted accounting principles for government.

Simultaneously with the biennial compliance audit of the Department of Human Services, the Auditor General shall conduct a program audit of each facility under the jurisdiction of that Department that is described in Section 4 of the Mental Health and Developmental Disabilities Administrative Act. The program audit shall include an examination of the records of each facility concerning (i) reports of suspected abuse or neglect of any patient or resident of the facility and (ii) reports of suspected abuse of facility staff by patients or residents. The Auditor General shall report the findings of the program audit to the Governor and the General Assembly, including findings concerning patterns or trends relating to (i) abuse or neglect of facility patients and residents or (ii) abuse of facility staff. However, for any year for which the Inspector General submits a report to the Governor and General Assembly as required under Section 6.7 of the Abused and Neglected Long Term Care Facility Residents Reporting Act, the Auditor General need not conduct the program audit otherwise required under this paragraph.

The Auditor General shall conduct a performance audit of a State agency when so directed by the Commission, or by either house of the General Assembly, in a resolution identifying the subject, parties and scope. Such a directing resolution may:

- (a) require the Auditor General to examine and report upon specific management efficiencies or cost effectiveness proposals specified therein;

**33RD LEGISLATIVE DAY**

**Perfunctory Session**

**TUESDAY, APRIL 5, 2005**

At the hour of 5:15 o'clock p.m., the House convened perfunctory session.

**HOUSE RESOLUTIONS**

The following resolutions were offered and placed in the Committee on Rules.

**HOUSE JOINT RESOLUTION 30**

Offered by Representative Mulligan:

WHEREAS, The State of Illinois has a responsibility to ensure that community-based services provided to individuals with developmental disabilities and mental illness are of high quality and comply with all regulations; and

WHEREAS, The General Assembly is concerned that the reimbursement rates for community providers of services to individuals with disabilities are insufficient to adequately compensate community direct service workers; and

WHEREAS, The inadequacy of the reimbursement rates for community providers of services to individuals with disabilities results in a wage disparity between community disability service workers and State employees in comparable positions in State-operated facilities; and

WHEREAS, The inadequacy of the reimbursement rates for community providers of services to individuals with disabilities has been ongoing and unresolved for many years, and there is a need to address the issue in a comprehensive, equitable, and objective manner; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that the Commission on Government Forecasting and Accountability shall issue a request for proposals for an independent contractor to conduct a study to determine whether there is a disparity between (i) the wages and benefits paid to the clinical, programmatic, and direct-care employees of community-based agencies or programs that are funded by the Department of Human Services to serve individuals with developmental disabilities or mental illness, or both, and (ii) the wages and benefits paid to comparable employees in State-operated facilities; and be it further

RESOLVED, That the Commission shall complete the study no later than September 30, 2005 and shall report its findings to the General Assembly no later than October 31, 2005; and be it further

RESOLVED, That a copy of this Resolution be delivered to the Commission on Government Forecasting and Accountability.

**HOUSE JOINT RESOLUTION 31**

Offered by Representative Jones:

WHEREAS, In Illinois, over 200,000 children under the age of 18 are living with and being cared for by more than 100,000 grandparents; and

WHEREAS, Grandparent caregivers, the majority of whom are single women ranging in age from 30 to 90 with an average annual income of \$15,000 to \$25,000, typically raise one to two grandchildren and have been doing so for five years or longer; and

WHEREAS, Factors contributing to the growing number of grandparents raising grandchildren include, but are not limited to, alcohol and drug abuse, neglect, abuse, abandonment, death of a parent, HIV/AIDS, divorce, unemployment, poverty, parental incarceration, teen pregnancy, and welfare reform; and

WHEREAS, Due to their assumed caregiving responsibilities, many grandparents deplete their savings and retirement income and face severe financial risk and economic strains while struggling to pay for

expenses related to caring for the grandchildren such as, but not limited to, food, diapers, clothing, child care, medical treatment, legal assistance, and housing needs; and

WHEREAS, Many grandparents take custody of and raise their grandchildren after a harmful incident has been suffered by their grandchildren that has caused the Department of Children and Family Services to designate them to be "at risk"; and

WHEREAS, Many other grandparents take preventative measures by choosing to take custody of and raise their grandchildren prior to their grandchildren suffering a harmful incident when they recognize that their grandchildren's health, safety, and welfare are at risk; and

WHEREAS, Grandparents who take custody of their grandchildren prior to the grandchildren's suffering of a harmful incident are ineligible for foster care funding and assistance from the Department of Children and Family Services; and

WHEREAS, The only financial assistance option for this group of grandparents is "child only" grants from the Department of Human Services' Temporary Assistance to Needy Families (TANF) program; and

WHEREAS, The Department of Children and Family Services' foster care program provides monthly financial assistance that is three to four times greater than the TANF "child only" grants, and it also provides counseling and child care support; and

WHEREAS, Grandparents raising grandchildren who are not in the foster care program are as valuable to the grandchildren and to the State as those who are in the foster care program; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that the Department on Aging, in collaboration with the Departments of Children and Family Services, Public Aid, and Human Services and any other relevant agencies, is directed to complete an assessment of existing State and federal assistance programs that includes the following:

(a) a review of support provided to grandparents through the Department of Children and Family Services' foster care program, KidCare, and other relevant programs;

(b) a review of support provided to grandparents through the Department of Human Services' TANF program and other relevant programs;

(c) a review of all other means of grandparent-related support provided by State-funded and federally funded programs; and

(d) the estimated cost to the State if grandparents were not willing to or refused to take custody of and raise their grandchildren; and be it further

RESOLVED, That the Department on Aging, in collaboration with the Departments of Children and Family Services, Public Aid, and Human Services and any other relevant agencies, shall explore new or alternative grandparent assistance methods including, but not limited to:

(a) reviewing the effects to the State of creating a program that would provide monthly supplementary grants, in addition to TANF "child only" grants, to grandparents that would close the funding gap between the foster care program and the TANF "child only" grant program;

(b) assessing the feasibility of funding the monthly supplementary grant program described in the preceding item (a) through a Medicaid waiver;

(c) reviewing the effects to the State of allowing grandparents who voluntarily accept responsibility for their grandchildren prior to the children's entrance into the foster care system to be permitted to enter the foster care program; and

(d) conducting public hearings across the State to gather testimony from grandparents, relatives, and others regarding what assistance they feel they need or would like to have in Illinois; and be it further

RESOLVED, That the Department on Aging shall issue a report highlighting the findings of this Resolution's requirements and recommendations for improving Illinois' assistance to grandparents raising grandchildren to the Governor and the General Assembly no later than July 1, 2006; and be it further
