(b) The Governor, Attorney General, Secretary of State, Comptroller, and Treasurer shall each appoint an Executive Inspector General, and the Director of Gaming Enforcement shall appoint an Executive Inspector General for gaming activities. Each appointment must be made without regard to political affiliation and solely on the basis of integrity and demonstrated ability. Appointments shall be made by and with the advice and consent of the Senate by three-fifths of the elected members concurring by record vote. Any nomination not acted upon by the Senate within 60 session days of the receipt thereof shall be deemed to have received the advice and consent of the Senate. If, during a recess of the Senate, there is a vacancy in an office of Executive Inspector General, the appointing authority shall make a temporary appointment until the next meeting of the Senate when the appointing authority shall make a nomination to fill that office. No person rejected for an office of Executive Inspector General shall, except by the Senate's request, be nominated again for that office at the same session of the Senate or be appointed to that office during a recess of that Senate.

Nothing in this Article precludes the appointment by the Governor, Attorney General, Secretary of State, Comptroller, or Treasurer of any other inspector general required or permitted by law. The Governor, Attorney General, Secretary of State, Comptroller, and Treasurer each may appoint an existing inspector

general as the Executive Inspector General required by this Article, provided that such an inspector general is not prohibited by law, rule, jurisdiction, qualification, or interest from serving as the Executive Inspector General required by this Article. An appointing authority may not appoint a relative as an Executive Inspector General.

The term of each initial Executive Inspector General shall commence upon qualification and shall run through June 30, 2008. The initial appointments shall be made within 60 days after the effective date of this Act.

After the initial term, each Executive Inspector General shall serve for 5-year terms commencing on July 1 of the year of appointment and running through June 30 of the fifth following year. An Executive Inspector General may be reappointed to one or more subsequent terms.

A vacancy occurring other than at the end of a term shall be filled by the appointing authority only for the balance of the term of the Executive Inspector General whose office is vacant.

Terms shall run regardless of whether the position is filled.

(c) The Executive Inspector General appointed by the Attorney General shall have jurisdiction over the Attorney General and all officers and employees of, and vendors and others doing business with, State agencies within the jurisdiction of the Attorney General. The Executive Inspector General for gaming activities appointed by the Director of Gaming Enforcement has jurisdiction over the Illinois Gaming Board and the Office of Gaming Enforcement, and all officers and employees of those agencies.

The jurisdiction of each Executive Inspector General is to investigate allegations of fraud, waste, abuse, mismanagement, misconduct, nonfeasance, misfeasance, malfeasance, or violations of this Act or violations of other related laws and rules.

(d) The minimum compensation for each Executive Inspector General shall be determined by the Executive Ethics Commission. The actual compensation for each Executive Inspector General shall be determined by the appointing ~~executive branch constitutional~~ officer and must be at or above the minimum compensation level set by the Executive Ethics Commission. Subject to Section 20-45 of this Act, each Executive Inspector General has full authority to organize his or her Office of the Executive Inspector General, including the employment and determination of the compensation of staff, such as deputies, assistants, and other employees, as appropriations permit. A separate appropriation shall be made for each Office of Executive Inspector General.

Until September 1, 1987, the provisions of Sections 2a, 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 6, 6a, 6b, 6c, 8, 9, 10, 12 and 13.5 of the Retailers' Occupation Tax Act which are not inconsistent with this Act shall apply to the subject matter of this Act to the same extent as if such provisions were included in this Act. For purposes of this Act, references in such incorporated Sections of the Retailers' Occupation Tax Act to retailers, sellers or persons engaged in the business of selling tangible personal property mean persons engaged in selling lottery tickets or shares; references in such incorporated Sections to sales of tangible personal property mean the selling of lottery tickets or shares; and references in such incorporated Sections to certificates of registration mean licenses issued under this Act. The provisions of the Retailers' Occupation Tax Act as heretofore applied to the subject matter of this Act shall not apply with respect to tickets sold by or delivered to lottery sales agents on and after September 1, 1987, but such provisions shall continue to apply with respect to transactions involving the sale and delivery of tickets prior to September 1, 1987.

All licenses issued by the Division under this Act shall be valid for a period not to exceed 2 years after issuance unless sooner revoked, canceled or suspended as in this Act provided. No license issued under this Act shall be transferable or assignable. Such license shall be conspicuously displayed in the place of business conducted by the licensee in Illinois where lottery tickets or shares are to be sold under such license.

For purposes of this Section, the term "person" shall be construed to mean and include an individual, association, partnership, corporation, club, trust, estate, society, company, joint stock company, receiver, trustee, referee, any other person acting in a fiduciary or representative capacity who is appointed by a court, or any combination of individuals. "Person" includes any department, commission, agency or instrumentality of the State, including any county, city, village, or township and any agency or instrumentality thereof.

If the State enters into a Management and Concession Agreement pursuant to which the State authorizes a Concessionaire or technical operator to retain agents to distribute lottery tickets, the Division shall cease issuing licenses to agents to sell lottery tickets or shares during the term of the Management and Concession Agreement. In retaining such agents, the Concessionaire or technical operator shall apply appropriate criteria in determining suitability of those agents, including without limitation, criteria establishing the ineligibility for a license as set forth in Section 10.1 of this Act. Further, the Concessionaire or technical operator shall provide to the Department and the Illinois Gaming Board, not less than monthly, a list of all agents the Concessionaire or technical operator has engaged to distribute lottery tickets or shares, which statement shall include a certification that all such agents comply with the eligibility standards set forth in this Act.

Sec. 10.1. Persons ineligible for licenses. The following are ineligible for any license under this Act:

- (a) any person who has been convicted of a felony;
- (b) any person who is or has been a professional gambler or gambling promoter, except when the person acted in such a capacity pursuant to and in compliance with all applicable law;
- (c) any person who has engaged in bookmaking or other forms of illegal gambling;
- (d) any person who is not of good character and reputation in the community in which he resides;
- (e) any person who has been found guilty of any fraud or misrepresentation in any connection;
- (f) any firm or corporation in which a person defined in (a), (b), (c), (d) or (e) has a proprietary, equitable or credit interest of 5% or more.

(g) any organization in which a person defined in (a), (b), (c), (d) or (e) is an officer, director, or managing agent, whether compensated or not;

(h) any organization in which a person defined in (a), (b), (c), (d), or (e) is to participate in the management or sales of lottery tickets or shares.

However, with respect to persons defined in (a), the Department may grant any such person a license under this Act when:

1) at least 10 years have elapsed since the date when the sentence for the most recent such conviction was satisfactorily completed;

2) the applicant has no history of criminal activity subsequent to such conviction;

3) the applicant has complied with all conditions of probation, conditional discharge, supervision, parole or mandatory supervised release; and

4) the applicant presents at least 3 letters of recommendation from responsible citizens in his community who personally can attest that the character and attitude of the applicant indicate that he is unlikely to commit another crime.

The Division may revoke, without notice or a hearing, the license of any agent who violates this Act or any rule or regulation promulgated pursuant to this Act. If the State enters into a Management and Concession Agreement pursuant to which the State authorizes a Concessionaire or technical operator to engage any sales agent, the Illinois Gaming Board shall have the power to revoke any such agency pursuant to the provisions of this Act. However, if the Division does revoke a license without notice and an opportunity for a hearing, the Division shall, by appropriate notice, afford the person whose license has been revoked an opportunity for a hearing within 30 days after the revocation order has been issued. As a result of any such hearing, the Division may confirm its action in revoking the license, or it may order the restoration of such license.

Sec. 10.1a. Failure to satisfy tax Act requirements. In addition to other grounds specified in this Act, the Division shall refuse to issue and shall suspend the license of any lottery sales agency who fails to file a return, or to pay the tax, penalty or interest shown in a filed return, or to pay any final assessment of tax, penalty or interest, as required by any tax Act administered by the Department, until such time as the requirements of any such tax Act are satisfied, unless the agency is contesting, in accordance with the procedures established by the appropriate revenue Act, its liability for the tax or the amount of tax. If the State enters into a Management and Concession Agreement pursuant to which the State authorizes a Concessionaire or technical operator to engage any sales agent, the Illinois Gaming Board may direct the Concessionaire or technical operator to refrain from engaging or to suspend the engagement of any party acting or seeking to act as a sales agent, based on the grounds specified in this Section. The Division shall affirmatively verify the tax status of every sales agency before issuing or renewing a license, except that, if the State enters into a Management and Concession Agreement pursuant to which the State authorizes a Concessionaire to engage any sales agent, the Department shall verify the tax status of each agent from the list of agents provided by the Concessionaire pursuant to Section 10 of this Act and provide that information to the Illinois Gaming Board. For purposes of this Section, a sales agency shall not be considered delinquent in the payment of a tax if the agency (a) has entered into an agreement with the Department for the payment of all such taxes that are due and (b) is in compliance with the agreement.

Sec. 10.2. Application and other fees. Each application for a new lottery license must be accompanied by a one-time application fee of \$50; the Division, however, may waive the fee for licenses of limited duration as provided by Department rule. Each application for renewal of a lottery license must be accompanied by a renewal fee of \$25. Each lottery licensee granted on-line status pursuant to the Department's rules must pay a fee of \$10 per week as partial reimbursement for telecommunications charges incurred by the Department in providing access to the lottery's on-line gaming system. The Department, by rule, may increase or decrease the amount of these fees. No Concessionaire or technical operator that may retain sales agents for the Lottery pursuant to the terms of a Management and Concession Agreement may assess any fee pursuant this Section.

Sales proceeds and unsold instant tickets shall be delivered to the Department or its authorized collection representative upon demand. Sales agents shall be personally liable for all proceeds which shall be kept separate and apart from all other funds and assets and shall not be commingled with any other funds or assets. In the case of a sales agent who is not an individual, personal liability shall attach to the owners and officers of the sales agent. The Department shall have a right to file a lien upon all real and personal property of any person who is personally liable under this Section for any unpaid proceeds, which were to be segregated as a trust fund under this Section, at any time after such payment was to have been made. Such lien shall include any interest and penalty provided for by this Act and shall be deemed equivalent to, and have the same effect as, the State tax lien under the Retailers' Occupation Tax Act. The term "person" as used in this Section, and in Section 10.4 of this Act, shall have the same meaning as provided in Section 10 of this Act. This Section, and Sections 10.4 and 10.5 of this Act shall apply with respect to all lottery tickets or shares generated by computer terminal, other electronic device, and any other tickets delivered to sales agents on and after September 1, 1987. If the State enters into a Management and Concession Agreement pursuant to which a Concessionaire is authorized to manage or operate the Lottery: (i) the Concessionaire may be the Department's authorized collection representative; and (ii) no such arrangement shall diminish the Department's rights pursuant to this Section. For purposes of this Section, "sales agent" includes any sales agent engaged by a Concessionaire pursuant to the terms of a Management and Concession Agreement.

Sec. 19. Claiming prizes. The Division shall establish an appropriate period for the claiming of prizes for each lottery game offered. Each claim period shall be stated in game rules and written play instructions issued by the Superintendent in accordance with Section 7.1 of this Act or, if the State enters into a Management and Concession Agreement pursuant to which a Concessionaire shall manage or operate the Lottery, such rules and written play instructions as may be issued in accordance with the terms of the Management and Concession Agreement, but subject to change by rule of the Illinois Gaming Board. Written play instructions shall be made available to all players through sales agents licensed to sell game tickets or shares. Sec. 20.2. Transfer of moneys from State Lottery Fund to Common School Fund. Notwithstanding any provision set forth in this Act or State law to the contrary, on or before the last day of each fiscal year the State Comptroller shall direct and the State Treasurer shall transfer moneys in and revenues received by the State Lottery Fund to the Common School Fund.

(20 ILCS 1605/21) (from Ch. 120, par. 1171)

Sec. 21. Payments or deposits of moneys and income. All lottery sales agents or distributors shall be liable to the Lottery for any and all tickets accepted or generated by any employee or representative of that agent or distributor, and such tickets shall be deemed to have been purchased by the agent or distributor unless returned to the Lottery within the time and in the manner prescribed by the Superintendent, or if the State enters into a Management and Concession Agreement pursuant to which a Concessionaire or technical operator engages sales agents or distributors, to such Concessionaire as may be allowed according to the terms of the Management and Concession Agreement within the time and in the manner prescribed by the Illinois Gaming Board Superintendent. All moneys received by such agents or distributors from the sale of lottery tickets or shares, less the amount retained as compensation for the sale of the tickets or shares and the amount paid out as prizes, shall be paid over to a lottery representative or deposited in a bank or savings and loan association approved by the State Treasurer, as prescribed by the Superintendent or, if the State enters into a Management and Concession Agreement pursuant to which those moneys are to be held by a trustee, to that trustee and in accordance with such terms as may be set forth in the Management and Concession Agreement.

No bank or savings and loan association shall receive any public funds as permitted by this Section, unless it has complied with the requirements established pursuant to Section 6 of the Public Funds Investment Act.

Each payment or deposit shall be accompanied by a report of the agent's receipts and transactions in the sale of lottery tickets in such form and containing such information as the Superintendent, or if the State enters into a Management and Concession Agreement, as the Concessionaire may require. Any discrepancies in such receipts and transactions may be resolved as provided by the rules and regulations of the Department.

If any money due the Lottery by a sales agent or distributor is not paid when due or demanded, it shall immediately become delinquent and be billed on a subsequent monthly statement. If on the closing date for any monthly statement a delinquent amount previously billed of more than \$50 remains unpaid, interest in such amount shall be accrued at the rate of 2% per month or fraction thereof from the date when such delinquent amount becomes past due until such delinquent amount, including interest, penalty and other costs and charges that the Department may incur in collecting such amounts, is paid. In case any agent or distributor fails to pay any moneys due the Lottery within 30 days after a second bill or statement is rendered to the agent or distributor, such amount shall be deemed seriously delinquent and may be referred by the Department to a collection agency or credit bureau for collection. Any contract entered into by the Department for the collection of seriously delinquent accounts with a collection agency or credit bureau may be satisfied by a commercially reasonable percentage of the delinquent account recouped, which shall be negotiated by the Department in accordance with commercially accepted standards. Any costs incurred by the Department or others authorized to act in its behalf in collecting such delinquencies may be assessed against the agent or distributor and included as a part of the delinquent account.

In case of failure of an agent or distributor to pay a seriously delinquent amount, or any portion thereof to the State, including interest, penalty and costs, the Division may issue a Notice of Assessment. In determining amounts shown on the Notice of Assessment, the Division shall utilize the financial information available from its records. Such Notice of Assessment shall be prima facie correct and shall be prima facie evidence of delinquent sums due under this Section at any hearing before the Board, or its Hearing Officers, or at any other legal proceeding. Reproduced copies of the Division's records relating to a delinquent account or a Notice of Assessment offered in the name of the Department, under the Certificate of the Director or any officer or employee of the Department designated in writing by the Director shall, without further proof, be admitted into evidence in any such hearing or any legal proceeding and shall be prima facie proof of the delinquency, including principal and any interest, penalties and costs, as shown thereon. The Attorney General may bring suit on behalf of the Department to collect all such delinquent amounts, or any portion thereof, including interest, penalty and costs, due the Lottery.

Any person who accepts money that is due to the Department from the sale of lottery tickets or shares under this Act, but who wilfully fails to remit such payment to the Department when due or who purports

to make such payment but wilfully fails to do so because ~~such his check or other~~ remittance fails to clear the financial institution ~~bank or savings and loan association~~ against which it is drawn, in addition to the amount due and in addition to any other penalty provided by law, shall be assessed, and shall pay, a penalty equal to 5% of the deficiency plus any costs or charges incurred by the Department in collecting such amount.

(a) The State Treasurer may, with the consent of the Director, contract with any person or corporation, including, without limitation, a bank, banking house, trust company or investment banking firm, to perform such financial functions, activities or services in connection with operation of the lottery as the State Treasurer and the Director may prescribe.

(b) All proceeds from investments made pursuant to contracts executed by the State Treasurer, with the consent of the Director, to perform financial functions, activities or services in connection with operation of the lottery, shall be deposited and held by the State Treasurer as ex-officio custodian thereof, separate and apart from all public money or funds of this State in a special trust fund outside the State treasury. Such trust fund shall be known as the "Deferred Lottery Prize Winners Trust Fund", and shall be administered by the Director.

The Director shall, at such times and in such amounts as shall be necessary, prepare and send to the State Comptroller vouchers requesting payment from the Deferred Lottery Prize Winners Trust Fund to deferred prize winners, in a manner that will insure the timely payment of such amounts owed.

This Act shall constitute an irrevocable appropriation of all amounts necessary for that purpose, and the irrevocable and continuing authority for and direction to the Director and the State Treasurer to make the necessary payments out of such trust fund for that purpose. In the event that the State shall enter into a Management and Concession Agreement, this Section 27(b) shall not apply to any prizes awarded after the closing date of the Management and Concession Agreement.

(c) Moneys invested pursuant to subsection (a) of this Section may be invested only in bonds, notes, certificates of indebtedness, treasury bills, or other securities constituting direct obligations of the United States of America and all securities or obligations the prompt payment of principal and interest of which is guaranteed by a pledge of the full faith and credit of the United States of America. Interest earnings on moneys in the Deferred Lottery Prize Winners Trust Fund shall remain in such fund and be used to pay the winners of lottery prizes deferred as to payment until such obligations are discharged. Proceeds from bonds purchased and interest accumulated as a result of a grand prize multi-state game ticket that goes unclaimed will be transferred after the termination of the relevant claim period directly from the lottery's Deferred Lottery Prize Winners Trust Fund to each respective multi-state partner state according to its contribution ratio. All moneys invested pursuant to the terms of any Management and Concession Agreement into which the State may enter shall be subject to the provisions of this subsection.

(c-5) If a deferred lottery prize is not claimed within the claim period established by game rule, then the securities or other instruments purchased to fund the prize shall be liquidated and the liquidated amount shall be transferred to the State Lottery Fund for disposition pursuant to Section 19 of this Act. In the event that the State shall enter into a Management and Concession Agreement, this Section 27(c-5) shall not apply to any prizes awarded after the closing date of the Management and Concession Agreement.

(c-10) The Director may use a portion of the moneys in the Deferred Lottery Prize Winners Trust Fund to purchase bonds to pay a lifetime prize if the prize duration exceeds the length of available securities. If the winner of a lifetime prize exceeds his or her life expectancy as determined using actuarial assumptions and the securities or moneys set aside to pay the prize have been exhausted, moneys in the State Lottery Fund shall be used to make payments to the winner for the duration of the winner's life. In the event that the State shall enter into a Management and Concession Agreement, this Section 27(c-10) shall not apply to any prizes awarded after the closing date of the Management and Concession Agreement.

(c-15) From time to time, the Director may request that the State Comptroller transfer any excess moneys in the Deferred Lottery Prize Winners Trust Fund to the Lottery Fund. In the event that the State shall enter into a Management and Concession Agreement, this Section 27(c-15) shall not apply to any prizes awarded after the closing date of the Management and Concession Agreement.

(c-20) In the event that the State shall enter into a Management and Concession Agreement pursuant to which a Concessionaire is authorized to manage or operate the Lottery, there shall be created a fund to be known as the Lottery Concession Trust Fund, which shall be a special non-appropriated trust fund held outside of the State Treasury and separate and apart from all public money and funds of this State for the purpose of holding Concession revenues for the purpose of transferring to the State its 20% share of gross revenues after prize payouts. All proceeds from the sale of Lottery tickets or shares and all other revenue from the State's conduct of the Lottery as authorized under this amendatory Act of the 95th General Assembly, including Lottery revenues a Concessionaire may be eligible to receive under a Management and Concession Agreement, with the exception of the initial consideration distributed pursuant to Section 2.4, shall be paid into the Fund. Within the Lottery Concession Trust Fund, there shall be created sub-trusts for the purpose of holding moneys for the exclusive benefit of the State and recipients of Prize Claims.

The Fund shall begin to receive lottery proceeds and revenues on the date that a Management and Concession Agreement first becomes effective, and moneys in the Fund shall not at any time during the term of such an agreement be appropriated or diverted to any other use or purpose. The Fund shall be held by an Illinois trustee designated pursuant to the Concession and Management Agreement. All interest or other earnings accruing or received on amounts in the Fund shall be credited to and retained by the Fund.

The Fund shall be held, administered, invested, and disbursed in accordance with the trust agreement and the Management and Concession Agreement.

The Illinois Gaming Board shall report quarterly to the State Treasurer and the Governor a full and complete statement of revenues into and expenses from the Lottery Concession Trust Fund, which may be included in the reports required pursuant to subsection (j-1) of Section 9 of this Act. (a) The Department has the power to develop and maintain a continuing, comprehensive, and integrated planning process that shall develop and periodically revise a statewide master plan for transportation to guide program development and to foster efficient and economical transportation services in ground, air, water, and all other modes of transportation throughout the State. Identified needs included in the project programs shall be listed and mapped in a distinctive fashion to clearly identify the priority status of the projects: (1) projects to be committed for execution; (2) tentative projects that are dependent upon funding or other constraints; and (3) needed projects that are not programmed due to lack of funding or other constraints.

All projects shall be related to the priority systems of the master plan, and the priority criteria identified. Cost and estimated completion dates shall be included for work required to complete a useable segment or

If in any year a catastrophic road or bridge failure makes impracticable the funding allocation for highway districts 2 through 9, the Secretary may declare an emergency and reallocate the funding as needed to address the catastrophic road or bridge failure. The remaining funds shall be allocated by the Department for projects in highway districts 2 through 9.

The Highway Improvement Program shall include the following information statewide and for each of the Department's highway districts:

The remaining funds shall be allocated by the Department for projects in highway districts 2 through 9. If in any year a catastrophic road or bridge failure makes impracticable the funding allocation for highway districts 2 through 9, the Secretary may declare an emergency and reallocate the funding as needed to address the catastrophic road or bridge failure.

Sec. 14-152.1. Application and expiration of new benefit increases.

(a) As used in this Section, "new benefit increase" means an increase in the amount of any benefit provided under this Article, or an expansion of the conditions of eligibility for any benefit under this Article, that results from an amendment to this Code that takes effect after June 1, 2005 (the effective date of Public Act 94-4) ~~this amendatory Act of the 94th General Assembly~~. "New benefit increase", however, does not include any benefit increase resulting from the changes made to this Article by this amendatory Act of the 95th General Assembly.

(b) Notwithstanding any other provision of this Code or any subsequent amendment to this Code, every new benefit increase is subject to this Section and shall be deemed to be granted only in conformance with and contingent upon compliance with the provisions of this Section.

(c) The Public Act enacting a new benefit increase must identify and provide for payment to the System of additional funding at least sufficient to fund the resulting annual increase in cost to the System as it accrues.

Every new benefit increase is contingent upon the General Assembly providing the additional funding required under this subsection. The Commission on Government Forecasting and Accountability shall analyze whether adequate additional funding has been provided for the new benefit increase and shall report its analysis to the Public Pension Division of the Department of Financial and Professional Regulation. A new benefit increase created by a Public Act that does not include the additional funding required under this subsection is null and void. If the Public Pension Division determines that the additional funding provided for a new benefit increase under this subsection is or has become inadequate, it may so certify to the Governor and the State Comptroller and, in the absence of corrective action by the General Assembly, the new benefit increase shall expire at the end of the fiscal year in which the certification is made.

(d) Every new benefit increase shall expire 5 years after its effective date or on such earlier date as may be specified in the language enacting the new benefit increase or provided under subsection (c). This does not prevent the General Assembly from extending or re-creating a new benefit increase by law.

(e) Except as otherwise provided in the language creating the new benefit increase, a new benefit increase that expires under this Section continues to apply to persons who applied and qualified for the affected benefit while the new benefit increase was in effect and to the affected beneficiaries and alternate payees of such persons, but does not apply to any other person, including without limitation a person who continues in service after the expiration date and did not apply and qualify for the affected benefit while the new benefit increase was in effect.

(a) A participant receiving a retirement annuity who is regularly employed for compensation by an employer other than a county, in any capacity, shall have his or her retirement annuity payments suspended during such employment. Upon termination of such employment, retirement annuity payments at the previous rate shall be resumed.

If such a participant resumes service as a judge, he or she shall receive credit for any additional service.

Upon subsequent retirement, his or her retirement annuity shall be the amount previously granted, plus the amount earned by the additional judicial service under the provisions in effect during the period of such additional service. However, if the participant was receiving the maximum rate of annuity at the time of re-employment, he or she may elect, in a written direction filed with the board, not to receive any additional service credit during the period of re-employment. In such case, contributions shall not be required during the period of re-employment. Any such election shall be irrevocable.

(b) Beginning January 1, 1991, any participant receiving a retirement annuity who accepts temporary employment from an employer other than a county for a period not exceeding 75 working days in any calendar year shall not be deemed to be regularly employed for compensation or to have resumed service as a judge for the purposes of this Article. A day shall be considered a working day if the annuitant performs on it any of his duties under the temporary employment agreement.

(c) Except as provided in subsection (a), beginning January 1, 1993, retirement annuities shall not be subject to suspension upon resumption of employment for an employer, and any retirement annuity that is then so suspended shall be reinstated on that date.

(d) The changes made in this Section by this amendatory Act of 1993 shall apply to judges no longer in service on its effective date, as well as to judges serving on or after that date.

(e) A participant receiving a retirement annuity under this Article who (i) serves as a part-time employee in any of the following positions: Legislative Inspector General, Special Legislative Inspector General, employee of the Office of the Legislative Inspector General, Executive Director of the Legislative Ethics Commission, or staff of the Legislative Ethics Commission or (ii) serves on the Illinois Gaming Board or as the Director of Gaming Enforcement, but has not elected to participate in the Article 14 System with respect to that service, shall not be deemed to be regularly employed for compensation by an employer other than a county, nor to have resumed service as a judge, on the basis of that service, and the retirement annuity payments and other benefits of that person under this Code shall not be suspended, diminished, or otherwise impaired solely as a consequence of that service. This subsection (e) applies without regard to whether the person is in service as a judge under this Article on or after the effective date of this amendatory Act of the 93rd General Assembly. In this subsection, a "part-time employee" is a person who is not required to work at least 35 hours per week. The changes made to this subsection (e) by this amendatory Act of the 95th General Assembly apply without regard to whether the person is in service as a judge under this Article on or after the effective date of this amendatory Act of the 95th General Assembly.

(f) A participant receiving a retirement annuity under this Article who has made an election under Section 1-123 and who is serving either as legal counsel in the Office of the Governor or as Chief Deputy Attorney General shall not be deemed to be regularly employed for compensation by an employer other than a county, nor to have resumed service as a judge, on the basis of that service, and the retirement annuity payments and other benefits of that person under this Code shall not be suspended, diminished, or otherwise impaired solely as a consequence of that service. This subsection (f) applies without regard to whether the person is in service as a judge under this Article on or after the effective date of this amendatory Act of the 93rd General Assembly.

The privilege tax imposed under this subsection (a-3) shall no longer be imposed beginning on the earlier of (i) July 1, 2005; (ii) the first date after June 20, 2003 that riverboat gambling operations are conducted pursuant to a dormant license; or (iii) the first day that riverboat gambling operations are conducted under the authority of an owners license that is in addition to the 10 owners licenses initially authorized under this Act. For the purposes of this subsection (a-3), the term "dormant license" means an owners license that is authorized by this Act under which no riverboat gambling operations are being conducted on June 20, 2003.

(a-4) Beginning on the first day on which the tax imposed under subsection (a-3) is no longer imposed, a privilege tax is imposed on persons engaged in the business of conducting riverboat gambling operations, other than licensed managers conducting riverboat gambling operations on behalf of the State, based on the adjusted gross receipts received by a licensed owner from gambling games authorized under this Act at the following rates:

(a-8) Riverboat gambling operations conducted by a licensed manager on behalf of the State are not subject to the tax imposed under this Section.

(a-10) The taxes imposed by this Section shall be paid by the licensed owner to the Board not later than 3:00 o'clock p.m. of the day after the day when the wagers were made.

(a-15) If the privilege tax imposed under subsection (a-3) is no longer imposed pursuant to item (i) of the last paragraph of subsection (a-3), then by June 15 of each year, each owners licensee, other than an owners licensee that admitted 1,000,000 persons or fewer in calendar year 2004, must, in addition to the payment of all amounts otherwise due under this Section, pay to the Board a reconciliation payment in the amount, if any, by which the licensed owner's base amount exceeds the amount of net privilege tax paid by the licensed owner to the Board in the then current State fiscal year. A licensed owner's net privilege tax obligation due for the balance of the State fiscal year shall be reduced up to the total of the amount paid by the licensed owner in its June 15 reconciliation payment. The obligation imposed by this subsection (a-15) is binding on any person, firm, corporation, or other entity that acquires an ownership interest in any such owners license. The obligation imposed under this subsection (a-15) terminates on the earliest of: (i) July 1, 2007, (ii) the first day after the effective date of this amendatory Act of the 94th General Assembly that riverboat gambling operations are conducted pursuant to a dormant license, (iii) the first day that riverboat gambling operations are conducted under the authority of an owners license that is in addition to the 10 owners licenses initially authorized under this Act, or (iv) the first day that a licensee under the Illinois Horse Racing Act of 1975 conducts gaming operations with slot machines or other electronic gaming devices. The Board must reduce the obligation imposed under this subsection (a-15) by an amount the Board deems reasonable for any of the following reasons: (A) an act or acts of God, (B) an act of bioterrorism or terrorism or a bioterrorism or terrorism threat that was investigated by a law enforcement agency, or (C) a condition beyond the control of the owners licensee that does not result from any act or omission by the owners licensee or any of its agents and that poses a hazardous threat to the health and safety of patrons. If an owners licensee pays an amount in excess of its liability under this Section, the Board shall apply the overpayment to future payments required under this Section.

For purposes of this subsection (a-15):

"Act of God" means an incident caused by the operation of an extraordinary force that cannot be foreseen, that cannot be avoided by the exercise of due care, and for which no person can be held liable.

(c-10) Each year the General Assembly shall appropriate from the General Revenue Fund to the Education Assistance Fund an amount equal to the amount paid into the Horse Racing Equity Fund pursuant to subsection (c-5) in the prior calendar year.

(c-15) After the payments required under subsections (b), (c), and (c-5) have been made, an amount equal to 2% of the adjusted gross receipts of (1) an owners licensee that relocates pursuant to Section 11.2, (2) an owners licensee conducting riverboat gambling operations pursuant to an owners license that is initially issued after June 25, 1999, or (3) the first riverboat gambling operations conducted by a licensed manager on behalf of the State under Section 7.3, whichever comes first, shall be paid, subject to appropriation from the General Assembly, from the State Gaming Fund to each home rule county with a population of over 3,000,000 inhabitants for the purpose of enhancing the county's criminal justice system.

(d) From time to time, the Board shall transfer the remainder of the funds generated by this Act into the Education Assistance Fund, created by Public Act 86-0018, of the State of Illinois.

No tickets or shares offered in connection with a multi-state lottery game shall be sold within the State of Illinois, except those offered by and through the Department. No such agreement shall purport to pledge the full faith and credit of the State of Illinois, nor shall the Department expend State funds on a contractual basis in connection with any such game unless such expenditures are expressly authorized by the General Assembly, provided, however, that in the event of error or omission by the Illinois State Lottery in the conduct of the game, as determined by the multi-state game directors, the Department shall be authorized to pay a prize winner or winners the lesser of a disputed prize or \$1,000,000, any such payment to be made solely from funds appropriated for game prize purposes. For purposes of this Section, the term "person" shall be construed to mean and include an individual, association, partnership, corporation, club, trust, estate, society, company, joint stock company, receiver, trustee, referee, any other person acting in a fiduciary or representative capacity who is appointed by a court, or any combination of individuals. "Person" includes any department, commission, agency or instrumentality of the State, including any county, city, village, or township and any agency or instrumentality thereof.

If the State enters into a Management and Concession Agreement pursuant to which the State authorizes a Concessionaire or technical operator to retain agents to distribute lottery tickets, the Division shall cease issuing licenses to agents to sell lottery tickets or shares during the term of the Management and Concession Agreement. In retaining such agents, the Concessionaire or technical operator shall apply appropriate criteria in determining suitability of those agents, including without limitation, criteria establishing the ineligibility for a license as set forth in Section 10.1 of this Act. Further, the Concessionaire or technical operator shall provide to the Department and the Illinois Gaming Board, not less than monthly, a list of all agents the Concessionaire or technical operator has engaged to distribute lottery tickets or shares, which statement shall include a certification that all such agents comply with the eligibility standards set forth in this Act.

- (a) any person who has been convicted of a felony;
- (b) any person who is or has been a professional gambler or gambling promoter, except when the person acted in such a capacity pursuant to and in compliance with all applicable law;
- (c) any person who has engaged in bookmaking or other forms of illegal gambling;
- (d) any person who is not of good character and reputation in the community in which he resides;
- (e) any person who has been found guilty of any fraud or misrepresentation in any connection;

- (g) any organization in which a person defined in (a), (b), (c), (d) or (e) is an officer, director, or managing agent, whether compensated or not;
- (h) any organization in which a person defined in (a), (b), (c), (d), or (e) is to participate in the management or sales of lottery tickets or shares.

However, with respect to persons defined in (a), the Department may grant any such person a license under this Act when:

- 1) at least 10 years have elapsed since the date when the sentence for the most recent such conviction was satisfactorily completed;
- 2) the applicant has no history of criminal activity subsequent to such conviction;

- 4) the applicant presents at least 3 letters of recommendation from responsible citizens in his community who personally can attest that the character and attitude of the applicant indicate that he is unlikely to commit another crime.

The Division may revoke, without notice or a hearing, the license of any agent who violates this Act or any rule or regulation promulgated pursuant to this Act. If the State enters into a Management and

Concession Agreement pursuant to which the State authorizes a Concessionaire or technical operator to engage any sales agent, the Illinois Gaming Board shall have the power to revoke any such agency pursuant to the provisions of this Act. However, if the Division does revoke a license without notice and an opportunity for a hearing, the Division shall, by appropriate notice, afford the person whose license has been revoked an opportunity for a hearing within 30 days after the revocation order has been issued. If the State enters into a Management and Concession Agreement pursuant to which the State authorizes a Concessionaire or technical operator to engage any sales agent, the Illinois Gaming Board may direct the Concessionaire or technical operator to refrain from engaging or to suspend the engagement of any party acting or seeking to act as a sales agent, based on the grounds specified in this Section. The Division shall affirmatively verify the tax status of every sales agency before issuing or renewing a license, except that, if the State enters into a Management and Concession Agreement pursuant to which the State authorizes a Concessionaire to engage any sales agent, the Department shall verify the tax status of each agent from the list of agents provided by the Concessionaire pursuant to Section 10 of this Act and provide that information to the Illinois Gaming Board. For purposes of this Section, a sales agency shall not be considered delinquent in the payment of a tax if the agency (a) has entered into an agreement with the Department for the payment of all such taxes that are due and (b) is in compliance with the agreement.

This Section, and Sections 10.4 and 10.5 of this Act shall apply with respect to all lottery tickets or shares generated by computer terminal, other electronic device, and any other tickets delivered to sales agents on and after September 1, 1987. If the State enters into a Management and Concession

Agreement pursuant to which a Concessionaire is authorized to manage or operate the Lottery: (i) the Concessionaire may be the Department's authorized collection representative; and (ii) no such arrangement shall diminish the Department's rights pursuant to this Section. For purposes of this Section, "sales agent" includes any sales agent engaged by a Concessionaire pursuant to the terms of a Management and Concession Agreement.

Sec. 20.2. Transfer of moneys from State Lottery Fund to Common School Fund. Notwithstanding any provision set forth in this Act or State law to the contrary, on or before the last day of each fiscal year the State Comptroller shall direct and the State Treasurer shall transfer moneys in and revenues received by the State Lottery Fund to the Common School Fund.

(20 ILCS 1605/21) (from Ch. 120, par. 1171)

Sec. 21. Payments or deposits of moneys and income. All lottery sales agents or distributors shall be liable to the Lottery for any and all tickets accepted or generated by any employee or representative of that agent or distributor, and such tickets shall be deemed to have been purchased by the agent or distributor unless returned to the Lottery within the time and in the manner prescribed by the Superintendent, or if the State enters into a Management and Concession Agreement pursuant to which a Concessionaire or technical operator engages sales agents or distributors, to such Concessionaire as may be allowed according to the terms of the Management and Concession Agreement within the time and in the manner prescribed by the Illinois Gaming Board Superintendent. All moneys received by such agents or distributors from the sale of lottery tickets or shares, less the amount retained as compensation for the sale of the tickets or

shares and the amount paid out as prizes, shall be paid over to a lottery representative or deposited in a bank or savings and loan association approved by the State Treasurer, as prescribed by the Superintendent or, if the State enters into a Management and Concession Agreement pursuant to which those moneys are to be held by a trustee, to that trustee and in accordance with such terms as may be set forth in the Management and Concession Agreement.

No bank or savings and loan association shall receive any public funds as permitted by this Section, unless it has complied with the requirements established pursuant to Section 6 of the Public Funds Investment Act.

Each payment or deposit shall be accompanied by a report of the agent's receipts and transactions in the sale of lottery tickets in such form and containing such information as the Superintendent, or if the State enters into a Management and Concession Agreement, as the Concessionaire may require. Any discrepancies in such receipts and transactions may be resolved as provided by the rules and regulations of the Department.

If any money due the Lottery by a sales agent or distributor is not paid when due or demanded, it shall immediately become delinquent and be billed on a subsequent monthly statement. If on the closing date for any monthly statement a delinquent amount previously billed of more than \$50 remains unpaid, interest in such amount shall be accrued at the rate of 2% per month or fraction thereof from the date when such delinquent amount becomes past due until such delinquent amount, including interest, penalty and other costs and charges that the Department may incur in collecting such amounts, is paid. In case any agent or distributor fails to pay any moneys due the Lottery within 30 days after a second bill or statement is rendered to the agent or distributor, such amount shall be deemed seriously delinquent and may be referred by the Department to a collection agency or credit bureau for collection. Any contract entered into by the Department for the collection of seriously delinquent accounts with a collection agency or credit bureau may be satisfied by a commercially reasonable percentage of the delinquent account recouped, which shall be negotiated by the Department in accordance with commercially accepted standards. Any costs incurred by the Department or others authorized to act in its behalf in collecting such delinquencies may be assessed against the agent or distributor and included as a part of the delinquent account.

In case of failure of an agent or distributor to pay a seriously delinquent amount, or any portion thereof to the State, including interest, penalty and costs, the Division may issue a Notice of Assessment. In determining amounts shown on the Notice of Assessment, the Division shall utilize the financial information available from its records. Such Notice of Assessment shall be prima facie correct and shall be prima facie evidence of delinquent sums due under this Section at any hearing before the Board, or its Hearing Officers, or at any other legal proceeding. Reproduced copies of the Division's records relating to a delinquent account or a Notice of Assessment offered in the name of the Department, under the Certificate of the Director or any officer or employee of the Department designated in writing by the Director shall, without further proof, be admitted into evidence in any such hearing or any legal proceeding and shall be prima facie proof of the delinquency, including principal and any interest, penalties and costs, as shown thereon. The Attorney General may bring suit on behalf of the Department to collect all such delinquent amounts, or any portion thereof, including interest, penalty and costs, due the Lottery.

Any person who accepts money that is due to the Department from the sale of lottery tickets or shares under this Act, but who wilfully fails to remit such payment to the Department when due or who purports to make such payment but wilfully fails to do so because such his check or other remittance fails to clear the financial institution ~~bank or savings and loan association~~ against which it is drawn, in addition to the amount due and in addition to any other penalty provided by law, shall be assessed, and shall pay, a penalty equal to 5% of the deficiency plus any costs or charges incurred by the Department in collecting such amount.

The Director may make such arrangements for any person(s), financial institution, ~~banks, savings and loan associations~~ or distributors, to perform such functions, activities or services in connection with the operation of the lottery as he deems advisable pursuant to this Act, the State Comptroller Act, or the rules and regulations of the Department, and such functions, activities or services shall constitute lawful functions, activities and services of such person(s), banks, savings and loan associations or distributors.

All income arising out of any activity or purpose of the Division shall, pursuant to the State Finance Act, be paid into the State Treasury except as otherwise provided by the rules and regulations of the Department and shall be covered into a special fund to be known as the State Lottery Fund. Banks and savings and loan associations may be compensated for services rendered based upon the activity and amount of funds on deposit.

Sec. 27. Contracts; investments; proceeds; Deferred Lottery Prize Winners Trust Fund; disbursements; State Lottery Fund; Lottery Concession Fund; Lottery Escrow Account.

(a) The State Treasurer may, with the consent of the Director, contract with any person or corporation, including, without limitation, a bank, banking house, trust company or investment banking firm, to perform such financial functions, activities or services in connection with operation of the lottery as the State Treasurer and the Director may prescribe.

(b) All proceeds from investments made pursuant to contracts executed by the State Treasurer, with the consent of the Director, to perform financial functions, activities or services in connection with operation of the lottery, shall be deposited and held by the State Treasurer as ex-officio custodian thereof, separate and apart from all public money or funds of this State in a special trust fund outside the State treasury. Such trust fund shall be known as the "Deferred Lottery Prize Winners Trust Fund", and shall be administered by the Director.

The Director shall, at such times and in such amounts as shall be necessary, prepare and send to the State Comptroller vouchers requesting payment from the Deferred Lottery Prize Winners Trust Fund to deferred prize winners, in a manner that will insure the timely payment of such amounts owed.

This Act shall constitute an irrevocable appropriation of all amounts necessary for that purpose, and the irrevocable and continuing authority for and direction to the Director and the State Treasurer to make the necessary payments out of such trust fund for that purpose. In the event that the State shall enter into a Management and Concession Agreement, this Section 27(b) shall not apply to any prizes awarded after the closing date of the Management and Concession Agreement.

(c) Moneys invested pursuant to subsection (a) of this Section may be invested only in bonds, notes, certificates of indebtedness, treasury bills, or other securities constituting direct obligations of the United

Interest earnings on moneys in the Deferred Lottery Prize Winners Trust Fund shall remain in such fund and be used to pay the winners of lottery prizes deferred as to payment until such obligations are discharged. Proceeds from bonds purchased and interest accumulated as a result of a grand prize multi-state game ticket that goes unclaimed will be transferred after the termination of the relevant claim period directly from the lottery's Deferred Lottery Prize Winners Trust Fund to each respective multi-state partner state according to its contribution ratio. All moneys invested pursuant to the terms of any Management and Concession Agreement into which the State may enter shall be subject to the provisions of this subsection.

(c-5) If a deferred lottery prize is not claimed within the claim period established by game rule, then the securities or other instruments purchased to fund the prize shall be liquidated and the liquidated amount shall be transferred to the State Lottery Fund for disposition pursuant to Section 19 of this Act. In the event that the State shall enter into a Management and Concession Agreement, this Section 27(c-5) shall not apply to any prizes awarded after the closing date of the Management and Concession Agreement.

(c-10) The Director may use a portion of the moneys in the Deferred Lottery Prize Winners Trust Fund to purchase bonds to pay a lifetime prize if the prize duration exceeds the length of available securities. If the winner of a lifetime prize exceeds his or her life expectancy as determined using actuarial assumptions and the securities or moneys set aside to pay the prize have been exhausted, moneys in the State Lottery Fund shall be used to make payments to the winner for the duration of the winner's life. In the event that the State shall enter into a Management and Concession Agreement, this Section 27(c-10) shall not apply to any prizes awarded after the closing date of the Management and Concession Agreement.

(c-15) From time to time, the Director may request that the State Comptroller transfer any excess moneys in the Deferred Lottery Prize Winners Trust Fund to the Lottery Fund. In the event that the State shall enter into a Management and Concession Agreement, this Section 27(c-15) shall not apply to any prizes awarded after the closing date of the Management and Concession Agreement.

(c-20) In the event that the State shall enter into a Management and Concession Agreement pursuant to which a Concessionaire is authorized to manage or operate the Lottery, there shall be created a fund to be known as the Lottery Concession Trust Fund, which shall be a special non-appropriated trust fund held outside of the State Treasury and separate and apart from all public money and funds of this State for the purpose of holding Concession revenues for the purpose of transferring to the State its 20% share of gross revenues after prize payouts. All proceeds from the sale of Lottery tickets or shares and all other revenue from the State's conduct of the Lottery as authorized under this amendatory Act of the 95th General Assembly, including Lottery revenues a Concessionaire may be eligible to receive under a Management and Concession Agreement, with the exception of the initial consideration distributed pursuant to Section 2.4, shall be paid into the Fund. Within the Lottery Concession Trust Fund, there shall be created sub-trusts for the purpose of holding moneys for the exclusive benefit of the State and recipients of Prize Claims.

The Fund shall begin to receive lottery proceeds and revenues on the date that a Management and Concession Agreement first becomes effective, and moneys in the Fund shall not at any time during the term of such an agreement be appropriated or diverted to any other use or purpose. The Fund shall be held by an Illinois trustee designated pursuant to the Concession and Management Agreement. All interest or other earnings accruing or received on amounts in the Fund shall be credited to and retained by the Fund. The Fund shall be held, administered, invested, and disbursed in accordance with the trust agreement and the Management and Concession Agreement.

The Illinois Gaming Board shall report quarterly to the State Treasurer and the Governor a full and complete statement of revenues into and expenses from the Lottery Concession Trust Fund, which may be included in the reports required pursuant to subsection (j-1) of Section 9 of this Act. The remaining funds shall be allocated by the Department for projects in highway districts 2 through 9.

The Highway Improvement Program shall include the following information statewide and for each of the Department's highway districts:

Any person who is a continuing participant under Sections 2-117.1 and 14-105.4 on the effective date of this amendatory Act of 1991 and whose retirement annuity has been suspended under this Section shall be entitled to receive from the System a sum equal to the annuity payments that have been withheld under this Section, and shall receive the benefit of this amendment without regard to Section 1-103.1.

(2) An annuitant who accepts temporary employment from such a department for a period not exceeding 75 working days in any calendar year is not considered to make a re-entry after retirement within the meaning of this Section. Any part of a day on temporary employment is considered a full day of employment.

An annuitant who elects to not participate in this System with respect to that service is not considered to make a re-entry after retirement within the meaning of this Section.

(b) If such person re-enters the service of a department, not as a temporary employee, contributions to the system shall begin as of the date of re-employment and additional creditable service shall begin to accrue. He shall assume the status of a member entitled to all rights and privileges in the system, including death and disability benefits, excluding a refund of contributions.

Upon subsequent retirement, his retirement annuity shall consist of:

(1) the amounts of the annuities terminated by re-entry into service; and

(2) the amount of the additional retirement annuity earned by the member during the period of additional membership service which shall not be subject to reversionary annuity if any.

The total retirement annuity shall not, however, exceed the maximum applicable to the member at the time of original retirement. In the computation of any such retirement annuity, the time that the member was on retirement shall not interrupt the continuity of service for the computation of final average compensation and the additional membership service shall be considered, together with service rendered before the previous retirement, in establishing final average compensation.

A person who re-enters the service of a department within 3 years after retiring may qualify to have the retirement annuity computed as though the member had not previously retired by paying to the System, within 5 years after re-entry and prior to subsequent retirement, in a lump sum or in installment payments in accordance with such rules as may be adopted by the Board, an amount equal to all retirement payments received, including any payments received in accordance with subsection (c) or (d) of Section 14-130, plus regular interest from the date retirement payments were suspended to the date of repayment.

"New benefit increase", however, does not include any benefit increase resulting from the changes made to this Article by this amendatory Act of the 95th General Assembly.

(b) Notwithstanding any other provision of this Code or any subsequent amendment to this Code, every new benefit increase is subject to this Section and shall be deemed to be granted only in conformance with and contingent upon compliance with the provisions of this Section.

(c) The Public Act enacting a new benefit increase must identify and provide for payment to the System of additional funding at least sufficient to fund the resulting annual increase in cost to the System as it accrues.

Every new benefit increase is contingent upon the General Assembly providing the additional funding required under this subsection. The Commission on Government Forecasting and Accountability shall analyze whether adequate additional funding has been provided for the new benefit increase and shall report its analysis to the Public Pension Division of the Department of Financial and Professional Regulation. A new benefit increase created by a Public Act that does not include the additional funding required under this subsection is null and void. If the Public Pension Division determines that the additional funding provided for a new benefit increase under this subsection is or has become inadequate, it may so certify to the Governor and the State Comptroller and, in the absence of corrective action by the General Assembly, the new benefit increase shall expire at the end of the fiscal year in which the certification is made.

(d) Every new benefit increase shall expire 5 years after its effective date or on such earlier date as may be specified in the language enacting the new benefit increase or provided under subsection (c). This does not prevent the General Assembly from extending or re-creating a new benefit increase by law.

(e) Except as otherwise provided in the language creating the new benefit increase, a new benefit increase that expires under this Section continues to apply to persons who applied and qualified for the affected benefit while the new benefit increase was in effect and to the affected beneficiaries and alternate payees of such persons, but does not apply to any other person, including without limitation a person who continues in service after the expiration date and did not apply and qualify for the affected benefit while the new benefit increase was in effect.

Upon termination of such employment, retirement annuity payments at the previous rate shall be resumed.

If such a participant resumes service as a judge, he or she shall receive credit for any additional service. Upon subsequent retirement, his or her retirement annuity shall be the amount previously granted, plus the amount earned by the additional judicial service under the provisions in effect during the period of such additional service. However, if the participant was receiving the maximum rate of annuity at the time of re-employment, he or she may elect, in a written direction filed with the board, not to receive any additional service credit during the period of re-employment. This subsection (e) applies without regard to whether the person is in service as a judge under this Article on or after the effective date of this amendatory Act of the 93rd General Assembly. In this subsection, a "part-time employee" is a person who is not required to work at least 35 hours per week. The changes made to this subsection (e) by this amendatory Act of the 95th General Assembly apply without regard to whether the person is in service as a judge under this Article on or after the effective date of this amendatory Act of the 95th General Assembly.

(f) A participant receiving a retirement annuity under this Article who has made an election under Section 1-123 and who is serving either as legal counsel in the Office of the Governor or as Chief Deputy Attorney General shall not be deemed to be regularly employed for compensation by an employer other than a county, nor to have resumed service as a judge, on the basis of that service, and the retirement annuity payments and other benefits of that person under this Code shall not be suspended, diminished, or otherwise impaired solely as a consequence of that service. Sec. 18-169. Application and expiration of new benefit increases.

(a) As used in this Section, "new benefit increase" means an increase in the amount of any benefit provided under this Article, or an expansion of the conditions of eligibility for any benefit under this Article, that results from an amendment to this Code that takes effect after June 1, 2005 (the effective date Public Act 94-4) ~~of this amendatory Act of the 94th General Assembly~~. "New benefit increase", however, does not include any benefit increase resulting from the changes made to this Article by this amendatory Act of the 95th General Assembly.

(b) Notwithstanding any other provision of this Code or any subsequent amendment to this Code, every new benefit increase is subject to this Section and shall be deemed to be granted only in conformance with and contingent upon compliance with the provisions of this Section.

(c) The Public Act enacting a new benefit increase must identify and provide for payment to the System of additional funding at least sufficient to fund the resulting annual increase in cost to the System as it accrues.

Every new benefit increase is contingent upon the General Assembly providing the additional funding required under this subsection. The Commission on Government Forecasting and Accountability shall analyze whether adequate additional funding has been provided for the new benefit increase and shall report its analysis to the Public Pension Division of the Department of Financial and Professional Regulation. A new benefit increase created by a Public Act that does not include the additional funding required under this subsection is null and void. If the Public Pension Division determines that the additional funding provided for a new benefit increase under this subsection is or has become inadequate, it may so certify to the Governor and the State Comptroller and, in the absence of corrective action by the General Assembly, the new benefit increase shall expire at the end of the fiscal year in which the certification is made.

(d) Every new benefit increase shall expire 5 years after its effective date or on such earlier date as may be specified in the language enacting the new benefit increase or provided under subsection (c). This does not prevent the General Assembly from extending or re-creating a new benefit increase by law.

(e) Except as otherwise provided in the language creating the new benefit increase, a new benefit increase that expires under this Section continues to apply to persons who applied and qualified for the affected benefit while the new benefit increase was in effect and to the affected beneficiaries and alternate payees of such persons, but does not apply to any other person, including without limitation a person who continues in service after the expiration date and did not apply and qualify for the affected benefit while the new benefit increase was in effect.

(230 ILCS 10/5.3 new)

Sec. 5.3. Nomination Panel.

(a) The Nomination Panel is established to provide a list of candidates to the Governor for appointment to the Illinois Gaming Board and the position of Director of Gaming Enforcement. The appointing authorities may hold so many public or non-public meetings as is required to fulfill their duties, and may utilize the staff and budget of the Executive Ethics Commission in carrying out their duties; provided, however, that a final vote on appointees to the Nomination Panel shall take place in a meeting governed by the Open Meetings Act. Any ex parte communications regarding the Nomination Panel must be made a part of the record at the next public meeting and part of a written record. The appointing authorities shall file a list of members of the Nomination Panel with the Secretary of State within 60 days after the effective date of this amendatory Act of the 95th General Assembly. If the Federal Bureau of Investigation does not agree to conduct background investigations, or the Federal Bureau of Investigations cannot conduct the background investigations within 120 days after the request is made, the Nomination Panel may contract with an independent agency that specializes in conducting personal investigations. After the Office of Gaming Enforcement is operational, the Nomination Panel must use the Office of Gaming Enforcement's investigatory staff. The Office of Gaming Enforcement may seek the assistance of the Federal Bureau of Investigation or an independent agency that specializes in conducting background investigations. The Nomination Panel and the Office of Gaming Enforcement may not engage the services or enter into any contract with State or local law enforcement agencies for the conduct of background investigations.

(f) The Nomination Panel must review written applications, determine eligibility for oral interviews, confirm satisfactory background investigations, and hold public hearings on qualifications of candidates.

Initial interviews of candidates need not be held in meetings subject to the Open Meetings Act; members or staff may arrange for informal interviews. Prior to recommendation, however, the Nomination Panel must question candidates in a meeting subject to the Open Meetings Act under oath.

(g) The Nomination Panel must recommend candidates for nomination to the Illinois Gaming Board and the position of Director of Gaming Enforcement. (6) To eject or exclude or authorize the ejection or exclusion of any person from a riverboat where the person is in violation of this Act, rules thereunder, or final orders of the Board, or where such person's conduct or reputation is such that his or her presence within the riverboat may call into question the honesty and integrity of the gambling operations or interfere with the orderly conduct thereof; provided that the propriety of such ejection or exclusion is subject to subsequent hearing.

(7) To hire employees to gather information, conduct investigations, and carry out any other tasks contemplated under this Act.

(8) To conduct investigations on its own initiative or as requested by the Illinois Gaming Board or the Nomination Panel, including without limitation investigations for suspected violations of this Act and investigations for issuance or renewal of a license.

If, in the course of any investigation or hearing conducted under this Act, a person refuses to answer a question or produce evidence on the ground that he or she will be exposed to criminal prosecution thereby, then in addition to any other remedies or sanctions provided for by this Act, the Office may, by resolution of the Board and after the written approval of the Attorney General, issue an order to answer or to produce evidence with immunity. Hearings, documents, and other communications regarding the granting of immunity are not subject to the Freedom of Information Act or the Open Meetings Act. If, upon issuance of such an order, the person complies therewith, he or she shall be immune from having such responsive answer given by him or her or such responsive evidence produced by him or her, or evidence derived therefrom, used to expose him or her to criminal prosecution, except that such person may nevertheless be prosecuted for any perjury committed in such answer or in producing such evidence, or for contempt for failing to give an answer or produce evidence in accordance with the order of the Office; provided, however, that no period of incarceration for contempt shall exceed 18 months in duration. Any such answer given or evidence produced shall be admissible against him or her upon any criminal investigation, proceeding, or trial against him or her for such perjury; upon any investigation, proceeding or trial against him or her for such contempt; or in any manner consistent with State and constitutional provisions.

(a-3) Beginning July 1, 2003, a privilege tax is imposed on persons engaged in the business of conducting riverboat gambling operations, other than licensed managers conducting riverboat gambling operations on behalf of the State, based on the adjusted gross receipts received by a licensed owner from gambling games authorized under this Act at the following rates:

15% of annual adjusted gross receipts up to and including \$25,000,000;

27.5% of annual adjusted gross receipts in excess of \$25,000,000 but not exceeding \$37,500,000;

32.5% of annual adjusted gross receipts in excess of \$37,500,000 but not exceeding \$50,000,000;

37.5% of annual adjusted gross receipts in excess of \$50,000,000 but not exceeding \$75,000,000;

45% of annual adjusted gross receipts in excess of \$75,000,000 but not exceeding \$100,000,000;

50% of annual adjusted gross receipts in excess of \$100,000,000 but not exceeding \$250,000,000;

70% of annual adjusted gross receipts in excess of \$250,000,000.

An amount equal to the amount of wagering taxes collected under this subsection (a-3) that are in addition to the amount of wagering taxes that would have been collected if the wagering tax rates under subsection (a-2) were in effect shall be paid into the Common School Fund.

The privilege tax imposed under this subsection (a-3) shall no longer be imposed beginning on the earlier of (i) July 1, 2005; (ii) the first date after June 20, 2003 that riverboat gambling operations are conducted pursuant to a dormant license; or (iii) the first day that riverboat gambling operations are conducted under the authority of an owners license that is in addition to the 10 owners licenses initially authorized under this Act. For the purposes of this subsection (a-3), the term "dormant license" means an owners license that is authorized by this Act under which no riverboat gambling operations are being conducted on June 20, 2003.

(a-4) Beginning on the first day on which the tax imposed under subsection (a-3) is no longer imposed, a privilege tax is imposed on persons engaged in the business of conducting riverboat gambling operations, other than licensed managers conducting riverboat gambling operations on behalf of the State, based on the adjusted gross receipts received by a licensed owner from gambling games authorized under this Act at the following rates:

15% of annual adjusted gross receipts up to and including \$25,000,000;

22.5% of annual adjusted gross receipts in excess of \$25,000,000 but not exceeding \$50,000,000;

27.5% of annual adjusted gross receipts in excess of \$50,000,000 but not exceeding \$75,000,000;

32.5% of annual adjusted gross receipts in excess of \$75,000,000 but not exceeding \$100,000,000;

37.5% of annual adjusted gross receipts in excess of \$100,000,000 but not exceeding \$150,000,000;

45% of annual adjusted gross receipts in excess of \$150,000,000 but not exceeding \$200,000,000;

50% of annual adjusted gross receipts in excess of \$200,000,000.

(a-8) Riverboat gambling operations conducted by a licensed manager on behalf of the State are not subject to the tax imposed under this Section.

(a-10) The taxes imposed by this Section shall be paid by the licensed owner to the Board not later than 3:00 o'clock p.m. of the day after the day when the wagers were made.

(a-15) If the privilege tax imposed under subsection (a-3) is no longer imposed pursuant to item (i) of the last paragraph of subsection (a-3), then by June 15 of each year, each owners licensee, other than an owners licensee that admitted 1,000,000 persons or fewer in calendar year 2004, must, in addition to the payment of all amounts otherwise due under this Section, pay to the Board a reconciliation payment in the amount, if any, by which the licensed owner's base amount exceeds the amount of net privilege tax paid by the licensed owner to the Board in the then current State fiscal year. A licensed owner's net privilege tax obligation due for the balance of the State fiscal year shall be reduced up to the total of the amount paid by

the licensed owner in its June 15 reconciliation payment. The obligation imposed by this subsection (a-15) is binding on any person, firm, corporation, or other entity that acquires an ownership interest in any such owners license. The obligation imposed under this subsection (a-15) terminates on the earliest of: (i) July 1, 2007, (ii) the first day after the effective date of this amendatory Act of the 94th General Assembly that riverboat gambling operations are conducted pursuant to a dormant license, (iii) the first day that riverboat gambling operations are conducted under the authority of an owners license that is in addition to the 10 owners licenses initially authorized under this Act, or (iv) the first day that a licensee under the Illinois Horse Racing Act of 1975 conducts gaming operations with slot machines or other electronic gaming devices. The Board must reduce the obligation imposed under this subsection (a-15) by an amount the Board deems reasonable for any of the following reasons: (A) an act or acts of God, (B) an act of bioterrorism or terrorism or a bioterrorism or terrorism threat that was investigated by a law enforcement agency, or (C) a condition beyond the control of the owners licensee that does not result from any act or omission by the owners licensee or any of its agents and that poses a hazardous threat to the health and safety of patrons. If an owners licensee pays an amount in excess of its liability under this Section, the Board shall apply the overpayment to future payments required under this Section.

For purposes of this subsection (a-15):

"Act of God" means an incident caused by the operation of an extraordinary force that cannot be foreseen, that cannot be avoided by the exercise of due care, and for which no person can be held liable.

"Base amount" means the following:

- For a riverboat in Alton, \$31,000,000.
- For a riverboat in East Peoria, \$43,000,000.
- For the Empress riverboat in Joliet, \$86,000,000.
- For a riverboat in Metropolis, \$45,000,000.

- For a riverboat in East St. Louis, \$48,500,000.
- For a riverboat in Elgin, \$198,000,000.

"Dormant license" has the meaning ascribed to it in subsection (a-3).

"Net privilege tax" means all privilege taxes paid by a licensed owner to the Board under this Section, less all payments made from the State Gaming Fund pursuant to subsection (b) of this Section.

The changes made to this subsection (a-15) by Public Act 94-839 are intended to restate and clarify the intent of Public Act 94-673 with respect to the amount of the payments required to be made under this subsection by an owners licensee to the Board.

(b) Until January 1, 1998, 25% of the tax revenue deposited in the State Gaming Fund under this Section shall be paid, subject to appropriation by the General Assembly, to the unit of local government which is designated as the home dock of the riverboat. Beginning January 1, 1998, from the tax revenue deposited in the State Gaming Fund under this Section, an amount equal to 5% of adjusted gross receipts generated by a riverboat shall be paid monthly, subject to appropriation by the General Assembly, to the unit of local government that is designated as the home dock of the riverboat. From the tax revenue deposited in the State Gaming Fund pursuant to riverboat gambling operations conducted by a licensed manager on behalf of the State, an amount equal to 5% of adjusted gross receipts generated pursuant to those riverboat gambling operations shall be paid monthly, subject to appropriation by the General Assembly, to the unit of local government that is designated as the home dock of the riverboat upon which those riverboat gambling operations are conducted.

(c) Appropriations, as approved by the General Assembly, may be made from the State Gaming Fund to the ~~Board and the Office Department of Revenue and the Department of State Police~~ for the administration and enforcement of this Act, or to the Department of Human Services for the administration of programs to treat problem gambling.

(c-5) Before May 26, 2006 (the effective date of Public Act 94-804) and beginning 2 years after May 26, 2006 (the effective date of Public Act 94-804), after the payments required under subsections (b) and (c) have been made, an amount equal to 15% of the adjusted gross receipts of (1) an owners licensee that relocates pursuant to Section 11.2, (2) an owners licensee conducting riverboat gambling operations pursuant to an owners license that is initially issued after June 25, 1999, or (3) the first riverboat gambling operations conducted by a licensed manager on behalf of the State under Section 7.3, whichever comes first, shall be paid from the State Gaming Fund into the Horse Racing Equity Fund.

(c-10) Each year the General Assembly shall appropriate from the General Revenue Fund to the Education Assistance Fund an amount equal to the amount paid into the Horse Racing Equity Fund

pursuant to subsection (c-5) in the prior calendar year.

(c-15) After the payments required under subsections (b), (c), and (c-5) have been made, an amount equal to 2% of the adjusted gross receipts of (1) an owners licensee that relocates pursuant to Section 11.2, (2) an owners licensee conducting riverboat gambling operations pursuant to an owners license that is initially issued after June 25, 1999, or (3) the first riverboat gambling operations conducted by a licensed manager on behalf of the State under Section 7.3, whichever comes first, shall be paid, subject to appropriation from the General Assembly, from the State Gaming Fund to each home rule county with a population of over 3,000,000 inhabitants for the purpose of enhancing the county's criminal justice system.

(c-20) Each year the General Assembly shall appropriate from the General Revenue Fund to the Education Assistance Fund an amount equal to the amount paid to each home rule county with a population of over 3,000,000 inhabitants pursuant to subsection (c-15) in the prior calendar year.

(c-25) After the payments required under subsections (b), (c), (c-5) and (c-15) have been made, an amount equal to 2% of the adjusted gross receipts of (1) an owners licensee that relocates pursuant to Section 11.2, (2) an owners licensee conducting riverboat gambling operations pursuant to an owners license that is initially issued after June 25, 1999, or (3) the first riverboat gambling operations conducted by a licensed manager on behalf of the State under Section 7.3, whichever comes first, shall be paid from the State Gaming Fund to Chicago State University.

(d) From time to time, the Board shall transfer the remainder of the funds generated by this Act into the Education Assistance Fund, created by Public Act 86-0018, of the State of Illinois.

(e) Nothing in this Act shall prohibit the unit of local government designated as the home dock of the riverboat from entering into agreements with other units of local government in this State or in other states to share its portion of the tax revenue.

(f) To the extent practicable, the Board shall administer and collect the wagering taxes imposed by this Section in a manner consistent with the provisions of Sections 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 6, 6a, 6b, 6c, 8, 9, and 10 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act.

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we recognize October 15, 2008 as Pregnancy and Infant Loss Remembrance Day in order to remember all of the pregnancies and infants lost, to help to heal and comfort families in a time of pain and heartache, and to give families hope for the future; and be it further

RESOLVED, That a suitable copy of this resolution be presented to the Springfield Share Chapter as an expression of remembrance and hope.

HOUSE RESOLUTION 1465

Offered by Representative Holbrook:

WHEREAS, Home Instead Senior Care and partners from various non-profit agencies and businesses that provide services to senior adults throughout the year combine their efforts every year for the "Be a Santa to a Senior" community service program; and

WHEREAS, The volunteers of the "Be a Santa to a Senior" program make a positive impact on their communities by providing much-needed holiday cheer and giving of gifts to those senior adults who are least likely to receive presents during the holiday season and for those who are lonely or have financial difficulties; and

WHEREAS, The "Be a Santa to a Senior" program and its volunteers donate their valuable time to eliminate the heartbreak of holiday isolation felt by senior adults in this State; nearly 28 percent of the 1,532,373 people over the age of 65 in Illinois live alone, with 441,869 total senior adults at risk of being lonely; these people can benefit from the generous outreach efforts of the "Be a Santa to a Senior" program; and

WHEREAS, The participants in the "Be a Santa to a Senior" program intend to recognize and celebrate our senior adults and the invaluable contributions they continue to make to our cities, this State, and the world at large; and

WHEREAS, The citizens of the State of Illinois recognize that our diverse population is committed to improving the well-being and serenity of our communities, as well as placing a greater focus on our lonely elders through the "Be a Santa to a Senior" program; therefore, be it

RESOLVED, That a suitable copy of this resolution be presented to a representative of the "Be a Santa to a Senior" program as a symbol of our esteem and respect.

HOUSE RESOLUTION 1466

Offered by Representative Mathias:

WHEREAS, Millions of patriots have served in the Armed Forces of the United States of America during the past century; thousands of these patriots made the supreme sacrifice for our nation during their call to duty, yet many of them have received little honor from this nation for their brave and heroic contributions; and

WHEREAS, The sacrifices of these men and women who have served in the Armed Forces have been vital in preserving the freedoms and way of life enjoyed by the people of this nation today; and

WHEREAS, During times of emergency, these honorable and courageous heroes have stepped forward to serve our country by placing the welfare of the nation before their own lives; these veterans have not only guaranteed liberty and peace for the citizens of the United States, but have sought to establish these

qualities for other nations throughout the world; and

WHEREAS, There has been a decrease in awareness and importance placed on the accomplishments of those who served in the Armed Forces, despite the efforts of the Department of Veterans' Affairs and veterans' service organizations; it is essential that the future leaders of our nation recognize the history of military action, as well as the accompanying contributions and significant sacrifice made by all veterans who have provided dedicated service and protection for this nation and its citizens; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we recognize August 29, 2008 as Veterans' Awareness Day in the State of Illinois and encourage the citizens of this State to reflect upon the service that veterans have given to ensure the well-being of our State and country; and be it further

RESOLVED, That a suitable copy of this resolution be presented to John Monaghan, the organizer of Veterans' Awareness Day, as a symbol of our esteem and respect.

HOUSE RESOLUTION 1476

Offered by Representative Boland:

WHEREAS, The question of whether to call a Constitutional Convention will appear as a referendum on the ballot at the general election on November 4, 2008; and

WHEREAS, If called, a Constitutional Convention could propose either an entirely new Constitution or a series of amendments to the existing Constitution; and

WHEREAS, Because there has been uncertainty as to what the cost of such a Convention would be, the citizens of the State have been subjected to the proliferation of wildly excessive, distorted, and inaccurate cost estimates; and

WHEREAS, Public misinformation constitutes an undue distraction for the electorate during a season in which citizens deserve an opportunity for deliberate and conscientious consideration of the merits of this unique and rare referendum; and

WHEREAS, The Legislative Research Unit of the Illinois General Assembly in April 2008, produced a detailed report illustrating that widely-promulgated Convention cost estimates of \$78 million or more are inaccurate because they rely upon a number of dubious assumptions; and

WHEREAS, The Legislative Research Unit's own cost estimates indicate that, under one of the three most likely Convention time-frames conceivable, the costs of the Convention might, in fact, very easily be as low as \$14 million dollars; and

WHEREAS, The Legislative Research Unit's cost projections are credible insofar as they rely upon the costs of the 1970 Convention, adjusted for inflation, along with more recent data about current costs of various commodities necessary for the Convention's operations, and omit figures for extraneous, speculative, or unnecessary costs; and

WHEREAS, There is uncertainty as to what the procedures for electing delegates to the Constitutional Convention and for administering the Convention itself would be; and

WHEREAS, If a Constitutional Convention is called, the General Assembly must enact a statute setting forth procedures for electing delegates, and for operating and financing the Convention; and

WHEREAS, The General Assembly of Illinois enacted a statute in 1969, P.A. 76-40, in anticipation of the last Constitutional Convention that provided a judicious, successful, and model framework for establishing a truly thoughtful and deliberative body uniquely oriented toward promoting the common good through such mechanisms as a cost ceiling on the Convention and the non-partisan election of delegates; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that in the event the electors of the State approve the referendum calling for a Constitutional Convention:

(1) In light of the findings of the Legislative Research Unit that an efficiently-administered Constitutional Convention fully in keeping with all applicable constitutional requirements could be held for as little as \$14 million dollars, the General Assembly will make all efforts to control and limit the costs of any Constitutional Convention, with a goal of making sure that Convention costs will not exceed an amount equal to approximately one dollar per Illinois citizen, and, in any event, not more than approximately \$15,000,000;

(2) Given the Legislative Research Unit's report that under the other two

most-conceivable Convention time-frames, the estimated costs of the Convention itself would be either approximately \$17 million or \$23 million, the General Assembly is confident that because there are various plausible low-cost options readily available, budgetary concerns alone should not dissuade citizens from supporting a Convention;

(3) The General Assembly should follow the judicious and wise example of the 76th General Assembly by enacting implementation legislation modeled on Public Act 76-40 in 1969;

(4) All Illinois voters ought to be aware that because a Constitutional Convention would not be under any obligation to draft an entirely new Constitution to replace the Illinois Constitution of 1970, the delegates could instead choose to propose amendments to the existing Constitution to the Illinois electorate; and

(5) Any Constitutional Convention should attempt to address endemic problems in Illinois State Government through a set of proposed constitutional amendments addressing topics including, but not limited to:

- (A) tax fairness, equity, and progressivity;
- (B) equitable financing of public education; and
- (C) ethical standards in government.

HOUSE RESOLUTION 1480

Offered by Representative Durkin:

WHEREAS, Illinois currently owes approximately \$500 million in unpaid debts to health care providers who have provided essential medical services to eligible residents of Illinois who are members of the Medicaid health care program; and

WHEREAS, This backlog, at one point during the recently concluded fiscal year, totaled more than \$1.5 billion and led to some providers having to wait more than 200 days for payments; and

WHEREAS, An audit, released May 13 by the Illinois Auditor General, has uncovered widespread examples of late State payments affecting many facets of Illinois' health care community; and

WHEREAS, Many hospitals, clinics, and nursing homes have been forced to scale back their operations or even close because of financial pressures associated with these late payments; and

WHEREAS, The expense increases and cost hikes associated with the health care industry do not stop during periods when the State of Illinois is not paying its Medicaid bills; and

WHEREAS, The overall health of Illinois citizens and residents depends on the financial security and stability of health care providers; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the House of Representatives of the State of Illinois declares as its statement of budgetary intent that any proceeds to the State from any sale, long-term lease, or transfer of rights over the Illinois State Lottery, or any other revenue-generating sources created for a significant State capital construction program, be applied first to clearing any unpaid debts owed by the State to providers of health care services under the Medicaid program and other State-funded health care programs; and be it further

RESOLVED, That only after these debts have been completely cleared shall the State apply the remaining proceeds from any Illinois State Lottery privatization action to a State capital construction program; and be it further

RESOLVED, That copies of this resolution be delivered to the Governor, the President of the Senate, and the Speaker of the House of Representatives.

HOUSE RESOLUTION 1499

Offered by Representative Pritchard:

WHEREAS, College presidents from more than 100 universities are calling on lawmakers across the nation to lower the drinking age from 21 to 18, citing that current law encourages excessive drinking on campuses; and

WHEREAS, The call to lower the drinking age is being used to spark national debate about the drinking

age; and

WHEREAS, According to Monitoring the Future, an organization which conducts studies on drug and alcohol use by young people, when the 21-year-old drinking age was effectively mandated by Congress in 1984, 45.4% of college students engaged in binge drinking; and

WHEREAS, By 2006, that figure was 40.2%, and the percentage of students who reported drinking every day fell by more than a quarter; and

WHEREAS, A study by the National Institute of Alcohol Abuse and Alcoholism (NIAAA) suggests that, since that time, alcohol-related fatalities have dropped 56%; and

WHEREAS, The most dramatic decline in these deaths was among children age 16-20, where crashes dropped by nearly 60% - from 5,224 in 1982 to 2,121 in 2006; and

WHEREAS, A recent study published in Accident Analysis and Prevention finds that laws making it illegal for anyone under the age of 21 to possess or purchase alcohol have led to an 11% drop in alcohol-related fatal car crashes; and

WHEREAS, The study also purports that states with strong laws against the use of fake IDs report 7% fewer drunk-driving deaths among drivers under the age of 21; and

WHEREAS, Bradley University in Peoria has created a strict Comprehensive Alcohol Action Plan that penalizes repeat offenders and requires them to complete an online counseling program; and

WHEREAS, Many colleges across the country are attempting to come up with alternatives to dissuade students from participating in alcohol-related activities; and

WHEREAS, Combating the cultural stigma of today's society remains the greatest challenge in deterring our young people from using alcohol; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge that the legal drinking age in Illinois remain at 21 years of age; and be it further

RESOLVED, That suitable copies of this resolution be presented to the Illinois Board of Higher Education and all public and private university presidents in Illinois.

HOUSE JOINT RESOLUTION 141

Offered by Representative Stephens:

WHEREAS, The members of the Illinois General Assembly wish to honor those who have served our country with distinction and valor in the armed forces; and

WHEREAS, The State of Illinois and the State of Missouri have made plans to construct an additional bridge at a date yet to be determined on I-70 crossing the Mississippi River; this bridge will relieve traffic congestion between the State of Illinois and the State of Missouri; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that the I-70 Mississippi River Bridge connecting Illinois to Missouri to be constructed at a later date be designated, upon approval of the Illinois and Missouri State legislatures, the Veterans Bridge; and be it further

RESOLVED, That the Illinois Department of Transportation is requested to erect at suitable locations, consistent with State and federal regulations, appropriate plaques or signs giving notice of the name; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the Secretary of the U.S. Department of Transportation; the Secretary of the Illinois Department of Transportation; and the Secretary of the Missouri Department of Transportation.
