Eightieth General Assembly of the State of Illinois, the Senate 
concurring herein; There shall be submitted to the electors 
of the state for adoption or rejection in the General Election 
next occurring at least six months after the adoption of this 
Resolution, a proposition to amend Section IX of Article IX 
of the Constitution to read as follows: Article IX Section IX, 
State Debt. (a) No state debt shall be incurred except as 
provided in this section. For the purpose of this section, 
'state debt' means bonds or other evidence of indebtedness which 
are secured by the full faith and credit of the state and are 
required to be repaid directly or indirectly from tax revenue 
and which are incurred by the state, any department, authority, 
public corporation or quasi public corporation of the state, 
any state college or university or any other public agency 
created by the state but not by units of local government or 
school districts. (b) State debt, for specific purposes, may 
be incurred as a payment of the state or other debt guaranteed 
as may be provided in a law passed by the vote of three-fifths 
of the Members elected to each House of the General Assembly. 
State debt authorized by the General Assembly under this sub-
section may not exceed three billion, five hundred million in 
authorized state debts unissued or issued but not retired. 
Any law providing for incurring or guaranteeing of debt shall
set forth the specific purpose and manner for repayment. (c) State debt, in specific purposes, may be incurred or the payment of state or other debt guarantees which as may be provided in the law proved by the majority of electors voting on the question at the next General Election following passage. Such state debt authorized under this subsection shall be in addition to the amounts authorized in subsection (b) of this section. Any law providing for the incurring or guaranteeing of debt shall set forth the specific purpose and the manner of payment. (d) State debt, in anticipation of revenues to be collected in a fiscal year may be incurred by law in an amount not exceeding five percent of the state's appropriations for that fiscal year. Such debt shall be retired from the revenues realized in that fiscal year. (e) State debt may be incurred by law in an amount not exceeding fifteen percent of the state's appropriation for that fiscal year to meet deficits caused by emergency or failures of revenue. Such a loss shall provide that the debt be repaid within one year of the date it is incurred. (f) State debt may be incurred by law to refund outstanding state debts if the refunding debt matures within the term of the outstanding state debt. (g) The state department authorities, public corporations or quasi public corporation of the state, state colleges, universities and other public agencies created by the state may issue bonds or other evidence of indebtedness, which are not secured by the full and faith and credit are tax revenue of the state and are required to be repaid directly or indirectly from tax revenue for such purposes and in such amounts as may be authorized by law.
