

Doorkeeper Koehler: "Attention, Members of the House of Representatives, the House will convene in fifteen minutes. All persons not entitled to the House floor, please retire to the gallery."

Speaker Madigan: "The House will come to order. The Members will be in their chairs. We will be led in prayer by the House Chaplain, Father Krueger."

Reverend Krueger: "In the name of the Father, the Son and the Holy Ghost. Amen. O, Lord, bless this House to Thy service this day. Amen. We've been asked to pray for the repose of the soul of Marie, the mother of Representative Laurino. O, God, whose mercies cannot be numbered, accept our prayers in behalf of the soul of Thy servant, Marie, departed. Grant her an entrance into the land of light and joy in the fellowship of Thy saints, through Jesus Christ, our Lord. Amen. May she rest in peace and may light perpetual shine upon her. Amen. An old Frenchman after the Battle of Verdun said: 'There are no hopeless situations. There are only men and women who have grown hopeless about them.' Let us pray. Almighty God, we give Thee thanks for all the many blessings of this day which are ours to enjoy, our life, our liberty, our freedom, our peace; but above all we are grateful for the hope which Thou hast given to us that we may know and understand the purpose for our being. The perplexities and dilemmas of present time are many and complex. Keep us, O Lord, from wearying under their burden. Strengthen us, O Lord, that we may overcome with confidence to effect that which is pleasing in Thy sight and to the good of those whom we serve. Through Jesus Christ we ask. Amen."

Speaker Madigan: "The Speaker's Office has just received a request from the Appropriations II Committee that we stand at ease until...for a half an hour. And, therefore, the House will be at ease until 12:35."

EASE

Speaker Madigan: "The House will come to order. Messages from the Senate."

Clerk O'Brien: "A message from the Senate by Mr. Wright, Secretary. Mr. Speaker, I am directed to inform the House of Representatives that the Senate has adopted the following Senate Joint Resolution, in the adoption of which I am instructed to ask concurrence of the

House of Representatives, to wit: Senate Joint Resolution #92.

Adopted by the Senate, June 1, 1978. Kenneth Wright, Secretary.

A message from the Senate by Mr. Wright, Secretary.

Mr. Speaker, I am directed to inform the House of Representatives the Senate has adopted the following Senate Joint Resolution and the adoption of which I am instructed to ask concurrence of the House of Representatives, to wit: Senate Joint Resolution #93. Adopted by the Senate, June 1, 1978. Kenneth Wright, Secretary.

A message from the Senate by Mr. Wright, Secretary.

Mr. Speaker, I am directed to inform the House of Representatives the Senate has concurred with the House in the adoption of the following Joint Resolution together with the attached Amendment... Concurred in by the Senate as amended, June 1, 1978. Kenneth Wright, Secretary."

Speaker Madigan: "Committee Reports."

Clerk O'Brien: "Representative Matijevec, Chairman of the Committee on Appropriations I to which the following Bills were referred, action taken June 1, 1978, reported the same back with the following recommendations: do pass House Bills 2635, 2863, 3388 and 3393. Do pass as amended: House Bill 3124. Tabling Committee, House Bill 2623."

Speaker Madigan: "Senate Bills' First Reading."

Clerk O'Brien: "Senate Bill 1515. Porter. A Bill for an Act to amend Sections of the Environmental Protection Act. First Reading of the Bill." Senate Bill 1605. Dan Houlihan. A Bill for an Act to amend Sections of the Lobbyist Registration Act. First Reading of the Bill."

Speaker Madigan: "Agreed Resolutions."

Clerk O'Brien: "Senate Joint Resolution 92. House Resolution 908. House Resolution 909. And House Resolution 910."

Speaker Madigan: "Mr. Giorgi."

Giorgi: "Mr. Speaker, I wonder if the Clerk would read House Resolution 910 for a moment?"

Clerk O'Brien: "House Resolution 910. Giorgi, et al. Whereas, a 'Tiffany Gem' was discovered on May 29, 1978, when Tiffany Ann Madigan was born to Michael and Shirley Madigan at Prentice Women's Hospital; and
Whereas, House Majority Michael Madigan, true progressive that

he is, watched with a cool calmness the delivery of the prized possession and it is said he is still floating on 'Cloud 9' soon to land with the full glamorous-significance of the occasion; and Whereas, Tiffany Ann's sister, Lisa, was able to greet the newly-arrived immediately after the delivery and gleefully celebrated with starry eyes the bundle of joy; and

Whereas, Shirley Madigan, proud mother of Tiffany Ann, thought the event so important and momentous, that the birth be cause for a national holiday; and

Whereas, Michael Madigan, obedient father and respected Legislative Leader, in total agreement with Shirley, did decree that the day shall forever be a holiday and one that he and Shirley will never forget; and

Whereas, the Members of the House of Representatives of the 80th General Assembly, sincerely appreciate the careful planning of Shirley and Mike for scheduling the new 'Star' to show on a beautiful, long week-end recess so that the family could spend so much time together and totally enjoy the awaited moment; and

Whereas we also join in wishing Mike and Shirley many, many happy years of happiness with Tiffany Ann and Lisa that those years be filled with love, care, health, and togetherness; now therefore

Be It Resolved, by the House of Representatives of the 80th General Assembly that we congratulate House Majority Leader Michael Madigan and Shirley Madigan on the birth of their daughter Tiffany Ann on May 29, 1978, and we wish for Tiffany Ann a long, happy, and healthy life to enjoy with her loving parents and her beautiful sister, Lisa; and be it further

Resolved, that a suitable copy of this Preamble and Resolution be forwarded to Shirley and Michael Madigan."

Georgi: "Mr. Speaker, I should clear the record and say that the ... writer of that beautiful dissertation was my novelist, John Matijevich. The House novelist. And many of the Members have asked to be Cosponsors, so I'll leave it open for a while...that maybe all the Members want to become Cosponsors of the Resolution. It isn't very much... we see somebody jump in the tank with the rest of us."

Speaker Madigan: "Mr. Kosinski."

Kosinski: "Mr. Speaker, may I respectfully recommend, because of the auspiciousness of this occasion, that this Resolution be turned over to Representative Larry DiPrima that we might have yet another Memorial Day."

Speaker Madigan: "Mr. Giorgi."

Giorgi: "Mr. Speaker, House Resolution 908 by Darrow talks about Family Services. 909 by Younge about Carmen Paulette Fennoy Moody. And 910 which notes the birth of the Tiffany Gem. I move for the adoption of the Agreed Resolutions."

Speaker Madigan: "Are there further Resolutions, Mr. Giorgi? The Gentleman moves for the adoption of the three Agreed Resolutions. All those in favor signify by saying 'aye', all those opposed by saying 'no'. In the opinion of the Chair the 'ayes' have it, the Resolutions are adopted. For what purpose does Mr. Hanahan seek recognition? Mr. Hanahan, do you seek recognition?"

Hanahan: "Yes, I have a Resolution, it's a Death Resolution, and I was just going to ask the Chair at the time of adjournment may we adjourn in memory of Mrs. Laurino, Bill's mother?"

Speaker Madigan: "Fine. Thank you, Mr. Hanahan. Mr. Clerk. Roll Call for attendance. Roll Call for attendance. Mr. Lechowicz, are there any excused absences?"

Lechowicz: "Thank you, Mr. Speaker, would the record indicate Representative Peggy Smith Martin, excused because of illness? And Representative Laurino excused because of a death in his family?"

Speaker Madigan: "The record will so indicate. Mr. Ryan, are there any excused absences on the Republican side?"

Ryan: "Representative Summer, due to a death in the family, Mr. Speaker. I may have some more, I'll get back to you."

Speaker Madigan: "The record will so indicate. Mr. Lechowicz."

Lechowicz: "Mr. Speaker, yes, would you also have the record indicate Representative Dan Houlihan and Mike Brady being excused?"

Speaker Madigan: "The record will so indicate. The order of business will be House Bills Second Reading on page 2 of the Calendar. Mr. Abramson. Mr. Abramson in the chamber? Mrs. Catania, did you wish to call House Bill 2978 on Second Reading? You wish to call it at all

today? Well, we're going to have a short day, so we'll pass for tonight? The Committee on State Government, is there any number of the...you wish to pass today? Mr. Kempiners on House Bill 3394. The Clerk will read the Bill."

Clerk O'Brien: "House Bill 3394. A Bill for an Act making an appropriation to the Department of Business and Economic Development.

Second Reading of the Bill. No Committee Amendments."

Speaker Madigan: "Are there any Amendments from the floor?"

Clerk O'Brien: "Floor Amendment #1."

Speaker Madigan: "Who's the Sponsor?"

Clerk O'Brien: "Representative Kempiners. Amends House Bill 3394...."

Speaker Madigan: "Mr. Kempiners."

Kempiners: "Thank you, Mr. Speaker. Amendment #1 reduces the appropriation from 390,000 dollars down to 144,000 dollars and I would move for the adoption of Amendment #1."

Speaker Madigan: "Is there any discussion? There being no discussion, the question is, shall Amendment #1 be adopted? All those in favor signify by saying 'aye', all those opposed by saying 'no'. In the opinion of the Chair, the 'ayes' have it, the Amendment is adopted. Are there further Amendments?"

Clerk O'Brien: "No further Amendments."

Speaker Madigan: "Third Reading. On the Order of House Bills Third Reading. On the Order of House Bills Third Reading there appears House Bill 2538, Mr. John Dunn."

Clerk O'Brien: "House Bill 2538. A Bill for an Act making an appropriation to the Capital Development Board. Third Reading of the Bill."

Speaker Madigan: "Mr. Dunn."

Dunn: "Thank you, Mr. Speaker and Ladies and Gentlemen of the House, this is a companion authorization to House Bill 2539 which passed out of here and is now in the Senate. This is the Appropriation Bill for the relief for the county jails that are mandated to make improvements in the State of Illinois. Request a favorable Roll Call."

Speaker Madigan: "Is there any discussion? Mr. Leinenweber."

Leinenweber: "Gentleman yield for a question?"

Speaker Madigan: "Sponsor indicates that he will yield."

Leinenweber: "How much is the appropriation?"

Speaker Madigan: "Mr. Dunn, a question. How much is the appropriation?"

Dunn: "Fifty million dollars."

Leinenweber: "This in the Governor's Budget?"

Dunn: "Which Governor?"

Leinenweber: "The Governor of the State of Illinois."

Dunn: "Oh. Not to my knowledge."

Leinenweber: "Well, Mr. Speaker, very briefly. This is the...probably the last opportunity we'll have to right the grievous wrong that we perpetrated when we passed the substantive Bill. I would suggest that this is 50,000,000 dollars which some of us probably would rather see being spent to educate children rather than to subsidize local counties who for years have refused to spend their own money to develop jail facilities. I think the only responsible vote, if you are for education, is to vote 'no'."

Speaker Madigan: "Is there any further discussion? Mr. Dunn to close the debate."

Dunn: "Thank you, Mr. Speaker and Ladies and Gentlemen of the House. This is badly needed legislation. This is legislation which will help many, many counties downstate. There are currently ten counties under mandate from the Department of Corrections to make improvements in their jails. This is the vehicle for the authorization to do just that. The Bill authorizes up to the requested amount for the appropriation and does not require, of course, any money be spent unless applications submitted to the appropriate department, are approved and...and considered feasible."

Speaker Madigan: "The question is, shall House Bill 2538 pass? All those in favor signify by voting 'aye'....we have closed the debate. All those in favor signify by voting 'aye', all those opposed by voting 'no'. Mrs. Stiehl to explain her vote. Mrs. Stiehl to explain her vote."

Stiehl: "Mr. Speaker, I've a question of the Chair. If this is a bond authorization, how many votes does it take?"

Speaker Madigan: "Would the Parliamentarian...."

Stiehl: "....Still 107 votes?"

Speaker Madigan: "Come to the podium? Mr. Epstein, the question is, how many votes required to pass this Bill? And it's been alleged

that it is a bond authorization. Parliamentarian informs me that this is simply an Appropriation Bill and therefore only requires 89 votes to pass."

Stiehl: "Thank you."

Speaker Madigan: "Have all voted who wish? Have all voted who wish? Mr. Dunn to explain his vote."

Dunn: "Well, thank you, Mr. Speaker and Ladies and Gentlemen of the House. This is legislation which has been thoroughly considered by this chamber both last fall and this spring. The legislation arises out of a mandate by the...by the Administration through the Department of Corrections that certain county jails within the State of Illinois make improvements to comply with standards mandated by the Department of Corrections. This Bill would provide the appropriation for the funds to make those necessary improvements and would also provide assistance to those counties who have...who have in the past in fact made improvements to comply with these standards and contains...the substantive Bill contains the debt service provision that would provide assistance to those people as well. So most of the counties in downstate Illinois will be benefited by this legislation. Those who believe that the State of Illinois should not mandate programs unless they're going to pay for them, should be voting green for this Bill because this is an authorization for a mandated program. If this...if this legislation should happen to fail, those of you who have counties that are affected by this, or those of you who have counties where legislation...where improvements were made in the recent past will find yourselves with your local county picking up the entire cost of these improvements. And if your county is like mine, and I'm sure it is, there is nowhere to go for this money except to raise local property taxes and that means real estate taxes. I don't think anyone in this room wants real estate taxes raised."

Speaker Madigan: "Have all voted who wish? The Clerk shall take the record. For what purpose does Mr. Winchester arise?"

Winchester: "I would like to have a verification of the affirmative vote."

Speaker Madigan: "There is a request for a verification. Mr. Dunn."

Dunn: "Mr. Speaker, there's no point of proceeding with the verification

if the...the opposite side of the aisle is going to persist in a verification, I will ask leave to place this on Postponed Consideration."

Speaker Madigan: "The Gentleman requests this matter be placed on Postponed Consideration. House Bill 2538 shall be placed on the Order of Postponed Consideration. Mr. Schisler, you wish to take 2580 out of the record for today? Mr. McGrew. Mr. McGrew. Mrs. Younge, House Bill 3062."

Clerk O'Brien: "House Bill 3062. A Bill for an Act making an appropriation to the Department of Business and Economic Development for the development of a proposal for self-contained energy industrial park. Third Reading of the Bill."

Younge: "Thank you, Mr. Speaker. House Bill 3062 would provide for the preparation of an information base which will aid in the development of an energy self-sufficient industrial park for the next Metro East area. There are many benefits that will be derived and realized as a result of this project going forward. As of this time there is an absence of natural gas in southern Illinois and particularly in the Metro East area. This proposal will provide the information base necessary to determine what type of self-sufficient energy system is needed, what would be the users, which plant and what city and how much energy they will need and also the possible use of southern Illinois coal as a....energy base for this new system. We have talked with the Department of Energy and they are interested in the development of a series of small self-sufficient energy systems. The funds requested are provided in this Bill, 156,000 dollars, will not be used unless there is a commitment from the Federal Government to match the expenditures here and unless there is an approval of this project by the Federal Government. And I ask for your support in this matter."

Speaker Madigan: "Mr. Ryan."

Ryan: "Yes, Mr. Speaker."

Speaker Madigan: "Your light was on indicating that you were seeking recognition."

Ryan: "That was in error, I believe."

Speaker Madigan: "Is there any discussion? Mr. Pierce."

Pierce: "Mr. Speaker, this is a good piece of legislation. It's been

approved by the Energy Resources Commission and by Appropriations Committee because it'll generate federal funds both for research, initially, and for construction. And therefore the state funds will not be expended unless it does generate the federal funds under the terms of the Bill. It's aiding one of our depressed areas in the state. It's a way of getting federal matching funds into that area and therefore I strongly recommend...passage of House Bill 3062."

Speaker Madigan: "Is there any further discussion? Mrs. Younge to close the debate."

Younge: "I ask for your support in this matter."

Speaker Madigan: "...The question is, shall this Bill pass? All those in favor signify by voting 'aye', all those opposed by voting 'no'. Have all voted who wish? Have all voted who wish? Mr. Mann to explain his vote."

Mann: "Thank you, Mr. Speaker, I think that during her service here in the House that Mrs. Younge has tried very hard to help the district that she serves and this is another Bill which would have that effect but it would also be a kind of a demonstration project. If...if it worked in her particular district and area of the state, it might very well become a model of...for other parts of the state. We are flirting inflation, there are problems with local governments raising necessary funds because of the taxpayers' rebellion and here we have an opportunity to utilize federal funds and a federal program. And I think that Mrs. Younge is to be commended for her energy in representing her particular district. I think that anybody who appreciates the importance of that should certainly support this Bill. And if you've got some questions that are holding you back perhaps you should run over to Mrs. Younge's desk and get them answered. But this is good legislation, deserves everybody's support and I urge an 'aye' vote."

Speaker Madigan: "Mrs. Geo-Karis to explain her vote."

Geo-Karis: "Mr. Speaker, Ladies and Gentlemen of the House, I concur with the statements made by Representative Pierce in support of this Bill. I might add that this...this type of Bill will result in the projects being transferable across the state for the energy, economic and employment situation not only in Metro East area but other areas.

And this Bill has been reviewed by the Department of Energy and it has unofficially been reviewed but it said...they indicated they'd be receptive to its being submitted as a solicitation for funding. And, therefore, I would suggest that we support this Bill because we can get some of that mass federal funding available for such projects and we might as well get it for Illinois."

Speaker Madigan: "Mr. Lucco to explain his vote."

Lucco: "Yes, thank you, Mr. Speaker, Ladies and Gentlemen of the House. As Chairman of the Illinois Energy Resources Commission of which, of course, Representative Geo-Karis, Representative Pierce and Representative Ralph Dunn and others are Members of, I, too, rise in support of this Bill. It not only stands to benefit the district which Representative Younge so ably represents but also all of downstate....particularly, Illinois. This is a boon and an opportunity to...for the development of alternative sources of energy but particularly Illinois coal. The monies which Illinois might have to expend, that is the State of Illinois, would not be expended at all as Representative Younge so ably put until and unless we got federal money. So this is merely a good attempt for us to go to the Federal Government and hopefully get some federal monies for the development of this industrial park which would benefit not only southwestern Illinois but the entire State of Illinois. And I certainly urge your support of this Bill."

Speaker Madigan: "Have all voted who wish? Mrs.. Younge to explain her vote."

Younge: "Thank you, Mr. Speaker, I think the real subject matter of this Bill is the development of southern Illinois coal. The development of high sulphur coal. The Federal Government is interested in this time in preceding with, or going ahead with a series of small energy plants to be used by various communities and to be used by industry. And I think that the only way that we're going to develop as a energy self-sufficient state is to figure out how that coal can be developed. There is no way to make southern Illinois energy self-sufficient or economically stable unless we proceed in this way. This is a very important matter and I ask for your support."

Speaker Madigan: "Have all voted who wish? Mr. Ryan."

Ryan: "Well, thank you, Mr. Speaker and Ladies and Gentlemen of the House, since this Bill has been amended down to 156,000 dollars and it's going to be developed by a state agency, I...I'm going to vote 'aye' on it."

Speaker Madigan: "Have all voted who wish? All voted who wish? The Clerk shall take the record. On this question there are 107 'ayes', 26 'noes', 7 voting 'present'. This Bill having received a Constitutional Majority is hereby declared passed. Mr. Dunn. John Dunn, you wish to call House Bill 3128? Mr. Richmond, House Bill 3231."

Richmond: "Mr. Speaker...."

Clerk O'Brien: "House Bill 3231. A Bill for an Act making an appropriation for the Capital Development Fund to certain units of local government. Third Reading of the Bill."

Richmond: "Thank you, Mr. Speaker and Ladies and Gentlemen of the House. I had a request there to take this back to Second Reading for purposes of an Amendment."

Speaker Madigan: "The Gentleman requests leave to take this Bill to the Order of Second Reading for purpose of Amendment. Is there leave? Leave being granted the Bill shall be placed on the Order of Second Reading. Are there any Amendments?"

Clerk O'Brien: "Amendment #1. Richmond. Amends House Bill 3231 by deleting all of Section 2 and so forth."

Richmond: "Yes, thank you, Mr. Speaker and Ladies and Gentlemen of the House, this is a simple Amendment. It merely amends out the 500,000 dollars that was in the Bill originally for the Joliet Metropolitan Exposition and Auditorium Authority. The reason being...this was a reappropriation Bill for that particular item as well as the Jackson-Union County Regional Port District. And we are amending out by this Amendment the 500,000 dollars because that...the need is no longer there. The Authority for this particular Exposition Authority received the funds so therefore the need is no longer existent and I ask approval of this Amendment."

Speaker Madigan: "Mr. Kempiners."

Kempiners: "Will the Sponsor yield?"

Speaker Madigan: "The Sponsor indicates that he will yield."

Kempiners: "Have you...have you checked with CDB to make sure that they have released those funds in this fiscal year, Bruce?"

Richmond: "No, I haven't personally checked with them. I did check with Representative Van Dyne who was very insistent that this not be amended out until he could ascertain that it was safe. And he told me yesterday that it's absolutely okay because they had received the funds and I just took his word for it."

Kempiners: "I talked to him earlier this morning and he wasn't as sure as he was. I think what we ought to do is support this Amendment if you'll hold it on Third Reading until we can get that assurance that they have...have indeed released those funds. But I would ask that you do that and I'll try to make that call as soon as we can so you don't have to hold up too long."

Richmond: "Very good. Absolutely no problem. I'll hold it on Third.

I move for the adoption of the report...Amendment."

Speaker Madigan: "The Gentleman moves for the adoption of Amendment #1. All those in favor signify by voting 'aye', all those opposed by voting 'no'. Saying 'aye'. All those in favorsignify by saying 'aye', all those opposed signify by saying 'no'. In the opinion of the Chair the 'ayes' have it and the Amendment is adopted. Are there any further Amendments?"

Clerk O'Brien: "No further Amendments."

Speaker Madigan: "Third Reading. Mr. Stuffle, House Bill 3270."

Clerk O'Brien: "House Bill 3270. A Bill for an Act to amend Sections of an Act making appropriation to the Illinois State Scholarship Commission. Third Reading of the Bill."

Stuffle: "Yes, Mr. Speaker and Members, House Bill 3270 merely transfers some 56,800 dollars among line items of federal money in the administrative budget for fiscal '78 for the Scholarship Commission. This money will in its transfer will make it available to lapse some 200,000 dollars of the appropriations from General Revenue money for administrative services. I would ask for passage of House Bill 3270."

Speaker Madigan: "Is there any discussion? There being no discussion, the question is, shall this Bill pass? All those in favor signify by voting 'aye', all those opposed by voting 'no'. Have all voted who wish? Have all voted who wish? Have all voted who wish? The

Clerk shall take the record. On this question there are 135 'ayes', no 'noes', no voting 'present'. And this Bill, having received a Constitutional Majority, is hereby declared passed. Mr. Cunningham on House Bill 3335."

Clerk O'Brien: "House Bill 3335. A Bill for an Act to amend Sections of an Act making an appropriation to the ordinary and contingent expense of the Department of Financial Institution."

Speaker Madigan: "Mr. Cunningham."

Clerk O'Brien: "Third Reading of the Bill."

Cunningham: "Honored Speaker and Ladies and Gentlemen, this isn't an earth shaking Bill, it's of very small significance. It transfers 39,500 dollars from the Department of Financial Institutions. The reason it's necessary was that a couple of years ago you put into effect certain reforms in regard to the regulations of currency exchanges in Chicago and it was found it necessary to transfer these funds to carry out the direction of the House. You have a rule on the books that the various departments can transfer up to 2 percent. This is slightly in excess of 2 percent of the budget for the Department of Financial Institutions. There's a second rule that says that you cannot use the transfer power without authorization where it involves personal fund...contracts. So for that reason it's necessary to obtain the approval of the House to carry out the instructions. Request an 'aye' vote."

Speaker Madigan: "Is there any discussion? There being no discussion, the question is, shall this Bill pass? All those in favor signify by voting 'aye', all those opposed by voting 'no'. Have all voted who wish? Have all voted who wish? The Clerk shall take the record. On this question there are 139 'ayes', no 'noes', no voting 'present'. And this Bill, having received a Constitutional Majority, is hereby declared passed. Mr. Harris. House Bill 3384."

Clerk O'Brien: "House Bill 3384. A Bill for an Act making an appropriation to the Department of Transportation. Third Reading of the Bill."

Speaker Madigan: "Take it out of the record, Mr. Harris, for the remainder of the day? Thank you. Mr. Polk. Mr. Polk, you are the Sponsor....excuse me. We'll get to that in a minute. Mr. Abramson.

Do you wish to call House Bill 2973 on Second Reading? Take it out of the record? We shall now move to page 3 of the Calendar, Senate Bills on Second Reading. Senate Bill 82, Mr. Polk. Third Reading. Senate Bills on Third Reading, you wish to call that Bill? Mr. Dave Jones, both Bills out of the record. You have two Bills on Senate Bills Third dealing with roadway easements. Both Bills out of the record? Both Bills? There's two Bills that you're sponsoring. Both out of the record? Mr. Ryan for Governor Ogilvie. Senate Bill 1511."

Clerk O'Brien: "Senate Bill 1511. A Bill for an Act making an appropriation for the painting of a portrait of former Governor Richard B. Ogilvie. Third Reading of the Bill."

Ryan: "Well, thank you, Mr. Speaker and Ladies and Gentlemen of the House. This...this Bill, Senate Bill 1511, has a bipartisan flavor to it. It adds also 400 dollars to Speaker Redmond to be reimbursed for expenses that he incurred for the portrait that hangs up here in the gallery and 3500 dollars to the Department of Administrative Services for the painting of a portrait of former Governor Ogilvie. And I would ask for a favorable vote."

Speaker Madigan: "Is there any discussion? There being no discussion, the question is, shall this Bill pass? All those in favor signify by voting 'aye', all those opposed by voting 'no'. Have all voted who wish? Have all voted who wish? The Clerk shall take the record. On this question there are 134 'ayes', 2 'noes', 1 voting 'present'. And this Bill, having received a Constitutional Majority, is hereby declared passed. Mr. McGrew, do you wish to call House Bill 3013 on Third Reading?"

McGrew: "I think I'll take it out of the record, Mr. Speaker."

Speaker Madigan: "Out of the record. On page 3, Senate Bills Second Reading, Senate Bill 1060. Mr. Tipword, you wish to call that? Mr. Tipword. Out of the record? Mr. Dave Jones, you have the Senate Bill 1475 on Second Reading. Excuse me, Jack Davis. Jack Davis. Mr. Jack Davis. Gentleman is out of the chamber, out of the record. There are several Bills on the Order of Senate Bills First Reading that do not have Sponsors. Would the Membership please examine the Bills on the Order of Senate Bills First Reading listed

on pages 3 and 4 of the Calendar and determine if they wish to sponsor any of those Bills. If they do, please notify the Clerk in the well. Is Mr. Giorgi in the chamber? Mr. Giorgi for purposes of a motion."

Giorgi: "Mr. Speaker, in an effort to clear up the Calendar somewhat. On page 4 of today's Calendar, Constitutional Amendments Third Reading, I'd like to move that House Joint Resolution Constitutional Amendment 12 of which I am the Sponsor; House Joint Resolution CA 44, Totten; House Resolution CA, O'Brien-Ewing...46. And Constitutional Amendments Third Reading, Consideration Postponed, House Joint Resolution CA 18...Beatty's...and House Joint Resolution CA 36 of Porter's be sent to Committee. Rereferred to Committee."

Speaker Madigan: "Does your motion include 27?"

Giorgi: "No, Sir."

Speaker Madigan: "In light of the constitutional deadline for consideration of Amendments to the State Constitution which is already passed, Mr. Giorgi, moves that all Constitutional Amendments remaining on the Calendar which are Amendments to the State Constitution be recommitted to Committee. Mr. Totten."

Totten: "Thank you, Mr. Speaker, on the question, wonder if you or the Parliamentarian could clear up something for me? The Constitutional Amendment is passed now, or one of those that is still on the Calendar, the Constitution does not - in my mind - clarify as to what election it would be on the Calendar, and it could be on the 1980."

Speaker Madigan: "Mr. Totten, we have no guidance available to us at this time which would be helpful in answering your question. And the Chair is not inclined to answer your question at this time in light of this untimely presentation."

Totten: "Well, then I...then I would just request that HJRCA 44, which is in the motion, not be included."

Speaker Madigan: "The Sponsor of HJRCA 44 has requested that that Amendment be removed from this motion. The Sponsor of the motion agrees therefore the motion would now be that HJRCA 12, 46, 18 and 36 be recommitted to Committee. And on that question, all in favor signify by saying 'aye', all those opposed.... In the opinion of the Chair, the 'ayes' have it, the motion carries. Mrs. Younge, do you wish

to call House Resolution 97?"

Young: "Yes, Mr. Speaker."

Speaker Madigan: "On page 5 of the Calendar, the Order of the Speaker's Table, House Resolution 97. Mrs. Young."

Young: "Thank you, Mr. Speaker and Members of the House, House Resolution 97 would establish with...the...a special committee on equal opportunity consisting of ten Members of the House, five appointed by the Speaker, one to be designated Chairman and five appointed by the Minority Leader. The 79th and 78th General Assemblies has established this Committee and it has accumulated a considerable amount of data in reference to the equal opportunity status for the various code departments. And that data should be put in a report and the General Assembly should monitor equal opportunity consistently. And I ask for your approval of this Resolution."

Speaker Madigan: "The Lady moves for the adoption of this Resolution. Mr. Johnson."

Johnson: "To the Sponsor, what is...what does this Resolution do that we don't already have commissions or appropriate bodies designed to do? How does this add any to what we already have as far as mechanisms in state government are concerned?"

Young: "This Resolution would give the General Assembly the power and opportunity to oversee equal opportunity in Illinois. In other words, it is an appropriate legislative function that this final responsibility for equal opportunity in state government be monitored and be reviewed and overseen by the General Assembly. And the..."

Johnson: "Well, I don't have...."

Young: "Our ...our instrument for doing that would be this Subcommittee."

Johnson: "I don't have the list of commissions in front of me but as I recall the long list of commissions that were read last week in discussion of Representative Totten's Bill, at least a couple of commissions that would have jurisdiction, so to speak, over all this area isn't there?"

Young: "This would not establish a commission. This would establish a Subcommittee of the House of Representatives. The system of equal opportunity does not function and...and apparently will not function on its own. Although the General Assembly has asked for affirmative

action plans to be submitted by the various departments of government, out of the 89 various areas of government, 64 have never even submitted a plan. There needs to be legislative oversight in this subject matter and this Subcommittee would give that oversight."

Johnson: "Well, just to the Resolution, then, Mr. Speaker, Members of the House. This just appears to be adding another layer of unnecessary creation of governmental agencies when they already have a multiplicity of them from the federal level all the way to the local level including here at the state level to cover any of these conceivable situations. I think it's an unnecessary surplusage and something that ought to be opposed."

Speaker Madigan: "Is there any further discussion? Is there any further discussion? Mrs. Younge to close the debate."

Younge: "There is need for legislative oversight by the General Assembly of the equal opportunity posture in Illinois. This Subcommittee would give us that. We have a situation here in which even the Equal Opportunity officer has not even been affirmed by the....confirmed by the Senate and the various departments of government can't...do not meet their quota of hiring. So we need to oversee this situation and I ask for the approval of this Resolution."

Speaker Madigan: "The question is, shall this Resolution be adopted? Adoption of the Resolution will require 89 votes. All those in favor signify by voting 'aye', all those opposed by voting 'no'. Have all voted who wish? Have all voted who wish? Have all voted who wish? Mrs. Younge to explain her vote."

Younge: "There are two new categories added to the work of this Committee which is an ongoing Committee. And as I indicated, this Committee was established by the 78th General Assembly and the 79th General Assembly. And these two categories are in the area of aging and handicapped. In addition to the other problems of fair employment it is necessary for there to be special emphasis placed on the opportunity of older Americans to be employed in state government. And this new Resolution would mandate that the Committee look at that and...and make sure that our senior citizens who have served the citizens of Illinois are given a fair employment opportunity. Also in the area of handicapped people, handicapped people need employment in state

government and this Committee would take a special emphasis and interest in the problems of the handicapped. It is important that we be fair in our employment practices here in Illinois and I...."

Speaker Madigan: "Have all voted who wish? Have all voted who wish? Have all voted who wish? The Clerk will take the record. On this question there are 81 'ayes', 37 'noes', 5 voting 'present'. Mrs. Younge requests that this matter be placed on the Order of Postponed Consideration. And this matter shall be placed on the Order of Postponed Consideration. Mr. Skinner, do you wish to call House Resolution 150? What's Mr. Kucharski's? Mr. Taylor Mr. Taylor. Mr. Steczo. Mr. Giglio. Mr. Giglio. Giglio. House Resolution 478, you wish to call this? Mr. Yourell, you wish to call your Resolution? Mr. Stearney. Mr. Porter. Mr. Deavers. Mr. Giorgi for Agreed Resolutions. Mr. Giorgi."

Clerk O'Brien: "House Resolution 912, Lucco. 913, McGrew. 914, Leverenz. 915, Leverenz. 916, Pechous. 917, Yourell. Senate Joint Resolution 84, Huskey. Senate Joint Resolution 92, J. J. Wolf."

Giorgi: "Mr. Speaker, House Resolution 912 by Lucco talks about a Granite City official, twenty-nine years of service. McGrew's 913 talks about the Public Community College Act. 914 by Leverenz about a happy birthday. 915 by Leverenz, about a marriage. 916 by Pechous, Western Electric's 75th anniversary. 917 by Yourell about an eagle scout. 84 Ozinga and....asks for a State-wide Day of Sacrifice and Fasting. And House Resolution 92 by Wolf commends Steve Schickel on the German American Legislative Dinner. I move for the adoption of the Agreed Resolutions. And we have another one. Mr. Jones, what number is it?"

Clerk O'Brien: "House Resolution 918."

Giorgi: "House Resolution 918 marks two great anniversaries. And I move for the adoption of the Agreed Resolutions."

Speaker Madigan: "The Gentleman moves for the adoption of the Agreed Resolutions. All those in favor signify by saying 'aye', all those opposed by saying 'no'. In the opinion of the Chair, the 'ayes' have it and the Agreed Resolutions are adopted. We will now move to the order of announcements and motions. Mr. Matijevich."

Matijevich: "Yes, Mr. Speaker, Ladies and Gentlemen of the House, I cleared this with the other side of the aisle because the Appropriations

Committee must meet next Wednesday. We have to suspend the posting notice so I'd like to move and have unanimous consent and use the Attendance Roll Call for the purposes that enumerated Bills be posted for Appropriations Committee. Does the Clerk want me to name them or could I just say that they're the enumerated list that I've worked out with the Republican side of the aisle and I can hand them over to you, is that all right? All right, Mr. Speaker, then I would so ask for unanimous consent to waive the posting notice for the Bills to be heard next Wednesday in Appropriations I Committee and the two Subcommittees in Appropriations I."

Speaker Madigan: "Mr. Matijevich, if I might interrupt you for one minute and recognize Mr. Lechowicz for a motion on the posting requirements."

Lechowicz: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House, I move that we...the House suspend the appropriate rule. The Bills that were heard in the Rules Committee today so they could be posted until 5 o'clock this afternoon."

Speaker Madigan: "Could we amend that to include all Bills that came out of Rules this week, including that today?"

Lechowicz: "That is correct, Sir."

Speaker Madigan: "And Appropriations Bills."

Lechowicz: "And Appropriation Bills as well."

Speaker Madigan: "So that the Gentlemen...Mr. Simms."

Simms: "Is that applicable to the Bills that were not reported out of Rules so they can be reheard in Rules Committee?"

Speaker Madigan: "The motion does not treat that question."

Simms: "Okay. Thank you."

Speaker Madigan: "Yeah. The Gentleman's motion is that the posting requirements be suspended for all Appropriation Bills and...and for all Senate Bills that were reported favorably by the Rules Committee this week until 5 o'clock this afternoon. And on that motion, all those in favor signify by saying 'aye'...."

Lechowicz: "Roll Call I think you want. Leave for the Attendance Roll Call, Mr Speaker."

Speaker Madigan: "Is there leave for the Attendance Roll Call?"

Lechowicz: "Leave."

Speaker Madigan: "Leave being granted, the posting requirements are suspended. Now back to Mr. Matijevich. Mr. Matijevich."

Matijevich: "Yes, I'd like to now move as...to use the Attendance Roll Call for the unanimous consent so that an enumerated list of Bills which I've cleared with the Republican side of the aisle can be heard in the Appropriations I Full Committee in the afternoon, Wednesday at 3 o'clock and in two Subcommittees of Appropriations I at 8:30 in the morning on that same Wednesday."

Speaker Madigan: "The Parliamentarian informs me that you can simply post those now, that that rule has been suspended until 5 o'clock tonight."

Matijevich: "All right, I wasn't listening to all of that, I had a group talking to me, so I...I appreciate that, Ted. Thank you."

Speaker Madigan: "And the Chair recognizes Mr. Lucco for purposes of an announcement."

Lucco: "Yes, thank you, Mr. Speaker, Ladies and Gentlemen of the House. We're honored to have with us today in the balcony, 90 students from the Pickard School of Chicago. With them are their teachers, Lila Juarez, Jim 'Granado', Tony 'Konvalinka', Juanita 'Quinonas', Tom Bell. They're represented by Representatives Domico, Huff and Stearney. Glad to have you here."

Speaker Madigan: "Mr. Barnes. Mr. Barnes."

Barnes, E. M: "Thank you, Mr. Speaker. No, my request would have been the same as Representative Matijevich, so it's cleared up."

Speaker Madigan: "Are there any other announcements? Mr. Darrow, would you pick up my phone, please? Senate Bills on First Reading."

Clerk O'Brien: "Senate Bill 430. Bowman. A Bill for an Act to amend Sections of the School Code. First Reading of the Bill.
Senate Bill 1618. Christensen. A Bill for an Act making an appropriation to the Kankakee River Commission. First Reading of the Bill.
Senate Bill 1691. Stuffle. A Bill for an Act relating to merit employment in the Office of the Comptroller. First Reading of the Bill.
Senate Bill 1816. Christensen. A Bill for an Act to amend Senior Citizens and Disabled Persons' Property Tax Relief Act. First Reading of the Bill."

Speaker Madigan: "Introduction and First REading."

Clerk O'Brien: "House Bill 3402, Bradley. A Bill for an Act making the day designated by federal law Memorial Day in the State of Illinois. First Reading of the Bill."

Speaker Madigan: "We will now return to the Order of Senate Bills on Second Reading. Senate Bill 1475."

Clerk O'Brien: "Senate Bill 1475. A Bill for an Act to amend Sections of the Revenue Act. Second Reading of the Bill. Amendments #1 and 2 were adopted previously. Floor Amendment #3. Skinner. Amends House Bill 1475 and so forth."

Speaker Madigan: "Mr. Skinner. Mr. Skinner on the Amendment."

Skinner: "Mr. Speaker, Amendment #3 has been withdrawn previously. Could we move to Amendment 4?"

Speaker Madigan: "Amendment #3 is withdrawn. Amendment #4."

Clerk O'Brien: "Floor Amendment #4. Skinner. Amends House Bill 1475 as amended by inserting '1, 8 and 146' in numerical sequence and so forth."

Skinner: "Amendment #4 does two things. Number one, it changes the basis for equalizing assessments on homeowners and others within counties to a one year assessment level so that tax inequities will not be perpetuated. Secondly, it tells County Boards of Review that if they do not equalize assessments on homeowners only so that the highest assessed township is not more than 105 percent of the average and the lowest assessed township that the State Department of Local Government Affairs will equalize for them. I ask acceptance of this Amendment. If there are any questions, Mr. Speaker, I'd be happy to answer them."

Speaker Madigan: "The Gentleman moves for the adoption of the Amendment. Mr. Winchester. Is there any discussion? There being no discussion, the question is, shall the Amendment be adopted? All those in favor signify by saying 'aye', all those opposed by saying 'no'. In the opinion of the Chair, the 'ayes' have it. Further Amendments?"

Clerk O'Brien: "Floor Amendment #5. Skinner. Amends House Bill 1475 by deleting the title and inserting in lieu thereof the following and so forth."

Speaker Madigan: "Mr. Skinner."

Skinner: "Mr. Speaker, this is a minor change in the Circuit Clerk's Fee Schedule which will be a major change to taxpayers who want to pay taxes under protest. What it does is delete the requirement that the taxpayer who pays under protest must pay a fee of ten dollars per tax bill downstate...in downstate Illinois. There is no comparable fee in Cook County and it seems to me that we should equalize, in other words, what's good for Cook County is good for downstate. I ask the adoption of this Amendment."

Speaker Madigan: "Gentleman moves for the adoption of the Amendment. Mr. Darrow."

Darrow: "Thank you, Mr. Speaker, we would question the germaneness of this Amendment."

Speaker Madigan: "The ruling of the Chair is that the Amendment is germane. Mr. Skinner."

Skinner: "Mr. Speaker, I thank you for giving the same that you gave the last time the objection was raised on House Bill, I think it was 3830. If there are any questions I'd be happy to answer them. What this does is take a fee of...from those who want...those who want to pay tax bills under protest downstate have to pay a...a fee of ten dollars per tax bill. This was initiated about a year and a-half ago when the Circuit Clerks came in and asked for a salary increase and this was part of the justification. It is not required in Cook County and it seems to me we should treat taxpayers, state-wide, on an equal basis. If we are not going to charge taxpayers in Cook County a ten dollar per tax bill fee, we should not in any other county in Illinois. I ask for simple equity."

Speaker Madigan: "Mr. Brummer."

Brummer: "Yes, was that Amendment not adopted on a prior Bill that went out of here?"

Skinner: "Yes, it was adopted on a prior Bill but the Bill was tabled by the Sponsor....unfortunately."

Brummer: "Will...will this Bill be tabled also if this Amendment is adopted?"

Skinner: "I am fairly sure it will not. The Sponsor....well, I know it will not."

Speaker Madigan: "Is there any further discussion?"

Brummer: "Well, could I speak to the Amendment briefly? It does appear to be a major inequity that exists. Many times the taxes which the taxpayers are protesting amount to less than the filing fee and only those people that can economically...for whom it is economically feasible to file protests are those that have major taxes that they are paying under protest. I would submit that a small taxpayer ought not to be penalized by a ten dollar filing fee with regard to a protest being filed. The taxes that he is contesting may be less than ten dollars in effect and he ought to be able to contest the validity of a tax assessment or tax levy without being assessed a penalty of ten dollars. I would urge support of the Amendment."

Speaker Madigan: "Is there any further discussion? All those in favor of the adoption of the Amendment signify by saying 'aye', all those opposed say 'no'. In the opinion of the Chair, the 'ayes' have it."

Skinner: "Thank you, Mr. Speaker."

Speaker Madigan: "The Amendment is adopted. Are there further Amendments?"

Clerk O'Brien: "No further Amendments."

Speaker Madigan: "Third Reading. Are there any further announcements?
Mr. Collins."

Collins: "Mr. Speaker, I have an announcement that I think will be of interest to a number of the Members. The...the mother of Congressman Henry Hyde passed away suddenly last night. She's going to be buried tomorrow and she is being waked tonight at the Maloney Funeral Home at 1359 West Devon Avenue in Chicago."

Speaker Madigan: "Thank you. Are there any further announcements?
Are there any motions by Committee Chairmen? Mr. Lechowicz for the Adjournment Resolution. For what purpose does Mr. Tipsword arise?"

Tipsword: "Mr. Speaker, as Chairman of the Insurance Committee, for those Members of the Committee who are still here, there was a Bill assigned by virtue of the rule that was changed this morning by Representative Lechowicz, the Insurance Committee will meet at 4 o'clock next Tuesday for one Bill."

Speaker Madigan: "And Mr. Lechowicz on the Adjournment Resolution."

Clerk O'Brien: "Senate Joint Resolution 93. Resolved by the Senate of the Eightieth General Assembly of the State of Illinois, the

House of Representatives concurring herein, that when the Senate adjourns on Thursday, June 1, 1978, it stand adjourned until Tuesday, June 6, 1978, at 1:00 o'clock p.m.; and when the House of Representatives adjourns on Friday, June 2, 1978, it stand adjourned until Tuesday, June 6, 1978, at 1:00 o'clock p.m."

Speaker Madigan: "Mr. Lechowicz."

Lechowicz: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House, I move the adoption of Senate Joint Resolution 93. When we stand adjourned this afternoon, we'll come back Tuesday, June 6 at 1 p.m. But I believe, Mr. Speaker, before the Resolution is adopted at the request of Tom Hanahan, we're supposed to read the Death Resolution in behalf of Representative Laurino's mother."

Speaker Madigan: "The Parliamentarian suggests that we adopt this Resolution and then move to the...."

Lechowicz: "Move for the adoption."

Speaker Madigan: "Mr. Lechowicz moves for the adoption of the Adjournment Resolution. All those in favor signify by saying 'aye', all those opposed by saying 'no'. The 'ayes' have it, the Resolution is adopted. Mr. Hanahan on a Death Resolution. Would the Members please give their attention to Mr. Hanahan. This is a Death Resolution for the mother of one of our Members. It is our intent to adjourn pursuant to this Resolution. And the Clerk shall read the Resolution."

Clerk O'Brien: "House Bill Resolution 911, Hanahan and all Members of the House.

Whereas, The House has learned with deep regret of the death, on May 27, 1978; of Marie R. Laurino, beloved mother of our colleague, Representative William J. Laurino; and

Whereas, Throughout her life Mrs. Laurino exemplified the highest characteristics of American womanhood, which have contributed so significantly to the life of our nation; and

Whereas, She is survived by her husband, Anthony C. Laurino, and three children, William J., Marie and Margaret; and

Whereas, Her passing is a severe loss, not only to the members of her immediate family, but to her countless friends throughout the state and nation; therefore be it

Resolved, by the House of Representatives of the Eightieth General Assembly of the State of Illinois, that we express our profound sorrow upon the death of Marie R. Laurino; that to her bereaved family we extend our heartfelt sympathy; and that a suitable copy of this Resolution be presented to her son and our colleague, the Honorable William J. Laurino."

Hanahan: "Mr. Speaker and Members of the House, it's always difficult to talk about the death of a mother of a colleague of ours, I can just say that knowing Marie Laurino, that she not only gave Illinois a great son. Served on the Constitutional Convention, served... here in the House, but her husband who's a ward committeeman, alderman in the City of Chicago. She gave of herself all of herself to people of Illinois, both to her husband and her son. And for those of us who had the pleasure to know Marie, to understand her deep commitment to making a....Illinois and Chicago a better place, I can just say that it was my distinct privilege to have known a great woman, Marie Laurino. And to Bill who is not here today, I know that from each and everyone of us, we feel this loss. Bill was very close to his mother as most of the Members here know. And I can just say in the expression from all of us to the Laurino family that our hearts are pouring out to them in their loss of a great mother due to cancer. And that in her honor, any contributions to the American Cancer Society will be greatly appreciated. And, Mr. Speaker, Members of the House, I move the adoption of this Resolution and move that we adjourn in respect and memory of Marie Laurino."

Speaker Madigan: "The Gentleman moves for the adoption of the Resolution and that we adjourn until next Tuesday at 1 p.m. All those in favor signify by saying 'aye', all those opposed by saying 'no'. The 'ayes' have it. The motion carries. We are adjourned."
