85th GENERAL ASSEMBLY  
HOUSE OF REPRESENTATIVES  
TRANSCRIPTION DEBATE

89th Legislative Day

April 12, 1988

Speaker Breslin: "The hour of 12:00 having arrived. The Assembly will come to order. Members should be in their seat. The chaplain for today will be the Reverend Kenneth Klien. Reverend Klien is from the Maple City Baptist Church in Monmouth. Reverend Klien is a guest of Representative Hultgren. The guests in the gallery should rise for the invocation."

Reverend Klien: "Thank You for this invitation. Shall we pray. Eternal Father as we come to You this afternoon, we truly thank You for Your love and Your mercy through Your son Jesus Christ. We are reminded Father in Your blessed word that whenever two or three are gathered together in Your name, You're in the midst. Father in these troubled days, times of different ideas and differences, we know that Father we need Your guidance and Your direction. We need Your help from above, we can gain that Father within our own power and our own strength. So we ask God, Your mercy upon these Your servants, as You call them in Your word ministers of God, to execute judgement upon those and the do evil and to watch over those that do good. Help them to protect the family, strengthen them as they make the right decisions for their districts. And give them peace in their heart Father when they do right and Lord, when they make wrong decisions trouble their minds and help them to see Your way and Your will for their lives. Thank You for all that You have done for us. Most of all for the great sacrifice You've given to us through Your son Jesus Christ who went to Calvary to die for us. And as these Your servants sacrifice their lives and service to their country, we pray Your blessings upon them and their lives, for we ask it all in Jesus name and for his sake. Amen."

And the Transportation Committee's going to meet promptly at upon adjournment in Room 114. So I want all those Members of the Transportation Committee who are with me for a gas tax increase to join me in Room 114."

Speaker Breslin: "Representative Ronan. Excuse me, just a moment please. We have to find where 2991 is. The Gentleman asked leave to table House Bill 2991. Does he have leave? Hearing no objections, the Gentleman has leave."

The Gentleman does ask leave to table House Bill 3745, as it is a duplicate of another Bill. Does the Gentleman have leave? The Gentleman has leave and House Bill 3745 is tabled. Speaker Breslin: "Representative Cullerton, for what reason do you rise?"

Cullerton: "Thank you, Madam Speaker. While we're waiting for the Rules Committee, I wondered if Representative Flinn was here in the chambers, because I haven't had... I've been so busy this morning I haven't had a chance to look at the paper and I was wondering how the Cubs did last night. I know they played the St. Louis Cardinals and I haven't got the results. I thought that maybe if Representative Monroe Flinn had had a chance to look at the paper he might have the results."

Speaker Breslin: "Representative Monroe Flinn, can you advise us as to the result of that Cub - St. Louis game?"

Flinn: "Well, Madam Speaker, I don't know who is fooling around with that baseball schedule. But the Cardinals want to play the Cubs during the June swoon, not now. I tell you what they better get all they can out of us because when the June swoon comes, it'll be the Cardinals and the Cubs will be coming down to visit us. They won't need to worry about playing the play-offs there because they got lights now. But they're not going to play the play-offs there anyway. We're playing it down in St. Louis."

Speaker Breslin: "Agreed Resolutions."

'ayes' have it. The Agreed Resolutions are adopted. Is there any further business to come before this House? Any further business? If not, Representative Matijevich moves that we should allow perfunctory time for the Rules Committee Report to be read into the record. And allowing that perfunctory time that we will adjourn until 12:00 noon tomorrow. We have a Death Resolution of a former Member and upon its adoption we will adjourn. Representative Cullerton, for what reason do you rise?"

Cullerton: "Madam Speaker, for the purposes of an announcement. The Horse Racing Committee is scheduled to meet at 5:30 today, and since we only have one Bill, I thought that we would meet immediately after adjournment. So Members of the Horse Racing Committee would meet in Room 122-B, 122-B immediately after adjournment."

resolved by the House of Representatives the 85th General Assembly in the State of Illinois, that we express our deep sorrow of the death of our former colleague John F. Leon. That we offer our heartfelt sympathy to his son John F. Leon, Jr. of Edwardsville, Illinois, and other family members. And that we join with his many friends in mourning his loss. And be it further resolved that a suitable copy of this Preamble and Resolution be presented to the family of John F. Leon with our sincere condolences. And as a further token of our esteem the House does now stand adjourned."

Speaker Breslin: "Representative Bugielski moves the adoption of the Death Resolution. And on that Resolution the Gentleman from Cook, Representative Ronan."

Ronan: "Thank you, Madam Speaker. I just want to rise to say a few words. John was a great Member down here, a real Gentleman. The thing that I will always remember, back in 1982 when we did the redistricting, John and I ended up in the same district. And we ran against each other and he was absolutely the classiest person who ever entered that district. The people made a mistake and sent me back down here. But during that campaign he was a total Gentleman, one of the nicest people you'd ever want to meet and just a real credit to his community, to his family. And it's a real sad situation that we've lost such a decent human being. Thank you very much."

Speaker Breslin: "The Gentleman from St. Clair, Representative Flinn."

Flinn: "Thank you, Madam Speaker. I rise to also talk about John Leon. He was a small man physically, but a giant as a Legislator. He was my predecessor as Financial Institution Chairman, and Minority Spokesman. And a lot of my beginning on that Committee came from John Leon. I'll be

Speaker Breslin: "The question is, 'Shall the House adopt this Adjournment Resolution and this Death Resolution?' All those in favor say 'aye', all those opposed say 'no'. In the opinion of the Chair, the 'ayes' have it, the Resolution is adopted. And this House stands adjourned until 12:00 noon tomorrow."
