Speaker McPike: "House will come to order. The House will come to order. The Chaplain for today will be the Reverend Frances from the Peace United Church of Christ in Jerseyville. Reverend Frances...Reverend Frances is a guest of Representative Ryder. Guests in the balcony may wish to rise and join us for the invocation."

Reverend Frances: "Let us pray. Heavenly Father as we gather, we are indeed grateful for the dark clouds overhead. We do pray that You would bless us with it all. Father I thank You for the Members of this Assembly and I ask for You to help them to think together and work together in this chamber, in the committee rooms and in their offices. Help them to stand up under the strains, intentions, of problems, and decisions of meetings and conferences and of the endless demands that are made upon them. Teach them how to relax with their families and friends so they may be refreshed and ready to tackle the chores of this position. It's in Jesus name that we pray. Amen."

Speaker McPike: "We'll be led in the Pledge of Allegiance by the Lady from St. Clair, Representative Wyvetter Younge."

Younge - et al: "I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all."

Speaker McPike: "Roll Call for Attendance. Take the record. Mr. Piel."

Piel: "All Members are present, Mr. Speaker."

Matijevich: "We're here too."

Speaker Hannig: "Thank you. I have a Lady here today who is from my district also in Madison County which I think Mr. McPike can relate to, Ms. Jamie Converse who is our Junior Illinois Queen and she would like to say a few words to us today."

Jamie Converse: "Thank you. It is indeed an honor to be here today as your guest. I would like to thank Representative Gary Hannig and his staff for helping me make this day possible. I would also like to thank Representative Sam Wolf for his support and assistance. This is the day, I can say without a doubt, I will long remember. When I won the title of Ms. Jr. Illinois in February of this year, I had no idea I would be here today. If I had, I might have been more nervous than I was. There were many intelligent and beautiful girls in Chicago in competition for the title, and I was honored to have won. In behalf of all those girls and myself, we thank you for your support. I would like to thank my family for all of their support for without it I would certainly not be here today. It is my desire to represent my State and my town to the best of my ability this year. I can promise that I will be doing my best to bring the national title back here to Illinois. And for filling my duties as your State Queen this year, I have worked and will continue to work with children's charities. I have an experience with a disease myself. Last August I was diagnosed as an insulin dependent diabetic. At that point, I was active in modeling and beauty competitions. At first I thought that it was the end of this part of my life and I have wondered how I would take care of my disease and even go to school, much less compete in pageants. But after being educated as to the care of insulin dependent diabetes, I decided to continue with my pageant activities. With the help of my parents

and their continued encouragement, I entered a pageant one day after my release from the hospital. To me, it was not important where I finished, but that I was there in competition once again. I managed to place first alternate from 108 girls. After my parents had told me that they had never been more proud of my efforts than at that point. But I was especially proud of them. It was hard on competition schedule and working it out for my diabetic needs, my mother choosing all the normal procedures connected with the competition and working it out on my diet requirements also. During this point I have learned many things about myself and my family. I do believe we will find a cure for this disease in the future. Diabetes...diabetes strikes one out of forty children and is the third largest cause of death in the U.S. today. It is also the leading cause of adult blindness and with everyone's help we will find a cure and conquer this disease. I, myself, hope to study medicine and specialize in pediatrics. I have always loved working with children and I believe they would be a very rewarding career. In closing I would just like to say thank you once again for this opportunity. Let's go on to the nationals and bring the title of Ms. Jr. America back to the great State of Illinois."

Speaker Hannig: "We certainly wish you the best of luck."

Speaker McPike: "Representative Matijevich in the Chair for two more introductions...or one...Bob, did you want to make two...for two introductions."

Speaker Matijevich: "Mr...Ladies and Gentleman of the House, Representative Churchill and I represent Waukegan and it's our pleasure today to introduce two sisters who have recently been honored. Ann Marie Vanneski is age five. She holds the title of Ms. Junior Illinois Petite 1988 and

will represent Illinois in the nationally televised 1988 Ms. Junior America Pageant, hosted by John Davidson at Disneyworld in Orlando, Florida. And her sister, Mary Frances Vanneski, who represented Illinois in 1987-88 Ms. Junior America Pageant, she is little Ms. Junior American...America Talent Queen. They are the daughters of Mr. and Mrs. Ted Vanneski who are in the middle aisle. And we're honored to have the sisters here and I think, both Bob and I think, it would think it would be an honor to hear them say a couple words. How...how about that."

Ann Marie Vanneski: "I like being here because this is the most wonderfulest time I ever had to meet all the people in America. And I know the whole world likes me and I like them."

Mary Frances Vanneski: "Thank you. I'm proud to be in Illinois."

Speaker Matijevich: "Well, congratulations to both of you and it's nice to have you here in Springfield. God bless both of you and your wonderful parents."

Speaker McPike: "Representative Stephens for a final announce...for a final introduction."

Speaker Stephens: "On behalf of Representative Granberg and myself, Ms. Kelly Cobrith, who is Ms. Junior Teen Illinois. Kelly."

Kelly Cobrith: "Ladies and Gentlemen, I would like to thank you for this honor and your kindness and consideration. And it will be my honor to represent this great State of Illinois. Thank you."

Clerk O'Brien: "Senate Joint Resolution 83 creates a task force to study problems of ex-offenders. Executive and Veterans' Affairs Committee recommends 'be adopted.'"

Speaker McPike: "Representative Matijevich."

Matijevich: "Yes, Mr. Speaker, Ladies and Gentlemen of the House. Senate Joint Resolution 83 is a Resolution sponsored by the Safer Foundation. It is a Resolution that would propose a blue ribbon task force appointed by the Director of Corrections to study problems facing persons released from correctional facilities. The Resolution was adopted unanimously by the Executive Committee. It was amended to extend the reporting date to December in 1989. We feel that there is much to be gained to study problems faced by those who are released from our prisons. We all know that we have a heavy prison population. We are concerned about the fact that many believe that the prisons have not rehabilitated and that there are problems that ex-offenders can relate in this type of task force. And we feel that it can do nothing but good for all the people of Illinois, and I would move...I would ask for your favorable support on adoption."

Speaker McPike: "Gentleman from DuPage, Representative

McCracken."

McCracken: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House. I understand that the Sponsor's desire to do this and I know it's well intention, Representative Young and another Sponsor has an interest in criminal justice generally. But this is just another make-work Bill. Nobody has to tell us what the problem is when ex-offenders come out of prison. They've been in prison. They haven't been working. They can't be let out to work. Not if they're going to be murderers or class X felons. We don't need to study what we already know. In the field of criminal justice and penology, this has been the history of the entire discipline. All they do is look at how to deal with prisons and ex-offenders when they hit the streets. This is just another unnecessary task force. The purpose is laudable but completely and absolutely superfluous. It's more money. It's more appointed positions for a task force. It's completely unnecessary. It's the wrong year to do it. They're not going to tell us anything we don't already know."

Speaker McPike: "Representative Matijeovich to close."

Matijeovich: "Mr. Speaker, Ladies and Gentlemen of the House, this Resolution, as I said, is supported by the Safer Foundation, the John Howard Association. I am not one to believe...who believes that we know everything that we should. There's much to be gained by such a knowledge...knowledgeable study, and I would ask for your favorable support. There's no opposition to this that I know of...except McCracken."

Speaker McPike: "The question is, 'Shall Senate Joint Resolution 83 be adopted'. All in favor vote 'aye', opposed vote 'no'. Have all voted? Have all voted who wish? Take the record. Representative Parke."

Parke: "Thank you, Mr. Speaker. If this gets the required number of 'yes' votes, we'd like to take a verification of the Roll Call."

Speaker McPike: "Representative Matijevich."

Matijevich: "I want to explain my vote. The only...the only opposition I heard to this is it may cost a few dollars. I guess that the Director of Public Corrections is opposed to this Resolution. I want to tell the Director, and I hope he hears this, if he can spend all that money...all of that money to buy an airplane for his own use that the...Appropriations Committee and this Legislature told him he shouldn't, I think we can spend a few bucks to learn the problems that we can make better citizens. And I would urge enough Members to get on board on this. It hurts nobody, nobody. And I think the Director, if he is opposed to this, that's the only thing I can read into it, if this thing is being verified, that it's got to come from the agency, if he is opposing this, he is making a mistake and he isn't handling the Directorship as he should."

Speaker McPike: "Mr. Clerk, have you taken the record? On this Resolution there are 65 'ayes' and 51 'nos'. Representative Parke, this Resolution requires a simple majority to pass, does not require 60 votes. Do you persist in your verification? Mr. Parke, if you persist in your verification, Representative Saltsman would like to be verified. Thank you. And Representative...and Representative Keane...Representative Keane has the same request. Representative Shaw, is that your request? And Representative Shaw. Representative Parke, are those three alright? Thank you."

Parke: "Yes they are."

Speaker McPike: "Representative Kulas. Mr. Parke, Representative Kulas right behind you would like to be verified. And

Representative Wolf. Thank you. Representative Parke, the vote is 65 to 51. It requires a simple majority, do you persist in your verification?"

Parke: "No, we will step aside."
