TRANSCRIPTION DEBATE

224th Legislative Day

Speaker Hannig: "The hour of 11:00 having arrived, the House will be in order. The Members will please be in their seats. Members and guests are asked to refrain from starting their laptops, please turn off all cell phones, and pagers, and to rise for the invocation and for the Pledge of Allegiance. We shall be led in prayer today by Reverend David Coyle, who is the pastor of Averyville Baptist Church in East Peoria. Reverend Coyle is the guest of Representative Smith."

Reverend Coyle: "Let us bow our heads for prayer. Our Father God, we start today with thanksgiving. We have a rich heritage in this country and Lord we believe that without Your help our nation wouldn't be the great nation that it is. We thank You, Lord, for Your blessings. We thank You for these distinguished men and women who've let their lives, Oh Lord, be set apart for public service. Lord, when I think about how Your life was when You lived upon this earth, You gave Yourself to public service and these folks are following in Your footsteps and Lord, I realize there's always a lot of sacrifice when we serve the public and we appreciate what they do here. Father, our hearts and minds are heavy today because of the tragedy in northern Illinois and Lord, we think of those families who are grieving this morning the loss of those young people whose lives were just really getting a good start and we pray for Your comfort and Your consolation to those families at this time. And then Father, we ask for Your wisdom and Your discernment for this group of folks who serve the thirteen million (13,000,000) people in this

state. God, we think of the words of Solomon that, God, if we commit our works to You, You will establish our thoughts and so, Lord, we pray that You would give them wisdom and discernment in the decisions that they make. And Lord, we pray that You will bless them for their time here. God, we thank You and we praise You, in Jesus' name. Amen."

Speaker Hannig: "And we'll be led in prayer today by Representative Riley. I'm sorry, in the Pledge by Representative Riley."

Riley et - al: "I pledge allegiance to the flag of the United States of America and to the republic for which it stands, one nation under God, indivisible, with liberty and justice for all."

Speaker Hannig: "Okay. Amen. Representative Riley looks like he was ready to lead us in the prayer, as well. Repre.. Okay. So, Mr. Clerk, let's have the Roll Call for Attendance. And Representative Currie for the excused absences."

Currie: "Thank you, Speaker. Please let the record reflect that Representatives Rich Bradley, Dunkin, Fritchey, Joyce, Molaro, Osterman, Patterson, Scully, Soto, and Turner are excused today. And if I might also mention, for the Members, that Representative Molaro's mother died and that is why he is not with us. Information about the wake and the services will be available in your offices."

Speaker Hannig: "And Representative Eddy."

Eddy: "Thank you very much. Please let the record reflect Representatives Stephens, Bost, Durkin, Hassert, Mathias, Munson, Poe, Pritchard, and Watson are excused."

Speaker Hannig: "So, Mr. Clerk, take.. the Clerk take the record. There are 97 Members answering the Roll Call, a quorum is present. So, I'd ask for the Members' attention. We're going to recognize Representative Fortner for a moment of silence for the tragedies that occurred yesterday. Representative Fortner, would you like to say a few things and then we'll have a moment of silence."

Fortner: "Thank you, for Mr. Speaker. A year ago we saw the tragic events at the University at Virginia Tech and we were shocked by that tragedy. But it hit so much closer to home when we see it here in one of our own state universities, for which we are so proud. As many of you know, and perhaps all of you know, I've been an employee at NIU for the last twenty (20) years and so this hits me particularly hard. I've walked many, many times past Cole Hall, though I've not actually taught in that particular classroom, I'm very familiar with the arrangement there. I can imagine the fear and the horror if I were giving that lecture and someone broke in with that kind of death and destruction in mind. So at this time, I think we need to do all we can to make sure that the victims' families, the students, the faculty and staff, the whole NIU community is in our thoughts and prayers. And that we do what we can to bring that fine state institution back on its feet, get classes moving in a way, get students able to learn again, which is the mission of our university there. And particularly, I want to extend my sympathies to the families of those students who were killed: Daniel Parmenter, Catalina Garcia, Ryanne Mace, Julianna Gehant,

and Gayle Dubowski and of course, to all the other victims who are still suffering injuries, both physical and mental, from yesterday's tragic occurrence. At this time, I'd like you... ask you, to join me in a moment of silence. Thank you, Mr. Speaker."

Riley: "Point of personal privilege, Mr. Speaker."

Speaker Hannig: "Point of personal privilege. Proceed."

Riley: "I was sort of taken aback earlier when you wanted me to give the prayer, but I could have done that. But I am going to talk about someone who is in ...who regularly did that. The first thing I want to mention, I want to recognize the... the Park Forest Public Library that bestowed upon me a... an award called the Neighborhood Hero award. I'm not a hero. I just did the things that come naturally for me to do in serving my constituents. But the Kente cloth stole that I'm wearing today is emblematic of that award, so I want to be that everyone knows that the Park Forest Library did present this to me and they're a great institution. A point about the Black History today. I want to talk about the Reverend Dr. Martin Luther King. Now, there's a train of political thought about not being

able to run away from one's destiny and I think that courage, sacrifice, and commitment really becomes a person's guiding light as that destiny became manifest and all of us know a lot about Dr. King, one of America's greatest citizens, world class theologian, and one of world history's most influential figures, influencing people in social action of movements worldwide. Now, everybody in this chamber knows that Dr. King led the Montgomery Bus Boycott, he was the head of SCLC, he had the famous March on Washington with the 'I Have a Dream' speech. He had the great 'Letter from Birmingham Jail'. Of course, it was Bloody Sunday and the Edmund Pettus Bridge incident, his moral opposition to the Vietnam War, the Poor Peoples' Campaign. He was the youngest recipient of the Nobel Prize. He led the Memphis Sanitation Worker Strike, and of course, he was assassinated in 1968. But what some are apt to forget is Dr. King's Illinois's connection. In spring of 1966, Dr. King came to Chicago to enact his northern strategy where he focused on fair housing and the SC... SCLC (sic- Southern Christian Leadership Conference) wanted him to meet with a coalition of Chicago civil rights groups which was called the CCCO (sic- Council of Community Organizations), which was headed by Al Raby and I met Dr. King that year. He had an apartment on 16th and Drake, and what a lot of people don't know is, there was an occasion it was called Freedom Sunday, in June of 1966, where he spoke at Soldier Field in front of about fifty thousand (50,000) people. Now the 'I Have a Dream' speech was only about 7 minutes. Okay. But Freedom Sunday was his event

and it lasted for about two and a half hours, and there he talked about the scourge of discrimination in this country and the redeeming nature of reaching common ground or rapprochement between opposing groups. He also had a statement that he made frequently which was, 'we should find a way to live together as brothers and sisters, or die apart as fools.' Now, when he talked about dying, he talked about dying symbolically. But you know, I wonder if all of us here in this Body and all of us over the state say to ourselves what are we willing to symbolically die for, what are we willing to sacrifice, to give up, maybe take a particular point of view that... you know, might be the path less traveled and I think that that's really what he was talking about. What on a daily basis are we willing to do to advance the cause of togetherness in this world that may not necessarily be popular? So, let's ask ourselves that question on a daily basis. I think that that adage about living together as brothers and sisters or dying apart as fools, we may take a page from Dr. King's notebook in how we deal with our business down here in the state, in the General Assembly and amongst all the levels of government. Thank you so much."

Speaker Hannig: "On page 3 of the Calendar, there are a couple of Bills on Second Reading that we could move to Third today if the Sponsor so wishes. The first is House Bill 4407. Representative Coulson, do you wish to move that to Third, from Second to Third? Mr. Clerk, read the Bill."

Clerk Bolin: "House Bill 4407, a Bill for an Act concerning regulation. Second Reading of this House Bill. No

Committee Amendments. No Floor Amendments. And no Motions are filed."

Speaker Hannig: "Third Reading. And Mr. Flider, you have House Bill 4536. Mr. Clerk, read the Bill."

Clerk Bolin: "House Bill 4536, a Bill for an Act concerning public employee benefits. Second Reading of this House Bill. Amendment #1 was adopted in committee. No Floor Amendments. No Motions filed."

Speaker Hannig: "Third Reading. On page 6 of the Calendar, under the Order of Resolutions, is House Resolution 840. Representative D'Amico. Okay. Out of the record. Representative Chapa LaVia, you have House Resolution 896. Would you like to present that to the Body, please?"

Chapa LaVia: "Yes, yes."

Speaker Hannig: "Proceed."

Chapa LaVia: "Thank you, Speaker and Members of the General Assembly. The House Resolution is for the state Veterans' Affairs Department to support in whatever means they can through the vets scratch off ticket the Midwest Shelter for Homeless Veterans in Wheaton, Illinois. It's something that we should all be proud of since we voted on it, we've supported it in the past. And this is just a reminder that we, as a Body collectively, would like them to support them again in this up coming year. I request a... an 'aye' vote. Thanks."

Speaker Hannig: "Is there any discussion? Then all in favor of the Lady's Resolution, say 'aye'; opposed 'nay'. The 'ayes' have it. And the Resolution is adopted. Okay. We're going to return to Resolution 840. And

Representative D'Amico."

D'Amico: "Thank you, Mr. Speaker. What House Resolution 840 does is it's urging Congress to make health care mandatory for all veterans. This was an issue that was brought to me by a constituent and it's something that I think is needed. And I encourage an 'aye' vote."

Speaker Hannig: "The Gentleman moves for the adoption of House Resolution 840. Is there any discussion? Then all in favor of the Gentleman's Resolution say 'aye'; opposed 'nay'. The 'ayes' have it. And the Resolution is adopted. Representative Lindner, you have House Resolution 900. The Lady from Kane, Representative Lindner."

Lindner: "Yes, thank you, Mr. Speaker. House Resolution 900 directs the Governor to report back to the General Assembly by December of 2008 on the progress made in the Department of Juvenile Justice and the appointing of the superintendent and the... a permanent director and doing interviews so that the initiatives of the Department of Juvenile Justice can start up. Thank you."

Speaker Hannig: "The Lady moves for the adoption of House Resolution 900. Is there any discussion? And this Resolution has a reporting requirement and so we're going to take a Roll Call vote. All in favor say 'aye'; opposed 'nay'. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Representative Beaubien, do you wish to be recorded? Mr. Clerk, take the record. On this question, there are 97 voting 'yes' and 0 voting 'no'. And the Resolution is

Ford: "Thank you, Mr. Speaker and Members of the House. I move to pass House Resolution 909 to urge Congress to amend the Voting Rights Act of 1965 to make all the provisions permanent. And ask for an 'aye' vote."

Speaker Hannig: "The Gentleman moves for the adoption of House Resolution 909. Is there any discussion? Then the question is, 'Shall the Resolution be adopted? All in favor say 'aye'; opposed 'nay'. The 'ayes' have it. And the Resolution is adopted. Representative Currie, you're recognized on House Joint Resolution 96."

Currie: "Thank you, Speaker. This is the Resolution that approves our Special Session... with the Governor next Wednesday. I move its adoption."

Speaker Hannig: "You heard the Lady's Motion. Is there any discussion? Then all in favor say 'aye'; opposed 'nay'. The 'ayes' have it. And the Resolution is adopted."

Speaker Hannig: "Are there any announcements? Representative Currie."

Currie: "Thank you, Speaker, Members of the House. The administration has organized a briefing for Legislators, Legislators only, immediately following Session in Room 118. Speaker Hannig: "Are there any other announcements? Rep... Representative Colvin, for an announcement."

Colvin: "Thank you. Thank you, Mr. Speaker. In light of Black History Month, I did want to rise just to give all the Members of the General Assembly a reminder that next Thursday we will be hosting our annual African-American Soul Food Soiree at the Illinois Department of Transportation headquarters at the Hanley Building on Dirksen. It's open to all the Members of the General Assembly. This is our fifth year hosting it. This is our second year moving it IDOT because the Governor's mansion just couldn't accommodate the crowd that we had generated having the event at the Governor's mansion. One again, to all the Members of the General Assembly, to all the staff, to all the folks who work here in the Capitol, we wanted to extend an open and a warm invitation to all of you to join us on next Thursday, the 21st of February, at 6 p.m. at the IDOT headquarters on Dirksen for the Sixth Annual African-American Soul Food Soiree celebrating Black History Month. Thank you, Mr. Speaker."
