4 Section 5. The State Budget Law of the Civil Administrative
5 Code of Illinois is amended by changing Section 50-22 as
6 follows:

7 (15 ILCS 20/50-22)

8 Sec. 50-22. Funding for salaries of General Assembly
9 members, State employees, and judges; legislative operations.

10 (a) Beginning July 1, 2014, the aggregate appropriations
11 available for salaries for members of the General Assembly and

13 no less than the total aggregate appropriations made available
14 for salaries for members of the General Assembly and judges for
15 the immediately preceding fiscal year.

16 (b) Beginning July 1, 2014, the aggregate appropriations
17 available for legislative operations from all State funds for
18 each State fiscal year shall be no less than the total
19 aggregate appropriations made available for legislative
20 operations for the immediately preceding fiscal year. For
21 purposes of this subsection (b), "legislative operations"
22 means any expenditure for the operation of the Office of the
23 Auditor General, the House of Representatives, the Senate, the

1 Legislative Ethics Commission, the Office of the Legislative
2 Inspector General, the Joint Committee on Legislative Support
3 Services, and the legislative support services agencies.

4 (b-5) Beginning July 1, 2015 and continuing through June
5 30, 2017, there is hereby appropriated to each State agency
6 from the applicable State funds, on a continuing basis, the
7 amount necessary for personnel expenditures of the State
8 agency, as determined solely and exclusively by the State
9 agency and the Governor's Office of Management and Budget, for
10 each payroll period during which appropriations for personnel
11 expenditures have not been made available to the State agency
12 for Fiscal Years 2016 and 2017.

13 A continuing appropriation provided by this subsection
14 (b-5) does not confer any right or expectation on any person,
15 group, or entity in continued employment or the payment of
16 personnel expenditures.

17 For the purposes of this subsection (b-5):

18 (1) "State agency" means the office of any
19 constitutional officer of the State government and any
20 agency, authority, board, commission, department, or other
21 instrumentality of the State government to which an
22 appropriation for personnel expenditures from a State fund
23 was made in Fiscal Year 2015, or under which personnel
24 expenditures were paid in Fiscal Year 2015.

25 (2) "Personnel expenditure" means an expenditure for
26 personal services, including any merit incentive and

1 gain-sharing payments, as determined solely and
2 exclusively by the State agency and the Governor's Office
3 of Management and Budget; State contributions to Social
4 Security; and State contributions to a State retirement
5 system, other than an expenditure described in subsection
6 (a) or (b) of this Section.

7 (3) "Applicable State fund" means, with respect to a
8 State agency, the General Revenue Fund or other State fund
9 from which moneys were appropriated in Fiscal Year 2015 to
10 the State agency for personnel expenditures.

11 (c) If for any reason the aggregate appropriations made
12 available are insufficient to meet the levels required by
13 subsections (a), ~~and~~ (b), and (b-5) of this Section, this
14 Section shall constitute a continuing appropriation of all
15 amounts necessary for these purposes. The General Assembly may
16 appropriate lesser amounts by law.
