9 Sec. 22. Amistad Commission.

10 (a) Purpose. The General Assembly finds and declares that
11 all people should know of and remember the human carnage and
12 dehumanizing atrocities committed during the period of the
13 African slave trade and slavery in America and of the vestiges
14 of slavery in this country; and it is in fact vital to educate
15 our citizens on these events, the legacy of slavery, the sad
16 history of racism in this country, and the principles of human
17 rights and dignity in a civilized society.

18 It is the policy of the State of Illinois that the history
19 of the African slave trade, slavery in America, the depth of
20 their impact in our society, and the triumphs of
21 African-Americans and their significant contributions to the
22 development of this country is the proper concern of all
23 people, particularly students enrolled in the schools of the
24 State of Illinois.

25 It is therefore desirable to create a Commission that, as

1 an organized body and on a continuous basis, will survey,
2 design, encourage, and promote the implementation of education
3 and awareness programs in Illinois that are concerned with the
4 African slave trade, slavery in America, the vestiges of
5 slavery in this country, and the contributions of
6 African-Americans in building our country; to develop
7 workshops, institutes, seminars, and other teacher training
8 activities designed to educate teachers on this subject matter;
9 and that will be responsible for the coordination of events on
10 a regular basis, throughout the State, that provide appropriate
11 memorialization of the events concerning the enslavement of
12 Africans and their descendants in America and their struggle
13 for freedom, liberty, and equality.

14 (b) Amistad Commission. The Amistad Commission is created
15 within the Department ~~Agency~~. The Commission is named to honor
16 the group of enslaved Africans transported in 1839 on a vessel
17 named the Amistad who overthrew their captors and created an
18 international incident that was eventually argued before the
19 Supreme Court and that shed a growing light on the evils of the
20 slave trade and galvanized a growing abolitionist movement
21 towards demanding the end of slavery in the United States.

22 (c) Membership. The Commission shall consist of 15 members,
23 including 3 ex officio members: the State Superintendent of
24 Education or his or her designee, the Director of Commerce and
25 Economic Opportunity or his or her designee, and the Director
26 ~~of Historic Sites and Preservation~~ or his or her designee; and

1 12 public members. Public members shall be appointed as
2 follows:

3 (i) 2 members appointed by the President of the Senate
4 and one member appointed by the Minority Leader of the
5 Senate;

7 Representatives and one member appointed by the Minority
8 Leader of the House of Representatives; and

9 (iii) 6 members, no more than 4 of whom shall be of the
10 same political party, appointed by the Governor.

11 The public members shall be residents of this State, chosen
12 with due regard to broad geographic representation and ethnic
13 diversity, who have served actively in organizations that
14 educate the public on the history of the African slave trade,
15 the contributions of African-Americans to our society, and
16 civil rights issues.

17 Each public member of the Commission shall serve for a term
18 of 3 years, except that of the initial members so appointed:
19 one member appointed by the President of the Senate, one member
20 appointed by the Speaker of the House of Representatives, and 2
21 members appointed by the Governor shall serve for terms of one
22 year; the member appointed by the Minority Leader of the
23 Senate, one member appointed by the Speaker of the House of
24 Representatives, and 2 members appointed by the Governor shall
25 serve for terms of 2 years; and one member appointed by the
26 President of the Senate, the member appointed by the Minority

1 Leader of the House of Representatives, and 2 members appointed
2 by the Governor shall serve for terms of 3 years. Public
3 members shall be eligible for reappointment. They shall serve
4 until their successors are appointed and qualified, and the
5 term of the successor of any incumbent shall be calculated from
6 the expiration of the term of that incumbent. A vacancy
7 occurring other than by expiration of term shall be filled in
8 the same manner as the original appointment, but for the
9 unexpired term only.

10 (d) Election of chairperson; meetings. At its first meeting
11 and annually thereafter, the Commission shall elect from among
12 its members a chairperson and other officers it considers

14 Commission shall meet at least quarterly, or more frequently at
15 the call of the chairperson or if requested by 9 or more
16 members.

22 authorized to perform shall be conducted at a public meeting of
23 the Commission, held in compliance with the Open Meetings Act.

24 (g) Freedom of Information. A writing prepared, owned,
25 used, in the possession of, or retained by the Commission in
26 the performance of an official function is subject to the

1 Freedom of Information Act.

2 (h) Compensation. The members of the Commission shall serve
3 without compensation, but shall be entitled to reimbursement
4 for all necessary expenses incurred in the performance of their
5 official duties as members of the Commission from funds
6 appropriated for that purpose. Reimbursement for travel,
7 meals, and lodging shall be in accordance with the rules of the
8 Governor's Travel Control Board.

9 (i) Duties. The Commission shall have the following
10 responsibilities and duties:

13 the history of African slavery and of African-Americans in
14 this country in the curricula of public and nonpublic
15 schools.

16 (4) To compile a roster of individual volunteers who
17 are willing to share their knowledge and experience in
18 classrooms, seminars, and workshops with students and

21 today, and the contributions of African-Americans to our
22 country.

23 (5) To coordinate events memorializing the African
24 slave trade, American slavery, and the history of
25 African-Americans in this country that reflect the
26 contributions of African-Americans in overcoming the

1 burdens of slavery and its vestiges, and to seek volunteers
2 who are willing and able to participate in commemorative
3 events that will enhance student awareness of the
4 significance of the African slave trade, American slavery,
5 its historical impact, and the struggle for freedom.

6 (6) To prepare reports for the Governor and the General

22 (20 ILCS 3420/4) (from Ch. 127, par. 133c24)

23 Sec. 4. State agency undertakings.

24 (a) As early in the planning process as may be practicable
25 and prior to the approval of the final design or plan of any

1 undertaking by a State agency, or prior to the funding of any
2 undertaking by a State agency, or prior to an action of
3 approval or entitlement of any private undertaking by a State
4 agency, written notice of the project shall be given to the
5 Director either by the State agency or the recipients of its
6 funds, permits or licenses. The State agency shall consult with
7 the Director to determine the documentation requirements
8 necessary for identification and treatment of historic
9 resources. For the purposes of identification and evaluation of
10 historic resources, the Director may require archaeological
11 and historic investigations. Responsibility for notice and
12 documentation may be delegated by the State agency to a local
13 or private designee.

14 (b) Within 30 days after receipt of complete and correct
15 documentation of a proposed undertaking, the Director shall
16 review and comment to the agency on the likelihood that the
17 undertaking will have an adverse effect on a historic resource.
18 In the case of a private undertaking, the Director shall, not
19 later than 30 days following the receipt of an application with
20 complete documentation of the undertaking, either approve that
21 application allowing the undertaking to proceed or tender to
22 the applicant a written statement setting forth the reasons for
23 the requirement of an archaeological investigation. If there is
24 no action within 30 days after the filing of the application
25 with the complete documentation of the undertaking, the
26 applicant may deem the application approved and may proceed

1 with the undertaking. Thereafter, all requirements for
2 archaeological investigations are waived under this Act.

3 (c) If the Director finds that an undertaking will
4 adversely affect an historic resource or is inconsistent with
5 agency policies, the State agency shall consult with the
6 Director and shall discuss alternatives to the proposed
7 undertaking which could eliminate, minimize, or mitigate its
8 adverse effect. During the consultation process, the State
9 agency shall explore all feasible and prudent plans which
10 eliminate, minimize, or mitigate adverse effects on historic
11 resources. Grantees, permittees, licensees, or other parties
12 in interest and representatives of national, State, and local
13 units of government and public and private organizations may

16 pursuant to regulations issued by the Department of Natural
17 Resources ~~Historic Preservation Agency~~.

18 (d) The State agency and the Director may agree that there
19 is a feasible and prudent alternative which eliminates,
20 minimizes, or mitigates the adverse effect of the undertaking.
21 Upon such agreement, or if the State agency and the Director
22 agree that there are no feasible and prudent alternatives which
23 eliminate, minimize, or mitigate the adverse effect, the
24 Director shall prepare a Memorandum of Agreement describing the
25 alternatives or stating the finding. The State agency may
26 proceed with the undertaking once a Memorandum of Agreement has

1 been signed by both the State agency and the Director.

2 (e) After the consultation process, the Director and the
3 State agency may fail to agree on the existence of a feasible
4 and prudent alternative which would eliminate, minimize, or
5 mitigate the adverse effect of the undertaking on the historic
6 resource. If no agreement is reached, the agency shall call a
7 public meeting in the county where the undertaking is proposed
8 within 60 days. If, within 14 days following conclusion of the
9 public meeting, the State agency and the Director fail to agree
10 on a feasible and prudent alternative, the proposed
11 undertaking, with supporting documentation, shall be submitted
12 to the Historic Preservation Mediation Committee. The document
13 shall be sufficient to identify each alternative considered by
14 the Agency and the Director during the consultation process and
15 the reason for its rejection.

16 (f) The Mediation Committee shall consist of the Director
17 and 5 persons appointed by the Director for terms of 3 years
18 each, each of whom shall be no lower in rank than a division
19 chief and each of whom shall represent a different State
20 agency. An agency that is a party to mediation shall be
21 notified of all hearings and deliberations and shall have the
22 right to participate in deliberations as a non-voting member of
23 the Committee. Within 30 days after submission of the proposed
24 undertaking, the Committee shall meet with the Director and the
25 submitting agency to review each alternative considered by the
26 State agency and the Director and to evaluate the existence of

1 a feasible and prudent alternative. In the event that the
2 Director and the submitting agency continue to disagree, the
3 Committee shall provide a statement of findings or comments
4 setting forth an alternative to the proposed undertaking or
5 stating the finding that there is no feasible or prudent
6 alternative. The State agency shall consider the written
7 comments of the Committee and shall respond in writing to the
8 Committee before proceeding with the undertaking.

9 (g) When an undertaking is being reviewed pursuant to
10 Section 106 of the National Historic Preservation Act of 1966,
11 the procedures of this law shall not apply and any review or
12 comment by the Director on such undertaking shall be within the
13 framework or procedures of the federal law. This subsection
14 shall not prevent the Department of Natural Resources ~~Illinois~~
15 ~~Historic Preservation Agency~~ from entering into an agreement
16 with the Advisory Council on Historic Preservation pursuant to
17 Section 106 of the National Historic Preservation Act to
18 substitute this Act and its procedures for procedures set forth
19 in Council regulations found in 36 C.F.R. Part 800.7. A State
20 undertaking that is necessary to prevent an immediate and
21 imminent threat to life or property shall be exempt from the
22 requirements of this Act. Where possible, the Director shall be
23 consulted in the determination of the exemption. In all cases,
24 the agency shall provide the Director with a statement of the
25 reasons for the exemption and shall have an opportunity to
26 comment on the exemption. The statement and the comments of the

1 Director shall be included in the annual report of the
2 Department of Natural Resources ~~Historic Preservation Agency~~
3 as a guide to future actions. The provisions of this Act do not
4 apply to undertakings pursuant to the Illinois Oil and Gas Act,
5 the Surface-Mined Land Conservation and Reclamation Act and the
6 Surface Coal Mining Land Conservation and Reclamation Act.
