4 Section 5. The School Code is amended by changing Sections  
5 19-1 and 19-11 as follows:

6 (105 ILCS 5/19-1)

7 Sec. 19-1. Debt limitations of school districts.

8 (a) School districts shall not be subject to the provisions  
9 limiting their indebtedness prescribed in the Local Government  
10 Debt Limitation Act.

11 No school districts maintaining grades K through 8 or 9  
12 through 12 shall become indebted in any manner or for any  
13 purpose to an amount, including existing indebtedness, in the  
14 aggregate exceeding 6.9% on the value of the taxable property  
15 therein to be ascertained by the last assessment for State and  
16 county taxes or, until January 1, 1983, if greater, the sum  
17 that is produced by multiplying the school district's 1978  
18 equalized assessed valuation by the debt limitation percentage  
19 in effect on January 1, 1979, previous to the incurring of such  
20 indebtedness.

21 No school districts maintaining grades K through 12 shall  
22 become indebted in any manner or for any purpose to an amount,  
23 including existing indebtedness, in the aggregate exceeding

1 13.8% on the value of the taxable property therein to be  
2 ascertained by the last assessment for State and county taxes  
3 or, until January 1, 1983, if greater, the sum that is produced  
4 by multiplying the school district's 1978 equalized assessed  
5 valuation by the debt limitation percentage in effect on  
6 January 1, 1979, previous to the incurring of such  
7 indebtedness.

8 No partial elementary unit district, as defined in Article  
9 11E of this Code, shall become indebted in any manner or for  
10 any purpose in an amount, including existing indebtedness, in  
11 the aggregate exceeding 6.9% of the value of the taxable  
12 property of the entire district, to be ascertained by the last  
13 assessment for State and county taxes, plus an amount,  
14 including existing indebtedness, in the aggregate exceeding  
15 6.9% of the value of the taxable property of that portion of  
16 the district included in the elementary and high school  
17 classification, to be ascertained by the last assessment for  
18 State and county taxes. Moreover, no partial elementary unit  
19 district, as defined in Article 11E of this Code, shall become  
20 indebted on account of bonds issued by the district for high  
21 school purposes in the aggregate exceeding 6.9% of the value of  
22 the taxable property of the entire district, to be ascertained  
23 by the last assessment for State and county taxes, nor shall  
24 the district become indebted on account of bonds issued by the  
25 district for elementary purposes in the aggregate exceeding  
26 6.9% of the value of the taxable property for that portion of

1 the district included in the elementary and high school  
2 classification, to be ascertained by the last assessment for  
3 State and county taxes.

4 Notwithstanding the provisions of any other law to the  
5 contrary, in any case in which the voters of a school district  
6 have approved a proposition for the issuance of bonds of such  
7 school district at an election held prior to January 1, 1979,  
8 and all of the bonds approved at such election have not been  
9 issued, the debt limitation applicable to such school district  
10 during the calendar year 1979 shall be computed by multiplying  
11 the value of taxable property therein, including personal  
12 property, as ascertained by the last assessment for State and  
13 county taxes, previous to the incurring of such indebtedness,  
14 by the percentage limitation applicable to such school district  
15 under the provisions of this subsection (a).

16 (b) Notwithstanding the debt limitation prescribed in  
17 subsection (a) of this Section, additional indebtedness may be  
18 incurred in an amount not to exceed the estimated cost of  
19 acquiring or improving school sites or constructing and  
20 equipping additional building facilities under the following  
21 conditions:

22 (1) Whenever the enrollment of students for the next  
23 school year is estimated by the board of education to  
24 increase over the actual present enrollment by not less  
25 than 35% or by not less than 200 students or the actual  
26 present enrollment of students has increased over the

1 previous school year by not less than 35% or by not less  
2 than 200 students and the board of education determines  
3 that additional school sites or building facilities are  
4 required as a result of such increase in enrollment; and

5 (2) When the Regional Superintendent of Schools having  
6 jurisdiction over the school district and the State  
7 Superintendent of Education concur in such enrollment  
8 projection or increase and approve the need for such  
9 additional school sites or building facilities and the  
10 estimated cost thereof; and

11 (3) When the voters in the school district approve a  
12 proposition for the issuance of bonds for the purpose of  
13 acquiring or improving such needed school sites or  
14 constructing and equipping such needed additional building  
15 facilities at an election called and held for that purpose.  
16 Notice of such an election shall state that the amount of  
17 indebtedness proposed to be incurred would exceed the debt  
18 limitation otherwise applicable to the school district.  
19 The ballot for such proposition shall state what percentage  
20 of the equalized assessed valuation will be outstanding in  
21 bonds if the proposed issuance of bonds is approved by the  
22 voters; or

23 (4) Notwithstanding the provisions of paragraphs (1)  
24 through (3) of this subsection (b), if the school board  
25 determines that additional facilities are needed to  
26 provide a quality educational program and not less than 2/3

1 of those voting in an election called by the school board  
2 on the question approve the issuance of bonds for the  
3 construction of such facilities, the school district may  
4 issue bonds for this purpose; or

5 (5) Notwithstanding the provisions of paragraphs (1)  
6 through (3) of this subsection (b), if (i) the school  
7 district has previously availed itself of the provisions of  
8 paragraph (4) of this subsection (b) to enable it to issue  
9 bonds, (ii) the voters of the school district have not  
10 defeated a proposition for the issuance of bonds since the  
11 referendum described in paragraph (4) of this subsection  
12 (b) was held, (iii) the school board determines that  
13 additional facilities are needed to provide a quality  
14 educational program, and (iv) a majority of those voting in  
15 an election called by the school board on the question  
16 approve the issuance of bonds for the construction of such  
17 facilities, the school district may issue bonds for this  
18 purpose.

19 In no event shall the indebtedness incurred pursuant to  
20 this subsection (b) and the existing indebtedness of the school  
21 district exceed 15% of the value of the taxable property  
22 therein to be ascertained by the last assessment for State and  
23 county taxes, previous to the incurring of such indebtedness  
24 or, until January 1, 1983, if greater, the sum that is produced  
25 by multiplying the school district's 1978 equalized assessed  
26 valuation by the debt limitation percentage in effect on

1 January 1, 1979.

2 The indebtedness provided for by this subsection (b) shall  
3 be in addition to and in excess of any other debt limitation.

4 (c) Notwithstanding the debt limitation prescribed in  
5 subsection (a) of this Section, in any case in which a public  
6 question for the issuance of bonds of a proposed school  
7 district maintaining grades kindergarten through 12 received  
8 at least 60% of the valid ballots cast on the question at an  
9 election held on or prior to November 8, 1994, and in which the  
10 bonds approved at such election have not been issued, the  
11 school district pursuant to the requirements of Section 11A-10  
12 (now repealed) may issue the total amount of bonds approved at  
13 such election for the purpose stated in the question.

14 (d) Notwithstanding the debt limitation prescribed in  
15 subsection (a) of this Section, a school district that meets  
16 all the criteria set forth in paragraphs (1) and (2) of this  
17 subsection (d) may incur an additional indebtedness in an  
18 amount not to exceed \$4,500,000, even though the amount of the  
19 additional indebtedness authorized by this subsection (d),  
20 when incurred and added to the aggregate amount of indebtedness  
21 of the district existing immediately prior to the district  
22 incurring the additional indebtedness authorized by this  
23 subsection (d), causes the aggregate indebtedness of the  
24 district to exceed the debt limitation otherwise applicable to  
25 that district under subsection (a):

26 (1) The additional indebtedness authorized by this

1 subsection (d) is incurred by the school district through  
2 the issuance of bonds under and in accordance with Section  
3 17-2.11a for the purpose of replacing a school building  
4 which, because of mine subsidence damage, has been closed  
5 as provided in paragraph (2) of this subsection (d) or  
6 through the issuance of bonds under and in accordance with  
7 Section 19-3 for the purpose of increasing the size of, or  
8 providing for additional functions in, such replacement  
9 school buildings, or both such purposes.

10 (2) The bonds issued by the school district as provided  
11 in paragraph (1) above are issued for the purposes of  
12 construction by the school district of a new school  
13 building pursuant to Section 17-2.11, to replace an  
14 existing school building that, because of mine subsidence  
15 damage, is closed as of the end of the 1992-93 school year  
16 pursuant to action of the regional superintendent of  
17 schools of the educational service region in which the  
18 district is located under Section 3-14.22 or are issued for  
19 the purpose of increasing the size of, or providing for  
20 additional functions in, the new school building being  
21 constructed to replace a school building closed as the  
22 result of mine subsidence damage, or both such purposes.

23 (e) (Blank).

24 (f) Notwithstanding the provisions of subsection (a) of  
25 this Section or of any other law, bonds in not to exceed the  
26 aggregate amount of \$5,500,000 and issued by a school district

1 meeting the following criteria shall not be considered  
2 indebtedness for purposes of any statutory limitation and may  
3 be issued in an amount or amounts, including existing  
4 indebtedness, in excess of any heretofore or hereafter imposed  
5 statutory limitation as to indebtedness:

6 (1) At the time of the sale of such bonds, the board of  
7 education of the district shall have determined by  
8 resolution that the enrollment of students in the district  
9 is projected to increase by not less than 7% during each of  
10 the next succeeding 2 school years.

11 (2) The board of education shall also determine by  
12 resolution that the improvements to be financed with the  
13 proceeds of the bonds are needed because of the projected  
14 enrollment increases.

15 (3) The board of education shall also determine by  
16 resolution that the projected increases in enrollment are  
17 the result of improvements made or expected to be made to  
18 passenger rail facilities located in the school district.

19 Notwithstanding the provisions of subsection (a) of this  
20 Section or of any other law, a school district that has availed  
21 itself of the provisions of this subsection (f) prior to July  
22 22, 2004 (the effective date of Public Act 93-799) may also  
23 issue bonds approved by referendum up to an amount, including  
24 existing indebtedness, not exceeding 25% of the equalized  
25 assessed value of the taxable property in the district if all  
26 of the conditions set forth in items (1), (2), and (3) of this

1 subsection (f) are met.

2 (g) Notwithstanding the provisions of subsection (a) of  
3 this Section or any other law, bonds in not to exceed an  
4 aggregate amount of 25% of the equalized assessed value of the  
5 taxable property of a school district and issued by a school  
6 district meeting the criteria in paragraphs (i) through (iv) of  
7 this subsection shall not be considered indebtedness for  
8 purposes of any statutory limitation and may be issued pursuant  
9 to resolution of the school board in an amount or amounts,  
10 including existing indebtedness, in excess of any statutory  
11 limitation of indebtedness heretofore or hereafter imposed:

12 (i) The bonds are issued for the purpose of  
13 constructing a new high school building to replace two  
14 adjacent existing buildings which together house a single  
15 high school, each of which is more than 65 years old, and  
16 which together are located on more than 10 acres and less  
17 than 11 acres of property.

18 (ii) At the time the resolution authorizing the  
19 issuance of the bonds is adopted, the cost of constructing  
20 a new school building to replace the existing school  
21 building is less than 60% of the cost of repairing the  
22 existing school building.

23 (iii) The sale of the bonds occurs before July 1, 1997.

24 (iv) The school district issuing the bonds is a unit  
25 school district located in a county of less than 70,000 and  
26 more than 50,000 inhabitants, which has an average daily

1 attendance of less than 1,500 and an equalized assessed  
2 valuation of less than \$29,000,000.

3 (h) Notwithstanding any other provisions of this Section or  
4 the provisions of any other law, until January 1, 1998, a  
5 community unit school district maintaining grades K through 12  
6 may issue bonds up to an amount, including existing  
7 indebtedness, not exceeding 27.6% of the equalized assessed  
8 value of the taxable property in the district, if all of the  
9 following conditions are met:

10 (i) The school district has an equalized assessed  
11 valuation for calendar year 1995 of less than \$24,000,000;

12 (ii) The bonds are issued for the capital improvement,  
13 renovation, rehabilitation, or replacement of existing  
14 school buildings of the district, all of which buildings  
15 were originally constructed not less than 40 years ago;

16 (iii) The voters of the district approve a proposition  
17 for the issuance of the bonds at a referendum held after  
18 March 19, 1996; and

19 (iv) The bonds are issued pursuant to Sections 19-2  
20 through 19-7 of this Code.

21 (i) Notwithstanding any other provisions of this Section or  
22 the provisions of any other law, until January 1, 1998, a  
23 community unit school district maintaining grades K through 12  
24 may issue bonds up to an amount, including existing  
25 indebtedness, not exceeding 27% of the equalized assessed value  
26 of the taxable property in the district, if all of the

1 following conditions are met:

2 (i) The school district has an equalized assessed  
3 valuation for calendar year 1995 of less than \$44,600,000;

4 (ii) The bonds are issued for the capital improvement,

6 school buildings of the district, all of which existing  
7 buildings were originally constructed not less than 80  
8 years ago;

9 (iii) The voters of the district approve a proposition  
10 for the issuance of the bonds at a referendum held after  
11 December 31, 1996; and

12 (iv) The bonds are issued pursuant to Sections 19-2  
13 through 19-7 of this Code.

14 (j) Notwithstanding any other provisions of this Section or  
15 the provisions of any other law, until January 1, 1999, a  
16 community unit school district maintaining grades K through 12  
17 may issue bonds up to an amount, including existing

6 increases;

7 (iv) At least 60% of those voting in an election held  
8 after December 31, 1996 approve a proposition for the  
9 issuance of the bonds; and

10 (v) The bonds are issued pursuant to Sections 19-2  
11 through 19-7 of this Code.

12 (k) Notwithstanding the debt limitation prescribed in  
13 subsection (a) of this Section, a school district that meets  
14 all the criteria set forth in paragraphs (1) through (4) of  
15 this subsection (k) may issue bonds to incur an additional  
16 indebtedness in an amount not to exceed \$4,000,000 even though  
17 the amount of the additional indebtedness authorized by this  
18 subsection (k), when incurred and added to the aggregate amount  
19 of indebtedness of the school district existing immediately  
20 prior to the school district incurring such additional  
21 indebtedness, causes the aggregate indebtedness of the school  
22 district to exceed or increases the amount by which the  
23 aggregate indebtedness of the district already exceeds the debt  
24 limitation otherwise applicable to that school district under  
25 subsection (a):

26 (1) the school district is located in 2 counties, and a

1 referendum to authorize the additional indebtedness was  
2 approved by a majority of the voters of the school district  
3 voting on the proposition to authorize that indebtedness;

7 (3) the additional indebtedness, together with the  
8 existing indebtedness of the school district, shall not  
9 exceed 17.4% of the value of the taxable property in the  
10 school district, to be ascertained by the last assessment  
11 for State and county taxes; and

12 (4) the bonds evidencing the additional indebtedness  
13 are issued, if at all, within 120 days of August 14, 1998  
14 (the effective date of Public Act 90-757).

15 (1) Notwithstanding any other provisions of this Section or  
16 the provisions of any other law, until January 1, 2000, a  
17 school district maintaining grades kindergarten through 8 may  
18 issue bonds up to an amount, including existing indebtedness,  
19 not exceeding 15% of the equalized assessed value of the  
20 taxable property in the district if all of the following  
21 conditions are met:

22 (i) the district has an equalized assessed valuation  
23 for calendar year 1996 of less than \$10,000,000;

24 (ii) the bonds are issued for capital improvement,  
25 renovation, rehabilitation, or replacement of one or more  
26 school buildings of the district, which buildings were

1 originally constructed not less than 70 years ago;

2 (iii) the voters of the district approve a proposition  
3 for the issuance of the bonds at a referendum held on or  
4 after March 17, 1998; and

5 (iv) the bonds are issued pursuant to Sections 19-2  
6 through 19-7 of this Code.

7 (m) Notwithstanding any other provisions of this Section or  
8 the provisions of any other law, until January 1, 1999, an

23 district that is not accessible at all levels and parts of  
24 which were constructed more than 75 years ago;

25 (iv) The voters of the school district approve a  
26 proposition for the issuance of the bonds at a referendum

1 held after July 1, 1998; and

2 (v) The bonds are issued pursuant to Sections 19-2  
3 through 19-7 of this Code.

4 (n) Notwithstanding the debt limitation prescribed in  
5 subsection (a) of this Section or any other provisions of this  
6 Section or of any other law, a school district that meets all  
7 of the criteria set forth in paragraphs (i) through (vi) of  
8 this subsection (n) may incur additional indebtedness by the  
9 issuance of bonds in an amount not exceeding the amount  
10 certified by the Capital Development Board to the school  
11 district as provided in paragraph (iii) of this subsection (n),  
12 even though the amount of the additional indebtedness so  
13 authorized, when incurred and added to the aggregate amount of  
14 indebtedness of the district existing immediately prior to the  
15 district incurring the additional indebtedness authorized by  
16 this subsection (n), causes the aggregate indebtedness of the  
17 district to exceed the debt limitation otherwise applicable by  
18 law to that district:

19 (i) The school district applies to the State Board of  
20 Education for a school construction project grant and  
21 submits a district facilities plan in support of its  
22 application pursuant to Section 5-20 of the School

1 the State Board of Education under the School Construction  
2 Law.

3 (iii) The school district has exhausted its bonding  
4 capacity or the unused bonding capacity of the district is  
5 less than the amount certified by the Capital Development  
6 Board to the district under Section 5-15 of the School  
7 Construction Law as the dollar amount of the school  
8 construction project's cost that the district will be  
9 required to finance with non-grant funds in order to  
10 receive a school construction project grant under the  
11 School Construction Law.

12 (iv) The bonds are issued for a "school construction  
13 project", as that term is defined in Section 5-5 of the  
14 School Construction Law, in an amount that does not exceed  
15 the dollar amount certified, as provided in paragraph (iii)  
16 of this subsection (n), by the Capital Development Board to  
17 the school district under Section 5-15 of the School  
18 Construction Law.

19 (v) The voters of the district approve a proposition  
20 for the issuance of the bonds at a referendum held after

23 (vi) The bonds are issued pursuant to Sections 19-2  
24 through 19-7 of the School Code.

25 (o) Notwithstanding any other provisions of this Section or  
26 the provisions of any other law, until November 1, 2007, a

1 community unit school district maintaining grades K through 12  
2 may issue bonds up to an amount, including existing  
3 indebtedness, not exceeding 20% of the equalized assessed value  
4 of the taxable property in the district if all of the following  
5 conditions are met:

7 valuation for calendar year 2001 of at least \$737,000,000  
8 and an enrollment for the 2002-2003 school year of at least  
9 8,500;

10 (ii) the bonds are issued to purchase school sites,  
11 build and equip a new high school, build and equip a new  
12 junior high school, build and equip 5 new elementary  
13 schools, and make technology and other improvements and  
14 additions to existing schools;

15 (iii) at the time of the sale of the bonds, the board  
16 of education determines by resolution that the sites and  
17 new or improved facilities are needed because of projected  
18 enrollment increases;

19 (iv) at least 57% of those voting in a general election  
20 held prior to January 1, 2003 approved a proposition for  
21 the issuance of the bonds; and

22 (v) the bonds are issued pursuant to Sections 19-2  
23 through 19-7 of this Code.

24 (p) Notwithstanding any other provisions of this Section or  
25 the provisions of any other law, a community unit school  
26 district maintaining grades K through 12 may issue bonds up to
