24 Sec. 2705-430. Railroad freight service assistance; lines 25 designated for discontinuation of service or subject to SB1376 Enrolled - 3 - LRB100 06764 AXK 16805 b

abandonment. The Department shall enter into agreements with 1 2 any railroad as necessary to provide assistance for continuous lines of railroads within 3 freight service on Illinois designated for discontinuation of service by the United States 4 5 Railway Association Final System Plan and not conveyed to a 6 railroad company other than Consolidated Rail Corporation. The 7 Department may enter into such agreements with any railroad as 8 necessary to provide assistance for continuous rail freight 9 service on lines of railroads within Illinois subject to an abandonment proceeding in the federal Surface Transportation 10 11 Board Interstate Commerce Commission or classified as 12 potentially subject to abandonment pursuant to Sections 10903 13 through 10905 of Title 49 of the United States Code or upon which a certificate of discontinuance or abandonment has been 14 15 issued. The Department shall make rail continuation subsidy 16 payments pursuant to the agreements. The agreements shall 17 provide for a minimum level of service at least equivalent to that provided in calendar year 1975. The agreements shall 18 19 conform to relevant federal law. The Department shall determine 20 that all payments under this Section are eligible for federal share reimbursement. 21

Any nonfederal share of the assistance provided under this Section shall be provided by the Department. The State share may include funds, grants, gifts, or donations from the federal government, any local public body, or any person.

26 Reimbursements shall be deposited in the State fund from

SB1376 Enrolled - 4 - LRB100 06764 AXK 16805 b

1 which the assistance was paid.

The Department shall provide technical assistance to any local public body or rail user to ensure that rail freight services under these agreements are, to the extent possible, adequate to the needs of Illinois citizens.

6 The Department shall review the effects of the rail freight 7 service assistance provided under this Section and shall report 8 the results of its review to the General Assembly each year not 9 later than March 15, reporting particularly on the service 10 provided through the assistance, the utilization of rail 11 freight service by shippers, and the cost effectiveness of this 12 rail freight service assistance program in relation to the economy of this State. 13

The requirement for reporting to the General Assembly shall 14 be satisfied by filing copies of the report with the Speaker, 15 16 the Minority Leader, and the Clerk of the House of 17 Representatives and the President, the Minority Leader, and the Secretary of the Senate and the Legislative Research Unit, as 18 19 required by Section 3.1 of the General Assembly Organization 20 Act and by filing additional copies with the State Government 21 Report Distribution Center for the General Assembly as is 22 required under paragraph (t) of Section 7 of the State Library 23 Act.

For the purpose of promoting efficient rail freight service, the Department shall have the power to either grant or loan funds to any railroad or unit of local government in the SB1376 Enrolled - 5 - LRB100 06764 AXK 16805 b

1 State to maintain, improve, and construct rail facilities. The 2 Department shall also have the power to grant or loan funds to 3 any rail users located on an abandoned line, unit of local government, or an owner or lessee of an abandoned railroad 4 5 right-of-way to undertake substitute service projects that 6 social, economic, reduce the and environmental costs 7 associated with the loss of a particular rail freight service in a manner less expensive than continuing that rail freight 8 9 service. To facilitate the continuation of rail freight 10 services, the Department shall have the power to purchase 11 railroad materials and supplies.
