AN ACT concerning transportation.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. This Act may be referred to as the License to Work Act.

Section 5. The Illinois Vehicle Code is amended by changing Sections 3-704.2, 6-201, 6-204, 6-205, 6-205.2, 6-206, 6-208.2, 6-209, 6-306.5, 6-308, and 11-208.3 as follows:

(625 ILCS 5/3-704.2)

Sec. 3-704.2. Failure to satisfy fines or penalties for toll violations or evasions; suspension of vehicle registration.

(a) Upon receipt of a certified report, as prescribed by subsection (c) of this Section, from the Authority stating that the owner of a registered vehicle has failed to satisfy any fine or penalty resulting from a final order issued by the Authority relating directly or indirectly to 5 or more toll violations, toll evasions, or both, the Secretary of State shall suspend the vehicle registration of the person in accordance with the procedures set forth in this Section.

(b) Following receipt of the certified report of the Authority as specified in the Section, the Secretary of State
shall notify the person whose name appears on the certified report that the person's vehicle registration will be suspended at the end of a specified period unless the Secretary of State is presented with a notice from the Authority certifying that the fines or penalties owing the Authority have been satisfied or that inclusion of that person's name on the certified report was in error. The Secretary's notice shall state in substance the information contained in the Authority's certified report to the Secretary, and shall be effective as specified by subsection (c) of Section 6-211 of this Code.

(c) The report from the Authority notifying the Secretary of unsatisfied fines or penalties pursuant to this Section shall be certified and shall contain the following:

(1) The name, last known address, and driver's license number of the person who failed to satisfy the fines or penalties and the registration number of any vehicle known to be registered in this State to that person.

(2) A statement that the Authority sent a notice of impending suspension of the person's driver's license, vehicle registration, or both, as prescribed by rules enacted pursuant to subsection (a-5) of Section 10 of the Toll Highway Act, to the person named in the report at the address recorded with the Secretary of State; the date on which the notice was sent; and the address to which the notice was sent.

(d) The Authority, after making a certified report to the
Secretary pursuant to this Section, shall notify the Secretary, on a form prescribed by the Secretary, whenever a person named in the certified report has satisfied the previously reported fines or penalties or whenever the Authority determines that the original report was in error. A certified copy of the notification shall also be given upon request and at no additional charge to the person named therein. Upon receipt of the Authority's notification or presentation of a certified copy of the notification, the Secretary shall terminate the suspension.

(e) The Authority shall, by rule, establish procedures for persons to challenge the accuracy of the certified report made pursuant to this Section. The rule shall also provide the grounds for a challenge, which may be limited to:

(1) the person not having been the owner or lessee of the vehicle or vehicles receiving 5 or more toll violation or toll evasion notices on the date or dates the notices were issued; or

(2) the person having already satisfied the fines or penalties for the 5 or more toll violations or toll evasions indicated on the certified report.

(f) All notices sent by the Authority to persons involved in administrative adjudications, hearings, and final orders issued pursuant to rules implementing subsection (a-5) of Section 10 of the Toll Highway Act shall state, in clear and unambiguous language, the consequences of that failure to
satisfy any fine or penalty imposed by the Authority shall result in the Secretary of State suspending the driving privileges, vehicle registration, or both, of the person failing to satisfy the fines or penalties imposed by the Authority.

(g) A person may request an administrative hearing to contest an impending suspension or a suspension made pursuant to this Section upon filing a written request with the Secretary. The filing fee for this hearing is $20, to be paid at the time of the request. The Authority shall reimburse the Secretary for all reasonable costs incurred by the Secretary as a result of the filing of a certified report pursuant to this Section, including, but not limited to, the costs of providing notice required pursuant to subsection (b) and the costs incurred by the Secretary in any hearing conducted with respect to the report pursuant to this subsection and any appeal from that hearing.

(h) The Secretary and the Authority may promulgate rules to enable them to carry out their duties under this Section.

(i) The Authority shall cooperate with the Secretary in the administration of this Section and shall provide the Secretary with any information the Secretary may deem necessary for these purposes, including regular and timely access to toll violation enforcement records.

The Secretary shall cooperate with the Authority in the administration of this Section and shall provide the Authority
with any information the Authority may deem necessary for the purposes of this Section, including regular and timely access to vehicle registration records. Section 2-123 of this Code shall not apply to the provision of this information, but the Secretary shall be reimbursed for the cost of providing this information.

(j) For purposes of this Section, the term "Authority" means the Illinois State Toll Highway Authority.

(625 ILCS 5/6-201)
Sec. 6-201. Authority to cancel licenses and permits.
(a) The Secretary of State is authorized to cancel any license or permit upon determining that the holder thereof:

1. was not entitled to the issuance thereof hereunder; or

2. failed to give the required or correct information in his application; or

3. (blank); or failed to pay any fees, civil penalties owed to the Illinois Commerce Commission, or taxes due under this Act and upon reasonable notice and demand; or

4. committed any fraud in the making of such application; or

5. is ineligible therefor under the provisions of Section 6-103 of this Act, as amended; or

6. has refused or neglected to submit an alcohol, drug,
and intoxicating compound evaluation or to submit to examination or re-examination as required under this Act; or

7. has been convicted of violating the Cannabis Control Act, the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or the Use of Intoxicating Compounds Act while that individual was in actual physical control of a motor vehicle. For purposes of this Section, any person placed on probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, or Section 70 of the Methamphetamine Control and Community Protection Act shall not be considered convicted. Any person found guilty of this offense, while in actual physical control of a motor vehicle, shall have an entry made in the court record by the judge that this offense did occur while the person was in actual physical control of a motor vehicle and order the clerk of the court to report the violation to the Secretary of State as such. After the cancellation, the Secretary of State shall not issue a new license or permit for a period of one year after the date of cancellation. However, upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety, or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place
of employment or within the scope of the petitioner's employment related duties, or to allow transportation for the petitioner or a household member of the petitioner's family for the receipt of necessary medical care, or provide transportation for the petitioner to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or for the petitioner to attend classes, as a student, in an accredited educational institution. The petitioner must demonstrate that no alternative means of transportation is reasonably available; provided that the Secretary's discretion shall be limited to cases where undue hardship, as defined by the rules of the Secretary of State, would result from a failure to issue such restricted driving permit. In each case the Secretary of State may issue such restricted driving permit for such period as he deems appropriate, except that such permit shall expire within one year from the date of issuance. A restricted driving permit issued hereunder shall be subject to cancellation, revocation and suspension by the Secretary of State in like manner and for like cause as a driver's license issued hereunder may be cancelled, revoked or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension or cancellation of a restricted driving permit. The Secretary
of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a driver remedial or rehabilitative program. In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been revoked, suspended, cancelled, or disqualified under this Code; or

8. failed to submit a report as required by Section 6-116.5 of this Code; or

9. (blank); or has been convicted of a sex offense as defined in the Sex Offender Registration Act. The driver's license shall remain cancelled until the driver registers as a sex offender as required by the Sex Offender Registration Act, proof of the registration is furnished to the Secretary of State and the sex offender provides proof of current address to the Secretary; or

10. is ineligible for a license or permit under Section 6-107, 6-107.1, or 6-108 of this Code; or

11. refused or neglected to appear at a Driver Services facility to have the license or permit corrected and a new license or permit issued or to present documentation for verification of identity; or

12. failed to submit a medical examiner's certificate or medical variance as required by 49 C.F.R. 383.71 or submitted a fraudulent medical examiner's certificate or
13. has had his or her medical examiner's certificate, medical variance, or both removed or rescinded by the Federal Motor Carrier Safety Administration; or

14. failed to self-certify as to the type of driving in which the CDL driver engages or expects to engage; or

15. has submitted acceptable documentation indicating out-of-state residency to the Secretary of State to be released from the requirement of showing proof of financial responsibility in this State; or

16. was convicted of fraud relating to the testing or issuance of a CDL or CLP, in which case only the CDL or CLP shall be cancelled. After cancellation, the Secretary shall not issue a CLP or CDL for a period of one year from the date of cancellation; or

17. has a special restricted license under subsection (g) of Section 6-113 of this Code and failed to submit the required annual vision specialist report that the special restricted license holder's vision has not changed; or

18. has a special restricted license under subsection (g) of Section 6-113 of this Code and was convicted or received court supervision for a violation of this Code that occurred during nighttime hours or was involved in a motor vehicle accident during nighttime hours in which the restricted license holder was at fault.

(b) Upon such cancellation the licensee or permittee must
surrender the license or permit so cancelled to the Secretary of State.

(c) Except as provided in Sections 6-206.1 and 7-702.1, the Secretary of State shall have exclusive authority to grant, issue, deny, cancel, suspend and revoke driving privileges, drivers' licenses and restricted driving permits.

(d) The Secretary of State may adopt rules to implement this Section.

The reporting requirements of this subsection shall apply to all violations stated in paragraphs (1) and (2) of this subsection when the individual has been adjudicated
under the Juvenile Court Act or the Juvenile Court Act of 1987. Such reporting requirements shall also apply to individuals adjudicated under the Juvenile Court Act or the Juvenile Court Act of 1987 who have committed a violation of Section 11-501 of this Code, or similar provision of a local ordinance, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide. These reporting requirements also apply to individuals adjudicated under the Juvenile Court Act of 1987 based on any offense determined to have been committed in furtherance of the criminal activities of an organized gang, as provided in Section 5-710 of that Act, if those activities and that involved the operation or use of a motor vehicle or the use of a driver's license or permit. The reporting requirements of this subsection shall also apply to a truant minor in need of supervision, an addicted minor, or a delinquent minor and whose driver's license and privilege to drive a motor vehicle has been ordered suspended for such times as determined by the Court, but only until he or she attains 18 years of age. It shall be the duty of the clerk of the court in which adjudication is had within 5 days thereafter to forward to the Secretary of State a report of the adjudication and the court order requiring the Secretary of State to suspend the minor's driver's license and driving privilege for such time as determined by the Court, but only until he or she
attains the age of 18 years. All juvenile court dispositions reported to the Secretary of State under this provision shall be processed by the Secretary of State as if the cases had been adjudicated in traffic or criminal court. However, information reported relative to the offense of reckless homicide, or Section 11-501 of this Code, or a similar provision of a local ordinance, shall be privileged and available only to the Secretary of State, courts, and police officers.

The reporting requirements of this subsection (a) apply to all violations listed in paragraphs (1) and (2) of this subsection (a), excluding parking violations, when the driver holds a CLP or CDL, regardless of the type of vehicle in which the violation occurred, or when any driver committed the violation in a commercial motor vehicle as defined in Section 6-500 of this Code.

(4) A report of any disposition of court supervision for a violation of Sections 6-303, 11-401, 11-501 or a
similar provision of a local ordinance, 11-503, 11-504, and

shall be forwarded to the Secretary of State.

(5) Reports of conviction under this Code and
sentencing hearings under the Juvenile Court Act of 1987 in
an electronic format or a computer processible medium shall
be forwarded to the Secretary of State via the Supreme
Court in the form and format required by the Illinois
Supreme Court and established by a written agreement
between the Supreme Court and the Secretary of State. In
counties with a population over 300,000, instead of
forwarding reports to the Supreme Court, reports of
conviction under this Code and sentencing hearings under
the Juvenile Court Act of 1987 in an electronic format or a
computer processible medium may be forwarded to the
Secretary of State by the Circuit Court Clerk in a form and
format required by the Secretary of State and established
by written agreement between the Circuit Court Clerk and
the Secretary of State. Failure to forward the reports of
conviction or sentencing hearing under the Juvenile Court
Act of 1987 as required by this Section shall be deemed an
omission of duty and it shall be the duty of the several
State's Attorneys to enforce the requirements of this Section.

(b) Whenever a restricted driving permit is forwarded to a court, as a result of confiscation by a police officer pursuant to the authority in Section 6-113(f), it shall be the duty of the clerk, or judge, if the court has no clerk, to forward such restricted driving permit and a facsimile of the officer's citation to the Secretary of State as expeditiously as practicable.

(c) [Blank]. For the purposes of this Code, a forfeiture of bail or collateral deposited to secure a defendant's appearance in court when forfeiture has not been vacated, or the failure of a defendant to appear for trial after depositing his driver's license in lieu of other bail, shall be equivalent to a conviction.

(d) For the purpose of providing the Secretary of State with records necessary to properly monitor and assess driver performance and assist the courts in the proper disposition of repeat traffic law offenders, the clerk of the court shall forward to the Secretary of State, on a form prescribed by the Secretary, records of a driver's participation in a driver remedial or rehabilitative program which was required, through a court order or court supervision, in relation to the driver's arrest for a violation of Section 11-501 of this Code or a similar provision of a local ordinance. The clerk of the court shall also forward to the Secretary, either on paper or in an
electronic format or a computer processible medium as required under paragraph (5) of subsection (a) of this Section, any disposition of court supervision for any traffic violation, excluding those offenses listed in paragraph (2) of subsection (a) of this Section. These reports shall be sent within 5 days after disposition, or, if the driver is referred to a driver remedial or rehabilitative program, within 5 days of the driver's referral to that program. These reports received by the Secretary of State, including those required to be forwarded under paragraph (a)(4), shall be privileged information, available only (i) to the affected driver, (ii) to the parent or guardian of a person under the age of 18 years holding an instruction permit or a graduated driver's license, and (iii) for use by the courts, police officers, prosecuting authorities, the Secretary of State, and the driver licensing administrator of any other state. In accordance with 49 C.F.R. Part 384, all reports of court supervision, except violations related to parking, shall be forwarded to the Secretary of State for all holders of a CLP or CDL or any driver who commits an offense while driving a commercial motor vehicle. These reports shall be recorded to the driver's record as a conviction for use in the disqualification of the driver's commercial motor vehicle privileges and shall not be privileged information.

offenses enumerated in this Section, the court may recommend
and the Secretary of State in his discretion, without regard to
whether the recommendation is made by the court may, upon application, issue to the person a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to a medical facility for the receipt of necessary medical care or to allow the petitioner to transport himself or herself to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children, elderly persons, or persons with disabilities who do not hold driving privileges and are living in the petitioner's household to and from daycare; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare; provided that the Secretary's discretion shall be limited to cases where undue hardship, as defined by the rules of the Secretary of State, would result from a failure to issue the restricted driving permit.

(1.5) A person subject to the provisions of paragraph 4 of subsection (b) of Section 6-208 of this Code may make
application for a restricted driving permit at a hearing conducted under Section 2-118 of this Code after the expiration of 5 years from the effective date of the most recent revocation, or after 5 years from the date of release from a period of imprisonment resulting from a conviction of the most recent offense, whichever is later, provided the person, in addition to all other requirements of the Secretary, shows by clear and convincing evidence:

(A) a minimum of 3 years of uninterrupted abstinence from alcohol and the unlawful use or consumption of cannabis under the Cannabis Control Act, a controlled substance under the Illinois Controlled Substances Act, an intoxicating compound under the Use of Intoxicating Compounds Act, or methamphetamine under the Methamphetamine Control and Community Protection Act; and

(B) the successful completion of any rehabilitative treatment and involvement in any ongoing rehabilitative activity that may be recommended by a properly licensed service provider according to an assessment of the person's alcohol or drug use under Section 11-501.01 of this Code.

In determining whether an applicant is eligible for a restricted driving permit under this paragraph (1.5), the Secretary may consider any relevant evidence, including, but not limited to, testimony, affidavits, records, and the
results of regular alcohol or drug tests. Persons subject
to the provisions of paragraph 4 of subsection (b) of
Section 6-208 of this Code and who have been convicted of
more than one violation of paragraph (3), paragraph (4), or
paragraph (5) of subsection (a) of Section 11-501 of this
Code shall not be eligible to apply for a restricted
driving permit.

A restricted driving permit issued under this
paragraph (1.5) shall provide that the holder may only
operate motor vehicles equipped with an ignition interlock
device as required under paragraph (2) of subsection (c) of
this Section and subparagraph (A) of paragraph 3 of
subsection (c) of Section 6-206 of this Code. The Secretary
may revoke a restricted driving permit or amend the
conditions of a restricted driving permit issued under this
paragraph (1.5) if the holder operates a vehicle that is
not equipped with an ignition interlock device, or for any
other reason authorized under this Code.

A restricted driving permit issued under this
paragraph (1.5) shall be revoked, and the holder barred
from applying for or being issued a restricted driving
permit in the future, if the holder is subsequently
convicted of a violation of Section 11-501 of this Code, a
similar provision of a local ordinance, or a similar
offense in another state.

(2) If a person's license or permit is revoked or
suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If:

(A) a person's license or permit is revoked or suspended 2 or more times due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension pursuant to Section 6-203.1;

arising out of separate occurrences; or
(B) a person has been convicted of one violation of subparagraph (C) or (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide where the use of alcohol or other drugs was recited as an element of the offense, or a similar provision of a law of another state; that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(4) The person issued a permit conditioned on the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes. For any person who, within a 5-year period, is convicted of a second or subsequent offense under Section 11-501 of this Code, or a similar provision of a local ordinance or
similar out-of-state offense, this employment exemption
does not apply until either a one-year period has elapsed
during which that person had his or her driving privileges
revoked or a one-year period has elapsed during which that
person had a restricted driving permit which required the
use of an ignition interlock device on every motor vehicle
owned or operated by that person.

(6) In each case the Secretary of State may issue a
restricted driving permit for a period he deems
appropriate, except that the permit shall expire within one
year from the date of issuance. A restricted driving permit
issued under this Section shall be subject to cancellation,
revocation, and suspension by the Secretary of State in
like manner and for like cause as a driver's license issued
under this Code may be cancelled, revoked, or suspended;
except that a conviction upon one or more offenses against
laws or ordinances regulating the movement of traffic shall
be deemed sufficient cause for the revocation, suspension,
or cancellation of a restricted driving permit. The
Secretary of State may, as a condition to the issuance of a
restricted driving permit, require the petitioner to
participate in a designated driver remedial or
rehabilitative program. The Secretary of State is
authorized to cancel a restricted driving permit if the
permit holder does not successfully complete the program.
However, if an individual's driving privileges have been
revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(c-5) (Blank).

(c-6) If a person is convicted of a second violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide or a similar out-of-state offense, the person's driving privileges shall be revoked pursuant to subdivision (a)(15) of this Section. The person may not make application for a license or permit until the expiration of five years from the effective date of the revocation or the expiration of five years from the date of release from a term of imprisonment, whichever is later.

(c-7) If a person is convicted of a third or subsequent violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide or a similar out-of-state offense, the person may never apply for a license or permit.

(d)(1) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a
local ordinance or a similar out-of-state offense, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one-year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may reinstate the petitioner's driver's license and driving privileges, or extend the restricted driving permit as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been
equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If a person's license or permit is revoked or suspended 2 or more times due to any combination of:

(A) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(B) a statutory summary suspension or revocation under Section 11-501.1; or

(C) a suspension pursuant to Section 6-203.1; arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3.5) If a person's license or permit is revoked or suspended due to a conviction for a violation of subparagraph (C) or (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.
(4) The person issued a permit conditioned upon the use of an interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against driving a vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes. For any person who, within a 5-year period, is convicted of a second or subsequent offense under Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, this employment exemption does not apply until either a one-year period has elapsed during which that person had his or her driving privileges revoked or a one-year period has elapsed during which that person had a restricted driving permit which required the use of an ignition interlock device on every motor vehicle owned or operated by that person.

(6) A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may
be cancelled, revoked, or suspended; except that a
conviction upon one or more offenses against laws or
ordinances regulating the movement of traffic shall be
deemed sufficient cause for the revocation, suspension, or
cancellation of a restricted driving permit.

(d-5) The revocation of the license, permit, or driving
privileges of a person convicted of a third or subsequent
violation of Section 6-303 of this Code committed while his or
her driver's license, permit, or privilege was revoked because
of a violation of Section 9-3 of the Criminal Code of 1961 or
the Criminal Code of 2012, relating to the offense of reckless
homicide, or a similar provision of a law of another state, is
permanent. The Secretary may not, at any time, issue a license
or permit to that person.

(e) This Section is subject to the provisions of the Driver
License Compact.

(f) Any revocation imposed upon any person under
subsections 2 and 3 of paragraph (b) that is in effect on
December 31, 1988 shall be converted to a suspension for a like
period of time.

(g) The Secretary of State shall not issue a restricted
driving permit to a person under the age of 16 years whose
driving privileges have been revoked under any provisions of
this Code.

(h) The Secretary of State shall require the use of
ignition interlock devices for a period not less than 5 years
on all vehicles owned by a person who has been convicted of a
second or subsequent offense under Section 11-501 of this Code
or a similar provision of a local ordinance. The person must
pay to the Secretary of State DUI Administration Fund an amount
not to exceed $30 for each month that he or she uses the
device. The Secretary shall establish by rule and regulation
the procedures for certification and use of the interlock
system, the amount of the fee, and the procedures, terms, and
conditions relating to these fees. During the time period in
which a person is required to install an ignition interlock
device under this subsection (h), that person shall only
operate vehicles in which ignition interlock devices have been
installed, except as allowed by subdivision (c)(5) or (d)(5) of
this Section.

(i) (Blank).

(j) In accordance with 49 C.F.R. 384, the Secretary of
State may not issue a restricted driving permit for the
operation of a commercial motor vehicle to a person holding a
CDL whose driving privileges have been revoked, suspended,
cancelled, or disqualified under any provisions of this Code.

(k) The Secretary of State shall notify by mail any person
whose driving privileges have been revoked under paragraph 16
of subsection (a) of this Section that his or her driving
privileges and driver's license will be revoked 90 days from
the date of the mailing of the notice.

Any person who falsely states any fact in the affidavit required herein shall be guilty of perjury under Section 6-302 and upon conviction thereof shall have all driving privileges revoked without further rights.
3. At the conclusion of a hearing under Section 2-118 of this Code, the Secretary of State shall either rescind or continue an order of revocation or shall substitute an order of suspension; or, good cause appearing therefor, rescind, continue, change, or extend the order of suspension. If the Secretary of State does not rescind the order, the Secretary may upon application, to relieve undue hardship (as defined by the rules of the Secretary of State), issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow the petitioner to transport himself or herself, or a family member of the petitioner's household to a medical facility, to receive necessary medical care, to allow the petitioner to transport himself or herself to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children, elderly persons, or persons with disabilities who do not hold driving privileges and are living in the petitioner's household to and from daycare. The petitioner must demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or
welfare.

(A) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(B) If a person's license or permit is revoked or suspended 2 or more times due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension under Section 6-203.1;

arising out of separate occurrences; that person, if issued
a restricted driving permit, may not operate a vehicle
unless it has been equipped with an ignition interlock
device as defined in Section 1-129.1.

(B-5) If a person's license or permit is revoked or
suspended due to a conviction for a violation of
subparagraph (C) or (F) of paragraph (1) of subsection (d)
of Section 11-501 of this Code, or a similar provision of a
local ordinance or similar out-of-state offense, that
person, if issued a restricted driving permit, may not
operate a vehicle unless it has been equipped with an
ignition interlock device as defined in Section 1-129.1.

(C) The person issued a permit conditioned upon the use
of an ignition interlock device must pay to the Secretary
of State DUI Administration Fund an amount not to exceed
$30 per month. The Secretary shall establish by rule the
amount and the procedures, terms, and conditions relating
to these fees.

(D) If the restricted driving permit is issued for
employment purposes, then the prohibition against
operating a motor vehicle that is not equipped with an
ignition interlock device does not apply to the operation
of an occupational vehicle owned or leased by that person's
employer when used solely for employment purposes. For any
person who, within a 5-year period, is convicted of a
second or subsequent offense under Section 11-501 of this
Code, or a similar provision of a local ordinance or
similar out-of-state offense, this employment exemption
does not apply until either a one-year period has elapsed
during which that person had his or her driving privileges
revoked or a one-year period has elapsed during which that
person had a restricted driving permit which required the
use of an ignition interlock device on every motor vehicle
owned or operated by that person.

(E) In each case the Secretary may issue a restricted
driving permit for a period deemed appropriate, except that
all permits shall expire within one year from the date of
issuance. A restricted driving permit issued under this
Section shall be subject to cancellation, revocation, and
 suspension by the Secretary of State in like manner and for
like cause as a driver's license issued under this Code may
be cancelled, revoked, or suspended; except that a
conviction upon one or more offenses against laws or
ordinances regulating the movement of traffic shall be
deemed sufficient cause for the revocation, suspension, or
cancellation of a restricted driving permit. The Secretary
of State may, as a condition to the issuance of a
restricted driving permit, require the applicant to
participate in a designated driver remedial or
rehabilitative program. The Secretary of State is
authorized to cancel a restricted driving permit if the
permit holder does not successfully complete the program.

(F) A person subject to the provisions of paragraph 4
of subsection (b) of Section 6-208 of this Code may make application for a restricted driving permit at a hearing conducted under Section 2-118 of this Code after the expiration of 5 years from the effective date of the most recent revocation or after 5 years from the date of release from a period of imprisonment resulting from a conviction of the most recent offense, whichever is later, provided the person, in addition to all other requirements of the Secretary, shows by clear and convincing evidence:

(i) a minimum of 3 years of uninterrupted abstinence from alcohol and the unlawful use or consumption of cannabis under the Cannabis Control Act, a controlled substance under the Illinois Controlled Substances Act, an intoxicating compound under the Use of Intoxicating Compounds Act, or methamphetamine under the Methamphetamine Control and Community Protection Act; and

(ii) the successful completion of any rehabilitative treatment and involvement in any ongoing rehabilitative activity that may be recommended by a properly licensed service provider according to an assessment of the person's alcohol or drug use under Section 11-501.01 of this Code.

In determining whether an applicant is eligible for a restricted driving permit under this subparagraph (F), the Secretary may consider any relevant evidence, including,
but not limited to, testimony, affidavits, records, and the
results of regular alcohol or drug tests. Persons subject
to the provisions of paragraph 4 of subsection (b) of
Section 6-208 of this Code and who have been convicted of
more than one violation of paragraph (3), paragraph (4), or
paragraph (5) of subsection (a) of Section 11-501 of this
Code shall not be eligible to apply for a restricted
driving permit under this subparagraph (F).

A restricted driving permit issued under this
subparagraph (F) shall provide that the holder may only
operate motor vehicles equipped with an ignition interlock
device as required under paragraph (2) of subsection (c) of
Section 6-205 of this Code and subparagraph (A) of
paragraph 3 of subsection (c) of this Section. The
Secretary may revoke a restricted driving permit or amend
the conditions of a restricted driving permit issued under
this subparagraph (F) if the holder operates a vehicle that
is not equipped with an ignition interlock device, or for
any other reason authorized under this Code.

A restricted driving permit issued under this
subparagraph (F) shall be revoked, and the holder barred
from applying for or being issued a restricted driving
permit in the future, if the holder is convicted of a
violation of Section 11-501 of this Code, a similar
provision of a local ordinance, or a similar offense in
another state.
(c-3) In the case of a suspension under paragraph 43 of subsection (a), reports received by the Secretary of State under this Section shall, except during the actual time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the driver licensing administrator of any other state, the Secretary of State, or the parent or legal guardian of a driver under the age of 18. However, beginning January 1, 2008, if the person is a CDL holder, the suspension shall also be made available to the driver licensing administrator of any other state, the U.S. Department of Transportation, and the affected driver or motor carrier or prospective motor carrier upon request.

(c-4) In the case of a suspension under paragraph 43 of subsection (a), the Secretary of State shall notify the person by mail that his or her driving privileges and driver's license will be suspended one month after the date of the mailing of the notice.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant whose driver's license or permit has been suspended before he or she reached the age of 21 years pursuant to any of the provisions of this Section, require the applicant to participate in a driver remedial education course and be retested under Section 6-109 of this Code.

(d) This Section is subject to the provisions of the
Drivers License Compact.

(e) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been suspended or revoked under any provisions of this Code.

(f) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been suspended, revoked, cancelled, or disqualified under any provisions of this Code.

Sec. 6-208.2. Restoration of driving privileges; persons under age 21.

(a) Unless the suspension based upon consumption of alcohol by a minor or refusal to submit to testing has been rescinded by the Secretary of State in accordance with item (c)(3) of Section 6-206 of this Code, a person whose privilege to drive a motor vehicle on the public highways has been suspended under Section 11-501.8 is not eligible for restoration of the privilege until the expiration of:

1. Six months from the effective date of the suspension
for a refusal or failure to complete a test or tests to
determine the alcohol concentration under Section
11-501.8;

2. Three months from the effective date of the
suspension imposed following the person's submission to a
chemical test which disclosed an alcohol concentration
greater than 0.00 under Section 11-501.8;

3. Two years from the effective date of the suspension
for a person who has been previously suspended under
Section 11-501.8 and who refuses or fails to complete a
test or tests to determine the alcohol concentration under
Section 11-501.8; or

4. One year from the effective date of the suspension
imposed for a person who has been previously suspended
under Section 11-501.8 following submission to a chemical
test that disclosed an alcohol concentration greater than
0.00 under Section 11-501.8.

(b) Following a suspension of the privilege to drive a
motor vehicle under Section 11-501.8, full driving privileges
shall be restored unless the person is otherwise disqualified
by this Code.

(c) Full driving privileges may not be restored until all
applicable reinstatement fees, as provided by this Code, have
been paid to the Secretary of State and the appropriate entry
made to the driver's record. The Secretary of State may also,
as a condition of the reissuance of a driver's license or
permit to an individual under the age of 18 years whose driving
privileges have been suspended pursuant to Section 11-501.8,
require the applicant to participate in a driver remedial
education course and be retested under Section 6-109.

(d) Where a driving privilege has been suspended under
Section 11-501.8 and the person is subsequently convicted of
violating Section 11-501, or a similar provision of a local
ordinance, for the same incident, any period served on that
suspension shall be credited toward the minimum period of
revocation of driving privileges imposed under Section 6-205.

(e) Following a suspension of driving privileges under
Section 11-501.8 for a person who has not had his or her
driving privileges previously suspended under that Section,
the Secretary of State may issue a restricted driving permit
after at least 30 days from the effective date of the
suspension.

(f) Following a second or subsequent suspension of driving
privileges under Section 11-501.8, the Secretary of State may
issue a restricted driving permit after at least 12 months from
the effective date of the suspension.

(g) (Blank).

(g-5) Unless otherwise provided in this Code, a person who,
based on the changes in this amendatory Act of the 100th
General Assembly, becomes eligible for a driver's license,
State identification card, or permit, may petition the
Secretary of State for reinstatement of his or her license,
identification card, or permit. The Secretary of State shall act upon the petition within 30 days. The petition for reinstatement shall not be subject to a fee.

(h) Any restricted driving permit considered under this Section is subject to the provisions of item (e) of Section 11-501.8.

(a) The Secretary of State upon cancelling, suspending or revoking a license or permit shall immediately notify the holder thereof in writing and shall require that such license or permit shall be surrendered to and retained by the Secretary of State. However, upon payment of the reinstatement fee set out in subsection (g) of Section 6-118 at the end of any period of suspension of a license the licensee, if not ineligible for some other reason, shall be entitled to reinstatement of driving privileges and the return of his license if it has not then expired; or, in case it has expired, to apply for a new license.

(625 ILCS 5/6-306.5) (from Ch. 95 1/2, par. 6-306.5)

Sec. 6-306.5. Failure to pay fine or penalty for standing, parking, compliance, automated speed enforcement system, or automated traffic law violations; suspension of driving privileges.

(a) Upon receipt of a certified report, as prescribed by subsection (c) of this Section, from any municipality or county stating that the owner of a registered vehicle: (1) has failed to pay any fine or penalty due and owing as a result of 10 or more violations of a municipality's or county's vehicular standing, parking, or compliance regulations established by ordinance pursuant to Section 11-208.3 of this Code, (2) has failed to pay any fine or penalty due and owing as a result of 5 offenses for automated speed enforcement system violations or automated traffic violations as defined in Sections 11-208.6, 11-208.8, 11-208.9, or 11-1201.1, or combination thereof, or (3) is more than 14 days in default of a payment plan pursuant to which a suspension had been terminated under subsection (c) of this Section, the Secretary of State shall suspend the driving privileges of such person in accordance with the
procedures set forth in this Section. The Secretary shall also suspend the driving privileges of an owner of a registered vehicle upon receipt of a certified report, as prescribed by subsection (f) of this Section, from any municipality or county stating that such person has failed to satisfy any fines or penalties imposed by final judgments for 5 or more automated speed enforcement system or automated traffic law violations, or combination thereof, or 10 or more violations of local standing, parking, or compliance regulations after exhaustion of judicial review procedures.

(b) Following receipt of the certified report of the municipality or county as specified in this Section, the Secretary of State shall notify the person whose name appears on the certified report that the person's drivers license will be suspended at the end of a specified period of time unless the Secretary of State is presented with a notice from the municipality or county certifying that the fine or penalty due and owing the municipality or county has been paid or that inclusion of that person's name on the certified report was in error. The Secretary's notice shall state in substance the information contained in the municipality's or county's certified report to the Secretary, and shall be effective as specified by subsection (c) of Section 6-211 of this Code.

(c) The report of the appropriate municipal or county official notifying the Secretary of State of unpaid fines or penalties pursuant to this Section shall be certified and shall
contain the following:

(1) The name, last known address as recorded with the Secretary of State, as provided by the lessor of the cited vehicle at the time of lease, or as recorded in a United States Post Office approved database if any notice sent under Section 11-208.3 of this Code is returned as undeliverable, and drivers license number of the person who failed to pay the fine or penalty or who has defaulted in a payment plan and the registration number of any vehicle known to be registered to such person in this State.

(2) The name of the municipality or county making the report pursuant to this Section.

(3) A statement that the municipality or county sent a notice of impending drivers license suspension as prescribed by ordinance enacted pursuant to Section 11-208.3 of this Code or a notice of default in a payment plan, to the person named in the report at the address recorded with the Secretary of State or at the last address known to the lessor of the cited vehicle at the time of lease or, if any notice sent under Section 11-208.3 of this Code is returned as undeliverable, at the last known address recorded in a United States Post Office approved database; the date on which such notice was sent; and the address to which such notice was sent. In a municipality or county with a population of 1,000,000 or more, the report shall also include a statement that the alleged violator's
State vehicle registration number and vehicle make, if specified on the automated speed enforcement system violation or automated traffic law violation notice, are correct as they appear on the citations.

(4) A unique identifying reference number for each request of suspension sent whenever a person has failed to pay the fine or penalty or has defaulted on a payment plan.

(d) Any municipality or county making a certified report to the Secretary of State pursuant to this Section shall notify the Secretary of State, in a form prescribed by the Secretary, whenever a person named in the certified report has paid the previously reported fine or penalty, whenever a person named in the certified report has entered into a payment plan pursuant to which the municipality or county has agreed to terminate the suspension, or whenever the municipality or county determines that the original report was in error. A certified copy of such notification shall also be given upon request and at no additional charge to the person named therein. Upon receipt of the municipality's or county's notification or presentation of a certified copy of such notification, the Secretary of State shall terminate the suspension.

(e) Any municipality or county making a certified report to the Secretary of State pursuant to this Section shall also by ordinance establish procedures for persons to challenge the accuracy of the certified report. The ordinance shall also state the grounds for such a challenge, which may be limited to
(1) the person not having been the owner or lessee of the
vehicle or vehicles receiving 10 or more standing, parking, or
compliance violation notices or a combination of 5 or more
automated speed enforcement system or automated traffic law
violations on the date or dates such notices were issued; and
(2) the person having already paid the fine or penalty for the
10 or more standing, parking, or compliance violations or
combination of 5 or more automated speed enforcement system or
automated traffic law violations indicated on the certified
report.

(f) Any municipality or county, other than a municipality
or county establishing vehicular standing, parking, and
compliance regulations pursuant to Section 11-208.3, automated
speed enforcement system regulations under Section 11-208.8,
or automated traffic law regulations under Section 11-208.6,
11-208.9, or 11-1201.1, may also cause a suspension of a
person's drivers license pursuant to this Section. Such
municipality or county may invoke this sanction by making a
certified report to the Secretary of State upon a person's
failure to satisfy any fine or penalty imposed by final
judgment for 10 or more violations of local standing, parking,
compliance regulations or a combination of 5 or more
automated speed enforcement system or automated traffic law
violations after exhaustion of judicial review procedures, but
only if:

(1) the municipality or county complies with the
provisions of this Section in all respects except in regard
to enacting an ordinance pursuant to Section 11-208.3;

(2) the municipality or county has sent a notice of
impending drivers license suspension as prescribed by an
ordinance enacted pursuant to subsection (g) of this
Section; and

(3) in municipalities or counties with a population of
1,000,000 or more, the municipality or county has verified
that the alleged violator's State vehicle registration
number and vehicle make are correct as they appear on the
citations.

(g) Any municipality or county, other than a municipality
or county establishing standing, parking, and compliance
regulations pursuant to Section 11-208.3, automated speed
enforcement system regulations under Section 11-208.8, or
automated traffic law regulations under Section 11-208.6,
11-208.9, or 11-1201.1, may provide by ordinance for the
sending of a notice of impending drivers license suspension to
the person who has failed to satisfy any fine or penalty
imposed by final judgment for 10 or more violations of local
standing, parking, or compliance regulations or a combination
of 5 or more automated speed enforcement system or automated
traffic law violations after exhaustion of judicial review
procedures. An ordinance so providing shall specify that the
notice sent to the person liable for any fine or penalty shall
state that failure to pay the fine or penalty owing within 45
days of the notice's date will result in the municipality or county notifying the Secretary of State that the person's drivers license is eligible for suspension pursuant to this Section. The notice of impending drivers license suspension shall be sent by first class United States mail, postage prepaid, to the address recorded with the Secretary of State or at the last address known to the lessor of the cited vehicle at the time of lease or, if any notice sent under Section 11-208.3 of this Code is returned as undeliverable, to the last known address recorded in a United States Post Office approved database.

(h) An administrative hearing to contest an impending suspension or a suspension made pursuant to this Section may be had upon filing a written request with the Secretary of State. The filing fee for this hearing shall be $20, to be paid at the time the request is made. A municipality or county which files a certified report with the Secretary of State pursuant to this Section shall reimburse the Secretary for all reasonable costs incurred by the Secretary as a result of the filing of the report, including but not limited to the costs of providing the notice required pursuant to subsection (b) and the costs incurred by the Secretary in any hearing conducted with respect to the report pursuant to this subsection and any appeal from such a hearing.

(i) The provisions of this Section shall apply on and after January 1, 1988.
(j) For purposes of this Section, the term "compliance violation" is defined as in Section 11-208.3.

Sec. 6-308. Procedures for traffic violations.
(a) Any person cited for violating this Code or a similar provision of a local ordinance for which a violation is a petty offense as defined by Section 5-1-17 of the Unified Code of Corrections, excluding business offenses as defined by Section 5-1-2 of the Unified Code of Corrections or a violation of Section 15-111 or subsection (d) of Section 3-401 of this Code, shall not be required to post bond to secure bail for his or her release. When required by Illinois Supreme Court Rule, the person shall sign the citation. All other provisions of this Code or similar provisions of local ordinances shall be governed by the bail provisions of the Illinois Supreme Court Rules when it is not practical or feasible to take the person before a judge to have bail set or to avoid undue delay because of the hour or circumstances.

(b) (Blank). Whenever a person fails to appear in court, the court may continue the case for a minimum of 30 days and the clerk of the court shall send notice of the continued court date to the person's last known address. If the person does not appear in court on or before the continued court date or
satisfy the court that the person's appearance in and surrender
to the court is impossible for no fault of the person, the
court shall enter an order of failure to appear. The clerk of
the court shall notify the Secretary of State, on a report
prescribed by the Secretary, of the court's order. The
Secretary, when notified by the clerk of the court that an
order of failure to appear has been entered, shall immediately
suspend the person's driver's license, which shall be
designated by the Secretary as a Failure to Appear suspension.
The Secretary shall not remove the suspension, nor issue any
permit or privileges to the person whose license has been
suspended, until notified by the ordering court that the person
has appeared and resolved the violation. Upon compliance, the
clerk of the court shall present the person with a notice of
compliance containing the seal of the court, and shall notify
the Secretary that the person has appeared and resolved the
violation.

(625 ILCS 5/11-208.3) (from Ch. 95 1/2, par. 11-208.3)

Sec. 11-208.3. Administrative adjudication of violations
of traffic regulations concerning the standing, parking, or
condition of vehicles, automated traffic law violations, and
automated speed enforcement system violations.

(a) Any municipality or county may provide by ordinance for
a system of administrative adjudication of vehicular standing
and parking violations and vehicle compliance violations as described in this subsection, automated traffic law violations as defined in Section 11-208.6, 11-208.9, or 11-1201.1, and automated speed enforcement system violations as defined in Section 11-208.8. The administrative system shall have as its purpose the fair and efficient enforcement of municipal or county regulations through the administrative adjudication of automated speed enforcement system or automated traffic law violations and violations of municipal or county ordinances regulating the standing and parking of vehicles, the condition and use of vehicle equipment, and the display of municipal or county wheel tax licenses within the municipality's or county's borders. The administrative system shall only have authority to adjudicate civil offenses carrying fines not in excess of $500 or requiring the completion of a traffic education program, or both, that occur after the effective date of the ordinance adopting such a system under this Section. For purposes of this Section, "compliance violation" means a violation of a municipal or county regulation governing the condition or use of equipment on a vehicle or governing the display of a municipal or county wheel tax license.

(b) Any ordinance establishing a system of administrative adjudication under this Section shall provide for:

(1) A traffic compliance administrator authorized to adopt, distribute and process parking, compliance, and automated speed enforcement system or automated traffic
law violation notices and other notices required by this Section, collect money paid as fines and penalties for violation of parking and compliance ordinances and automated speed enforcement system or automated traffic law violations, and operate an administrative adjudication system. The traffic compliance administrator also may make a certified report to the Secretary of State under Section 6-306.5.

(2) A parking, standing, compliance, automated speed enforcement system, or automated traffic law violation notice that shall specify the date, time, and place of violation of a parking, standing, compliance, automated speed enforcement system, or automated traffic law regulation; the particular regulation violated; any requirement to complete a traffic education program; the fine and any penalty that may be assessed for late payment or failure to complete a required traffic education program, or both, when so provided by ordinance; the vehicle make and state registration number; and the identification number of the person issuing the notice. With regard to automated speed enforcement system or automated traffic law violations, vehicle make shall be specified on the automated speed enforcement system or automated traffic law violation notice if the make is available and readily discernible. With regard to municipalities or counties with a population of 1 million
or more, it shall be grounds for dismissal of a parking violation if the state registration number or vehicle make specified is incorrect. The violation notice shall state that the completion of any required traffic education program, the payment of any indicated fine, and the payment of any applicable penalty for late payment or failure to complete a required traffic education program, or both, shall operate as a final disposition of the violation. The notice also shall contain information as to the availability of a hearing in which the violation may be contested on its merits. The violation notice shall specify the time and manner in which a hearing may be had.

(3) Service of the parking, standing, or compliance violation notice by affixing the original or a facsimile of the notice to an unlawfully parked vehicle or by handing the notice to the operator of a vehicle if he or she is present and service of an automated speed enforcement system or automated traffic law violation notice by mail to the address of the registered owner or lessee of the cited vehicle as recorded with the Secretary of State or the lessor of the motor vehicle within 30 days after the Secretary of State or the lessor of the motor vehicle notifies the municipality or county of the identity of the owner or lessee of the vehicle, but not later than 90 days after the violation, except that in the case of a lessee of a motor vehicle, service of an automated traffic law
violation notice may occur no later than 210 days after the violation. A person authorized by ordinance to issue and serve parking, standing, and compliance violation notices shall certify as to the correctness of the facts entered on the violation notice by signing his or her name to the notice at the time of service or in the case of a notice produced by a computerized device, by signing a single certificate to be kept by the traffic compliance administrator attesting to the correctness of all notices produced by the device while it was under his or her control. In the case of an automated traffic law violation, the ordinance shall require a determination by a technician employed or contracted by the municipality or county that, based on inspection of recorded images, the motor vehicle was being operated in violation of Section 11-208.6, 11-208.9, or 11-1201.1 or a local ordinance. If the technician determines that the vehicle entered the intersection as part of a funeral procession or in order to yield the right-of-way to an emergency vehicle, a citation shall not be issued. In municipalities with a population of less than 1,000,000 inhabitants and counties with a population of less than 3,000,000 inhabitants, the automated traffic law ordinance shall require that all determinations by a technician that a motor vehicle was being operated in violation of Section 11-208.6, 11-208.9, or 11-1201.1 or a local ordinance must be reviewed and
approved by a law enforcement officer or retired law enforcement officer of the municipality or county issuing the violation. In municipalities with a population of 1,000,000 or more inhabitants and counties with a population of 3,000,000 or more inhabitants, the automated traffic law ordinance shall require that all determinations by a technician that a motor vehicle was being operated in violation of Section 11-208.6, 11-208.9, or 11-1201.1 or a local ordinance must be reviewed and approved by a law enforcement officer or retired law enforcement officer of the municipality or county issuing the violation or by an additional fully-trained reviewing technician who is not employed by the contractor who employs the technician who made the initial determination.

In the case of an automated speed enforcement system violation, the ordinance shall require a determination by a technician employed by the municipality, based upon an inspection of recorded images, video or other documentation, including documentation of the speed limit and automated speed enforcement signage, and documentation of the inspection, calibration, and certification of the speed equipment, that the vehicle was being operated in violation of Article VI of Chapter 11 of this Code or a similar local ordinance. If the technician determines that the vehicle speed was not determined by a calibrated, certified speed equipment device based upon the speed
equipment documentation, or if the vehicle was an emergency vehicle, a citation may not be issued. The automated speed enforcement ordinance shall require that all determinations by a technician that a violation occurred be reviewed and approved by a law enforcement officer or retired law enforcement officer of the municipality issuing the violation or by an additional fully trained reviewing technician who is not employed by the contractor who employs the technician who made the initial determination. Routine and independent calibration of the speeds produced by automated speed enforcement systems and equipment shall be conducted annually by a qualified technician. Speeds produced by an automated speed enforcement system shall be compared with speeds produced by lidar or other independent equipment. Radar or lidar equipment shall undergo an internal validation test no less frequently than once each week. Qualified technicians shall test loop based equipment no less frequently than once a year. Radar equipment shall be checked for accuracy by a qualified technician when the unit is serviced, when unusual or suspect readings persist, or when deemed necessary by a reviewing technician. Radar equipment shall be checked with the internal frequency generator and the internal circuit test whenever the radar is turned on. Technicians must be alert for any unusual or suspect readings, and if unusual or suspect readings of a radar
unit persist, that unit shall immediately be removed from
service and not returned to service until it has been
checked by a qualified technician and determined to be
functioning properly. Documentation of the annual
calibration results, including the equipment tested, test
date, technician performing the test, and test results,
shall be maintained and available for use in the
determination of an automated speed enforcement system
violation and issuance of a citation. The technician
performing the calibration and testing of the automated
speed enforcement equipment shall be trained and certified
in the use of equipment for speed enforcement purposes.
Training on the speed enforcement equipment may be
conducted by law enforcement, civilian, or manufacturer's
personnel and if applicable may be equivalent to the
equipment use and operations training included in the Speed
Measuring Device Operator Program developed by the
The vendor or technician who performs the work shall keep
accurate records on each piece of equipment the technician
calibrates and tests. As used in this paragraph,
"fully-trained reviewing technician" means a person who
has received at least 40 hours of supervised training in
subjects which shall include image inspection and
interpretation, the elements necessary to prove a
violation, license plate identification, and traffic
safety and management. In all municipalities and counties, the automated speed enforcement system or automated traffic law ordinance shall require that no additional fee shall be charged to the alleged violator for exercising his or her right to an administrative hearing, and persons shall be given at least 25 days following an administrative hearing to pay any civil penalty imposed by a finding that Section 11-208.6, 11-208.8, 11-208.9, or 11-1201.1 or a similar local ordinance has been violated. The original or a facsimile of the violation notice or, in the case of a notice produced by a computerized device, a printed record generated by the device showing the facts entered on the notice, shall be retained by the traffic compliance administrator, and shall be a record kept in the ordinary course of business. A parking, standing, compliance, automated speed enforcement system, or automated traffic law violation notice issued, signed and served in accordance with this Section, a copy of the notice, or the computer generated record shall be prima facie correct and shall be prima facie evidence of the correctness of the facts shown on the notice. The notice, copy, or computer generated record shall be admissible in any subsequent administrative or legal proceedings.

(4) An opportunity for a hearing for the registered owner of the vehicle cited in the parking, standing, compliance, automated speed enforcement system, or
automated traffic law violation notice in which the owner may contest the merits of the alleged violation, and during which formal or technical rules of evidence shall not apply; provided, however, that under Section 11-1306 of this Code the lessee of a vehicle cited in the violation notice likewise shall be provided an opportunity for a hearing of the same kind afforded the registered owner. The hearings shall be recorded, and the person conducting the hearing on behalf of the traffic compliance administrator shall be empowered to administer oaths and to secure by subpoena both the attendance and testimony of witnesses and the production of relevant books and papers. Persons appearing at a hearing under this Section may be represented by counsel at their expense. The ordinance may also provide for internal administrative review following the decision of the hearing officer.

(5) Service of additional notices, sent by first class United States mail, postage prepaid, to the address of the registered owner of the cited vehicle as recorded with the Secretary of State or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database, or, under Section 11-1306 or subsection (p) of Section 11-208.6 or 11-208.9, or subsection (p) of Section 11-208.8 of this Code, to the lessee of the cited vehicle at the last address known to the lessor of the cited vehicle at
the time of lease or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database. The service shall be deemed complete as of the date of deposit in the United States mail. The notices shall be in the following sequence and shall include but not be limited to the information specified herein:

(i) A second notice of parking, standing, or compliance violation. This notice shall specify the date and location of the violation cited in the parking, standing, or compliance violation notice, the particular regulation violated, the vehicle make and state registration number, any requirement to complete a traffic education program, the fine and any penalty that may be assessed for late payment or failure to complete a traffic education program, or both, when so provided by ordinance, the availability of a hearing in which the violation may be contested on its merits, and the time and manner in which the hearing may be had. The notice of violation shall also state that failure to complete a required traffic education program, to pay the indicated fine and any applicable penalty, or to appear at a hearing on the merits in the time and manner specified, will result in a final determination of violation liability for the cited violation in the amount of the fine or penalty indicated, and that, upon
the occurrence of a final determination of violation liability for the failure, and the exhaustion of, or failure to exhaust, available administrative or judicial procedures for review, any incomplete traffic education program or any unpaid fine or penalty, or both, will constitute a debt due and owing the municipality or county.

(ii) A notice of final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability. This notice shall be sent following a final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability and the conclusion of judicial review procedures taken under this Section. The notice shall state that the incomplete traffic education program or the unpaid fine or penalty, or both, is a debt due and owing the municipality or county. The notice shall contain warnings that failure to complete any required traffic education program or to pay any fine or penalty due and owing the municipality or county, or both, within the time specified may result in the municipality's or county's filing of a petition in the Circuit Court to have the incomplete traffic education program or unpaid fine or penalty, or both, rendered a judgment as provided by
this Section, or, where applicable, may result in
suspension of the person's driver's license for failure
to complete a traffic education program or to pay fines
or penalties, or both, for 10 or more parking
violations under Section 6-306.5, or a combination of 5
or more automated traffic law violations under Section
11-208.6 or 11-208.9 or automated speed enforcement
system violations under Section 11-208.8.

(6) A notice of impending driver's license suspension.

This notice shall be sent to the person liable for failure
to complete a required traffic education program or to pay
any fine or penalty that remains due and owing, or both, on
10 or more parking violations or combination of 5 or more
unpaid automated speed enforcement system or automated
traffic law violations. The notice shall state that failure
to complete a required traffic education program or to pay
the fine or penalty owing, or both, within 45 days of the
notice's date will result in the municipality or county
notifying the Secretary of State that the person is
eligible for initiation of suspension proceedings under
Section 6-306.5 of this Code. The notice shall also state
that the person may obtain a photostatic copy of an
original ticket imposing a fine or penalty by sending a
self addressed, stamped envelope to the municipality or
county along with a request for the photostatic copy. The
notice of impending driver's license suspension shall be
sent by first class United States mail, postage prepaid, to
the address recorded with the Secretary of State or, if any
notice to that address is returned as undeliverable, to the
last known address recorded in a United States Post Office
approved database.

(7) Final determinations of violation liability. A
final determination of violation liability shall occur
following failure to complete the required traffic
education program or to pay the fine or penalty, or both,
after a hearing officer's determination of violation
liability and the exhaustion of or failure to exhaust any
administrative review procedures provided by ordinance.
Where a person fails to appear at a hearing to contest the
alleged violation in the time and manner specified in a
prior mailed notice, the hearing officer's determination
of violation liability shall become final: (A) upon denial
of a timely petition to set aside that determination, or
(B) upon expiration of the period for filing the petition
without a filing having been made.

(8) A petition to set aside a determination of parking,
standing, compliance, automated speed enforcement system,
or automated traffic law violation liability that may be
filed by a person owing an unpaid fine or penalty. A
petition to set aside a determination of liability may also
be filed by a person required to complete a traffic
education program. The petition shall be filed with and
ruled upon by the traffic compliance administrator in the manner and within the time specified by ordinance. The grounds for the petition may be limited to: (A) the person not having been the owner or lessee of the cited vehicle on the date the violation notice was issued, (B) the person having already completed the required traffic education program or paid the fine or penalty, or both, for the violation in question, and (C) excusable failure to appear at or request a new date for a hearing. With regard to municipalities or counties with a population of 1 million or more, it shall be grounds for dismissal of a parking violation if the state registration number, or vehicle make if specified, is incorrect. After the determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability has been set aside upon a showing of just cause, the registered owner shall be provided with a hearing on the merits for that violation.

(9) Procedures for non-residents. Procedures by which persons who are not residents of the municipality or county may contest the merits of the alleged violation without attending a hearing.

(10) A schedule of civil fines for violations of vehicular standing, parking, compliance, automated speed enforcement system, or automated traffic law regulations enacted by ordinance pursuant to this Section, and a
schedule of penalties for late payment of the fines or
failure to complete required traffic education programs,
provided, however, that the total amount of the fine and
penalty for any one violation shall not exceed $250, except
as provided in subsection (c) of Section 11-1301.3 of this
Code.

(11) Other provisions as are necessary and proper to
carry into effect the powers granted and purposes stated in
this Section.

(c) Any municipality or county establishing vehicular
standing, parking, compliance, automated speed enforcement
system, or automated traffic law regulations under this Section
may also provide by ordinance for a program of vehicle
immobilization for the purpose of facilitating enforcement of
those regulations. The program of vehicle immobilization shall
provide for immobilizing any eligible vehicle upon the public
way by presence of a restraint in a manner to prevent operation
of the vehicle. Any ordinance establishing a program of vehicle
immobilization under this Section shall provide:

(1) Criteria for the designation of vehicles eligible
for immobilization. A vehicle shall be eligible for
immobilization when the registered owner of the vehicle has
accumulated the number of incomplete traffic education
programs or unpaid final determinations of parking,
standing, compliance, automated speed enforcement system,
or automated traffic law violation liability, or both, as
determined by ordinance.

(2) A notice of impending vehicle immobilization and a right to a hearing to challenge the validity of the notice by disproving liability for the incomplete traffic education programs or unpaid final determinations of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability, or both, listed on the notice.

(3) The right to a prompt hearing after a vehicle has been immobilized or subsequently towed without the completion of the required traffic education program or payment of the outstanding fines and penalties on parking, standing, compliance, automated speed enforcement system, or automated traffic law violations, or both, for which final determinations have been issued. An order issued after the hearing is a final administrative decision within the meaning of Section 3-101 of the Code of Civil Procedure.

(4) A post immobilization and post-towing notice advising the registered owner of the vehicle of the right to a hearing to challenge the validity of the impoundment.

(d) Judicial review of final determinations of parking, standing, compliance, automated speed enforcement system, or automated traffic law violations and final administrative decisions issued after hearings regarding vehicle immobilization and impoundment made under this Section shall be
subject to the provisions of the Administrative Review Law.

(e) Any fine, penalty, incomplete traffic education
program, or part of any fine or any penalty remaining unpaid
after the exhaustion of, or the failure to exhaust,
administrative remedies created under this Section and the
conclusion of any judicial review procedures shall be a debt
due and owing the municipality or county and, as such, may be
collected in accordance with applicable law. Completion of any
required traffic education program and payment in full of any
fine or penalty resulting from a standing, parking, compliance,
automated speed enforcement system, or automated traffic law
violation shall constitute a final disposition of that violation.

(f) After the expiration of the period within which
judicial review may be sought for a final determination of
parking, standing, compliance, automated speed enforcement
system, or automated traffic law violation, the municipality or
county may commence a proceeding in the Circuit Court for
purposes of obtaining a judgment on the final determination of
violation. Nothing in this Section shall prevent a municipality
or county from consolidating multiple final determinations of
parking, standing, compliance, automated speed enforcement
system, or automated traffic law violations against a person in
a proceeding. Upon commencement of the action, the municipality
or county shall file a certified copy or record of the final
determination of parking, standing, compliance, automated
speed enforcement system, or automated traffic law violation, which shall be accompanied by a certification that recites facts sufficient to show that the final determination of violation was issued in accordance with this Section and the applicable municipal or county ordinance. Service of the summons and a copy of the petition may be by any method provided by Section 2-203 of the Code of Civil Procedure or by certified mail, return receipt requested, provided that the total amount of fines and penalties for final determinations of parking, standing, compliance, automated speed enforcement system, or automated traffic law violations does not exceed $2500. If the court is satisfied that the final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation was entered in accordance with the requirements of this Section and the applicable municipal or county ordinance, and that the registered owner or the lessee, as the case may be, had an opportunity for an administrative hearing and for judicial review as provided in this Section, the court shall render judgment in favor of the municipality or county and against the registered owner or the lessee for the amount indicated in the final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation, plus costs. The judgment shall have the same effect and may be enforced in the same manner as other judgments for the recovery of money.
(g) The fee for participating in a traffic education program under this Section shall not exceed $25.
A low-income individual required to complete a traffic education program under this Section who provides proof of eligibility for the federal earned income tax credit under Section 32 of the Internal Revenue Code or the Illinois earned income tax credit under Section 212 of the Illinois Income Tax Act shall not be required to pay any fee for participating in a required traffic education program.
