A BILL FOR

1 AN ACT making appropriations.

2 **Be it enacted by the People of the State of Illinois, represented**
3 **in the General Assembly:**

4 ARTICLE 0.2

5 Section 1. Purpose. This Act makes appropriations or
6 reappropriations for State fiscal year 2018. Articles 1
7 through 6 contain reappropriations of certain appropriations
8 as may have been appropriated for State fiscal year 2017 by a
9 Public Act of the 100th General Assembly. To the extent that
10 such a Public Act has not been enacted, Articles 7 through 12
11 contain appropriations of identical amounts and purposes to
12 those in Articles 1 through 6 but as new appropriations rather
13 than as reappropriations. Section 99 of Article 99 sets forth
14 an effective date that causes Articles 1 through 6 to become
15 effective if and only if an applicable Public Act of the 100th
16 General Assembly should be enacted; should such not be enacted,
17 the Section causes Articles 7 through 12 to become effective.

18 ARTICLE 0.5

19 Section 1. It is the intent of the State that all or a

1 portion of the costs of projects funded by appropriations made
2 in this Act from the Capital Development Fund, the School
3 Construction Fund, the Anti-Pollution Fund, the Transportation
4 Bond Series A Fund, the Transportation Bond Series B Fund, the
5 Coal Development Fund, the Transportation Bond Series D Fund,
6 and the Build Illinois Bond Fund will be paid or reimbursed
7 from the proceeds of tax-exempt bonds subsequently issued by
8 the State.
