

SB2463

100TH GENERAL ASSEMBLY

State of Illinois

2017 and 2018

SB2463

Introduced 1/30/2018, by Sen. John G. Mulroe

SYNOPSIS AS INTRODUCED:

410 ILCS 240/1

from Ch. 111 1/2, par. 4903

Amends the Newborn Metabolic Screening Act. Makes a technical change in a Section concerning rules of the Department of Public Health.

LRB100 18291 MJP 33496 b

A BILL FOR

1 AN ACT concerning health.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Newborn Metabolic Screening Act is amended
5 by changing Section 1 as follows:

6 (410 ILCS 240/1) (from Ch. 111 1/2, par. 4903)

7 Sec. 1. The ~~The~~ Illinois Department of Public Health shall
8 promulgate and enforce rules and regulations requiring that
9 every newborn be subjected to tests for genetic, metabolic, and
10 congenital anomalies as the Department may deem necessary. The
11 Department is empowered to promulgate such additional rules and
12 regulations as are found necessary for the administration of
13 this Act, including mandatory reporting of the results of all
14 tests for these conditions to the Illinois Department of Public
15 Health.
