8 be cited as the Property Tax Extension Limitation Law. As used
9 in this Division 5:

22 corporate extension for the taxing district and those special
23 purpose extensions that are made annually for the taxing
24 district, excluding special purpose extensions: (a) made for

10 payment of which a property tax levy or the full faith and
11 credit of the unit of local government is pledged; however, a

13 shall be made only after the governing body of the unit of
14 local government finds that all other sources for payment are
15 insufficient to make those payments; (f) made for payments

3 referendum; (j) made for payments of principal and interest on

18 on or after that date); (k) made to fund expenses of providing

25 only after the governing body of the unit of local government
26 finds that all other sources for payment are insufficient to

1 make those payments; (f) made for payments under a building

6 into before the effective date of this amendatory Act of 1997;
7 (h) made for payments of principal and interest on limited
8 bonds, as defined in Section 3 of the Local Government Debt

20 not including any amendments to such a contract taking effect
21 on or after that date); (k) made to fund expenses of providing

25 to a firefighter's pension fund created under Article 4 of the
26 Illinois Pension Code, to the extent of the amount certified

1 under item (5) of Section 4-134 of the Illinois Pension Code.

2 "Debt service extension base" means an amount equal to that
3 portion of the extension for a taxing district for the 1994
4 levy year, or for those taxing districts subject to this Law in
5 accordance with Section 18-213, except for those subject to
6 paragraph (2) of subsection (e) of Section 18-213, for the levy
7 year in which the referendum making this Law applicable to the
8 taxing district is held, or for those taxing districts subject
9 to this Law in accordance with paragraph (2) of subsection (e)
10 of Section 18-213 for the 1996 levy year, constituting an
11 extension for payment of principal and interest on bonds issued
12 by the taxing district without referendum, but not including
13 excluded non-referendum bonds. For park districts (i) that were
14 first subject to this Law in 1991 or 1995 and (ii) whose
15 extension for the 1994 levy year for the payment of principal
16 and interest on bonds issued by the park district without
17 referendum (but not including excluded non-referendum bonds)
18 was less than 51% of the amount for the 1991 levy year
19 constituting an extension for payment of principal and interest
20 on bonds issued by the park district without referendum (but
21 not including excluded non-referendum bonds), "debt service
22 extension base" means an amount equal to that portion of the
23 extension for the 1991 levy year constituting an extension for
24 payment of principal and interest on bonds issued by the park
25 district without referendum (but not including excluded
26 non-referendum bonds). A debt service extension base

1 established or increased at any time pursuant to any provision
2 of this Law, except Section 18-212, shall be increased each
3 year commencing with the later of (i) the 2009 levy year or
4 (ii) the first levy year in which this Law becomes applicable
5 to the taxing district, by the lesser of 5% or the percentage
6 increase in the Consumer Price Index during the 12-month
7 calendar year preceding the levy year. The debt service
8 extension base may be established or increased as provided
9 under Section 18-212. "Excluded non-referendum bonds" means
10 (i) bonds authorized by Public Act 88-503 and issued under
11 Section 20a of the Chicago Park District Act for aquarium and
12 museum projects; (ii) bonds issued under Section 15 of the
13 Local Government Debt Reform Act; or (iii) refunding
14 obligations issued to refund or to continue to refund
15 obligations initially issued pursuant to referendum.

16 "Special purpose extensions" include, but are not limited
17 to, extensions for levies made on an annual basis for
18 unemployment and workers' compensation, self-insurance,
19 contributions to pension plans, and extensions made pursuant to
20 Section 6-601 of the Illinois Highway Code for a road
21 district's permanent road fund whether levied annually or not.
22 The extension for a special service area is not included in the
23 aggregate extension.

24 "Aggregate extension base" means the taxing district's
25 last preceding aggregate extension as adjusted under Sections
26 18-135, 18-215, 18-230, and 18-206. An adjustment under Section

1 18-135 shall be made for the 2007 levy year and all subsequent
2 levy years whenever one or more counties within which a taxing
3 district is located (i) used estimated valuations or rates when
4 extending taxes in the taxing district for the last preceding
5 levy year that resulted in the over or under extension of
6 taxes, or (ii) increased or decreased the tax extension for the
7 last preceding levy year as required by Section 18-135(c).
8 Whenever an adjustment is required under Section 18-135, the
9 aggregate extension base of the taxing district shall be equal
10 to the amount that the aggregate extension of the taxing
11 district would have been for the last preceding levy year if
12 either or both (i) actual, rather than estimated, valuations or
13 rates had been used to calculate the extension of taxes for the
14 last levy year, or (ii) the tax extension for the last
15 preceding levy year had not been adjusted as required by
16 subsection (c) of Section 18-135.

17 Notwithstanding any other provision of law, for levy year
18 2012, the aggregate extension base for West Northfield School
19 District No. 31 in Cook County shall be \$12,654,592.

20 "Levy year" has the same meaning as "year" under Section
21 1-155.

22 "New property" means (i) the assessed value, after final
23 board of review or board of appeals action, of new improvements
24 or additions to existing improvements on any parcel of real
25 property that increase the assessed value of that real property
26 during the levy year multiplied by the equalization factor

1 issued by the Department under Section 17-30, (ii) the assessed
2 value, after final board of review or board of appeals action,
3 of real property not exempt from real estate taxation, which
4 real property was exempt from real estate taxation for any
5 portion of the immediately preceding levy year, multiplied by
6 the equalization factor issued by the Department under Section
7 17-30, including the assessed value, upon final stabilization
8 of occupancy after new construction is complete, of any real
9 property located within the boundaries of an otherwise or
10 previously exempt military reservation that is intended for
11 residential use and owned by or leased to a private corporation
12 or other entity, (iii) in counties that classify in accordance
13 with Section 4 of Article IX of the Illinois Constitution, an
14 incentive property's additional assessed value resulting from
15 a scheduled increase in the level of assessment as applied to
16 the first year final board of review market value, and (iv) any
17 increase in assessed value due to oil or gas production from an
18 oil or gas well required to be permitted under the Hydraulic
19 Fracturing Regulatory Act that was not produced in or accounted
20 for during the previous levy year. In addition, the county
21 clerk in a county containing a population of 3,000,000 or more
22 shall include in the 1997 recovered tax increment value for any
23 school district, any recovered tax increment value that was
24 applicable to the 1995 tax year calculations.

25 "Qualified airport authority" means an airport authority
26 organized under the Airport Authorities Act and located in a

1 county bordering on the State of Wisconsin and having a
2 population in excess of 200,000 and not greater than 500,000.

3 "Recovered tax increment value" means, except as otherwise
4 provided in this paragraph, the amount of the current year's
5 equalized assessed value, in the first year after a
6 municipality terminates the designation of an area as a
7 redevelopment project area previously established under the
8 Tax Increment Allocation Development Act in the Illinois
9 Municipal Code, previously established under the Industrial
10 Jobs Recovery Law in the Illinois Municipal Code, previously
11 established under the Economic Development Project Area Tax
12 Increment Act of 1995, or previously established under the
13 Economic Development Area Tax Increment Allocation Act, of each
14 taxable lot, block, tract, or parcel of real property in the
15 redevelopment project area over and above the initial equalized
16 assessed value of each property in the redevelopment project
17 area. For the taxes which are extended for the 1997 levy year,
18 the recovered tax increment value for a non-home rule taxing
19 district that first became subject to this Law for the 1995
20 levy year because a majority of its 1994 equalized assessed
21 value was in an affected county or counties shall be increased
22 if a municipality terminated the designation of an area in 1993
23 as a redevelopment project area previously established under
24 the Tax Increment Allocation Development Act in the Illinois
25 Municipal Code, previously established under the Industrial
26 Jobs Recovery Law in the Illinois Municipal Code, or previously

1 established under the Economic Development Area Tax Increment
2 Allocation Act, by an amount equal to the 1994 equalized
3 assessed value of each taxable lot, block, tract, or parcel of
4 real property in the redevelopment project area over and above
5 the initial equalized assessed value of each property in the
6 redevelopment project area. In the first year after a
7 municipality removes a taxable lot, block, tract, or parcel of
8 real property from a redevelopment project area established
9 under the Tax Increment Allocation Development Act in the
10 Illinois Municipal Code, the Industrial Jobs Recovery Law in
11 the Illinois Municipal Code, or the Economic Development Area
12 Tax Increment Allocation Act, "recovered tax increment value"
13 means the amount of the current year's equalized assessed value
14 of each taxable lot, block, tract, or parcel of real property
15 removed from the redevelopment project area over and above the
16 initial equalized assessed value of that real property before
17 removal from the redevelopment project area.

18 Except as otherwise provided in this Section, "limiting
19 rate" means a fraction the numerator of which is the last
20 preceding aggregate extension base (as reduced by Section
21 18-207, if applicable) times an amount equal to one plus the
22 extension limitation defined in this Section and the
23 denominator of which is the current year's equalized assessed
24 value of all real property in the territory under the
25 jurisdiction of the taxing district during the prior levy year.
26 For those taxing districts that reduced their aggregate

1 extension for the last preceding levy year, except for school
2 districts that reduced their extension for educational
3 purposes pursuant to Section 18-206 and taxing districts that
4 reduced their aggregate extension pursuant to Section 18-207,
5 the highest aggregate extension in any of the last 3 preceding
6 levy years shall be used for the purpose of computing the
7 limiting rate. The denominator shall not include new property
8 or the recovered tax increment value. If a new rate, a rate
9 decrease, or a limiting rate increase has been approved at an
10 election held after March 21, 2006, then (i) the otherwise
11 applicable limiting rate shall be increased by the amount of
12 the new rate or shall be reduced by the amount of the rate
13 decrease, as the case may be, or (ii) in the case of a limiting
14 rate increase, the limiting rate shall be equal to the rate set
15 forth in the proposition approved by the voters for each of the
16 years specified in the proposition, after which the limiting
17 rate of the taxing district shall be calculated as otherwise
18 provided. In the case of a taxing district that obtained
19 referendum approval for an increased limiting rate on March 20,
20 2012, the limiting rate for tax year 2012 shall be the rate
21 that generates the approximate total amount of taxes extendable
22 for that tax year, as set forth in the proposition approved by
23 the voters; this rate shall be the final rate applied by the
24 county clerk for the aggregate of all capped funds of the
25 district for tax year 2012.

3 Sec. 18-207. Reduced aggregate extension base.

4 (a) Upon submission of a petition signed by a number of
5 voters of the taxing district that is not less than 10% of the
6 votes cast in the taxing district at the immediately preceding
7 gubernatorial election, the question of whether a taxing
8 district shall reduce its aggregate extension base for the
9 purpose of lowering its limiting rate for future years shall be
10 submitted to the voters of the taxing district at the next
