LRB101 08508 CPF 59440 a

1 AMENDMENT TO HOUSE BILL 3390

2 AMENDMENT NO. _____. Amend House Bill 3390, AS AMENDED, by
3 replacing everything after the enacting clause with the
4 following:

5 "Section 5. The Animal Welfare Act is amended by adding
6 Section 18.2 as follows:

7 (225 ILCS 605/18.2 new)

8 Sec. 18.2. Fire alarm system.

9 (a) In this Section:

10 "Fire alarm system" means a system that automatically
11 triggers notification to local emergency responders when
12 activated.

13 "Staffing plan" means a plan to staff a kennel operator
14 anytime dogs or cats are on the premises. At a minimum, a
15 staffing plan must include the kennel operator's hours of
16 operation, number of staff, names of staff, and the staff's

1 contact information. The Department may adopt rules adding
2 requirements to a staffing plan.

3 "Qualified fire inspector" means a local fire official or a
4 building inspector working for a unit of local government or
5 fire protection district who is qualified to inspect buildings
6 for fire safety or building code compliance.

7 (b) A kennel operator that maintains dogs or cats for
8 boarding and that is not staffed at all times dogs or cats are
9 on the premises shall be equipped with at least one fire alarm
10 system or fire sprinkler system in operating condition in every
11 building of the kennel operator that is used for the housing of
12 animals. The kennel operator shall certify in its license
13 application and annually certify in its license renewal that
14 either: (1) its facility has a fire alarm system or a fire
15 sprinkler system, and shall include with the application or
16 license renewal an attached description and picture of the make
17 and model of the system used; or (2) the kennel is staffed at
18 all times dogs or cats are on the premises, and shall include
19 with the application or license renewal an attached staffing
20 plan. The Department shall include this certification on each
21 application for license or license renewal.

22 (c) A qualified fire inspector may inspect a kennel
23 operator that maintains dogs and cats for boarding during the
24 course of performing routine inspections. If during a routine
25 inspection a qualified fire inspector determines that the
26 kennel operator does not have a fire alarm system or fire

1 sprinkler system the inspector may inform the Department.

2 (d) For the purposes of this Section, veterinary hospitals,
3 practices, or offices are not kennel operators.

4 Section 99. Effective date. This Act takes effect January
5 1, 2020.".
