

Rep. Kambium Buckner

Filed: 3/22/2019

10100HB3430ham001

LRB101 09994 TAE 58401 a

1 AMENDMENT TO HOUSE BILL 3430

2 AMENDMENT NO. _____. Amend House Bill 3430 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Illinois Vehicle Code is amended by adding
5 Section 2-129 as follows:

6 (625 ILCS 5/2-129 new)

7 Sec. 2-129. Digital electronic license plate and driver's
8 license studies.

9 (a) The Secretary of State shall conduct a study on the
10 feasibility of allowing the use of digital electronic license
11 plates on passenger and commercial vehicles registered in
12 Illinois. This report shall include information on the
13 following areas: (1) jurisdictions currently offering digital
14 electronic license plates for passenger vehicles and their
15 creation and implementation comments; (2) jurisdictions
16 currently offering digital electronic license plates for

1 commercial vehicles; (3) cost of implementation and issuance in
2 this State for both passenger and commercial vehicles; and (4)
3 any benefits or deterrents to digital electronic vehicle
4 registration. The report shall also examine and provide
5 jurisdictional information concerning: (i) interaction with
6 law enforcement and automated license plate readers; (ii)
7 oversight of messaging on digital electronic license plates;
8 and (iii) any other information the Secretary deems pertinent
9 to the report.

10 This report and its findings may be combined with the
11 report and findings required under subsection (b) regarding
12 electronic driver's licenses and shall be electronically sent
13 to the General Assembly on or before July 1, 2020.

14 (b) Pursuant to the adoption of Senate Joint Resolution 11
15 of the 99th General Assembly, the Secretary of State's Office
16 organized the Electronic Driver's License Task Force and
17 produced a report to the General Assembly on April 21, 2016
18 concerning the feasibility of offering an electronic driver's
19 license. The report recommended the Secretary of State further
20 monitor advancements in technology pertaining to the creation
21 and implementation of electronic driver's licenses.

22 The Secretary of State shall update the findings of the
23 original report to the General Assembly issued in 2016
24 regarding the issuance of an electronic driver's license to
25 eligible drivers. This report shall include, but not be limited
26 to: (1) advancements in technology since the initial report;

1 (2) production information on other states offering an
2 electronic driver's license to qualified drivers in their
3 jurisdictions; and (3) cost and timeline to implement an
4 electronic driver's license program in this State.

5 This report and its findings may be combined with the
6 report and findings required under subsection (a) regarding
7 digital electronic license plates for passenger and commercial
8 vehicles and shall be electronically sent to the General
9 Assembly on or before July 1, 2020.

10 (c) This Section is repealed on January 1, 2021.

11 Section 99. Effective date. This Act takes effect upon
12 becoming law.".
