

101ST GENERAL ASSEMBLY

State of Illinois

2019 and 2020

HB4918

Introduced 2/18/2020, by Rep. Margo McDermed

SYNOPSIS AS INTRODUCED:

220 ILCS 5/8-406.2 new

Amends the Public Utilities Act. Provides that if the Department of Transportation requests that a public utility relocate any of the public utility's existing infrastructure for a State-approved road construction project, that public utility must complete that relocation within 30 days after the request. Provides that if it is not feasible for the public utility to comply with the request within 30 days, the public utility must contact the Department of Transportation to coordinate a plan to limit the delay.

LRB101 15379 SPS 64585 b

1 AN ACT concerning regulation.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Public Utilities Act is amended by adding
5 Section 8-406.2 as follows:

6 (220 ILCS 5/8-406.2 new)

7 Sec. 8-406.2. Relocation of infrastructure; road
8 construction. If the Department of Transportation requests
9 that a public utility relocate any of the public utility's
10 existing infrastructure for a State-approved road construction
11 project, that public utility must complete that relocation
12 within 30 days after the request. If it is not feasible for the
13 public utility to comply with the request within 30 days, the
14 public utility must contact the Department of Transportation to
15 coordinate a plan to limit the delay.
