In certain circumstances as determined by the Director of Commerce and Economic Opportunity, however, the City of Chicago's Office of Tourism or any other convention and tourism bureau may provide matching funds equal to no less than 50% of the grant amount to be eligible to receive the grant. One-half of this 50% may be provided through in-kind contributions. Grants received by the City of Chicago's Office of Tourism and by convention and tourism bureaus in Chicago may be expended for the general purposes of promoting conventions and tourism. In Fiscal Year 2021 only, grants received by the City of Chicago's Office of Tourism and by convention and tourism bureaus in Chicago may be expended for the general purposes of promoting conventions and tourism.

In order to efficiently process electronically issued WIC benefits, the Department may use an account held outside of the state treasury for the deposit and issuance of WIC benefits. The Department shall report quarterly to the Governor and the General Assembly the status of obligations and expenditures of the WIC nutrition program appropriation and make recommendations on actions necessary to expend all available federal funds. Such initial and periodic payments by the Department to the bank shall be effected, pursuant to an appropriation, in an amount needed for the redemption of bank drafts issued by the Department under the United States Department of Agriculture Special Supplemental Food Program for Women, Infants and Children in any initial or succeeding period. Sec. 5.932. The State Coronavirus Urgent Remediation Emergency Fund.

(30 ILCS 105/5.933 new)

Sec. 5.933. The Local Coronavirus Urgent Remediation Emergency Fund.

(30 ILCS 105/5h.5)

Sec. 5h.5. Cash flow borrowing and general funds liquidity; Fiscal Years 2018, 2019, 2020, and 2021.

(a) In order to meet cash flow deficits and to maintain liquidity in general funds and the Health Insurance Reserve Fund, on and after July 1, 2017 and through March 1, 2021, the State Treasurer and the State Comptroller, in consultation with the Governor's Office of Management and Budget, shall make transfers to general funds and the Health Insurance Reserve Fund, as directed by the State Comptroller, out of special funds of the State, to the extent allowed by federal law.

No such transfer may reduce the cumulative balance of all of the special funds of the State to an amount less than the total debt service payable during the 12 months immediately following the date of the transfer on any bonded indebtedness
of the State and any certificates issued under the Short Term Borrowing Act. At no time shall the outstanding total transfers made from the special funds of the State to general funds and the Health Insurance Reserve Fund under this Section exceed $1,500,000,000; once the amount of $1,500,000,000 has been transferred from the special funds of the State to general funds and the Health Insurance Reserve Fund, additional transfers may be made from the special funds of the State to general funds and the Health Insurance Reserve Fund under this Section only to the extent that moneys have first been re-transferred from general funds and the Health Insurance Reserve Fund to those special funds of the State. Notwithstanding any other provision of this Section, no such transfer may be made from any special fund that is exclusively collected by or directly appropriated to any other constitutional officer without the written approval of that constitutional officer.

(b) If moneys have been transferred to general funds and the Health Insurance Reserve Fund pursuant to subsection (a) of this Section, Public Act 100-23 shall constitute the continuing authority for and direction to the State Treasurer and State Comptroller to reimburse the funds of origin from general funds by transferring to the funds of origin, at such times and in such amounts as directed by the Comptroller when necessary to support appropriated expenditures from the funds, an amount equal to that transferred from them plus any interest that
would have accrued thereon had the transfer not occurred, except that any moneys transferred pursuant to subsection (a) of this Section shall be repaid to the fund of origin within 48 months after the date on which they were borrowed. When any of the funds from which moneys have been transferred pursuant to subsection (a) have insufficient cash from which the State Comptroller may make expenditures properly supported by appropriations from the fund, then the State Treasurer and State Comptroller shall transfer from general funds to the fund only such amount as is immediately necessary to satisfy outstanding expenditure obligations on a timely basis.

(c) On the first day of each quarterly period in each fiscal year, until such time as a report indicates that all moneys borrowed and interest pursuant to this Section have been repaid, the Comptroller shall provide to the President and the Minority Leader of the Senate, the Speaker and the Minority Leader of the House of Representatives, and the Commission on Government Forecasting and Accountability a report on all transfers made pursuant to this Section in the prior quarterly period. The report must be provided in electronic format. The report must include all of the following:

(1) the date each transfer was made;
(2) the amount of each transfer;
(3) in the case of a transfer from general funds to a fund of origin pursuant to subsection (b) of this Section, the amount of interest being paid to the fund of origin;
and

(4) the end of day balance of the fund of origin, the
general funds, and the Health Insurance Reserve Fund on the
date the transfer was made.

(30 ILCS 105/6z-45)
Sec. 6z-45. The School Infrastructure Fund.
(a) The School Infrastructure Fund is created as a special
fund in the State Treasury.
In addition to any other deposits authorized by law,
beginning January 1, 2000, on the first day of each month, or
as soon thereafter as may be practical, the State Treasurer and
State Comptroller shall transfer the sum of $5,000,000 from the
General Revenue Fund to the School Infrastructure Fund, except
that, notwithstanding any other provision of law, and in
addition to any other transfers that may be provided for by
law, before June 30, 2012, the Comptroller and the Treasurer
shall transfer $45,000,000 from the General Revenue Fund into
the School Infrastructure Fund, and, for fiscal year 2013 only,
the Treasurer and the Comptroller shall transfer $1,250,000
from the General Revenue Fund to the School Infrastructure Fund
on the first day of each month; provided, however, that no such
transfers shall be made from July 1, 2001 through June 30,
2003.
(a-5) Money in the School Infrastructure Fund may be used to pay the expenses of the State Board of Education, the Governor's Office of Management and Budget, and the Capital Development Board in administering programs under the School Construction Law, the total expenses not to exceed $1,315,000 in any fiscal year.

(b) Subject to the transfer provisions set forth below, money in the School Infrastructure Fund shall, if and when the State of Illinois incurs any bonded indebtedness for the construction of school improvements under subsection (e) of Section 5 of the General Obligation Bond Act, be set aside and used for the purpose of paying and discharging annually the principal and interest on that bonded indebtedness then due and payable, and for no other purpose.

In addition to other transfers to the General Obligation Bond Retirement and Interest Fund made pursuant to Section 15 of the General Obligation Bond Act, upon each delivery of bonds issued for construction of school improvements under the School Construction Law, the State Comptroller shall compute and certify to the State Treasurer the total amount of principal of, interest on, and premium, if any, on such bonds during the then current and each succeeding fiscal year. With respect to the interest payable on variable rate bonds, such certifications shall be calculated at the maximum rate of interest that may be payable during the fiscal year, after taking into account any credits permitted in the related
indenture or other instrument against the amount of such interest required to be appropriated for that period. On or before the last day of each month, the State Treasurer and State Comptroller shall transfer from the School Infrastructure Fund to the General Obligation Bond Retirement and Interest Fund an amount sufficient to pay the aggregate of the principal of, interest on, and premium, if any, on the bonds payable on their next payment date, divided by the number of monthly transfers occurring between the last previous payment date (or the delivery date if no payment date has yet occurred) and the next succeeding payment date. Interest payable on variable rate bonds shall be calculated at the maximum rate of interest that may be payable for the relevant period, after taking into account any credits permitted in the related indenture or other instrument against the amount of such interest required to be appropriated for that period. Interest for which moneys have already been deposited into the capitalized interest account within the General Obligation Bond Retirement and Interest Fund shall not be included in the calculation of the amounts to be transferred under this subsection.

(b-5) The money deposited into the School Infrastructure Fund from transfers pursuant to subsections (c-30) and (c-35) of Section 13 of the Illinois Gambling Act shall be applied, without further direction, as provided in subsection (b-3) of Section 5-35 of the School Construction Law.
(b-7) In fiscal year 2021 only, of the surplus, if any, in the School Infrastructure Fund after payments made pursuant to subsections (a-5), (b), and (b-5) of this Section, $20,000,000 shall be transferred to the General Revenue Fund.

(c) The surplus, if any, in the School Infrastructure Fund after payments made pursuant to subsections (a-5), (b), and (b-5), and (b-7) of this Section shall, subject to appropriation, be used as follows:

First - to make 3 payments to the School Technology Revolving Loan Fund as follows:

Transfer of $30,000,000 in fiscal year 1999;

Sec. 6z-120. Disaster Response and Recovery Fund.

(a) This subsection is declarative of existing law. The Disaster Response and Recovery Fund is created as a State trust fund in the State treasury for the purpose of receiving funds from any sources, public or private, including federal sources, to be used for costs of responding to and recovering from disasters declared by the Governor and other emergencies. Moneys in the Disaster Response and Recovery Fund may be expended for qualifying purposes at the direction of the Governor and in accordance with Sections 8 and 9 of the Illinois Emergency Management Agency Act and the Emergency Management Assistance Compact Act.

(b) Federal funds received by the State from the Coronavirus Relief Fund established in Section 5001 of the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act may be deposited into the Disaster Response and Recovery Fund and accounted for separately from any other moneys in the Fund. Such federal funds shall be transferred, distributed or expended from the Disaster Response and Recovery Fund only for purposes permitted in the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act and related federal guidance, and
as authorized by this Section. At any time, the Governor may
direct the transfer of any portion of such federal funds to the
State Coronavirus Urgent Remediation Emergency (State CURE)
Fund or the Local Coronavirus Urgent Remediation Emergency
(Local CURE) Fund for further use in accordance with the
purposes authorized in the federal Coronavirus Aid, Relief, and
Economic Security (CARES) Act, as it may be amended, and
related federal guidance.

(30 ILCS 105/6z-121 new)

Sec. 6z-121. State Coronavirus Urgent Remediation
Emergency Fund.

(a) The State Coronavirus Urgent Remediation Emergency
(State CURE) Fund is created as a federal trust fund within the
State treasury. The State CURE Fund shall be held separate and
apart from all other funds in the State treasury. The State
CURE Fund is established: (1) to receive, directly or
indirectly, federal funds from the Coronavirus Relief Fund in
accordance with Section 5001 of the federal Coronavirus Aid,
Relief, and Economic Security (CARES) Act or from any other
federal fund pursuant to any other provision of federal law;
and (2) to provide for the transfer, distribution and
expenditure of such federal funds as permitted in the federal
Coronavirus Aid, Relief, and Economic Security (CARES) Act and
related federal guidance or any other federal law, and as
authorized by this Section.
(b) Federal funds received by the State from the Coronavirus Relief Fund in accordance with Section 5001 of the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act, or any other federal funds received pursuant to any other federal law, may be deposited, directly or indirectly, into the State CURE Fund.

(c) All federal funds received into the State CURE Fund from the Coronavirus Relief Fund may be transferred or expended by the Illinois Emergency Management Agency at the direction of the Governor for the specific purposes permitted by the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act, any related regulations or federal guidance, and any terms and conditions of the federal awards received by the State thereunder. A portion of the federal funds received from the Coronavirus Relief Fund or from any other federal fund pursuant to any other provision of federal law may be transferred to the Local Coronavirus Urgent Remediation Emergency (Local CURE) Fund from time to time for the provision and administration of grants to units of local government as permitted by the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act, any related federal guidance, and any other additional federal law that may provide authorization. Funds in the State CURE Fund also may be transferred to other funds in the State treasury as reimbursement for expenditures made from such other funds if the expenditures are eligible for federal reimbursement under Section 5001 of the federal Coronavirus Aid, Relief, and
Economic Security (CARES) Act and related federal guidance. Funds in the State CURE Fund also may be expended directly on expenditures eligible for federal reimbursement under Section 5001 of the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act and related federal guidance.

(d) Once the General Assembly has enacted appropriations from the State CURE Fund, the expenditure of funds from the State CURE Fund shall be subject to appropriation by the General Assembly, and shall be administered by the Illinois Emergency Management Agency at the direction of the Governor. The Illinois Emergency Management Agency, and other agencies as named in appropriations, shall transfer, distribute or expend the funds. Funds in the State CURE Fund also may be transferred to other funds in the State treasury as reimbursement for expenditures made from such other funds if the expenditures are eligible for federal reimbursement under Section 5001 of the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act and related federal guidance, as directed by the Governor. Additional funds that may be received from the federal government from legislation enacted in response to the impact of Coronavirus Disease 2019, including fiscal stabilization payments that replace revenues lost due to Coronavirus Disease 2019, may be transferred or distributed in the manner authorized or required by any related federal guidance.

(e) Unexpended funds in the State CURE Fund shall be paid back to the federal government at the direction of the

The Local CURE Fund is established: (1) to receive transfers from either the Disaster Response and Recovery Fund or the State Coronavirus Urgent Remediation Emergency (State CURE) Fund of federal funds received by the State from the Coronavirus Relief Fund in accordance with Section 5001 of the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act or pursuant to any other provision of federal law; and (2) to provide for the administration and payment of grants and expense reimbursements to units of local government as permitted in the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act and related federal guidance, as authorized by this Section, and as authorized in the Department of Commerce and Economic Opportunity Act.

(b) A portion of the funds received into either the Disaster Response and Recovery Fund or the State CURE Fund from the Coronavirus Relief Fund in accordance with Section 5001 of the federal Coronavirus Aid, Relief, and Economic Security
(CARES) Act may be transferred into the Local CURE Fund from time to time. Such funds transferred to the Local CURE Fund may be used by the Department of Commerce and Economic Opportunity only to provide for the awarding and administration and payment of grants and expense reimbursements to units of local government for the specific purposes permitted by the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act and any related federal guidance, the terms and conditions of the federal awards through which the funds are received by the State, in accordance with the procedures established in this Section, and as authorized in the Department of Commerce and Economic Opportunity Act.

(c) Unless federal guidance expands the authorized uses, the funds received by units of local government from the Local CURE Fund may be used only to cover the costs of the units of local government that (1) are necessary expenditures incurred due to the public health emergency caused by the Coronavirus Disease 2019, (2) were not accounted for in the budget of the State or unit of local government most recently approved as of March 27, 2020: and are incurred on or after March 1, 2020 and before December 31, 2020; however, if new federal guidance or new federal law expands authorized uses, then the funds may be used for any other permitted purposes.

(d) The expenditure of funds from the Local CURE Fund shall be subject to appropriation by the General Assembly.

(e) Unexpended funds in the Local CURE Fund shall be
transferred or paid back to the State CURE Fund at the direction of the Governor.

(30 ILCS 105/8.12) (from Ch. 127, par. 144.12)

(a) The moneys in the State Pensions Fund shall be used exclusively for the administration of the Revised Uniform Unclaimed Property Act and for the expenses incurred by the
Auditor General for administering the provisions of Section 2-8.1 of the Illinois State Auditing Act and for operational expenses of the Office of the State Treasurer and for the funding of the unfunded liabilities of the designated retirement systems. For the purposes of this Section, "operational expenses of the Office of the State Treasurer" includes the acquisition of land and buildings in State fiscal years 2019 and 2020 for use by the Office of the State Treasurer, as well as construction, reconstruction, improvement, repair, and maintenance, in accordance with the provisions of laws relating thereto, of such lands and buildings beginning in State fiscal year 2019 and thereafter. Beginning in State fiscal year 2022, payments to the designated retirement systems under this Section shall be in addition to, and not in lieu of, any State contributions required under the Illinois Pension Code.

"Designated retirement systems" means:

1. the State Employees' Retirement System of Illinois;
2. the Teachers' Retirement System of the State of Illinois;
3. the State Universities Retirement System;
4. the Judges Retirement System of Illinois; and
5. the General Assembly Retirement System.

(b) Each year the General Assembly may make appropriations from the State Pensions Fund for the administration of the
Revised Uniform Unclaimed Property Act.

(c) As soon as possible after July 30, 2004 (the effective date of Public Act 93-839), the General Assembly shall appropriate from the State Pensions Fund (1) to the State Universities Retirement System the amount certified under Section 15-165 during the prior year, (2) to the Judges Retirement System of Illinois the amount certified under Section 18-140 during the prior year, and (3) to the General Assembly Retirement System the amount certified under Section 2-134 during the prior year as part of the required State contributions to each of those designated retirement systems. If the amount in the State Pensions Fund does not exceed the sum of the amounts certified in Sections 15-165, 18-140, and 2-134 by at least $5,000,000, the amount paid to each designated retirement system under this subsection shall be reduced in proportion to the amount certified by each of those designated retirement systems.

(c-5) For fiscal years 2006 through 2021, the General Assembly shall appropriate from the State Pensions Fund to the State Universities Retirement System the amount estimated to be available during the fiscal year in the State Pensions Fund; provided, however, that the amounts appropriated under this subsection (c-5) shall not reduce the amount in the State Pensions Fund below $5,000,000.

(c-6) For fiscal year 2022 and each fiscal year thereafter, as soon as may be practical after any money is
deposited into the State Pensions Fund from the Unclaimed Property Trust Fund, the State Treasurer shall apportion the deposited amount among the designated retirement systems as defined in subsection (a) to reduce their actuarial reserve deficiencies. The State Comptroller and State Treasurer shall pay the apportioned amounts to the designated retirement systems to fund the unfunded liabilities of the designated retirement systems. The amount apportioned to each designated retirement system shall constitute a portion of the amount estimated to be available for appropriation from the State Pensions Fund that is the same as that retirement system's portion of the total actual reserve deficiency of the systems, as determined annually by the Governor's Office of Management and Budget at the request of the State Treasurer. The amounts apportioned under this subsection shall not reduce the amount in the State Pensions Fund below $5,000,000.

(d) The Governor's Office of Management and Budget shall determine the individual and total reserve deficiencies of the designated retirement systems. For this purpose, the Governor's Office of Management and Budget shall utilize the latest available audit and actuarial reports of each of the retirement systems and the relevant reports and statistics of the Public Employee Pension Fund Division of the Department of Insurance.

(d-1) (Blank).

(e) The changes to this Section made by Public Act 88-593
shall first apply to distributions from the Fund for State fiscal year 1996.

Sec. 13.2. Transfers among line item appropriations.

(a) Transfers among line item appropriations from the same treasury fund for the objects specified in this Section may be made in the manner provided in this Section when the balance remaining in one or more such line item appropriations is insufficient for the purpose for which the appropriation was made.

(a-1) No transfers may be made from one agency to another agency, nor may transfers be made from one institution of higher education to another institution of higher education except as provided by subsection (a-4).

(a-2) Except as otherwise provided in this Section, transfers may be made only among the objects of expenditure enumerated in this Section, except that no funds may be transferred from any appropriation for personal services, from any appropriation for State contributions to the State
Employees' Retirement System, from any separate appropriation for employee retirement contributions paid by the employer, nor from any appropriation for State contribution for employee group insurance.

(a-2.5) (Blank).

(a-3) Further, if an agency receives a separate appropriation for employee retirement contributions paid by the employer, any transfer by that agency into an appropriation for personal services must be accompanied by a corresponding transfer into the appropriation for employee retirement contributions paid by the employer, in an amount sufficient to meet the employer share of the employee contributions required to be remitted to the retirement system.

(a-4) Long-Term Care Rebalancing. The Governor may designate amounts set aside for institutional services appropriated from the General Revenue Fund or any other State fund that receives monies for long-term care services to be transferred to all State agencies responsible for the administration of community-based long-term care programs, including, but not limited to, community-based long-term care programs administered by the Department of Healthcare and Family Services, the Department of Human Services, and the Department on Aging, provided that the Director of Healthcare and Family Services first certifies that the amounts being transferred are necessary for the purpose of assisting persons in or at risk of being in institutional care to transition to
community-based settings, including the financial data needed to prove the need for the transfer of funds. The total amounts transferred shall not exceed 4% in total of the amounts appropriated from the General Revenue Fund or any other State fund that receives monies for long-term care services for each fiscal year. A notice of the fund transfer must be made to the General Assembly and posted at a minimum on the Department of Healthcare and Family Services website, the Governor's Office of Management and Budget website, and any other website the Governor sees fit. These postings shall serve as notice to the General Assembly of the amounts to be transferred. Notice shall be given at least 30 days prior to transfer.

The Department of Healthcare and Family Services is authorized to make transfers not exceeding 4% of the aggregate amount appropriated to it, within the same treasury fund, among the various line items appropriated for Medical Assistance.

Beginning on June 30, 2021, medical payments made by the Department of Human Services relating to substance abuse treatment services payable from appropriations that have otherwise expired may be paid out of the expiring appropriation during the 4-month period ending at the close of business on October 31.

(b-6) (Blank).

(b-8) Reimbursements to eligible airport sponsors for the construction or upgrading of Automated Weather Observation Systems may be made by the Department of Transportation from appropriations for those purposes for any fiscal year, without regard to the fact that the qualification or obligation may have occurred in a prior fiscal year, provided that at the time the expenditure was made the project had been approved by the Department of Transportation prior to June 1, 2012 and, as a
result of recent changes in federal funding formulas, can no longer receive federal reimbursement.

(b-9) (Blank).

(c) Further, payments may be made by the Department of Public Health and the Department of Human Services (acting as successor to the Department of Public Health under the Department of Human Services Act) from their respective appropriations for grants for medical care to or on behalf of premature and high-mortality risk infants and their mothers and for grants for supplemental food supplies provided under the United States Department of Agriculture Women, Infants and Children Nutrition Program, for any fiscal year without regard to the fact that the services being compensated for by such payment may have been rendered in a prior fiscal year, except as required by subsection (j) of this Section. Beginning on June 30, 2021, payments made by the Department of Public Health and the Department of Human Services from their respective appropriations for grants for medical care to or on behalf of premature and high-mortality risk infants and their mothers and for grants for supplemental food supplies provided under the United States Department of Agriculture Women, Infants and Children Nutrition Program payable from appropriations that have otherwise expired may be paid out of the expiring appropriations during the 4-month period ending at the close of business on October 31.

(d) The Department of Public Health and the Department of
Human Services (acting as successor to the Department of Public Health under the Department of Human Services Act) shall each annually submit to the State Comptroller, Senate President, Senate Minority Leader, Speaker of the House, House Minority Leader, and the respective Chairmen and Minority Spokesmen of the Appropriations Committees of the Senate and the House, on or before December 31, a report of fiscal year funds used to pay for services provided in any prior fiscal year. This report shall document by program or service category those expenditures from the most recently completed fiscal year used to pay for services provided in prior fiscal years.

(e) The Department of Healthcare and Family Services, the Department of Human Services (acting as successor to the Department of Public Aid), and the Department of Human Services making fee-for-service payments relating to substance abuse treatment services provided during a previous fiscal year shall each annually submit to the State Comptroller, Senate President, Senate Minority Leader, Speaker of the House, House Minority Leader, the respective Chairmen and Minority Spokesmen of the Appropriations Committees of the Senate and the House, on or before November 30, a report that shall document by program or service category those expenditures from the most recently completed fiscal year used to pay for (i) services provided in prior fiscal years and (ii) services for which claims were received in prior fiscal years.

(f) The Department of Human Services (as successor to the
Department of Public Aid) shall annually submit to the State Comptroller, Senate President, Senate Minority Leader, Speaker of the House, House Minority Leader, and the respective Chairmen and Minority Spokesmen of the Appropriations Committees of the Senate and the House, on or before December 31, a report of fiscal year funds used to pay for services (other than medical care) provided in any prior fiscal year. This report shall document by program or service category those expenditures from the most recently completed fiscal year used to pay for services provided in prior fiscal years.

(g) In addition, each annual report required to be submitted by the Department of Healthcare and Family Services under subsection (e) shall include the following information with respect to the State's Medicaid program:

(1) Explanations of the exact causes of the variance between the previous year's estimated and actual liabilities.

(2) Factors affecting the Department of Healthcare and Family Services' liabilities, including but not limited to numbers of aid recipients, levels of medical service utilization by aid recipients, and inflation in the cost of medical services.

(3) The results of the Department's efforts to combat fraud and abuse.

(h) As provided in Section 4 of the General Assembly Compensation Act, any utility bill for service provided to a
General Assembly member's district office for a period including portions of 2 consecutive fiscal years may be paid from funds appropriated for such expenditure in either fiscal year.

(i) An agency which administers a fund classified by the Comptroller as an internal service fund may issue rules for:

1. billing user agencies in advance for payments or authorized inter-fund transfers based on estimated charges for goods or services;

2. issuing credits, refunding through inter-fund transfers, or reducing future inter-fund transfers during the subsequent fiscal year for all user agency payments or authorized inter-fund transfers received during the prior fiscal year which were in excess of the final amounts owed by the user agency for that period; and

3. issuing catch-up billings to user agencies during the subsequent fiscal year for amounts remaining due when payments or authorized inter-fund transfers received from the user agency during the prior fiscal year were less than the total amount owed for that period.

User agencies are authorized to reimburse internal service funds for catch-up billings by vouchers drawn against their respective appropriations for the fiscal year in which the catch-up billing was issued or by increasing an authorized inter-fund transfer during the current fiscal year. For the purposes of this Act, "inter-fund transfers" means transfers...
without the use of the voucher-warrant process, as authorized
by Section 9.01 of the State Comptroller Act.

(i-1) Beginning on July 1, 2021, all outstanding
liabilities, not payable during the 4-month lapse period as
described in subsections (b-1), (b-3), (b-4), (b-5), (b-6), and
(c) of this Section, that are made from appropriations for that
purpose for any fiscal year, without regard to the fact that
the services being compensated for by those payments may have
been rendered in a prior fiscal year, are limited to only those
claims that have been incurred but for which a proper bill or
invoice as defined by the State Prompt Payment Act has not been
received by September 30th following the end of the fiscal year
in which the service was rendered.

(j) Notwithstanding any other provision of this Act, the
aggregate amount of payments to be made without regard for
fiscal year limitations as contained in subsections (b-1),
(b-3), (b-4), (b-5), (b-6), and (c) of this Section, and
determined by using Generally Accepted Accounting Principles,
shall not exceed the following amounts:

(1) $6,000,000,000 for outstanding liabilities related
to fiscal year 2012;

(2) $5,300,000,000 for outstanding liabilities related
to fiscal year 2013;

(6) $2,600,000,000 for outstanding liabilities related to fiscal year 2016;
(7) $2,000,000,000 for outstanding liabilities related to fiscal year 2017;
(8) $1,300,000,000 for outstanding liabilities related to fiscal year 2018;
(9) $600,000,000 for outstanding liabilities related to fiscal year 2019; and

Such payments shall not be subject to the requirements of subparagraph (A).

(C) Medical Assistance bills received by the Department of Healthcare and Family Services in a particular fiscal year, but subject to payment amount

Such payments shall not be subject to the requirements of subparagraph (A).

(3) Extended lapse period for Department of Healthcare and Family Services Medical Assistance payments. Notwithstanding any other State law to the contrary, outstanding Department of Healthcare and Family Services Medical Assistance liabilities, as of June 30th, payable from appropriations which have otherwise expired, may be paid out of the expiring appropriations during the 6-month period ending at the close of business on December 31st.

(l) The changes to this Section made by Public Act 97-691 shall be effective for payment of Medical Assistance bills incurred in fiscal year 2013 and future fiscal years. The changes to this Section made by Public Act 97-691 shall not be applied to Medical Assistance bills incurred in fiscal year
2012 or prior fiscal years.

(m) The Comptroller must issue payments against outstanding liabilities that were received prior to the lapse period deadlines set forth in this Section as soon thereafter as practical, but no payment may be issued after the 4 months following the lapse period deadline without the signed authorization of the Comptroller and the Governor.

Notwithstanding any provision of the law to the contrary, the General Assembly hereby authorizes the use of such funds for the purposes set forth in this Section.

These provisions do not apply to funds classified by the Comptroller as federal trust funds or State trust funds. The Audit Expense Fund may receive transfers from those trust funds only as directed herein, except where prohibited by the terms of the trust fund agreement. The Auditor General shall notify the trustees of those funds of the estimated cost of the audit to be incurred under the Illinois State Auditing Act for the fund. The trustees of those funds shall direct the State Comptroller and Treasurer to transfer the estimated amount to the Audit Expense Fund.

The Auditor General may bill entities that are not subject to the above transfer provisions, including private entities, related organizations and entities whose funds are locally-held, for the cost of audits, studies, and
investigations incurred on their behalf. Any revenues received under this provision shall be deposited into the Audit Expense Fund.

In the event that moneys on deposit in any fund are unavailable, by reason of deficiency or any other reason preventing their lawful transfer, the State Comptroller shall order transferred and the State Treasurer shall transfer the amount deficient or otherwise unavailable from the General Revenue Fund for deposit into the Audit Expense Fund.

On or before December 1, 1992, and each December 1 thereafter, the Auditor General shall notify the Governor's Office of Management and Budget (formerly Bureau of the Budget) of the amount estimated to be necessary to pay for audits, studies, and investigations in accordance with the Illinois State Auditing Act during the next succeeding fiscal year for each State fund for which a transfer or reimbursement is anticipated.

Beginning with fiscal year 1994 and during each fiscal year thereafter, the Auditor General may direct the State Comptroller and Treasurer to transfer moneys from funds authorized by the General Assembly for that fund. In the event funds, including federal and State trust funds but excluding the General Revenue Fund, are transferred, during fiscal year 1994 and during each fiscal year thereafter, in excess of the amount to pay actual costs attributable to audits, studies, and investigations as permitted or required by the Illinois State
Auditing Act or specific action of the General Assembly, the Auditor General shall, on September 30, or as soon thereafter as is practicable, direct the State Comptroller and Treasurer to transfer the excess amount back to the fund from which it was originally transferred.

Section 5-10. The Gifts and Grants to Government Act is amended by adding Section 5 as follows:

(30 ILCS 110/5 new)

Sec. 5. Lieutenant Governor's Grant Fund; additional purposes. In addition to any other deposits authorized by law, the Lieutenant Governor's Grant Fund may accept funds from any source, public or private, to be used for the purposes of such funds including administrative costs of the Lieutenant Governor's Office.

Section 5-15. The State Revenue Sharing Act is amended by changing Section 12 as follows:

(30 ILCS 115/12) (from Ch. 85, par. 616)

Sec. 12. Personal Property Tax Replacement Fund. There is hereby created the Personal Property Tax Replacement Fund, a special fund in the State Treasury into which shall be paid all
revenue realized:

(a) all amounts realized from the additional personal
property tax replacement income tax imposed by subsections
(c) and (d) of Section 201 of the Illinois Income Tax Act,
except for those amounts deposited into the Income Tax
Refund Fund pursuant to subsection (c) of Section 901 of
the Illinois Income Tax Act; and

(b) all amounts realized from the additional personal
property replacement invested capital taxes imposed by
Section 2a.1 of the Messages Tax Act, Section 2a.1 of the
Gas Revenue Tax Act, Section 2a.1 of the Public Utilities
Revenue Act, and Section 3 of the Water Company Invested
Capital Tax Act, and amounts payable to the Department of
Revenue under the Telecommunications Infrastructure
Maintenance Fee Act.

As soon as may be after the end of each month, the
Department of Revenue shall certify to the Treasurer and the
Comptroller the amount of all refunds paid out of the General
Revenue Fund through the preceding month on account of
overpayment of liability on taxes paid into the Personal
Property Tax Replacement Fund. Upon receipt of such
certification, the Treasurer and the Comptroller shall
transfer the amount so certified from the Personal Property Tax
Replacement Fund into the General Revenue Fund.

The payments of revenue into the Personal Property Tax
Replacement Fund shall be used exclusively for distribution to
taxing districts, regional offices and officials, and local officials as provided in this Section and in the School Code, payment of the ordinary and contingent expenses of the Property Tax Appeal Board, payment of the expenses of the Department of Revenue incurred in administering the collection and distribution of monies paid into the Personal Property Tax Replacement Fund and transfers due to refunds to taxpayers for overpayment of liability for taxes paid into the Personal Property Tax Replacement Fund.

In addition, moneys in the Personal Property Tax Replacement Fund may be used to pay any of the following: (i) salary, stipends, and additional compensation as provided by law for chief election clerks, county clerks, and county recorders; (ii) costs associated with regional offices of education and educational service centers; (iii) reimbursements payable by the State Board of Elections under Section 4-25, 5-35, 6-71, 13-10, 13-10a, or 13-11 of the Election Code; (iv) expenses of the Illinois Educational Labor Relations Board; and (v) salary, personal services, and additional compensation as provided by law for court reporters under the Court Reporters Act.

As soon as may be after June 26, 1980 (the effective date of Public Act 81-1255) this amendatory Act of 1980, the Department of Revenue shall certify to the Treasurer the amount of net replacement revenue paid into the General Revenue Fund prior to that effective date from the additional tax imposed by
Section 2a.1 of the Messages Tax Act; Section 2a.1 of the Gas Revenue Tax Act; Section 2a.1 of the Public Utilities Revenue Act; Section 3 of the Water Company Invested Capital Tax Act; amounts collected by the Department of Revenue under the Telecommunications Infrastructure Maintenance Fee Act; and the additional personal property tax replacement income tax imposed by the Illinois Income Tax Act, as amended by Public Act 81-1st Special Session-1. Net replacement revenue shall be defined as the total amount paid into and remaining in the General Revenue Fund as a result of those Acts minus the amount outstanding and obligated from the General Revenue Fund in state vouchers or warrants prior to June 26, 1980 (the effective date of Public Act 81-1255) this amendatory Act of 1980 as refunds to taxpayers for overpayment of liability under those Acts.

All interest earned by monies accumulated in the Personal Property Tax Replacement Fund shall be deposited in such Fund. All amounts allocated pursuant to this Section are appropriated on a continuing basis.

Prior to December 31, 1980, as soon as may be after the end of each quarter beginning with the quarter ending December 31, 1979, and on and after December 31, 1980, as soon as may be after January 1, March 1, April 1, May 1, July 1, August 1, October 1 and December 1 of each year, the Department of Revenue shall allocate to each taxing district as defined in Section 1-150 of the Property Tax Code, in accordance with the
provisions of paragraph (2) of this Section the portion of the
funds held in the Personal Property Tax Replacement Fund which
is required to be distributed, as provided in paragraph (1),
for each quarter. Provided, however, under no circumstances
shall any taxing district during each of the first two years of
distribution of the taxes imposed by Public Act 81-1st Special
Session-1 this amendatory Act of 1979 be entitled to an annual
allocation which is less than the funds such taxing district
collected from the 1978 personal property tax. Provided further
that under no circumstances shall any taxing district during
the third year of distribution of the taxes imposed by Public
Act 81-1st Special Session-1 this amendatory Act of 1979
receive less than 60% of the funds such taxing district
collected from the 1978 personal property tax. In the event
that the total of the allocations made as above provided for
all taxing districts, during either of such 3 years, exceeds
the amount available for distribution the allocation of each
taxing district shall be proportionately reduced. Except as
provided in Section 13 of this Act, the Department shall then
certify, pursuant to appropriation, such allocations to the
State Comptroller who shall pay over to the several taxing
districts the respective amounts allocated to them.

Any township which receives an allocation based in whole or
in part upon personal property taxes which it levied pursuant
to Section 6-507 or 6-512 of the Illinois Highway Code and
which was previously required to be paid over to a municipality
shall immediately pay over to that municipality a proportionate share of the personal property replacement funds which such township receives.

Any municipality or township, other than a municipality with a population in excess of 500,000, which receives an allocation based in whole or in part on personal property taxes which it levied pursuant to Sections 3-1, 3-4 and 3-6 of the Illinois Local Library Act and which was previously required to be paid over to a public library shall immediately pay over to that library a proportionate share of the personal property tax replacement funds which such municipality or township receives; provided that if such a public library has converted to a library organized under The Illinois Public Library District Act, regardless of whether such conversion has occurred on, after or before January 1, 1988, such proportionate share shall be immediately paid over to the library district which maintains and operates the library. However, any library that has converted prior to January 1, 1988, and which hitherto has not received the personal property tax replacement funds, shall receive such funds commencing on January 1, 1988.

Any township which receives an allocation based in whole or in part on personal property taxes which it levied pursuant to Section 1c of the Public Graveyards Act and which taxes were previously required to be paid over to or used for such public cemetery or cemeteries shall immediately pay over to or use for
such public cemetery or cemeteries a proportionate share of the personal property tax replacement funds which the township receives.

Any taxing district which receives an allocation based in whole or in part upon personal property taxes which it levied for another governmental body or school district in Cook County in 1976 or for another governmental body or school district in the remainder of the State in 1977 shall immediately pay over to that governmental body or school district the amount of personal property replacement funds which such governmental body or school district would receive directly under the provisions of paragraph (2) of this Section, had it levied its own taxes.

(1) The portion of the Personal Property Tax Replacement Fund required to be distributed as of the time allocation is required to be made shall be the amount available in such Fund as of the time allocation is required to be made.

The amount available for distribution shall be the total amount in the fund at such time minus the necessary administrative and other authorized expenses as limited by the appropriation and the amount determined by: (a) $2.8 million for fiscal year 1981; (b) for fiscal year 1982, .54% of the funds distributed from the fund during the preceding fiscal year; (c) for fiscal year 1983 through fiscal year 1988, .54% of the funds distributed from the
fund during the preceding fiscal year less .02% of such fund for fiscal year 1983 and less .02% of such funds for each fiscal year thereafter; (d) for fiscal year 1989 through fiscal year 2011 no more than 105% of the actual administrative expenses of the prior fiscal year; (e) for fiscal year 2012 and beyond, a sufficient amount to pay (i) stipends, additional compensation, salary reimbursements, and other amounts directed to be paid out of this Fund for local officials as authorized or required by statute and (ii) the ordinary and contingent expenses of the Property Tax Appeal Board and the expenses of the Department of Revenue incurred in administering the collection and distribution of moneys paid into the Fund; (f) for fiscal years 2012 and 2013 only, a sufficient amount to pay stipends, additional compensation, salary reimbursements, and other amounts directed to be paid out of this Fund for regional offices and officials as authorized or required by statute; or (g) for fiscal years 2018 through 2021 2020 only, a sufficient amount to pay amounts directed to be paid out of this Fund for public community college base operating grants and local health protection grants to certified local health departments as authorized or required by appropriation or statute. Such portion of the fund shall be determined after the transfer into the General Revenue Fund due to refunds, if any, paid from the General Revenue Fund during the preceding quarter. If at
any time, for any reason, there is insufficient amount in
the Personal Property Tax Replacement Fund for payments for
regional offices and officials or local officials or
payment of costs of administration or for transfers due to
refunds at the end of any particular month, the amount of
such insufficiency shall be carried over for the purposes
of payments for regional offices and officials, local
officials, transfers into the General Revenue Fund, and
costs of administration to the following month or months.
Net replacement revenue held, and defined above, shall be
transferred by the Treasurer and Comptroller to the
Personal Property Tax Replacement Fund within 10 days of
such certification.

(2) Each quarterly allocation shall first be
apportioned in the following manner: 51.65% for taxing
districts in Cook County and 48.35% for taxing districts in
the remainder of the State.
The Personal Property Replacement Ratio of each taxing
district outside Cook County shall be the ratio which the Tax
Base of that taxing district bears to the Downstate Tax Base.
The Tax Base of each taxing district outside of Cook County is
the personal property tax collections for that taxing district
for the 1977 tax year. The Downstate Tax Base is the personal
property tax collections for all taxing districts in the State
outside of Cook County for the 1977 tax year. The Department of
Revenue shall have authority to review for accuracy and
completeness the personal property tax collections for each 
taxing district outside Cook County for the 1977 tax year.

The Personal Property Replacement Ratio of each Cook County 
taxing district shall be the ratio which the Tax Base of that 
taxing district bears to the Cook County Tax Base. The Tax Base 
of each Cook County taxing district is the personal property 
tax collections for that taxing district for the 1976 tax year. 
The Cook County Tax Base is the personal property tax 
collections for all taxing districts in Cook County for the 
1976 tax year. The Department of Revenue shall have authority 
to review for accuracy and completeness the personal property 
tax collections for each taxing district within Cook County for 
the 1976 tax year.

For all purposes of this Section 12, amounts paid to a 
taxing district for such tax years as may be applicable by a 
foreign corporation under the provisions of Section 7-202 of 
the Public Utilities Act, as amended, shall be deemed to be 
personal property taxes collected by such taxing district for 
such tax years as may be applicable. The Director shall 
determine from the Illinois Commerce Commission, for any tax 
year as may be applicable, the amounts so paid by any such 
foreign corporation to any and all taxing districts. The 
Illinois Commerce Commission shall furnish such information to 
the Director. For all purposes of this Section 12, the Director 
shall deem such amounts to be collected personal property taxes 
of each such taxing district for the applicable tax year or
Taxing districts located both in Cook County and in one or more other counties shall receive both a Cook County allocation and a Downstate allocation determined in the same way as all other taxing districts.

If any taxing district in existence on July 1, 1979 ceases to exist, or discontinues its operations, its Tax Base shall thereafter be deemed to be zero. If the powers, duties and obligations of the discontinued taxing district are assumed by another taxing district, the Tax Base of the discontinued taxing district shall be added to the Tax Base of the taxing district assuming such powers, duties and obligations.

If two or more taxing districts in existence on July 1, 1979, or a successor or successors thereto shall consolidate into one taxing district, the Tax Base of such consolidated taxing district shall be the sum of the Tax Bases of each of the taxing districts which have consolidated.

If a single taxing district in existence on July 1, 1979, or a successor or successors thereto shall be divided into two or more separate taxing districts, the tax base of the taxing district so divided shall be allocated to each of the resulting taxing districts in proportion to the then current equalized assessed value of each resulting taxing district.

If a portion of the territory of a taxing district is disconnected and annexed to another taxing district of the same type, the Tax Base of the taxing district from which
disconnection was made shall be reduced in proportion to the
then current equalized assessed value of the disconnected
territory as compared with the then current equalized assessed
value within the entire territory of the taxing district prior
to disconnection, and the amount of such reduction shall be
added to the Tax Base of the taxing district to which
annexation is made.

If a community college district is created after July 1,
1979, beginning on January 1, 1996 (the effective date of
Public Act 89-327) this amendatory Act of 1995, its Tax Base
shall be 3.5% of the sum of the personal property tax collected
for the 1977 tax year within the territorial jurisdiction of
the district.

The amounts allocated and paid to taxing districts pursuant
to the provisions of Public Act 81-1st Special Session-1 this
amendatory Act of 1979 shall be deemed to be substitute
revenues for the revenues derived from taxes imposed on
personal property pursuant to the provisions of the "Revenue
Act of 1939" or "An Act for the assessment and taxation of
private car line companies", approved July 22, 1943, as
amended, or Section 414 of the Illinois Insurance Code, prior
to the abolition of such taxes and shall be used for the same
purposes as the revenues derived from ad valorem taxes on real
estate.

Monies received by any taxing districts from the Personal
Property Tax Replacement Fund shall be first applied toward
payment of the proportionate amount of debt service which was
previously levied and collected from extensions against
personal property on bonds outstanding as of December 31, 1978
and next applied toward payment of the proportionate share of
the pension or retirement obligations of the taxing district
which were previously levied and collected from extensions
against personal property. For each such outstanding bond
issue, the County Clerk shall determine the percentage of the
debt service which was collected from extensions against real
estate in the taxing district for 1978 taxes payable in 1979,
as related to the total amount of such levies and collections
from extensions against both real and personal property. For
1979 and subsequent years' taxes, the County Clerk shall levy
and extend taxes against the real estate of each taxing
district which will yield the said percentage or percentages of
the debt service on such outstanding bonds. The balance of the
amount necessary to fully pay such debt service shall
constitute a first and prior lien upon the monies received by
each such taxing district through the Personal Property Tax
Replacement Fund and shall be first applied or set aside for
such purpose. In counties having fewer than 3,000,000
inhabitants, the amendments to this paragraph as made by Public
Act 81-1255 this amendatory Act of 1980 shall be first
applicable to 1980 taxes to be collected in 1981.

Section 5-20. The Agricultural Fair Act is amended by changing Section 16 as follows:

(30 ILCS 120/16) (from Ch. 85, par. 666)

Sec. 16. Agricultural education. Agricultural Education Section Fairs, which shall not be located in more than 25 sections, shall be organized and conducted under the supervision of the Department. The Department shall designate the sections of the State for Agricultural Education Fairs. These fairs shall participate in an appropriation at a rate designated by the Bureau that is in compliance with the current year's appropriation for each section holding an Agricultural Education Section Fair or Fairs during the current year. Such monies are to be paid as premiums awarded to agricultural education students exhibiting livestock or agricultural products at the fair or fairs in the section in which the student resides. No premium shall be duplicated for any particular exhibition of livestock or agricultural products in the fair or fairs held in any one section.

Within 30 days after the close of the fair, a section fair manager as designated by the Department shall certify to the Department under oath on forms furnished by the Department a detailed report of premium awards showing all premiums awarded to agricultural education students at that fair. Warrants shall be issued by the State Comptroller payable to the agricultural
education teacher or teachers on vouchers certified by the Department.

If after all approved claims are paid there remains any amount of the appropriation, the remaining portion shall be distributed equally among the participating agricultural education section fairs to be expended for the purposes set forth in this Section. A fiscal accounting of the expenditure of funds distributed under this paragraph shall be filed with the Department by each participating fair not later than one year after the date of its receipt of such funds.

For State fiscal year 2020 only, any section unable to hold an Agricultural Education Section Fair or Fairs shall receive all funds appropriated, at the rate designated by the Bureau of County Fairs, for the purpose of issuing premiums awarded to agricultural education students. Warrants shall be issued by the State Comptroller payable to the agricultural education teacher or teachers on vouchers certified by the Department.

Section 5-25. The Public Use Trust Act is amended by changing Section 2 as follows:

(30 ILCS 160/2) (from Ch. 127, par. 4002)

Sec. 2. (a) The Department of Agriculture, and the Department of Natural Resources, and the Abraham Lincoln Presidential Library and Museum have the power to enter into a
trust agreement with a person or group of persons under which
the State agency may receive or collect money or other property
from the person or group of persons and may expend such money
or property solely for a public purpose within the powers and
duties of that State agency and stated in the trust agreement.
The State agency shall be the trustee under any such trust
agreement.

(b) Money or property received under a trust agreement
shall not be deposited in the State treasury and is not subject
to appropriation by the General Assembly, but shall be held and
invested by the trustee separate and apart from the State
treasury. The trustee shall invest money or property received
under a trust agreement as provided for trustees under the
Trusts and Trustees Act or as otherwise provided in the trust
agreement.

(c) The trustee shall maintain detailed records of all
receipts and disbursements in the same manner as required for
trustees under the Trusts and Trustees Act. The trustee shall
provide an annual accounting of all receipts, disbursements,
and inventory to all donors to the trust and the Auditor
General. The annual accounting shall be made available to any
member of the public upon request.

Section 5-30. The Illinois Coal Technology Development
Assistance Act is amended by changing Section 3 as follows:
(30 ILCS 730/3) (from Ch. 96 1/2, par. 8203)

Sec. 3. Transfers to Coal Technology Development Assistance Fund.

(a) As soon as may be practicable after the first day of each month, the Department of Revenue shall certify to the Treasurer an amount equal to 1/64 of the revenue realized from the tax imposed by the Electricity Excise Tax Law, Section 2 of the Public Utilities Revenue Act, Section 2 of the Messages Tax Act, and Section 2 of the Gas Revenue Tax Act, during the preceding month. Upon receipt of the certification, the Treasurer shall transfer the amount shown on such certification from the General Revenue Fund to the Coal Technology Development Assistance Fund, which is hereby created as a special fund in the State treasury, except that no transfer shall be made in any month in which the Fund has reached the following balance:

(1) (Blank).
(2) (Blank).
(3) (Blank).
(4) (Blank).
(5) (Blank).

(6) Except as otherwise provided in subsection (b), during fiscal year 2006 and each fiscal year thereafter, an amount equal to the sum of $10,000,000 plus additional moneys deposited into the Coal Technology Development
Assistant Fund from the Renewable Energy Resources and 
Coal Technology Development Assistance Charge under 
Section 6.5 of the Renewable Energy, Energy Efficiency, and

amended by changing Section 2-3 as follows:

(30 ILCS 740/2-3) (from Ch. 111 2/3, par. 663)

Sec. 2-3. (a) As soon as possible after the first day of 
each month, beginning July 1, 1984, upon certification of the 
Department of Revenue, the Comptroller shall order 
transferred, and the Treasurer shall transfer, from the General 
Revenue Fund to a special fund in the State Treasury which is 
hereby created, to be known as the Downstate Public 
Transportation Fund, an amount equal to 2/32 (beginning July 1, 
2005, 3/32) of the net revenue realized from the Retailers' 
Occupation Tax Act, the Service Occupation Tax Act, the Use Tax 
Act, and the Service Use Tax Act from persons incurring 
municipal or county retailers' or service occupation tax 
liability for the benefit of any municipality or county located 
wholly within the boundaries of each participant, other than
any Metro-East Transit District participant certified pursuant to subsection (c) of this Section during the preceding month, except that the Department shall pay into the Downstate Public Transportation Fund 2/32 (beginning July 1, 2005, 3/32) of 80% of the net revenue realized under the State tax Acts named above within any municipality or county located wholly within the boundaries of each participant, other than any Metro-East participant, for tax periods beginning on or after January 1, 1990. Net revenue realized for a month shall be the revenue collected by the State pursuant to such Acts during the previous month from persons incurring municipal or county retailers' or service occupation tax liability for the benefit of any municipality or county located wholly within the boundaries of a participant, less the amount paid out during that same month as refunds or credit memoranda to taxpayers for overpayment of liability under such Acts for the benefit of any municipality or county located wholly within the boundaries of a participant.

Notwithstanding any provision of law to the contrary, beginning on July 6, 2017 (the effective date of Public Act 100-23), those amounts required under this subsection (a) to be transferred by the Treasurer into the Downstate Public Transportation Fund from the General Revenue Fund shall be directly deposited into the Downstate Public Transportation Fund as the revenues are realized from the taxes indicated.

(b) As soon as possible after the first day of each month,
beginning July 1, 1989, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, from the General Revenue Fund to a special fund in the State Treasury which is hereby created, to be known as the Metro-East Public Transportation Fund, an amount equal to 2/32 of the net revenue realized, as above, from within the boundaries of Madison, Monroe, and St. Clair Counties, except that the Department shall pay into the Metro-East Public Transportation Fund 2/32 of 80% of the net revenue realized under the State tax Acts specified in subsection (a) of this Section within the boundaries of Madison, Monroe and St. Clair Counties for tax periods beginning on or after January 1, 1990. A local match equivalent to an amount which could be raised by a tax levy at the rate of .05% on the assessed value of property within the boundaries of Madison County is required annually to cause a total of 2/32 of the net revenue to be deposited in the Metro-East Public Transportation Fund. Failure to raise the required local match annually shall result in only 1/32 being deposited into the Metro-East Public Transportation Fund after July 1, 1989, or 1/32 of 80% of the net revenue realized for tax periods beginning on or after January 1, 1990.

(b-5) As soon as possible after the first day of each month, beginning July 1, 2005, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, from the General
Revenue Fund to the Downstate Public Transportation Fund, an amount equal to 3/32 of 80% of the net revenue realized from within the boundaries of Monroe and St. Clair Counties under the State Tax Acts specified in subsection (a) of this Section and provided further that, beginning July 1, 2005, the provisions of subsection (b) shall no longer apply with respect to such tax receipts from Monroe and St. Clair Counties.

Notwithstanding any provision of law to the contrary, beginning on July 6, 2017 (the effective date of Public Act 100-23), those amounts required under this subsection (b-5) to be transferred by the Treasurer into the Downstate Public Transportation Fund from the General Revenue Fund shall be directly deposited into the Downstate Public Transportation Fund as the revenues are realized from the taxes indicated.

(b-6) As soon as possible after the first day of each month, beginning July 1, 2008, upon certification by the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer, from the General Revenue Fund to the Downstate Public Transportation Fund, an amount equal to 3/32 of 80% of the net revenue realized from within the boundaries of Madison County under the State Tax Acts specified in subsection (a) of this Section and provided further that, beginning July 1, 2008, the provisions of subsection (b) shall no longer apply with respect to such tax receipts from Madison County.

Notwithstanding any provision of law to the contrary,
beginning on July 6, 2017 (the effective date of Public Act 100-23), those amounts required under this subsection (b-6) to be transferred by the Treasurer into the Downstate Public Transportation Fund from the General Revenue Fund shall be directly deposited into the Downstate Public Transportation Fund as the revenues are realized from the taxes indicated.

(b-7) Beginning July 1, 2018, notwithstanding the other provisions of this Section, instead of the Comptroller making monthly transfers from the General Revenue Fund to the Downstate Public Transportation Fund, the Department of Revenue shall deposit the designated fraction of the net revenue realized from collections under the Retailers' Occupation Tax Act, the Service Occupation Tax Act, the Use Tax Act, and the Service Use Tax Act directly into the Downstate Public Transportation Fund.

(c) The Department shall certify to the Department of Revenue the eligible participants under this Article and the territorial boundaries of such participants for the purposes of the Department of Revenue in subsections (a) and (b) of this Section.

(d) For the purposes of this Article, beginning in fiscal year 2009 the General Assembly shall appropriate an amount from the Downstate Public Transportation Fund equal to the sum total of funds projected to be paid to the participants pursuant to Section 2-7. If the General Assembly fails to make appropriations sufficient to cover the amounts projected to be
paid pursuant to Section 2-7, this Act shall constitute an
irrevocable and continuing appropriation from the Downstate
Public Transportation Fund of all amounts necessary for those
purposes.

(4) As soon as possible after the end of each fiscal year, the Director shall order transferred and the State Treasurer and State Comptroller shall transfer from the Personal Property Tax Replacement Fund to the Income Tax Refund Fund an amount, certified by the Director to the Comptroller, equal to the excess of the amount of refunds resulting from overpayment of tax liability under subsections (c) and (d) of Section 201 of this Act paid from the Income Tax Refund Fund during the fiscal year over the amount collected pursuant to subsections (c) and (d) of
Section 201 of this Act deposited into the Income Tax Refund Fund during the fiscal year.

(4.5) As soon as possible after the end of fiscal year 1999 and of each fiscal year thereafter, the Director shall order transferred and the State Treasurer and State Comptroller shall transfer from the Income Tax Refund Fund to the General Revenue Fund any surplus remaining in the Income Tax Refund Fund as of the end of such fiscal year; excluding for fiscal years 2000, 2001, and 2002 amounts attributable to transfers under item (3) of subsection (c) less refunds resulting from the earned income tax credit.

(5) This Act shall constitute an irrevocable and continuing appropriation from the Income Tax Refund Fund for the purpose of paying refunds upon the order of the Director in accordance with the provisions of this Section.

(e) Deposits into the Education Assistance Fund and the Income Tax Surcharge Local Government Distributive Fund. On July 1, 1991, and thereafter, of the amounts collected pursuant to subsections (a) and (b) of Section 201 of this Act, minus deposits into the Income Tax Refund Fund, the Department shall deposit 7.3% into the Education Assistance Fund in the State Treasury. Beginning July 1, 1991, and continuing through January 31, 1993, of the amounts collected pursuant to subsections (a) and (b) of Section 201 of the Illinois Income Tax Act, minus deposits into the Income Tax Refund Fund, the Department shall deposit 3.0% into the Income Tax Surcharge
Local Government Distributive Fund in the State Treasury. Beginning February 1, 1993 and continuing through June 30, 1993, of the amounts collected pursuant to subsections (a) and (b) of Section 201 of the Illinois Income Tax Act, minus deposits into the Income Tax Refund Fund, the Department shall deposit 4.4% into the Income Tax Surcharge Local Government Distributive Fund in the State Treasury. Beginning July 1, 1993, and continuing through June 30, 1994, of the amounts collected under subsections (a) and (b) of Section 201 of this Act, minus deposits into the Income Tax Refund Fund, the Department shall deposit 1.475% into the Income Tax Surcharge Local Government Distributive Fund in the State Treasury.

(f) Deposits into the Fund for the Advancement of Education. Beginning February 1, 2015, the Department shall deposit the following portions of the revenue realized from the tax imposed upon individuals, trusts, and estates by subsections (a) and (b) of Section 201 of this Act, minus deposits into the Income Tax Refund Fund, into the Fund for the Advancement of Education:

(1) beginning February 1, 2015, and prior to February 1, 2025, 1/30; and

(2) beginning February 1, 2025, 1/26.

If the rate of tax imposed by subsection (a) and (b) of Section 201 is reduced pursuant to Section 201.5 of this Act, the Department shall not make the deposits required by this subsection (f) on or after the effective date of the reduction.
(g) Deposits into the Commitment to Human Services Fund. Beginning February 1, 2015, the Department shall deposit the following portions of the revenue realized from the tax imposed upon individuals, trusts, and estates by subsections (a) and (b) of Section 201 of this Act, minus deposits into the Income Tax Refund Fund, into the Commitment to Human Services Fund:

(1) beginning February 1, 2015, and prior to February 1, 2025, 1/30; and

(2) beginning February 1, 2025, 1/26.

If the rate of tax imposed by subsection (a) and (b) of Section 201 is reduced pursuant to Section 201.5 of this Act, the Department shall not make the deposits required by this subsection (g) on or after the effective date of the reduction.

(h) Deposits into the Tax Compliance and Administration Fund. Beginning on the first day of the first calendar month to occur on or after August 26, 2014 (the effective date of Public Act 98-1098), each month the Department shall pay into the Tax Compliance and Administration Fund, to be used, subject to appropriation, to fund additional auditors and compliance personnel at the Department, an amount equal to 1/12 of 5% of the cash receipts collected during the preceding fiscal year by the Audit Bureau of the Department from the tax imposed by subsections (a), (b), (c), and (d) of Section 201 of this Act, net of deposits into the Income Tax Refund Fund made from those cash receipts.

that bonds are outstanding

under Section 13.2 of the Metropolitan Pier and Exposition Authority Act, but not after fiscal year 2060.

Provided that all amounts deposited in the Fund and
requested in the Authority's certificate have been paid to the
Authority, all amounts remaining in the McCormick Place
Expansion Project Fund on the last day of any month shall be
transferred to the General Revenue Fund.

(b) Authority certificate. Beginning with fiscal year 1994
and continuing for each fiscal year thereafter, the Chairman of
the Metropolitan Pier and Exposition Authority shall annually
certify to the State Comptroller and the State Treasurer the

respect to which the certification is made, to pay the debt
service requirements (including amounts to be paid with respect
to arrangements to provide additional security or liquidity) on
all outstanding bonds and notes, including refunding bonds,
(collectively referred to as "bonds") in an amount issued by
the Authority pursuant to Section 13.2 of the Metropolitan Pier
and Exposition Authority Act. The certificate may be amended
from time to time as necessary.

Section 15-10. The Use Tax Act is amended by changing
Section 9 as follows:

(35 ILCS 105/9) (from Ch. 120, par. 439.9)

Sec. 9. Except as to motor vehicles, watercraft, aircraft,
and trailers that are required to be registered with an agency
of this State, each retailer required or authorized to collect
the tax imposed by this Act shall pay to the Department the
amount of such tax (except as otherwise provided) at the time
when he is required to file his return for the period during
which such tax was collected, less a discount of 2.1% prior to
January 1, 1990, and 1.75% on and after January 1, 1990, or $5
per calendar year, whichever is greater, which is allowed to
reimburse the retailer for expenses incurred in collecting the
tax, keeping records, preparing and filing returns, remitting
the tax and supplying data to the Department on request. The
discount under this Section is not allowed for the 1.25%
portion of taxes paid on aviation fuel that is subject to the
revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C.
47133. In the case of retailers who report and pay the tax on a
transaction by transaction basis, as provided in this Section,
such discount shall be taken with each such tax remittance
instead of when such retailer files his periodic return. The
discount allowed under this Section is allowed only for returns
that are filed in the manner required by this Act. The
Department may disallow the discount for retailers whose
certificate of registration is revoked at the time the return
is filed, but only if the Department's decision to revoke the
certificate of registration has become final. A retailer need
not remit that part of any tax collected by him to the extent
that he is required to remit and does remit the tax imposed by
the Retailers' Occupation Tax Act, with respect to the sale of
the same property.
Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the retailer, in collecting the tax (except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State), may collect for each tax return period, only the tax applicable to that part of the selling price actually received during such tax return period.

Except as provided in this Section, on or before the twentieth day of each calendar month, such retailer shall file a return for the preceding calendar month. Such return shall be filed on forms prescribed by the Department and shall furnish such information as the Department may reasonably require. On and after January 1, 2018, except for returns for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. Retailers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar
quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;

2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;

3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;

4. The amount of credit provided in Section 2d of this Act;

5. The amount of tax due;

5-5. The signature of the taxpayer; and

6. Such other reasonable information as the Department may require.

Each retailer required or authorized to collect the tax imposed by this Act on aviation fuel sold at retail in this State during the preceding calendar month shall, instead of reporting and paying tax on aviation fuel as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return. The requirements related to the return shall
be as otherwise provided in this Section. Notwithstanding any
other provisions of this Act to the contrary, retailers
collecting tax on aviation fuel shall file all aviation fuel
tax returns and shall make all aviation fuel tax payments by
electronic means in the manner and form required by the
Department. For purposes of this Section, "aviation fuel" means
jet fuel and aviation gasoline.

If a taxpayer fails to sign a return within 30 days after
the proper notice and demand for signature by the Department,
the return shall be considered valid and any amount shown to be
due on the return shall be deemed assessed.

Notwithstanding any other provision of this Act to the
contrary, retailers subject to tax on cannabis shall file all
cannabis tax returns and shall make all cannabis tax payments
by electronic means in the manner and form required by the
Department.

Beginning October 1, 1993, a taxpayer who has an average
monthly tax liability of $150,000 or more shall make all
payments required by rules of the Department by electronic
funds transfer. Beginning October 1, 1994, a taxpayer who has
an average monthly tax liability of $100,000 or more shall make
all payments required by rules of the Department by electronic
funds transfer. Beginning October 1, 1995, a taxpayer who has
an average monthly tax liability of $50,000 or more shall make
all payments required by rules of the Department by electronic
funds transfer. Beginning October 1, 2000, a taxpayer who has
an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments
in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, the Service Use Tax Act was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the
Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985, and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987, and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The
amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than
$20,000. However, if a taxpayer can show the Department that a
substantial change in the taxpayer's business has occurred
which causes the taxpayer to anticipate that his average
monthly tax liability for the reasonably foreseeable future
will fall below the $20,000 threshold stated above, then such
taxpayer may petition the Department for a change in such
taxpayer's reporting status. The Department shall change such
taxpayer's reporting status unless it finds that such change is
seasonal in nature and not likely to be long term. If any such
quarter monthly payment is not paid at the time or in the
amount required by this Section, then the taxpayer shall be
liable for penalties and interest on the difference between the
minimum amount due and the amount of such quarter monthly
payment actually and timely paid, except insofar as the
taxpayer has previously made payments for that month to the
Department in excess of the minimum payments previously due as
provided in this Section. The Department shall make reasonable
rules and regulations to govern the quarter monthly payment
amount and quarter monthly payment dates for taxpayers who file
on other than a calendar monthly basis.

If any such payment provided for in this Section exceeds
the taxpayer's liabilities under this Act, the Retailers'
Occupation Tax Act, the Service Occupation Tax Act and the
Service Use Tax Act, as shown by an original monthly return,
the Department shall issue to the taxpayer a credit memorandum
no later than 30 days after the date of payment, which
memorandum may be submitted by the taxpayer to the Department in payment of tax liability subsequently to be remitted by the taxpayer to the Department or be assigned by the taxpayer to a similar taxpayer under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department, except that if such excess payment is shown on an original monthly return and is made after December 31, 1986, no credit memorandum shall be issued, unless requested by the taxpayer. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted by the taxpayer to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% or 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and the taxpayer shall be liable for penalties and interest on such difference.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February, and March of a given
year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, except as otherwise provided in this Section, every retailer selling this kind of tangible personal
property shall file, with the Department, upon a form to be
prescribed and supplied by the Department, a separate return
for each such item of tangible personal property which the
retailer sells, except that if, in the same transaction, (i) a
retailer of aircraft, watercraft, motor vehicles or trailers
transfers more than one aircraft, watercraft, motor vehicle or
trailer to another aircraft, watercraft, motor vehicle or
trailer retailer for the purpose of resale or (ii) a retailer
of aircraft, watercraft, motor vehicles, or trailers transfers
more than one aircraft, watercraft, motor vehicle, or trailer
to a purchaser for use as a qualifying rolling stock as
provided in Section 3-55 of this Act, then that seller may
report the transfer of all the aircraft, watercraft, motor
vehicles or trailers involved in that transaction to the
Department on the same uniform invoice-transaction reporting
return form. For purposes of this Section, "watercraft" means a
Class 2, Class 3, or Class 4 watercraft as defined in Section
3-2 of the Boat Registration and Safety Act, a personal
watercraft, or any boat equipped with an inboard motor.

In addition, with respect to motor vehicles, watercraft,
aircraft, and trailers that are required to be registered with
an agency of this State, every person who is engaged in the
business of leasing or renting such items and who, in
connection with such business, sells any such item to a
retailer for the purpose of resale is, notwithstanding any
other provision of this Section to the contrary, authorized to
meet the return-filing requirement of this Act by reporting the transfer of all the aircraft, watercraft, motor vehicles, or trailers transferred for resale during a month to the Department on the same uniform invoice-transaction reporting return form on or before the 20th of the month following the month in which the transfer takes place. Notwithstanding any other provision of this Act to the contrary, all returns filed under this paragraph must be filed by electronic means in the manner and form as required by the Department.

The transaction reporting return in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient
identification of the property sold; such other information as
is required in Section 5-402 of the Illinois Vehicle Code, and
such other information as the Department may reasonably
require.

The transaction reporting return in the case of watercraft
and aircraft must show the name and address of the seller; the
name and address of the purchaser; the amount of the selling
price including the amount allowed by the retailer for
traded-in property, if any; the amount allowed by the retailer
for the traded-in tangible personal property, if any, to the
extent to which Section 2 of this Act allows an exemption for
the value of traded-in property; the balance payable after
deducting such trade-in allowance from the total selling price;
the amount of tax due from the retailer with respect to such
transaction; the amount of tax collected from the purchaser by
the retailer on such transaction (or satisfactory evidence that
such tax is not due in that particular instance, if that is
claimed to be the fact); the place and date of the sale, a
sufficient identification of the property sold, and such other
information as the Department may reasonably require.

Such transaction reporting return shall be filed not later
than 20 days after the date of delivery of the item that is
being sold, but may be filed by the retailer at any time sooner
than that if he chooses to do so. The transaction reporting
return and tax remittance or proof of exemption from the tax
that is imposed by this Act may be transmitted to the
Department by way of the State agency with which, or State officer with whom, the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the
mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer, and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Where a retailer collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal property and the retailer refunds the selling price thereof to the purchaser, such retailer shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the
purchaser, the retailer may deduct the amount of the tax so refunded by him to the purchaser from any other use tax which such retailer may be required to pay or remit to the Department, as shown by such return, if the amount of the tax to be deducted was previously remitted to the Department by such retailer. If the retailer has not previously remitted the amount of such tax to the Department, he is entitled to no deduction under this Act upon refunding such tax to the purchaser.

Any retailer filing a return under this Section shall also include (for the purpose of paying tax thereon) the total tax covered by such return upon the selling price of tangible personal property purchased by him at retail from a retailer, but as to which the tax imposed by this Act was not collected from the retailer filing such return, and such retailer shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable retailers, who are required to file returns hereunder and also under the Retailers' Occupation Tax Act, to furnish all the return information required by both Acts on the one form.

Where the retailer has more than one business registered with the Department under separate registration under this Act, such retailer may not file each return that is due as a single
return covering all such registered businesses, but shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund, a special fund in the State Treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund 4% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund, a special fund in the State Treasury, 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property, other than (i) tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government and (ii) aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each
month the Department shall pay into the State Aviation Program Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuels Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. Beginning September 1, 2010, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of sales tax holiday items.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.
Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2011, each month the Department shall pay into the Clean Air Act Permit Fund 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of sorbents used in Illinois in the process of sorbent injection as used to comply with the Environmental Protection Act or the federal Clean Air Act, but the total payment into the Clean Air Act Permit Fund under this Act and the Retailers' Occupation Tax Act shall not exceed $2,000,000 in any fiscal year.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act shall not exceed $18,000,000
in any State fiscal year. As used in this paragraph, the
"average monthly deficit" shall be equal to the difference
between the average monthly claims for payment by the fund and
the average monthly revenues deposited into the fund, excluding
payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys
received by the Department under this Act, the Service Use Tax
Act, the Service Occupation Tax Act, and the Retailers'
Occupation Tax Act, each month the Department shall deposit
$500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department
pursuant to this Act, (a) 1.75% thereof shall be paid into the
Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on
and after July 1, 1989, 3.8% thereof shall be paid into the
Build Illinois Fund; provided, however, that if in any fiscal
year the sum of (1) the aggregate of 2.2% or 3.8%, as the case
may be, of the moneys received by the Department and required
to be paid into the Build Illinois Fund pursuant to Section 3
of the Retailers' Occupation Tax Act, Section 9 of the Use Tax
Act, Section 9 of the Service Use Tax Act, and Section 9 of the
Service Occupation Tax Act, such Acts being hereinafter called
the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case
may be, of moneys being hereinafter called the "Tax Act
Amount", and (2) the amount transferred to the Build Illinois
Fund from the State and Local Sales Tax Reform Fund shall be
less than the Annual Specified Amount (as defined in Section 3
of the Retailers' Occupation Tax Act), an amount equal to the
difference shall be immediately paid into the Build Illinois
Fund from other moneys received by the Department pursuant to
the Tax Acts; and further provided, that if on the last
business day of any month the sum of (1) the Tax Act Amount
required to be deposited into the Build Illinois Bond Account
in the Build Illinois Fund during such month and (2) the amount
transferred during such month to the Build Illinois Fund from
the State and Local Sales Tax Reform Fund shall have been less
than 1/12 of the Annual Specified Amount, an amount equal to
the difference shall be immediately paid into the Build
Illinois Fund from other moneys received by the Department
pursuant to the Tax Acts; and, further provided, that in no
event shall the payments required under the preceding proviso
result in aggregate payments into the Build Illinois Fund
pursuant to this clause (b) for any fiscal year in excess of
the greater of (i) the Tax Act Amount or (ii) the Annual
Specified Amount for such fiscal year; and, further provided,
that the amounts payable into the Build Illinois Fund under
this clause (b) shall be payable only until such time as the
aggregate amount on deposit under each trust indenture securing
Bonds issued and outstanding pursuant to the Build Illinois
Bond Act is sufficient, taking into account any future
investment income, to fully provide, in accordance with such
indenture, for the defeasance of or the payment of the
principal of, premium, if any, and interest on the Bonds
secured by such indenture and on any Bonds expected to be
issued thereafter and all fees and costs payable with respect
thereto, all as certified by the Director of the Bureau of the
Budget (now Governor's Office of Management and Budget). If on
the last business day of any month in which Bonds are
outstanding pursuant to the Build Illinois Bond Act, the
aggregate of the moneys deposited in the Build Illinois Bond
Account in the Build Illinois Fund in such month shall be less
than the amount required to be transferred in such month from
the Build Illinois Bond Account to the Build Illinois Bond
Retirement and Interest Fund pursuant to Section 13 of the
Build Illinois Bond Act, an amount equal to such deficiency
shall be immediately paid from other moneys received by the
Department pursuant to the Tax Acts to the Build Illinois Fund;
provided, however, that any amounts paid to the Build Illinois
Fund in any fiscal year pursuant to this sentence shall be
deemed to constitute payments pursuant to clause (b) of the
preceding sentence and shall reduce the amount otherwise
payable for such fiscal year pursuant to clause (b) of the
preceding sentence. The moneys received by the Department
pursuant to this Act and required to be deposited into the
Build Illinois Fund are subject to the pledge, claim and charge
set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund
as provided in the preceding paragraph or in any amendment
thereto hereafter enacted, the following specified monthly
installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

and each fiscal year thereafter that bonds are outstanding under Section 13.2 of the Metropolitan Pier and Exposition Authority Act, but not after fiscal year 2060.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Capital Projects Fund, the Clean Air Act Permit Fund, the Build Illinois Fund, and the McCormick Place Expansion Project Fund pursuant to the

The Department shall only deposit moneys into the Aviation Fuel Sales Tax Refund Fund under this paragraph for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993 and ending on September 30, 2013, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this
paragraph, the term "eligible business" means a new electric
generating facility certified pursuant to Section 605-332 of
the Department of Commerce and Economic Opportunity Law of the
Civil Administrative Code of Illinois.

Subject to payment of amounts into the Build Illinois Fund,
the McCormick Place Expansion Project Fund, the Illinois Tax
Increment Fund, and the Energy Infrastructure Fund pursuant to
the preceding paragraphs or in any amendments to this Section
hereafter enacted, beginning on the first day of the first

of the Service Use Tax Act, Section 9 of the Service Occupation
Tax Act, and Section 3 of the Retailers' Occupation Tax Act,
the Department shall pay into the Tax Compliance and

Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 16% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning July 1, 2022 and until July 1, 2023, subject to the payment of amounts into the State and Local Sales Tax Reform Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, the Energy Infrastructure Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 32% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning July 1, 2024 and until July 1, 2025, subject to the payment of amounts into the State and Local Sales Tax Reform Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, the Energy Infrastructure Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 48% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning July 1, 2024 and until July 1, 2025, subject to the payment of amounts into the State and Local Sales Tax Reform Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, the Energy Infrastructure Fund, and the Tax Compliance and Administration Fund as provided in this Section.
the Department shall pay each month into the Road Fund the amount estimated to represent 64% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning on July 1, 2025, subject to the payment of amounts into the State and Local Sales Tax Reform Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, the Energy Infrastructure Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 80% of the net revenue realized from the taxes imposed on motor fuel and gasohol. As used in this paragraph "motor fuel" has the meaning given to that term in Section 1.1 of the Motor Fuel Tax Act, and "gasohol" has the meaning given to that term in Section 3-40 of this Act.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this
transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Section 15-15. The Service Use Tax Act is amended by changing Section 9 as follows:

(35 ILCS 110/9) (from Ch. 120, par. 439.39)

Sec. 9. Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such
tax was collected, less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the serviceman for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. The discount under this Section is not allowed for the 1.25% portion of taxes paid on aviation fuel that is subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for servicemen whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final. A serviceman need not remit that part of any tax collected by him to the extent that he is required to pay and does pay the tax imposed by the Service Occupation Tax Act with respect to his sale of service involving the incidental transfer by him of the same property.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable Rules and Regulations to be promulgated by the Department. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require. On and
after January 1, 2018, with respect to servicemen whose annual
gross receipts average $20,000 or more, all returns required to
be filed pursuant to this Act shall be filed electronically.
Servicemen who demonstrate that they do not have access to the
Internet or demonstrate hardship in filing electronically may
petition the Department to waive the electronic filing
requirement.

The Department may require returns to be filed on a
quarterly basis. If so required, a return for each calendar
quarter shall be filed on or before the twentieth day of the
calendar month following the end of such calendar quarter. The
taxpayer shall also file a return with the Department for each
of the first two months of each calendar quarter, on or before
the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from
   which he engages in business as a serviceman in this State;
3. The total amount of taxable receipts received by him
during the preceding calendar month, including receipts
from charge and time sales, but less all deductions allowed
by law;
4. The amount of credit provided in Section 2d of this
   Act;
5. The amount of tax due;
5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department
may require.

Each serviceman required or authorized to collect the tax imposed by this Act on aviation fuel transferred as an incident of a sale of service in this State during the preceding calendar month shall, instead of reporting and paying tax on aviation fuel as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, servicemen collecting tax on aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Notwithstanding any other provision of this Act to the contrary, servicemen subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments by electronic means in the manner and form required by the Department.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all
payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make
payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

If the serviceman is otherwise required to file a monthly return and if the serviceman's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the serviceman is otherwise required to file a monthly or quarterly return and if the serviceman's average monthly tax liability to the Department does not exceed $50, the Department
may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a serviceman may file his return, in the case of any serviceman who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such serviceman shall file a final return under this Act with the Department not more than 1 month after discontinuing such business.

Where a serviceman collects the tax with respect to the selling price of property which he sells and the purchaser thereafter returns such property and the serviceman refunds the selling price thereof to the purchaser, such serviceman shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the serviceman may deduct the amount of the tax so refunded by him to the purchaser from any other Service Use Tax, Service Occupation Tax, retailers' occupation tax or use tax which such serviceman may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such
serviceman. If the serviceman shall not previously have remitted the amount of such tax to the Department, he shall be entitled to no deduction hereunder upon refunding such tax to the purchaser.

Any serviceman filing a return hereunder shall also include the total tax upon the selling price of tangible personal property purchased for use by him as an incident to a sale of service, and such serviceman shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable servicemen, who are required to file returns hereunder and also under the Service Occupation Tax Act, to furnish all the return information required by both Acts on the one form.

Where the serviceman has more than one business registered with the Department under separate registration hereunder, such serviceman shall not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Tax Reform Fund, a special fund in the State Treasury, the net revenue realized for the preceding month from the 1% tax imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund 20% of the
net revenue realized for the preceding month from the 6.25% general rate on transfers of tangible personal property, other than (i) tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government and (ii) aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each month the Department shall pay into the State Aviation Program Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuel Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning October 1, 2009, each month the Department shall
pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under the Use Tax Act, this Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act, each month the Department shall deposit $500,000 into the State Crime Laboratory Fund.
Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3 of the Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to
the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond
Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

the State Treasurer in the respective month under subsection
(g) of Section 13 of the Metropolitan Pier and Exposition
Authority Act, plus cumulative deficiencies in the deposits
required under this Section for previous months and years,
shall be deposited into the McCormick Place Expansion Project
Fund, until the full amount requested for the fiscal year, but
not in excess of the amount specified above as "Total Deposit",
has been deposited.

Subject to payment of amounts into the Capital Projects

enacted, for aviation fuel sold on or after December 1, 2019,
the Department shall each month deposit into the Aviation Fuel
Sales Tax Refund Fund an amount estimated by the Department to
be required for refunds of the 80% portion of the tax on
aviation fuel under this Act. The Department shall only deposit
moneys into the Aviation Fuel Sales Tax Refund Fund under this
paragraph for so long as the revenue use requirements of 49

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993 and ending on September 30, 2013, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Energy Infrastructure Fund pursuant to the preceding paragraphs or in any amendments to this Section
hereafter enacted, beginning on the first day of the first
calendar month to occur on or after August 26, 2014 (the

collections made under Section 9 of the Use Tax Act, Section 9
of the Service Use Tax Act, Section 9 of the Service Occupation
Tax Act, and Section 3 of the Retailers' Occupation Tax Act,
the Department shall pay into the Tax Compliance and

fund additional auditors and compliance personnel at the
Department of Revenue, an amount equal to 1/12 of 5% of 80% of
the cash receipts collected during the preceding fiscal year by
the Audit Bureau of the Department under the Use Tax Act, the
Service Use Tax Act, the Service Occupation Tax Act, the

Subject to payments of amounts into the Build Illinois

beginning on July 1, 2018 the Department shall pay each month
into the Downstate Public Transportation Fund the moneys
required to be so paid under Section 2-3 of the Downstate
Public Transportation Act.

Subject to successful execution and delivery of a
public-private agreement between the public agency and private
entity and completion of the civic build, beginning on July 1,
2023, of the remainder of the moneys received by the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and this Act, the Department shall deposit the following specified deposits in the aggregate from collections under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act, as required under Section 8.25g of the State Finance Act for distribution consistent with the Public-Private Partnership for Civic and Transit Infrastructure Project Act.

Beginning July 1, 2022 and until July 1, 2023, subject to the payment of amounts into the State and Local Sales Tax Reform Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, the Energy Infrastructure Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 16% of the net revenue realized from the taxes imposed on motor fuel and gasohol.
Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 32% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning July 1, 2024 and until July 1, 2025, subject to the payment of amounts into the State and Local Sales Tax Reform Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, the Energy Infrastructure Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 64% of the net revenue realized from the taxes imposed on motor fuel and gasohol. the Department shall pay each month into the Road Fund the
amount estimated to represent 80% of the net revenue realized
from the taxes imposed on motor fuel and gasohol. As used in
this paragraph "motor fuel" has the meaning given to that term
in Section 1.1 of the Motor Fuel Tax Act, and "gasohol" has the
meaning given to that term in Section 3-40 of the Use Tax Act.

Of the remainder of the moneys received by the Department
pursuant to this Act, 75% thereof shall be paid into the

Section 15-20. The Service Occupation Tax Act is amended by changing Section 9 as follows:

(35 ILCS 115/9) (from Ch. 120, par. 439.109)

Sec. 9. Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax at the time when he is required to file his return for the period during which such tax was collectible, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the serviceman for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. The discount under this Section is not allowed for the 1.25% portion of taxes paid on aviation fuel that is subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for servicemen whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of
registration has become final.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the serviceman, in collecting the tax may collect, for each tax return period, only the tax applicable to the part of the selling price actually received during such tax return period.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable rules and regulations to be promulgated by the Department of Revenue. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require. On and after January 1, 2018, with respect to servicemen whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. Servicemen who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the
calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;

2. The address of the principal place of business from which he engages in business as a serviceman in this State;

3. The total amount of taxable receipts received by him during the preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;

4. The amount of credit provided in Section 2d of this Act;

5. The amount of tax due;

5-5. The signature of the taxpayer; and

6. Such other reasonable information as the Department may require.

Each serviceman required or authorized to collect the tax herein imposed on aviation fuel acquired as an incident to the purchase of a service in this State during the preceding calendar month shall, instead of reporting and paying tax as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, servicemen transferring aviation fuel incident to
sales of service shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Notwithstanding any other provision of this Act to the contrary, servicemen subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments by electronic means in the manner and form required by the Department.

Prior to October 1, 2003, and on and after September 1, 2004 a serviceman may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Service Use Tax as provided in Section 3-70 of the Service Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-70 of the Service Use Tax Act. A Manufacturer's Purchase Credit certification, accepted prior to October 1, 2003 or on or after September 1, 2004 by a serviceman as provided in Section 3-70 of the Service Use Tax Act, may be used by that serviceman to satisfy Service Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to
tax from a qualifying purchase. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 for reporting periods prior to September 1, 2004 shall be disallowed. Manufacturer's Purchase Credit reported on annual returns due on or after January 1, 2005 will be disallowed for periods prior to September 1, 2004. No Manufacturer's Purchase Credit may be used after September 30, 2003 through August 31, 2004 to satisfy any tax liability imposed under this Act, including any audit liability.

If the serviceman's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the serviceman's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.
Notwithstanding any other provision in this Act concerning the time within which a serviceman may file his return, in the case of any serviceman who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such serviceman shall file a final return under this Act with the Department not more than 1 month after discontinuing such business.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the
Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Where a serviceman collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal property and the serviceman refunds the selling price thereof to the purchaser, such serviceman shall also refund, to the
purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the serviceman may deduct the amount of the tax so refunded by him to the purchaser from any other Service Occupation Tax, Service Use Tax, Retailers' Occupation Tax or Use Tax which such serviceman may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such serviceman. If the serviceman shall not previously have remitted the amount of such tax to the Department, he shall be entitled to no deduction hereunder upon refunding such tax to the purchaser.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable servicemen, who are required to file returns hereunder and also under the Retailers' Occupation Tax Act, the Use Tax Act or the Service Use Tax Act, to furnish all the return information required by all said Acts on the one form.

Where the serviceman has more than one business registered with the Department under separate registrations hereunder, such serviceman shall file separate returns for each registered business.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund the revenue realized for the preceding month from the 1% tax imposed under this Act.
Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund 4% of the revenue realized for the preceding month from the 6.25% general rate on sales of tangible personal property other than aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the revenue realized for the preceding month from the 6.25% general rate on transfers of tangible personal property other than aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each month the Department shall pay into the State Aviation Program Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation fuel
under this Act, which amount shall be deposited into the
Aviation Fuel Sales Tax Refund Fund. The Department shall only
pay moneys into the State Aviation Program Fund and the
Aviation Fuel Sales Tax Refund Fund under this Act for so long
as the revenue use requirements of 49 U.S.C. 47107(b) and 49
U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall
pay into the Local Government Tax Fund 80% of the net revenue
realized for the preceding month from the 1.25% rate on the
selling price of motor fuel and gasohol.

Beginning October 1, 2009, each month the Department shall
pay into the Capital Projects Fund an amount that is equal to
an amount estimated by the Department to represent 80% of the
net revenue realized for the preceding month from the sale of
candy, grooming and hygiene products, and soft drinks that had
been taxed at a rate of 1% prior to September 1, 2009 but that
are now taxed at 6.25%.

Beginning July 1, 2013, each month the Department shall pay
into the Underground Storage Tank Fund from the proceeds
collected under this Act, the Use Tax Act, the Service Use Tax
Act, and the Retailers' Occupation Tax Act an amount equal to
the average monthly deficit in the Underground Storage Tank
Fund during the prior year, as certified annually by the
Illinois Environmental Protection Agency, but the total
payment into the Underground Storage Tank Fund under this Act,
the Use Tax Act, the Service Use Tax Act, and the Retailers'
Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under the Use Tax Act, the Service Use Tax Act, this Act, and the Retailers' Occupation Tax Act, each month the Department shall deposit $500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be
less than the Annual Specified Amount (as defined in Section 3 of the Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the
principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment
thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

and each fiscal year thereafter that bonds are outstanding under Section 13.2 of the Metropolitan Pier and Exposition Authority Act, but not after fiscal year 2060.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Capital Projects
Fund, the Build Illinois Fund, and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, for aviation fuel sold on or after December 1, 2019, the Department shall each month deposit into the Aviation Fuel Sales Tax Refund Fund an amount estimated by the Department to be required for refunds of the 80% portion of the tax on aviation fuel under this Act. The Department shall only deposit moneys into the Aviation Fuel Sales Tax Refund Fund under this paragraph for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993 and ending on September 30, 2013, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the
6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Energy Infrastructure Fund pursuant to the preceding paragraphs or in any amendments to this Section hereafter enacted, beginning on the first day of the first calendar month to occur on or after August 26, 2014 (the effective date of Public Act 98-1098), each month, from the collections made under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act, the Department shall pay into the Tax Compliance and Administration Fund, to be used, subject to appropriation, to fund additional auditors and compliance personnel at the Department of Revenue, an amount equal to 1/12 of 5% of 80% of the cash receipts collected during the preceding fiscal year by the Audit Bureau of the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, the Retailers' Occupation Tax Act, and associated local occupation and use taxes administered by the Department.

Subject to payments of amounts into the Build Illinois
Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, the Energy Infrastructure Fund, and the Tax Compliance and Administration Fund as provided in this Section, beginning on July 1, 2018 the Department shall pay each month into the Downstate Public Transportation Fund the moneys required to be so paid under Section 2-3 of the Downstate Public Transportation Act.

Subject to successful execution and delivery of a public-private agreement between the public agency and private entity and completion of the civic build, beginning on July 1, 2023, of the remainder of the moneys received by the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and this Act, the Department shall deposit the following specified deposits in the aggregate from collections under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act, as required under Section 8.25g of the State Finance Act for distribution consistent with the Public-Private Partnership for Civic and Transit Infrastructure Project Act. The moneys received by the Department pursuant to this Act and required to be deposited into the Civic and Transit Infrastructure Fund are subject to the pledge, claim and charge set forth in Section 25-55 of the Public-Private Partnership for Civic and Transit Infrastructure Project Act. As used in this paragraph, "civic build", "private entity", "public-private agreement", and "public agency" have the
meanings provided in Section 25-10 of the Public-Private Partnership for Civic and Transit Infrastructure Project Act.

Beginning July 1, 2021 and until July 1, 2022, subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build
Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, the Energy Infrastructure Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 16% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning July 1, 2022 and until July 1, 2023, subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, the Energy Infrastructure Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 32% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning July 1, 2023 and until July 1, 2024, subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, the Energy Infrastructure Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 48% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning July 1, 2024 and until July 1, 2025, subject to the payment of amounts into the County and Mass Transit District Fund, the
Local Government Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, the Energy Infrastructure Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 64% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning on July 1, 2025, subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, the Energy Infrastructure Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 80% of the net revenue realized from the taxes imposed on motor fuel and gasohol. As used in this paragraph "motor fuel" has the meaning given to that term in Section 1.1 of the Motor Fuel Tax Act, and "gasohol" has the meaning given to that term in Section 3-40 of the Use Tax Act.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% shall be paid into the General Revenue Fund of the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.
The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the taxpayer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the taxpayer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The taxpayer's annual return to the Department shall also disclose the cost of goods sold by the taxpayer during the year covered by such return, opening and closing inventories of such goods for such year, cost of goods used from stock or taken from stock and given away by the taxpayer during such year, pay roll information of the taxpayer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such taxpayer as hereinbefore provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:
Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The foregoing portion of this Section concerning the filing of an annual information return shall not apply to a serviceman who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount
equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, it shall be permissible for manufacturers, importers and wholesalers whose products are sold by numerous servicemen in Illinois, and who wish to do so, to assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the servicemen who are affected do not make written objection to the Department to this arrangement.

Section 15-25. The Retailers' Occupation Tax Act is amended by changing Section 3 as follows:

(35 ILCS 120/3) (from Ch. 120, par. 442)

Sec. 3. Except as provided in this Section, on or before
the twentieth day of each calendar month, every person engaged
in the business of selling tangible personal property at retail
in this State during the preceding calendar month shall file a
return with the Department, stating:

1. The name of the seller;

2. His residence address and the address of his
principal place of business and the address of the
principal place of business (if that is a different
address) from which he engages in the business of selling
tangible personal property at retail in this State;

3. Total amount of receipts received by him during the
preceding calendar month or quarter, as the case may be,
from sales of tangible personal property, and from services
furnished, by him during such preceding calendar month or
quarter;

4. Total amount received by him during the preceding
calendar month or quarter on charge and time sales of
tangible personal property, and from services furnished,
by him prior to the month or quarter for which the return
is filed;

5. Deductions allowed by law;

6. Gross receipts which were received by him during the
preceding calendar month or quarter and upon the basis of
which the tax is imposed;

7. The amount of credit provided in Section 2d of this
Act;
8. The amount of tax due;
9. The signature of the taxpayer; and
10. Such other reasonable information as the Department may require.

On and after January 1, 2018, except for returns for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. Retailers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Each return shall be accompanied by the statement of prepaid tax issued pursuant to Section 2e for which credit is claimed.

Prior to October 1, 2003, and on and after September 1, 2004 a retailer may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Use Tax as provided in Section 3-85 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-85 of the Use Tax Act. A Manufacturer's Purchase Credit
certification, accepted by a retailer prior to October 1, 2003 and on and after September 1, 2004 as provided in Section 3-85 of the Use Tax Act, may be used by that retailer to satisfy Retailers' Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 for reporting periods prior to September 1, 2004 shall be disallowed. Manufacturer's Purchaser Credit reported on annual returns due on or after January 1, 2005 will be disallowed for periods prior to September 1, 2004. No Manufacturer's Purchase Credit may be used after September 30, 2003 through August 31, 2004 to satisfy any tax liability imposed under this Act, including any audit liability.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;

4. The amount of credit provided in Section 2d of this Act;

5. The amount of tax due; and

6. Such other reasonable information as the Department may require.

Every person engaged in the business of selling aviation fuel at retail in this State during the preceding calendar month shall, instead of reporting and paying tax as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, retailers selling aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline.

Beginning on October 1, 2003, any person who is not a licensed distributor, importing distributor, or manufacturer, as defined in the Liquor Control Act of 1934, but is engaged in the business of selling, at retail, alcoholic liquor shall file
a statement with the Department of Revenue, in a format and at
a time prescribed by the Department, showing the total amount
paid for alcoholic liquor purchased during the preceding month
and such other information as is reasonably required by the
Department. The Department may adopt rules to require that this
statement be filed in an electronic or telephonic format. Such
rules may provide for exceptions from the filing requirements
of this paragraph. For the purposes of this paragraph, the term
"alcoholic liquor" shall have the meaning prescribed in the
Liquor Control Act of 1934.

Beginning on October 1, 2003, every distributor, importing
distributor, and manufacturer of alcoholic liquor as defined in
the Liquor Control Act of 1934, shall file a statement with the
Department of Revenue, no later than the 10th day of the month
for the preceding month during which transactions occurred, by
electronic means, showing the total amount of gross receipts
from the sale of alcoholic liquor sold or distributed during
the preceding month to purchasers; identifying the purchaser to
whom it was sold or distributed; the purchaser's tax
registration number; and such other information reasonably
required by the Department. A distributor, importing
distributor, or manufacturer of alcoholic liquor must
personally deliver, mail, or provide by electronic means to
each retailer listed on the monthly statement a report
containing a cumulative total of that distributor's, importing
distributor's, or manufacturer's total sales of alcoholic
liquor to that retailer no later than the 10th day of the month for the preceding month during which the transaction occurred. The distributor, importing distributor, or manufacturer shall notify the retailer as to the method by which the distributor, importing distributor, or manufacturer will provide the sales information. If the retailer is unable to receive the sales information by electronic means, the distributor, importing distributor, or manufacturer shall furnish the sales information by personal delivery or by mail. For purposes of this paragraph, the term "electronic means" includes, but is not limited to, the use of a secure Internet website, e-mail, or facsimile.

If a total amount of less than $1 is payable, refundable or creditable, such amount shall be disregarded if it is less than 50 cents and shall be increased to $1 if it is 50 cents or more.

Notwithstanding any other provision of this Act to the contrary, retailers subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments by electronic means in the manner and form required by the Department.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic
funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer
with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.
If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, except as otherwise provided in this Section, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be
prescribed and supplied by the Department, a separate return
for each such item of tangible personal property which the
retailer sells, except that if, in the same transaction, (i) a
retailer of aircraft, watercraft, motor vehicles or trailers
transfers more than one aircraft, watercraft, motor vehicle or
trailer to another aircraft, watercraft, motor vehicle
retailer or trailer retailer for the purpose of resale or (ii)
a retailer of aircraft, watercraft, motor vehicles, or trailers
transfers more than one aircraft, watercraft, motor vehicle, or
trailer to a purchaser for use as a qualifying rolling stock as
provided in Section 2-5 of this Act, then that seller may
report the transfer of all aircraft, watercraft, motor vehicles
or trailers involved in that transaction to the Department on
the same uniform invoice-transaction reporting return form.
For purposes of this Section, "watercraft" means a Class 2,
Class 3, or Class 4 watercraft as defined in Section 3-2 of the
Boat Registration and Safety Act, a personal watercraft, or any
boat equipped with an inboard motor.

In addition, with respect to motor vehicles, watercraft,
aircraft, and trailers that are required to be registered with
an agency of this State, every person who is engaged in the
business of leasing or renting such items and who, in
connection with such business, sells any such item to a
retailer for the purpose of resale is, notwithstanding any
other provision of this Section to the contrary, authorized to
meet the return-filing requirement of this Act by reporting the
transfer of all the aircraft, watercraft, motor vehicles, or trailers transferred for resale during a month to the Department on the same uniform invoice-transaction reporting return form on or before the 20th of the month following the month in which the transfer takes place. Notwithstanding any other provision of this Act to the contrary, all returns filed under this paragraph must be filed by electronic means in the manner and form as required by the Department.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value
of traded-in property; the balance payable after deducting such
trade-in allowance from the total selling price; the amount of
tax due from the retailer with respect to such transaction; the
amount of tax collected from the purchaser by the retailer on
such transaction (or satisfactory evidence that such tax is not
due in that particular instance, if that is claimed to be the
fact); the place and date of the sale; a sufficient
identification of the property sold; such other information as
is required in Section 5-402 of the Illinois Vehicle Code, and
such other information as the Department may reasonably
require.

The transaction reporting return in the case of watercraft
or aircraft must show the name and address of the seller; the
name and address of the purchaser; the amount of the selling
price including the amount allowed by the retailer for
traded-in property, if any; the amount allowed by the retailer
for the traded-in tangible personal property, if any, to the
extent to which Section 1 of this Act allows an exemption for
the value of traded-in property; the balance payable after
deducting such trade-in allowance from the total selling price;
the amount of tax due from the retailer with respect to such
transaction; the amount of tax collected from the purchaser by
the retailer on such transaction (or satisfactory evidence that
such tax is not due in that particular instance, if that is
claimed to be the fact); the place and date of the sale, a
sufficient identification of the property sold, and such other
information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a use tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.
No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of the tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.
Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. The discount under this Section is not allowed for the 1.25% portion of taxes paid on
aviation fuel that is subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such 2.1% or 1.75% discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the
Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's
liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a
taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at
the time or in the amount required by this Section, then the
taxpayer shall be liable for penalties and interest on the
difference between the minimum amount due as a payment and the
amount of such quarter monthly payment actually and timely
paid, except insofar as the taxpayer has previously made
payments for that month to the Department in excess of the
minimum payments previously due as provided in this Section.
The Department shall make reasonable rules and regulations to
govern the quarter monthly payment amount and quarter monthly
payment dates for taxpayers who file on other than a calendar
monthly basis.

The provisions of this paragraph apply before October 1,
2001. Without regard to whether a taxpayer is required to make
quarter monthly payments as specified above, any taxpayer who
is required by Section 2d of this Act to collect and remit
prepaid taxes and has collected prepaid taxes which average in
excess of $25,000 per month during the preceding 2 complete
calendar quarters, shall file a return with the Department as
required by Section 2f and shall make payments to the
Department on or before the 7th, 15th, 22nd and last day of the
month during which such liability is incurred. If the month
during which such tax liability is incurred began prior to
September 1, 1985 (the effective date of Public Act 84-221),
each payment shall be in an amount not less than 22.5% of the
taxpayer's actual liability under Section 2d. If the month
during which such tax liability is incurred begins on or after
January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is $25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes that average in
excess of $20,000 per month during the preceding 4 complete
calendar quarters shall file a return with the Department as
required by Section 2f and shall make payments to the
Department on or before the 7th, 15th, 22nd and last day of the
month during which the liability is incurred. Each payment
shall be in an amount equal to 22.5% of the taxpayer's actual
liability for the month or 25% of the taxpayer's liability for
the same calendar month of the preceding year. The amount of
the quarter monthly payments shall be credited against the
final tax liability of the taxpayer's return for that month
filed under this Section or Section 2f, as the case may be.
Once applicable, the requirement of the making of quarter
monthly payments to the Department pursuant to this paragraph
shall continue until the taxpayer's average monthly prepaid tax
collections during the preceding 4 complete calendar quarters
(excluding the month of highest liability and the month of
lowest liability) is less than $19,000 or until such taxpayer's
average monthly liability to the Department as computed for
each calendar quarter of the 4 preceding complete calendar
quarters is less than $20,000. If any such quarter monthly
payment is not paid at the time or in the amount required, the
taxpayer shall be liable for penalties and interest on such
difference, except insofar as the taxpayer has previously made
payments for that month in excess of the minimum payments
previously due.

If any payment provided for in this Section exceeds the
taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% and 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.
Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund, a special fund in the State treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund, a special fund in the State treasury which is hereby created, 4% of the net revenue realized for the preceding month from the 6.25% general rate other than aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. Beginning September 1, 2010, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of sales tax holiday items.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property other than aviation fuel sold on or after December 1, 2019. This exception
For aviation fuel only applies for so long as the revenue use
requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are
binding on the State.

For aviation fuel sold on or after December 1, 2019, each
month the Department shall pay into the State Aviation Program
Fund 20% of the net revenue realized for the preceding month
from the 6.25% general rate on the selling price of aviation
fuel, less an amount estimated by the Department to be required
for refunds of the 20% portion of the tax on aviation fuel
under this Act, which amount shall be deposited into the
Aviation Fuel Sales Tax Refund Fund. The Department shall only
pay moneys into the State Aviation Program Fund and the
Aviation Fuel Sales Tax Refund Fund under this Act for so long
as the revenue use requirements of 49 U.S.C. 47107(b) and 49
U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall
pay into the Local Government Tax Fund 80% of the net revenue
realized for the preceding month from the 1.25% rate on the
selling price of motor fuel and gasohol. Beginning September 1,
2010, each month the Department shall pay into the Local
Government Tax Fund 80% of the net revenue realized for the
preceding month from the 1.25% rate on the selling price of
sales tax holiday items.

Beginning October 1, 2009, each month the Department shall
pay into the Capital Projects Fund an amount that is equal to
an amount estimated by the Department to represent 80% of the
net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2011, each month the Department shall pay into the Clean Air Act Permit Fund 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of sorbents used in Illinois in the process of sorbent injection as used to comply with the Environmental Protection Act or the federal Clean Air Act, but the total payment into the Clean Air Act Permit Fund under this Act and the Use Tax Act shall not exceed $2,000,000 in any fiscal year.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this
Beginning July 1, 2015, of the remainder of the moneys received by the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and this Act, each month the Department shall deposit $500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to this Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as hereinafter defined), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; the "Annual Specified Amount" means the amounts specified below for fiscal years 1986 through 1993:

and means the Certified Annual Debt Service Requirement (as defined in Section 13 of the Build Illinois Bond Act) or the Tax Act Amount, whichever is greater, for fiscal year 1994 and each fiscal year thereafter; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for
such fiscal year. The amounts payable into the Build Illinois Fund under clause (b) of the first sentence in this paragraph shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the first sentence of this paragraph and shall
reduce the amount otherwise payable for such fiscal year pursuant to that clause (b). The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

each fiscal year

thereafter that bonds

are outstanding under

Section 13.2 of the

Metropolitan Pier and

Exposition Authority Act,

but not after fiscal year 2060.

Beginning July 20, 1993 and in each month of each fiscal
year thereafter, one-eighth of the amount requested in the
certificate of the Chairman of the Metropolitan Pier and
Exposition Authority for that fiscal year, less the amount
deposited into the McCormick Place Expansion Project Fund by
the State Treasurer in the respective month under subsection
(g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Capital Projects Fund, the Clean Air Act Permit Fund, the Build Illinois Fund, and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, for aviation fuel sold on or after December 1, 2019, the Department shall each month deposit into the Aviation Fuel Sales Tax Refund Fund an amount estimated by the Department to be required for refunds of the 80% portion of the tax on aviation fuel under this Act. The Department shall only deposit moneys into the Aviation Fuel Sales Tax Refund Fund under this paragraph for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993 and ending on September 30, 2013, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling
price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Energy Infrastructure Fund pursuant to the preceding paragraphs or in any amendments to this Section hereafter enacted, beginning on the first day of the first calendar month to occur on or after August 26, 2014 (the effective date of Public Act 98-1098), each month, from the collections made under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act, the Department shall pay into the Tax Compliance and Administration Fund, to be used, subject to appropriation, to
fund additional auditors and compliance personnel at the Department of Revenue, an amount equal to 1/12 of 5% of 80% of the cash receipts collected during the preceding fiscal year by the Audit Bureau of the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, the Retailers' Occupation Tax Act, and associated local occupation and use taxes administered by the Department.

Subject to payments of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, the Energy Infrastructure Fund, and the Tax Compliance and Administration Fund as provided in this Section, beginning on July 1, 2018 the Department shall pay each month into the Downstate Public Transportation Fund the moneys required to be so paid under Section 2-3 of the Downstate Public Transportation Act.

Subject to successful execution and delivery of a public-private agreement between the public agency and private entity and completion of the civic build, beginning on July 1, 2023, of the remainder of the moneys received by the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and this Act, the Department shall deposit the following specified deposits in the aggregate from collections under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act, as required under Section 8.25g of the State Finance Act for distribution consistent with the Public-Private
Partnership for Civic and Transit Infrastructure Project Act. The moneys received by the Department pursuant to this Act and required to be deposited into the Civic and Transit Infrastructure Fund are subject to the pledge, claim and charge set forth in Section 25-55 of the Public-Private Partnership for Civic and Transit Infrastructure Project Act. As used in this paragraph, "civic build", "private entity", "public-private agreement", and "public agency" have the meanings provided in Section 25-10 of the Public-Private Partnership for Civic and Transit Infrastructure Project Act.

Beginning July 1, 2022 and until July 1, 2023, subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, the Energy Infrastructure Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 32% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning July 1, 2023 and until July 1, 2024, subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build Illinois Fund, the
McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, the Energy Infrastructure Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 48% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning July 1, 2024 and until July 1, 2025, subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, the Energy Infrastructure Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 64% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning on July 1, 2025, subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, the Energy Infrastructure Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 80% of the net revenue realized from the taxes imposed on motor fuel and gasohol. As used in this paragraph "motor fuel" has the meaning given to that term in Section 1.1 of the Motor Fuel Tax Act, and "gasohol" has the meaning given to that term in...
Section 3-40 of the Use Tax Act.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the retailer's business during such year and any additional
reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such retailer as provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an
annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Any person who promotes, organizes, provides retail selling space for concessionaires or other types of sellers at the Illinois State Fair, DuQuoin State Fair, county fairs, local fairs, art shows, flea markets and similar exhibitions or events, including any transient merchant as defined by Section
2 of the Transient Merchant Act of 1987, is required to file a report with the Department providing the name of the merchant's business, the name of the person or persons engaged in merchant's business, the permanent address and Illinois Retailers Occupation Tax Registration Number of the merchant, the dates and location of the event and other reasonable information that the Department may require. The report must be filed not later than the 20th day of the month next following the month during which the event with retail sales was held. Any person who fails to file a report required by this Section commits a business offense and is subject to a fine not to exceed $250.

Any person engaged in the business of selling tangible personal property at retail as a concessionaire or other type of seller at the Illinois State Fair, county fairs, art shows, flea markets and similar exhibitions or events, or any transient merchants, as defined by Section 2 of the Transient Merchant Act of 1987, may be required to make a daily report of the amount of such sales to the Department and to make a daily payment of the full amount of tax due. The Department shall impose this requirement when it finds that there is a significant risk of loss of revenue to the State at such an exhibition or event. Such a finding shall be based on evidence that a substantial number of concessionaires or other sellers who are not residents of Illinois will be engaging in the business of selling tangible personal property at retail at the
exhibition or event, or other evidence of a significant risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers affected by the imposition of this requirement. In the absence of notification by the Department, the concessionaires and other sellers shall file their returns as otherwise required in this Section.

Section 15-30. The Metropolitan Pier and Exposition Authority Act is amended by changing Sections 13 and 13.2 as follows:

(70 ILCS 210/13) (from Ch. 85, par. 1233)

Sec. 13. (a) The Authority shall not have power to levy taxes for any purpose, except as provided in subsections (b), (c), (d), (e), and (f).

(b) By ordinance the Authority shall, as soon as practicable after July 1, 1992 (the effective date of Public Act 87-733), impose a Metropolitan Pier and Exposition Authority Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail within the territory described in this subsection at the rate
of 1.0% of the gross receipts (i) from the sale of food, alcoholic beverages, and soft drinks sold for consumption on the premises where sold and (ii) from the sale of food, alcoholic beverages, and soft drinks sold for consumption off the premises where sold by a retailer whose principal source of gross receipts is from the sale of food, alcoholic beverages, and soft drinks prepared for immediate consumption.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the Illinois Department of Revenue. The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, shall be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and shall employ the same modes of procedure applicable to this Retailers' Occupation Tax as are prescribed in Sections 1, 2 through 2-65 (in respect to all provisions of those Sections other than the State rate of taxes), 2c, 2h, 2i, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i,
5j, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and, until January 1, 1994, 13.5 of the Retailers' Occupation Tax Act, and, on and after January 1, 1994, all applicable provisions of the Uniform Penalty and Interest Act that are not inconsistent with this Act, as fully as if provisions contained in those Sections of the Retailers' Occupation Tax Act were set forth in this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their seller's tax liability under this subsection by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, pursuant to bracket schedules as the Department may prescribe. The retailer filing the return shall, at the time of filing the return, pay to the Department the amount of tax imposed under this subsection, less a discount of 1.75%, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax, and supplying data to the Department on request.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State.
Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Nothing in this subsection authorizes the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee for the Authority, all taxes and penalties collected under this subsection for deposit into a trust fund held outside of the State Treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this subsection during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the amounts to be paid under subsection (g) of this Section, which shall be the amounts, not including credit memoranda, collected under this subsection during the second preceding calendar month by the Department, less any amounts determined by the
Department to be necessary for the payment of refunds, less 1.5% of such balance, which sum shall be deposited by the State Treasurer into the Tax Compliance and Administration Fund in the State Treasury from which it shall be appropriated to the Department to cover the costs of the Department in administering and enforcing the provisions of this subsection, and less any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the certification, the Comptroller shall cause the orders to be drawn for the remaining amounts, and the Treasurer shall administer those amounts as required in subsection (g).

A certificate of registration issued by the Illinois Department of Revenue to a retailer under the Retailers' Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under this subsection, and no additional registration shall be required under the ordinance imposing the tax or under this subsection.

A certified copy of any ordinance imposing or discontinuing any tax under this subsection or effecting a change in the rate of that tax shall be filed with the Department, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

The tax authorized to be levied under this subsection may be levied within all or any part of the following described portions of the metropolitan area:
(1) that portion of the City of Chicago located within
the following area: Beginning at the point of intersection
of the Cook County - DuPage County line and York Road, then
North along York Road to its intersection with Touhy
Avenue, then east along Touhy Avenue to its intersection
with the Northwest Tollway, then southeast along the
Northwest Tollway to its intersection with Lee Street, then
south along Lee Street to Higgins Road, then south and east
along Higgins Road to its intersection with Mannheim Road,
then south along Mannheim Road to its intersection with
Irving Park Road, then west along Irving Park Road to its
intersection with the Cook County - DuPage County line,
then north and west along the county line to the point of
beginning; and

(2) that portion of the City of Chicago located within
the following area: Beginning at the intersection of West
55th Street with Central Avenue, then east along West 55th
Street to its intersection with South Cicero Avenue, then
south along South Cicero Avenue to its intersection with
West 63rd Street, then west along West 63rd Street to its
intersection with South Central Avenue, then north along
South Central Avenue to the point of beginning; and

(3) that portion of the City of Chicago located within
the following area: Beginning at the point 150 feet west of
the intersection of the west line of North Ashland Avenue
and the north line of West Diversey Avenue, then north 150
feet, then east along a line 150 feet north of the north line of West Diversey Avenue extended to the shoreline of Lake Michigan, then following the shoreline of Lake Michigan (including Navy Pier and all other improvements fixed to land, docks, or piers) to the point where the shoreline of Lake Michigan and the Adlai E. Stevenson Expressway extended east to that shoreline intersect, then west along the Adlai E. Stevenson Expressway to a point 150 feet west of the west line of South Ashland Avenue, then north along a line 150 feet west of the west line of South and North Ashland Avenue to the point of beginning.

The tax authorized to be levied under this subsection may also be levied on food, alcoholic beverages, and soft drinks sold on boats and other watercraft departing from and returning to the shoreline of Lake Michigan (including Navy Pier and all other improvements fixed to land, docks, or piers) described in item (3).

(c) By ordinance the Authority shall, as soon as practicable after July 1, 1992 (the effective date of Public Act 87-733), impose an occupation tax upon all persons engaged in the corporate limits of the City of Chicago in the business of renting, leasing, or letting rooms in a hotel, as defined in the Hotel Operators' Occupation Tax Act, at a rate of 2.5% of the gross rental receipts from the renting, leasing, or letting of hotel rooms within the City of Chicago, excluding, however, from gross rental receipts the proceeds of renting, leasing, or
letting to permanent residents of a hotel, as defined in that Act. Gross rental receipts shall not include charges that are added on account of the liability arising from any tax imposed by the State or any governmental agency on the occupation of renting, leasing, or letting rooms in a hotel.

The tax imposed by the Authority under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the Illinois Department of Revenue. The certificate of registration that is issued by the Department to a lessor under the Hotel Operators' Occupation Tax Act shall permit that registrant to engage in a business that is taxable under any ordinance enacted under this subsection without registering separately with the Department under that ordinance or under this subsection. The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, shall be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and shall employ the same modes of procedure as are
prescribed in the Hotel Operators’ Occupation Tax Act (except where that Act is inconsistent with this subsection), as fully as if the provisions contained in the Hotel Operators’ Occupation Tax Act were set out in this subsection.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their tax liability for that tax by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes imposed under the Hotel Operators’ Occupation Tax Act, the municipal tax imposed under Section 8-3-13 of the Illinois Municipal Code, and the tax imposed under Section 19 of the Illinois Sports Facilities Authority Act.

The person filing the return shall, at the time of filing the return, pay to the Department the amount of tax, less a discount of 2.1% or $25 per calendar year, whichever is greater, which is allowed to reimburse the operator for the
expenses incurred in keeping records, preparing and filing returns, remitting the tax, and supplying data to the Department on request.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee for the Authority, all taxes and penalties collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the Comptroller the amounts to be paid under subsection (g) of this Section, which shall be the amounts (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less any amounts determined by the Department to be necessary for payment of refunds, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the Department's certification, the Comptroller shall cause the orders to be drawn for such amounts, and the Treasurer shall administer the amounts distributed to the Authority as required in subsection (g).

A certified copy of any ordinance imposing or discontinuing a tax under this subsection or effecting a change in the rate
of that tax shall be filed with the Illinois Department of Revenue, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

(d) By ordinance the Authority shall, as soon as practicable after July 1, 1992 (the effective date of Public Act 87-733), impose a tax upon all persons engaged in the business of renting automobiles in the metropolitan area at the rate of 6% of the gross receipts from that business, except that no tax shall be imposed on the business of renting automobiles for use as taxicabs or in livery service. The tax imposed under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the Illinois Department of Revenue. The certificate of registration issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Automobile Renting Occupation and Use Tax Act shall permit that person to engage in a business that is taxable under any ordinance enacted under this subsection without registering separately with the Department under that ordinance or under this subsection. The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of
the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure as are prescribed in Sections 2 and 3 (in respect to all provisions of those Sections other than the State rate of tax; and in respect to the provisions of the Retailers' Occupation Tax Act referred to in those Sections, except as to the disposition of taxes and penalties collected, except for the provision allowing retailers a deduction from the tax to cover certain costs, and except that credit memoranda issued under this subsection may not be used to discharge any State tax liability) of the Automobile Renting Occupation and Use Tax Act, as fully as if provisions contained in those Sections of that Act were set forth in this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their tax liability under this subsection by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that sellers are required to collect under the Automobile Renting Occupation and Use Tax Act, pursuant to bracket schedules as the Department may prescribe.
Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the Comptroller the amounts to be paid under subsection (g) of this Section (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less any amount determined by the Department to be necessary for payment of refunds, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of
the Department's certification, the Comptroller shall cause
the orders to be drawn for such amounts, and the Treasurer
shall administer the amounts distributed to the Authority as
required in subsection (g).

Nothing in this subsection authorizes the Authority to
impose a tax upon the privilege of engaging in any business
that under the Constitution of the United States may not be
made the subject of taxation by this State.

A certified copy of any ordinance imposing or discontinuing
a tax under this subsection or effecting a change in the rate
of that tax shall be filed with the Illinois Department of
Revenue, whereupon the Department shall proceed to administer
and enforce this subsection on behalf of the Authority as of
the first day of the third calendar month following the date of
filing.

(e) By ordinance the Authority shall, as soon as
practicable after July 1, 1992 (the effective date of Public
Act 87-733), impose a tax upon the privilege of using in the
metropolitan area an automobile that is rented from a rentor
outside Illinois and is titled or registered with an agency of
this State's government at a rate of 6% of the rental price of
that automobile, except that no tax shall be imposed on the
privilege of using automobiles rented for use as taxicabs or in
livery service. The tax shall be collected from persons whose
Illinois address for titling or registration purposes is given
as being in the metropolitan area. The tax shall be collected
by the Department of Revenue for the Authority. The tax must be
paid to the State or an exemption determination must be
obtained from the Department of Revenue before the title or
certificate of registration for the property may be issued. The
tax or proof of exemption may be transmitted to the Department
by way of the State agency with which or State officer with
whom the tangible personal property must be titled or
registered if the Department and that agency or State officer
determine that this procedure will expedite the processing of
applications for title or registration.

The Department shall have full power to administer and
enforce this subsection, to collect all taxes, penalties, and
interest due under this subsection, to dispose of taxes,
penalties, and interest so collected in the manner provided in
this subsection, and to determine all rights to credit
memoranda or refunds arising on account of the erroneous
payment of tax, penalty, or interest under this subsection. In
the administration of and compliance with this subsection, the
Department and persons who are subject to this subsection shall
have the same rights, remedies, privileges, immunities,
powers, and duties, be subject to the same conditions,
restrictions, limitations, penalties, and definitions of
terms, and employ the same modes of procedure as are prescribed
in Sections 2 and 4 (except provisions pertaining to the State
rate of tax; and in respect to the provisions of the Use Tax
Act referred to in that Section, except provisions concerning
collection or refunding of the tax by retailers, except the provisions of Section 19 pertaining to claims by retailers, except the last paragraph concerning refunds, and except that credit memoranda issued under this subsection may not be used to discharge any State tax liability) of the Automobile Renting Occupation and Use Tax Act, as fully as if provisions contained in those Sections of that Act were set forth in this subsection.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes, penalties, and interest collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the State Comptroller the amounts to be paid under subsection (g) of this Section, which shall be the amounts (not including credit memoranda) collected under this subsection during the second
preceding calendar month by the Department, less any amounts
determined by the Department to be necessary for payment of
refunds, less 1.5% of the remainder, which the Department shall
transfer into the Tax Compliance and Administration Fund. The
Department, at the time of each monthly disbursement to the
Authority, shall prepare and certify to the State Comptroller
the amount to be transferred into the Tax Compliance and
Administration Fund under this subsection. Within 10 days after
receipt by the State Comptroller of the Department's
certification, the Comptroller shall cause the orders to be
drawn for such amounts, and the Treasurer shall administer the
amounts distributed to the Authority as required in subsection
(g).

A certified copy of any ordinance imposing or discontinuing
a tax or effecting a change in the rate of that tax shall be
filed with the Illinois Department of Revenue, whereupon the
Department shall proceed to administer and enforce this
subsection on behalf of the Authority as of the first day of
the third calendar month following the date of filing.

(f) By ordinance the Authority shall, as soon as
practicable after July 1, 1992 (the effective date of Public
Act 87-733), impose an occupation tax on all persons, other
than a governmental agency, engaged in the business of
providing ground transportation for hire to passengers in the
metropolitan area at a rate of (i) $4 per taxi or livery
vehicle departure with passengers for hire from commercial
service airports in the metropolitan area, (ii) for each
departure with passengers for hire from a commercial service
airport in the metropolitan area in a bus or van operated by a
person other than a person described in item (iii): $18 per bus
or van with a capacity of 1-12 passengers, $36 per bus or van
with a capacity of 13-24 passengers, and $54 per bus or van
with a capacity of over 24 passengers, and (iii) for each
departure with passengers for hire from a commercial service
airport in the metropolitan area in a bus or van operated by a
person regulated by the Interstate Commerce Commission or
Illinois Commerce Commission, operating scheduled service from
the airport, and charging fares on a per passenger basis: $2
per passenger for hire in each bus or van. The term "commercial
service airports" means those airports receiving scheduled
passenger service and enplaning more than 100,000 passengers
per year.

In the ordinance imposing the tax, the Authority may
provide for the administration and enforcement of the tax and
the collection of the tax from persons subject to the tax as
the Authority determines to be necessary or practicable for the
effective administration of the tax. The Authority may enter
into agreements as it deems appropriate with any governmental
agency providing for that agency to act as the Authority's
agent to collect the tax.

In the ordinance imposing the tax, the Authority may
designate a method or methods for persons subject to the tax to
reimburse themselves for the tax liability arising under the ordinance (i) by separately stating the full amount of the tax liability as an additional charge to passengers departing the airports, (ii) by separately stating one-half of the tax liability as an additional charge to both passengers departing from and to passengers arriving at the airports, or (iii) by some other method determined by the Authority.

All taxes, penalties, and interest collected under any ordinance adopted under this subsection, less any amounts determined to be necessary for the payment of refunds and less the taxes, penalties, and interest attributable to any increase in the rate of tax authorized by Public Act 96-898, shall be paid forthwith to the State Treasurer, ex officio, for deposit into a trust fund held outside the State Treasury and shall be administered by the State Treasurer as provided in subsection (g) of this Section. All taxes, penalties, and interest attributable to any increase in the rate of tax authorized by Public Act 96-898 shall be paid by the State Treasurer as follows: 25% for deposit into the Convention Center Support Fund, to be used by the Village of Rosemont for the repair, maintenance, and improvement of the Donald E. Stephens Convention Center and for debt service on debt instruments issued for those purposes by the village and 75% to the Authority to be used for grants to an organization meeting the qualifications set out in Section 5.6 of this Act, provided the Metropolitan Pier and Exposition Authority has entered into a
marketing agreement with such an organization.

(g) Amounts deposited from the proceeds of taxes imposed by the Authority under subsections (b), (c), (d), (e), and (f) of this Section and amounts deposited under Section 19 of the Illinois Sports Facilities Authority Act shall be held in a trust fund outside the State Treasury and, other than the amounts transferred into the Tax Compliance and Administration Fund under subsections (b), (c), (d), and (e), shall be administered by the Treasurer as follows:

(1) An amount necessary for the payment of refunds with respect to those taxes shall be retained in the trust fund and used for those payments.

(2) On July 20 and on the 20th of each month thereafter, provided that the amount requested in the annual certificate of the Chairman of the Authority filed under Section 8.25f of the State Finance Act has been appropriated for payment to the Authority, 1/8 of the local tax transfer amount, together with any cumulative deficiencies in the amounts transferred into the McCormick Place Expansion Project Fund under this subparagraph (2) during the fiscal year for which the certificate has been filed, shall be transferred from the trust fund into the McCormick Place Expansion Project Fund in the State treasury until 100% of the local tax transfer amount has been so transferred. "Local tax transfer amount" shall mean the amount requested in the annual certificate, minus the
reduction amount. "Reduction amount" shall mean $41.7 million in fiscal year 2011, $36.7 million in fiscal year 2012, $36.7 million in fiscal year 2013, $36.7 million in fiscal year 2014, and $31.7 million in each fiscal year thereafter until 2035, provided that the reduction amount shall be reduced by (i) the amount certified by the Authority to the State Comptroller and State Treasurer under Section 8.25 of the State Finance Act, as amended, with respect to that fiscal year and (ii) in any fiscal year in which the amounts deposited in the trust fund under this Section exceed $318.3 million, exclusive of amounts set aside for refunds and for the reserve account, one dollar for each dollar of the deposits in the trust fund above $318.3 million with respect to that year, exclusive of amounts set aside for refunds and for the reserve account.

(3) On July 20, 2010, the Comptroller shall certify to the Governor, the Treasurer, and the Chairman of the Authority the 2010 deficiency amount, which means the cumulative amount of transfers that were due from the trust fund to the McCormick Place Expansion Project Fund in fiscal years 2008, 2009, and 2010 under Section 13(g) of this Act, as it existed prior to May 27, 2010 (the effective date of Public Act 96-898), but not made. On July 20, 2011 and on July 20 of each year through July 20, 2014, the Treasurer shall calculate for the previous fiscal year
the surplus revenues in the trust fund and pay that amount
to the Authority. On July 20, 2015 and on July 20 of each
year thereafter to and including July 20, 2017, as long as
bonds and notes issued under Section 13.2 or bonds and
notes issued to refund those bonds and notes are
outstanding, the Treasurer shall calculate for the
previous fiscal year the surplus revenues in the trust fund
and pay one-half of that amount to the State Treasurer for
deposit into the General Revenue Fund until the 2010
deficiency amount has been paid and shall pay the balance
of the surplus revenues to the Authority. On July 20, 2018
and on July 20 of each year thereafter, the Treasurer shall
calculate for the previous fiscal year the surplus revenues
in the trust fund and pay all of such surplus revenues to
the State Treasurer for deposit into the General Revenue
Fund until the 2010 deficiency amount has been paid. After
the 2010 deficiency amount has been paid, the Treasurer
shall pay the balance of the surplus revenues to the
Authority. "Surplus revenues" means the amounts remaining
in the trust fund on June 30 of the previous fiscal year
(A) after the State Treasurer has set aside in the trust
fund (i) amounts retained for refunds under subparagraph
(1) and (ii) any amounts necessary to meet the reserve
account amount and (B) after the State Treasurer has
transferred from the trust fund to the General Revenue Fund
100% of any post-2010 deficiency amount. "Reserve account
"amount" means $15 million in fiscal year 2011 and $30 million in each fiscal year thereafter. The reserve account amount shall be set aside in the trust fund and used as a reserve to be transferred to the McCormick Place Expansion Project Fund in the event the proceeds of taxes imposed under this Section 13 are not sufficient to fund the transfer required in subparagraph (2). "Post-2010 deficiency amount" means any deficiency in transfers from the trust fund to the McCormick Place Expansion Project Fund with respect to fiscal years 2011 and thereafter. It is the intention of this subparagraph (3) that no surplus revenues shall be paid to the Authority with respect to any year in which a post-2010 deficiency amount has not been satisfied by the Authority.

Moneys received by the Authority as surplus revenues may be used (i) for the purposes of paying debt service on the bonds and notes issued by the Authority, including early redemption of those bonds or notes, (ii) for the purposes of repair, replacement, and improvement of the grounds, buildings, and facilities of the Authority, and (iii) for the corporate purposes of the Authority in fiscal years 2011 through 2015 in an amount not to exceed $20,000,000 annually or $80,000,000 total, which amount shall be reduced $0.75 for each dollar of the receipts of the Authority in that year from any contract entered into with respect to naming rights at McCormick Place under Section 5(m) of this Act. When bonds and notes issued
under Section 13.2, or bonds or notes issued to refund those
bonds and notes, are no longer outstanding, the balance in the
trust fund shall be paid to the Authority.

(h) The ordinances imposing the taxes authorized by this
Section shall be repealed when bonds and notes issued under
Section 13.2 or bonds and notes issued to refund those bonds
and notes are no longer outstanding.

(70 ILCS 210/13.2) (from Ch. 85, par. 1233.2)
Sec. 13.2. The McCormick Place Expansion Project Fund is
created in the State Treasury. All moneys in the McCormick
Place Expansion Project Fund are allocated to and shall be
appropriated and used only for the purposes authorized by and
subject to the limitations and conditions of this Section.
Those amounts may be appropriated by law to the Authority for
the purposes of paying the debt service requirements on all
bonds and notes, including bonds and notes issued to refund or
advance refund bonds and notes issued under this Section,
Section 13.1, or issued to refund or advance refund bonds and
notes otherwise issued under this Act, (collectively referred
to as "bonds") to be issued by the Authority under this Section
in an aggregate original principal amount (excluding the amount
of any bonds and notes issued to refund or advance refund bonds
or notes issued under this Section and Section 13.1) not to exceed $2,850,000,000 for the purposes of carrying out and performing its duties and exercising its powers under this Act. The increased debt authorization of $450,000,000 provided by Public Act 96-898 shall be used solely for the purpose of: (i) hotel construction and related necessary capital improvements; (ii) other needed capital improvements to existing facilities; and (iii) land acquisition for and construction of one multi-use facility on property bounded by East Cermak Road on the south, East 21st Street on the north, South Indiana Avenue on the west, and South Prairie Avenue on the east in the City of Chicago, Cook County, Illinois; these limitations do not apply to the increased debt authorization provided by Public Act 100-23 this amendatory Act of the 100th General Assembly. No bonds issued to refund or advance refund bonds issued under this Section may mature later than 40 years from the date of issuance of the refunding or advance refunding bonds. After the aggregate original principal amount of bonds authorized in this Section has been issued, the payment of any principal amount of such bonds does not authorize the issuance of additional bonds (except refunding bonds). Any bonds and notes issued under this Section in any year in which there is an outstanding "post-2010 deficiency amount" as that term is defined in Section 13 (g)(3) of this Act shall provide for the payment to the State Treasurer of the amount of that deficiency. Proceeds from the sale of bonds issued pursuant to the increased debt
authorization provided by Public Act 100-23 this amendatory Act of the 100th General Assembly may be used for any corporate purpose of the Authority in fiscal years 2021 and 2022 and for the payment to the State Treasurer of any unpaid amounts described in paragraph (3) of subsection (g) of Section 13 of this Act as part of the "2010 deficiency amount" or the "Post-2010 deficiency amount".

On the first day of each month commencing after July 1, 1993, amounts, if any, on deposit in the McCormick Place Expansion Project Fund shall, subject to appropriation, be paid in full to the Authority or, upon its direction, to the trustee or trustees for bondholders of bonds that by their terms are payable from the moneys received from the McCormick Place Expansion Project Fund, until an amount equal to 100% of the aggregate amount of the principal and interest in the fiscal year, including that pursuant to sinking fund requirements, has been so paid and deficiencies in reserves shall have been remedied.

The State of Illinois pledges to and agrees with the holders of the bonds of the Metropolitan Pier and Exposition Authority issued under this Section that the State will not limit or alter the rights and powers vested in the Authority by this Act so as to impair the terms of any contract made by the Authority with those holders or in any way impair the rights and remedies of those holders until the bonds, together with interest thereon, interest on any unpaid installments of
interest, and all costs and expenses in connection with any action or proceedings by or on behalf of those holders are fully met and discharged; provided that any increase in the Tax Act Amounts specified in Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund pursuant to any law hereafter enacted shall not be deemed to impair the rights of such holders so long as the increase does not result in the aggregate debt service payable in the current or any future fiscal year of the State on all bonds issued pursuant to the Build Illinois Bond Act and the Metropolitan Pier and Exposition Authority Act and payable from tax revenues specified in Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act exceeding 33 1/3% of such tax revenues for the most recently completed fiscal year of the State at the time of such increase. In addition, the State pledges to and agrees with the holders of the bonds of the Authority issued under this Section that the State will not limit or alter the basis on which State funds are to be paid to the Authority as provided in this Act or the use of those funds so as to impair the terms of any such contract; provided that any increase in the Tax Act Amounts specified in Section 3 of the Retailers' Occupation Tax Act,
Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund pursuant to any law hereafter enacted shall not be deemed to impair the terms of any such contract so long as the increase does not result in the aggregate debt service payable in the current or any future fiscal year of the State on all bonds issued pursuant to the Build Illinois Bond Act and the Metropolitan Pier and Exposition Authority Act and payable from tax revenues specified in Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act exceeding 33 1/3% of such tax revenues for the most recently completed fiscal year of the State at the time of such increase. The Authority is authorized to include these pledges and agreements with the State in any contract with the holders of bonds issued under this Section.

The State shall not be liable on bonds of the Authority issued under this Section those bonds shall not be a debt of the State, and this Act shall not be construed as a guarantee by the State of the debts of the Authority. The bonds shall contain a statement to this effect on the face of the bonds.

Section 15-35. The Regional Transportation Authority Act is amended by changing Section 4.09 as follows:
(70 ILCS 3615/4.09) (from Ch. 1 1 1/2/3, par. 704.09)

Sec. 4.09. Public Transportation Fund and the Regional Transportation Authority Occupation and Use Tax Replacement Fund.

(a)(1) Except as otherwise provided in paragraph (4), as soon as possible after the first day of each month, beginning July 1, 1984, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to a special fund in the State Treasury to be known as the Public Transportation Fund an amount equal to 25% of the net revenue, before the deduction of the serviceman and retailer discounts pursuant to Section 9 of the Service Occupation Tax Act and Section 3 of the Retailers' Occupation Tax Act, realized from any tax imposed by the Authority pursuant to Sections 4.03 and 4.03.1 and 25% of the amounts deposited into the Regional Transportation Authority tax fund created by Section 4.03 of this Act, from the County and Mass Transit District Fund as provided in Section 6z-20 of the State Finance Act and 25% of the amounts deposited into the Regional Transportation Authority Occupation and Use Tax Replacement Fund from the State and Local Sales Tax Reform Fund as provided in Section 6z-17 of the State Finance Act. On the first day of the month following the date that the Department receives revenues from increased taxes under Section 4.03(m) as authorized by Public Act 95-708, in lieu of the transfers
authorized in the preceding sentence, upon certification of the
Department of Revenue, the Comptroller shall order transferred
and the Treasurer shall transfer from the General Revenue Fund
to the Public Transportation Fund an amount equal to 25% of the
net revenue, before the deduction of the serviceman and

Tax Act, realized from (i) 80% of the proceeds of any tax
imposed by the Authority at a rate of 1.25% in Cook County,
(ii) 75% of the proceeds of any tax imposed by the Authority at
the rate of 1% in Cook County, and (iii) one-third of the

4.03 of this Act from the County and Mass Transit District Fund
as provided in Section 6z-20 of the State Finance Act, and 25%
of the amounts deposited into the Regional Transportation
Authority Occupation and Use Tax Replacement Fund from the
State and Local Sales Tax Reform Fund as provided in Section
6z-17 of the State Finance Act. As used in this Section, net
revenue realized for a month shall be the revenue collected by
the State pursuant to Sections 4.03 and 4.03.1 during the
previous month from within the metropolitan region, less the
amount paid out during that same month as refunds to taxpayers
for overpayment of liability in the metropolitan region under
Sections 4.03 and 4.03.1.

Notwithstanding any provision of law to the contrary,
beginning on July 6, 2017 (the effective date of Public Act
100-23), those amounts required under this paragraph (1) of
subsection (a) to be transferred by the Treasurer into the
Public Transportation Fund from the General Revenue Fund shall
be directly deposited into the Public Transportation Fund as
the revenues are realized from the taxes indicated.

(2) Except as otherwise provided in paragraph (4), on

effective date of Public Act 95-708) and each month thereafter,
upon certification by the Department of Revenue, the
Comptroller shall order transferred and the Treasurer shall
transfer from the General Revenue Fund to the Public
Transportation Fund an amount equal to 5% of the net revenue,
before the deduction of the serviceman and retailer discounts

Section 3 of the Retailers' Occupation Tax Act, realized from
any tax imposed by the Authority pursuant to Sections 4.03 and
4.03.1 and certified by the Department of Revenue under Section
4.03(n) of this Act to be paid to the Authority and 5% of the

tax fund created by Section 4.03 of this Act from the County
and Mass Transit District Fund as provided in Section 6z-20 of
the State Finance Act, and 5% of the amounts deposited into the Regional Transportation Authority Occupation and Use Tax Replacement Fund from the State and Local Sales Tax Reform Fund as provided in Section 6z-17 of the State Finance Act, and 5% of the revenue realized by the Chicago Transit Authority as financial assistance from the City of Chicago from the proceeds of any tax imposed by the City of Chicago under Section 8-3-19 of the Illinois Municipal Code.

Notwithstanding any provision of law to the contrary, beginning on July 6, 2017 (the effective date of Public Act 100-23), those amounts required under this paragraph (2) of subsection (a) to be transferred by the Treasurer into the Public Transportation Fund from the General Revenue Fund shall be directly deposited into the Public Transportation Fund as the revenues are realized from the taxes indicated.

(3) Except as otherwise provided in paragraph (4), as soon as possible after the first day of January, 2009 and each month thereafter, upon certification of the Department of Revenue with respect to the taxes collected under Section 4.03, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Public Transportation Fund an amount equal to 25% of the net revenue, before the deduction of the serviceman and retailer discounts pursuant to Section 9 of the Service Occupation Tax Act and Section 3 of the Retailers' Occupation Tax Act, realized from (i) 20% of the proceeds of any tax imposed by the Authority at
a rate of 1.25% in Cook County, (ii) 25% of the proceeds of any tax imposed by the Authority at the rate of 1% in Cook County, and (iii) one-third of the proceeds of any tax imposed by the Authority at the rate of 0.75% in the Counties of DuPage, Kane, Lake, McHenry, and Will, all pursuant to Section 4.03, and the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Public Transportation Fund (iv) an amount equal to 25% of the revenue realized by the Chicago Transit Authority as financial assistance from the City of Chicago from the proceeds of any tax imposed by the City of Chicago under Section 8-3-19 of the Illinois Municipal Code.

Notwithstanding any provision of law to the contrary, beginning on July 6, 2017 (the effective date of Public Act 100-23), those amounts required under this paragraph (3) of subsection (a) to be transferred by the Treasurer into the Public Transportation Fund from the General Revenue Fund shall be directly deposited into the Public Transportation Fund as the revenues are realized from the taxes indicated.

(4) Notwithstanding any provision of law to the contrary, of the transfers to be made under paragraphs (1), (2), and (3) of this subsection (a) from the General Revenue Fund to the Public Transportation Fund, the first $150,000,000 that would have otherwise been transferred from the General Revenue Fund shall be transferred from the Road Fund; provided, however, that for fiscal year 2021 only, the first $250,000,000 that
would have otherwise been transferred from the General Revenue Fund shall be transferred from the Road Fund. The remaining balance of such transfers shall be made from the General Revenue Fund.

(5) (Blank).

(6) (Blank).

(7) For State fiscal year 2020 only, notwithstanding any provision of law to the contrary, the total amount of revenue and deposits under this Section attributable to revenues realized during State fiscal year 2020 shall be reduced by 5%.

(8) For State fiscal year 2021 only, notwithstanding any provision of law to the contrary, the total amount of revenue and deposits under this Section attributable to revenues realized during State fiscal year 2021 shall be reduced by 5%.

(b)(1) All moneys deposited in the Public Transportation Fund and the Regional Transportation Authority Occupation and Use Tax Replacement Fund, whether deposited pursuant to this Section or otherwise, are allocated to the Authority, except for amounts appropriated to the Office of the Executive Inspector General as authorized by subsection (h) of Section 4.03.3 and amounts transferred to the Audit Expense Fund pursuant to Section 6z-27 of the State Finance Act. The Comptroller, as soon as possible after each monthly transfer provided in this Section and after each deposit into the Public Transportation Fund, shall order the Treasurer to pay to the Authority out of the Public Transportation Fund the amount so
transferred or deposited. Any Additional State Assistance and Additional Financial Assistance paid to the Authority under this Section shall be expended by the Authority for its purposes as provided in this Act. The balance of the amounts paid to the Authority from the Public Transportation Fund shall be expended by the Authority as provided in Section 4.03.3. The Comptroller, as soon as possible after each deposit into the Regional Transportation Authority Occupation and Use Tax Replacement Fund provided in this Section and Section 6z-17 of the State Finance Act, shall order the Treasurer to pay to the Authority out of the Regional Transportation Authority Occupation and Use Tax Replacement Fund the amount so deposited. Such amounts paid to the Authority may be expended by it for its purposes as provided in this Act. The provisions directing the distributions from the Public Transportation Fund and the Regional Transportation Authority Occupation and Use Tax Replacement Fund provided for in this Section shall constitute an irrevocable and continuing appropriation of all amounts as provided herein. The State Treasurer and State Comptroller are hereby authorized and directed to make distributions as provided in this Section. (2) Provided, however, no moneys deposited under subsection (a) of this Section shall be paid from the Public Transportation Fund to the Authority or its assignee for any fiscal year until the Authority has certified to the Governor, the Comptroller, and the Mayor of the City of Chicago that it has adopted for that
fiscal year an Annual Budget and Two-Year Financial Plan meeting the requirements in Section 4.01(b).

(c) In recognition of the efforts of the Authority to enhance the mass transportation facilities under its control, the State shall provide financial assistance ("Additional State Assistance") in excess of the amounts transferred to the Authority from the General Revenue Fund under subsection (a) of this Section. Additional State Assistance shall be calculated as provided in subsection (d), but shall in no event exceed the following specified amounts with respect to the following State fiscal years:

- 1990 $5,000,000;
- 1991 $5,000,000;
- 1992 $10,000,000;
- 1993 $10,000,000;
- 1994 $20,000,000;
- 1995 $30,000,000;
- 1996 $40,000,000;
- 1997 $50,000,000;
- 1998 $55,000,000; and each year thereafter $55,000,000.

(c-5) The State shall provide financial assistance ("Additional Financial Assistance") in addition to the Additional State Assistance provided by subsection (c) and the amounts transferred to the Authority from the General Revenue Fund under subsection (a) of this Section. Additional Financial
Assistance provided by this subsection shall be calculated as provided in subsection (d), but shall in no event exceed the following specified amounts with respect to the following State fiscal years:

- 2000 $0;
- 2001 $16,000,000;
- 2002 $35,000,000;
- 2003 $54,000,000;
- 2004 $73,000,000;
- 2005 $93,000,000; and
- each year thereafter $100,000,000.

(d) Beginning with State fiscal year 1990 and continuing for each State fiscal year thereafter, the Authority shall annually certify to the State Comptroller and State Treasurer, separately with respect to each of subdivisions (g)(2) and (g)(3) of Section 4.04 of this Act, the following amounts:

1. The amount necessary and required, during the State fiscal year with respect to which the certification is made, to pay its obligations for debt service on all outstanding bonds or notes issued by the Authority under subdivisions (g)(2) and (g)(3) of Section 4.04 of this Act.

2. An estimate of the amount necessary and required to pay its obligations for debt service for any bonds or notes which the Authority anticipates it will issue under subdivisions (g)(2) and (g)(3) of Section 4.04 during that State fiscal year.
3. Its debt service savings during the preceding State fiscal year from refunding or advance refunding of bonds or notes issued under subdivisions (g)(2) and (g)(3) of Section 4.04.

4. The amount of interest, if any, earned by the Authority during the previous State fiscal year on the proceeds of bonds or notes issued pursuant to subdivisions (g)(2) and (g)(3) of Section 4.04, other than refunding or advance refunding bonds or notes.

The certification shall include a specific schedule of debt service payments, including the date and amount of each payment for all outstanding bonds or notes and an estimated schedule of anticipated debt service for all bonds and notes it intends to issue, if any, during that State fiscal year, including the estimated date and estimated amount of each payment.

Immediately upon the issuance of bonds for which an estimated schedule of debt service payments was prepared, the Authority shall file an amended certification with respect to item (2) above, to specify the actual schedule of debt service payments, including the date and amount of each payment, for the remainder of the State fiscal year.

On the first day of each month of the State fiscal year in which there are bonds outstanding with respect to which the certification is made, the State Comptroller shall order transferred and the State Treasurer shall transfer from the Road Fund to the Public Transportation Fund the Additional
State Assistance and Additional Financial Assistance in an amount equal to the aggregate of (i) one-twelfth of the sum of the amounts certified under items (1) and (3) above less the amount certified under item (4) above, plus (ii) the amount required to pay debt service on bonds and notes issued during the fiscal year, if any, divided by the number of months remaining in the fiscal year after the date of issuance, or some smaller portion as may be necessary under subsection (c) or (c-5) of this Section for the relevant State fiscal year, plus (iii) any cumulative deficiencies in transfers for prior months, until an amount equal to the sum of the amounts certified under items (1) and (3) above, plus the actual debt service certified under item (2) above, less the amount certified under item (4) above, has been transferred; except that these transfers are subject to the following limits:

(A) In no event shall the total transfers in any State fiscal year relating to outstanding bonds and notes issued by the Authority under subdivision (g)(2) of Section 4.04 exceed the lesser of the annual maximum amount specified in subsection (c) or the sum of the amounts certified under items (1) and (3) above, plus the actual debt service certified under item (2) above, less the amount certified under item (4) above, with respect to those bonds and notes.

(B) In no event shall the total transfers in any State fiscal year relating to outstanding bonds and notes issued
by the Authority under subdivision (g)(3) of Section 4.04 exceed the lesser of the annual maximum amount specified in subsection (c-5) or the sum of the amounts certified under items (1) and (3) above, plus the actual debt service certified under item (2) above, less the amount certified under item (4) above, with respect to those bonds and notes.

The term "outstanding" does not include bonds or notes for which refunding or advance refunding bonds or notes have been issued.

(e) Neither Additional State Assistance nor Additional Financial Assistance may be pledged, either directly or indirectly as general revenues of the Authority, as security for any bonds issued by the Authority. The Authority may not assign its right to receive Additional State Assistance or Additional Financial Assistance, or direct payment of Additional State Assistance or Additional Financial Assistance, to a trustee or any other entity for the payment of debt service on its bonds.

(f) The certification required under subsection (d) with respect to outstanding bonds and notes of the Authority shall be filed as early as practicable before the beginning of the State fiscal year to which it relates. The certification shall be revised as may be necessary to accurately state the debt service requirements of the Authority.

(g) Within 6 months of the end of each fiscal year, the
Authority shall determine:

(i) whether the aggregate of all system generated revenues for public transportation in the metropolitan region which is provided by, or under grant or purchase of service contracts with, the Service Boards equals 50% of the aggregate of all costs of providing such public transportation. "System generated revenues" include all the proceeds of fares and charges for services provided, contributions received in connection with public transportation from units of local government other than the Authority, except for contributions received by the Chicago Transit Authority from a real estate transfer tax imposed under subsection (i) of Section 8-3-19 of the Illinois Municipal Code, and from the State pursuant to subsection (i) of Section 2705-305 of the Department of Transportation Law, and all other revenues properly included consistent with generally accepted accounting principles but may not include: the proceeds from any borrowing, and, beginning with the 2007 fiscal year, all revenues and receipts, including but not limited to fares and grants received from the federal, State or any unit of local government or other entity, derived from providing ADA paratransit service pursuant to Section 2.30 of the Regional Transportation Authority Act. "Costs" include all items properly included as operating costs consistent with generally accepted accounting principles, including
administrative costs, but do not include: depreciation; payment of principal and interest on bonds, notes or other evidences of obligations for borrowed money of the Authority; payments with respect to public transportation facilities made pursuant to subsection (b) of Section 2.20; any payments with respect to rate protection contracts, credit enhancements or liquidity agreements made under Section 4.14; any other cost as to which it is reasonably expected that a cash expenditure will not be made; costs for passenger security including grants, contracts, personnel, equipment and administrative expenses, except in the case of the Chicago Transit Authority, in which case the term does not include costs spent annually by that entity for protection against crime as required by Section 27a of the Metropolitan Transit Authority Act; the costs of Debt Service paid by the Chicago Transit Authority, as defined in Section 12c of the Metropolitan Transit Authority Act, or bonds or notes issued pursuant to that Section; the payment by the Commuter Rail Division of debt service on bonds issued pursuant to Section 3B.09; expenses incurred by the Suburban Bus Division for the cost of new public transportation services funded from grants pursuant to Section 2.01e of this Act for a period of 2 years from the date of initiation of each such service; costs as exempted by the Board for projects pursuant to Section 2.09 of this Act; or, beginning with the 2007 fiscal year,
expenses related to providing ADA paratransit service pursuant to Section 2.30 of the Regional Transportation Authority Act; or in fiscal years 2008 through 2012 inclusive, costs in the amount of $200,000,000 in fiscal year 2008, reducing by $40,000,000 in each fiscal year thereafter until this exemption is eliminated. If said system generated revenues are less than 50% of said costs, the Board shall remit an amount equal to the amount of the deficit to the State. The Treasurer shall deposit any such payment in the Road Fund; and

(ii) whether, beginning with the 2007 fiscal year, the aggregate of all fares charged and received for ADA paratransit services equals the system generated ADA paratransit services revenue recovery ratio percentage of the aggregate of all costs of providing such ADA paratransit services.

(h) If the Authority makes any payment to the State under paragraph (g), the Authority shall reduce the amount provided to a Service Board from funds transferred under paragraph (a) in proportion to the amount by which that Service Board failed to meet its required system generated revenues recovery ratio. In choosing among products or supplies that contain recycled material, consideration shall be given to products and supplies with the highest recycled material content that is consistent with the effective and efficient use of the product or supply.

(d) Wherever economically and practically feasible, the Department of Central Management Services shall procure recycled paper and paper products as follows:

(e) Paper and paper products purchased from private vendors pursuant to printing contracts are not considered paper products for the purposes of subsection (d). However, the Department of Central Management Services shall report to the General Assembly on an annual basis the total dollar value of printing contracts awarded to private sector vendors that included the use of recycled paper.

(f)(1) Wherever economically and practically feasible, the recycled paper and paper products referred to in subsection (d) shall contain postconsumer or recovered
paper materials as specified by paper category in this subsection:

(i) Recycled high grade printing and writing paper shall contain at least 50% recovered paper material. smaller rolls or rough sheets), including envelope
cuttings, bindery trimmings, and other paper and
paperboard waste resulting from printing, cutting,
forming, and other converting operations, or from bag,
box and carton manufacturing, and butt rolls, mill

The program provides for (1) the collection and storage of used aluminum cans in bins or other appropriate containers made reasonably available to occupants and visitors of State buildings and (2) the sale of used aluminum cans to buyers of recyclable materials.

Proceeds from the sale of used aluminum cans shall be deposited into I-CYCLE accounts maintained in the Facilities Management State Surplus Property Revolving Fund and, subject to appropriation, shall be used by the Department of Central Management Services and any other State agency to offset the costs of implementing the aluminum can recycling program under this Section.

All State agencies having an aluminum can recycling program in place shall continue with their current plan. If a State agency has an existing recycling program in place, proceeds
from the aluminum can recycling program may be retained and
distributed pursuant to that program, otherwise all revenue
resulting from these programs shall be forwarded to Central

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on April 1, 2002 shall include a statewide increase of 2.0%, as defined by the Department. This increase terminates on July 1, 2002; beginning July 1, 2002 these rates are reduced to the level of the rates in effect on March 31, 2002, as defined by the Department.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, the rates taking effect on July 1, 2001 shall be computed using the most recent cost reports on file with the Department of Public Aid no later than April 1, 2000, updated for inflation to January 1, 2001. 30, 2004. These rates shall take effect only upon approval and
implementation of the payment methodologies required under
Section 5A-12.

Notwithstanding any other provisions of this Section, for

the Nursing Home Care Act as skilled nursing facilities or
intermediate care facilities, the rates taking effect on
January 1, 2005 shall be 3% more than the rates in effect on

The socio-development component of the rate shall be increased by a factor of 2.53 on the first day of the month that begins at least 45 days after January 11, 2008 (the effective date of Public Act 95-707). As of August 1, 2008, the socio-development component rate shall be equal to 6.6% of the facility's nursing component rate as of January 1, 2006, multiplied by a factor of 3.53. For services provided on or after April 1, 2011, or the first day of the month that begins at least 45 days after the effective date of this amendatory Act of the 96th General Assembly, whichever is later, the Illinois Department may by rule adjust these socio-development component rates, and may
use different adjustment methodologies for those facilities participating, and those not participating, in the Illinois Department's demonstration program pursuant to the provisions of Title 77, Part 300, Subpart T of the Illinois Administrative Code, but in no case may such rates be diminished below those in effect on August 1, 2008.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or as long-term care facilities for residents under 22 years of age, the rates taking effect on July 1, 2003 shall include a statewide increase of 4%, as defined by the Department.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on the first day of the month that begins at least 45 days after the effective date of this amendatory Act of the 95th General Assembly shall include a statewide increase of 2.5%, as defined by the Department.

Notwithstanding any other provision of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, effective January 1, 2005, facility rates shall be increased by the difference between (i) a facility's per diem property, liability, and malpractice
insurance costs as reported in the cost report filed with the Department of Public Aid and used to establish rates effective July 1, 2001 and (ii) those same costs as reported in the facility's 2002 cost report. These costs shall be passed through to the facility without caps or limitations, except for adjustments required under normal auditing procedures.

Rates established effective each July 1 shall govern payment for services rendered throughout that fiscal year, except that rates established on July 1, 1996 shall be increased by 6.8% for services provided on or after January 1, 1997. Such rates will be based upon the rates calculated for the year beginning July 1, 1990, and for subsequent years thereafter until June 30, 2001 shall be based on the facility cost reports for the facility fiscal year ending at any point in time during the previous calendar year, updated to the midpoint of the rate year. The cost report shall be on file with the Department no later than April 1 of the current rate year. Should the cost report not be on file by April 1, the Department shall base the rate on the latest cost report filed by each skilled care facility and intermediate care facility, updated to the midpoint of the current rate year. In determining rates for services rendered on and after July 1, 1985, fixed time shall not be computed at less than zero. The Department shall not make any alterations of regulations which would reduce any component of the Medicaid rate to a level below what that component would have been utilizing in the rate
(2) Shall take into account the actual costs incurred by facilities in providing services for recipients of skilled nursing and intermediate care services under the medical assistance program.

(3) Shall take into account the medical and psycho-social characteristics and needs of the patients.

(4) Shall take into account the actual costs incurred by facilities in meeting licensing and certification standards imposed and prescribed by the State of Illinois, any of its political subdivisions or municipalities and by the U.S. Department of Health and Human Services pursuant to Title XIX of the Social Security Act.

The Department of Healthcare and Family Services shall develop precise standards for payments to reimburse nursing facilities for any utilization of appropriate rehabilitative personnel for the provision of rehabilitative services which is authorized by federal regulations, including reimbursement for services provided by qualified therapists or qualified assistants, and which is in accordance with accepted professional practices. Reimbursement also may be made for utilization of other supportive personnel under appropriate supervision.

The Department shall develop enhanced payments to offset the additional costs incurred by a facility serving exceptional need residents and shall allocate at least $4,000,000 of the
funds collected from the assessment established by Section 5B-2 of this Code for such payments. For the purpose of this Section, "exceptional needs" means, but need not be limited to, ventilator care and traumatic brain injury care. The enhanced payments for exceptional need residents under this paragraph are not due and payable, however, until (i) the methodologies described in this paragraph are approved by the federal government in an appropriate State Plan amendment and (ii) the assessment imposed by Section 5B-2 of this Code is determined to be a permissible tax under Title XIX of the Social Security Act.

Beginning January 1, 2014 the methodologies for reimbursement of nursing facility services as provided under this Section 5-5.4 shall no longer be applicable for services provided on or after January 1, 2014.

No payment increase under this Section for the MDS methodology, exceptional care residents, or the socio-development component rate established by Public Act 96-1530 of the 96th General Assembly and funded by the assessment imposed under Section 5B-2 of this Code shall be due and payable until after the Department notifies the long-term care providers, in writing, that the payment methodologies to long-term care providers required under this Section have been approved by the Centers for Medicare and Medicaid Services of the U.S. Department of Health and Human Services and the waivers under 42 CFR 433.68 for the assessment imposed by this
Section, if necessary, have been granted by the Centers for Medicare and Medicaid Services of the U.S. Department of Health and Human Services. Upon notification to the Department of approval of the payment methodologies required under this Section and the waivers granted under 42 CFR 433.68, all increased payments otherwise due under this Section prior to the date of notification shall be due and payable within 90 days of the date federal approval is received.

On and after July 1, 2012, the Department shall reduce any rate of reimbursement for services or other payments or alter any methodologies authorized by this Code to reduce any rate of reimbursement for services or other payments in accordance with Section 5-5e.

For facilities licensed by the Department of Public Health under the ID/DD Community Care Act as ID/DD Facilities and under the MC/DD Act as MC/DD Facilities, subject to federal approval, the rates taking effect for services delivered on or after August 1, 2019 shall be increased by 3.5% over the rates in effect on June 30, 2019. The Department shall adopt rules, including emergency rules under subsection (ii) of Section 5-45 of the Illinois Administrative Procedure Act, to implement the provisions of this Section, including wage increases for direct care staff.

For facilities licensed by the Department of Public Health under the ID/DD Community Care Act as ID/DD Facilities and under the MC/DD Act as MC/DD Facilities, subject to federal
approval, the rates taking effect on the latter of the approval
date of the State Plan Amendment for these facilities or the
Waiver Amendment for the home and community-based services
settings shall include an increase sufficient to provide a
$0.26 per hour wage increase to the base wage for non-executive
staff. The Department shall adopt rules, including emergency
rules as authorized by Section 5-45 of the Illinois
Administrative Procedure Act, to implement the provisions of
this Section, including wage increases for direct care staff.

For facilities licensed by the Department of Public Health
under the ID/DD Community Care Act as ID/DD Facilities and
under the MC/DD Act as MC/DD Facilities, subject to federal
approval of the State Plan Amendment and the Waiver Amendment
for the home and community-based services settings, the rates
taking effect for the services delivered on or after July 1,
2020 shall include an increase sufficient to provide a $1.00
per hour wage increase for non-executive staff. For services
delivered on or after January 1, 2021, subject to federal
approval of the State Plan Amendment and the Waiver Amendment
for the home and community-based services settings, shall
include an increase sufficient to provide a $0.50 per hour
increase for non-executive staff. The Department shall adopt
rules, including emergency rules as authorized by Section 5-45
of the Illinois Administrative Procedure Act, to implement the
provisions of this Section, including wage increases for direct
care staff.
Sec. 5H-4. Payment of assessment.

(a) The assessment payable pursuant to Section 5H-3 shall be due and payable in monthly installments, each equaling one-twelfth of the assessment for the year, on the first State business day of each month.

(b) If the approval of the waivers required under Section 5H-2 is delayed beyond the start of State fiscal year 2020, then the first installment shall be due on the first business day of the first month that begins more than 15 days after the date of such approval. In the event approval results in installments beginning after July 1, 2019, the amount of each installment for that fiscal year shall equal the full amount of the annual assessment divided by the number of payments that will be paid in fiscal year 2020.

(c) The Department shall notify each managed care organization of its annual fiscal year 2020 assessment and the installment due dates no later than 30 days prior to the first installment due date and the annual assessment and due dates for each subsequent year at least 30 days prior to the start of each fiscal year.

(d) Proceeds from the assessment levied pursuant to Section 5H-3 shall be deposited into the Fund; provided, however, that
proceeds from the assessment levied pursuant to Section 5H-3 upon a county provider as defined in Section 15-1 of this Code shall instead be deposited directly into the County Provider Trust Fund.

Sec. 12-4.53. Prospective Payment System (PPS) rates. Effective January 1, 2021, and subsequent years, based on specific appropriation, the Prospective Payment System (PPS) rates for FQHCs shall be increased based on the cost principles found at 45 Code of Federal Regulations Part 75 or its successor. Such rates shall be increased by using any of the following methods: reducing the current minimum productivity and efficiency standards no lower than 3500 encounters per FTE physician; increasing the statewide median cost cap from 105% to 120%, or a one-time re-basing of rates utilizing 2018 FQHC cost reports.

Section 30-10. The Energy Assistance Act is amended by changing Sections 6 and 18 as follows:

(305 ILCS 20/6) (from Ch. 111 2/3, par. 1406)

Sec. 6. Eligibility, Conditions of Participation, and Energy Assistance.

(a) Any person who is a resident of the State of Illinois
and whose household income is not greater than an amount determined annually by the Department, in consultation with the Policy Advisory Council, may apply for assistance pursuant to this Act in accordance with regulations promulgated by the Department. In setting the annual eligibility level, the Department shall consider the amount of available funding and may not set a limit higher than 150% of the federal nonfarm poverty level as established by the federal Office of Management and Budget; except that for the period from the effective date of this amendatory Act of the 101st General Assembly through ending June 30, 2021, the Department may not establish limits higher than 200% of that poverty level or the maximum level provided for by federal guidelines.

(b) Applicants who qualify for assistance pursuant to subsection (a) of this Section shall, subject to appropriation from the General Assembly and subject to availability of funds to the Department, receive energy assistance as provided by this Act. The Department, upon receipt of monies authorized pursuant to this Act for energy assistance, shall commit funds for each qualified applicant in an amount determined by the Department. In determining the amounts of assistance to be provided to or on behalf of a qualified applicant, the Department shall ensure that the highest amounts of assistance go to households with the greatest energy costs in relation to household income. The Department shall include factors such as energy costs, household size, household income, and region of
the State when determining individual household benefits. In
setting assistance levels, the Department shall attempt to
provide assistance to approximately the same number of
households who participated in the 1991 Residential Energy
Assistance Partnership Program. Such assistance levels shall
be adjusted annually on the basis of funding availability and
energy costs. In promulgating rules for the administration of
this Section the Department shall assure that a minimum of 1/3
of funds available for benefits to eligible households with the
lowest incomes and that elderly households and households with
persons with disabilities are offered a priority application
period.

(c) If the applicant is not a customer of record of an
energy provider for energy services or an applicant for such
service, such applicant shall receive a direct energy
assistance payment in an amount established by the Department
for all such applicants under this Act; provided, however, that
such an applicant must have rental expenses for housing greater
than 30% of household income.

(c-1) This subsection shall apply only in cases where: (1)
the applicant is not a customer of record of an energy provider
because energy services are provided by the owner of the unit
as a portion of the rent; (2) the applicant resides in housing
subsidized or developed with funds provided under the Rental
Housing Support Program Act or under a similar locally funded
rent subsidy program, or is the voucher holder who resides in a
rental unit within the State of Illinois and whose monthly rent
is subsidized by the tenant-based Housing Choice Voucher
Program under Section 8 of the U.S. Housing Act of 1937; and
(3) the rental expenses for housing are no more than 30% of
household income. In such cases, the household may apply for an
energy assistance payment under this Act and the owner of the
housing unit shall cooperate with the applicant by providing
documentation of the energy costs for that unit. Any
compensation paid to the energy provider who supplied energy
services to the household shall be paid on behalf of the owner
of the housing unit providing energy services to the household.
The Department shall report annually to the General Assembly on
the number of households receiving energy assistance under this
subsection and the cost of such assistance. The provisions of
this subsection (c-1), other than this sentence, are
inoperative after August 31, 2012.

(d) If the applicant is a customer of an energy provider,
such applicant shall receive energy assistance in an amount
established by the Department for all such applicants under
this Act, such amount to be paid by the Department to the
energy provider supplying winter energy service to such
applicant. Such applicant shall:

(i) make all reasonable efforts to apply to any other
appropriate source of public energy assistance; and

(ii) sign a waiver permitting the Department to receive
income information from any public or private agency
providing income or energy assistance and from any employer, whether public or private.

(e) Any qualified applicant pursuant to this Section may receive or have paid on such applicant's behalf an emergency assistance payment to enable such applicant to obtain access to winter energy services. Any such payments shall be made in accordance with regulations of the Department.

(f) The Department may, if sufficient funds are available, provide additional benefits to certain qualified applicants:

(i) for the reduction of past due amounts owed to energy providers; and

(ii) to assist the household in responding to excessively high summer temperatures or energy costs. Households containing elderly members, children, a person with a disability, or a person with a medical need for conditioned air shall receive priority for receipt of such benefits.

(305 ILCS 20/18)

Sec. 18. Financial assistance; payment plans.

(a) The Percentage of Income Payment Plan (PIPP or PIP Plan) is hereby created as a mandatory bill payment assistance program for low-income residential customers of utilities serving more than 100,000 retail customers as of January 1, 2009. The PIP Plan will:
(1) bring participants' gas and electric bills into the range of affordability;
(2) provide incentives for participants to make timely payments;
(3) encourage participants to reduce usage and participate in conservation and energy efficiency measures that reduce the customer's bill and payment requirements; and
(4) identify participants whose homes are most in need of weatherization.

(b) For purposes of this Section:
(1) "LIHEAP" means the energy assistance program established under the Illinois Energy Assistance Act and the Low-Income Home Energy Assistance Act of 1981.
(2) "Plan participant" is an eligible participant who is also eligible for the PIPP and who will receive either a percentage of income payment credit under the PIPP criteria set forth in this Act or a benefit pursuant to Section 4 of this Act. Plan participants are a subset of eligible participants.
(3) "Pre-program arrears" means the amount a plan participant owes for gas or electric service at the time the participant is determined to be eligible for the PIPP or the program set forth in Section 4 of this Act.
(4) "Eligible participant" means any person who has applied for, been accepted and is receiving residential
service from a gas or electric utility and who is also eligible for LIHEAP.

(c) The PIP Plan shall be administered as follows:

(1) The Department shall coordinate with Local Administrative Agencies (LAAs), to determine eligibility for the Illinois Low Income Home Energy Assistance Program (LIHEAP) pursuant to the Energy Assistance Act, provided that eligible income shall be no more than 150% of the poverty level, except that for the period from the effective date of this amendatory Act of the 101st General Assembly through June 30, 2021, eligible income shall be no more than 200% of the poverty level. Applicants will be screened to determine whether the applicant's projected payments for electric service or natural gas service over a 12-month period exceed the criteria established in this Section. To maintain the financial integrity of the program, the Department may limit eligibility to households with income below 125% of the poverty level.

(2) The Department shall establish the percentage of income formula to determine the amount of a monthly credit, not to exceed $150 per month per household, not to exceed $1,800 annually; however, for the period from the effective date of this amendatory Act of the 101st General Assembly through June 30, 2021, the monthly credit for participants with eligible income over 100% of the poverty level may be as much as $200 per month per household, not to exceed
$2,400 annually, and, the monthly credit for participants with eligible income 100% or less of the poverty level may be as much as $250 per month per household, not to exceed $3,000 annually. Credits, that will be applied to PIP Plan participants' utility bills based on the portion of the bill that is the responsibility of the participant provided that the percentage shall be no more than a total of 6% of the relevant income for gas and electric utility bills combined, but in any event no less than $10 per month, unless the household does not pay directly for heat, in which case its payment shall be 2.4% of income but in any event no less than $5 per month. The Department may establish a minimum credit amount based on the cost of administering the program and may deny credits to otherwise eligible participants if the cost of administering the credit exceeds the actual amount of any monthly credit to a participant. If the participant takes both gas and electric service, 66.67% of the credit shall be allocated to the entity that provides the participant's primary energy supply for heating. Each participant shall enter into a levelized payment plan for, as applicable, gas and electric service and such plans shall be implemented by the utility so that a participant's usage and required payments are reviewed and adjusted regularly, but no more frequently than quarterly. Nothing in this Section is intended to prohibit a customer, who is otherwise eligible for LIHEAP,
from participating in the program described in Section 4 of this Act. Eligible participants who receive such a benefit shall be considered plan participants and shall be eligible to participate in the Arrearage Reduction Program described in item (5) of this subsection (c).

(3) The Department shall remit, through the LAAs, to the utility or participating alternative supplier that portion of the plan participant's bill that is not the responsibility of the participant. In the event that the Department fails to timely remit payment to the utility, the utility shall be entitled to recover all costs related to such nonpayment through the automatic adjustment clause tariffs established pursuant to Section 16-111.8 and Section 19-145 of the Public Utilities Act. For purposes of this item (3) of this subsection (c), payment is due on the date specified on the participant's bill. The Department, the Department of Revenue and LAAs shall adopt processes that provide for the timely payment required by this item (3) of this subsection (c).

(4) A plan participant is responsible for all actual charges for utility service in excess of the PIPP credit. Pre-program arrears that are included in the Arrearage Reduction Program described in item (5) of this subsection (c) shall not be included in the calculation of the levelized payment plan. Emergency or crisis assistance payments shall not affect the amount of any PIPP credit to
which a participant is entitled.

(5) Electric and gas utilities subject to this Section shall implement an Arrearage Reduction Program (ARP) for plan participants as follows: for each month that a plan participant timely pays his or her utility bill, the utility shall apply a credit to a portion of the participant's pre-program arrears, if any, equal to one-twelfth of such arrearage provided that the total amount of arrearage credits shall equal no more than $1,000 annually for each participant for gas and no more than $1,000 annually for each participant for electricity. In the third year of the PIPP, the Department, in consultation with the Policy Advisory Council established pursuant to Section 5 of this Act, shall determine by rule an appropriate per participant total cap on such amounts, if any. Those plan participants participating in the ARP shall not be subject to the imposition of any additional late payment fees on pre-program arrears covered by the ARP. In all other respects, the utility shall bill and collect the monthly bill of a plan participant pursuant to the same rules, regulations, programs and policies as applicable to residential customers generally. Participation in the Arrearage Reduction Program shall be limited to the maximum amount of funds available as set forth in subsection (f) of Section 13 of this Act. In the event any donated funds under Section 13 of this Act are specifically designated
for the purpose of funding the ARP, the Department shall remit such amounts to the utilities upon verification that such funds are needed to fund the ARP. Nothing in this Section shall preclude a utility from continuing to implement, and apply credits under, an ARP in the event that the PIPP or LIHEAP is suspended due to lack of funding such that the plan participant does not receive a benefit under either the PIPP or LIHEAP.

(5.5) In addition to the ARP described in paragraph (5) of this subsection (c), utilities may also implement a Supplemental Arrearage Reduction Program (SARP) for eligible participants who are not able to become plan participants due to PIPP timing or funding constraints. If a utility elects to implement a SARP, it shall be administered as follows: for each month that a SARP participant timely pays his or her utility bill, the utility shall apply a credit to a portion of the participant's pre-program arrears, if any, equal to one-twelfth of such arrearage, provided that the utility may limit the total amount of arrearage credits to no more than $1,000 annually for each participant for gas and no more than $1,000 annually for each participant for electricity. SARP participants shall not be subject to the imposition of any additional late payment fees on pre-program arrears covered by the SARP. In all other respects, the utility shall bill and collect the monthly
bill of a SARP participant under the same rules, regulations, programs, and policies as applicable to residential customers generally. Participation in the SARP shall be limited to the maximum amount of funds available as set forth in subsection (f) of Section 13 of this Act. In the event any donated funds under Section 13 of this Act are specifically designated for the purpose of funding the SARP, the Department shall remit such amounts to the utilities upon verification that such funds are needed to fund the SARP.

(6) The Department may terminate a plan participant's eligibility for the PIP Plan upon notification by the utility that the participant's monthly utility payment is more than 45 days past due.

(7) The Department, in consultation with the Policy Advisory Council, may adjust the number of PIP Plan participants annually, if necessary, to match the availability of funds. Any plan participant who qualifies for a PIPP credit under a utility's PIPP shall be entitled to participate in and receive a credit under such utility's ARP for so long as such utility has ARP funds available, regardless of whether the customer's participation under another utility's PIPP or ARP has been curtailed or limited because of a lack of funds.

(8) The Department shall fully implement the PIPP at the earliest possible date it is able to effectively
administer the PIPP. Within 90 days of the effective date of this amendatory Act of the 96th General Assembly, the Department shall, in consultation with utility companies, participating alternative suppliers, LAAs and the Illinois Commerce Commission (Commission), issue a detailed implementation plan which shall include detailed testing protocols and analysis of the capacity for implementation by the LAAs and utilities. Such consultation process also shall address how to implement the PIPP in the most cost-effective and timely manner, and shall identify opportunities for relying on the expertise of utilities, LAAs and the Commission. Following the implementation of the testing protocols, the Department shall issue a written report on the feasibility of full or gradual implementation. The PIPP shall be fully implemented by September 1, 2011, but may be phased in prior to that date.

(9) As part of the screening process established under item (1) of this subsection (c), the Department and LAAs shall assess whether any energy efficiency or demand response measures are available to the plan participant at no cost, and if so, the participant shall enroll in any such program for which he or she is eligible. The LAAs shall assist the participant in the applicable enrollment or application process.

(10) Each alternative retail electric and gas supplier serving residential customers shall elect whether to
participate in the PIPP or ARP described in this Section. Any such supplier electing to participate in the PIPP shall provide to the Department such information as the Department may require, including, without limitation, information sufficient for the Department to determine the proportionate allocation of credits between the alternative supplier and the utility. If a utility in whose service territory an alternative supplier serves customers contributes money to the ARP fund which is not recovered from ratepayers, then an alternative supplier which participates in ARP in that utility's service territory shall also contribute to the ARP fund in an amount that is commensurate with the number of alternative supplier customers who elect to participate in the program.

(d) The Department, in consultation with the Policy Advisory Council, shall develop and implement a program to educate customers about the PIP Plan and about their rights and responsibilities under the percentage of income component. The Department, in consultation with the Policy Advisory Council, shall establish a process that LAAs shall use to contact customers in jeopardy of losing eligibility due to late payments. The Department shall ensure that LAAs are adequately funded to perform all necessary educational tasks.

(e) The PIPP shall be administered in a manner which ensures that credits to plan participants will not be counted as income or as a resource in other means-tested assistance
programs for low-income households or otherwise result in the loss of federal or State assistance dollars for low-income households.

(f) In order to ensure that implementation costs are minimized, the Department and utilities shall work together to identify cost-effective ways to transfer information electronically and to employ available protocols that will minimize their respective administrative costs as follows:

(1) The Commission may require utilities to provide such information on customer usage and billing and payment information as required by the Department to implement the PIP Plan and to provide written notices and communications to plan participants.

(2) Each utility and participating alternative supplier shall file annual reports with the Department and the Commission that cumulatively summarize and update program information as required by the Commission's rules. The reports shall track implementation costs and contain such information as is necessary to evaluate the success of the PIPP.

(3) The Department and the Commission shall have the authority to promulgate rules and regulations necessary to execute and administer the provisions of this Section.

(g) Each utility shall be entitled to recover reasonable administrative and operational costs incurred to comply with this Section from the Supplemental Low Income Energy Assistance
Fund. The utility may net such costs against monies it would otherwise remit to the Funds, and each utility shall include in the annual report required under subsection (f) of this Section an accounting for the funds collected.

ARTICLE 35. HEALTH AND SAFETY

Section 35-5. The Environmental Protection Act is amended by changing Sections 22.15, 55.6, and 57.11 as follows:

(415 ILCS 5/22.15) (from Ch. 111 1/2, par. 1022.15)

Sec. 22.15. Solid Waste Management Fund; fees.

(a) There is hereby created within the State Treasury a special fund to be known as the Solid Waste Management Fund, to be constituted from the fees collected by the State pursuant to this Section, from repayments of loans made from the Fund for solid waste projects, from registration fees collected pursuant to the Consumer Electronics Recycling Act, and from amounts transferred into the Fund pursuant to Public Act 100-433. Moneys received by the Department of Commerce and Economic Opportunity in repayment of loans made pursuant to the Illinois Solid Waste Management Act shall be deposited into the General Revenue Fund.

(b) The Agency shall assess and collect a fee in the amount set forth herein from the owner or operator of each sanitary
landfill permitted or required to be permitted by the Agency to
dispose of solid waste if the sanitary landfill is located off
the site where such waste was produced and if such sanitary
landfill is owned, controlled, and operated by a person other
than the generator of such waste. The Agency shall deposit all
fees collected into the Solid Waste Management Fund. If a site
is contiguous to one or more landfills owned or operated by the
same person, the volumes permanently disposed of by each
landfill shall be combined for purposes of determining the fee
under this subsection. Beginning on July 1, 2018, and on the
first day of each month thereafter during fiscal years 2019
through 2021 and 2022, the State Comptroller shall direct and
State Treasurer shall transfer an amount equal to 1/12 of
$5,000,000 per fiscal year from the Solid Waste Management Fund
to the General Revenue Fund.

(1) If more than 150,000 cubic yards of non-hazardous
solid waste is permanently disposed of at a site in a
calendar year, the owner or operator shall either pay a fee
of 95 cents per cubic yard or, alternatively, the owner or
operator may weigh the quantity of the solid waste
permanently disposed of with a device for which
certification has been obtained under the Weights and
Measures Act and pay a fee of $2.00 per ton of solid waste
permanently disposed of. In no case shall the fee collected
or paid by the owner or operator under this paragraph
exceed $1.55 per cubic yard or $3.27 per ton.
(2) If more than 100,000 cubic yards but not more than 150,000 cubic yards of non-hazardous waste is permanently disposed of at a site in a calendar year, the owner or operator shall pay a fee of $52,630.

(3) If more than 50,000 cubic yards but not more than 100,000 cubic yards of non-hazardous solid waste is permanently disposed of at a site in a calendar year, the owner or operator shall pay a fee of $23,790.

(4) If more than 10,000 cubic yards but not more than 50,000 cubic yards of non-hazardous solid waste is permanently disposed of at a site in a calendar year, the owner or operator shall pay a fee of $7,260.

(5) If not more than 10,000 cubic yards of non-hazardous solid waste is permanently disposed of at a site in a calendar year, the owner or operator shall pay a fee of $1050.

(c) (Blank).

(d) The Agency shall establish rules relating to the collection of the fees authorized by this Section. Such rules shall include, but not be limited to:

(1) necessary records identifying the quantities of solid waste received or disposed;

(2) the form and submission of reports to accompany the payment of fees to the Agency;

(3) the time and manner of payment of fees to the Agency, which payments shall not be more often than
quarterly; and

(4) procedures setting forth criteria establishing when an owner or operator may measure by weight or volume during any given quarter or other fee payment period.

(e) Pursuant to appropriation, all moneys in the Solid Waste Management Fund shall be used by the Agency and the Department of Commerce and Economic Opportunity for the purposes set forth in this Section and in the Illinois Solid Waste Management Act, including for the costs of fee collection and administration, and for the administration of (1) the Consumer Electronics Recycling Act and (2) until January 1, 2020, the Electronic Products Recycling and Reuse Act.

(f) The Agency is authorized to enter into such agreements and to promulgate such rules as are necessary to carry out its duties under this Section and the Illinois Solid Waste Management Act.

(g) On the first day of January, April, July, and October of each year, beginning on July 1, 1996, the State Comptroller and Treasurer shall transfer $500,000 from the Solid Waste Management Fund to the Hazardous Waste Fund. Moneys transferred under this subsection (g) shall be used only for the purposes set forth in item (1) of subsection (d) of Section 22.2.

(h) The Agency is authorized to provide financial assistance to units of local government for the performance of inspecting, investigating and enforcement activities pursuant to Section 4(r) at nonhazardous solid waste disposal sites.
(i) The Agency is authorized to conduct household waste collection and disposal programs.

(j) A unit of local government, as defined in the Local Solid Waste Disposal Act, in which a solid waste disposal facility is located may establish a fee, tax, or surcharge with regard to the permanent disposal of solid waste. All fees, taxes, and surcharges collected under this subsection shall be utilized for solid waste management purposes, including long-term monitoring and maintenance of landfills, planning, implementation, inspection, enforcement and other activities consistent with the Solid Waste Management Act and the Local Solid Waste Disposal Act, or for any other environment-related purpose, including but not limited to an environment-related public works project, but not for the construction of a new pollution control facility other than a household hazardous waste facility. However, the total fee, tax or surcharge imposed by all units of local government under this subsection (j) upon the solid waste disposal facility shall not exceed:

(1) 60¢ per cubic yard if more than 150,000 cubic yards of non-hazardous solid waste is permanently disposed of at the site in a calendar year, unless the owner or operator weighs the quantity of the solid waste received with a device for which certification has been obtained under the Weights and Measures Act, in which case the fee shall not exceed $1.27 per ton of solid waste permanently disposed of.
(2) $33,350 if more than 100,000 cubic yards, but not more than 150,000 cubic yards, of non-hazardous waste is permanently disposed of at the site in a calendar year.

The corporate authorities of the unit of local government may use proceeds from the fee, tax, or surcharge to reimburse a highway commissioner whose road district lies wholly or partially within the corporate limits of the unit of local government for expenses incurred in the removal of nonhazardous, nonfluid municipal waste that has been dumped on public property in violation of a State law or local ordinance.

A county or Municipal Joint Action Agency that imposes a fee, tax, or surcharge under this subsection may use the proceeds thereof to reimburse a municipality that lies wholly or partially within its boundaries for expenses incurred in the removal of nonhazardous, nonfluid municipal waste that has been dumped on public property in violation of a State law or local ordinance.
If the fees are to be used to conduct a local sanitary landfill inspection or enforcement program, the unit of local government must enter into a written delegation agreement with the Agency pursuant to subsection (r) of Section 4. The exemptions granted under Sections 22.16 and 22.16a, and under subsection (k) of this Section, shall be applicable to any fee, tax or surcharge imposed under this subsection (j); except that the fee, tax or surcharge authorized to be imposed under this subsection (j) may be made applicable by a unit of local government to the permanent disposal of solid waste after December 31, 1986, under any contract lawfully executed before June 1, 1986 under which more than 150,000 cubic yards (or 50,000 tons) of solid waste is to be permanently disposed of, even though the waste is exempt from the fee imposed by the State under subsection (b) of this Section pursuant to an exemption granted under Section 22.16.

(k) In accordance with the findings and purposes of the Illinois Solid Waste Management Act, beginning January 1, 1989 the fee under subsection (b) and the fee, tax or surcharge under subsection (j) shall not apply to:

(1) waste which is hazardous waste;

sanitary landfill and composted or recycled through a
process permitted by the Agency; or

(a) The State Aviation Program Fund is created in the State Treasury. Moneys in the Fund shall be used by the Department of Transportation for the purposes of administering a State Aviation Program. Subject to appropriation, the moneys shall be used for the purpose of distributing grants to units of local government to be used for airport-related purposes. (65 ILCS 5/11-101-3)

Sec. 11-101-3. Noise mitigation; air quality.

(a) A municipality that has implemented a Residential Sound Insulation Program to mitigate aircraft noise shall perform indoor air quality monitoring and laboratory analysis of windows and doors installed pursuant to the Residential Sound Insulation Program to determine whether there are any adverse health impacts associated with off-gassing from such windows and doors. Such monitoring and analysis shall be consistent
with applicable professional and industry standards. The municipality shall make any final reports resulting from such monitoring and analysis available to the public on the municipality's website. The municipality shall develop a science-based mitigation plan to address significant health-related impacts, if any, associated with such windows and doors as determined by the results of the monitoring and analysis. In a municipality that has implemented a Residential Sound Insulation Program to mitigate aircraft noise, if requested by the homeowner pursuant to a process established by the municipality, which process shall include, at a minimum, notification in a newspaper of general circulation and a mailer sent to every address identified as a recipient of windows and doors installed under the Residential Sound Insulation Program, the municipality shall replace all windows and doors installed under the Residential Sound Insulation Program in such homes where one or more windows or doors have been found to have caused offensive odors. Only those homeowners who request that the municipality perform an odor inspection as prescribed by the process established by the municipality within 6 months of notification being published and mailers being sent shall be eligible for odorous window and odorous door replacement. Homes that have been identified by the municipality as having odorous windows or doors are not required to make said request to the municipality. The right to make a claim for replacement and have it considered pursuant to
this Section shall not be affected by the fact of odor-related
claims made or odor-related products received pursuant to the
Residential Sound Insulation Program prior to June 5, 2019 (the
effective date of this Section). The municipality shall also
perform in-home air quality testing in residences in which
windows and doors are replaced under this Section. In order to
receive in-home air quality testing, a homeowner must request
such testing from the municipality, and the total number of
homes tested in any given year shall not exceed 25% of the
total number of homes in which windows and doors were replaced
under this Section in the prior calendar year.

(b) An advisory committee shall be formed, composed of the
following: (i) 2 members of the municipality who reside in
homes that have received windows or doors pursuant to the
Residential Sound Insulation Program and have been identified
by the municipality as having odorous windows or doors,
appointed by the Secretary of Transportation; (ii) one employee
of the Aeronautics Division of the Department of
Transportation; and (iii) 2 employees of the municipality that
implemented the Residential Sound Insulation Program in
question. The advisory committee shall determine by majority
vote which homes contain windows or doors that cause offensive
odors and thus are eligible for replacement, shall promulgate a
list of such homes, and shall develop recommendations as to the
order in which homes are to receive window replacement. The
recommendations shall include reasonable and objective
criteria for determining which windows or doors are odorous, consideration of the date of odor confirmation for prioritization, severity of odor, geography and individual hardship, and shall provide such recommendations to the municipality. The advisory committee shall comply with the requirements of the Open Meetings Act. The Chicago Department of Aviation shall provide administrative support to the commission. The municipality shall consider the recommendations of the committee but shall retain final decision-making authority over replacement of windows and doors installed under the Residential Sound Insulation Program, and shall comply with all federal, State, and local laws involving procurement. A municipality administering claims pursuant to this Section shall provide to every address identified as having submitted a valid claim under this Section a quarterly report setting forth the municipality's activities undertaken pursuant to this Section for that quarter. However, the municipality shall replace windows and doors pursuant to this Section only if, and to the extent, grants are distributed to, and received by, the municipality from the Sound-Reducing Windows and Doors Replacement Fund for the costs associated with the replacement of sound-reducing windows and doors installed under the Residential Sound Insulation Program pursuant to Section 6z-20.1 of the State Finance Act. In addition, the municipality shall revise its specifications for procurement of windows for the Residential Sound Insulation
Program to address potential off-gassing from such windows in future phases of the program. A municipality subject to the Section shall not legislate or otherwise regulate with regard to indoor air quality monitoring, laboratory analysis or replacement requirements, except as provided in this Section, but the foregoing restriction shall not limit said municipality's taxing power.

(c) A home rule unit may not regulate indoor air quality monitoring and laboratory analysis, and related mitigation and mitigation plans, in a manner inconsistent with this Section. This Section is a limitation of home rule powers and functions under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

(d) This Section shall not be construed to create a private right of action.
