1 AN ACT concerning regulation.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 1. Short title. This Act may be cited as the Vision  
5 Care Plan Regulation Act.

6 Section 5. Definitions. As used in this Act:

7 "Covered materials" means materials for which  
8 reimbursement from the vision care plan is provided to an eye  
9 care provider by an enrollee's plan contract or for which a  
10 reimbursement would be available but for the application of  
11 the enrollee's contractual limitation of deductibles,  
12 copayments, or coinsurance.

13 "Covered services" means services for which reimbursement  
14 from the vision care plan is provided to an eye care provider  
15 by an enrollee's plan contract or for which a reimbursement  
16 would be available but for the application of the enrollee's  
17 contractual plan limitation of deductibles, copayments, or  
18 coinsurance regardless of how the benefits are listed in an  
19 enrollee's benefit plan's definition of benefits.

20 "Enrollee" means any individual enrolled in a vision care  
21 plan provided by a group, employer, or other entity that  
22 purchases or supplies coverage for a vision care plan.

23 "Eye care provider" means a doctor of optometry licensed

1 pursuant to the Illinois Optometric Practice Act of 1987 or a  
2 physician licensed to practice medicine in all of its branches  
3 pursuant to the Medical Practice Act of 1987.

4 "Materials" means ophthalmic devices, including, but not  
5 limited to:

6 (i) lenses, devices containing lenses, artificial  
7 intraocular lenses, ophthalmic frames, and other lens  
8 mounting apparatus, prisms, lens treatments, and coatings;

9 (ii) contact lenses and prosthetic devices that  
10 correct, relieve, or treat defects or abnormal conditions  
11 of the human eye or adnexa; and

12 (iii) any devices that deliver medication or other  
13 therapeutic treatment to the human eye or adnexa.

14 "Services" means the professional work performed by an eye  
15 care provider.

16 "Subcontractor" means any company, group, or third-party  
17 entity, including agents, servants, partially-owned or  
18 wholly-owned subsidiaries and controlled organizations, that  
19 the vision care plan contracts with to supply services or  
20 materials for an eye care provider or enrollee to fulfill the  
21 benefit plan of a vision care plan.

22 "Vision care organization" means an entity formed under  
23 the laws of this State or another state that issues a vision  
24 care plan.

25 "Vision care plan" means a plan that creates, promotes,  
26 sells, provides, advertises, or administers an integrated or

1 stand-alone plan that provides coverage for covered services  
2 and covered materials.

3 Section 10. Noncovered services.

4 (a) No vision care organization that issues, delivers,  
5 amends, or renews a vision care plan on or after the effective  
6 date of this Act shall issue a contract that requires an eye  
7 care provider to provide services or materials to an enrollee  
8 at a fee set by the vision care plan unless the services or  
9 materials are covered services or covered materials under the  
10 vision care plan. De minimis reimbursements shall not qualify  
11 a service or material as a covered service or a covered  
12 material under this Act.

13 (b) An eye care provider who chooses not to accept as  
14 payment an amount set by a vision care plan for services or  
15 materials that are not covered services or covered materials  
16 shall post, in a conspicuous place, a notice stating the  
17 following: "IMPORTANT: This eye care provider does not accept  
18 the fee schedule set by your insurer for vision care services  
19 and vision care materials that are not covered benefits under  
20 your plan and instead charges his or her normal fee for those  
21 services and materials. This eye care provider will provide  
22 you with an estimated cost for each noncovered service or  
23 noncovered material upon your request."

24 Section 15. Fees for covered services and covered

1 materials. Fees paid under a vision care plan for covered  
2 services and covered materials, regardless of the supplier or  
3 optical lab used to obtain materials, shall be reasonable and  
4 shall be clearly listed on a fee schedule that has been  
5 provided to the eye care provider before entering into a  
6 contract with the vision care organization.

7 Section 20. Misrepresentation. A vision care organization  
8 may not misrepresent the benefits of a vision care plan to  
9 groups, employers, or enrollees as a means of selling coverage  
10 or communicating the benefit coverage to enrollees.

11 Section 25. Subcontractors. The provisions of this Act  
12 apply to any subcontractors used by a vision care organization  
13 to supply materials or services to an eye care provider or an  
14 enrollee under a vision care plan.

15 Section 30. Suppliers; optical labs.

16 (a) A vision care organization may not restrict, limit, or  
17 disincentivize, either directly or indirectly, an eye care  
18 provider's freedom to choose suppliers of services or  
19 materials or the use of an optical lab.

20 (b) A vision care organization may not require an eye care  
21 provider or patient to order or purchase covered materials,  
22 including, but not limited to, ophthalmic lenses, from any  
23 source owned by, controlled by, or in a common ownership

1 scheme with the entity that issued the vision care plan.

2 (c) An eye care provider recommending an out-of-network  
3 source or supplier of vision care materials to an enrollee  
4 shall provide written notice to the enrollee that the source  
5 or supplier is out-of-network.

6 Section 35. Modification of plan. The terms, fees,  
7 discounts, or reimbursement rates in a vision care plan may  
8 not be changed unless mutually agreed to in writing by the eye  
9 care provider and the vision care organization that issued the  
10 vision care plan.

11 Section 40. Prohibitions; medical plan preconditions. No  
12 vision care organization that issues, delivers, amends, or  
13 renews a vision care plan on or after the effective date of  
14 this Act shall issue a vision care plan contract that  
15 requires:

16 (1) an eye care provider to contract with a plan that  
17 offers supplemental or specialty health care services as a  
18 condition of contracting with a plan that offers basic  
19 health services; or

20 (2) an eye care provider to contract with a vision  
21 care plan as a condition to participation in a medical  
22 plan.

23 Section 45. Injunctive relief. A person or entity

1 adversely affected by a violation of this Act by the vision  
2 care organization that issued a vision care plan may bring an  
3 action in a court of competent jurisdiction for injunctive  
4 relief and, upon prevailing, in addition to any injunctive  
5 relief that may be granted, shall recover attorney's fees and  
6 costs from the vision care organization.

8 Practices Act is amended by adding Section 2BBBB as follows:
