1 AN ACT concerning safety.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

1	Sectio	n 5.	Гhе	Illir	nois M	odular	Dwelli	ng and	Mob	ile
5	Structure	Safety	Act	is	amende	ed by	adding	Section	18	as

- 6 follows:
- 7 (430 ILCS 115/18 new)
- 8 Sec. 18. Weather radio requirement.
- 9 <u>(a) This Section applies to a person that installs a</u>
 10 <u>manufactured home in a mobile home community after 2023.</u>
- 11 <u>(b) A person shall supply a weather radio inside each</u>
 12 <u>manufactured home that the person installs. The weather radio</u>
 13 must be equipped with the following features:
- 14 <u>(1) tone alarm activation;</u>
- 15 (2) specific alert message encoding, or SAME,
- 16 technology; and
- 17 (3) public alert standard (CEA-2009) certification.
- 18 <u>(c) The supplying of a weather radio by a person that</u>
 19 <u>installs a manufactured home as required by this Section does</u>
 20 <u>not subject the person to liability for the functionality of</u>
- 21 that weather radio.
- 22 <u>(d) Each year during National Fire Prevention Week, the</u>
 23 operator of a mobile home community is encouraged to provide a
