

1 AMENDMENT TO HOUSE BILL 343

2 AMENDMENT NO. _____. Amend House Bill 343 on page 3, line
3 6, after the period, by inserting "A patient may, however,
4 authorize the disclosure of information necessary for his or
5 her participation in a program or research sponsored by a
6 pharmaceutical company or research sanctioned by the FDA. In
7 addition, information concerning the nature or details of
8 services provided to patients may be disclosed for the
9 compilation of Medicaid records used for epidemiological,
10 pharmacoeconomic, or health outcome studies that do not
11 reveal the identity of the patient.".
