## AN ACT in relation to public aid.

WHEREAS, The General Assembly finds that there has been 2 3 no general adjustment in the grant amounts under Article IV of the Illinois Public Aid Code to reflect changes in the 4 5 cost of subsistence needs since 1989. The grant amounts have fallen far behind the cost of subsistence needs. 6 The Temporary Assistance for Needy Families program under Article 7 IV of the Illinois Public Aid Code is now a time-limited 8 program with activity 9 vigorous work requirements. Participants in the program need to be able to meet their 10 subsistence needs while they pursue work activities and 11 12 endeavor to exit the program as quickly as possible. Inability to meet subsistence needs interferes with these 13 14 work efforts and delays exit from the program, and, among families with difficult problems inhibiting the ability to 15 work, such as disabilities within the family, the inability 16 to meet subsistence needs also threatens their health and 17 18 well-being; therefore,

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

21 Section 5. The Illinois Public Aid Code is amended by 22 changing Section 12-4.11 as follows:

23 (305 ILCS 5/12-4.11) (from Ch. 23, par. 12-4.11)

A legally responsible relative is expected to pay (i) funeral and (ii) burial or cremation 8 9 expenses unless financially unable to do so.

10 Nothing contained in this Section or in any other Section 11 of this Code shall be construed to prohibit the Illinois Department (1) from consolidating existing standards on the 12 basis of any standards which are or were in effect on, or 13 subsequent to July 1, 1969, or (2) from employing any 14 consolidated standards in determining need for public aid and 15 16 the amount of money payment or grant for individual recipients or recipient families. 17
