Sec. 16-185. Decisions. The decision of the board of 12 review on any assessment is presumed correct and legal, but 13 14 the presumption is rebuttable. When the market value is the 15 basis of the appeal, the appellant has the burden of proving each contested fact by a preponderance of the evidence. When 16 17 uniformity is the basis of the appeal, the appellant has the burden of proving each contested fact by clear and convincing 18 19 evidence. The Property Tax Appeal Board shall make a decision 20 in each appeal or case appealed to it, and the decision shall be based upon equity and the weight of evidence and not upon 21 22 constructive fraud, and shall be binding upon appellant and officials of government. The extension of taxes on any 23 24 assessment so appealed shall not be delayed by any proceeding before the Board, and, in case the assessment is altered by 25 26 the Board, any taxes extended upon the unauthorized assessment or part thereof shall be abated, or, if already 27 28 paid, shall be refunded with interest as provided in Section 29 23-20.

30 The decision or order of the Property Tax Appeal Board in 31 any such appeal, shall, within 10 days thereafter, be 32 certified at no charge to the appellant and to the proper 33 authorities, including the board of review or board of HB2234 Engrossed
