1

AN ACT concerning land conservation.

Be it enacted by the People of the State of Illinois,represented in the General Assembly:

4 Section 5. The Surface-Mined Land Conservation and 5 Reclamation Act is amended by changing Section 2 as follows:

6 (225 ILCS 715/2) (from Ch. 96 1/2, par. 4502)

Sec. 2. Statement of policy. It is declared to be 7 the 8 policy of this State to provide for conservation and reclamation of lands affected by surface mining in order to 9 restore them to optimum future productive use and to provide 10 for their return to productive use including but not limited 11 to: the planting of forests; the seeding of grasses and 12 13 legumes for grazing purposes; the planting of crops for harvest; the enhancement of wildlife and aquatic resources; 14 the establishment of recreational, residential and industrial 15 16 sites; and-for the conservation, development, management, and appropriate use of all the natural resources of such areas 17 18 for compatible multiple purposes, to aid in maintaining or 19 improving the tax base; the protection of and-protecting the 20 health, safety and general welfare of the people, the natural and aesthetic values, and enhancement of 21 beauty the 22 environment in the affected areas of the State; the 23 prevention of to--prevent erosion, stream pollution, water, air and land pollution and other 24 injurious effects to persons, property, wildlife and natural resources; 25 <u>the</u> 26 assurance and--to--assure that conservation and reclamation 27 plans for all surface mining activity are available for the prior consideration of county governments within whose 28 29 jurisdiction such lands will be affected by surface mining; 30 to--permit participation and authorization of and <u>the</u> 31 authorize cooperation and coordination with the federal

government in initial regulatory programs under the federal
Surface Mining Control and Reclamation Act of 1977, Public
Law 95-87, Title 30, USC Sec. 1201 et seq.

The issuance of a permit under this Act to engage in the surface mining of any resources other than fossil fuels is not intended to relieve the permittee from its duty to comply with other applicable state and local law regulating the commencement, location and operation of surface mining facilities.
