

1 AN ACT concerning the allocation of telephone numbers.

2 Be it enacted by the People of the State of Illinois,
3 represented in the General Assembly:

4 Section 5. The Public Utilities Act is amended by adding
5 Section 13-1001 as follows:

6 (220 ILCS 5/13-1001 new)

7 (Section scheduled to be repealed on July 1, 2005)

8 Sec. 13-1001. Phone number utilization.

9 (a) The Commerce Commission shall obtain and review the
10 semi-annual Number Resource Utilization and Forecast Reports
11 from the North American Numbering Plan Administration
12 (NANPA).

13 (b) The Commerce Commission shall identify to NANPA any
14 telecommunications carrier that is not in full compliance
15 with the Federal Communications Commission's "request
16 threshold", "utilization requirement", and all other Federal
17 Communications Commission number utilization rules identified
18 in its 2 Numbering Resource Optimization Orders, In the
19 Matter of Number Resource Optimization, CC 99-200, FCC
20 00-104, Report and Order (rel. March 31, 2000) codified in
21 part at 47 CFR 52.15, and In the Matter of Number Resource
22 Optimization, CC 99-200, FCC 00-429, Second Report and Order
23 (rel. December 29, 2000) codified in part at 47 CFR 52.15.
24 The Commerce Commission shall request that NANPA audit any
25 telecommunications carrier not in full compliance with the
26 Federal Communications Commission's numbering resource rules
27 or otherwise investigate instances of noncompliance as
28 proscribed by Federal Communications Commission rules.

29 (c) Within 6 weeks after receiving data from NANPA, the
30 Commerce Commission shall issue a public report containing
31 the name of any company not in full compliance and the area

1 code affected. The report shall also contain the utilization
2 rate by area code for every telecommunications carrier that
3 has phone numbers in any Illinois area code and a report of
4 any Commerce Commission action being taken to investigate,
5 audit, or otherwise order any telecommunications carrier to
6 comply with the Federal Communications Commission's number
7 resource rules.
