- 1 AN ACT concerning telecommunications.
- 2 Be it enacted by the People of the State of Illinois,
- 3 represented in the General Assembly:
- 4 Section 5. The Public Utilities Act is amended by
- 5 changing Section 13-301.2 as follows:
- 6 (220 ILCS 5/13-301.2)
- 7 (Section scheduled to be repealed on July 1, 2005)
- 8 Sec. 13-301.2. Program to Foster Elimination of the
- 9 Digital Divide. The Commission shall require by rule that
- 10 each telecommunications carrier <u>providing local exchange</u>
- 11 <u>telecommunications service</u> notify its <u>end-user</u> customers that
- 12 if the customer wishes to participate in the funding of the
- 13 Program to Foster Elimination of the Digital Divide he or she
- 14 may do so by electing to contribute, on a monthly basis, a
- 15 fixed amount that will be included in the customer's monthly
- 16 bill. To the extent that its end-user customers subscribe
- 17 <u>to such service, telecommunications carriers providing</u>
- 18 <u>cellular radio service are exempted from the requirements of</u>
- 19 <u>this Section.</u> The customer may cease contributing at any
- 20 time upon providing notice to the telecommunications carrier.
- 21 The notice shall state that any contribution made will not
- 22 reduce the customer's bill for telecommunications services.
- 23 Failure to remit the amount of increased payment will reduce
- 24 the contribution accordingly. The Commission shall specify
- 25 the monthly fixed amount or amounts that customers wishing to
- 26 contribute to the funding of the Program to Foster
- 27 Elimination of the Digital Divide may choose from in making
- their contributions. A telecommunications carrier subject to
- 29 <u>this obligation</u> shall remit the amounts contributed by its
- 30 customers to the Department of Commerce and Community Affairs
- 31 for deposit in the Digital Divide Elimination Fund at the

- 1 intervals specified in the Commission rules.
