

1 AN ACT concerning public utilities.

2 Be it enacted by the People of the State of Illinois,
3 represented in the General Assembly:

4 Section 5. The Public Utilities Act is amended by adding
5 Section 4-105 as follows:

6 (220 ILCS 5/4-105 new)

7 Sec. 4-105. Construction or extension of electric
8 transmission lines. The Commission must take into account the
9 effect on residential property values when it determines
10 whether to allow construction or extension of electric
11 transmission lines.
