13 (35 ILCS 5/507BB new)

26 This Section shall not apply to any amended return.

27
28 Section 20. The Illinois Vehicle Code is amended by
29 changing Sections 6-106 and 6-510 as follows:

30 (625 ILCS 5/6-106) (from Ch. 95 1/2, par. 6-106)

31 Sec. 6-106. Application for license or instruction permit.

32 (a) Every application for any permit or license authorized

1 to be issued under this Act shall be made upon a form furnished
2 by the Secretary of State. Every application shall be
3 accompanied by the proper fee and payment of such fee shall
4 entitle the applicant to not more than 3 attempts to pass the
5 examination within a period of 1 year after the date of
6 application.

7 (b) Every application shall state the name, social security
8 number, zip code, date of birth, sex, and residence address of
9 the applicant; briefly describe the applicant; state whether
10 the applicant has theretofore been licensed as a driver, and,
11 if so, when and by what state or country, and whether any such
12 license has ever been cancelled, suspended, revoked or refused,
13 and, if so, the date and reason for such cancellation,
14 suspension, revocation or refusal; shall include an
15 affirmation by the applicant that all information set forth is
16 true and correct; and shall bear the applicant's signature. The
17 application form may also require the statement of such
18 additional relevant information as the Secretary of State shall
19 deem necessary to determine the applicant's competency and
20 eligibility. The Secretary of State may in his discretion
21 substitute a federal tax number in lieu of a social security
22 number, or he may instead assign an additional distinctive
23 number in lieu thereof, where an applicant is prohibited by
24 bona fide religious convictions from applying or is exempt from
25 applying for a social security number. The Secretary of State
26 shall, however, determine which religious orders or sects have
27 such bona fide religious convictions. The Secretary of State
28 may, in his discretion, by rule or regulation, provide that an
29 application for a drivers license or permit may include a
30 suitable photograph of the applicant in the form prescribed by
31 the Secretary, and he may further provide that each drivers
32 license shall include a photograph of the driver. The Secretary
33 of State may utilize a photograph process or system most
34 suitable to deter alteration or improper reproduction of a
35 drivers license and to prevent substitution of another photo
36 thereon.

1 (c) The application form shall include a notice to the
2 applicant of the registration obligations of sex offenders
3 under the Sex Offender Registration Act. The notice shall be
4 provided in a form and manner prescribed by the Secretary of
5 State. For purposes of this subsection (c), "sex offender" has
6 the meaning ascribed to it in Section 2 of the Sex Offender
7 Registration Act.

8 (d) Any male United States citizen or immigrant who applies
9 for any permit or license authorized to be issued under this
10 Act or for a renewal of any permit or license, and who is at
11 least 18 years of age but less than 26 years of age, must be
12 registered in compliance with the requirements of the federal
13 Military Selective Service Act. The Secretary of State must
14 forward in an electronic format the necessary personal
15 information regarding the applicants identified in this
16 subsection (d) to the Selective Service System. The applicant's
17 signature on the application serves as an indication that the
18 applicant either has already registered with the Selective
19 Service System or that he is authorizing the Secretary to
20 forward to the Selective Service System the necessary
21 information for registration. The Secretary must notify the
22 applicant at the time of application that his signature
23 constitutes consent to registration with the Selective Service
24 System, if he is not already registered.

25 (e) In addition to the fees collected under Section 6-118
26 of this Act, the Secretary of State shall ask each person
27 applying for or renewing a license or instruction permit
28 whether the person wishes to make a \$1 voluntary contribution
29 to the Juvenile Diabetes Research and Nutritional Health Trust
30 Fund established under this Section. All donations collected
31 under this subsection (e) shall be deposited into the Juvenile
32 Diabetes Research and Nutritional Health Trust Fund.

33 (f) The Juvenile Diabetes Research and Nutritional Health
34 Trust Fund is created as a special fund in the State treasury.

1 General Assembly and approval by the Secretary of State, be
