- 1 AN ACT concerning schools.
- 2 Be it enacted by the People of the State of Illinois,
- 3 represented in the General Assembly:
- 4 Section 5. The School Code is amended by changing
- 5 Section 27-8.1 as follows:
- 6 (105 ILCS 5/27-8.1) (from Ch. 122, par. 27-8.1)
- 7 Sec. 27-8.1. Health examinations and immunizations.
- 8 (1) In compliance with rules and regulations which the
- 9 Department of Public Health shall promulgate, and except as
- 10 hereinafter provided, all children in Illinois shall have a
- 11 health examination as follows: within one year prior to
- 12 entering kindergarten or the first grade of any public,
- private, or parochial elementary school; upon entering the
- 14 fifth and ninth grades of any public, private, or parochial
- 15 school; prior to entrance into any public, private, or
- 16 parochial nursery school; and, irrespective of grade,
- 17 immediately prior to or upon entrance into any public,
- 18 private, or parochial school or nursery school, each child
- 19 shall present proof of having been examined in accordance
- 20 with this Section and the rules and regulations promulgated
- 21 hereunder.
- 22 A tuberculosis skin test screening shall be included as a
- 23 required part of each health examination included under this
- 24 Section if the child resides in an area designated by the
- 25 Department of Public Health as having a high incidence of
- 26 tuberculosis. Additional health examinations of pupils,
- 27 including dental and vision examinations, may be required
- 28 when deemed necessary by school authorities. Parents are
- 29 encouraged to have their children undergo dental examinations
- 30 at the same points in time required for health examinations.
- 31 (2) The Department of Public Health shall promulgate

1 rules and regulations specifying the examinations and 2 procedures that constitute a health examination and may recommend by rule that certain additional examinations be 3 4 performed. The rules and regulations of the Department of 5 Public Health shall specify that a tuberculosis skin test 6 screening shall be included as a required part of each health 7 examination included under this Section if the child resides in an area designated by the Department of Public Health as 8 9 having a high incidence of tuberculosis.

Physicians licensed under the Medical Practice Act of 1987 to-practice-medicine-in-all-of--its--branches, advanced practice nurses who have a written collaborative agreement with a collaborating physician which authorizes them to perform health examinations, or physician assistants who have been delegated the performance of health examinations by their supervising physician shall be responsible for the performance of the health examinations, other than dental examinations and vision and hearing screening, and shall sign all report forms required by subsection (4) of this Section that pertain to those portions of the health examination for which the physician, advanced practice nurse, or physician assistant is responsible. If a registered nurse performs any a health examination, then a physician licensed to practice medicine in all of its branches must review and sign all required report forms. Licensed dentists shall perform all dental examinations and shall sign all report forms required by subsection (4) of this Section that pertain to the dental examinations. Physicians licensed to practice medicine in all its branches, or licensed optometrists, shall perform all vision exams required by school authorities and shall sign all report forms required by subsection (4) of this Section that pertain to the vision exam. Vision and hearing screening tests, which shall not be considered examinations as that term is used in this Section, shall be

- 1 conducted in accordance with rules and regulations of the
- 2 Department of Public Health, and by individuals whom the
- 3 Department of Public Health has certified.
- 4 (3) Every child shall, at or about the same time as he
- 5 or she receives a health examination required by subsection
- 6 (1) of this Section, present to the local school proof of
- 7 having received such immunizations against preventable
- 8 communicable diseases as the Department of Public Health
- 9 shall require by rules and regulations promulgated pursuant
- 10 to this Section and the Communicable Disease Prevention Act.
- 11 (4) The individuals conducting the health examination
- 12 shall record the fact of having conducted the examination,
- 13 and such additional information as required, on uniform forms
- 14 which the Department of Public Health and the State Board of
- 15 Education shall prescribe for statewide use. The examiner
- 16 shall summarize on the report form any condition that he or
- 17 she suspects indicates a need for special services. The
- 18 individuals confirming the administration of required
- 19 immunizations shall record as indicated on the form that the
- 20 immunizations were administered.
- 21 (5) If a child does not submit proof of having had
- 22 either the health examination or the immunization as
- 23 required, then the child shall be examined or receive the
- 24 immunization, as the case may be, and present proof by
- October 15 of the current school year, or by an earlier date
- of the current school year established by a school district.
- 27 To establish a date before October 15 of the current school
- 28 year for the health examination or immunization as required,
- 29 a school district must give notice of the requirements of
- 30 this Section 60 days prior to the earlier established date.
- 31 If for medical reasons one or more of the required
- 32 immunizations must be given after October 15 of the current
- 33 school year, or after an earlier established date of the
- 34 current school year, then the child shall present, by October

15, or by the earlier established date, a schedule for the 2

administration of the immunizations and a statement of the

medical reasons causing the delay, both the schedule and the

statement being issued by the physician, advanced practice

nurse, physician assistant, registered nurse, or local health

department that will be responsible for administration of the

remaining required immunizations. If a child does not comply

15, or by the earlier established date of the by October

current school year, with the requirements of

subsection, then the local school authority shall exclude that child from school until such time as the child presents

proof of having had the health examination as required and

presents proof of having received those required

which are medically possible to receive immunizations

immediately. During a child's exclusion from school for

noncompliance with this subsection, the child's parents or

legal guardian shall be considered in violation of 17

18 26-1 and subject to any penalty imposed by Section 26-10.

(6) Every school shall report to the State Board of Education by November 15, in the manner which that agency shall require, the number of children who have received the necessary immunizations and the health examination indicating, of those who have not received the immunizations and examination as required, the number of who exempt from health examination and children are immunization requirements on religious or medical grounds as provided in subsection (8). This reported information shall be provided to the Department of Public Health by the State

Board of Education.

(7) Upon determining that the number of pupils who are required to be in compliance with subsection (5) of this Section is below 90% of the number of pupils enrolled in the school district, 10% of each State aid payment made pursuant to Section 18-8 to the school district for such year shall be

- 1 withheld by the regional superintendent until the number of
- 2 students in compliance with subsection (5) is the applicable
- 3 specified percentage or higher.
- 4 (8) Parents or legal guardians who object to health
- 5 examinations or any part thereof, or to immunizations, on
- 6 religious grounds shall not be required to submit their
- 7 children or wards to the examinations or immunizations to
- 8 which they so object if such parents or legal guardians
- 9 present to the appropriate local school authority a signed
- 10 statement of objection, detailing the grounds for the
- 11 objection. If the physical condition of the child is such
- 12 that any one or more of the immunizing agents should not be
- 13 administered, the examining physician, advanced practice
- 14 nurse, or physician assistant responsible for the performance
- of the health examination shall endorse that fact upon the
- 16 health examination form. Exempting a child from the health
- 17 examination does not exempt the child from participation in
- 18 the program of physical education training provided in
- 19 Sections 27-5 through 27-7 of this Code.
- 20 (9) For the purposes of this Section, "nursery schools"
- 21 means those nursery schools operated by elementary school
- 22 systems or secondary level school units or institutions of
- 23 higher learning.
