- 1 AN ACT in relation to municipalities.
- Be it enacted by the People of the State of Illinois, 2
- 3 represented in the General Assembly:
- 4 Section 5. The Official Bond Payment Act is amended by
- changing Section 1 as follows: 5
- 6 (5 ILCS 270/1) (from Ch. 103, par. 16)
- Sec. 1. The State or any county, township, municipality, 7
- 8 or public board or body, whether organized under general or
- special Act, shall pay out of its funds the cost of any 9
- official bond furnished by any officer of the State, county, 10
- township, municipality, or public board or body required by 11
- its laws, rules, or regulations to execute the bond if 12
- 13 officer furnishes the bond with a surety company or companies
- authorized to do business in this State under the laws of 14
- 15 this State and, if the surety on any official bond is not
- such a surety company or companies, the State, county, 16
- township, municipality, or public board or body shall pay out 17
- 18 of its funds the cost of any bond or bonds indemnifying the
- 19 surety against liability on the official bond. The total
- total obligation of the surety on the official bond, and the

amount of the indemnity, however, must correspond to the

indemnitor or indemnitors must be a company or companies

- authorized by the laws of this State to execute the 23
- indemnifying bond or bonds. A county that has elected to 24
- self-insure under Section 9-103 of the Local Governmental and 25
- 26 Governmental Employees Tort Immunity Act may also elect to
- 27 self-insure with respect to official bonds and shall, thus,
- satisfy the requirements of this Section. A township located 28
- 29 in a county with the township form of government and a road
- district comprised of that township may jointly obtain, from 30
- a risk management pool of townships, any official bonds 31

- 1 required by law to be furnished by officers of the township
- or road district. A road district located in a county without
- 3 the township form of government may obtain, from a risk
- 4 management pool of townships and road districts, any official
- 5 bonds required by law to be furnished by officers of the road
- 6 district. A municipality may obtain, from a risk management
- 7 pool of municipalities, any official bonds required by law to
- 8 <u>be furnished by officers of the municipality.</u>
