AN ACT in relation to zoning.

2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

Section 5. The Illinois Municipal Code is amended by
changing Section 11-13-1 as follows:

6 (65 ILCS 5/11-13-1) (from Ch. 24, par. 11-13-1)

7 Sec. 11-13-1. To the end that adequate light, pure air, and 8 safety from fire and other dangers may be secured, that the taxable value of land and buildings throughout the municipality 9 may be conserved, that congestion in the public streets may be 10 lessened or avoided, that the hazards to persons and damage to 11 property resulting from the accumulation or runoff of storm or 12 flood waters may be lessened or avoided, and that the public 13 14 health, safety, comfort, morals, and welfare may otherwise be 15 promoted, and to insure and facilitate the preservation of sites, areas, and structures of historical, architectural and 16 17 aesthetic importance; the corporate authorities in each 18 municipality have the following powers:

19 (1) To regulate and limit the height and bulk of buildings hereafter to be erected; (2) to establish, 20 regulate and limit, subject to the provisions of Division 21 14 of this Article 11, the building or set-back lines on or 22 23 along any street, traffic-way, drive, parkway or storm or floodwater runoff channel or basin; (3) to regulate and 24 25 limit the intensity of the use of lot areas, and to 26 regulate and determine the area of open spaces, within and surrounding such buildings; (4) to classify, regulate and 27 restrict the location of trades and industries and the 28 29 location of buildings designed for specified industrial, 30 business, residential, and other uses; (5) to divide the entire municipality into districts of such number, shape, 31 area, and of such different classes (according to use of 32

land and buildings, height and bulk of buildings, intensity 1 2 of the use of lot area, area of open spaces, or other 3 classification) as may be deemed best suited to carry out the purposes of this Division 13; (6) to fix standards to 4 5 which buildings or structures therein shall conform; (7) to 6 prohibit uses, buildings, or structures incompatible with the character of such districts; (8) to prevent additions 7 to and alteration or remodeling of existing buildings or 8 9 structures in such a way as to avoid the restrictions and 10 limitations lawfully imposed under this Division 13; (9) to 11 classify, to regulate and restrict the use of property on 12 basis of family relationship, which the family relationship may be defined as one or more persons each 13 related to the other by blood, marriage or adoption and 14 maintaining a common household; and (10) to regulate or 15 16 forbid any structure or activity which may hinder access to 17 solar energy necessary for the proper functioning of a solar energy system, as defined in Section 1.2 of The 18 19 Comprehensive Solar Energy Act of 1977.

20 The powers enumerated may be exercised within the corporate limits or within contiguous territory not more than one and 21 one-half miles beyond the corporate limits and not included 22 23 within any municipality. However, if any municipality adopts a plan pursuant to Division 12 of Article 11 which plan includes 24 in its provisions a provision that the plan applies to such 25 26 contiguous territory not more than one and one-half miles 27 beyond the corporate limits and not included in anv 28 municipality, then no other municipality shall adopt a plan 29 that shall apply to any territory included within the territory 30 provided in the plan first so adopted by another municipality. 31 No municipality shall exercise any power set forth in this 32 Division 13 outside the corporate limits thereof, if the county in which such municipality is situated has adopted "An Act in 33 relation to county zoning", approved June 12, 1935, as amended. 34 35 Nothing in this Section prevents a municipality of more than 112,000 population located in a county of less than 185,000 36

1 population that has adopted a zoning ordinance and the county 2 that adopted the zoning ordinance from entering into an 3 intergovernmental agreement that allows the municipality to 4 exercise its zoning powers beyond its territorial limits; 5 provided, however, that the intergovernmental agreement must 6 be limited to the territory within the municipality's planning jurisdiction as defined by law or any existing boundary 7 8 agreement. The county and the municipality must amend their 9 individual zoning maps in the same manner as other zoning changes are incorporated into revised zoning maps. No such 10 11 intergovernmental agreement may authorize a municipality to 12 exercise its zoning powers, other than powers that a county may 13 exercise under Section 5-12001 of the Counties Code, with respect to land used for agricultural purposes. This amendatory 14 15 Act of the 92nd General Assembly is declarative of existing 16 law. No municipality may exercise any power set forth in this 17 Division 13 outside the corporate limits of the municipality with respect to a facility of a telecommunications carrier 18 19 defined in Section 5-12001.1 of the Counties Code.

Notwithstanding any other provision of law to the contrary, 20 at least 30 days prior to commencing construction of a new 21 telecommunications facility within 1.5 miles of a 22 23 municipality, the telecommunications carrier constructing the facility shall provide written notice of its intent to 24 construct the facility. The notice shall include, but not be 25 26 limited to, the following information: (i) the name, address, 27 and telephone number of the company responsible for the construction of the facility and (ii) the address and telephone 28 number of the governmental entity that issued the building 29 30 permit for the telecommunications facility. The notice shall be 31 provided in person, by overnight private courier, or by certified mail to all owners of property within 250 feet of the 32 parcel in which the telecommunications carrier has a leasehold 33 or ownership interest. For the purposes of this notice 34 35 requirement, "owners" means those persons or entities identified from the authentic tax records of the county in 36

1 which the telecommunications facility is to be located. If, 2 after a bona fide effort by the telecommunications carrier to determine the owner and his or her address, the owner of the 3 property on whom the notice must be served cannot be found at 4 5 the owner's last known address, or if the mailed notice is returned because the owner cannot be found at the last known 6 address, the notice requirement of this paragraph is deemed 7 satisfied. For the purposes of this paragraph, "facility" means 8 that term as it is defined in Section 5-12001.1 of the Counties 9 Code. 10

If a municipality adopts a zoning plan covering an area 11 12 outside its corporate limits, the plan adopted shall be 13 reasonable with respect to the area outside the corporate limits so that future development will not be hindered or 14 15 impaired; it is reasonable for a municipality to regulate or 16 prohibit the extraction of sand, gravel, or limestone even when 17 those activities are related to an agricultural purpose. If all or any part of the area outside the corporate limits of a 18 19 municipality which has been zoned in accordance with the 20 provisions of this Division 13 is annexed to another municipality or municipalities, the annexing unit shall 21 22 thereafter exercise all zoning powers and regulations over the 23 annexed area.

In all ordinances passed under the authority of this 24 25 Division 13, due allowance shall be made for existing 26 conditions, the conservation of property values, the direction 27 of building development to the best advantage of the entire 28 municipality and the uses to which the property is devoted at 29 the time of the enactment of such an ordinance. The powers 30 conferred by this Division 13 shall not be exercised so as to 31 deprive the owner of any existing property of its use or 32 maintenance for the purpose to which it is then lawfully devoted, but provisions may be made for the gradual elimination 33 of uses, buildings and structures which are incompatible with 34 35 the character of the districts in which they are made or located, including, without being limited thereto, provisions 36

SB1576 Engrossed - 5 - LRB093 04299 MKM 04345 b

1 (a) for the elimination of such uses of unimproved lands or lot 2 areas when the existing rights of the persons in possession 3 thereof are terminated or when the uses to which they are devoted are discontinued; (b) for the elimination of uses to 4 which such buildings and structures are devoted, if they are 5 adaptable for permitted uses; and (c) for the elimination of 6 7 such buildings and structures when they are destroyed or 8 damaged in major part, or when they have reached the age fixed by the corporate authorities of the municipality as the normal 9 10 useful life of such buildings or structures.

11 This amendatory Act of 1971 does not apply to any 12 municipality which is a home rule unit.
