AN ACT in relation to public utilities.

Be it enacted by the People of the State of Illinois,represented in the General Assembly:

Section 5. The Public Utilities Act is amended by
changing Section 13-712 as follows:

6 (220 ILCS 5/13-712)

(Section scheduled to be repealed on July 1, 2005)

8 Sec. 13-712. Basic local exchange service quality;9 customer credits.

10 (a) It is the intent of the General Assembly that every
11 telecommunications carrier meet minimum service quality
12 standards in providing basic local exchange service on a
13 non-discriminatory basis to all classes of customers.

14 (b) Definitions:

(1) "Alternative telephone service" means, except where technically impracticable, a wireless telephone capable of making local calls, and may also include, but is not limited to, call forwarding, voice mail, or paging services.

(2) "Basic local exchange service" means
 residential and business lines used for local exchange
 telecommunications service as defined in Section 13-204
 of this Act, excluding:

24 (A) services that employ advanced 25 telecommunications capability as defined in Section 26 706(c)(1) of the federal Telecommunications Act of 27 1996;

28 (B) vertical services;
29 (C) company official lines; and
30 (D) records work only.

31 (3) "Link Up" refers to the Link Up Assistance

1 2 program defined and established at 47 C.F.R. Section 54.411 et seq. as amended.

(c) The Commission shall promulgate service quality 3 4 rules for basic local exchange service, which may include 5 fines, penalties, customer credits, and other enforcement 6 mechanisms. In developing such service quality rules, the 7 Commission shall consider, at a minimum, the carrier's gross 8 annual intrastate revenue; the frequency, duration, and 9 recurrence of the violation; and the relative harm caused to the affected customer or other users of the network. 10 In 11 imposing fines, the Commission shall take into account compensation or credits paid by the telecommunications 12 carrier to its customers pursuant to this Section 13 in compensation for the violation found pursuant 14 to this These rules shall become effective within one 15 Section. vear 16 after the effective date of this amendatory Act of the 92nd General Assembly. 17

18 (d) The rules shall, at a minimum, require each19 telecommunications carrier to do all of the following:

Install basic local exchange service within 5 20 (1) 21 business days after receipt of an order from the customer 22 unless the customer requests an installation date that is 23 beyond 5 business days after placing the order for basic service and to inform the customer of its duty to install 24 25 service within this timeframe. If installation of service is requested on or by a date more than 5 business 26 days in the future, the telecommunications carrier shall 27 install date 28 service by the requested. Α 29 telecommunications carrier offering basic local exchange 30 service utilizing the network or network elements of another carrier shall install new lines for basic local 31 exchange service within 3 business 32 days after provisioning of the line or lines by the carrier whose 33 34 network or network elements are being utilized is

complete. This subdivision (d)(1) does not apply to the
 migration of a customer between telecommunications
 carriers, so long as the customer maintains dial tone.

4 (2) Restore basic local exchange service for a 5 customer within 24 hours of receiving notice that a 6 customer is out of service. This provision applies to 7 service disruptions that occur when a customer switches 8 existing basic local exchange service from one carrier to 9 another.

10 (3) Keep all repair and installation appointments
 11 for basic local exchange service, when a customer
 12 premises visit requires a customer to be present.

13 (4) Inform a customer when a repair or installation14 appointment requires the customer to be present.

The rules shall include provisions for customers to 15 (e) 16 be credited by the telecommunications carrier for violations local exchange service quality standards 17 of basic as described in subsection (d). The credits shall be applied on 18 19 the statement issued to the customer for the next monthly billing cycle following the violation or following the 20 21 discovery of the violation. The performance levels 22 established in subsection (c) are solely for the purposes of 23 consumer credits and shall not be used as performance levels for the purposes of assessing penalties under Section 13-305. 24 25 At a minimum, the rules shall include the following:

(1) If a carrier fails to repair an out-of-service 26 condition for basic local exchange service within 27 2.4 the carrier shall provide a credit to the 28 hours, customer. If the service disruption is for 48 29 hours or 30 less, the credit must be equal to a pro-rata portion of the monthly recurring charges for all local services 31 32 disrupted. If the service disruption is for more than 48 hours, but not more than 72 hours, the credit must be 33 equal to at least 33% of one month's recurring charges 34

1 for all local services disrupted. If the service 2 disruption is for more than 72 hours, but not more than 96 hours, the credit must be equal to at least 67% of one 3 4 month's recurring charges for all local services disrupted. If the service disruption is for more than 96 5 hours, but not more than 120 hours, the credit must be 6 7 equal to one month's recurring charges for all local 8 services disrupted. For each day or portion thereof that 9 service disruption continues beyond the initial the 120-hour period, the carrier shall also provide either 10 11 alternative telephone service or an additional credit of 12 \$20 per day, at the customers option.

13 (2) If a carrier fails to install basic local exchange service as required under subdivision (d)(1), 14 the carrier shall waive 50% of any installation charges, 15 16 or in the absence of an installation charge or where installation is pursuant to the Link Up program, 17 the carrier shall provide a credit of \$25. If a carrier 18 fails to install service within 10 business days after 19 the service application is placed, or fails to install 20 21 service within 5 business days after the customer's 22 requested installation date, if the requested date was 23 more than 5 business days after the date of the order, the carrier shall waive 100% of the installation charge, 24 25 or in the absence of an installation charge or where installation is provided pursuant to the Link Up program, 26 carrier shall provide a credit of \$50. For each day 27 the that the failure to install service continues beyond the 28 29 initial 10 business days, or beyond 5 business days after 30 customer's requested installation date, if the the requested date was more than 5 business days after 31 the date of the order, the carrier shall also provide either 32 alternative telephone service or an additional credit of 33 34 \$20 per day, at the customer's option until service is 1 installed.

2 (3) If a carrier fails to keep a scheduled repair 3 or installation appointment when a customer premises 4 visit requires a customer to be present, the carrier 5 shall credit the customer \$50 per missed appointment. A 6 credit required by this subsection does not apply when 7 the carrier provides the customer with 24-hour notice of 8 its inability to keep the appointment.

9 (4) If the violation of a basic local exchange service quality standard is caused by a carrier other 10 than the carrier providing retail service to the 11 customer, the carrier providing retail service to the 12 customer shall credit the customer as provided in this 13 The carrier causing the violation shall 14 Section. reimburse the carrier providing retail service the amount 15 16 credited the customer. When applicable, an interconnection agreement shall govern compensation 17 between the carrier causing the violation, in whole or in 18 19 part, and the retail carrier providing the credit to the 20 customer.

(5) When alternative telephone service is
appropriate, the customer may select one of the
alternative telephone services offered by the carrier.
The alternative telephone service shall be provided at no
cost to the customer for the provision of local service.

26 (6) Credits required by this subsection do not27 apply if the violation of a service quality standard:

(i) occurs as a result of a negligent orwillful act on the part of the customer;

30 (ii) occurs as a result of a malfunction of
31 customer-owned telephone equipment or inside wiring;
32 (iii) occurs as a result of, or is extended
33 by, an emergency situation as defined in Commission
34 rules, provided that, for the purpose of this item

(iii), the term "emergency situation" does not include a work stoppage;

3 (iv) is extended by the carrier's inability to 4 gain access to the customer's premises due to the 5 customer missing an appointment, provided that the 6 violation is not further extended by the carrier;

1

2

7 (v) occurs as a result of a customer request 8 to change the scheduled appointment, provided that 9 the violation is not further extended by the 10 carrier;

11 (vi) occurs as a result of a carrier's right 12 to refuse service to a customer as provided in 13 Commission rules; or

(vii) occurs as a result of a 14 lack of 15 facilities where a customer requests service at a 16 geographically remote location, a customer requests service in a geographic area where the carrier is 17 not currently offering service, or there 18 are insufficient facilities to meet the customer's 19 request for service, subject to 20 a carrier's 21 obligation for reasonable facilities planning.

(7) The provisions of this subsection are
cumulative and shall not in any way diminish or replace
other civil or administrative remedies available to a
customer or a class of customers.

(f) The rules shall require each telecommunications 26 carrier to provide to the Commission, on a quarterly basis 27 and in a form suitable for posting on the Commission's 28 29 website, a public report that includes performance data for 30 basic local exchange service quality of service. The performance data shall be disaggregated for each geographic 31 32 area and each customer class of the State for which the telecommunications carrier internally monitored performance 33 data as of a date 120 days preceding the effective date of 34

-7- LRB093 11077 LRD 11789 b

this amendatory Act of the 92nd General Assembly. The report shall include, at a minimum, performance data on basic local exchange service installations, lines out of service for more than 24 hours, carrier response to customer calls, trouble reports, and missed repair and installation commitments.

6 (g) The Commission shall establish and implement carrier 7 to carrier wholesale service quality rules and establish 8 remedies to ensure enforcement of the rules.
