4 Section 5. The I-FLY Act is amended by changing Section 5
5 as follows:

6 (20 ILCS 3958/5)

7 Sec. 5. Findings. The General Assembly finds that, in order
8 to create, retain, and stabilize reliable air service to
9 commercial service airports outside of Cook County, improve
10 accessibility to business and industrial centers, augment
11 Illinois' ~~the State's~~ tourism industry, and encourage the
12 development of facilities and support initiatives for
13 community growth, cooperation between the State, airports, and
14 communities is essential. The General Assembly further finds
15 that a State grant program is the best method to achieve these
16 ends.
