2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Water Well Construction Code is
5 amended by changing Section 6 as follows:

6 (415 ILCS 30/6) (from Ch. 111 1/2, par. 116.116)

7 Sec. 6. Rules and regulations. The Department shall adopt
8 and amend rules and regulations reasonably necessary to
9 effectuate the policy declared by this Act. Such rules and
10 regulations shall provide criteria for the proper location and
11 construction of any water well, closed loop well or monitoring
12 well and shall, no later than January 1, 1988, provide for the
13 issuance of permits for the construction and operation of water
14 wells other than community public water systems, closed loop
15 wells and monitoring wells. The Department shall by regulation
16 require a one time fee, not to exceed \$200 ~~\$100~~, for permits
17 for construction issued under the authority of this Act. In
18 counties with a population of more than 250,000, with the
19 approval of the county board, the fee may exceed \$200 but may
20 not exceed \$300.
