1 AN ACT concerning civil law.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Cemetery Protection Act is amended by changing Section 16 as follows:

(765 ILCS 835/16)

Sec. 16. When a multiple interment right owner becomes deceased, the ownership of any unused rights of interment shall pass in accordance with the specific bequest in the decedent's will. If there is no will or specific bequest then the ownership and use of the unused rights of interment shall be determined by a cemetery authority in accordance with the information set out on a standard affidavit for cemetery interment rights use form if such a form has been prepared. The unused right of interment shall be used for the interment of the first deceased heir listed on the standard affidavit and continue in sequence until all listed heirs are deceased. In the event that an interment right is not used, the interment right shall pass to the heirs of the heirs of the deceased interment right owner in perpetuity. Except as otherwise provided in this Section, this This shall not preclude the ability of the heirs to sell said interment rights, in the event that all listed living heirs are in agreement, and it shall not preclude the ability of a 2/3 majority of the living heirs to sell a specific interment right to the spouse of a living or deceased heir. If the standard affidavit for cemetery interment rights use, showing heirship of decedent interment right owner's living heirs is provided to and followed by a cemetery authority, the cemetery authority shall be released of any liability in relying on that affidavit.

The following is the form of the standard affidavit:
