1 AMENDMENT TO HOUSE BILL 4014

2 AMENDMENT NO. \_\_\_\_\_. Amend House Bill 4014 by replacing  
3 everything after the enacting clause with the following:

4 "Section 5. The Emergency Medical Services (EMS) Systems  
5 Act is amended by changing Section 3.10 as follows:

6 (210 ILCS 50/3.10)

7 Sec. 3.10. Scope of Services.

8 (a) "Advanced Life Support (ALS) Services" means an  
9 advanced level of pre-hospital and inter-hospital emergency  
10 care and non-emergency medical services ~~care~~ that includes  
11 basic life support care, cardiac monitoring, cardiac  
12 defibrillation, electrocardiography, intravenous therapy,  
13 administration of medications, drugs and solutions, use of  
14 adjunctive medical devices, trauma care, and other authorized  
15 techniques and procedures, as outlined in the Advanced Life  
16 Support national curriculum of the United States Department of  
17 Transportation and any modifications to that curriculum  
18 specified in rules adopted by the Department pursuant to this  
19 Act.

20 That care shall be initiated as authorized by the EMS  
21 Medical Director in a Department approved advanced life support  
22 EMS System, under the written or verbal direction of a  
23 physician licensed to practice medicine in all of its branches  
24 or under the verbal direction of an Emergency Communications

1 Registered Nurse.

2 (b) "Intermediate Life Support (ILS) Services" means an  
3 intermediate level of pre-hospital and inter-hospital  
4 emergency care and non-emergency medical services ~~care~~ that  
5 includes basic life support care plus intravenous cannulation  
6 and fluid therapy, invasive airway management, trauma care, and  
7 other authorized techniques and procedures, as outlined in the  
8 Intermediate Life Support national curriculum of the United  
9 States Department of Transportation and any modifications to  
10 that curriculum specified in rules adopted by the Department  
11 pursuant to this Act.

12 That care shall be initiated as authorized by the EMS  
13 Medical Director in a Department approved intermediate or  
14 advanced life support EMS System, under the written or verbal  
15 direction of a physician licensed to practice medicine in all  
16 of its branches or under the verbal direction of an Emergency  
17 Communications Registered Nurse.

18 (c) "Basic Life Support (BLS) Services" means a basic level  
19 of pre-hospital and inter-hospital emergency care and  
20 non-emergency medical services ~~care~~ that includes airway  
21 management, cardiopulmonary resuscitation (CPR), control of  
22 shock and bleeding and splinting of fractures, as outlined in  
23 the Basic Life Support national curriculum of the United States  
24 Department of Transportation and any modifications to that  
25 curriculum specified in rules adopted by the Department  
26 pursuant to this Act.

27 That care shall be initiated, where authorized by the EMS  
28 Medical Director in a Department approved EMS System, under the  
29 written or verbal direction of a physician licensed to practice  
30 medicine in all of its branches or under the verbal direction  
31 of an Emergency Communications Registered Nurse.

32 (d) "First Response Services" means a preliminary level of  
33 pre-hospital emergency care that includes cardiopulmonary  
34 resuscitation (CPR), monitoring vital signs and control of

1 bleeding, as outlined in the First Responder curriculum of the  
2 United States Department of Transportation and any  
3 modifications to that curriculum specified in rules adopted by  
4 the Department pursuant to this Act.

5 (e) "Pre-hospital care" means those emergency medical  
6 services rendered to emergency patients for analytic,  
7 resuscitative, stabilizing, or preventive purposes, precedent  
8 to and during transportation of such patients to hospitals.

9 (f) "Inter-hospital care" means those emergency medical  
10 services rendered to emergency patients for analytic,  
11 resuscitative, stabilizing, or preventive purposes, during  
12 transportation of such patients from one hospital to another  
13 hospital.

14 (g) "Non-emergency medical services ~~care~~" means medical  
15 care or monitoring ~~services~~ rendered to patients whose  
16 conditions do not meet this Act's definition of emergency,  
17 before or during transportation of such patients to or from  
18 health care facilities visited for the purpose of obtaining  
19 medical or health care services which are not emergency in  
20 nature, using a vehicle regulated by this Act.

21 (h) The provisions of this Act shall not apply to the use  
22 of an ambulance or SEMSV ~~for a non-medical transport (e.g. to~~  
23 ~~an individual's residence),~~ unless and until emergency or  
24 non-emergency medical services are needed during the use of the  
25 ambulance or SEMSV ~~such transport.~~
