1 AN ACT concerning State government.

## Be it enacted by the People of the State of Illinois, represented in the General Assembly:

- Section 5. The Children and Family Services Act is amended by changing Section 7 as follows:
- 6 (20 ILCS 505/7) (from Ch. 23, par. 5007)
- 7 Sec. 7. Placement of children; considerations.
  - (a) In placing any child under this Act, the Department shall place such child, as far as possible, in the care and custody of some individual holding the same religious belief as the parents of the child, or with some child care facility which is operated by persons of like religious faith as the parents of such child.
    - (b) In placing a child under this Act, the Department may place a child with a relative if the Department determines has reason to believe that the relative will be able to adequately provide for the child's safety and welfare based on the factors set forth in the Department's Rules governing relative placements, and that the placement is consistent with the child's best interests, taking into consideration the factors set out in subsection (4.05) of Section 1-3 of the Juvenile Court Act of 1987.
    - When the Department first assumes custody of a child, in placing that child under this Act, the Department shall make reasonable efforts to identify and locate a relative who is ready, willing, and able to care for the child. At a minimum, these efforts shall be renewed each time the child requires a placement change and it is appropriate for the child to be cared for in a home environment. The Department must document its efforts to identify and locate such a relative placement and maintain the documentation in the child's case file.
- 32 If the Department determines that a placement with any

1 identified relative is not in the child's best interests or 2 that the relative does not meet the requirements to be a relative caregiver, as set forth in Department Rules or by 3 statute, the Department must document the basis for that 4 5 decision and maintain the documentation in the child's case 6 file. 7 If, pursuant to the Department's Rules, any person files an administrative appeal of the Department's decision not to place 8 a child with a relative, it is the Department's burden to prove 9 that the decision is consistent with the child's best 10 11 interests. 12 When the Department determines that the child requires 13 placement in an environment, other than a home environment, the Department shall continue to make reasonable efforts to 14 identify and locate relatives to serve as visitation resources 15 16 for the child and potential future placement resources, except 17 when the Department determines that those efforts would be futile or inconsistent with the child's best interests. 18 If the Department determines that efforts to identify and 19 20 locate relatives would be futile or inconsistent with the child's best interests, the Department shall document the basis 21 of its determination and maintain the documentation in the 22 child's case file. 23 If the Department determines that an individual or a group 24 25 of relatives are inappropriate to serve as visitation resources 26

or possible placement resources, the Department shall document the basis of its determination and maintain the documentation in the child's case file.

When the Department determines that an individual or a group of relatives are appropriate to serve as visitation resources or possible future placement resources, the Department shall document the basis of its determination, maintain the documentation in the child's case file, create a visitation or transition plan, or both, and incorporate the visitation or transition plan, or both, into the child's case plan. For the purpose of this subsection, any determination as

- in subsection (4.05) of Section 1-3 of the Juvenile Court Act

  of 1987. A relative with whom a child is placed pursuant to

  this subsection may, but is not required to, apply for

  licensure as a foster family home pursuant to the Child Care

  Act of 1969; provided, however, that as of July 1, 1995, foster

  care payments shall be made only to licensed foster family

  homes pursuant to the terms of Section 5 of this Act.
  - ensure that the child's health, safety, and best interests are met in making a family foster care placement. In rejecting placement of a child with an identified relative, the Department shall ensure that the child's health, safety, and best interests are met. In evaluating the best interests of the child, the Department shall take into consideration the factors set forth in subsection (4.05) of Section 1-3 of the Juvenile Court Act of 1987.

The Department shall consider the individual needs of the child and the capacity of the prospective foster or adoptive parents to meet the needs of the child. When a child must be placed outside his or her home and cannot be immediately returned to his or her parents or guardian, a comprehensive, individualized assessment shall be performed of that child at which time the needs of the child shall be determined. Only if race, color, or national origin is identified as a legitimate factor in advancing the child's best interests shall it be considered. Race, color, or national origin shall not be routinely considered in making a placement decision. The Department shall make special efforts for the diligent recruitment of potential foster and adoptive families that reflect the ethnic and racial diversity of the children for whom foster and adoptive homes are needed. "Special efforts" shall include contacting and working with community organizations and religious organizations and may include contracting with those organizations, utilizing local media and other local resources, and conducting outreach activities.

(c-1) At the time of placement, the Department shall

- 1 consider concurrent planning, as described in subsection (1-1)
- of Section 5, so that permanency may occur at the earliest
- 3 opportunity. Consideration should be given so that if
- 4 reunification fails or is delayed, the placement made is the
- 5 best available placement to provide permanency for the child.
- 6 (d) The Department may accept gifts, grants, offers of
- 7 services, and other contributions to use in making special
- 8 recruitment efforts.
- 9 (e) The Department in placing children in adoptive or
- 10 foster care homes may not, in any policy or practice relating
- 11 to the placement of children for adoption or foster care,
- 12 discriminate against any child or prospective adoptive or
- 13 foster parent on the basis of race.
