1 AMENDMENT TO SENATE BILL 118

2 AMENDMENT NO. _____. Amend Senate Bill 118 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The State Finance Act is amended by changing
5 Section 14 as follows:

6 (30 ILCS 105/14) (from Ch. 127, par. 150)

7 Sec. 14. The item "personal services", when used in an
8 appropriation Act, means the reward or recompense made for
9 personal services rendered for the State by an officer or
10 employee of the State or of an instrumentality thereof, or for
11 the purpose of Section 14a of this Act, or any amount required
12 or authorized to be deducted from the salary of any such person
13 under the provisions of Section 30c of this Act, or any
14 retirement or tax law, or both, or deductions from the salary
15 of any such person under the Social Security Enabling Act or
16 deductions from the salary of such person pursuant to the
17 Voluntary Payroll Deductions Act of 1983.

18 If no home is furnished to a person who is a full-time
19 chaplain employed by the State or a former full-time chaplain
20 retired from State employment, 20% of the salary or pension
21 paid to that person for his personal services to the State as
22 chaplain are considered to be a rental allowance paid to him to
23 rent or otherwise provide a home. This amendatory Act of 1973
24 applies to State salary amounts received after December 31,

1 1973.

2 When any appropriation payable from trust funds or federal
3 funds includes an item for personal services but does not
4 include a separate item for State contribution for employee
5 group insurance, the State contribution for employee group
6 insurance in relation to employees paid under that personal
7 services line item shall also be payable under that personal
8 services line item.

9 When any appropriation payable from trust funds or federal
10 funds includes an item for personal services but does not
11 include a separate item for employee retirement contributions
12 paid by the employer, the State contribution for employee
13 retirement contributions paid by the employer in relation to
14 employees paid under that personal services line item shall
15 also be payable under that personal services line item.

16 The item "personal services", when used in an appropriation
17 Act, shall also mean and include a payment to a State
18 retirement system by a State agency to discharge a debt arising
19 from the over-refund to an employee of retirement
20 contributions. The payment to a State retirement system
21 authorized by this paragraph shall not be construed to release
22 the employee from his or her obligation to return to the State
23 the amount of the over-refund.

24 The item "personal services", when used in an appropriation
25 Act, also includes a payment to reimburse the Department of
26 Central Management Services for temporary total disability
27 benefit payments in accordance with subdivision (9) of Section
28 405-105 of the Department of Central Management Services Law
29 (20 ILCS 405/405-105).

30 Beginning July 1, 1993, the item "personal services" and
31 related line items, when used in an appropriation Act or this
32 Act, shall also mean and include back wage claims of State
33 officers and employees to the extent those claims have not been
34 satisfied from the back wage appropriation to the Department of

1 Central Management Services in the preceding fiscal year, as
2 provided in Section 14b of this Act and subdivision (13) of
3 Section 405-105 of the Department of Central Management
4 Services Law (20 ILCS 405/405-105).

5 The item "personal services", when used with respect to
6 State police officers in an appropriation Act, also includes a
7 payment for the burial expenses of a State police officer
8 killed in the line of duty, made in accordance with Section
9 12.2 of the State Police Act and any rules adopted under that
10 Section.

11 For State fiscal year 2005, the item "personal services",
12 when used in an appropriation Act, also includes payments for
13 employee retirement contributions paid by the employer.

14 For State fiscal year 2007 and thereafter, the item
15 "personal services", and any related or similar item, when used
16 in an appropriation Act with respect to persons who begin State
17 employment on or after July 1, 2006, includes only personal
18 services rendered by a resident of Illinois. This requirement
19 may be waived, in writing, by the head of the employing agency
20 only if out-of-state residence is required to perform the
21 personal services or in the case of extreme undue hardship. The
22 Comptroller must adopt rules to implement and administer this
23 residency requirement. This residency requirement shall be
24 liberally construed to ensure that on and after July 1, 2006
25 only persons who are Illinois residents become employees for
26 compensation by the State unless a waiver has been granted.
