1 AMENDMENT TO SENATE BILL 118

2 AMENDMENT NO. _____. Amend Senate Bill 118, AS AMENDED, by
3 replacing everything after the enacting clause with the
4 following:

5 "Section 5. The State Finance Act is amended by changing
6 Section 14 as follows:

7 (30 ILCS 105/14) (from Ch. 127, par. 150)

8 Sec. 14. The item "personal services", when used in an
9 appropriation Act, means the reward or recompense made for
10 personal services rendered for the State by an officer or
11 employee of the State or of an instrumentality thereof, or for
12 the purpose of Section 14a of this Act, or any amount required
13 or authorized to be deducted from the salary of any such person
14 under the provisions of Section 30c of this Act, or any
15 retirement or tax law, or both, or deductions from the salary
16 of any such person under the Social Security Enabling Act or
17 deductions from the salary of such person pursuant to the
18 Voluntary Payroll Deductions Act of 1983.

19 If no home is furnished to a person who is a full-time
20 chaplain employed by the State or a former full-time chaplain
21 retired from State employment, 20% of the salary or pension
22 paid to that person for his personal services to the State as
23 chaplain are considered to be a rental allowance paid to him to
24 rent or otherwise provide a home. This amendatory Act of 1973

1 applies to State salary amounts received after December 31,
2 1973.

3 When any appropriation payable from trust funds or federal
4 funds includes an item for personal services but does not
5 include a separate item for State contribution for employee
6 group insurance, the State contribution for employee group
7 insurance in relation to employees paid under that personal
8 services line item shall also be payable under that personal
9 services line item.

10 When any appropriation payable from trust funds or federal
11 funds includes an item for personal services but does not
12 include a separate item for employee retirement contributions
13 paid by the employer, the State contribution for employee
14 retirement contributions paid by the employer in relation to
15 employees paid under that personal services line item shall
16 also be payable under that personal services line item.

17 The item "personal services", when used in an appropriation
18 Act, shall also mean and include a payment to a State
19 retirement system by a State agency to discharge a debt arising
20 from the over-refund to an employee of retirement
21 contributions. The payment to a State retirement system
22 authorized by this paragraph shall not be construed to release
23 the employee from his or her obligation to return to the State
24 the amount of the over-refund.

25 The item "personal services", when used in an appropriation
26 Act, also includes a payment to reimburse the Department of
27 Central Management Services for temporary total disability
28 benefit payments in accordance with subdivision (9) of Section
29 405-105 of the Department of Central Management Services Law
30 (20 ILCS 405/405-105).

31 Beginning July 1, 1993, the item "personal services" and
32 related line items, when used in an appropriation Act or this
33 Act, shall also mean and include back wage claims of State
34 officers and employees to the extent those claims have not been

1 satisfied from the back wage appropriation to the Department of
2 Central Management Services in the preceding fiscal year, as
3 provided in Section 14b of this Act and subdivision (13) of
4 Section 405-105 of the Department of Central Management
5 Services Law (20 ILCS 405/405-105).

6 The item "personal services", when used with respect to
7 State police officers in an appropriation Act, also includes a
8 payment for the burial expenses of a State police officer
9 killed in the line of duty, made in accordance with Section
10 12.2 of the State Police Act and any rules adopted under that
11 Section.

12 For State fiscal year 2005, the item "personal services",
13 when used in an appropriation Act, also includes payments for
14 employee retirement contributions paid by the employer.

15 For State fiscal year 2007 and thereafter, the item
16 "personal services", and any related or similar item, when used
17 in an appropriation Act with respect to persons who begin State
18 employment on or after July 1, 2006, includes only personal
19 services rendered by a resident of Illinois. This residency
20 requirement does not apply to back wage claims, retirement or
21 disability payments, or any payments for personal services to
22 persons who are no longer active employees. This requirement
23 may be waived, in writing, by the Director of Central
24 Management Services only if out-of-state residence is required
25 to perform the personal services or in the case of extreme
26 undue hardship. The Comptroller must adopt rules to implement
27 and administer this residency requirement. This residency
28 requirement shall be liberally construed to ensure that on and
29 after July 1, 2006 only persons who are Illinois residents may
30 thereafter become employees for compensation by the State
31 unless a waiver has been granted.
