2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 629 by replacing  
3 everything after the enacting clause with the following:

5 Program Act is amended by changing Sections 5, 10, 20, and 25  
6 and by adding Section 27 as follows:

7 (20 ILCS 689/5)

8 Sec. 5. Findings and State policy. The General Assembly  
9 recognizes that agriculture is a vital sector of the Illinois  
10 economy and that an important growth industry for the Illinois  
11 agricultural sector is renewable fuels production. Renewable  
12 fuels produced from Illinois agricultural products hold great  
13 potential for growing the State's economy, reducing our  
14 dependence on foreign oil supplies, and improving the  
15 environment by reducing harmful emissions from vehicles.  
16 Illinois is the nation's leading producer of ethanol, a clean,  
17 renewable fuel with significant environmental benefits. The  
18 General Assembly finds that reliable supplies of renewable  
19 fuels will be integral to the long term energy security of the  
20 United States. The General Assembly declares that it is the  
21 public policy of the State of Illinois to promote and encourage  
22 the production and use of renewable fuels as a means not only  
23 to improve air quality in the State and the nation, but also to

1 increase the size of ~~grow~~ the agricultural sector of the  
2 Illinois economy. To achieve these public policy objectives,  
3 the General Assembly hereby authorizes the creation and  
4 implementation of the Illinois Renewable Fuels Development  
5 Program within the Department.
