31 Sec. 405-300. Lease or purchase of facilities; training
32 programs.

33 (a) To lease or purchase office and storage space,
34 buildings, land, and other facilities for all State agencies,

1 authorities, boards, commissions, departments, institutions,
2 and bodies politic and all other administrative units or
3 outgrowths of the executive branch of State government except
4 the Constitutional officers, the State Board of Education and
5 the State colleges and universities and their governing bodies.
6 However, before leasing or purchasing any office or storage
7 space, buildings, land or other facilities in any municipality
8 the Department shall survey the existing State-owned and
9 State-leased property to make a determination of need.

10 The leases shall be for a term not to exceed 5 years,
11 except that the leases may contain a renewal clause subject to
12 acceptance by the State after that date or an option to
13 purchase. The purchases shall be made through contracts that
14 (i) may provide for the title to the property to transfer
15 immediately to the State or a trustee or nominee for the
16 benefit of the State, (ii) shall provide for the consideration
17 to be paid in installments to be made at stated intervals
18 during a certain term not to exceed 30 years from the date of
19 the contract, and (iii) may provide for the payment of interest
20 on the unpaid balance at a rate that does not exceed a rate
21 determined by adding 3 percentage points to the annual yield on
22 United States Treasury obligations of comparable maturity as
23 most recently published in the Wall Street Journal at the time
24 such contract is signed. The leases and purchase contracts
25 shall be and shall recite that they are subject to termination
26 and cancellation in any year for which the General Assembly
27 fails to make an appropriation to pay the rent or purchase
28 installments payable under the terms of the lease or purchase
29 contract. Additionally, the purchase contract shall specify
30 that title to the office and storage space, buildings, land,
31 and other facilities being acquired under the contract shall
32 revert to the Seller in the event of the failure of the General
33 Assembly to appropriate suitable funds. However, this
34 limitation on the term of the leases does not apply to leases
35 to and with the Illinois Building Authority, as provided for in
36 the Building Authority Act. Leases to and with that Authority

1 may be entered into for a term not to exceed 30 years and shall
2 be and shall recite that they are subject to termination and
3 cancellation in any year for which the General Assembly fails
4 to make an appropriation to pay the rent payable under the
5 terms of the lease. These limitations do not apply if the lease
6 or purchase contract contains a provision limiting the
7 liability for the payment of the rentals or installments
8 thereof solely to funds received from the Federal government.

9 (b) To lease from an airport authority office, aircraft
10 hangar, and service buildings constructed upon a public airport
11 under the Airport Authorities Act for the use and occupancy of
12 the State Department of Transportation. The lease may be

14 (c) To establish training programs for teaching State

24 (e) To enter into an agreement with a private individual,
25 trust, partnership, or corporation or a municipality or other

27 Department of Corrections, whereby that individual, trust,
28 partnership, or corporation or municipality or other unit of
29 local government will construct, remodel, or convert a
30 structure for the purposes of its serving as a correctional
31 institution or facility and then lease the structure to the
32 Department for the use of the Department of Corrections. A
33 lease entered into pursuant to the authority granted in this
34 subsection shall be for a term not to exceed 30 years but may
35 grant to the State the option to purchase the structure
36 outright.

1 The leases shall be and shall recite that they are subject
2 to termination and cancellation in any year for which the

4 payable under the terms of the lease.

5 (f) On and after September 17, 1983, the powers granted to
6 the Department under this Section shall be exercised
7 exclusively by the Department, and no other State agency may
8 concurrently exercise any such power unless specifically
9 authorized otherwise by a later enacted law. This subsection is
10 not intended to impair any contract existing as of September
11 17, 1983.

12 However, no lease for more than 10,000 square feet of space
13 shall be executed unless the Director, in consultation with the
14 Executive Director of the Capital Development Board, has
15 certified that leasing is in the best interest of the State,
16 considering programmatic requirements, availability of vacant
17 State-owned space, the cost-benefits of purchasing or
18 constructing new space, and other criteria as he or she shall
19 determine. The Director shall not permit multiple leases for
20 less than 10,000 square feet to be executed in order to evade
21 this provision.

22 (g) To develop and implement, in cooperation with the
23 Interagency Energy Conservation Committee, a system for
24 evaluating energy consumption in facilities leased by the
25 Department, and to develop energy consumption standards for use
26 in evaluating prospective lease sites.

27 (h) (1) After June 1, 1998 (the effective date of Public
28 Act 90-520), the Department shall not enter into an
29 agreement for the installment purchase or lease purchase of
30 buildings, land, or facilities unless:

31 (A) the using agency certifies to the Department
32 that the agency reasonably expects that the building,
33 land, or facilities being considered for purchase will
34 meet a permanent space need;

35 (B) the building or facilities will be
36 substantially occupied by State agencies after

1 purchase (or after acceptance in the case of a build to
2 suit);

3 (C) the building or facilities shall be in new or
4 like new condition and have a remaining economic life

15 (F) the building, land, or facilities satisfy
16 applicable handicap accessibility and applicable
17 building codes; and

18 (G) the State's cost to lease purchase or
19 installment purchase the building, land, or facilities
20 is less than the cost to lease space of comparable
21 quality, size, and location over the lease purchase or
22 installment purchase term.

23 (2) The Department shall establish the methodology for
24 comparing lease costs to the costs of installment or lease
25 purchases. The cost comparison shall take into account all
26 relevant cost factors, including, but not limited to, debt
27 service, operating and maintenance costs, insurance and
28 risk costs, real estate taxes, reserves for replacement and
29 repairs, security costs, and utilities. The methodology
30 shall also provide:

31 (A) that the comparison will be made using level
32 payment plans; and

33 (B) that a purchase price must not exceed the fair
34 market value of the buildings, land, or facilities and
35 that the purchase price must be substantiated by an
36 appraisal or by a competitive selection process.

1 (3) If the Department intends to enter into an
2 installment purchase or lease purchase agreement for
3 buildings, land, or facilities under circumstances that do
4 not satisfy the conditions specified by this Section, it
5 must issue a notice to the Secretary of the Senate and the
6 Clerk of the House. The notice shall contain (i) specific
7 details of the State's proposed purchase, including the
8 amounts, purposes, and financing terms; (ii) a specific
9 description of how the proposed purchase varies from the
10 procedures set forth in this Section; and (iii) a specific
11 justification, signed by the Director, stating why it is in
12 the State's best interests to proceed with the purchase.
13 The Department may not proceed with such an installment
14 purchase or lease purchase agreement if, within 60 calendar
15 days after delivery of the notice, the General Assembly, by
16 joint resolution, disapproves the transaction. Delivery
17 may take place on a day and at an hour when the Senate and
18 House are not in session so long as the offices of
19 Secretary and Clerk are open to receive the notice. In
20 determining the 60-day period within which the General
21 Assembly must act, the day on which delivery is made to the
22 Senate and House shall not be counted. If delivery of the
23 notice to the 2 houses occurs on different days, the 60-day
24 period shall begin on the day following the later delivery.

25 (4) On or before February 15 of each year, the
26 Department shall submit an annual report to the Director of
27 the Governor's Office of Management and Budget ~~Bureau of~~
28 ~~the Budget~~ and the General Assembly regarding installment
29 purchases or lease purchases of buildings, land, or
30 facilities that were entered into during the preceding
31 calendar year. The report shall include a summary statement
32 of the aggregate amount of the State's obligations under
33 those purchases; specific details pertaining to each
34 purchase, including the amounts, purposes, and financing
35 terms and payment schedule for each purchase; and any other
36 matter that the Department deems advisable.

1 The requirement for reporting to the General Assembly

8 the General Assembly Organization Act, and filing
9 additional copies with the State Government Report
10 Distribution Center for the General Assembly as is required
11 under paragraph (t) of Section 7 of the State Library Act.

1 Governor is vacant, all employees of the Office of the
2 Lieutenant Governor who are needed to carry out the

4 the Department of Central Management Services. This
5 reassignment shall not be deemed to constitute new employment
6 or to change the terms or conditions of employment or the
7 qualifications required of the employees, except that the
8 reassigned employees shall be subject to supervision by the
9 Department during the temporary reassignment period.

10 (g) Until January 11, 1999, while the office of Lieutenant
11 Governor is vacant, the Department of Central Management
12 Services shall temporarily assume and exercise the powers and
13 duties of the Office of the Lieutenant Governor under contracts
14 to which the Office of the Lieutenant Governor is a party. The
15 assumption of rights and duties under this subsection shall not
16 be deemed to change the terms or conditions of the contract.

17 The Department of Central Management Services may amend,
18 extend, or terminate any such contract in accordance with its
19 terms; may agree to terminate a contract at the request of the
20 other party; and may, with the approval of the Governor, enter
21 into new contracts on behalf of the Office of the Lieutenant
22 Governor.

23 (h) The Governor may designate a State employee or director
24 other than the Director of Central Management Services or a
25 State agency other than the Department of Central Management
26 Services to assume and exercise any particular power or duty
27 that would otherwise be assumed and exercised by the Director

29 Management Services under subsection (b), (c), or (d) of this
30 Section.

31 Except as provided below, if the Governor designates a

19 Section 75. The Personnel Code is amended by changing
20 Section 8a as follows:

21 (20 ILCS 415/8a) (from Ch. 127, par. 63b108a)

22 Sec. 8a. Jurisdiction A - Classification and pay. For
23 positions in the State service subject to the jurisdiction of
24 the Department of Central Management Services with respect to
25 the classification and pay:

26 (1) For the preparation, maintenance, and revision by the
27 Director, subject to approval by the Commission, of a position
28 classification plan for all positions subject to this Act,
29 based upon similarity of duties performed, responsibilities
30 assigned, and conditions of employment so that the same
31 schedule of pay may be equitably applied to all positions in
32 the same class. However, the pay of an employee whose position
33 is reduced in rank or grade by reallocation because of a loss
34 of duties or responsibilities after his appointment to such

1 position shall not be required to be lowered for a period of
2 one year after the reallocation of his position. Conditions of
3 employment shall not be used as a factor in the classification
4 of any position heretofore paid under the provisions of Section
5 1.22 of "An Act to standardize position titles and salary
6 rates", approved June 30, 1943, as amended. Unless the
7 Commission disapproves such classification plan within 60
8 days, or any revision thereof within 30 days, the Director
9 shall allocate every such position to one of the classes in the
10 plan. Any employee affected by the allocation of a position to
11 a class shall, after filing with the Director of Central
12 Management Services a written request for reconsideration
13 thereof in such manner and form as the Director may prescribe,
14 be given a reasonable opportunity to be heard by the Director.
15 If the employee does not accept the allocation of the position,
16 he shall then have the right of appeal to the Civil Service
17 Commission.

18 (2) For a pay plan to be prepared by the Director for all
19 employees subject to this Act after consultation with operating
20 agency heads and the Director of the Governor's Office of
21 Management and Budget ~~Bureau of the Budget~~. Such pay plan may
22 include provisions for uniformity of starting pay, an increment
23 plan, area differentials, a delay not to exceed one year prior
24 to the reduction of the pay of employees whose positions are
25 reduced in rank or grade by reallocation because of a loss of
26 duties or responsibilities after their appointments to such
27 positions, prevailing rates of wages in those classifications
28 in which employers are now paying or may hereafter pay such
29 rates of wage and other provisions. Such pay plan shall become
30 effective only after it has been approved by the Governor.
31 Amendments to the pay plan shall be made in the same manner.
32 Such pay plan shall provide that each employee shall be paid at
33 one of the rates set forth in the pay plan for the class of
34 position in which he is employed, subject to delay in the
35 reduction of pay of employees whose positions are reduced in
36 rank or grade by allocation as above set forth in this Section.

1 Such pay plan shall provide for a fair and reasonable
2 compensation for services rendered.

3 This section is inapplicable to the position of Assistant
4 Director of Public Aid in the Department of Public Aid. The
5 salary for this position shall be as established in "The Civil
6 Administrative Code of Illinois", approved March 7, 1917, as
7 amended.

9 Section 80. The Children and Family Services Act is amended
10 by changing Section 34.10 as follows:

11 (20 ILCS 505/34.10) (from Ch. 23, par. 5034.10)

12 Sec. 34.10. Home child care demonstration project;
13 conversion and renovation grants; Department of Human
14 Services.

15 (a) The legislature finds that the demand for quality child
16 care far outweighs the number of safe, quality spaces for our
17 children. The purpose of this Section is to increase the number
18 of child care providers by:

19 (1) developing a demonstration project to train
20 individuals to become home child care providers who are
21 able to establish and operate their own child care
22 facility; and

23 (2) providing grants to convert and renovate existing
24 facilities.

25 (b) The Department of Human Services may from
26 appropriations from the Child Care Development Block Grant
27 establish a demonstration project to train individuals to
28 become home child care providers who are able to establish and
29 operate their own home-based child care facilities. The
30 Department of Human Services is authorized to use funds for
31 this purpose from the child care and development funds
32 deposited into the Special Purposes Trust Fund as described in
33 Section 12-10 of the Illinois Public Aid Code and, until
34 October 1, 1998, the Child Care and Development Fund created by

1 the 87th General Assembly. As an economic development program,
2 the project's focus is to foster individual self-sufficiency
3 through an entrepreneurial approach by the creation of new jobs
4 and opening of new small home-based child care businesses. The
5 demonstration project shall involve coordination among State
6 and county governments and the private sector, including but
7 not limited to: the community college system, the Departments
8 of Labor and Commerce and Economic Opportunity ~~Community~~
9 ~~Affairs~~, the State Board of Education, large and small private
10 businesses, nonprofit programs, unions, and child care
11 providers in the State.

12 The Department shall submit:

13 (1) a progress report on the demonstration project to
14 the legislature by one year after the effective date of
15 this amendatory Act of 1991; and

16 (2) a final evaluation report on the demonstration
17 project, including findings and recommendations, to the
18 legislature by one year after the due date of the progress
19 report.

20 (c) The Department of Human Services may from
21 appropriations from the Child Care Development Block Grant
22 provide grants to family child care providers and center based
23 programs to convert and renovate existing facilities, to the
24 extent permitted by federal law, so additional family child
25 care homes and child care centers can be located in such
26 facilities.

27 (1) Applications for grants shall be made to the
28 Department and shall contain information as the Department
29 shall require by rule. Every applicant shall provide
30 assurance to the Department that:

31 (A) the facility to be renovated or improved shall
32 be used as family child care home or child care center
33 for a continuous period of at least 5 years;

34 (B) any family child care home or child care center
35 program located in a renovated or improved facility
36 shall be licensed by the Department;

1 (C) the program shall comply with applicable
2 federal and State laws prohibiting discrimination
3 against any person on the basis of race, color,
4 national origin, religion, creed, or sex;

5 (D) the grant shall not be used for purposes of
6 entertainment or perquisites;

7 (E) the applicant shall comply with any other
8 requirement the Department may prescribe to ensure
9 adherence to applicable federal, State, and county
10 laws;

11 (F) all renovations and improvements undertaken
12 with funds received under this Section shall comply
13 with all applicable State and county statutes and
14 ordinances including applicable building codes and
15 structural requirements of the Department; and

16 (G) the applicant shall indemnify and save
17 harmless the State and its officers, agents, and
18 employees from and against any and all claims arising
19 out of or resulting from the renovation and
20 improvements made with funds provided by this Section,
21 and, upon request of the Department, the applicant
22 shall procure sufficient insurance to provide that
23 indemnification.

24 (2) To receive a grant under this Section to convert an
25 existing facility into a family child care home or child
26 care center facility, the applicant shall:

27 (A) agree to make available to the Department of
28 Human Services all records it may have relating to the
29 operation of any family child care home and child care
30 center facility, and to allow State agencies to monitor
31 its compliance with the purpose of this Section;

32 (B) agree that, if the facility is to be altered or
33 improved, or is to be used by other groups, moneys
34 appropriated by this Section shall be used for
35 renovating or improving the facility only to the
36 proportionate extent that the floor space will be used

1 by the child care program; and

2 (C) establish, to the satisfaction of the
3 Department that sufficient funds are available for the
4 effective use of the facility for the purpose for which
5 it is being renovated or improved.

6 (3) In selecting applicants for funding, the
7 Department shall make every effort to ensure that family
8 child care home or child care center facilities are
9 equitably distributed throughout the State according to
10 demographic need. The Department shall give priority
11 consideration to rural/Downstate areas of the State that
12 are currently experiencing a shortage of child care
13 services.

14 (4) In considering applications for grants to renovate
15 or improve an existing facility used for the operations of
16 a family child care home or child care center, the
17 Department shall give preference to applications to
18 renovate facilities most in need of repair to address
19 safety and habitability concerns. No grant shall be
20 disbursed unless an agreement is entered into between the
21 applicant and the State, by and through the Department. The
22 agreement shall include the assurances and conditions
23 required by this Section and any other terms which the
24 Department may require.

34 (20 ILCS 605/605-332)

1 Sec. 605-332. Financial assistance to energy generation
2 facilities.

3 (a) As used in this Section:

4 "New electric generating facility" means a
5 newly-constructed electric generation plant or a newly
6 constructed generation capacity expansion at an existing
7 facility, including the transmission lines and associated
8 equipment that transfers electricity from points of supply to
9 points of delivery, and for which foundation construction
10 commenced not sooner than July 1, 2001, which is designed to
11 provide baseload electric generation operating on a continuous
12 basis throughout the year; and which has an aggregate rated
13 generating capacity of at least 400 megawatts for all new units
14 at one site, uses coal or gases derived from coal as its
15 primary fuel source, and supports the creation of at least 150
16 new Illinois coal mining jobs.

17 "Eligible business" means an entity that proposes to
18 construct a new electric generating facility and that has
19 applied to the Department to receive financial assistance
20 pursuant to this Section. With respect to use and occupation
21 taxes, wherever there is a reference to taxes, that reference
22 means only those taxes paid on Illinois-mined coal used in a
23 new electric generating facility.

24 "Department" means the Illinois Department of Commerce and
25 Economic Opportunity ~~Community Affairs~~.

26 (b) The Department is authorized to provide financial
27 assistance to eligible businesses for new electric generating
28 facilities from funds appropriated by the General Assembly as
29 further provided in this Section.

30 An eligible business seeking qualification for financial
31 assistance for a new electric generating facility, for purposes
32 of this Section only, shall apply to the Department in the
33 manner specified by the Department. Any projections provided by
34 an eligible business as part of the application shall be
35 independently verified in a manner as set forth by the
36 Department. An application shall include, but not be limited

1 to:

2 (1) the projected or actual completion date of the new
3 electric generating facility for which financial
4 assistance is sought;

5 (2) copies of documentation deemed acceptable by the
6 Department establishing either (i) the total State
7 occupation and use taxes paid on Illinois-mined coal used
8 at the new electric generating facility for a minimum of 4
9 preceding calendar quarters or (ii) the projected amount of
10 State occupation and use taxes paid on Illinois-mined coal
11 used at the new electric generating facility in 4 calendar
12 year quarters after completion of the new electric
13 generating facility. Bond proceeds subject to this Section
14 shall not be allocated to an eligible business until the
15 eligible business has demonstrated the revenue stream
16 sufficient to service the debt on the bonds; and

17 (3) the actual or projected amount of capital
18 investment by the eligible business in the new electric
19 generating facility.

20 The Department shall determine the maximum amount of
21 financial assistance for eligible businesses in accordance
22 with this paragraph. The Department shall not provide financial
23 assistance from general obligation bond funds to any eligible
24 business unless it receives a written certification from the
25 Director of the Bureau of the Budget (now Governor's Office of
26 Management and Budget) that 80% of the State occupation and use
27 tax receipts for a minimum of the preceding 4 calendar quarters
28 for all eligible businesses or as included in projections on
29 approved applications by eligible businesses equal or exceed
30 110% of the maximum annual debt service required with respect
31 to general obligation bonds issued for that purpose. The
32 Department may provide financial assistance not to exceed the
33 amount of State general obligation debt calculated as above,
34 the amount of actual or projected capital investment in the
35 energy generation facility, or \$100,000,000, whichever is
36 less. Financial assistance received pursuant to this Section

1 may be used for capital facilities consisting of buildings,
2 structures, durable equipment, and land at the new electric
3 generating facility. Subject to the provisions of the agreement
4 covering the financial assistance, a portion of the financial
5 assistance may be required to be repaid to the State if certain
6 conditions for the governmental purpose of the assistance were
7 not met.

8 An eligible business shall file a monthly report with the
9 Illinois Department of Revenue stating the amount of
10 Illinois-mined coal purchased during the previous month for use
11 in the new electric generating facility, the purchase price of
12 that coal, the amount of State occupation and use taxes paid on
13 that purchase to the seller of the Illinois-mined coal, and
14 such other information as that Department may reasonably
15 require. In sales of Illinois-mined coal between related
16 parties, the purchase price of the coal must have been
17 determined in an arms-length transaction. The report shall be
18 filed with the Illinois Department of Revenue on or before the
19 20th day of each month on a form provided by that Department.
20 However, no report need be filed by an eligible business in a
21 month when it made no reportable purchases of coal in the
22 previous month. The Illinois Department of Revenue shall
23 provide a summary of such reports to the Governor's Office of
24 Management and Budget ~~Bureau of the Budget~~.

25 Upon granting financial assistance to an eligible
26 business, the Department shall certify the name of the eligible
27 business to the Illinois Department of Revenue. Beginning with
28 the receipt of the first report of State occupation and use
29 taxes paid by an eligible business and continuing for a 25-year
30 period, the Illinois Department of Revenue shall each month pay
31 into the Energy Infrastructure Fund 80% of the net revenue
32 realized from the 6.25% general rate on the selling price of
33 Illinois-mined coal that was sold to an eligible business.

4 Technology Innovation and Commercialization Grants-in-Aid

6 Department of Commerce and Economic Opportunity ~~Community~~

16 ~~Community Affairs~~ shall appoint one of the Department's
17 representatives to serve as chairman of the Council. The
18 Council members shall receive no compensation for their
19 services but shall be reimbursed for their expenses actually
20 incurred by them in the performance of their duties under this
21 Section. The Department shall provide staff services to the
22 Council. The Council shall provide for review and evaluation of
23 all applications received by the Department under Section
24 605-355 and make recommendations on those projects to be
25 funded. The Council shall also assist the Department in
26 monitoring the projects and in evaluating the impact of the
27 program on technological innovation and business development
28 within the State.

31 (20 ILCS 605/605-415)

32 Sec. 605-415. Job Training and Economic Development Grant
33 Program.

34 (a) Legislative findings. The General Assembly finds that:

35 (1) Despite the large number of unemployed job seekers,

1 many employers are having difficulty matching the skills
2 they require with the skills of workers; a similar problem
3 exists in industries where overall employment may not be
4 expanding but there is an acute need for skilled workers in
5 particular occupations.

6 (2) The State of Illinois should foster local economic
7 development by linking the job training of unemployed
8 disadvantaged citizens with the workforce needs of local
9 business and industry.

10 (3) Employers often need assistance in developing
11 training resources that will provide work opportunities
12 for disadvantaged populations.

13 (b) Definitions. As used in this Section:

14 "Community based provider" means a not-for-profit
15 organization, with local boards of directors, that directly
16 provides job training services.

17 "Disadvantaged persons" has the same meaning as in Titles
18 II-A and II-C of the federal Job Training Partnership Act.

19 "Training partners" means a community-based provider and
20 one or more employers who have established training and
21 placement linkages.

22 (c) From funds appropriated for that purpose, the
23 Department of Commerce and Economic Opportunity ~~Community~~
24 ~~Affairs~~ shall administer a Job Training and Economic
25 Development Grant Program. The Director shall make grants to

8 Section 455. The State Mandates Act is amended by changing
9 Section 8 as follows:

10 (30 ILCS 805/8) (from Ch. 85, par. 2208)

11 Sec. 8. Exclusions, reimbursement application, review,
12 appeals, and adjudication.

13 (a) Exclusions: Any of the following circumstances
14 inherent to, or associated with, a mandate shall exclude the
15 State from reimbursement liability under this Act. If the
16 mandate (1) accommodates a request from local governments or
17 organizations thereof; (2) imposes additional duties of a
18 nature which can be carried out by existing staff and
19 procedures at no appreciable net cost increase; (3) creates
20 additional costs but also provides offsetting savings
21 resulting in no aggregate increase in net costs; (4) imposes a
22 cost that is wholly or largely recovered from Federal, State or
23 other external financial aid; (5) imposes additional annual net
24 costs of less than \$1,000 for each of the several local
25 governments affected or less than \$50,000, in the aggregate,
26 for all local governments affected.

27 The failure of the General Assembly to make necessary
28 appropriations shall relieve the local government of the
29 obligation to implement any service mandates, tax exemption
30 mandates, and personnel mandates, as specified in Section 6,
31 subsections (b), (c), (d) and (e), unless the exclusion
32 provided for in this Section are explicitly stated in the Act
33 establishing the mandate. In the event that funding is not
34 provided for a State-mandated program by the General Assembly,

1 the local government may implement or continue the program upon
2 approval of its governing body. If the local government
3 approves the program and funding is subsequently provided, the
4 State shall reimburse the local governments only for costs
5 incurred subsequent to the funding.

6 (b) Reimbursement Estimation and Appropriation Procedure.

7 (1) When a bill is introduced in the General Assembly,
8 the Legislative Reference Bureau, hereafter referred to as
9 the Bureau, shall determine whether such bill may require
10 reimbursement to local governments pursuant to this Act.
11 The Bureau shall make such determination known in the
12 Legislative Synopsis and Digest.

13 In making the determination required by this
14 subsection (b) the Bureau shall disregard any provision in
15 a bill which would make inoperative the reimbursement
16 requirements of Section 6 above, including an express
17 exclusion of the applicability of this Act, and shall make
18 the determination irrespective of any such provision.

19 (2) Any bill or amended bill which creates or expands a
20 State mandate shall be subject to the provisions of "An Act
21 requiring fiscal notes in relation to certain bills",
22 approved June 4, 1965, as amended. The fiscal notes for
23 such bills or amended bills shall include estimates of the
24 costs to local government and the costs of any
25 reimbursement required under this Act. In the case of bills
26 having a potential fiscal impact on units of local
27 government, the fiscal note shall be prepared by the
28 Department. In the case of bills having a potential fiscal
29 impact on school districts, the fiscal note shall be
30 prepared by the State Superintendent of Education. In the
31 case of bills having a potential fiscal impact on community
32 college districts, the fiscal note shall be prepared by the
33 Illinois Community College Board. Such fiscal note shall
34 accompany the bill that requires State reimbursement and
35 shall be prepared prior to any final action on such a bill
36 by the assigned committee. However, if a fiscal note is not

1 filed by the appropriate agency within 30 days of
2 introduction of a bill, the bill can be heard in committee
3 and advanced to the order of second reading. The bill shall
4 then remain on second reading until a fiscal note is filed.
5 A bill discharged from committee shall also remain on
6 second reading until a fiscal note is provided by the
7 appropriate agency.

8 (3) The estimate required by paragraph (2) above, shall
9 include the amount estimated to be required during the
10 first fiscal year of a bill's operation in order to
11 reimburse local governments pursuant to Section 6, for
12 costs mandated by such bill. In the event that the
13 effective date of such a bill is not the first day of the
14 fiscal year the estimate shall also include the amount
15 estimated to be required for reimbursement for the next
16 following full fiscal year.

17 (4) For the initial fiscal year, reimbursement funds
18 shall be provided as follows: (i) any statute mandating
19 such costs shall have a companion appropriation bill, and
20 (ii) any executive order mandating such costs shall be
21 accompanied by a bill to appropriate the funds therefor,
22 or, alternatively an appropriation for such funds shall be
23 included in the executive budget for the next following
24 fiscal year.

25 In subsequent fiscal years appropriations for such
26 costs shall be included in the Governor's budget or
27 supplemental appropriation bills.

28 (c) Reimbursement Application and Disbursement Procedure.

29 (1) For the initial fiscal year during which
30 reimbursement is authorized, each local government, or
31 more than one local government wishing to join in filing a
32 single claim, believing itself to be entitled to
33 reimbursement under this Act shall submit to the
34 Department, State Superintendent of Education or Illinois
35 Community College Board within 60 days of the effective
36 date of the mandate a claim for reimbursement accompanied

1 by its estimate of the increased costs required by the
2 mandate for the balance of the fiscal year. The Department,
3 State Superintendent of Education or Illinois Community
4 College Board shall review such claim and estimate, shall
5 apportion the claim into 3 equal installments and shall
6 direct the Comptroller to pay the installments at equal
7 intervals throughout the remainder of the fiscal year from
8 the funds appropriated for such purposes, provided that the
9 Department, State Superintendent of Education or Illinois
10 Community College Board may (i) audit the records of any
11 local government to verify the actual amount of the
12 mandated cost, and (ii) reduce any claim determined to be
13 excessive or unreasonable.

14 (2) For the subsequent fiscal years, local governments
15 shall submit claims as specified above on or before October
16 1 of each year. The Department, State Superintendent of
17 Education or Illinois Community College Board shall
18 apportion the claims into 3 equal installments and shall
19 direct the Comptroller to pay the first installment upon
20 approval of the claims, with subsequent installments to
21 follow on January 1 and March 1, such claims to be paid
22 from funds appropriated therefor, provided that the
23 Department, State Superintendent of Education or Illinois
24 Community College Board (i) may audit the records of any
25 local governments to verify the actual amount of the
26 mandated cost, (ii) may reduce any claim, determined to be
27 excessive or unreasonable, and (iii) shall adjust the
28 payment to correct for any underpayments or overpayments
29 which occurred in the previous fiscal year.

30 (3) Any funds received by a local government pursuant
31 to this Act may be used for any public purpose.

32 If the funds appropriated for reimbursement of the
33 costs of local government resulting from the creation or
34 expansion of a State mandate are less than the total of the
35 approved claims, the amount appropriated shall be prorated
36 among the local governments having approved claims.

1 (d) Appeals and Adjudication.

2 (1) Local governments may appeal determinations made
3 by State agencies acting pursuant to subsection (c) above.
4 The appeal must be submitted to the State Mandates Board of
5 Review created by Section 9.1 of this Act within 60 days
6 following the date of receipt of the determination being
7 appealed. The appeal must include evidence as to the extent
8 to which the mandate has been carried out in an effective
9 manner and executed without recourse to standards of
10 staffing or expenditure higher than specified in the
11 mandatory statute, if such standards are specified in the
12 statute. The State Mandates Board of Review, after
13 reviewing the evidence submitted to it, may increase or
14 reduce the amount of a reimbursement claim. The decision of
15 the State Mandates Board of Review shall be final subject
16 to judicial review. However, if sufficient funds have not
17 been appropriated, the Department shall notify the General
18 Assembly of such cost, and appropriations for such costs
19 shall be included in a supplemental appropriation bill.

20 (2) A local government may also appeal directly to the
21 State Mandates Board of Review in those situations in which
22 the Department of Commerce and Economic Opportunity
23 ~~Community Affairs~~ does not act upon the local government's
24 application for reimbursement or request for mandate
25 determination submitted under this Act. The appeal must
26 include evidence that the application for reimbursement or
27 request for mandate determination was properly filed and
28 should have been reviewed by the Department.

29 An appeal may be made to the Board if the Department
30 does not respond to a local government's application for
31 reimbursement or request for mandate determination within
32 120 days after filing the application or request. In no
33 case, however, may an appeal be brought more than one year
34 after the application or request is filed with the
35 Department.

3 changing Sections 211 and 213 as follows:

4 (35 ILCS 5/211)

5 Sec. 211. Economic Development for a Growing Economy Tax
6 Credit. For tax years beginning on or after January 1, 1999, a
7 Taxpayer who has entered into an Agreement under the Economic
8 Development for a Growing Economy Tax Credit Act is entitled to
9 a credit against the taxes imposed under subsections (a) and
10 (b) of Section 201 of this Act in an amount to be determined in
11 the Agreement. If the Taxpayer is a partnership or Subchapter S
12 corporation, the credit shall be allowed to the partners or
13 shareholders in accordance with the determination of income and

18 enforce and administer the provisions of this Section. This
19 Section is exempt from the provisions of Section 250 of this

23 (1) The tax credit shall not exceed the Incremental
24 Income Tax (as defined in Section 5-5 of the Economic
25 Development for a Growing Economy Tax Credit Act) with
26 respect to the project.

27 (2) The amount of the credit allowed during the tax
28 year plus the sum of all amounts allowed in prior years
29 shall not exceed 100% of the aggregate amount expended by
30 the Taxpayer during all prior tax years on approved costs
31 defined by Agreement.

32 (3) The amount of the credit shall be determined on an
33 annual basis. Except as applied in a carryover year
34 pursuant to Section 211(4) of this Act, the credit may not

1 be applied against any State income tax liability in more
2 than 10 taxable years; provided, however, that (i) an
3 eligible business certified by the Department of Commerce
4 and Economic Opportunity ~~Community Affairs~~ under the
5 Corporate Headquarters Relocation Act may not apply the

13 of this Act. Any credit that is unused in the year the
14 credit is computed may be carried forward and applied to
15 the tax liability of the 5 taxable years following the
16 excess credit year. The credit shall be applied to the
17 earliest year for which there is a tax liability. If there
18 are credits from more than one tax year that are available
19 to offset a liability, the earlier credit shall be applied
20 first.

21 (5) No credit shall be allowed with respect to any
22 Agreement for any taxable year ending after the
23 Noncompliance Date. Upon receiving notification by the
24 Department of Commerce and Economic Opportunity ~~Community~~
25 ~~Affairs~~ of the noncompliance of a Taxpayer with an
26 Agreement, the Department shall notify the Taxpayer that no
27 credit is allowed with respect to that Agreement for any
28 taxable year ending after the Noncompliance Date, as stated
29 in such notification. If any credit has been allowed with
30 respect to an Agreement for a taxable year ending after the
31 Noncompliance Date for that Agreement, any refund paid to
32 the Taxpayer for that taxable year shall, to the extent of
33 that credit allowed, be an erroneous refund within the
34 meaning of Section 912 of this Act.

35 (6) For purposes of this Section, the terms
36 "Agreement", "Incremental Income Tax", and "Noncompliance

1 Date" have the same meaning as when used in the Economic

25 (35 ILCS 10/5-25)

26 Sec. 5-25. Review of Application.

27 (a) In addition to those duties granted under the Illinois
28 Economic Development Board Act, the Illinois Economic
29 Development Board shall form a Business Investment Committee
30 for the purpose of making recommendations for applications. At
31 the request of the Board, the Director of Commerce and Economic
32 Opportunity ~~Community Affairs~~ or his or her designee, the
33 Director of the Governor's Office of Management and Budget
34 ~~Bureau of the Budget~~ or his or her designee, the Director of
35 Revenue or his or her designee, the Director of Employment

1 Security or his or her designee, and an elected official of the
2 affected locality, such as the chair of the county board or the
3 mayor, may serve as members of the Committee to assist with its
4 analysis and deliberations.

5 (b) At the Department's request, the Committee shall
6 convene, make inquiries, and conduct studies in the manner and
7 by the methods as it deems desirable, review information with
8 respect to Applicants, and make recommendations for projects to
9 benefit the State. In making its recommendation that an
10 Applicant's application for Credit should or should not be
11 accepted, which shall occur within a reasonable time frame as
12 determined by the nature of the application, the Committee
13 shall determine that all the following conditions exist:

14 (1) The Applicant's project intends, as required by
15 subsection (b) of Section 5-20 to make the required
16 investment in the State and intends to hire the required
17 number of New Employees in Illinois as a result of that
18 project.

19 (2) The Applicant's project is economically sound and
20 will benefit the people of the State of Illinois by
21 increasing opportunities for employment and strengthen the
22 economy of Illinois.

23 (3) That, if not for the Credit, the project would not
24 occur in Illinois, which may be demonstrated by any means
25 including, but not limited to, evidence the Applicant has
26 multi-state location options and could reasonably and
27 efficiently locate outside of the State, or demonstration
28 that at least one other state is being considered for the
29 project, or evidence the receipt of the Credit is a major
30 factor in the Applicant's decision and that without the
31 Credit, the Applicant likely would not create new jobs in
32 Illinois, or demonstration that receiving the Credit is
33 essential to the Applicant's decision to create or retain
34 new jobs in the State.

35 (4) A cost differential is identified, using best
36 available data, in the projected costs for the Applicant's

1 project compared to the costs in the competing state,
2 including the impact of the competing state's incentive
3 programs. The competing state's incentive programs shall
4 include state, local, private, and federal funds
5 available.

6 (5) The political subdivisions affected by the project
7 have committed local incentives with respect to the
8 project, considering local ability to assist.

9 (6) Awarding the Credit will result in an overall
10 positive fiscal impact to the State, as certified by the
11 Committee using the best available data.

12 (7) The Credit is not prohibited by Section 5-35 of
13 this Act.

14 (Source: P.A. 91-476, eff. 8-11-99; revised 8-23-03.)

15 (35 ILCS 10/5-45)

16 Sec. 5-45. Amount and duration of the credit.

17 (a) The Department shall determine the amount and duration
18 of the credit awarded under this Act. The duration of the
19 credit may not exceed 10 taxable years. The credit may be
20 stated as a percentage of the Incremental Income Tax
21 attributable to the applicant's project and may include a fixed
22 dollar limitation.

23 (b) Notwithstanding subsection (a), and except as the
24 credit may be applied in a carryover year pursuant to Section
25 211(4) of the Illinois Income Tax Act, the credit may be
26 applied against the State income tax liability in more than 10
27 taxable years but not in more than 15 taxable years for an
28 eligible business that (i) qualifies under this Act and the
29 Corporate Headquarters Relocation Act and has in fact
30 undertaken a qualifying project within the time frame specified
31 by the Department of Commerce and Economic Opportunity
32 ~~Community Affairs~~ under that Act, and (ii) applies against its
33 State income tax liability, during the entire 15-year period,
34 no more than 60% of the maximum credit per year that would
35 otherwise be available under this Act.

9 Section 475. The Use Tax Act is amended by changing Section
10 9 as follows:

11 (35 ILCS 105/9) (from Ch. 120, par. 439.9)

12 Sec. 9. Except as to motor vehicles, watercraft, aircraft,
13 and trailers that are required to be registered with an agency
14 of this State, each retailer required or authorized to collect
15 the tax imposed by this Act shall pay to the Department the
16 amount of such tax (except as otherwise provided) at the time
17 when he is required to file his return for the period during
18 which such tax was collected, less a discount of 2.1% prior to
19 January 1, 1990, and 1.75% on and after January 1, 1990, or \$5
20 per calendar year, whichever is greater, which is allowed to
21 reimburse the retailer for expenses incurred in collecting the
22 tax, keeping records, preparing and filing returns, remitting
23 the tax and supplying data to the Department on request. In the
24 case of retailers who report and pay the tax on a transaction
25 by transaction basis, as provided in this Section, such
26 discount shall be taken with each such tax remittance instead
27 of when such retailer files his periodic return. A retailer
28 need not remit that part of any tax collected by him to the
29 extent that he is required to remit and does remit the tax
30 imposed by the Retailers' Occupation Tax Act, with respect to
31 the sale of the same property.

32 Where such tangible personal property is sold under a
33 conditional sales contract, or under any other form of sale
34 wherein the payment of the principal sum, or a part thereof, is

1 extended beyond the close of the period for which the return is
2 filed, the retailer, in collecting the tax (except as to motor
3 vehicles, watercraft, aircraft, and trailers that are required
4 to be registered with an agency of this State), may collect for
5 each tax return period, only the tax applicable to that part of
6 the selling price actually received during such tax return
7 period.

8 Except as provided in this Section, on or before the
9 twentieth day of each calendar month, such retailer shall file
10 a return for the preceding calendar month. Such return shall be
11 filed on forms prescribed by the Department and shall furnish
12 such information as the Department may reasonably require.

13 The Department may require returns to be filed on a
14 quarterly basis. If so required, a return for each calendar
15 quarter shall be filed on or before the twentieth day of the
16 calendar month following the end of such calendar quarter. The
17 taxpayer shall also file a return with the Department for each
18 of the first two months of each calendar quarter, on or before
19 the twentieth day of the following calendar month, stating:

- 20 1. The name of the seller;
- 21 2. The address of the principal place of business from
22 which he engages in the business of selling tangible
23 personal property at retail in this State;
- 24 3. The total amount of taxable receipts received by him
25 during the preceding calendar month from sales of tangible
26 personal property by him during such preceding calendar
27 month, including receipts from charge and time sales, but
28 less all deductions allowed by law;
- 29 4. The amount of credit provided in Section 2d of this
30 Act;
- 31 5. The amount of tax due;
- 32 5-5. The signature of the taxpayer; and
- 33 6. Such other reasonable information as the Department
34 may require.

35 If a taxpayer fails to sign a return within 30 days after
36 the proper notice and demand for signature by the Department,

1 the return shall be considered valid and any amount shown to be
2 due on the return shall be deemed assessed.

3 Beginning October 1, 1993, a taxpayer who has an average
4 monthly tax liability of \$150,000 or more shall make all
5 payments required by rules of the Department by electronic
6 funds transfer. Beginning October 1, 1994, a taxpayer who has
7 an average monthly tax liability of \$100,000 or more shall make
8 all payments required by rules of the Department by electronic
9 funds transfer. Beginning October 1, 1995, a taxpayer who has
10 an average monthly tax liability of \$50,000 or more shall make
11 all payments required by rules of the Department by electronic
12 funds transfer. Beginning October 1, 2000, a taxpayer who has
13 an annual tax liability of \$200,000 or more shall make all
14 payments required by rules of the Department by electronic
15 funds transfer. The term "annual tax liability" shall be the
16 sum of the taxpayer's liabilities under this Act, and under all
17 other State and local occupation and use tax laws administered
18 by the Department, for the immediately preceding calendar year.
19 The term "average monthly tax liability" means the sum of the
20 taxpayer's liabilities under this Act, and under all other
21 State and local occupation and use tax laws administered by the
22 Department, for the immediately preceding calendar year
23 divided by 12. Beginning on October 1, 2002, a taxpayer who has
24 a tax liability in the amount set forth in subsection (b) of
25 Section 2505-210 of the Department of Revenue Law shall make
26 all payments required by rules of the Department by electronic
27 funds transfer.

28 Before August 1 of each year beginning in 1993, the
29 Department shall notify all taxpayers required to make payments
30 by electronic funds transfer. All taxpayers required to make
31 payments by electronic funds transfer shall make those payments
32 for a minimum of one year beginning on October 1.

33 Any taxpayer not required to make payments by electronic
34 funds transfer may make payments by electronic funds transfer
35 with the permission of the Department.

36 All taxpayers required to make payment by electronic funds

1 transfer and any taxpayers authorized to voluntarily make
2 payments by electronic funds transfer shall make those payments
3 in the manner authorized by the Department.

4 The Department shall adopt such rules as are necessary to
5 effectuate a program of electronic funds transfer and the
6 requirements of this Section.

7 Before October 1, 2000, if the taxpayer's average monthly
8 tax liability to the Department under this Act, the Retailers'
9 Occupation Tax Act, the Service Occupation Tax Act, the Service
10 Use Tax Act was \$10,000 or more during the preceding 4 complete
11 calendar quarters, he shall file a return with the Department
12 each month by the 20th day of the month next following the
13 month during which such tax liability is incurred and shall
14 make payments to the Department on or before the 7th, 15th,
15 22nd and last day of the month during which such liability is
16 incurred. On and after October 1, 2000, if the taxpayer's
17 average monthly tax liability to the Department under this Act,
18 the Retailers' Occupation Tax Act, the Service Occupation Tax
19 Act, and the Service Use Tax Act was \$20,000 or more during the
20 preceding 4 complete calendar quarters, he shall file a return
21 with the Department each month by the 20th day of the month
22 next following the month during which such tax liability is
23 incurred and shall make payment to the Department on or before
24 the 7th, 15th, 22nd and last day of the month during which such
25 liability is incurred. If the month during which such tax
26 liability is incurred began prior to January 1, 1985, each
27 payment shall be in an amount equal to 1/4 of the taxpayer's
28 actual liability for the month or an amount set by the
29 Department not to exceed 1/4 of the average monthly liability
30 of the taxpayer to the Department for the preceding 4 complete
31 calendar quarters (excluding the month of highest liability and
32 the month of lowest liability in such 4 quarter period). If the
33 month during which such tax liability is incurred begins on or
34 after January 1, 1985, and prior to January 1, 1987, each
35 payment shall be in an amount equal to 22.5% of the taxpayer's
36 actual liability for the month or 27.5% of the taxpayer's

1 liability for the same calendar month of the preceding year. If
2 the month during which such tax liability is incurred begins on
3 or after January 1, 1987, and prior to January 1, 1988, each
4 payment shall be in an amount equal to 22.5% of the taxpayer's
5 actual liability for the month or 26.25% of the taxpayer's
6 liability for the same calendar month of the preceding year. If
7 the month during which such tax liability is incurred begins on
8 or after January 1, 1988, and prior to January 1, 1989, or
9 begins on or after January 1, 1996, each payment shall be in an
10 amount equal to 22.5% of the taxpayer's actual liability for
11 the month or 25% of the taxpayer's liability for the same
12 calendar month of the preceding year. If the month during which
13 such tax liability is incurred begins on or after January 1,
14 1989, and prior to January 1, 1996, each payment shall be in an
15 amount equal to 22.5% of the taxpayer's actual liability for
16 the month or 25% of the taxpayer's liability for the same
17 calendar month of the preceding year or 100% of the taxpayer's
18 actual liability for the quarter monthly reporting period. The
19 amount of such quarter monthly payments shall be credited
20 against the final tax liability of the taxpayer's return for
21 that month. Before October 1, 2000, once applicable, the
22 requirement of the making of quarter monthly payments to the
23 Department shall continue until such taxpayer's average
24 monthly liability to the Department during the preceding 4
25 complete calendar quarters (excluding the month of highest
26 liability and the month of lowest liability) is less than
27 \$9,000, or until such taxpayer's average monthly liability to
28 the Department as computed for each calendar quarter of the 4
29 preceding complete calendar quarter period is less than
30 \$10,000. However, if a taxpayer can show the Department that a
31 substantial change in the taxpayer's business has occurred
32 which causes the taxpayer to anticipate that his average
33 monthly tax liability for the reasonably foreseeable future
34 will fall below the \$10,000 threshold stated above, then such
35 taxpayer may petition the Department for change in such
36 taxpayer's reporting status. On and after October 1, 2000, once

1 applicable, the requirement of the making of quarter monthly
2 payments to the Department shall continue until such taxpayer's
3 average monthly liability to the Department during the
4 preceding 4 complete calendar quarters (excluding the month of
5 highest liability and the month of lowest liability) is less
6 than \$19,000 or until such taxpayer's average monthly liability
7 to the Department as computed for each calendar quarter of the
8 4 preceding complete calendar quarter period is less than
9 \$20,000. However, if a taxpayer can show the Department that a
10 substantial change in the taxpayer's business has occurred
11 which causes the taxpayer to anticipate that his average
12 monthly tax liability for the reasonably foreseeable future
13 will fall below the \$20,000 threshold stated above, then such
14 taxpayer may petition the Department for a change in such
15 taxpayer's reporting status. The Department shall change such
16 taxpayer's reporting status unless it finds that such change is
17 seasonal in nature and not likely to be long term. If any such
18 quarter monthly payment is not paid at the time or in the
19 amount required by this Section, then the taxpayer shall be
20 liable for penalties and interest on the difference between the
21 minimum amount due and the amount of such quarter monthly
22 payment actually and timely paid, except insofar as the
23 taxpayer has previously made payments for that month to the
24 Department in excess of the minimum payments previously due as
25 provided in this Section. The Department shall make reasonable
26 rules and regulations to govern the quarter monthly payment
27 amount and quarter monthly payment dates for taxpayers who file
28 on other than a calendar monthly basis.

29 If any such payment provided for in this Section exceeds
30 the taxpayer's liabilities under this Act, the Retailers'
31 Occupation Tax Act, the Service Occupation Tax Act and the
32 Service Use Tax Act, as shown by an original monthly return,
33 the Department shall issue to the taxpayer a credit memorandum
34 no later than 30 days after the date of payment, which
35 memorandum may be submitted by the taxpayer to the Department
36 in payment of tax liability subsequently to be remitted by the

1 taxpayer to the Department or be assigned by the taxpayer to a
2 similar taxpayer under this Act, the Retailers' Occupation Tax
3 Act, the Service Occupation Tax Act or the Service Use Tax Act,
4 in accordance with reasonable rules and regulations to be
5 prescribed by the Department, except that if such excess
6 payment is shown on an original monthly return and is made
7 after December 31, 1986, no credit memorandum shall be issued,
8 unless requested by the taxpayer. If no such request is made,
9 the taxpayer may credit such excess payment against tax
10 liability subsequently to be remitted by the taxpayer to the
11 Department under this Act, the Retailers' Occupation Tax Act,
12 the Service Occupation Tax Act or the Service Use Tax Act, in
13 accordance with reasonable rules and regulations prescribed by
14 the Department. If the Department subsequently determines that
15 all or any part of the credit taken was not actually due to the
16 taxpayer, the taxpayer's 2.1% or 1.75% vendor's discount shall
17 be reduced by 2.1% or 1.75% of the difference between the
18 credit taken and that actually due, and the taxpayer shall be
19 liable for penalties and interest on such difference.

20 If the retailer is otherwise required to file a monthly
21 return and if the retailer's average monthly tax liability to
22 the Department does not exceed \$200, the Department may
23 authorize his returns to be filed on a quarter annual basis,
24 with the return for January, February, and March of a given
25 year being due by April 20 of such year; with the return for
26 April, May and June of a given year being due by July 20 of such
27 year; with the return for July, August and September of a given
28 year being due by October 20 of such year, and with the return
29 for October, November and December of a given year being due by
30 January 20 of the following year.

31 If the retailer is otherwise required to file a monthly or
32 quarterly return and if the retailer's average monthly tax
33 liability to the Department does not exceed \$50, the Department
34 may authorize his returns to be filed on an annual basis, with
35 the return for a given year being due by January 20 of the
36 following year.

1 Such quarter annual and annual returns, as to form and
2 substance, shall be subject to the same requirements as monthly
3 returns.

4 Notwithstanding any other provision in this Act concerning
5 the time within which a retailer may file his return, in the
6 case of any retailer who ceases to engage in a kind of business
7 which makes him responsible for filing returns under this Act,
8 such retailer shall file a final return under this Act with the
9 Department not more than one month after discontinuing such
10 business.

11 In addition, with respect to motor vehicles, watercraft,
12 aircraft, and trailers that are required to be registered with
13 an agency of this State, every retailer selling this kind of
14 tangible personal property shall file, with the Department,
15 upon a form to be prescribed and supplied by the Department, a
16 separate return for each such item of tangible personal
17 property which the retailer sells, except that if, in the same
18 transaction, (i) a retailer of aircraft, watercraft, motor
19 vehicles or trailers transfers more than one aircraft,
20 watercraft, motor vehicle or trailer to another aircraft,
21 watercraft, motor vehicle or trailer retailer for the purpose
22 of resale or (ii) a retailer of aircraft, watercraft, motor
23 vehicles, or trailers transfers more than one aircraft,
24 watercraft, motor vehicle, or trailer to a purchaser for use as
25 a qualifying rolling stock as provided in Section 3-55 of this
26 Act, then that seller may report the transfer of all the
27 aircraft, watercraft, motor vehicles or trailers involved in
28 that transaction to the Department on the same uniform
29 invoice-transaction reporting return form. For purposes of
30 this Section, "watercraft" means a Class 2, Class 3, or Class 4
31 watercraft as defined in Section 3-2 of the Boat Registration
32 and Safety Act, a personal watercraft, or any boat equipped
33 with an inboard motor.

34 The transaction reporting return in the case of motor
35 vehicles or trailers that are required to be registered with an
36 agency of this State, shall be the same document as the Uniform

1 Invoice referred to in Section 5-402 of the Illinois Vehicle
2 Code and must show the name and address of the seller; the name
3 and address of the purchaser; the amount of the selling price
4 including the amount allowed by the retailer for traded-in
5 property, if any; the amount allowed by the retailer for the
6 traded-in tangible personal property, if any, to the extent to
7 which Section 2 of this Act allows an exemption for the value
8 of traded-in property; the balance payable after deducting such
9 trade-in allowance from the total selling price; the amount of
10 tax due from the retailer with respect to such transaction; the
11 amount of tax collected from the purchaser by the retailer on
12 such transaction (or satisfactory evidence that such tax is not
13 due in that particular instance, if that is claimed to be the
14 fact); the place and date of the sale; a sufficient
15 identification of the property sold; such other information as
16 is required in Section 5-402 of the Illinois Vehicle Code, and
17 such other information as the Department may reasonably
18 require.

19 The transaction reporting return in the case of watercraft
20 and aircraft must show the name and address of the seller; the
21 name and address of the purchaser; the amount of the selling
22 price including the amount allowed by the retailer for
23 traded-in property, if any; the amount allowed by the retailer
24 for the traded-in tangible personal property, if any, to the
25 extent to which Section 2 of this Act allows an exemption for
26 the value of traded-in property; the balance payable after
27 deducting such trade-in allowance from the total selling price;
28 the amount of tax due from the retailer with respect to such
29 transaction; the amount of tax collected from the purchaser by
30 the retailer on such transaction (or satisfactory evidence that
31 such tax is not due in that particular instance, if that is
32 claimed to be the fact); the place and date of the sale, a
33 sufficient identification of the property sold, and such other
34 information as the Department may reasonably require.

35 Such transaction reporting return shall be filed not later
36 than 20 days after the date of delivery of the item that is

1 being sold, but may be filed by the retailer at any time sooner
2 than that if he chooses to do so. The transaction reporting
3 return and tax remittance or proof of exemption from the tax
4 that is imposed by this Act may be transmitted to the
5 Department by way of the State agency with which, or State
6 officer with whom, the tangible personal property must be
7 titled or registered (if titling or registration is required)
8 if the Department and such agency or State officer determine
9 that this procedure will expedite the processing of
10 applications for title or registration.

11 With each such transaction reporting return, the retailer
12 shall remit the proper amount of tax due (or shall submit
13 satisfactory evidence that the sale is not taxable if that is
14 the case), to the Department or its agents, whereupon the
15 Department shall issue, in the purchaser's name, a tax receipt
16 (or a certificate of exemption if the Department is satisfied
17 that the particular sale is tax exempt) which such purchaser
18 may submit to the agency with which, or State officer with
19 whom, he must title or register the tangible personal property
20 that is involved (if titling or registration is required) in
21 support of such purchaser's application for an Illinois
22 certificate or other evidence of title or registration to such
23 tangible personal property.

24 No retailer's failure or refusal to remit tax under this
25 Act precludes a user, who has paid the proper tax to the
26 retailer, from obtaining his certificate of title or other
27 evidence of title or registration (if titling or registration
28 is required) upon satisfying the Department that such user has
29 paid the proper tax (if tax is due) to the retailer. The
30 Department shall adopt appropriate rules to carry out the
31 mandate of this paragraph.

32 If the user who would otherwise pay tax to the retailer
33 wants the transaction reporting return filed and the payment of
34 tax or proof of exemption made to the Department before the
35 retailer is willing to take these actions and such user has not
36 paid the tax to the retailer, such user may certify to the fact

1 of such delay by the retailer, and may (upon the Department
2 being satisfied of the truth of such certification) transmit
3 the information required by the transaction reporting return
4 and the remittance for tax or proof of exemption directly to
5 the Department and obtain his tax receipt or exemption
6 determination, in which event the transaction reporting return
7 and tax remittance (if a tax payment was required) shall be
8 credited by the Department to the proper retailer's account
9 with the Department, but without the 2.1% or 1.75% discount
10 provided for in this Section being allowed. When the user pays
11 the tax directly to the Department, he shall pay the tax in the
12 same amount and in the same form in which it would be remitted
13 if the tax had been remitted to the Department by the retailer.

14 Where a retailer collects the tax with respect to the
15 selling price of tangible personal property which he sells and
16 the purchaser thereafter returns such tangible personal
17 property and the retailer refunds the selling price thereof to
18 the purchaser, such retailer shall also refund, to the
19 purchaser, the tax so collected from the purchaser. When filing
20 his return for the period in which he refunds such tax to the
21 purchaser, the retailer may deduct the amount of the tax so
22 refunded by him to the purchaser from any other use tax which
23 such retailer may be required to pay or remit to the
24 Department, as shown by such return, if the amount of the tax
25 to be deducted was previously remitted to the Department by
26 such retailer. If the retailer has not previously remitted the
27 amount of such tax to the Department, he is entitled to no
28 deduction under this Act upon refunding such tax to the
29 purchaser.

30 Any retailer filing a return under this Section shall also
31 include (for the purpose of paying tax thereon) the total tax
32 covered by such return upon the selling price of tangible
33 personal property purchased by him at retail from a retailer,
34 but as to which the tax imposed by this Act was not collected
35 from the retailer filing such return, and such retailer shall
36 remit the amount of such tax to the Department when filing such

1 return.

2 If experience indicates such action to be practicable, the
3 Department may prescribe and furnish a combination or joint
4 return which will enable retailers, who are required to file
5 returns hereunder and also under the Retailers' Occupation Tax
6 Act, to furnish all the return information required by both
7 Acts on the one form.

8 Where the retailer has more than one business registered
9 with the Department under separate registration under this Act,
10 such retailer may not file each return that is due as a single
11 return covering all such registered businesses, but shall file
12 separate returns for each such registered business.

13 Beginning January 1, 1990, each month the Department shall
14 pay into the State and Local Sales Tax Reform Fund, a special
15 fund in the State Treasury which is hereby created, the net
16 revenue realized for the preceding month from the 1% tax on
17 sales of food for human consumption which is to be consumed off
18 the premises where it is sold (other than alcoholic beverages,
19 soft drinks and food which has been prepared for immediate
20 consumption) and prescription and nonprescription medicines,
21 drugs, medical appliances and insulin, urine testing
22 materials, syringes and needles used by diabetics.

23 Beginning January 1, 1990, each month the Department shall
24 pay into the County and Mass Transit District Fund 4% of the
25 net revenue realized for the preceding month from the 6.25%
26 general rate on the selling price of tangible personal property
27 which is purchased outside Illinois at retail from a retailer
28 and which is titled or registered by an agency of this State's
29 government.

30 Beginning January 1, 1990, each month the Department shall
31 pay into the State and Local Sales Tax Reform Fund, a special
32 fund in the State Treasury, 20% of the net revenue realized for
33 the preceding month from the 6.25% general rate on the selling
34 price of tangible personal property, other than tangible
35 personal property which is purchased outside Illinois at retail
36 from a retailer and which is titled or registered by an agency

1 of this State's government.

2 Beginning August 1, 2000, each month the Department shall
3 pay into the State and Local Sales Tax Reform Fund 100% of the
4 net revenue realized for the preceding month from the 1.25%
5 rate on the selling price of motor fuel and gasohol.

6 Beginning January 1, 1990, each month the Department shall
7 pay into the Local Government Tax Fund 16% of the net revenue
8 realized for the preceding month from the 6.25% general rate on
9 the selling price of tangible personal property which is
10 purchased outside Illinois at retail from a retailer and which
11 is titled or registered by an agency of this State's
12 government.

13 Of the remainder of the moneys received by the Department
14 pursuant to this Act, (a) 1.75% thereof shall be paid into the
15 Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on
16 and after July 1, 1989, 3.8% thereof shall be paid into the
17 Build Illinois Fund; provided, however, that if in any fiscal
18 year the sum of (1) the aggregate of 2.2% or 3.8%, as the case
19 may be, of the moneys received by the Department and required
20 to be paid into the Build Illinois Fund pursuant to Section 3
21 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax
22 Act, Section 9 of the Service Use Tax Act, and Section 9 of the
23 Service Occupation Tax Act, such Acts being hereinafter called
24 the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case
25 may be, of moneys being hereinafter called the "Tax Act
26 Amount", and (2) the amount transferred to the Build Illinois
27 Fund from the State and Local Sales Tax Reform Fund shall be
28 less than the Annual Specified Amount (as defined in Section 3
29 of the Retailers' Occupation Tax Act), an amount equal to the
30 difference shall be immediately paid into the Build Illinois
31 Fund from other moneys received by the Department pursuant to
32 the Tax Acts; and further provided, that if on the last
33 business day of any month the sum of (1) the Tax Act Amount
34 required to be deposited into the Build Illinois Bond Account
35 in the Build Illinois Fund during such month and (2) the amount
36 transferred during such month to the Build Illinois Fund from

1 the State and Local Sales Tax Reform Fund shall have been less
2 than 1/12 of the Annual Specified Amount, an amount equal to
3 the difference shall be immediately paid into the Build
4 Illinois Fund from other moneys received by the Department
5 pursuant to the Tax Acts; and, further provided, that in no
6 event shall the payments required under the preceding proviso
7 result in aggregate payments into the Build Illinois Fund
8 pursuant to this clause (b) for any fiscal year in excess of
9 the greater of (i) the Tax Act Amount or (ii) the Annual
10 Specified Amount for such fiscal year; and, further provided,
11 that the amounts payable into the Build Illinois Fund under
12 this clause (b) shall be payable only until such time as the
13 aggregate amount on deposit under each trust indenture securing
14 Bonds issued and outstanding pursuant to the Build Illinois
15 Bond Act is sufficient, taking into account any future
16 investment income, to fully provide, in accordance with such
17 indenture, for the defeasance of or the payment of the
18 principal of, premium, if any, and interest on the Bonds
19 secured by such indenture and on any Bonds expected to be
20 issued thereafter and all fees and costs payable with respect
21 thereto, all as certified by the Director of the Bureau of the
22 Budget (now Governor's Office of Management and Budget). If on
23 the last business day of any month in which Bonds are
24 outstanding pursuant to the Build Illinois Bond Act, the
25 aggregate of the moneys deposited in the Build Illinois Bond
26 Account in the Build Illinois Fund in such month shall be less
27 than the amount required to be transferred in such month from
28 the Build Illinois Bond Account to the Build Illinois Bond
29 Retirement and Interest Fund pursuant to Section 13 of the
30 Build Illinois Bond Act, an amount equal to such deficiency
31 shall be immediately paid from other moneys received by the
32 Department pursuant to the Tax Acts to the Build Illinois Fund;
33 provided, however, that any amounts paid to the Build Illinois
34 Fund in any fiscal year pursuant to this sentence shall be
35 deemed to constitute payments pursuant to clause (b) of the
36 preceding sentence and shall reduce the amount otherwise

1 payable for such fiscal year pursuant to clause (b) of the
 2 preceding sentence. The moneys received by the Department
 3 pursuant to this Act and required to be deposited into the
 4 Build Illinois Fund are subject to the pledge, claim and charge
 5 set forth in Section 12 of the Build Illinois Bond Act.

6 Subject to payment of amounts into the Build Illinois Fund
 7 as provided in the preceding paragraph or in any amendment
 8 thereto hereafter enacted, the following specified monthly
 9 installment of the amount requested in the certificate of the
 10 Chairman of the Metropolitan Pier and Exposition Authority
 11 provided under Section 8.25f of the State Finance Act, but not
 12 in excess of the sums designated as "Total Deposit", shall be
 13 deposited in the aggregate from collections under Section 9 of
 14 the Use Tax Act, Section 9 of the Service Use Tax Act, Section
 15 9 of the Service Occupation Tax Act, and Section 3 of the
 16 Retailers' Occupation Tax Act into the McCormick Place
 17 Expansion Project Fund in the specified fiscal years.

16 thereafter that bonds
17 are outstanding under
18 Section 13.2 of the
19 Metropolitan Pier and
20 Exposition Authority Act,
21 but not after fiscal year 2042.

22 Beginning July 20, 1993 and in each month of each fiscal
23 year thereafter, one-eighth of the amount requested in the
24 certificate of the Chairman of the Metropolitan Pier and
25 Exposition Authority for that fiscal year, less the amount
26 deposited into the McCormick Place Expansion Project Fund by
27 the State Treasurer in the respective month under subsection
28 (g) of Section 13 of the Metropolitan Pier and Exposition
29 Authority Act, plus cumulative deficiencies in the deposits
30 required under this Section for previous months and years,
31 shall be deposited into the McCormick Place Expansion Project
32 Fund, until the full amount requested for the fiscal year, but
33 not in excess of the amount specified above as "Total Deposit",
34 has been deposited.

35 Subject to payment of amounts into the Build Illinois Fund
36 and the McCormick Place Expansion Project Fund pursuant to the

1 preceding paragraphs or in any amendments thereto hereafter
2 enacted, beginning July 1, 1993, the Department shall each
3 month pay into the Illinois Tax Increment Fund 0.27% of 80% of
4 the net revenue realized for the preceding month from the 6.25%
5 general rate on the selling price of tangible personal
6 property.

7 Subject to payment of amounts into the Build Illinois Fund
8 and the McCormick Place Expansion Project Fund pursuant to the
9 preceding paragraphs or in any amendments thereto hereafter
10 enacted, beginning with the receipt of the first report of
11 taxes paid by an eligible business and continuing for a 25-year
12 period, the Department shall each month pay into the Energy
13 Infrastructure Fund 80% of the net revenue realized from the
14 6.25% general rate on the selling price of Illinois-mined coal
15 that was sold to an eligible business. For purposes of this
16 paragraph, the term "eligible business" means a new electric
17 generating facility certified pursuant to Section 605-332 of
18 the Department of Commerce and Economic Opportunity Community
19 ~~Affairs~~ Law of the Civil Administrative Code of Illinois.

20 Of the remainder of the moneys received by the Department
21 pursuant to this Act, 75% thereof shall be paid into the State
22 Treasury and 25% shall be reserved in a special account and
23 used only for the transfer to the Common School Fund as part of
24 the monthly transfer from the General Revenue Fund in
25 accordance with Section 8a of the State Finance Act.

26 As soon as possible after the first day of each month, upon
27 certification of the Department of Revenue, the Comptroller
28 shall order transferred and the Treasurer shall transfer from
29 the General Revenue Fund to the Motor Fuel Tax Fund an amount
30 equal to 1.7% of 80% of the net revenue realized under this Act
31 for the second preceding month. Beginning April 1, 2000, this

1 For greater simplicity of administration, manufacturers,
2 importers and wholesalers whose products are sold at retail in
3 Illinois by numerous retailers, and who wish to do so, may
4 assume the responsibility for accounting and paying to the
5 Department all tax accruing under this Act with respect to such
6 sales, if the retailers who are affected do not make written
7 objection to the Department to this arrangement.

13 Section 480. The Service Use Tax Act is amended by changing
14 Section 9 as follows:

15 (35 ILCS 110/9) (from Ch. 120, par. 439.39)

16 Sec. 9. Each serviceman required or authorized to collect
17 the tax herein imposed shall pay to the Department the amount
18 of such tax (except as otherwise provided) at the time when he
19 is required to file his return for the period during which such
20 tax was collected, less a discount of 2.1% prior to January 1,
21 1990 and 1.75% on and after January 1, 1990, or \$5 per calendar
22 year, whichever is greater, which is allowed to reimburse the
23 serviceman for expenses incurred in collecting the tax, keeping
24 records, preparing and filing returns, remitting the tax and
25 supplying data to the Department on request. A serviceman need
26 not remit that part of any tax collected by him to the extent
27 that he is required to pay and does pay the tax imposed by the
28 Service Occupation Tax Act with respect to his sale of service
29 involving the incidental transfer by him of the same property.

30 Except as provided hereinafter in this Section, on or
31 before the twentieth day of each calendar month, such
32 serviceman shall file a return for the preceding calendar month
33 in accordance with reasonable Rules and Regulations to be
34 promulgated by the Department. Such return shall be filed on a

1 form prescribed by the Department and shall contain such
2 information as the Department may reasonably require.

3 The Department may require returns to be filed on a
4 quarterly basis. If so required, a return for each calendar
5 quarter shall be filed on or before the twentieth day of the
6 calendar month following the end of such calendar quarter. The
7 taxpayer shall also file a return with the Department for each
8 of the first two months of each calendar quarter, on or before
9 the twentieth day of the following calendar month, stating:

- 10 1. The name of the seller;
- 11 2. The address of the principal place of business from
12 which he engages in business as a serviceman in this State;
- 13 3. The total amount of taxable receipts received by him
14 during the preceding calendar month, including receipts
15 from charge and time sales, but less all deductions allowed
16 by law;
- 17 4. The amount of credit provided in Section 2d of this
18 Act;
- 19 5. The amount of tax due;
- 20 5-5. The signature of the taxpayer; and
- 21 6. Such other reasonable information as the Department
22 may require.

23 If a taxpayer fails to sign a return within 30 days after
24 the proper notice and demand for signature by the Department,
25 the return shall be considered valid and any amount shown to be
26 due on the return shall be deemed assessed.

27 Beginning October 1, 1993, a taxpayer who has an average
28 monthly tax liability of \$150,000 or more shall make all
29 payments required by rules of the Department by electronic
30 funds transfer. Beginning October 1, 1994, a taxpayer who has
31 an average monthly tax liability of \$100,000 or more shall make
32 all payments required by rules of the Department by electronic
33 funds transfer. Beginning October 1, 1995, a taxpayer who has
34 an average monthly tax liability of \$50,000 or more shall make
35 all payments required by rules of the Department by electronic
36 funds transfer. Beginning October 1, 2000, a taxpayer who has

1 an annual tax liability of \$200,000 or more shall make all
2 payments required by rules of the Department by electronic
3 funds transfer. The term "annual tax liability" shall be the
4 sum of the taxpayer's liabilities under this Act, and under all
5 other State and local occupation and use tax laws administered
6 by the Department, for the immediately preceding calendar year.
7 The term "average monthly tax liability" means the sum of the
8 taxpayer's liabilities under this Act, and under all other
9 State and local occupation and use tax laws administered by the
10 Department, for the immediately preceding calendar year
11 divided by 12. Beginning on October 1, 2002, a taxpayer who has
12 a tax liability in the amount set forth in subsection (b) of
13 Section 2505-210 of the Department of Revenue Law shall make
14 all payments required by rules of the Department by electronic
15 funds transfer.

16 Before August 1 of each year beginning in 1993, the
17 Department shall notify all taxpayers required to make payments
18 by electronic funds transfer. All taxpayers required to make
19 payments by electronic funds transfer shall make those payments
20 for a minimum of one year beginning on October 1.

21 Any taxpayer not required to make payments by electronic
22 funds transfer may make payments by electronic funds transfer
23 with the permission of the Department.

24 All taxpayers required to make payment by electronic funds
25 transfer and any taxpayers authorized to voluntarily make
26 payments by electronic funds transfer shall make those payments
27 in the manner authorized by the Department.

28 The Department shall adopt such rules as are necessary to
29 effectuate a program of electronic funds transfer and the
30 requirements of this Section.

31 If the serviceman is otherwise required to file a monthly
32 return and if the serviceman's average monthly tax liability to
33 the Department does not exceed \$200, the Department may
34 authorize his returns to be filed on a quarter annual basis,
35 with the return for January, February and March of a given year
36 being due by April 20 of such year; with the return for April,

1 May and June of a given year being due by July 20 of such year;
2 with the return for July, August and September of a given year
3 being due by October 20 of such year, and with the return for
4 October, November and December of a given year being due by
5 January 20 of the following year.

6 If the serviceman is otherwise required to file a monthly
7 or quarterly return and if the serviceman's average monthly tax
8 liability to the Department does not exceed \$50, the Department
9 may authorize his returns to be filed on an annual basis, with
10 the return for a given year being due by January 20 of the
11 following year.

12 Such quarter annual and annual returns, as to form and
13 substance, shall be subject to the same requirements as monthly
14 returns.

15 Notwithstanding any other provision in this Act concerning
16 the time within which a serviceman may file his return, in the
17 case of any serviceman who ceases to engage in a kind of
18 business which makes him responsible for filing returns under
19 this Act, such serviceman shall file a final return under this
20 Act with the Department not more than 1 month after
21 discontinuing such business.

22 Where a serviceman collects the tax with respect to the
23 selling price of property which he sells and the purchaser
24 thereafter returns such property and the serviceman refunds the
25 selling price thereof to the purchaser, such serviceman shall
26 also refund, to the purchaser, the tax so collected from the
27 purchaser. When filing his return for the period in which he
28 refunds such tax to the purchaser, the serviceman may deduct
29 the amount of the tax so refunded by him to the purchaser from
30 any other Service Use Tax, Service Occupation Tax, retailers'
31 occupation tax or use tax which such serviceman may be required

3 may be claimed from the State by or on behalf of any unit of
4 local government for any local improvement made by special

17 connection therewith, and shall include cash, services and
18 property of every kind or nature, and shall be determined
19 without any deduction on account of the cost of the service,
20 product or commodity supplied, the cost of materials used,
21 labor or service costs, or any other expense whatsoever.
22 However, "gross receipts" shall not include receipts from:

23 (i) any minimum or other charge for gas or gas service
24 where the customer has taken no terms of gas;

25 (ii) any charge for a dishonored check;

26 (iii) any finance or credit charge, penalty or charge
27 for delayed payment, or discount for prompt payment;

3 (viii) any sale to a customer if the taxpayer is
4 prohibited by federal or State constitution, treaty,
5 convention, statute or court decision from recovering the
6 related tax liability from such customer;

9 Public Utilities Act, as amended, or any charges added to
10 customers' bills by taxpayers who are not subject to rate
11 regulation by the Illinois Commerce Commission for the
12 purpose of recovering any of the tax liabilities or other
13 amounts specified in such provisions of such Act; and

14 (x) prior to October 1, 2003, any charge for gas or gas
15 services to a customer who acquired contractual rights for
16 the direct purchase of gas or gas services originating from
17 an out-of-state supplier or source on or before March 1,
18 1995, except for those charges solely related to the local
19 distribution of gas by a public utility. This exemption
20 includes any charge for gas or gas service, except for
21 those charges solely related to the local distribution of
22 gas by a public utility, to a customer who maintained an
23 account with a public utility (as defined in Section 3-105
24 of the Public Utilities Act) for the transportation of
25 customer-owned gas on or before March 1, 1995. The
26 provisions of this amendatory Act of 1997 are intended to

28 and scope of this exemption. This exemption (x) expires on

30 In case credit is extended, the amount thereof shall be
31 included only as and when payments are received.

32 "Gross receipts" shall not include consideration received

14 political subdivision of this State.

15 "Invested capital" means that amount equal to (i) the
16 average of the balances at the beginning and end of each
17 taxable period of the taxpayer's total stockholder's equity and

19 corporations, as set forth on the balance sheets included in
20 the taxpayer's annual report to the Illinois Commerce

22 fraction determined under Sections 301 and 304(a) of the
23 "Illinois Income Tax Act" and reported on the Illinois income
24 tax return for the taxable period ending in or with the taxable

28 property or payroll factors under subsection (a) of Section 304
29 of the Illinois Income Tax Act shall include payroll, property
30 or sales of any corporate entity other than the taxpayer for
31 the purposes of determining an allocation for the invested
32 capital tax. This amendatory Act of 1982, Public Act 82-1024,
33 is not intended to and does not make any change in the meaning
34 of any provision of this Act, it having been the intent of the
35 General Assembly in initially enacting the definition of
36 "invested capital" to provide for apportionment of the invested

1 capital of each company, based solely upon the sales, property
2 and payroll of that company.

3 "Taxable period" means each period which ends after the
4 effective date of this Act and which is covered by an annual
5 report filed by the taxpayer with the Illinois Commerce

24 service, product or commodity supplied, the cost of materials
25 used, labor or service costs, or any other expense whatsoever.
26 However, "gross receipts" shall not include receipts from:

28 electric service where the customer has taken no
29 kilowatt-hours of electricity;

7 electricity;

8 (viii) any sale to a customer if the taxpayer is
9 prohibited by federal or State constitution, treaty,
10 convention, statute or court decision from recovering the
11 related tax liability from such customer; and

12 (ix) any charges added to customers' bills pursuant to
13 the provisions of Section 9-221 or Section 9-222 of the
14 Public Utilities Act, as amended, or any charges added to
15 customers' bills by taxpayers who are not subject to rate
16 regulation by the Illinois Commerce Commission for the
17 purpose of recovering any of the tax liabilities or other
18 amount specified in such provisions of such Act. In case
19 credit is extended, the amount thereof shall be included
20 only as and when payments are received.

21 "Gross receipts" shall not include consideration received
22 from business enterprises certified under Section 9-222.1 of
23 the Public Utilities Act, as amended, to the extent of such
24 exemption and during the period of time specified by the
25 Department of Commerce and Economic Opportunity ~~Community~~

4 Public Utilities Act, engaged in the business of distributing
5 electricity in this State for use or consumption and not for
6 resale.

7 "Taxpayer" for purposes of the Public Utilities Revenue Tax
8 means a person engaged in the business of distributing,
9 supplying, furnishing or selling electricity for use or
10 consumption and not for resale.

16 political subdivision of this State.

17 "Invested capital" in the case of an electric cooperative
18 subject to the tax imposed by Section 2a.1 means an amount
19 equal to the product determined by multiplying, (i) the average
20 of the balances at the beginning and end of the taxable period
21 of the taxpayer's total equity (including memberships,
22 patronage capital, operating margins, non-operating margins,
23 other margins and other equities), as set forth on the balance

2 Section 515. The Telecommunications Excise Tax Act is
3 amended by changing Section 2 as follows:

4 (35 ILCS 630/2) (from Ch. 120, par. 2002)

5 Sec. 2. As used in this Article, unless the context clearly
6 requires otherwise:

7 (a) "Gross charge" means the amount paid for the act or
8 privilege of originating or receiving telecommunications in
9 this State and for all services and equipment provided in
10 connection therewith by a retailer, valued in money whether
11 paid in money or otherwise, including cash, credits, services
12 and property of every kind or nature, and shall be determined
13 without any deduction on account of the cost of such
14 telecommunications, the cost of materials used, labor or
15 service costs or any other expense whatsoever. In case credit
16 is extended, the amount thereof shall be included only as and
17 when paid. "Gross charges" for private line service shall
18 include charges imposed at each channel termination point
19 within this State, charges for the channel mileage between each
20 channel termination point within this State, and charges for
21 that portion of the interstate inter-office channel provided
22 within Illinois. Charges for that portion of the interstate
23 inter-office channel provided in Illinois shall be determined
24 by the retailer as follows: (i) for interstate inter-office
25 channels having 2 channel termination points, only one of which
26 is in Illinois, 50% of the total charge imposed; or (ii) for
27 interstate inter-office channels having more than 2 channel
28 termination points, one or more of which are in Illinois, an
29 amount equal to the total charge multiplied by a fraction, the
30 numerator of which is the number of channel termination points
31 within Illinois and the denominator of which is the total
32 number of channel termination points. Prior to January 1, 2004,
33 any method consistent with this paragraph or other method that
34 reasonably apportions the total charges for interstate

1 inter-office channels among the states in which channel
2 terminations points are located shall be accepted as a
3 reasonable method to determine the charges for that portion of
4 the interstate inter-office channel provided within Illinois
5 for that period. However, "gross charges" shall not include any
6 of the following:

7 (1) Any amounts added to a purchaser's bill because of
8 a charge made pursuant to (i) the tax imposed by this
9 Article; (ii) charges added to customers' bills pursuant to
10 the provisions of Sections 9-221 or 9-222 of the Public
11 Utilities Act, as amended, or any similar charges added to
12 customers' bills by retailers who are not subject to rate
13 regulation by the Illinois Commerce Commission for the
14 purpose of recovering any of the tax liabilities or other
15 amounts specified in such provisions of such Act; (iii) the
16 tax imposed by Section 4251 of the Internal Revenue Code;
17 (iv) 911 surcharges; or (v) the tax imposed by the
18 Simplified Municipal Telecommunications Tax Act.

19 (2) Charges for a sent collect telecommunication
20 received outside of the State.

21 (3) Charges for leased time on equipment or charges for
22 the storage of data or information for subsequent retrieval
23 or the processing of data or information intended to change
24 its form or content. Such equipment includes, but is not
25 limited to, the use of calculators, computers, data
26 processing equipment, tabulating equipment or accounting
27 equipment and also includes the usage of computers under a
28 time-sharing agreement.

29 (4) Charges for customer equipment, including such
30 equipment that is leased or rented by the customer from any
31 source, wherein such charges are disaggregated and
32 separately identified from other charges.

33 (5) Charges to business enterprises certified under
34 Section 9-222.1 of the Public Utilities Act, as amended, to
35 the extent of such exemption and during the period of time
36 specified by the Department of Commerce and Economic

1 Opportunity ~~Community Affairs~~.

2 (6) Charges for telecommunications and all services
3 and equipment provided in connection therewith between a
4 parent corporation and its wholly owned subsidiaries or
5 between wholly owned subsidiaries when the tax imposed
6 under this Article has already been paid to a retailer and
7 only to the extent that the charges between the parent
8 corporation and wholly owned subsidiaries or between
9 wholly owned subsidiaries represent expense allocation
10 between the corporations and not the generation of profit
11 for the corporation rendering such service.

12 (7) Bad debts. Bad debt means any portion of a debt
13 that is related to a sale at retail for which gross charges
14 are not otherwise deductible or excludable that has become
15 worthless or uncollectable, as determined under applicable
16 federal income tax standards. If the portion of the debt
17 deemed to be bad is subsequently paid, the retailer shall
18 report and pay the tax on that portion during the reporting
19 period in which the payment is made.

20 (8) Charges paid by inserting coins in coin-operated
21 telecommunication devices.

22 (9) Amounts paid by telecommunications retailers under
23 the Telecommunications Municipal Infrastructure
24 Maintenance Fee Act.

25 (10) Charges for nontaxable services or
26 telecommunications if (i) those charges are aggregated
27 with other charges for telecommunications that are
28 taxable, (ii) those charges are not separately stated on
29 the customer bill or invoice, and (iii) the retailer can
30 reasonably identify the nontaxable charges on the
31 retailer's books and records kept in the regular course of
32 business. If the nontaxable charges cannot reasonably be
33 identified, the gross charge from the sale of both taxable
34 and nontaxable services or telecommunications billed on a
35 combined basis shall be attributed to the taxable services
36 or telecommunications. The burden of proving nontaxable

1 charges shall be on the retailer of the telecommunications.

2 (b) "Amount paid" means the amount charged to the
3 taxpayer's service address in this State regardless of where
4 such amount is billed or paid.

5 (c) "Telecommunications", in addition to the meaning
6 ordinarily and popularly ascribed to it, includes, without
7 limitation, messages or information transmitted through use of
8 local, toll and wide area telephone service; private line
9 services; channel services; telegraph services;
10 teletypewriter; computer exchange services; cellular mobile
11 telecommunications service; specialized mobile radio;
12 stationary two way radio; paging service; or any other form of
13 mobile and portable one-way or two-way communications; or any
14 other transmission of messages or information by electronic or
15 similar means, between or among points by wire, cable,
16 fiber-optics, laser, microwave, radio, satellite or similar
17 facilities. As used in this Act, "private line" means a
18 dedicated non-traffic sensitive service for a single customer,
19 that entitles the customer to exclusive or priority use of a
20 communications channel or group of channels, from one or more
21 specified locations to one or more other specified locations.
22 The definition of "telecommunications" shall not include value
23 added services in which computer processing applications are
24 used to act on the form, content, code and protocol of the
25 information for purposes other than transmission.
26 "Telecommunications" shall not include purchases of
27 telecommunications by a telecommunications service provider
28 for use as a component part of the service provided by him to
29 the ultimate retail consumer who originates or terminates the
30 taxable end-to-end communications. Carrier access charges,
31 right of access charges, charges for use of inter-company
32 facilities, and all telecommunications resold in the
33 subsequent provision of, used as a component of, or integrated
34 into end-to-end telecommunications service shall be
35 non-taxable as sales for resale.

36 (d) "Interstate telecommunications" means all

1 telecommunications that either originate or terminate outside
2 this State.

3 (e) "Intrastate telecommunications" means all
4 telecommunications that originate and terminate within this
5 State.

6 (f) "Department" means the Department of Revenue of the
7 State of Illinois.

8 (g) "Director" means the Director of Revenue for the
9 Department of Revenue of the State of Illinois.

10 (h) "Taxpayer" means a person who individually or through
11 his agents, employees or permittees engages in the act or
12 privilege of originating or receiving telecommunications in
13 this State and who incurs a tax liability under this Article.

14 (i) "Person" means any natural individual, firm, trust,
15 estate, partnership, association, joint stock company, joint
16 venture, corporation, limited liability company, or a
17 receiver, trustee, guardian or other representative appointed
18 by order of any court, the Federal and State governments,
19 including State universities created by statute or any city,
20 town, county or other political subdivision of this State.

21 (j) "Purchase at retail" means the acquisition,
22 consumption or use of telecommunication through a sale at
23 retail.

24 (k) "Sale at retail" means the transmitting, supplying or
25 furnishing of telecommunications and all services and
26 equipment provided in connection therewith for a consideration
27 to persons other than the Federal and State governments, and
28 State universities created by statute and other than between a
29 parent corporation and its wholly owned subsidiaries or between
30 wholly owned subsidiaries for their use or consumption and not
31 for resale.

32 (l) "Retailer" means and includes every person engaged in
33 the business of making sales at retail as defined in this
34 Article. The Department may, in its discretion, upon
35 application, authorize the collection of the tax hereby imposed
36 by any retailer not maintaining a place of business within this

1 State, who, to the satisfaction of the Department, furnishes
2 adequate security to insure collection and payment of the tax.
3 Such retailer shall be issued, without charge, a permit to
4 collect such tax. When so authorized, it shall be the duty of
5 such retailer to collect the tax upon all of the gross charges
6 for telecommunications in this State in the same manner and
7 subject to the same requirements as a retailer maintaining a
8 place of business within this State. The permit may be revoked
9 by the Department at its discretion.

10 (m) "Retailer maintaining a place of business in this
11 State", or any like term, means and includes any retailer
12 having or maintaining within this State, directly or by a
13 subsidiary, an office, distribution facilities, transmission
14 facilities, sales office, warehouse or other place of business,
15 or any agent or other representative operating within this
16 State under the authority of the retailer or its subsidiary,
17 irrespective of whether such place of business or agent or
18 other representative is located here permanently or
19 temporarily, or whether such retailer or subsidiary is licensed
20 to do business in this State.

21 (n) "Service address" means the location of
22 telecommunications equipment from which the telecommunications
23 services are originated or at which telecommunications
24 services are received by a taxpayer. In the event this may not
25 be a defined location, as in the case of mobile phones, paging
26 systems, maritime systems, service address means the
27 customer's place of primary use as defined in the Mobile
28 Telecommunications Sourcing Conformity Act. For air-to-ground
29 systems and the like, service address shall mean the location
30 of a taxpayer's primary use of the telecommunications equipment
31 as defined by telephone number, authorization code, or location
32 in Illinois where bills are sent.

33 (o) "Prepaid telephone calling arrangements" mean the
34 right to exclusively purchase telephone or telecommunications
35 services that must be paid for in advance and enable the
36 origination of one or more intrastate, interstate, or

1 international telephone calls or other telecommunications
2 using an access number, an authorization code, or both, whether
3 manually or electronically dialed, for which payment to a
4 retailer must be made in advance, provided that, unless
5 recharged, no further service is provided once that prepaid
6 amount of service has been consumed. Prepaid telephone calling
7 arrangements include the recharge of a prepaid calling
8 arrangement. For purposes of this subsection, "recharge" means
9 the purchase of additional prepaid telephone or
10 telecommunications services whether or not the purchaser
11 acquires a different access number or authorization code.
12 "Prepaid telephone calling arrangement" does not include an
13 arrangement whereby a customer purchases a payment card and
14 pursuant to which the service provider reflects the amount of
15 such purchase as a credit on an invoice issued to that customer
16 under an existing subscription plan.

19 Section 520. The Telecommunications Infrastructure
20 Maintenance Fee Act is amended by changing Section 10 as
21 follows:

22 (35 ILCS 635/10)

23 Sec. 10. Definitions.

24 (a) "Gross charges" means the amount paid to a
25 telecommunications retailer for the act or privilege of
26 originating or receiving telecommunications in this State and
27 for all services rendered in connection therewith, valued in
28 money whether paid in money or otherwise, including cash,
29 credits, services, and property of every kind or nature, and
30 shall be determined without any deduction on account of the
31 cost of such telecommunications, the cost of the materials
32 used, labor or service costs, or any other expense whatsoever.
33 In case credit is extended, the amount thereof shall be
34 included only as and when paid. "Gross charges" for private

1 line service shall include charges imposed at each channel
2 termination point within this State, charges for the channel
3 mileage between each channel termination point within this
4 State, and charges for that portion of the interstate
5 inter-office channel provided within Illinois. Charges for
6 that portion of the interstate inter-office channel provided in
7 Illinois shall be determined by the retailer as follows: (i)
8 for interstate inter-office channels having 2 channel
9 termination points, only one of which is in Illinois, 50% of
10 the total charge imposed; or (ii) for interstate inter-office
11 channels having more than 2 channel termination points, one or
12 more of which are in Illinois, an amount equal to the total
13 charge multiplied by a fraction, the numerator of which is the
14 number of channel termination points within Illinois and the
15 denominator of which is the total number of channel termination
16 points. Prior to January 1, 2004, any method consistent with
17 this paragraph or other method that reasonably apportions the
18 total charges for interstate inter-office channels among the
19 states in which channel terminations points are located shall
20 be accepted as a reasonable method to determine the charges for
21 that portion of the interstate inter-office channel provided
22 within Illinois for that period. However, "gross charges" shall
23 not include any of the following:

24 (1) Any amounts added to a purchaser's bill because of
25 a charge made under: (i) the fee imposed by this Section,
26 (ii) additional charges added to a purchaser's bill under
27 Section 9-221 or 9-222 of the Public Utilities Act, (iii)
28 the tax imposed by the Telecommunications Excise Tax Act,
29 (iv) 911 surcharges, (v) the tax imposed by Section 4251 of
30 the Internal Revenue Code, or (vi) the tax imposed by the
31 Simplified Municipal Telecommunications Tax Act.

32 (2) Charges for a sent collect telecommunication
33 received outside of this State.

34 (3) Charges for leased time on equipment or charges for
35 the storage of data or information or subsequent retrieval
36 or the processing of data or information intended to change

1 its form or content. Such equipment includes, but is not
2 limited to, the use of calculators, computers, data
3 processing equipment, tabulating equipment, or accounting
4 equipment and also includes the usage of computers under a
5 time-sharing agreement.

6 (4) Charges for customer equipment, including such
7 equipment that is leased or rented by the customer from any
8 source, wherein such charges are disaggregated and
9 separately identified from other charges.

10 (5) Charges to business enterprises certified under
11 Section 9-222.1 of the Public Utilities Act to the extent
12 of such exemption and during the period of time specified
13 by the Department of Commerce and Economic Opportunity
14 ~~Community Affairs~~.

15 (6) Charges for telecommunications and all services
16 and equipment provided in connection therewith between a
17 parent corporation and its wholly owned subsidiaries or
18 between wholly owned subsidiaries, and only to the extent
19 that the charges between the parent corporation and wholly
20 owned subsidiaries or between wholly owned subsidiaries
21 represent expense allocation between the corporations and
22 not the generation of profit other than a regulatory
23 required profit for the corporation rendering such
24 services.

25 (7) Bad debts ("bad debt" means any portion of a debt
26 that is related to a sale at retail for which gross charges
27 are not otherwise deductible or excludable that has become
28 worthless or uncollectible, as determined under applicable
29 federal income tax standards; if the portion of the debt
30 deemed to be bad is subsequently paid, the retailer shall
31 report and pay the tax on that portion during the reporting
32 period in which the payment is made).

33 (8) Charges paid by inserting coins in coin-operated
34 telecommunication devices.

35 (9) Charges for nontaxable services or
36 telecommunications if (i) those charges are aggregated

1 with other charges for telecommunications that are
2 taxable, (ii) those charges are not separately stated on
3 the customer bill or invoice, and (iii) the retailer can
4 reasonably identify the nontaxable charges on the
5 retailer's books and records kept in the regular course of
6 business. If the nontaxable charges cannot reasonably be
7 identified, the gross charge from the sale of both taxable
8 and nontaxable services or telecommunications billed on a
9 combined basis shall be attributed to the taxable services
10 or telecommunications. The burden of proving nontaxable
11 charges shall be on the retailer of the telecommunications.

12 (a-5) "Department" means the Illinois Department of
13 Revenue.

14 (b) "Telecommunications" includes, but is not limited to,
15 messages or information transmitted through use of local, toll,
16 and wide area telephone service, channel services, telegraph
17 services, teletypewriter service, computer exchange services,
18 private line services, specialized mobile radio services, or
19 any other transmission of messages or information by electronic
20 or similar means, between or among points by wire, cable, fiber
21 optics, laser, microwave, radio, satellite, or similar
22 facilities. Unless the context clearly requires otherwise,
23 "telecommunications" shall also include wireless
24 telecommunications as hereinafter defined.

25 "Telecommunications" shall not include value added services in
26 which computer processing applications are used to act on the
27 form, content, code, and protocol of the information for
28 purposes other than transmission. "Telecommunications" shall
29 not include purchase of telecommunications by a
30 telecommunications service provider for use as a component part
31 of the service provided by him or her to the ultimate retail
32 consumer who originates or terminates the end-to-end
33 communications. Retailer access charges, right of access
34 charges, charges for use of intercompany facilities, and all
35 telecommunications resold in the subsequent provision and used
36 as a component of, or integrated into, end-to-end

1 telecommunications service shall not be included in gross
2 charges as sales for resale. "Telecommunications" shall not
3 include the provision of cable services through a cable system
4 as defined in the Cable Communications Act of 1984 (47 U.S.C.
5 Sections 521 and following) as now or hereafter amended or
6 through an open video system as defined in the Rules of the
7 Federal Communications Commission (47 C.D.F. 76.1550 and
8 following) as now or hereafter amended. Beginning January 1,
9 2001, prepaid telephone calling arrangements shall not be
10 considered "telecommunications" subject to the tax imposed
11 under this Act. For purposes of this Section, "prepaid
12 telephone calling arrangements" means that term as defined in
13 Section 2-27 of the Retailers' Occupation Tax Act.

14 (c) "Wireless telecommunications" includes cellular mobile
15 telephone services, personal wireless services as defined in
16 Section 704(C) of the Telecommunications Act of 1996 (Public
17 Law No. 104-104) as now or hereafter amended, including all
18 commercial mobile radio services, and paging services.

19 (d) "Telecommunications retailer" or "retailer" or
20 "carrier" means and includes every person engaged in the
21 business of making sales of telecommunications at retail as
22 defined in this Section. The Department may, in its discretion,
23 upon applications, authorize the collection of the fee hereby
24 imposed by any retailer not maintaining a place of business
25 within this State, who, to the satisfaction of the Department,
26 furnishes adequate security to insure collection and payment of
27 the fee. When so authorized, it shall be the duty of such
28 retailer to pay the fee upon all of the gross charges for
29 telecommunications in the same manner and subject to the same
30 requirements as a retailer maintaining a place of business
31 within this State.

32 (e) "Retailer maintaining a place of business in this
33 State", or any like term, means and includes any retailer
34 having or maintaining within this State, directly or by a
35 subsidiary, an office, distribution facilities, transmission
36 facilities, sales office, warehouse, or other place of

1 business, or any agent or other representative operating within
2 this State under the authority of the retailer or its
3 subsidiary, irrespective of whether such place of business or
4 agent or other representative is located here permanently or
5 temporarily, or whether such retailer or subsidiary is licensed
6 to do business in this State.

7 (f) "Sale of telecommunications at retail" means the
8 transmitting, supplying, or furnishing of telecommunications
9 and all services rendered in connection therewith for a
10 consideration, other than between a parent corporation and its
11 wholly owned subsidiaries or between wholly owned
12 subsidiaries, when the gross charge made by one such
13 corporation to another such corporation is not greater than the
14 gross charge paid to the retailer for their use or consumption
15 and not for sale.

16 (g) "Service address" means the location of
17 telecommunications equipment from which telecommunications
18 services are originated or at which telecommunications
19 services are received. If this is not a defined location, as in
20 the case of wireless telecommunications, paging systems,
21 maritime systems, service address means the customer's place of
22 primary use as defined in the Mobile Telecommunications
23 Sourcing Conformity Act. For air-to-ground systems, and the
24 like, "service address" shall mean the location of the
25 customer's primary use of the telecommunications equipment as
26 defined by the location in Illinois where bills are sent.

27 (Source: P.A. 92-474, eff. 8-1-02; 92-526, eff. 1-1-03; 92-878,
28 eff. 1-1-04; 93-286, eff. 1-1-04; revised 12-6-03.)

29 Section 525. The Simplified Municipal Telecommunications
30 Tax Act is amended by changing Section 5-7 as follows:

31 (35 ILCS 636/5-7)

32 Sec. 5-7. Definitions. For purposes of the taxes authorized
33 by this Act:

34 "Amount paid" means the amount charged to the taxpayer's

1 service address in such municipality regardless of where such
2 amount is billed or paid.

3 "Department" means the Illinois Department of Revenue.

4 "Gross charge" means the amount paid for the act or
5 privilege of originating or receiving telecommunications in
6 such municipality and for all services and equipment provided
7 in connection therewith by a retailer, valued in money whether
8 paid in money or otherwise, including cash, credits, services
9 and property of every kind or nature, and shall be determined
10 without any deduction on account of the cost of such
11 telecommunications, the cost of the materials used, labor or
12 service costs or any other expense whatsoever. In case credit
13 is extended, the amount thereof shall be included only as and
14 when paid. "Gross charges" for private line service shall
15 include charges imposed at each channel termination point
16 within a municipality that has imposed a tax under this Section
17 and charges for the portion of the inter-office channels
18 provided within that municipality. Charges for that portion of
19 the inter-office channel connecting 2 or more channel
20 termination points, one or more of which is located within the
21 jurisdictional boundary of such municipality, shall be
22 determined by the retailer by multiplying an amount equal to
23 the total charge for the inter-office channel by a fraction,
24 the numerator of which is the number of channel termination
25 points that are located within the jurisdictional boundary of
26 the municipality and the denominator of which is the total
27 number of channel termination points connected by the
28 inter-office channel. Prior to January 1, 2004, any method
29 consistent with this paragraph or other method that reasonably
30 apportions the total charges for inter-office channels among
31 the municipalities in which channel termination points are
32 located shall be accepted as a reasonable method to determine
33 the taxable portion of an inter-office channel provided within
34 a municipality for that period. However, "gross charge" shall
35 not include any of the following:

36 (1) Any amounts added to a purchaser's bill because of

1 a charge made pursuant to: (i) the tax imposed by this Act,
2 (ii) the tax imposed by the Telecommunications Excise Tax
3 Act, (iii) the tax imposed by Section 4251 of the Internal
4 Revenue Code, (iv) 911 surcharges, or (v) charges added to
5 customers' bills pursuant to the provisions of Section
6 9-221 or 9-222 of the Public Utilities Act, as amended, or
7 any similar charges added to customers' bills by retailers
8 who are not subject to rate regulation by the Illinois
9 Commerce Commission for the purpose of recovering any of
10 the tax liabilities or other amounts specified in those
11 provisions of the Public Utilities Act.

12 (2) Charges for a sent collect telecommunication
13 received outside of such municipality.

14 (3) Charges for leased time on equipment or charges for
15 the storage of data or information for subsequent retrieval
16 or the processing of data or information intended to change
17 its form or content. Such equipment includes, but is not
18 limited to, the use of calculators, computers, data
19 processing equipment, tabulating equipment or accounting
20 equipment and also includes the usage of computers under a
21 time-sharing agreement.

22 (4) Charges for customer equipment, including such
23 equipment that is leased or rented by the customer from any
24 source, wherein such charges are disaggregated and
25 separately identified from other charges.

26 (5) Charges to business enterprises certified as
27 exempt under Section 9-222.1 of the Public Utilities Act to
28 the extent of such exemption and during the period of time
29 specified by the Department of Commerce and Economic
30 Opportunity ~~Community Affairs~~.

31 (6) Charges for telecommunications and all services
32 and equipment provided in connection therewith between a
33 parent corporation and its wholly owned subsidiaries or
34 between wholly owned subsidiaries when the tax imposed
35 under this Act has already been paid to a retailer and only
36 to the extent that the charges between the parent

1 corporation and wholly owned subsidiaries or between
2 wholly owned subsidiaries represent expense allocation
3 between the corporations and not the generation of profit
4 for the corporation rendering such service.

5 (7) Bad debts ("bad debt" means any portion of a debt
6 that is related to a sale at retail for which gross charges
7 are not otherwise deductible or excludable that has become
8 worthless or uncollectible, as determined under applicable
9 federal income tax standards; if the portion of the debt
10 deemed to be bad is subsequently paid, the retailer shall
11 report and pay the tax on that portion during the reporting
12 period in which the payment is made).

13 (8) Charges paid by inserting coins in coin-operated
14 telecommunication devices.

15 (9) Amounts paid by telecommunications retailers under
16 the Telecommunications Infrastructure Maintenance Fee Act.

17 (10) Charges for nontaxable services or
18 telecommunications if (i) those charges are aggregated
19 with other charges for telecommunications that are
20 taxable, (ii) those charges are not separately stated on
21 the customer bill or invoice, and (iii) the retailer can
22 reasonably identify the nontaxable charges on the
23 retailer's books and records kept in the regular course of
24 business. If the nontaxable charges cannot reasonably be
25 identified, the gross charge from the sale of both taxable
26 and nontaxable services or telecommunications billed on a
27 combined basis shall be attributed to the taxable services
28 or telecommunications. The burden of proving nontaxable
29 charges shall be on the retailer of the telecommunications.

30 "Interstate telecommunications" means all
31 telecommunications that either originate or terminate outside
32 this State.

33 "Intrastate telecommunications" means all
34 telecommunications that originate and terminate within this
35 State.

36 "Person" means any natural individual, firm, trust,

1 estate, partnership, association, joint stock company, joint
2 venture, corporation, limited liability company, or a
3 receiver, trustee, guardian, or other representative appointed
4 by order of any court, the Federal and State governments,
5 including State universities created by statute, or any city,
6 town, county, or other political subdivision of this State.

7 "Purchase at retail" means the acquisition, consumption or
8 use of telecommunications through a sale at retail.

9 "Retailer" means and includes every person engaged in the
10 business of making sales at retail as defined in this Section.
11 The Department may, in its discretion, upon application,
12 authorize the collection of the tax hereby imposed by any
13 retailer not maintaining a place of business within this State,
14 who, to the satisfaction of the Department, furnishes adequate
15 security to insure collection and payment of the tax. Such
16 retailer shall be issued, without charge, a permit to collect
17 such tax. When so authorized, it shall be the duty of such
18 retailer to collect the tax upon all of the gross charges for
19 telecommunications in this State in the same manner and subject
20 to the same requirements as a retailer maintaining a place of
21 business within this State. The permit may be revoked by the
22 Department at its discretion.

23 "Retailer maintaining a place of business in this State",
24 or any like term, means and includes any retailer having or
25 maintaining within this State, directly or by a subsidiary, an
26 office, distribution facilities, transmission facilities,
27 sales office, warehouse or other place of business, or any
28 agent or other representative operating within this State under
29 the authority of the retailer or its subsidiary, irrespective
30 of whether such place of business or agent or other
31 representative is located here permanently or temporarily, or
32 whether such retailer or subsidiary is licensed to do business
33 in this State.

34 "Sale at retail" means the transmitting, supplying or
35 furnishing of telecommunications and all services and
36 equipment provided in connection therewith for a

1 consideration, to persons other than the Federal and State
2 governments, and State universities created by statute and
3 other than between a parent corporation and its wholly owned
4 subsidiaries or between wholly owned subsidiaries for their use
5 or consumption and not for resale.

6 "Service address" means the location of telecommunications
7 equipment from which telecommunications services are
8 originated or at which telecommunications services are
9 received by a taxpayer. In the event this may not be a defined
10 location, as in the case of mobile phones, paging systems, and
11 maritime systems, service address means the customer's place of
12 primary use as defined in the Mobile Telecommunications
13 Sourcing Conformity Act. For air-to-ground systems and the
14 like, "service address" shall mean the location of a taxpayer's
15 primary use of the telecommunications equipment as defined by
16 telephone number, authorization code, or location in Illinois
17 where bills are sent.

18 "Taxpayer" means a person who individually or through his
19 or her agents, employees, or permittees engages in the act or
20 privilege of originating or receiving telecommunications in a
21 municipality and who incurs a tax liability as authorized by
22 this Act.

23 "Telecommunications", in addition to the meaning
24 ordinarily and popularly ascribed to it, includes, without
25 limitation, messages or information transmitted through use of
26 local, toll, and wide area telephone service, private line
27 services, channel services, telegraph services,
28 teletypewriter, computer exchange services, cellular mobile
29 telecommunications service, specialized mobile radio,
30 stationary two-way radio, paging service, or any other form of
31 mobile and portable one-way or two-way communications, or any
32 other transmission of messages or information by electronic or
33 similar means, between or among points by wire, cable, fiber
34 optics, laser, microwave, radio, satellite, or similar
35 facilities. As used in this Act, "private line" means a
36 dedicated non-traffic sensitive service for a single customer,

1 that entitles the customer to exclusive or priority use of a
2 communications channel or group of channels, from one or more
3 specified locations to one or more other specified locations.
4 The definition of "telecommunications" shall not include value
5 added services in which computer processing applications are
6 used to act on the form, content, code, and protocol of the
7 information for purposes other than transmission.
8 "Telecommunications" shall not include purchases of
9 telecommunications by a telecommunications service provider
10 for use as a component part of the service provided by such
11 provider to the ultimate retail consumer who originates or
12 terminates the taxable end-to-end communications. Carrier
13 access charges, right of access charges, charges for use of
14 inter-company facilities, and all telecommunications resold in
15 the subsequent provision of, used as a component of, or
16 integrated into, end-to-end telecommunications service shall
17 be non-taxable as sales for resale. Prepaid telephone calling
18 arrangements shall not be considered "telecommunications"
19 subject to the tax imposed under this Act. For purposes of this
20 Section, "prepaid telephone calling arrangements" means that
21 term as defined in Section 2-27 of the Retailers' Occupation
22 Tax Act.

34 the practice of resale and redistribution of electricity within
35 a building prior to January 2, 1957, and who, in any case where
36 more than one person participates in the delivery of

1 electricity to a specific purchaser, is the last of the

4 (j) "Delivering supplier maintaining a place of business in

25 (35 ILCS 640/2-4)

26 Sec. 2-4. Tax imposed.

27 (a) Except as provided in subsection (b), a tax is imposed
28 on the privilege of using in this State electricity purchased

30 municipal corporations owning and operating a local
31 transportation system for public service, at the following
32 rates per kilowatt-hour delivered to the purchaser:

33 (i) For the first 2000 kilowatt-hours used or consumed
34 in a month: 0.330 cents per kilowatt-hour;

21 the self-assessing purchaser's purchase price for all
22 electricity distributed, supplied, furnished, sold,
23 transmitted and delivered to the self-assessing purchaser in a
24 month.

25 (b) A tax is imposed on the privilege of using in this
26 State electricity purchased from a municipal system or electric
27 cooperative, as defined in Article XVII of the Public Utilities
28 Act, which has not made an election as permitted by either
29 Section 17-200 or Section 17-300 of such Act, at the lesser of
30 0.32 cents per kilowatt hour of all electricity distributed,
31 supplied, furnished, sold, transmitted, and delivered by such

13 12-6-03.)

14 Section 535. The Illinois Pension Code is amended by
15 changing Sections 1-103.3, 14-108.4, and 14-134 as follows:

16 (40 ILCS 5/1-103.3)

17 Sec. 1-103.3. Application of 1994 amendment; funding
18 standard.

19 (a) The provisions of this amendatory Act of 1994 that
20 change the method of calculating, certifying, and paying the
21 required State contributions to the retirement systems
22 established under Articles 2, 14, 15, 16, and 18 shall first
23 apply to the State contributions required for State fiscal year
24 1996.

25 (b) The General Assembly declares that a funding ratio (the
26 ratio of a retirement system's total assets to its total
27 actuarial liabilities) of 90% is an appropriate goal for
28 State-funded retirement systems in Illinois, and it finds that
29 a funding ratio of 90% is now the generally-recognized norm
30 throughout the nation for public employee retirement systems
31 that are considered to be financially secure and funded in an
32 appropriate and responsible manner.

33 (c) Every 5 years, beginning in 1999, the Illinois Economic
34 and Fiscal Commission, in consultation with the affected

1 retirement systems and the Governor's Office of Management and
2 Budget (formerly Bureau of the Budget), shall consider and
3 determine whether the 90% funding ratio adopted in subsection
4 (b) continues to represent an appropriate goal for State-funded
5 retirement systems in Illinois, and it shall report its
6 findings and recommendations on this subject to the Governor
7 and the General Assembly.

9 (40 ILCS 5/14-108.4) (from Ch. 108 1/2, par. 14-108.4)

10 Sec. 14-108.4. State police early retirement incentives.

11 (a) To be eligible for the benefits provided in this
12 Section, a person must:

13 (1) be a member of this System who, on any day during
14 October, 1992, is in active payroll status in a position of
15 employment with the Department of State Police for which
16 eligible creditable service is being earned under Section
17 14-110;

18 (2) have not previously retired under this Article;

19 (3) file a written application requesting the benefits
20 provided in this Section with the Director of State Police
21 and the Board on or before January 20, 1993;

22 (4) establish eligibility to receive a retirement
23 annuity under Section 14-110 by January 31, 1993 (for which
24 purpose any age enhancement or creditable service received
25 under this Section may be used) and elect to receive the
26 retirement annuity beginning not earlier than January 1,
27 1993 and not later than February 1, 1993, except that with
28 the written permission of the Director of State Police, the
29 effective date of the retirement annuity may be postponed
30 to no later than July 1, 1993.

31 (b) An eligible person may establish up to 5 years of
32 creditable service under this Article, in increments of one
33 month, by making the contributions specified in subsection (c).
34 In addition, for each month of creditable service established
35 under this Section, a person's age at retirement shall be

1 deemed to be one month older than it actually is.

2 The creditable service established under this Section
3 shall be deemed eligible creditable service as defined in
4 Section 14-110, and may be used for all purposes under this
5 Article and the Retirement Systems Reciprocal Act, except for
6 the computation of final average compensation under Section
7 14-103.12, or the determination of compensation under this or
8 any other Article of this Code.

9 The age enhancement established under this Section may be
10 used for all purposes under this Article (including calculation
11 of a proportionate annuity payable by this System under the
12 Retirement Systems Reciprocal Act), except for purposes of the
13 level income option in Section 14-112, the reversionary annuity
14 under Section 14-113, and the required distributions under
15 Section 14-121.1. However, age enhancement established under
16 this Section shall not be used in determining benefits payable
17 under other Articles of this Code under the Retirement Systems
18 Reciprocal Act.

19 (c) For all creditable service established under this
20 Section, a person must pay to the System an employee
21 contribution to be determined by the System, based on the
22 member's final rate of compensation and one-half of the total
23 retirement contribution rate in effect for the member under
24 subdivision (a) (3) of Section 14-133 on the date of withdrawal.

25 If the member receives a lump sum payment for accumulated
26 vacation, sick leave and personal leave upon withdrawal from
27 service, and the net amount of that lump sum payment is at
28 least as great as the amount of the contribution required under
29 this Section, the entire contribution (or so much of it as does
30 not exceed the contribution limitations of Section 415 of the
31 Internal Revenue Code of 1986) must be paid by the employee
32 before the retirement annuity may become payable. If there is
33 no such lump sum payment, or if it is less than the
34 contribution required under this Section, the member may either
35 pay the entire contribution before the retirement annuity
36 becomes payable, or may instead make an initial payment before

1 the retirement annuity becomes payable, equal to the net amount
2 of the lump sum payment for accumulated vacation, sick leave
3 and personal leave (or so much of it as does not exceed the
4 contribution limitations of Section 415 of the Internal Revenue
5 Code of 1986), and have the remaining amount due deducted from
6 the retirement annuity in 24 equal monthly installments
7 beginning in the month in which the retirement annuity takes
8 effect.

9 However, if the net amount of the lump sum payment for
10 accumulated vacation, sick leave and personal leave equals or
11 exceeds the contribution required under this Section, but the
12 required contribution exceeds an applicable contribution
13 limitation contained in Section 415 of the Internal Revenue
14 Code of 1986, then the amount of the contribution in excess of
15 the Section 415 limitation shall instead be paid by the
16 annuitant in January of 1994. If this additional amount is not
17 paid as required, the retirement annuity shall be suspended
18 until the required contribution is received.

19 (d) Notwithstanding Section 14-111, an annuitant who has
20 received any age enhancement or creditable service under this
21 Section and who reenters service under this Article other than
22 as a temporary employee shall thereby forfeit such age
23 enhancement and creditable service, and become entitled to a
24 refund of the contributions made pursuant to this Section.

25 (e) The Board shall determine the unfunded accrued
26 liability created by the granting of early retirement benefits
27 to State policemen under this Section, and shall certify the
28 amount of that liability to the Department of State Police, the
29 State Comptroller, the State Treasurer, and the Bureau of the
30 Budget (now Governor's Office of Management and Budget) by June
31 1, 1993, or as soon thereafter as is practical. In addition to
32 any other payments to the System required under this Code, the
33 Department of State Police shall pay to the System the amount
34 of that unfunded accrued liability, out of funds appropriated
35 to the Department for that purpose, over a period of 7 years at
36 the rate of 14.3% of the certified amount per year, plus

1 interest on the unpaid balance at the actuarial rate as
2 calculated and certified annually by the Board. Beginning in
3 State fiscal year 1996, the liability created under this
4 subsection (e) shall be included in the calculation of the
5 required State contribution under Section 14-131 and no
6 additional payments need be made under this subsection.

8 (40 ILCS 5/14-134) (from Ch. 108 1/2, par. 14-134)

9 Sec. 14-134. Board created. The retirement system created
10 by this Article shall be a trust, separate and distinct from
11 all other entities. The responsibility for the operation of the
12 system and for making effective this Article is vested in a

4 Illinois Enterprise Zone Act;

5 (ii) such ad valorem taxes shall be rebated only in
6 such amounts and for such tax year or years as the
7 county and any one or more affected taxing districts
8 shall have agreed by prior written agreement;

9 (iii) any amount of rebate of taxes shall not
10 exceed the portion, if any, of taxes levied by the
11 county or such taxing district or districts which is
12 attributable to the increase in the current equalized
13 assessed valuation of each taxable lot, block, tract or
14 parcel of real property in the economic development
15 project area over and above the initial equalized
16 assessed value of each property existing at the time
17 property tax allocation financing was adopted for said
18 economic development project area; and

19 (iv) costs of rebating ad valorem taxes shall be
20 paid by a county solely from the special tax allocation
21 fund established pursuant to this Act and shall be paid
22 from the proceeds of any obligations issued by a
23 county.

24 (11) Costs of job training, advanced vocational
25 education or career education programs, including but not
26 limited to courses in occupational, semi-technical or
27 technical fields leading directly to employment, incurred
28 by one or more taxing districts, provided that such costs
29 are related to the establishment and maintenance of
30 additional job training, advanced vocational education or
31 career education programs for persons employed or to be
32 employed by employers located in an economic development
33 project area, and further provided, that when such costs
34 are incurred by a taxing district or taxing districts other
35 than the county, they shall be set forth in a written
36 agreement by or among the county and the taxing district or

1 taxing districts, which agreement describes the program to
2 be undertaken, including, but not limited to, the number of
3 employees to be trained, a description of the training and
4 services to be provided, the number and type of positions
5 available or to be available, itemized costs of the program
6 and sources of funds to pay the same, and the term of the
7 agreement. Such costs include, specifically, the payment
8 by community college districts of costs pursuant to Section
9 3-37, 3-38, 3-40 and 3-40.1 of the Public Community College
10 Act and by school districts of costs pursuant to Sections
11 10-22.20 and 10-23.3a of the School Code;

12 (12) Private financing costs incurred by developers or
13 other non-governmental persons in connection with an
14 economic development project, and specifically including
15 payments to developers or other non-governmental persons
16 as reimbursement for such costs incurred by such developer
17 or other non-governmental persons provided that:

18 (A) private financing costs shall be paid or
19 reimbursed by a county only pursuant to the prior
20 official action of the county evidencing an intent to
21 pay such private financing costs;

22 (B) except as provided in subparagraph (D) of this
23 Section, the aggregate amount of such costs paid or
24 reimbursed by a county in any one year shall not exceed
25 30% of such costs paid or incurred by such developer or
26 other non-governmental person in that year;

27 (C) private financing costs shall be paid or
28 reimbursed by a county solely from the special tax
29 allocation fund established pursuant to this Act and
30 shall not be paid or reimbursed from the proceeds of
31 any obligations issued by a county;

32 (D) if there are not sufficient funds available in
33 the special tax allocation fund in any year to make
34 such payment or reimbursement in full, any amount of
35 such private financing costs remaining to be paid or
36 reimbursed by a county shall accrue and be payable when

1 funds are available in the special tax allocation fund
2 to make such payment; and

3 (E) in connection with its approval and
4 certification of an economic development project
5 pursuant to Section 5 of this Act, the Department shall
6 review any agreement authorizing the payment or
7 reimbursement by a county of private financing costs in
8 its consideration of the impact on the revenues of the
9 county and the affected taxing districts of the use of
10 property tax allocation financing.

11 (f) "Obligations" means any instrument evidencing the
12 obligation of a county to pay money, including without
13 limitation, bonds, notes, installment or financing contracts,
14 certificates, tax anticipation warrants or notes, vouchers,
15 and any other evidence of indebtedness.

16 (g) "Taxing districts" means municipalities, townships,
17 counties, and school, road, park, sanitary, mosquito
18 abatement, forest preserve, public health, fire protection,
19 river conservancy, tuberculosis sanitarium and any other
20 county corporations or districts with the power to levy taxes
21 on real property.

23 Section 570. The Illinois Municipal Code is amended by
24 changing Sections 8-11-2, 11-31.1-14, 11-48.3-29, 11-74.4-6,
25 11-74.4-8a, and 11-74.6-10 as follows:

26 (65 ILCS 5/8-11-2) (from Ch. 24, par. 8-11-2)

27 Sec. 8-11-2. The corporate authorities of any municipality
28 may tax any or all of the following occupations or privileges:

29 1. (Blank).

30 2. Persons engaged in the business of distributing,
31 supplying, furnishing, or selling gas for use or
32 consumption within the corporate limits of a municipality
33 of 500,000 or fewer population, and not for resale, at a
34 rate not to exceed 5% of the gross receipts therefrom.

1 2a. Persons engaged in the business of distributing,
2 supplying, furnishing, or selling gas for use or
3 consumption within the corporate limits of a municipality
4 of over 500,000 population, and not for resale, at a rate
5 not to exceed 8% of the gross receipts therefrom. If
6 imposed, this tax shall be paid in monthly payments.

7 3. The privilege of using or consuming electricity
8 acquired in a purchase at retail and used or consumed
9 within the corporate limits of the municipality at rates
10 not to exceed the following maximum rates, calculated on a
11 monthly basis for each purchaser:

12 (i) For the first 2,000 kilowatt-hours used or consumed
13 in a month; 0.61 cents per kilowatt-hour;

14 (ii) For the next 48,000 kilowatt-hours used or
15 consumed in a month; 0.40 cents per kilowatt-hour;

16 (iii) For the next 50,000 kilowatt-hours used or
17 consumed in a month; 0.36 cents per kilowatt-hour;

18 (iv) For the next 400,000 kilowatt-hours used or
19 consumed in a month; 0.35 cents per kilowatt-hour;

20 (v) For the next 500,000 kilowatt-hours used or
21 consumed in a month; 0.34 cents per kilowatt-hour;

22 (vi) For the next 2,000,000 kilowatt-hours used or
23 consumed in a month; 0.32 cents per kilowatt-hour;

24 (vii) For the next 2,000,000 kilowatt-hours used or
25 consumed in a month; 0.315 cents per kilowatt-hour;

26 (viii) For the next 5,000,000 kilowatt-hours used or
27 consumed in a month; 0.31 cents per kilowatt-hour;

28 (ix) For the next 10,000,000 kilowatt-hours used or
29 consumed in a month; 0.305 cents per kilowatt-hour; and

30 (x) For all electricity used or consumed in excess of
31 20,000,000 kilowatt-hours in a month, 0.30 cents per
32 kilowatt-hour.

33 If a municipality imposes a tax at rates lower than
34 either the maximum rates specified in this Section or the
35 alternative maximum rates promulgated by the Illinois
36 Commerce Commission, as provided below, the tax rates shall

1 be imposed upon the kilowatt hour categories set forth
2 above with the same proportional relationship as that which
3 exists among such maximum rates. Notwithstanding the
4 foregoing, until December 31, 2008, no municipality shall
5 establish rates that are in excess of rates reasonably
6 calculated to produce revenues that equal the maximum total
7 revenues such municipality could have received under the
8 tax authorized by this subparagraph in the last full
9 calendar year prior to the effective date of Section 65 of
10 this amendatory Act of 1997; provided that this shall not
11 be a limitation on the amount of tax revenues actually
12 collected by such municipality.

13 Upon the request of the corporate authorities of a
14 municipality, the Illinois Commerce Commission shall,
15 within 90 days after receipt of such request, promulgate
16 alternative rates for each of these kilowatt-hour
17 categories that will reflect, as closely as reasonably
18 practical for that municipality, the distribution of the
19 tax among classes of purchasers as if the tax were based on
20 a uniform percentage of the purchase price of electricity.
21 A municipality that has adopted an ordinance imposing a tax
22 pursuant to subparagraph 3 as it existed prior to the
23 effective date of Section 65 of this amendatory Act of 1997
24 may, rather than imposing the tax permitted by this
25 amendatory Act of 1997, continue to impose the tax pursuant
26 to that ordinance with respect to gross receipts received
27 from residential customers through July 31, 1999, and with
28 respect to gross receipts from any non-residential
29 customer until the first bill issued to such customer for
30 delivery services in accordance with Section 16-104 of the
31 Public Utilities Act but in no case later than the last
32 bill issued to such customer before December 31, 2000. No
33 ordinance imposing the tax permitted by this amendatory Act
34 of 1997 shall be applicable to any non-residential customer
35 until the first bill issued to such customer for delivery
36 services in accordance with Section 16-104 of the Public

1 Utilities Act but in no case later than the last bill
2 issued to such non-residential customer before December
3 31, 2000.

4 4. Persons engaged in the business of distributing,
5 supplying, furnishing, or selling water for use or
6 consumption within the corporate limits of the
7 municipality, and not for resale, at a rate not to exceed
8 5% of the gross receipts therefrom.

9 None of the taxes authorized by this Section may be imposed
10 with respect to any transaction in interstate commerce or
11 otherwise to the extent to which the business or privilege may
12 not, under the constitution and statutes of the United States,
13 be made the subject of taxation by this State or any political
14 sub-division thereof; nor shall any persons engaged in the
15 business of distributing, supplying, furnishing, selling or
16 transmitting gas, water, or electricity, or using or consuming
17 electricity acquired in a purchase at retail, be subject to
18 taxation under the provisions of this Section for those
19 transactions that are or may become subject to taxation under
20 the provisions of the "Municipal Retailers' Occupation Tax Act"
21 authorized by Section 8-11-1; nor shall any tax authorized by
22 this Section be imposed upon any person engaged in a business
23 or on any privilege unless the tax is imposed in like manner
24 and at the same rate upon all persons engaged in businesses of
25 the same class in the municipality, whether privately or
26 municipally owned or operated, or exercising the same privilege
27 within the municipality.

28 Any of the taxes enumerated in this Section may be in
29 addition to the payment of money, or value of products or
30 services furnished to the municipality by the taxpayer as
31 compensation for the use of its streets, alleys, or other
32 public places, or installation and maintenance therein,
33 thereon or thereunder of poles, wires, pipes or other equipment
34 used in the operation of the taxpayer's business.

35 (a) If the corporate authorities of any home rule
36 municipality have adopted an ordinance that imposed a tax on

1 public utility customers, between July 1, 1971, and October 1,
2 1981, on the good faith belief that they were exercising
3 authority pursuant to Section 6 of Article VII of the 1970
4 Illinois Constitution, that action of the corporate
5 authorities shall be declared legal and valid, notwithstanding
6 a later decision of a judicial tribunal declaring the ordinance
7 invalid. No municipality shall be required to rebate, refund,
8 or issue credits for any taxes described in this paragraph, and
9 those taxes shall be deemed to have been levied and collected
10 in accordance with the Constitution and laws of this State.

11 (b) In any case in which (i) prior to October 19, 1979, the
12 corporate authorities of any municipality have adopted an
13 ordinance imposing a tax authorized by this Section (or by the
14 predecessor provision of the "Revised Cities and Villages Act")
15 and have explicitly or in practice interpreted gross receipts
16 to include either charges added to customers' bills pursuant to
17 the provision of paragraph (a) of Section 36 of the Public
18 Utilities Act or charges added to customers' bills by taxpayers
19 who are not subject to rate regulation by the Illinois Commerce
20 Commission for the purpose of recovering any of the tax
21 liabilities or other amounts specified in such paragraph (a) of
22 Section 36 of that Act, and (ii) on or after October 19, 1979,
23 a judicial tribunal has construed gross receipts to exclude all
24 or part of those charges, then neither those municipality nor
25 any taxpayer who paid the tax shall be required to rebate,
26 refund, or issue credits for any tax imposed or charge
27 collected from customers pursuant to the municipality's
28 interpretation prior to October 19, 1979. This paragraph
29 reflects a legislative finding that it would be contrary to the
30 public interest to require a municipality or its taxpayers to
31 refund taxes or charges attributable to the municipality's more
32 inclusive interpretation of gross receipts prior to October 19,
33 1979, and is not intended to prescribe or limit judicial
34 construction of this Section. The legislative finding set forth
35 in this subsection does not apply to taxes imposed after the
36 effective date of this amendatory Act of 1995.

1 (c) The tax authorized by subparagraph 3 shall be collected
2 from the purchaser by the person maintaining a place of
3 business in this State who delivers the electricity to the
4 purchaser. This tax shall constitute a debt of the purchaser to
5 the person who delivers the electricity to the purchaser and if
6 unpaid, is recoverable in the same manner as the original
7 charge for delivering the electricity. Any tax required to be
8 collected pursuant to an ordinance authorized by subparagraph 3
9 and any such tax collected by a person delivering electricity
10 shall constitute a debt owed to the municipality by such person
11 delivering the electricity, provided, that the person
12 delivering electricity shall be allowed credit for such tax
13 related to deliveries of electricity the charges for which are
14 written off as uncollectible, and provided further, that if
15 such charges are thereafter collected, the delivering supplier
16 shall be obligated to remit such tax. For purposes of this
17 subsection (c), any partial payment not specifically
18 identified by the purchaser shall be deemed to be for the
19 delivery of electricity. Persons delivering electricity shall
20 collect the tax from the purchaser by adding such tax to the
21 gross charge for delivering the electricity, in the manner
22 prescribed by the municipality. Persons delivering electricity
23 shall also be authorized to add to such gross charge an amount
24 equal to 3% of the tax to reimburse the person delivering
25 electricity for the expenses incurred in keeping records,
26 billing customers, preparing and filing returns, remitting the
27 tax and supplying data to the municipality upon request. If the
28 person delivering electricity fails to collect the tax from the
29 purchaser, then the purchaser shall be required to pay the tax
30 directly to the municipality in the manner prescribed by the
31 municipality. Persons delivering electricity who file returns
32 pursuant to this paragraph (c) shall, at the time of filing
33 such return, pay the municipality the amount of the tax
34 collected pursuant to subparagraph 3.

35 (d) For the purpose of the taxes enumerated in this
36 Section:

1 "Gross receipts" means the consideration received for
2 distributing, supplying, furnishing or selling gas for use or
3 consumption and not for resale, and the consideration received
4 for distributing, supplying, furnishing or selling water for
5 use or consumption and not for resale, and for all services
6 rendered in connection therewith valued in money, whether
7 received in money or otherwise, including cash, credit,
8 services and property of every kind and material and for all
9 services rendered therewith, and shall be determined without
10 any deduction on account of the cost of the service, product or
11 commodity supplied, the cost of materials used, labor or
12 service cost, or any other expenses whatsoever. "Gross
13 receipts" shall not include that portion of the consideration
14 received for distributing, supplying, furnishing, or selling
15 gas or water to business enterprises described in paragraph (e)
16 of this Section to the extent and during the period in which
17 the exemption authorized by paragraph (e) is in effect or for
18 school districts or units of local government described in
19 paragraph (f) during the period in which the exemption
20 authorized in paragraph (f) is in effect.

21 For utility bills issued on or after May 1, 1996, but
22 before May 1, 1997, and for receipts from those utility bills,
23 "gross receipts" does not include one-third of (i) amounts
24 added to customers' bills under Section 9-222 of the Public
25 Utilities Act, or (ii) amounts added to customers' bills by
26 taxpayers who are not subject to rate regulation by the
27 Illinois Commerce Commission for the purpose of recovering any
28 of the tax liabilities described in Section 9-222 of the Public
29 Utilities Act. For utility bills issued on or after May 1,
30 1997, but before May 1, 1998, and for receipts from those
31 utility bills, "gross receipts" does not include two-thirds of
32 (i) amounts added to customers' bills under Section 9-222 of
33 the Public Utilities Act, or (ii) amount added to customers'
34 bills by taxpayers who are not subject to rate regulation by
35 the Illinois Commerce Commission for the purpose of recovering
36 any of the tax liabilities described in Section 9-222 of the

1 Public Utilities Act. For utility bills issued on or after May
2 1, 1998, and for receipts from those utility bills, "gross
3 receipts" does not include (i) amounts added to customers'
4 bills under Section 9-222 of the Public Utilities Act, or (ii)
5 amounts added to customers' bills by taxpayers who are not
6 subject to rate regulation by the Illinois Commerce Commission
7 for the purpose of recovering any of the tax liabilities
8 described in Section 9-222 of the Public Utilities Act.

9 For purposes of this Section "gross receipts" shall not
10 include amounts added to customers' bills under Section 9-221
11 of the Public Utilities Act. This paragraph is not intended to
12 nor does it make any change in the meaning of "gross receipts"
13 for the purposes of this Section, but is intended to remove
14 possible ambiguities, thereby confirming the existing meaning
15 of "gross receipts" prior to the effective date of this
16 amendatory Act of 1995.

17 "Person" as used in this Section means any natural
18 individual, firm, trust, estate, partnership, association,
19 joint stock company, joint adventure, corporation, limited
20 liability company, municipal corporation, the State or any of
21 its political subdivisions, any State university created by
22 statute, or a receiver, trustee, guardian or other
23 representative appointed by order of any court.

24 "Person maintaining a place of business in this State"
25 shall mean any person having or maintaining within this State,
26 directly or by a subsidiary or other affiliate, an office,
27 generation facility, distribution facility, transmission
28 facility, sales office or other place of business, or any
29 employee, agent, or other representative operating within this
30 State under the authority of the person or its subsidiary or
31 other affiliate, irrespective of whether such place of business
32 or agent or other representative is located in this State
33 permanently or temporarily, or whether such person, subsidiary
34 or other affiliate is licensed or qualified to do business in
35 this State.

36 "Public utility" shall have the meaning ascribed to it in

1 Section 3-105 of the Public Utilities Act and shall include
2 alternative retail electric suppliers as defined in Section
3 16-102 of that Act.

4 "Purchase at retail" shall mean any acquisition of
5 electricity by a purchaser for purposes of use or consumption,
6 and not for resale, but shall not include the use of
7 electricity by a public utility directly in the generation,
8 production, transmission, delivery or sale of electricity.

9 "Purchaser" shall mean any person who uses or consumes,
10 within the corporate limits of the municipality, electricity
11 acquired in a purchase at retail.

12 (e) Any municipality that imposes taxes upon public
13 utilities or upon the privilege of using or consuming
14 electricity pursuant to this Section whose territory includes
15 any part of an enterprise zone or federally designated Foreign
16 Trade Zone or Sub-Zone may, by a majority vote of its corporate
17 authorities, exempt from those taxes for a period not exceeding
18 20 years any specified percentage of gross receipts of public
19 utilities received from, or electricity used or consumed by,
20 business enterprises that:

21 (1) either (i) make investments that cause the creation
22 of a minimum of 200 full-time equivalent jobs in Illinois,
23 (ii) make investments of at least \$175,000,000 that cause
24 the creation of a minimum of 150 full-time equivalent jobs
25 in Illinois, or (iii) make investments that cause the
26 retention of a minimum of 1,000 full-time jobs in Illinois;
27 and

28 (2) are either (i) located in an Enterprise Zone
29 established pursuant to the Illinois Enterprise Zone Act or
30 (ii) Department of Commerce and Economic Opportunity
31 ~~Community Affairs~~ designated High Impact Businesses
32 located in a federally designated Foreign Trade Zone or
33 Sub-Zone; and

34 (3) are certified by the Department of Commerce and
35 Economic Opportunity ~~Community Affairs~~ as complying with
36 the requirements specified in clauses (1) and (2) of this

1 paragraph (e).

2 Upon adoption of the ordinance authorizing the exemption,
3 the municipal clerk shall transmit a copy of that ordinance to
4 the Department of Commerce and Economic Opportunity ~~Community~~
5 ~~Affairs~~. The Department of Commerce and Economic Opportunity
6 ~~Community Affairs~~ shall determine whether the business
7 enterprises located in the municipality meet the criteria
8 prescribed in this paragraph. If the Department of Commerce and
9 Economic Opportunity ~~Community Affairs~~ determines that the
10 business enterprises meet the criteria, it shall grant
11 certification. The Department of Commerce and Economic
12 Opportunity ~~Community Affairs~~ shall act upon certification
13 requests within 30 days after receipt of the ordinance.

14 Upon certification of the business enterprise by the
15 Department of Commerce and Economic Opportunity ~~Community~~
16 ~~Affairs~~, the Department of Commerce and Economic Opportunity
17 ~~Community Affairs~~ shall notify the Department of Revenue of the
18 certification. The Department of Revenue shall notify the
19 public utilities of the exemption status of the gross receipts
20 received from, and the electricity used or consumed by, the
21 certified business enterprises. Such exemption status shall be
22 effective within 3 months after certification.

23 (f) A municipality that imposes taxes upon public utilities
24 or upon the privilege of using or consuming electricity under
25 this Section and whose territory includes part of another unit
26 of local government or a school district may by ordinance
27 exempt the other unit of local government or school district
28 from those taxes.

29 (g) The amendment of this Section by Public Act 84-127
30 shall take precedence over any other amendment of this Section
31 by any other amendatory Act passed by the 84th General Assembly
32 before the effective date of Public Act 84-127.

33 (h) In any case in which, before July 1, 1992, a person
34 engaged in the business of transmitting messages through the
35 use of mobile equipment, such as cellular phones and paging
36 systems, has determined the municipality within which the gross

1 receipts from the business originated by reference to the
2 location of its transmitting or switching equipment, then (i)
3 neither the municipality to which tax was paid on that basis
4 nor the taxpayer that paid tax on that basis shall be required
5 to rebate, refund, or issue credits for any such tax or charge
6 collected from customers to reimburse the taxpayer for the tax
7 and (ii) no municipality to which tax would have been paid with
8 respect to those gross receipts if the provisions of this
9 amendatory Act of 1991 had been in effect before July 1, 1992,
10 shall have any claim against the taxpayer for any amount of the
11 tax.

30 (65 ILCS 5/11-74.4-6) (from Ch. 24, par. 11-74.4-6)

31 Sec. 11-74.4-6. (a) Except as provided herein, notice of
32 the public hearing shall be given by publication and mailing.
33 Notice by publication shall be given by publication at least

1 twice, the first publication to be not more than 30 nor less
2 than 10 days prior to the hearing in a newspaper of general
3 circulation within the taxing districts having property in the
4 proposed redevelopment project area. Notice by mailing shall be
5 given by depositing such notice in the United States mails by
6 certified mail addressed to the person or persons in whose name
7 the general taxes for the last preceding year were paid on each
8 lot, block, tract, or parcel of land lying within the project
9 redevelopment area. Said notice shall be mailed not less than
10 10 days prior to the date set for the public hearing. In the
11 event taxes for the last preceding year were not paid, the
12 notice shall also be sent to the persons last listed on the tax
13 rolls within the preceding 3 years as the owners of such
14 property. For redevelopment project areas with redevelopment
15 plans or proposed redevelopment plans that would require
16 removal of 10 or more inhabited residential units or that
17 contain 75 or more inhabited residential units, the
18 municipality shall make a good faith effort to notify by mail
19 all residents of the redevelopment project area. At a minimum,
20 the municipality shall mail a notice to each residential
21 address located within the redevelopment project area. The
22 municipality shall endeavor to ensure that all such notices are
23 effectively communicated and shall include (in addition to
24 notice in English) notice in the predominant language other
25 than English when appropriate.

26 (b) The notices issued pursuant to this Section shall
27 include the following:

28 (1) The time and place of public hearing;

29 (2) The boundaries of the proposed redevelopment
30 project area by legal description and by street location
31 where possible;

32 (3) A notification that all interested persons will be
33 given an opportunity to be heard at the public hearing;

34 (4) A description of the redevelopment plan or
35 redevelopment project for the proposed redevelopment
36 project area if a plan or project is the subject matter of

1 the hearing.

2 (5) Such other matters as the municipality may deem
3 appropriate.

4 (c) Not less than 45 days prior to the date set for
5 hearing, the municipality shall give notice by mail as provided
6 in subsection (a) to all taxing districts of which taxable
7 property is included in the redevelopment project area, project
8 or plan and to the Department of Commerce and Economic
9 Opportunity ~~Community Affairs~~, and in addition to the other
10 requirements under subsection (b) the notice shall include an
11 invitation to the Department of Commerce and Economic
12 Opportunity ~~Community Affairs~~ and each taxing district to
13 submit comments to the municipality concerning the subject
14 matter of the hearing prior to the date of hearing.

15 (d) In the event that any municipality has by ordinance
16 adopted tax increment financing prior to 1987, and has complied
17 with the notice requirements of this Section, except that the
18 notice has not included the requirements of subsection (b),
19 paragraphs (2), (3) and (4), and within 90 days of the
20 effective date of this amendatory Act of 1991, that
21 municipality passes an ordinance which contains findings that:
22 (1) all taxing districts prior to the time of the hearing
23 required by Section 11-74.4-5 were furnished with copies of a
24 map incorporated into the redevelopment plan and project
25 substantially showing the legal boundaries of the
26 redevelopment project area; (2) the redevelopment plan and
27 project, or a draft thereof, contained a map substantially
28 showing the legal boundaries of the redevelopment project area
29 and was available to the public at the time of the hearing; and
30 (3) since the adoption of any form of tax increment financing
31 authorized by this Act, and prior to June 1, 1991, no objection
32 or challenge has been made in writing to the municipality in
33 respect to the notices required by this Section, then the
34 municipality shall be deemed to have met the notice
35 requirements of this Act and all actions of the municipality
36 taken in connection with such notices as were given are hereby

1 validated and hereby declared to be legally sufficient for all
2 purposes of this Act.

3 (e) If a municipality desires to propose a redevelopment
4 plan for a redevelopment project area that would result in the
5 displacement of residents from 10 or more inhabited residential
6 units or for a redevelopment project area that contains 75 or
7 more inhabited residential units, the municipality shall hold a
8 public meeting before the mailing of the notices of public
9 hearing as provided in subsection (c) of this Section. The
10 meeting shall be for the purpose of enabling the municipality
11 to advise the public, taxing districts having real property in
12 the redevelopment project area, taxpayers who own property in
13 the proposed redevelopment project area, and residents in the
14 area as to the municipality's possible intent to prepare a
15 redevelopment plan and designate a redevelopment project area
16 and to receive public comment. The time and place for the
17 meeting shall be set by the head of the municipality's
18 Department of Planning or other department official designated
19 by the mayor or city or village manager without the necessity
20 of a resolution or ordinance of the municipality and may be
21 held by a member of the staff of the Department of Planning of
22 the municipality or by any other person, body, or commission
23 designated by the corporate authorities. The meeting shall be
24 held at least 14 business days before the mailing of the notice
25 of public hearing provided for in subsection (c) of this
26 Section.

27 Notice of the public meeting shall be given by mail. Notice
28 by mail shall be not less than 15 days before the date of the
29 meeting and shall be sent by certified mail to all taxing
30 districts having real property in the proposed redevelopment
31 project area and to all entities requesting that information
32 that have registered with a person and department designated by
33 the municipality in accordance with registration guidelines
34 established by the municipality pursuant to Section
35 11-74.4-4.2. The municipality shall make a good faith effort to
36 notify all residents and the last known persons who paid

1 property taxes on real estate in a redevelopment project area.
2 This requirement shall be deemed to be satisfied if the
3 municipality mails, by regular mail, a notice to each
4 residential address and the person or persons in whose name
5 property taxes were paid on real property for the last
6 preceding year located within the redevelopment project area.
7 Notice shall be in languages other than English when
8 appropriate. The notices issued under this subsection shall
9 include the following:

10 (1) The time and place of the meeting.

11 (2) The boundaries of the area to be studied for
12 possible designation as a redevelopment project area by
13 street and location.

14 (3) The purpose or purposes of establishing a
15 redevelopment project area.

16 (4) A brief description of tax increment financing.

17 (5) The name, telephone number, and address of the
18 person who can be contacted for additional information
19 about the proposed redevelopment project area and who
20 should receive all comments and suggestions regarding the
21 development of the area to be studied.

22 (6) Notification that all interested persons will be
23 given an opportunity to be heard at the public meeting.

24 (7) Such other matters as the municipality deems
25 appropriate.

26 At the public meeting, any interested person or
27 representative of an affected taxing district may be heard
28 orally and may file, with the person conducting the meeting,
29 statements that pertain to the subject matter of the meeting.

31 (65 ILCS 5/11-74.4-8a) (from Ch. 24, par. 11-74.4-8a)

32 Sec. 11-74.4-8a. (1) Until June 1, 1988, a municipality
33 which has adopted tax increment allocation financing prior to
34 January 1, 1987, may by ordinance (1) authorize the Department
35 of Revenue, subject to appropriation, to annually certify and

1 cause to be paid from the Illinois Tax Increment Fund to such
2 municipality for deposit in the municipality's special tax
3 allocation fund an amount equal to the Net State Sales Tax
4 Increment and (2) authorize the Department of Revenue to
5 annually notify the municipality of the amount of the Municipal
6 Sales Tax Increment which shall be deposited by the
7 municipality in the municipality's special tax allocation
8 fund. Provided that for purposes of this Section no amendments
9 adding additional area to the redevelopment project area which
10 has been certified as the State Sales Tax Boundary shall be
11 taken into account if such amendments are adopted by the
12 municipality after January 1, 1987. If an amendment is adopted
13 which decreases the area of a State Sales Tax Boundary, the
14 municipality shall update the list required by subsection
15 (3)(a) of this Section. The Retailers' Occupation Tax
16 liability, Use Tax liability, Service Occupation Tax liability
17 and Service Use Tax liability for retailers and servicemen
18 located within the disconnected area shall be excluded from the
19 base from which tax increments are calculated and the revenue
20 from any such retailer or serviceman shall not be included in
21 calculating incremental revenue payable to the municipality. A
22 municipality adopting an ordinance under this subsection (1) of
23 this Section for a redevelopment project area which is
24 certified as a State Sales Tax Boundary shall not be entitled
25 to payments of State taxes authorized under subsection (2) of
26 this Section for the same redevelopment project area. Nothing
27 herein shall be construed to prevent a municipality from
28 receiving payment of State taxes authorized under subsection
29 (2) of this Section for a separate redevelopment project area
30 that does not overlap in any way with the State Sales Tax
31 Boundary receiving payments of State taxes pursuant to
32 subsection (1) of this Section.

33 A certified copy of such ordinance shall be submitted by
34 the municipality to the Department of Commerce and Economic
35 Opportunity ~~Community Affairs~~ and the Department of Revenue not
36 later than 30 days after the effective date of the ordinance.

1 Upon submission of the ordinances, and the information required
2 pursuant to subsection 3 of this Section, the Department of
3 Revenue shall promptly determine the amount of such taxes paid
4 under the Retailers' Occupation Tax Act, Use Tax Act, Service
5 Use Tax Act, the Service Occupation Tax Act, the Municipal
6 Retailers' Occupation Tax Act and the Municipal Service
7 Occupation Tax Act by retailers and servicemen on transactions
8 at places located in the redevelopment project area during the
9 base year, and shall certify all the foregoing "initial sales
10 tax amounts" to the municipality within 60 days of submission
11 of the list required of subsection (3) (a) of this Section.

12 If a retailer or serviceman with a place of business
13 located within a redevelopment project area also has one or
14 more other places of business within the municipality but
15 outside the redevelopment project area, the retailer or
16 serviceman shall, upon request of the Department of Revenue,
17 certify to the Department of Revenue the amount of taxes paid
18 pursuant to the Retailers' Occupation Tax Act, the Municipal
19 Retailers' Occupation Tax Act, the Service Occupation Tax Act
20 and the Municipal Service Occupation Tax Act at each place of
21 business which is located within the redevelopment project area
22 in the manner and for the periods of time requested by the
23 Department of Revenue.

24 When the municipality determines that a portion of an
25 increase in the aggregate amount of taxes paid by retailers and
26 servicemen under the Retailers' Occupation Tax Act, Use Tax
27 Act, Service Use Tax Act, or the Service Occupation Tax Act is
28 the result of a retailer or serviceman initiating retail or
29 service operations in the redevelopment project area by such
30 retailer or serviceman with a resulting termination of retail
31 or service operations by such retailer or serviceman at another
32 location in Illinois in the standard metropolitan statistical
33 area of such municipality, the Department of Revenue shall be
34 notified that the retailers occupation tax liability, use tax
35 liability, service occupation tax liability, or service use tax
36 liability from such retailer's or serviceman's terminated

1 operation shall be included in the base Initial Sales Tax
2 Amounts from which the State Sales Tax Increment is calculated
3 for purposes of State payments to the affected municipality;
4 provided, however, for purposes of this paragraph
5 "termination" shall mean a closing of a retail or service
6 operation which is directly related to the opening of the same
7 retail or service operation in a redevelopment project area
8 which is included within a State Sales Tax Boundary, but it
9 shall not include retail or service operations closed for
10 reasons beyond the control of the retailer or serviceman, as
11 determined by the Department.

12 If the municipality makes the determination referred to in
13 the prior paragraph and notifies the Department and if the
14 relocation is from a location within the municipality, the
15 Department, at the request of the municipality, shall adjust
16 the certified aggregate amount of taxes that constitute the
17 Municipal Sales Tax Increment paid by retailers and servicemen
18 on transactions at places of business located within the State
19 Sales Tax Boundary during the base year using the same
20 procedures as are employed to make the adjustment referred to
21 in the prior paragraph. The adjusted Municipal Sales Tax
22 Increment calculated by the Department shall be sufficient to
23 satisfy the requirements of subsection (1) of this Section.

24 When a municipality which has adopted tax increment
25 allocation financing in 1986 determines that a portion of the
26 aggregate amount of taxes paid by retailers and servicemen
27 under the Retailers Occupation Tax Act, Use Tax Act, Service
28 Use Tax Act, or Service Occupation Tax Act, the Municipal
29 Retailers' Occupation Tax Act and the Municipal Service
30 Occupation Tax Act, includes revenue of a retailer or
31 serviceman which terminated retailer or service operations in
32 1986, prior to the adoption of tax increment allocation
33 financing, the Department of Revenue shall be notified by such
34 municipality that the retailers' occupation tax liability, use
35 tax liability, service occupation tax liability or service use
36 tax liability, from such retailer's or serviceman's terminated

1 operations shall be excluded from the Initial Sales Tax Amounts
2 for such taxes. The revenue from any such retailer or
3 serviceman which is excluded from the base year under this
4 paragraph, shall not be included in calculating incremental
5 revenues if such retailer or serviceman reestablishes such
6 business in the redevelopment project area.

7 For State fiscal year 1992, the Department of Revenue shall
8 budget, and the Illinois General Assembly shall appropriate
9 from the Illinois Tax Increment Fund in the State treasury, an
10 amount not to exceed \$18,000,000 to pay to each eligible
11 municipality the Net State Sales Tax Increment to which such
12 municipality is entitled.

13 Beginning on January 1, 1993, each municipality's
14 proportional share of the Illinois Tax Increment Fund shall be
15 determined by adding the annual Net State Sales Tax Increment
16 and the annual Net Utility Tax Increment to determine the
17 Annual Total Increment. The ratio of the Annual Total Increment
18 of each municipality to the Annual Total Increment for all
19 municipalities, as most recently calculated by the Department,
20 shall determine the proportional shares of the Illinois Tax
21 Increment Fund to be distributed to each municipality.

22 Beginning in October, 1993, and each January, April, July
23 and October thereafter, the Department of Revenue shall certify
24 to the Treasurer and the Comptroller the amounts payable
25 quarter annually during the fiscal year to each municipality
26 under this Section. The Comptroller shall promptly then draw
27 warrants, ordering the State Treasurer to pay such amounts from
28 the Illinois Tax Increment Fund in the State treasury.

29 The Department of Revenue shall utilize the same periods
30 established for determining State Sales Tax Increment to
31 determine the Municipal Sales Tax Increment for the area within
32 a State Sales Tax Boundary and certify such amounts to such
33 municipal treasurer who shall transfer such amounts to the
34 special tax allocation fund.

35 The provisions of this subsection (1) do not apply to
36 additional municipal retailers' occupation or service

1 occupation taxes imposed by municipalities using their home
2 rule powers or imposed pursuant to Sections 8-11-1.3, 8-11-1.4
3 and 8-11-1.5 of this Act. A municipality shall not receive from
4 the State any share of the Illinois Tax Increment Fund unless
5 such municipality deposits all its Municipal Sales Tax
6 Increment and the local incremental real property tax revenues,
7 as provided herein, into the appropriate special tax allocation
8 fund. If, however, a municipality has extended the estimated
9 dates of completion of the redevelopment project and retirement
10 of obligations to finance redevelopment project costs by
11 municipal ordinance to December 31, 2013 under subsection (n)
12 of Section 11-74.4-3, then that municipality shall continue to
13 receive from the State a share of the Illinois Tax Increment
14 Fund so long as the municipality deposits, from any funds
15 available, excluding funds in the special tax allocation fund,
16 an amount equal to the municipal share of the real property tax
17 increment revenues into the special tax allocation fund during
18 the extension period. The amount to be deposited by the
19 municipality in each of the tax years affected by the extension
20 to December 31, 2013 shall be equal to the municipal share of
21 the property tax increment deposited into the special tax
22 allocation fund by the municipality for the most recent year
23 that the property tax increment was distributed. A municipality
24 located within an economic development project area created
25 under the County Economic Development Project Area Property Tax
26 Allocation Act which has abated any portion of its property
27 taxes which otherwise would have been deposited in its special
28 tax allocation fund shall not receive from the State the Net
29 Sales Tax Increment.

30 (2) A municipality which has adopted tax increment
31 allocation financing with regard to an industrial park or
32 industrial park conservation area, prior to January 1, 1988,
33 may by ordinance authorize the Department of Revenue to
34 annually certify and pay from the Illinois Tax Increment Fund
35 to such municipality for deposit in the municipality's special
36 tax allocation fund an amount equal to the Net State Utility

1 Tax Increment. Provided that for purposes of this Section no
2 amendments adding additional area to the redevelopment project
3 area shall be taken into account if such amendments are adopted
4 by the municipality after January 1, 1988. Municipalities
5 adopting an ordinance under this subsection (2) of this Section
6 for a redevelopment project area shall not be entitled to
7 payment of State taxes authorized under subsection (1) of this
8 Section for the same redevelopment project area which is within
9 a State Sales Tax Boundary. Nothing herein shall be construed
10 to prevent a municipality from receiving payment of State taxes
11 authorized under subsection (1) of this Section for a separate
12 redevelopment project area within a State Sales Tax Boundary
13 that does not overlap in any way with the redevelopment project
14 area receiving payments of State taxes pursuant to subsection
15 (2) of this Section.

16 A certified copy of such ordinance shall be submitted to
17 the Department of Commerce and Economic Opportunity ~~Community~~
18 ~~Affairs~~ and the Department of Revenue not later than 30 days
19 after the effective date of the ordinance.

20 When a municipality determines that a portion of an
21 increase in the aggregate amount of taxes paid by industrial or
22 commercial facilities under the Public Utilities Act, is the
23 result of an industrial or commercial facility initiating
24 operations in the redevelopment project area with a resulting
25 termination of such operations by such industrial or commercial
26 facility at another location in Illinois, the Department of
27 Revenue shall be notified by such municipality that such
28 industrial or commercial facility's liability under the Public
29 Utility Tax Act shall be included in the base from which tax
30 increments are calculated for purposes of State payments to the
31 affected municipality.

32 After receipt of the calculations by the public utility as
33 required by subsection (4) of this Section, the Department of
34 Revenue shall annually budget and the Illinois General Assembly
35 shall annually appropriate from the General Revenue Fund
36 through State Fiscal Year 1989, and thereafter from the

1 Illinois Tax Increment Fund, an amount sufficient to pay to
2 each eligible municipality the amount of incremental revenue
3 attributable to State electric and gas taxes as reflected by
4 the charges imposed on persons in the project area to which
5 such municipality is entitled by comparing the preceding
6 calendar year with the base year as determined by this Section.
7 Beginning on January 1, 1993, each municipality's proportional
8 share of the Illinois Tax Increment Fund shall be determined by
9 adding the annual Net State Utility Tax Increment and the
10 annual Net Utility Tax Increment to determine the Annual Total
11 Increment. The ratio of the Annual Total Increment of each
12 municipality to the Annual Total Increment for all
13 municipalities, as most recently calculated by the Department,
14 shall determine the proportional shares of the Illinois Tax
15 Increment Fund to be distributed to each municipality.

16 A municipality shall not receive any share of the Illinois
17 Tax Increment Fund from the State unless such municipality
18 imposes the maximum municipal charges authorized pursuant to
19 Section 9-221 of the Public Utilities Act and deposits all
20 municipal utility tax incremental revenues as certified by the
21 public utilities, and all local real estate tax increments into
22 such municipality's special tax allocation fund.

23 (3) Within 30 days after the adoption of the ordinance
24 required by either subsection (1) or subsection (2) of this
25 Section, the municipality shall transmit to the Department of
26 Commerce and Economic Opportunity ~~Community Affairs~~ and the
27 Department of Revenue the following:

28 (a) if applicable, a certified copy of the ordinance
29 required by subsection (1) accompanied by a complete list
30 of street names and the range of street numbers of each
31 street located within the redevelopment project area for
32 which payments are to be made under this Section in both
33 the base year and in the year preceding the payment year;
34 and the addresses of persons registered with the Department
35 of Revenue; and, the name under which each such retailer or
36 serviceman conducts business at that address, if different

1 from the corporate name; and the Illinois Business Tax
2 Number of each such person (The municipality shall update
3 this list in the event of a revision of the redevelopment
4 project area, or the opening or closing or name change of
5 any street or part thereof in the redevelopment project
6 area, or if the Department of Revenue informs the
7 municipality of an addition or deletion pursuant to the
8 monthly updates given by the Department.);

9 (b) if applicable, a certified copy of the ordinance
10 required by subsection (2) accompanied by a complete list
11 of street names and range of street numbers of each street
12 located within the redevelopment project area, the utility
13 customers in the project area, and the utilities serving
14 the redevelopment project areas;

15 (c) certified copies of the ordinances approving the
16 redevelopment plan and designating the redevelopment
17 project area;

18 (d) a copy of the redevelopment plan as approved by the
19 municipality;

20 (e) an opinion of legal counsel that the municipality
21 had complied with the requirements of this Act; and

22 (f) a certification by the chief executive officer of
23 the municipality that with regard to a redevelopment
24 project area: (1) the municipality has committed all of the
25 municipal tax increment created pursuant to this Act for
26 deposit in the special tax allocation fund, (2) the
27 redevelopment projects described in the redevelopment plan
28 would not be completed without the use of State incremental
29 revenues pursuant to this Act, (3) the municipality will
30 pursue the implementation of the redevelopment plan in an
31 expeditious manner, (4) the incremental revenues created
32 pursuant to this Section will be exclusively utilized for
33 the development of the redevelopment project area, and (5)
34 the increased revenue created pursuant to this Section
35 shall be used exclusively to pay redevelopment project
36 costs as defined in this Act.

1 (4) The Department of Revenue upon receipt of the
2 information set forth in paragraph (b) of subsection (3) shall
3 immediately forward such information to each public utility
4 furnishing natural gas or electricity to buildings within the
5 redevelopment project area. Upon receipt of such information,
6 each public utility shall promptly:

7 (a) provide to the Department of Revenue and the
8 municipality separate lists of the names and addresses of
9 persons within the redevelopment project area receiving
10 natural gas or electricity from such public utility. Such
11 list shall be updated as necessary by the public utility.
12 Each month thereafter the public utility shall furnish the
13 Department of Revenue and the municipality with an itemized
14 listing of charges imposed pursuant to Sections 9-221 and
15 9-222 of the Public Utilities Act on persons within the
16 redevelopment project area.

17 (b) determine the amount of charges imposed pursuant to
18 Sections 9-221 and 9-222 of the Public Utilities Act on
19 persons in the redevelopment project area during the base
20 year, both as a result of municipal taxes on electricity
21 and gas and as a result of State taxes on electricity and
22 gas and certify such amounts both to the municipality and
23 the Department of Revenue; and

24 (c) determine the amount of charges imposed pursuant to
25 Sections 9-221 and 9-222 of the Public Utilities Act on
26 persons in the redevelopment project area on a monthly
27 basis during the base year, both as a result of State and
28 municipal taxes on electricity and gas and certify such
29 separate amounts both to the municipality and the
30 Department of Revenue.

31 After the determinations are made in paragraphs (b) and
32 (c), the public utility shall monthly during the existence of
33 the redevelopment project area notify the Department of Revenue
34 and the municipality of any increase in charges over the base
35 year determinations made pursuant to paragraphs (b) and (c).

36 (5) The payments authorized under this Section shall be

1 deposited by the municipal treasurer in the special tax
2 allocation fund of the municipality, which for accounting
3 purposes shall identify the sources of each payment as:
4 municipal receipts from the State retailers occupation,
5 service occupation, use and service use taxes; and municipal
6 public utility taxes charged to customers under the Public
7 Utilities Act and State public utility taxes charged to
8 customers under the Public Utilities Act.

9 (6) Before the effective date of this amendatory Act of the
10 91st General Assembly, any municipality receiving payments
11 authorized under this Section for any redevelopment project
12 area or area within a State Sales Tax Boundary within the
13 municipality shall submit to the Department of Revenue and to
14 the taxing districts which are sent the notice required by
15 Section 6 of this Act annually within 180 days after the close
16 of each municipal fiscal year the following information for the
17 immediately preceding fiscal year:

18 (a) Any amendments to the redevelopment plan, the
19 redevelopment project area, or the State Sales Tax
20 Boundary.

21 (b) Audited financial statements of the special tax
22 allocation fund.

23 (c) Certification of the Chief Executive Officer of the
24 municipality that the municipality has complied with all of
25 the requirements of this Act during the preceding fiscal
26 year.

27 (d) An opinion of legal counsel that the municipality
28 is in compliance with this Act.

29 (e) An analysis of the special tax allocation fund
30 which sets forth:

31 (1) the balance in the special tax allocation fund
32 at the beginning of the fiscal year;

33 (2) all amounts deposited in the special tax
34 allocation fund by source;

35 (3) all expenditures from the special tax
36 allocation fund by category of permissible

1 redevelopment project cost; and

2 (4) the balance in the special tax allocation fund
3 at the end of the fiscal year including a breakdown of
4 that balance by source. Such ending balance shall be
5 designated as surplus if it is not required for
6 anticipated redevelopment project costs or to pay debt
7 service on bonds issued to finance redevelopment
8 project costs, as set forth in Section 11-74.4-7
9 hereof.

10 (f) A description of all property purchased by the
11 municipality within the redevelopment project area
12 including:

- 13 1. Street address
- 14 2. Approximate size or description of property
- 15 3. Purchase price
- 16 4. Seller of property.

17 (g) A statement setting forth all activities
18 undertaken in furtherance of the objectives of the
19 redevelopment plan, including:

- 20 1. Any project implemented in the preceding fiscal
21 year
- 22 2. A description of the redevelopment activities
23 undertaken
- 24 3. A description of any agreements entered into by
25 the municipality with regard to the disposition or
26 redevelopment of any property within the redevelopment
27 project area or the area within the State Sales Tax
28 Boundary.

29 (h) With regard to any obligations issued by the
30 municipality:

- 31 1. copies of bond ordinances or resolutions
- 32 2. copies of any official statements
- 33 3. an analysis prepared by financial advisor or
34 underwriter setting forth: (a) nature and term of
35 obligation; and (b) projected debt service including
36 required reserves and debt coverage.

1 (i) A certified audit report reviewing compliance with
2 this statute performed by an independent public accountant
3 certified and licensed by the authority of the State of
4 Illinois. The financial portion of the audit must be
5 conducted in accordance with Standards for Audits of
6 Governmental Organizations, Programs, Activities, and
7 Functions adopted by the Comptroller General of the United
8 States (1981), as amended. The audit report shall contain a
9 letter from the independent certified public accountant
10 indicating compliance or noncompliance with the
11 requirements of subsection (q) of Section 11-74.4-3. If the
12 audit indicates that expenditures are not in compliance
13 with the law, the Department of Revenue shall withhold
14 State sales and utility tax increment payments to the
15 municipality until compliance has been reached, and an
16 amount equal to the ineligible expenditures has been
17 returned to the Special Tax Allocation Fund.

18 (6.1) After July 29, 1988 and before the effective date of
19 this amendatory Act of the 91st General Assembly, any funds
20 which have not been designated for use in a specific
21 development project in the annual report shall be designated as
22 surplus. No funds may be held in the Special Tax Allocation
23 Fund for more than 36 months from the date of receipt unless
24 the money is required for payment of contractual obligations
25 for specific development project costs. If held for more than
26 36 months in violation of the preceding sentence, such funds
27 shall be designated as surplus. Any funds designated as surplus
28 must first be used for early redemption of any bond
29 obligations. Any funds designated as surplus which are not
30 disposed of as otherwise provided in this paragraph, shall be
31 distributed as surplus as provided in Section 11-74.4-7.

32 (7) Any appropriation made pursuant to this Section for the
33 1987 State fiscal year shall not exceed the amount of \$7
34 million and for the 1988 State fiscal year the amount of \$10
35 million. The amount which shall be distributed to each
36 municipality shall be the incremental revenue to which each

1 municipality is entitled as calculated by the Department of
2 Revenue, unless the requests of the municipality exceed the
3 appropriation, then the amount to which each municipality shall
4 be entitled shall be prorated among the municipalities in the
5 same proportion as the increment to which the municipality
6 would be entitled bears to the total increment which all
7 municipalities would receive in the absence of this limitation,
8 provided that no municipality may receive an amount in excess
9 of 15% of the appropriation. For the 1987 Net State Sales Tax
10 Increment payable in Fiscal Year 1989, no municipality shall
11 receive more than 7.5% of the total appropriation; provided,
12 however, that any of the appropriation remaining after such
13 distribution shall be prorated among municipalities on the
14 basis of their pro rata share of the total increment. Beginning
15 on January 1, 1993, each municipality's proportional share of
16 the Illinois Tax Increment Fund shall be determined by adding
17 the annual Net State Sales Tax Increment and the annual Net
18 Utility Tax Increment to determine the Annual Total Increment.
19 The ratio of the Annual Total Increment of each municipality to
20 the Annual Total Increment for all municipalities, as most
21 recently calculated by the Department, shall determine the
22 proportional shares of the Illinois Tax Increment Fund to be
23 distributed to each municipality.

24 (7.1) No distribution of Net State Sales Tax Increment to a
25 municipality for an area within a State Sales Tax Boundary
26 shall exceed in any State Fiscal Year an amount equal to 3

28 property tax increment and deposits of funds from other
29 sources, excluding state and federal funds, as certified by the
30 city treasurer to the Department of Revenue for an area within
31 a State Sales Tax Boundary. After July 29, 1988, for those
32 municipalities which issue bonds between June 1, 1988 and 3
33 years from July 29, 1988 to finance redevelopment projects
34 within the area in a State Sales Tax Boundary, the distribution
35 of Net State Sales Tax Increment during the 16th through 20th
36 years from the date of issuance of the bonds shall not exceed

1 in any State Fiscal Year an amount equal to 2 times the sum of
2 the Municipal Sales Tax Increment, the real property tax
3 increment and deposits of funds from other sources, excluding
4 State and federal funds.

5 (8) Any person who knowingly files or causes to be filed
6 false information for the purpose of increasing the amount of
7 any State tax incremental revenue commits a Class A
8 misdemeanor.

9 (9) The following procedures shall be followed to determine
10 whether municipalities have complied with the Act for the
11 purpose of receiving distributions after July 1, 1989 pursuant
12 to subsection (1) of this Section 11-74.4-8a.

13 (a) The Department of Revenue shall conduct a
14 preliminary review of the redevelopment project areas and
15 redevelopment plans pertaining to those municipalities
16 receiving payments from the State pursuant to subsection
17 (1) of Section 8a of this Act for the purpose of
18 determining compliance with the following standards:

19 (1) For any municipality with a population of more
20 than 12,000 as determined by the 1980 U.S. Census: (a)
21 the redevelopment project area, or in the case of a
22 municipality which has more than one redevelopment
23 project area, each such area, must be contiguous and
24 the total of all such areas shall not comprise more
25 than 25% of the area within the municipal boundaries
26 nor more than 20% of the equalized assessed value of
27 the municipality; (b) the aggregate amount of 1985
28 taxes in the redevelopment project area, or in the case
29 of a municipality which has more than one redevelopment
30 project area, the total of all such areas, shall be not
31 more than 25% of the total base year taxes paid by
32 retailers and servicemen on transactions at places of
33 business located within the municipality under the
34 Retailers' Occupation Tax Act, the Use Tax Act, the
35 Service Use Tax Act, and the Service Occupation Tax
36 Act. Redevelopment project areas created prior to 1986

1 are not subject to the above standards if their
2 boundaries were not amended in 1986.

3 (2) For any municipality with a population of
4 12,000 or less as determined by the 1980 U.S. Census:
5 (a) the redevelopment project area, or in the case of a
6 municipality which has more than one redevelopment
7 project area, each such area, must be contiguous and
8 the total of all such areas shall not comprise more
9 than 35% of the area within the municipal boundaries
10 nor more than 30% of the equalized assessed value of
11 the municipality; (b) the aggregate amount of 1985
12 taxes in the redevelopment project area, or in the case
13 of a municipality which has more than one redevelopment
14 project area, the total of all such areas, shall not be
15 more than 35% of the total base year taxes paid by
16 retailers and servicemen on transactions at places of
17 business located within the municipality under the
18 Retailers' Occupation Tax Act, the Use Tax Act, the
19 Service Use Tax Act, and the Service Occupation Tax
20 Act. Redevelopment project areas created prior to 1986
21 are not subject to the above standards if their
22 boundaries were not amended in 1986.

23 (3) Such preliminary review of the redevelopment
24 project areas applying the above standards shall be
25 completed by November 1, 1988, and on or before
26 November 1, 1988, the Department shall notify each
27 municipality by certified mail, return receipt
28 requested that either (1) the Department requires
29 additional time in which to complete its preliminary
30 review; or (2) the Department is issuing either (a) a
31 Certificate of Eligibility or (b) a Notice of Review.
32 If the Department notifies a municipality that it
33 requires additional time to complete its preliminary
34 investigation, it shall complete its preliminary
35 investigation no later than February 1, 1989, and by
36 February 1, 1989 shall issue to each municipality

1 either (a) a Certificate of Eligibility or (b) a Notice
2 of Review. A redevelopment project area for which a
3 Certificate of Eligibility has been issued shall be
4 deemed a "State Sales Tax Boundary."

5 (4) The Department of Revenue shall also issue a
6 Notice of Review if the Department has received a
7 request by November 1, 1988 to conduct such a review
8 from taxpayers in the municipality, local taxing
9 districts located in the municipality or the State of
10 Illinois, or if the redevelopment project area has more
11 than 5 retailers and has had growth in State sales tax
12 revenue of more than 15% from calendar year 1985 to
13 1986.

14 (b) For those municipalities receiving a Notice of
15 Review, the Department will conduct a secondary review
16 consisting of: (i) application of the above standards
17 contained in subsection (9)(a)(1)(a) and (b) or
18 (9)(a)(2)(a) and (b), and (ii) the definitions of blighted
19 and conservation area provided for in Section 11-74.4-3.
20 Such secondary review shall be completed by July 1, 1989.

21 Upon completion of the secondary review, the
22 Department will issue (a) a Certificate of Eligibility or
23 (b) a Preliminary Notice of Deficiency. Any municipality
24 receiving a Preliminary Notice of Deficiency may amend its
25 redevelopment project area to meet the standards and
26 definitions set forth in this paragraph (b). This amended
27 redevelopment project area shall become the "State Sales
28 Tax Boundary" for purposes of determining the State Sales
29 Tax Increment.

30 (c) If the municipality advises the Department of its
31 intent to comply with the requirements of paragraph (b) of
32 this subsection outlined in the Preliminary Notice of
33 Deficiency, within 120 days of receiving such notice from
34 the Department, the municipality shall submit
35 documentation to the Department of the actions it has taken
36 to cure any deficiencies. Thereafter, within 30 days of the

1 receipt of the documentation, the Department shall either
2 issue a Certificate of Eligibility or a Final Notice of
3 Deficiency. If the municipality fails to advise the
4 Department of its intent to comply or fails to submit
5 adequate documentation of such cure of deficiencies the
6 Department shall issue a Final Notice of Deficiency that
7 provides that the municipality is ineligible for payment of
8 the Net State Sales Tax Increment.

9 (d) If the Department issues a final determination of
10 ineligibility, the municipality shall have 30 days from the
11 receipt of determination to protest and request a hearing.
12 Such hearing shall be conducted in accordance with Sections
13 10-25, 10-35, 10-40, and 10-50 of the Illinois
14 Administrative Procedure Act. The decision following the
15 hearing shall be subject to review under the Administrative
16 Review Law.

17 (e) Any Certificate of Eligibility issued pursuant to
18 this subsection 9 shall be binding only on the State for
19 the purposes of establishing municipal eligibility to
20 receive revenue pursuant to subsection (1) of this Section
21 11-74.4-8a.

22 (f) It is the intent of this subsection that the
23 periods of time to cure deficiencies shall be in addition
24 to all other periods of time permitted by this Section,
25 regardless of the date by which plans were originally
26 required to be adopted. To cure said deficiencies, however,
27 the municipality shall be required to follow the procedures
28 and requirements pertaining to amendments, as provided in
29 Sections 11-74.4-5 and 11-74.4-6 of this Act.

30 (10) If a municipality adopts a State Sales Tax Boundary in
31 accordance with the provisions of subsection (9) of this
32 Section, such boundaries shall subsequently be utilized to
33 determine Revised Initial Sales Tax Amounts and the Net State
34 Sales Tax Increment; provided, however, that such revised State
35 Sales Tax Boundary shall not have any effect upon the boundary
36 of the redevelopment project area established for the purposes

1 of determining the ad valorem taxes on real property pursuant
2 to Sections 11-74.4-7 and 11-74.4-8 of this Act nor upon the
3 municipality's authority to implement the redevelopment plan
4 for that redevelopment project area. For any redevelopment
5 project area with a smaller State Sales Tax Boundary within its
6 area, the municipality may annually elect to deposit the
7 Municipal Sales Tax Increment for the redevelopment project
8 area in the special tax allocation fund and shall certify the
9 amount to the Department prior to receipt of the Net State
10 Sales Tax Increment. Any municipality required by subsection
11 (9) to establish a State Sales Tax Boundary for one or more of
12 its redevelopment project areas shall submit all necessary
13 information required by the Department concerning such
14 boundary and the retailers therein, by October 1, 1989, after
15 complying with the procedures for amendment set forth in
16 Sections 11-74.4-5 and 11-74.4-6 of this Act. Net State Sales
17 Tax Increment produced within the State Sales Tax Boundary
18 shall be spent only within that area. However expenditures of
19 all municipal property tax increment and municipal sales tax
20 increment in a redevelopment project area are not required to
21 be spent within the smaller State Sales Tax Boundary within
22 such redevelopment project area.

23 (11) The Department of Revenue shall have the authority to
24 issue rules and regulations for purposes of this Section. and
25 regulations for purposes of this Section.

26 (12) If, under Section 5.4.1 of the Illinois Enterprise
27 Zone Act, a municipality determines that property that lies
28 within a State Sales Tax Boundary has an improvement,
29 rehabilitation, or renovation that is entitled to a property
30 tax abatement, then that property along with any improvements,
31 rehabilitation, or renovations shall be immediately removed
32 from any State Sales Tax Boundary. The municipality that made
33 the determination shall notify the Department of Revenue within
34 30 days after the determination. Once a property is removed
35 from the State Sales Tax Boundary because of the existence of a
36 property tax abatement resulting from an enterprise zone, then

1 that property shall not be permitted to be amended into a State
2 Sales Tax Boundary.

19 or redevelopment plan issued by the designated planning
20 authority of the municipality or (ii) includes land uses
21 that have been approved by the planning commission of the
22 municipality;

23 (3) that the redevelopment plan is reasonably expected
24 to create or retain a significant number of permanent full
25 time jobs as set forth in paragraph (3) of subsection (1)
26 above;

27 (4) the estimated date of completion of the
28 redevelopment project and retirement of obligations
29 incurred to finance redevelopment project costs is not
30 later than December 31 of the year in which the payment to
31 the municipal treasurer as provided in subsection (b) of
32 Section 11-74.6-35 is to be made with respect to ad valorem
33 taxes levied in the twenty-third calendar year after the
34 year in which the ordinance approving the redevelopment
35 project area is adopted; a municipality may by municipal
36 ordinance amend an existing redevelopment plan to conform

1 to this paragraph (4) as amended by this amendatory Act of
2 the 91st General Assembly concerning ordinances adopted on
3 or after January 15, 1981, which municipal ordinance may be
4 adopted without further hearing or notice and without
5 complying with the procedures provided in this Law
6 pertaining to an amendment to or the initial approval of a
7 redevelopment plan and project and designation of a
8 redevelopment project area;

9 (5) in the case of an industrial park conservation
10 area, that the municipality is a labor surplus municipality
11 or a substantial labor surplus municipality and that the
12 implementation of the redevelopment plan is reasonably
13 expected to create a significant number of permanent full
14 time new jobs and, by the provision of new facilities,
15 significantly enhance the tax base of the taxing districts
16 that extend into the redevelopment project area;

17 (6) in the case of an environmentally contaminated
18 area, that the area is subject to a release or substantial
19 threat of release of a hazardous substance, pesticide or
20 petroleum which presents an imminent and substantial
21 danger to public health or welfare or presents a
22 significant threat to public health or environment, that
23 such release or threat of release will have a significant
24 impact on the cost of redeveloping the area, that the
25 implementation of the redevelopment plan is reasonably
26 expected to result in the area being redeveloped, the tax
27 base of the affected taxing districts being significantly
28 enhanced thereby, and the creation of a significant number
29 of permanent full time jobs; and

30 (7) in the case of a vacant industrial buildings
31 conservation area, that the area is located within the
32 corporate limits of a municipality that has been zoned
33 industrial for at least 5 years before its designation as a
34 project redeveloped area, that it contains one or more
35 industrial buildings, and whether the area has been
36 designated under Standard One or Standard Two of subsection

1 (f) and the basis for that designation.

2 (m) "Redevelopment project" means any public or private
3 development project in furtherance of the objectives of a
4 redevelopment plan. On and after the effective date of this
5 amendatory Act of the 91st General Assembly, no redevelopment
6 plan may be approved or amended to include the development of
7 vacant land (i) with a golf course and related clubhouse and
8 other facilities or (ii) designated by federal, State, county,
9 or municipal government as public land for outdoor recreational
10 activities or for nature preserves and used for that purpose
11 within 5 years prior to the adoption of the redevelopment plan.
12 For the purpose of this subsection, "recreational activities"
13 is limited to mean camping and hunting.

14 (n) "Redevelopment project area" means a contiguous area
15 designated by the municipality that is not less in the
16 aggregate than 1 1/2 acres, and for which the municipality has
17 made a finding that there exist conditions that cause the area
18 to be classified as an industrial park conservation area, a
19 vacant industrial building conservation area, an
20 environmentally contaminated area or a combination of these
21 types of areas.

22 (o) "Redevelopment project costs" means the sum total of
23 all reasonable or necessary costs incurred or estimated to be
24 incurred by the municipality, and any of those costs incidental
25 to a redevelopment plan and a redevelopment project. These
26 costs include, without limitation, the following:

27 (1) Costs of studies, surveys, development of plans,
28 and specifications, implementation and administration of
29 the redevelopment plan, staff and professional service
30 costs for architectural, engineering, legal, marketing,
31 financial, planning, or other services, but no charges for
32 professional services may be based on a percentage of the
33 tax increment collected; except that on and after the
34 effective date of this amendatory Act of the 91st General
35 Assembly, no contracts for professional services,
36 excluding architectural and engineering services, may be

1 entered into if the terms of the contract extend beyond a
2 period of 3 years. In addition, "redevelopment project
3 costs" shall not include lobbying expenses. After
4 consultation with the municipality, each tax increment
5 consultant or advisor to a municipality that plans to
6 designate or has designated a redevelopment project area
7 shall inform the municipality in writing of any contracts
8 that the consultant or advisor has entered into with
9 entities or individuals that have received, or are
10 receiving, payments financed by tax increment revenues
11 produced by the redevelopment project area with respect to
12 which the consultant or advisor has performed, or will be
13 performing, service for the municipality. This requirement
14 shall be satisfied by the consultant or advisor before the
15 commencement of services for the municipality and
16 thereafter whenever any other contracts with those
17 individuals or entities are executed by the consultant or
18 advisor;

19 (1.5) After July 1, 1999, annual administrative costs
20 shall not include general overhead or administrative costs
21 of the municipality that would still have been incurred by
22 the municipality if the municipality had not designated a
23 redevelopment project area or approved a redevelopment
24 plan;

25 (1.6) The cost of marketing sites within the
26 redevelopment project area to prospective businesses,
27 developers, and investors.

28 (2) Property assembly costs within a redevelopment
29 project area, including but not limited to acquisition of
30 land and other real or personal property or rights or
31 interests therein.

32 (3) Site preparation costs, including but not limited
33 to clearance of any area within a redevelopment project
34 area by demolition or removal of any existing buildings,
35 structures, fixtures, utilities and improvements and
36 clearing and grading; and including installation, repair,

1 construction, reconstruction, or relocation of public
2 streets, public utilities, and other public site
3 improvements within or without a redevelopment project
4 area which are essential to the preparation of the
5 redevelopment project area for use in accordance with a
6 redevelopment plan.

7 (4) Costs of renovation, rehabilitation,
8 reconstruction, relocation, repair or remodeling of any
9 existing public or private buildings, improvements, and
10 fixtures within a redevelopment project area; and the cost
11 of replacing an existing public building if pursuant to the
12 implementation of a redevelopment project the existing
13 public building is to be demolished to use the site for
14 private investment or devoted to a different use requiring
15 private investment.

16 (5) Costs of construction within a redevelopment
17 project area of public improvements, including but not
18 limited to, buildings, structures, works, utilities or
19 fixtures, except that on and after the effective date of
20 this amendatory Act of the 91st General Assembly,
21 redevelopment project costs shall not include the cost of
22 constructing a new municipal public building principally
23 used to provide offices, storage space, or conference
24 facilities or vehicle storage, maintenance, or repair for
25 administrative, public safety, or public works personnel
26 and that is not intended to replace an existing public
27 building as provided under paragraph (4) unless either (i)
28 the construction of the new municipal building implements a
29 redevelopment project that was included in a redevelopment
30 plan that was adopted by the municipality prior to the
31 effective date of this amendatory Act of the 91st General
32 Assembly or (ii) the municipality makes a reasonable
33 determination in the redevelopment plan, supported by
34 information that provides the basis for that
35 determination, that the new municipal building is required
36 to meet an increase in the need for public safety purposes

1 anticipated to result from the implementation of the
2 redevelopment plan.

3 (6) Costs of eliminating or removing contaminants and
4 other impediments required by federal or State
5 environmental laws, rules, regulations, and guidelines,
6 orders or other requirements or those imposed by private
7 lending institutions as a condition for approval of their
8 financial support, debt or equity, for the redevelopment
9 projects, provided, however, that in the event (i) other
10 federal or State funds have been certified by an
11 administrative agency as adequate to pay these costs during
12 the 18 months after the adoption of the redevelopment plan,
13 or (ii) the municipality has been reimbursed for such costs
14 by persons legally responsible for them, such federal,
15 State, or private funds shall, insofar as possible, be
16 fully expended prior to the use of any revenues deposited
17 in the special tax allocation fund of the municipality and
18 any other such federal, State or private funds received
19 shall be deposited in the fund. The municipality shall seek
20 reimbursement of these costs from persons legally
21 responsible for these costs and the costs of obtaining this
22 reimbursement.

23 (7) Costs of job training and retraining projects.

24 (8) Financing costs, including but not limited to all
25 necessary and incidental expenses related to the issuance
26 of obligations and which may include payment of interest on
27 any obligations issued under this Act including interest
28 accruing during the estimated period of construction of any
29 redevelopment project for which the obligations are issued
30 and for not exceeding 36 months thereafter and including
31 reasonable reserves related to those costs.

32 (9) All or a portion of a taxing district's capital
33 costs resulting from the redevelopment project necessarily
34 incurred or to be incurred in furtherance of the objectives
35 of the redevelopment plan and project, to the extent the
36 municipality by written agreement accepts and approves

1 those costs.

2 (10) Relocation costs to the extent that a municipality
3 determines that relocation costs shall be paid or is
4 required to make payment of relocation costs by federal or
5 State law.

6 (11) Payments in lieu of taxes.

7 (12) Costs of job training, retraining, advanced
8 vocational education or career education, including but
9 not limited to courses in occupational, semi-technical or
10 technical fields leading directly to employment, incurred
11 by one or more taxing districts, if those costs are: (i)
12 related to the establishment and maintenance of additional
13 job training, advanced vocational education or career
14 education programs for persons employed or to be employed
15 by employers located in a redevelopment project area; and
16 (ii) are incurred by a taxing district or taxing districts
17 other than the municipality and are set forth in a written
18 agreement by or among the municipality and the taxing
19 district or taxing districts, which agreement describes
20 the program to be undertaken, including but not limited to
21 the number of employees to be trained, a description of the
22 training and services to be provided, the number and type
23 of positions available or to be available, itemized costs
24 of the program and sources of funds to pay for the same,
25 and the term of the agreement. These costs include,
26 specifically, the payment by community college districts
27 of costs under Sections 3-37, 3-38, 3-40 and 3-40.1 of the
28 Public Community College Act and by school districts of
29 costs under Sections 10-22.20a and 10-23.3a of the School
30 Code.

31 (13) The interest costs incurred by redevelopers or
32 other nongovernmental persons in connection with a
33 redevelopment project, and specifically including payments
34 to redevelopers or other nongovernmental persons as
35 reimbursement for such costs incurred by such redeveloper
36 or other nongovernmental person, provided that:

1 (A) interest costs shall be paid or reimbursed by a
2 municipality only pursuant to the prior official
3 action of the municipality evidencing an intent to pay
4 or reimburse such interest costs;

5 (B) such payments in any one year may not exceed
6 30% of the annual interest costs incurred by the
7 redeveloper with regard to the redevelopment project
8 during that year;

9 (C) except as provided in subparagraph (E), the
10 aggregate amount of such costs paid or reimbursed by a
11 municipality shall not exceed 30% of the total (i)
12 costs paid or incurred by the redeveloper or other
13 nongovernmental person in that year plus (ii)
14 redevelopment project costs excluding any property
15 assembly costs and any relocation costs incurred by a
16 municipality pursuant to this Act;

17 (D) interest costs shall be paid or reimbursed by a
18 municipality solely from the special tax allocation
19 fund established pursuant to this Act and shall not be
20 paid or reimbursed from the proceeds of any obligations
21 issued by a municipality;

22 (E) if there are not sufficient funds available in
23 the special tax allocation fund in any year to make
24 such payment or reimbursement in full, any amount of
25 such interest cost remaining to be paid or reimbursed
26 by a municipality shall accrue and be payable when
27 funds are available in the special tax allocation fund
28 to make such payment.

29 (14) The costs of construction of new privately owned
30 buildings shall not be an eligible redevelopment project
31 cost.

32 If a special service area has been established under the
33 Special Service Area Tax Act, then any tax increment revenues
34 derived from the tax imposed thereunder to the Special Service
35 Area Tax Act may be used within the redevelopment project area
36 for the purposes permitted by that Act as well as the purposes

1 permitted by this Act.

2 (p) "Redevelopment Planning Area" means an area so
3 designated by a municipality after the municipality has
4 complied with all the findings and procedures required to
5 establish a redevelopment project area, including the
6 existence of conditions that qualify the area as an industrial
7 park conservation area, or an environmentally contaminated
8 area, or a vacant industrial buildings conservation area, or a
9 combination of these types of areas, and adopted a
10 redevelopment plan and project for the planning area and its
11 included redevelopment project areas. The area shall not be
12 designated as a redevelopment planning area for more than 5
13 years. At any time in the 5 years following that designation of
14 the redevelopment planning area, the municipality may
15 designate the redevelopment planning area, or any portion of
16 the redevelopment planning area, as a redevelopment project
17 area without making additional findings or complying with
18 additional procedures required for the creation of a
19 redevelopment project area. An amendment of a redevelopment
20 plan and project in accordance with the findings and procedures
21 of this Act after the designation of a redevelopment planning
22 area at any time within the 5 years after the designation of
23 the redevelopment planning area shall not require new
24 qualification of findings for the redevelopment project area to
25 be designated within the redevelopment planning area.

26 The terms "redevelopment plan", "redevelopment project",
27 and "redevelopment project area" have the definitions set out
28 in subsections (l), (m), and (n), respectively.

29 (q) "Taxing districts" means counties, townships,
30 municipalities, and school, road, park, sanitary, mosquito
31 abatement, forest preserve, public health, fire protection,

34 taxes.

35 (r) "Taxing districts' capital costs" means those costs of
36 taxing districts for capital improvements that are found by the

1 municipal corporate authorities to be necessary and a direct
2 result of the redevelopment project.

3 (s) "Urban county" means a county with 240,000 or more
4 inhabitants.

5 (t) "Vacant area", as used in subsection (a) of this
6 Section, means any parcel or combination of parcels of real
7 property without industrial, commercial and residential
8 buildings that has not been used for commercial agricultural
9 purposes within 5 years before the designation of the
10 redevelopment project area, unless that parcel is included in
11 an industrial park conservation area.

14 Section 575. The Metropolitan Pier and Exposition
15 Authority Act is amended by changing Sections 10.1, 13.1, and
16 22.1 as follows:

17 (70 ILCS 210/10.1) (from Ch. 85, par. 1230.1)

18 Sec. 10.1. (a) The Authority is hereby authorized to
19 provide for the issuance, from time to time, of refunding or
20 advance refunding bonds for the purpose of refunding any bonds
21 or notes then outstanding (herein collectively referred to as
22 bonds) at or prior to maturity or on any redemption date,
23 whether an entire issue or series, or one or more issues or
24 series, or any portions or parts of any issue or series, which
25 shall have been issued under the provisions of this Act.

26 (b) The proceeds of any such refunding bonds may be used to
27 carry out one or more of the following purposes:

28 (1) To pay the principal amount of all outstanding
29 bonds to be retired at maturity or redeemed prior to
30 maturity;

31 (2) To pay the total amount of any redemption premium
32 incident to redemption of such outstanding bonds to be
33 refunded;

34 (3) To pay the total amount of any interest accrued or

1 to accrue to the date or dates of redemption or maturity of
2 such outstanding bonds to be refunded;

3 (4) To pay any and all costs or expenses incident to
4 such refunding;

5 (5) To establish reserves for the payment of such
6 refunding bonds and the interest thereon.

7 (c) The issuance of refunding bonds, the maturities and
8 other details thereof, the rights of the holders thereof and
9 the rights, duties and obligations of the Authority in respect
10 of the same shall be governed by the provisions of this Act,
11 insofar as the same may be applicable, and may in harmony
12 therewith be augmented or supplemented by resolution or
13 ordinance to conform to the facts and circumstances prevailing
14 in each instance of issuance of such refunding bonds; provided
15 that, with respect to refunding or advance refunding bonds
16 issued before January 1, 1991, the Authority shall consult with
17 the Illinois Governor's Office of Management and Budget
18 (formerly Bureau of the Budget) to develop the structure of the
19 proposed transaction.

20 After the adoption by the Board of an ordinance authorizing
21 the issuance of such refunding bonds before January 1, 1991,
22 and the execution of any proposal or contract relating to the
23 sale thereof, the Authority shall prepare and deliver a report
24 as soon as practical to the Director of the Governor's Office
25 of Management and Budget (formerly Bureau of the Budget), the
26 President of the Senate, the Minority Leader of the Senate, the
27 Speaker of the House of Representatives and the Minority Leader
28 of the House of Representatives setting forth the amount of
29 refunding bonds, the interest rate or rates, a schedule of
30 estimated debt service requirements, the projected cost
31 savings to the State, the method or manner of the sale and any
32 participants therein, including underwriters, financial
33 advisors, attorneys, accountants, trustees, printers,
34 registrars and paying agents.

35 (d) With reference to the investment of the proceeds of any
36 such refunding bonds, the interest on which is exempt from tax

1 under federal law, the Authority shall not authorize or
2 anticipate investment earnings exceeding such as are
3 authorized or permitted under prevailing federal laws,
4 regulations and administrative rulings relating to arbitrage
5 bonds.

6 (e) The proceeds of any such refunding bonds (together with
7 any other funds available for application to refunding
8 purposes, if so provided or permitted by ordinance authorizing
9 the issuance of such refunding bonds or in a trust agreement
10 securing the same) may be placed in trust to be applied to the
11 purchase, retirement at maturity or redemption of the bonds to
12 be refunded on such dates as may be determined by the
13 Authority. Pending application thereof, the proceeds of such
14 refunding bonds and such other available funds, if any, may be
15 invested in direct obligations of, or obligations the principal
16 thereof and the interest on which are unconditionally
17 guaranteed by, the United States of America which shall mature,
18 or which shall be subject to redemption by the holder thereof
19 at its option not later than the respective date or dates when
20 such proceeds and other available funds, if any, (either
21 together with the interest accruing thereon or without
22 considering the interest accruing thereon) will be required for
23 the refunding purpose intended or authorized.

24 (f) Upon the deposit of the proceeds of the refunding bonds
25 (together with any other funds available for application to
26 refunding purposes, if so provided or permitted by ordinance
27 authorizing the issuance of such refunding bonds or in a trust
28 agreement securing the same) in an irrevocable trust pursuant
29 to a trust agreement with a trustee requiring the trustee to
30 satisfy the obligations of the Authority to timely redeem and
31 retire the outstanding bonds for which the proceeds and other
32 funds, if any, are deposited, in an amount sufficient to
33 satisfy the obligation of the Authority to timely redeem and
34 retire such outstanding bonds or upon the deposit in such
35 irrevocable trust of direct obligations which, or obligations
36 the principal and interest of which, are unconditionally

1 guaranteed by the United States of America, in an amount
2 sufficient to pay all principal and all interest accrued and to
3 be accrued in respect of the bonds to be refunded from the
4 reinvestment of such principal and interest, or in such amounts
5 so that upon maturity (or upon optional redemption by the
6 trustee) of such obligations amounts will be produced, taking
7 into account investment earnings, on a timely basis sufficient
8 to satisfy the obligations of the Authority to timely redeem
9 and retire such outstanding bonds, and notwithstanding any
10 provision of any ordinance or trust agreement authorizing the
11 issuance of such outstanding bonds to the contrary, such
12 outstanding bonds shall be deemed paid and no longer be deemed
13 to be outstanding for purposes of such ordinance or trust
14 agreement, and all rights and obligations of the bond holders
15 and the Authority under such prior ordinance or trust agreement
16 shall be deemed discharged, provided, however, that the holders
17 of such outstanding bonds shall have an irrevocable and
18 unconditional right to payment in full of all principal of and
19 premium if any and interest on such outstanding bonds when due
20 from the amounts on deposit in such trust. The trustee shall be
21 any trust company or bank in the State of Illinois having the
22 power of a trust company possessing capital and surplus of not
23 less than \$100,000,000.

24 (g) Bond proceeds on deposit in the construction fund, are
25 authorized to be used to pay principal or interest on the
26 refunded bonds and the Authority is authorized to issue bonds
27 for the purpose of reimbursing its construction fund in the
28 amount of the bond proceeds used in connection with the
29 refunding issuance. That portion of the bond proceeds used to
30 reimburse the construction fund shall be deemed refunding bonds
31 for the purposes of this Act.

33 (70 ILCS 210/13.1) (from Ch. 85, par. 1233.1)

34 Sec. 13.1. There is hereby created the Metropolitan Fair
35 and Exposition Authority Improvement Bond Fund and the

1 Metropolitan Fair and Exposition Authority Completion Note
2 Subordinate Fund in the State Treasury. All moneys transferred
3 from the McCormick Place Account in the Build Illinois Fund to
4 the Metropolitan Fair and Exposition Authority Improvement
5 Bond Fund and all moneys transferred from the Metropolitan Fair
6 and Exposition Authority Improvement Bond Fund to the
7 Metropolitan Fair and Exposition Authority Completion Note
8 Subordinate Fund may be appropriated by law for the purpose of
9 paying the debt service requirements on all bonds and notes
10 issued under this Section, including refunding bonds, (herein
11 collectively referred to as bonds) to be issued by the
12 Authority subsequent to July 1, 1984 in an aggregate amount
13 (excluding the amount of any refunding bonds issued by the
14 Authority subsequent to January 1, 1986), not to exceed
15 \$312,500,000, with such aggregate amount comprised of (i) an
16 amount not to exceed \$259,000,000 for the purpose of paying
17 costs of the Project and (ii) the balance for the purpose of
18 refunding those bonds of the Authority that were issued prior
19 to July 1, 1984 and for the purpose of establishing necessary
20 reserves on, paying capitalized interest on, and paying costs
21 of issuance of bonds, other than refunding bonds issued
22 subsequent to January 1, 1986, issued for those purposes,
23 provided that any proceeds of bonds, other than refunding bonds
24 issued subsequent to January 1, 1986, and interest or other
25 investment earnings thereon not used for the purposes stated in
26 items (i) and (ii) above shall be used solely to redeem
27 outstanding bonds, other than bonds which have been refunded or
28 advance refunded, of the Authority. The Authority will use its
29 best efforts to cause all bonds issued pursuant to this
30 Section, other than bonds which have been refunded or advance
31 refunded, to be or to become on a parity with one another.
32 Notwithstanding any provision of any prior ordinance or trust
33 agreement authorizing the issuance of outstanding bonds
34 payable or to become payable from the Metropolitan Fair and
35 Exposition Authority Improvement Bond Fund, refunding or
36 advance refunding bonds may be issued subsequent to January 1,

1 1986, payable from the Metropolitan Fair and Exposition
2 Authority Improvement Bond Fund on a parity with any such prior
3 bonds which remain outstanding provided, that in the event of
4 any such partial refunding (i) the debt service requirements
5 after such refunding for all bonds payable from the
6 Metropolitan Fair and Exposition Authority Improvement Bond
7 Fund issued after July 1, 1984, by the Authority which shall be
8 outstanding after such refunding shall not have been increased
9 by reason of such refunding in any then current or future
10 fiscal year in which such prior outstanding bonds shall remain
11 outstanding and (ii) such parity refunding bonds shall be
12 deemed to be parity bonds issued to pay costs of the Project
13 for purposes of such prior ordinance or trust agreement. It is
14 hereby found and determined that (i) the issuance of such
15 parity refunding bonds shall further the purposes of this Act
16 and (ii) the contractual rights of the bondholders under any
17 such prior ordinance or trust agreement will not be impaired or
18 adversely affected by such issuance.

19 No amounts in excess of the sum of \$250,000,000 plus all
20 interest and other investment income earned prior to the
21 effective date of this amendatory Act of 1985 on all proceeds
22 of all bonds issued for the purpose of paying costs of the
23 Project shall be obligated or expended with respect to the
24 costs of the Project without prior written approval from the
25 Director of the Governor's Office of Management and Budget
26 ~~Bureau of the Budget~~. Such approval shall be based upon factors
27 including, but not limited to, the necessity, in relation to
28 the Authority's ability to complete the Project and open the
29 facility to the public in a timely manner, of incurring the
30 costs, and the appropriateness of using bond funds for such
31 purpose. The Director of the Governor's Office of Management
32 and Budget ~~Bureau of the Budget~~ may, in his discretion,
33 consider other reasonable factors in determining whether to
34 approve payment of costs of the Project. The Authority shall
35 furnish to the Governor's Office of Management and Budget
36 ~~Bureau of the Budget~~ such information as may from time to time

1 be requested. The Director of the Governor's Office of
2 Management and Budget ~~Bureau of the Budget~~ or any duly
3 authorized employee of the Governor's Office of Management and
4 Budget ~~Bureau of the Budget~~ shall, for the purpose of securing
5 such information, have access to, and the right to examine, all
6 books, documents, papers and records of the Authority.

7 On the first day of each month commencing after July of
8 1984, moneys, if any, on deposit in the Metropolitan Fair and
9 Exposition Authority Improvement Bond Fund shall, subject to
10 appropriation by law, be paid in full to the Authority or upon
11 its direction to the trustee or trustees for bond holders of
12 bonds which by their terms are payable from the moneys received
13 from the Metropolitan Fair and Exposition Authority
14 Improvement Bond Fund issued by the Metropolitan Pier and
15 Exposition Authority subsequent to July 1, 1984, for the
16 purposes specified in the first paragraph of this Section and
17 in Section 10.1 of this Act, such trustee or trustees having

34 Office of Management and Budget (formerly Bureau of the Budget)

1 shall submit to the Authority an estimate of revenues for the
2 next fiscal year to be collected from the taxes imposed by the
3 Authority and the amounts to be available in the Public
4 Transportation Fund and the Regional Transportation Authority
5 Occupation and Use Tax Replacement Fund. For the fiscal year
6 ending on December 31, 1983, the Board shall report its results
7 from operations and financial condition to the General Assembly
8 and the Governor by January 31. For the fiscal year beginning
9 January 1, 1984, and thereafter, the budget and program shall
10 be presented to the General Assembly and the Governor not later
11 than the preceding December 31st. Before the proposed budget
12 and program is adopted, the Authority shall hold at least one
13 public hearing thereon in the metropolitan region. The Board
14 shall hold at least one meeting for consideration of the
15 proposed program and budget with the county board of each of
16 the several counties in the metropolitan region. After
17 conducting such hearings and holding such meetings and after
18 making such changes in the proposed program and budget as the
19 Board deems appropriate, the Board shall adopt its annual
20 budget ordinance. The ordinance may be adopted only upon the
21 affirmative votes of 9 of its then Directors. The ordinance
22 shall appropriate such sums of money as are deemed necessary to
23 defray all necessary expenses and obligations of the Authority,
24 specifying purposes and the objects or programs for which
25 appropriations are made and the amount appropriated for each
26 object or program. Additional appropriations, transfers
27 between items and other changes in such ordinance may be made
28 from time to time by the Board upon the affirmative votes of 9
29 of its then Directors.

30 (b) The budget shall show a balance between anticipated
31 revenues from all sources and anticipated expenses including
32 funding of operating deficits or the discharge of encumbrances
33 incurred in prior periods and payment of principal and interest
34 when due, and shall show cash balances sufficient to pay with
35 reasonable promptness all obligations and expenses as
36 incurred.

1 The annual budget and financial plan must show that the
2 level of fares and charges for mass transportation provided by,
3 or under grant or purchase of service contracts of, the Service
4 Boards is sufficient to cause the aggregate of all projected
5 fare revenues from such fares and charges received in each
6 fiscal year to equal at least 50% of the aggregate costs of
7 providing such public transportation in such fiscal year. "Fare
8 revenues" include the proceeds of all fares and charges for
9 services provided, contributions received in connection with
10 public transportation from units of local government other than
11 the Authority and from the State pursuant to subsection (i) of
12 Section 2705-305 of the Department of Transportation Law (20
13 ILCS 2705/2705-305), and all other operating revenues properly
14 included consistent with generally accepted accounting
15 principles but do not include the proceeds of any borrowings.
16 "Costs" include all items properly included as operating costs
17 consistent with generally accepted accounting principles,
18 including administrative costs, but do not include:
19 depreciation; payment of principal and interest on bonds, notes
20 or other evidences of obligation for borrowed money issued by
21 the Authority; payments with respect to public transportation
22 facilities made pursuant to subsection (b) of Section 2.20 of
23 this Act; any payments with respect to rate protection
24 contracts, credit enhancements or liquidity agreements made
25 under Section 4.14; any other cost to which it is reasonably
26 expected that a cash expenditure will not be made; costs up to
27 \$5,000,000 annually for passenger security including grants,
28 contracts, personnel, equipment and administrative expenses,
29 except in the case of the Chicago Transit Authority, in which
30 case the term does not include costs spent annually by that
31 entity for protection against crime as required by Section 27a
32 of the Metropolitan Transit Authority Act; or costs as exempted
33 by the Board for projects pursuant to Section 2.09 of this Act.

34 (c) The actual administrative expenses of the Authority for
35 the fiscal year commencing January 1, 1985 may not exceed
36 \$5,000,000. The actual administrative expenses of the

1 Authority for the fiscal year commencing January 1, 1986, and
2 for each fiscal year thereafter shall not exceed the maximum
3 administrative expenses for the previous fiscal year plus 5%.

4 "Administrative expenses" are defined for purposes of this
5 Section as all expenses except: (1) capital expenses and
6 purchases of the Authority on behalf of the Service Boards; (2)
7 payments to Service Boards; and (3) payment of principal and
8 interest on bonds, notes or other evidence of obligation for
9 borrowed money issued by the Authority; (4) costs for passenger
10 security including grants, contracts, personnel, equipment and
11 administrative expenses; (5) payments with respect to public
12 transportation facilities made pursuant to subsection (b) of
13 Section 2.20 of this Act; and (6) any payments with respect to
14 rate protection contracts, credit enhancements or liquidity
15 agreements made pursuant to Section 4.14.

16 (d) After withholding 15% of the proceeds of any tax
17 imposed by the Authority and 15% of money received by the
18 Authority from the Regional Transportation Authority
19 Occupation and Use Tax Replacement Fund, the Board shall
20 allocate the proceeds and money remaining to the Service Boards
21 as follows: (1) an amount equal to 85% of the proceeds of those
22 taxes collected within the City of Chicago and 85% of the money
23 received by the Authority on account of transfers to the
24 Regional Transportation Authority Occupation and Use Tax
25 Replacement Fund from the County and Mass Transit District Fund
26 attributable to retail sales within the City of Chicago shall
27 be allocated to the Chicago Transit Authority; (2) an amount
28 equal to 85% of the proceeds of those taxes collected within
29 Cook County outside the City of Chicago and 85% of the money
30 received by the Authority on account of transfers to the
31 Regional Transportation Authority Occupation and Use Tax
32 Replacement Fund from the County and Mass Transit District Fund
33 attributable to retail sales within Cook County outside of the
34 city of Chicago shall be allocated 30% to the Chicago Transit
35 Authority, 55% to the Commuter Rail Board and 15% to the
36 Suburban Bus Board; and (3) an amount equal to 85% of the

1 proceeds of the taxes collected within the Counties of DuPage,
2 Kane, Lake, McHenry and Will shall be allocated 70% to the
3 Commuter Rail Board and 30% to the Suburban Bus Board.

4 (e) Moneys received by the Authority on account of
5 transfers to the Regional Transportation Authority Occupation
6 and Use Tax Replacement Fund from the State and Local Sales Tax
7 Reform Fund shall be allocated among the Authority and the
8 Service Boards as follows: 15% of such moneys shall be retained
9 by the Authority and the remaining 85% shall be transferred to
10 the Service Boards as soon as may be practicable after the
11 Authority receives payment. Moneys which are distributable to
12 the Service Boards pursuant to the preceding sentence shall be
13 allocated among the Service Boards on the basis of each Service
14 Board's distribution ratio. The term "distribution ratio"
15 means, for purposes of this subsection (e) of this Section
16 4.01, the ratio of the total amount distributed to a Service
17 Board pursuant to subsection (d) of Section 4.01 for the
18 immediately preceding calendar year to the total amount
19 distributed to all of the Service Boards pursuant to subsection
20 (d) of Section 4.01 for the immediately preceding calendar
21 year.

22 To further and accomplish the preparation of the annual
23 budget and program as well as the Five-Year Program provided
24 for in Section 2.01 of this Act and to make such interim
25 management decisions as may be necessary, the Board shall
26 employ staff which shall: (1) evaluate for the Board public
27 transportation programs operated or proposed by transportation
28 agencies in terms of goals, costs and relative priorities; (2)
29 keep the Board informed of the public transportation programs
30 and accomplishments of such transportation agencies; and (3)
31 coordinate the development and implementation of public
32 transportation programs to the end that the monies available to
33 the Authority may be expended in the most economical manner
34 possible with the least possible duplication. Under such
35 regulations as the Board may prescribe, all Service Boards,
36 transportation agencies, comprehensive planning agencies or

1 transportation planning agencies in the metropolitan region
2 shall furnish to the Board such information pertaining to
3 public transportation or relevant for plans therefor as it may
4 from time to time require, upon payment to any such agency or
5 Service Board of the reasonable additional cost of its so
6 providing such information except as may otherwise be provided
7 by agreement with the Authority, and the Board or any duly
8 authorized employee of the Board shall, for the purpose of
9 securing such information, have access to, and the right to
10 examine, all books, documents, papers or records of any such
11 agency or Service Board pertaining to public transportation or
12 relevant for plans therefor.

16 Sec. 4.04. Issuance and Pledge of Bonds and Notes.

17 (a) The Authority shall have the continuing power to borrow
18 money and to issue its negotiable bonds or notes as provided in
19 this Section. Unless otherwise indicated in this Section, the
20 term "notes" also includes bond anticipation notes, which are
21 notes which by their terms provide for their payment from the
22 proceeds of bonds thereafter to be issued. Bonds or notes of
23 the Authority may be issued for any or all of the following
24 purposes: to pay costs to the Authority or a Service Board of
25 constructing or acquiring any public transportation facilities
26 (including funds and rights relating thereto, as provided in
27 Section 2.05 of this Act); to repay advances to the Authority
28 or a Service Board made for such purposes; to pay other
29 expenses of the Authority or a Service Board incident to or
30 incurred in connection with such construction or acquisition;
31 to provide funds for any transportation agency to pay principal
32 of or interest or redemption premium on any bonds or notes,
33 whether as such amounts become due or by earlier redemption,
34 issued prior to the date of this amendatory Act by such
35 transportation agency to construct or acquire public

1 transportation facilities or to provide funds to purchase such
2 bonds or notes; and to provide funds for any transportation
3 agency to construct or acquire any public transportation
4 facilities, to repay advances made for such purposes, and to
5 pay other expenses incident to or incurred in connection with
6 such construction or acquisition; and to provide funds for
7 payment of obligations, including the funding of reserves,
8 under any self-insurance plan or joint self-insurance pool or
9 entity.

10 In addition to any other borrowing as may be authorized by
11 this Section, the Authority may issue its notes, from time to
12 time, in anticipation of tax receipts of the Authority or of
13 other revenues or receipts of the Authority, in order to
14 provide money for the Authority or the Service Boards to cover
15 any cash flow deficit which the Authority or a Service Board
16 anticipates incurring. Any such notes are referred to in this
17 Section as "Working Cash Notes". No Working Cash Notes shall be
18 issued for a term of longer than 18 months. Proceeds of Working
19 Cash Notes may be used to pay day to day operating expenses of
20 the Authority or the Service Boards, consisting of wages,
21 salaries and fringe benefits, professional and technical
22 services (including legal, audit, engineering and other
23 consulting services), office rental, furniture, fixtures and
24 equipment, insurance premiums, claims for self-insured amounts
25 under insurance policies, public utility obligations for
26 telephone, light, heat and similar items, travel expenses,
27 office supplies, postage, dues, subscriptions, public hearings
28 and information expenses, fuel purchases, and payments of
29 grants and payments under purchase of service agreements for
30 operations of transportation agencies, prior to the receipt by
31 the Authority or a Service Board from time to time of funds for
32 paying such expenses. In addition to any Working Cash Notes
33 that the Board of the Authority may determine to issue, the
34 Suburban Bus Board, the Commuter Rail Board or the Board of the
35 Chicago Transit Authority may demand and direct that the
36 Authority issue its Working Cash Notes in such amounts and

1 having such maturities as the Service Board may determine.

2 Notwithstanding any other provision of this Act, any
3 amounts necessary to pay principal of and interest on any
4 Working Cash Notes issued at the demand and direction of a
5 Service Board or any Working Cash Notes the proceeds of which
6 were used for the direct benefit of a Service Board or any
7 other Bonds or Notes of the Authority the proceeds of which
8 were used for the direct benefit of a Service Board shall
9 constitute a reduction of the amount of any other funds
10 provided by the Authority to that Service Board. The Authority
11 shall, after deducting any costs of issuance, tender the net
12 proceeds of any Working Cash Notes issued at the demand and
13 direction of a Service Board to such Service Board as soon as
14 may be practicable after the proceeds are received. The
15 Authority may also issue notes or bonds to pay, refund or
16 redeem any of its notes and bonds, including to pay redemption
17 premiums or accrued interest on such bonds or notes being
18 renewed, paid or refunded, and other costs in connection
19 therewith. The Authority may also utilize the proceeds of any
20 such bonds or notes to pay the legal, financial, administrative
21 and other expenses of such authorization, issuance, sale or
22 delivery of bonds or notes or to provide or increase a debt
23 service reserve fund with respect to any or all of its bonds or
24 notes. The Authority may also issue and deliver its bonds or
25 notes in exchange for any public transportation facilities,
26 (including funds and rights relating thereto, as provided in
27 Section 2.05 of this Act) or in exchange for outstanding bonds
28 or notes of the Authority, including any accrued interest or
29 redemption premium thereon, without advertising or submitting
30 such notes or bonds for public bidding.

31 (b) The ordinance providing for the issuance of any such
32 bonds or notes shall fix the date or dates of maturity, the
33 dates on which interest is payable, any sinking fund account or
34 reserve fund account provisions and all other details of such
35 bonds or notes and may provide for such covenants or agreements
36 necessary or desirable with regard to the issue, sale and

1 security of such bonds or notes. The rate or rates of interest
2 on its bonds or notes may be fixed or variable and the
3 Authority shall determine or provide for the determination of
4 the rate or rates of interest of its bonds or notes issued
5 under this Act in an ordinance adopted by the Authority prior
6 to the issuance thereof, none of which rates of interest shall
7 exceed that permitted in the Bond Authorization Act. Interest
8 may be payable at such times as are provided for by the Board.
9 Bonds and notes issued under this Section may be issued as
10 serial or term obligations, shall be of such denomination or
11 denominations and form, including interest coupons to be
12 attached thereto, be executed in such manner, shall be payable
13 at such place or places and bear such date as the Authority
14 shall fix by the ordinance authorizing such bond or note and
15 shall mature at such time or times, within a period not to
16 exceed forty years from the date of issue, and may be
17 redeemable prior to maturity with or without premium, at the
18 option of the Authority, upon such terms and conditions as the
19 Authority shall fix by the ordinance authorizing the issuance
20 of such bonds or notes. No bond anticipation note or any
21 renewal thereof shall mature at any time or times exceeding 5
22 years from the date of the first issuance of such note. The
23 Authority may provide for the registration of bonds or notes in
24 the name of the owner as to the principal alone or as to both
25 principal and interest, upon such terms and conditions as the
26 Authority may determine. The ordinance authorizing bonds or
27 notes may provide for the exchange of such bonds or notes which
28 are fully registered, as to both principal and interest, with
29 bonds or notes which are registerable as to principal only. All
30 bonds or notes issued under this Section by the Authority other
31 than those issued in exchange for property or for bonds or
32 notes of the Authority shall be sold at a price which may be at
33 a premium or discount but such that the interest cost
34 (excluding any redemption premium) to the Authority of the
35 proceeds of an issue of such bonds or notes, computed to stated
36 maturity according to standard tables of bond values, shall not

1 exceed that permitted in the Bond Authorization Act. The
2 Authority shall notify the Governor's Office of Management and
3 Budget Bureau of the Budget and the State Comptroller at least
4 30 days before any bond sale and shall file with the Governor's
5 Office of Management and Budget Bureau of the Budget and the
6 State Comptroller a certified copy of any ordinance authorizing
7 the issuance of bonds at or before the issuance of the bonds.
8 After December 31, 1994, any such bonds or notes shall be sold
9 to the highest and best bidder on sealed bids as the Authority
10 shall deem. As such bonds or notes are to be sold the Authority
11 shall advertise for proposals to purchase the bonds or notes
12 which advertisement shall be published at least once in a daily
13 newspaper of general circulation published in the metropolitan
14 region at least 10 days before the time set for the submission
15 of bids. The Authority shall have the right to reject any or
16 all bids. Notwithstanding any other provisions of this Section,
17 Working Cash Notes or bonds or notes to provide funds for
18 self-insurance or a joint self-insurance pool or entity may be
19 sold either upon competitive bidding or by negotiated sale
20 (without any requirement of publication of intention to
21 negotiate the sale of such Notes), as the Board shall determine
22 by ordinance adopted with the affirmative votes of at least 7
23 Directors. In case any officer whose signature appears on any
24 bonds, notes or coupons authorized pursuant to this Section
25 shall cease to be such officer before delivery of such bonds or
26 notes, such signature shall nevertheless be valid and
27 sufficient for all purposes, the same as if such officer had
28 remained in office until such delivery. Neither the Directors
29 of the Authority nor any person executing any bonds or notes
30 thereof shall be liable personally on any such bonds or notes
31 or coupons by reason of the issuance thereof.

32 (c) All bonds or notes of the Authority issued pursuant to
33 this Section shall be general obligations of the Authority to
34 which shall be pledged the full faith and credit of the
35 Authority, as provided in this Section. Such bonds or notes
36 shall be secured as provided in the authorizing ordinance,

1 which may, notwithstanding any other provision of this Act,
2 include in addition to any other security, a specific pledge or
3 assignment of and lien on or security interest in any or all
4 tax receipts of the Authority and on any or all other revenues
5 or moneys of the Authority from whatever source, which may by
6 law be utilized for debt service purposes and a specific pledge
7 or assignment of and lien on or security interest in any funds
8 or accounts established or provided for by the ordinance of the
9 Authority authorizing the issuance of such bonds or notes. Any
10 such pledge, assignment, lien or security interest for the
11 benefit of holders of bonds or notes of the Authority shall be
12 valid and binding from the time the bonds or notes are issued
13 without any physical delivery or further act and shall be valid
14 and binding as against and prior to the claims of all other
15 parties having claims of any kind against the Authority or any
16 other person irrespective of whether such other parties have
17 notice of such pledge, assignment, lien or security interest.
18 The obligations of the Authority incurred pursuant to this
19 Section shall be superior to and have priority over any other
20 obligations of the Authority.

21 The Authority may provide in the ordinance authorizing the
22 issuance of any bonds or notes issued pursuant to this Section
23 for the creation of, deposits in, and regulation and
24 disposition of sinking fund or reserve accounts relating to
25 such bonds or notes. The ordinance authorizing the issuance of
26 any bonds or notes pursuant to this Section may contain
27 provisions as part of the contract with the holders of the
28 bonds or notes, for the creation of a separate fund to provide
29 for the payment of principal and interest on such bonds or
30 notes and for the deposit in such fund from any or all the tax
31 receipts of the Authority and from any or all such other moneys
32 or revenues of the Authority from whatever source which may by
33 law be utilized for debt service purposes, all as provided in
34 such ordinance, of amounts to meet the debt service
35 requirements on such bonds or notes, including principal and
36 interest, and any sinking fund or reserve fund account

1 requirements as may be provided by such ordinance, and all
2 expenses incident to or in connection with such fund and
3 accounts or the payment of such bonds or notes. Such ordinance
4 may also provide limitations on the issuance of additional
5 bonds or notes of the Authority. No such bonds or notes of the
6 Authority shall constitute a debt of the State of Illinois.
7 Nothing in this Act shall be construed to enable the Authority
8 to impose any ad valorem tax on property.

9 (d) The ordinance of the Authority authorizing the issuance
10 of any bonds or notes may provide additional security for such
11 bonds or notes by providing for appointment of a corporate
12 trustee (which may be any trust company or bank having the
13 powers of a trust company within the state) with respect to
14 such bonds or notes. The ordinance shall prescribe the rights,
15 duties and powers of the trustee to be exercised for the
16 benefit of the Authority and the protection of the holders of
17 such bonds or notes. The ordinance may provide for the trustee
18 to hold in trust, invest and use amounts in funds and accounts
19 created as provided by the ordinance with respect to the bonds
20 or notes. The ordinance may provide for the assignment and
21 direct payment to the trustee of any or all amounts produced
22 from the sources provided in Section 4.03 of this Act and
23 provided in Section 6z-17 of "An Act in relation to State
24 finance", approved June 10, 1919, as amended. Upon receipt of
25 notice of any such assignment, the Department of Revenue and
26 the Comptroller of the State of Illinois shall thereafter,
27 notwithstanding the provisions of Section 4.03 of this Act and
28 Section 6z-17 of "An Act in relation to State finance",
29 approved June 10, 1919, as amended, provide for such assigned
30 amounts to be paid directly to the trustee instead of the
31 Authority, all in accordance with the terms of the ordinance
32 making the assignment. The ordinance shall provide that amounts
33 so paid to the trustee which are not required to be deposited,
34 held or invested in funds and accounts created by the ordinance
35 with respect to bonds or notes or used for paying bonds or
36 notes to be paid by the trustee to the Authority.

1 (e) Any bonds or notes of the Authority issued pursuant to
2 this Section shall constitute a contract between the Authority
3 and the holders from time to time of such bonds or notes. In
4 issuing any bond or note, the Authority may include in the
5 ordinance authorizing such issue a covenant as part of the
6 contract with the holders of the bonds or notes, that as long
7 as such obligations are outstanding, it shall make such
8 deposits, as provided in paragraph (c) of this Section. It may
9 also so covenant that it shall impose and continue to impose
10 taxes, as provided in Section 4.03 of this Act and in addition
11 thereto as subsequently authorized by law, sufficient to make
12 such deposits and pay the principal and interest and to meet
13 other debt service requirements of such bonds or notes as they
14 become due. A certified copy of the ordinance authorizing the
15 issuance of any such obligations shall be filed at or prior to
16 the issuance of such obligations with the Comptroller of the
17 State of Illinois and the Illinois Department of Revenue.

18 (f) The State of Illinois pledges to and agrees with the
19 holders of the bonds and notes of the Authority issued pursuant
20 to this Section that the State will not limit or alter the
21 rights and powers vested in the Authority by this Act so as to
22 impair the terms of any contract made by the Authority with
23 such holders or in any way impair the rights and remedies of
24 such holders until such bonds and notes, together with interest
25 thereon, with interest on any unpaid installments of interest,
26 and all costs and expenses in connection with any action or
27 proceedings by or on behalf of such holders, are fully met and
28 discharged. In addition, the State pledges to and agrees with
29 the holders of the bonds and notes of the Authority issued
30 pursuant to this Section that the State will not limit or alter
31 the basis on which State funds are to be paid to the Authority
32 as provided in this Act, or the use of such funds, so as to
33 impair the terms of any such contract. The Authority is
34 authorized to include these pledges and agreements of the State
35 in any contract with the holders of bonds or notes issued
36 pursuant to this Section.

1 (g) (1) Except as provided in subdivisions (g)(2) and
2 (g)(3) of Section 4.04 of this Act, the Authority shall not
3 at any time issue, sell or deliver any bonds or notes
4 (other than Working Cash Notes) pursuant to this Section
5 4.04 which will cause it to have issued and outstanding at
6 any time in excess of \$800,000,000 of such bonds and notes
7 (other than Working Cash Notes). The Authority shall not at
8 any time issue, sell or deliver any Working Cash Notes
9 pursuant to this Section which will cause it to have issued
10 and outstanding at any time in excess of \$100,000,000 of
11 Working Cash Notes. Bonds or notes which are being paid or
12 retired by such issuance, sale or delivery of bonds or
13 notes, and bonds or notes for which sufficient funds have
14 been deposited with the paying agency of such bonds or
15 notes to provide for payment of principal and interest
16 thereon or to provide for the redemption thereof, all
17 pursuant to the ordinance authorizing the issuance of such
18 bonds or notes, shall not be considered to be outstanding
19 for the purposes of the first two sentences of this
20 subsection.

21 (2) In addition to the authority provided by paragraphs
22 (1) and (3), the Authority is authorized to issue, sell and
23 deliver bonds or notes for Strategic Capital Improvement
24 Projects approved pursuant to Section 4.13 as follows:

25 \$100,000,000 is authorized to be issued on or after
26 January 1, 1990;

27 an additional \$100,000,000 is authorized to be issued
28 on or after January 1, 1991;

29 an additional \$100,000,000 is authorized to be issued
30 on or after January 1, 1992;

31 an additional \$100,000,000 is authorized to be issued
32 on or after January 1, 1993;

33 an additional \$100,000,000 is authorized to be issued
34 on or after January 1, 1994; and

35 the aggregate total authorization of bonds and notes
36 for Strategic Capital Improvement Projects as of January 1,

1 1994, shall be \$500,000,000.

2 The Authority is also authorized to issue, sell, and
3 deliver bonds or notes in such amounts as are necessary to
4 provide for the refunding or advance refunding of bonds or
5 notes issued for Strategic Capital Improvement Projects
6 under this subdivision (g)(2), provided that no such
7 refunding bond or note shall mature later than the final
8 maturity date of the series of bonds or notes being
9 refunded, and provided further that the debt service
10 requirements for such refunding bonds or notes in the
11 current or any future fiscal year shall not exceed the debt
12 service requirements for that year on the refunded bonds or
13 notes.

14 (3) In addition to the authority provided by paragraphs
15 (1) and (2), the Authority is authorized to issue, sell,
16 and deliver bonds or notes for Strategic Capital
17 Improvement Projects approved pursuant to Section 4.13 as
18 follows:

19 \$260,000,000 is authorized to be issued on or after
20 January 1, 2000;

21 an additional \$260,000,000 is authorized to be issued
22 on or after January 1, 2001;

23 an additional \$260,000,000 is authorized to be issued
24 on or after January 1, 2002;

25 an additional \$260,000,000 is authorized to be issued
26 on or after January 1, 2003;

27 an additional \$260,000,000 is authorized to be issued
28 on or after January 1, 2004; and

29 the aggregate total authorization of bonds and notes
30 for Strategic Capital Improvement Projects pursuant to

21 Sec. 4.11. Budget Review Powers.

22 (a) The provisions of this Section shall only be applicable
23 to financial periods beginning after December 31, 1983. The
24 Transition Board shall adopt a timetable governing the
25 certification of estimates and any submissions required under
26 this Section for fiscal year 1984 which shall control over the
27 provisions of this Act. Based upon estimates which shall be
28 given to the Authority by the Director of the ~~Illinois~~
29 Governor's Office of Management and Budget (formerly Bureau of
30 the Budget) of the receipts to be received by the Authority
31 from the taxes imposed by the Authority and the authorized
32 estimates of amounts to be available from State and other
33 sources to the Service Boards, and the times at which such
34 receipts and amounts will be available, the Board shall, not
35 later than the next preceding September 15th prior to the

1 beginning of the Authority's next fiscal year, advise each
2 Service Board of the amounts estimated by the Board to be
3 available for such Service Board during such fiscal year and
4 the two following fiscal years and the times at which such
5 amounts will be available. The Board shall, at the same time,
6 also advise each Service Board of its required system generated
7 revenues recovery ratio for the next fiscal year which shall be
8 the percentage of the aggregate costs of providing public
9 transportation by or under jurisdiction of that Service Board
10 which must be recovered from system generated revenues. In
11 determining a Service Board's system generated revenue
12 recovery ratio, the Board shall consider the historical system
13 generated revenues recovery ratio for the services subject to
14 the jurisdiction of that Service Board. The Board shall not
15 increase a Service Board's system generated revenues recovery
16 ratio for the next fiscal year over such ratio for the current
17 fiscal year disproportionately or prejudicially to increases
18 in such ratios for other Service Boards. The Board may, by
19 ordinance, provide that (i) the cost of research and
20 development projects in the fiscal year beginning January 1,
21 1986 and ending December 31, 1986 conducted pursuant to Section
22 2.09 of this Act, and (ii) up to \$5,000,000 annually of the
23 costs for passenger security, may be exempted from the farebox
24 recovery ratio or the system generated revenues recovery ratio
25 of the Chicago Transit Authority, the Suburban Bus Board, and
26 the Commuter Rail Board, or any of them. For the fiscal year
27 beginning January 1, 1986 and ending December 31, 1986, and for
28 the fiscal year beginning January 1, 1987 and ending December
29 31, 1987, the Board shall, by ordinance, provide that: (1) the
30 amount of a grant, pursuant to Section 2705-310 of the
31 Department of Transportation Law (20 ILCS 2705/2705-310), from
32 the Department of Transportation for the cost of services for
33 the mobility limited provided by the Chicago Transit Authority,
34 and (2) the amount of a grant, pursuant to Section 2705-310 of
35 the Department of Transportation Law (20 ILCS 2705/2705-310),
36 from the Department of Transportation for the cost of services

1 for the mobility limited by the Suburban Bus Board or the
2 Commuter Rail Board, be exempt from the farebox recovery ratio
3 or the system generated revenues recovery ratio.

4 (b) (1) Not later than the next preceding November 15 prior
5 to the commencement of such fiscal year, each Service Board
6 shall submit to the Authority its proposed budget for such
7 fiscal year and its proposed financial plan for the two
8 following fiscal years. Such budget and financial plan shall
9 not project or assume a receipt of revenues from the Authority
10 in amounts greater than those set forth in the estimates
11 provided by the Authority pursuant to subsection (a) of this
12 Section.

13 (2) The Board shall review the proposed budget and
14 financial plan submitted by each Service Board, and shall adopt
15 a consolidated budget and financial plan. The Board shall
16 approve the budget and plan if:

17 (i) the Board has approved the proposed budget and cash
18 flow plan for such fiscal year of each Service Board,
19 pursuant to the conditions set forth in clauses (ii)
20 through (vii) of this paragraph;

21 (ii) such budget and plan show a balance between (A)
22 anticipated revenues from all sources including operating
23 subsidies and (B) the costs of providing the services
24 specified and of funding any operating deficits or
25 encumbrances incurred in prior periods, including
26 provision for payment when due of principal and interest on
27 outstanding indebtedness;

28 (iii) such budget and plan show cash balances including
29 the proceeds of any anticipated cash flow borrowing
30 sufficient to pay with reasonable promptness all costs and
31 expenses as incurred;

32 (iv) such budget and plan provide for a level of fares
33 or charges and operating or administrative costs for the
34 public transportation provided by or subject to the
35 jurisdiction of such Service Board sufficient to allow the
36 Service Board to meet its required system generated revenue

1 recovery ratio;

2 (v) such budget and plan are based upon and employ
3 assumptions and projections which are reasonable and
4 prudent;

5 (vi) such budget and plan have been prepared in
6 accordance with sound financial practices as determined by
7 the Board; and

8 (vii) such budget and plan meet such other financial,
9 budgetary, or fiscal requirements that the Board may by
10 rule or regulation establish.

11 (3) In determining whether the budget and financial plan
12 provide a level of fares or charges sufficient to allow a
13 Service Board to meet its required system generated revenue
14 recovery ratio under clause (iv) in subparagraph (2), the Board
15 shall allow a Service Board to carry over cash from farebox
16 revenues to subsequent fiscal years.

17 (4) Unless the Board by an affirmative vote of 9 of the
18 then Directors determines that the budget and financial plan of
19 a Service Board meets the criteria specified in clauses (ii)
20 through (vii) of subparagraph (2) of this paragraph (b), the
21 Board shall not release to that Service Board any funds for the
22 periods covered by such budget and financial plan except for
23 the proceeds of taxes imposed by the Authority under Section
24 4.03 which are allocated to the Service Board under Section
25 4.01.

26 (5) If the Board has not found that the budget and
27 financial plan of a Service Board meets the criteria specified
28 in clauses (i) through (vii) of subparagraph (2) of this
29 paragraph (b), the Board shall, five working days after the
30 start of the Service Board's fiscal year adopt a budget and
31 financial plan meeting such criteria for that Service Board.

32 (c)(1) If the Board shall at any time have received a
33 revised estimate, or revises any estimate the Board has made,
34 pursuant to this Section of the receipts to be collected by the
35 Authority which, in the judgment of the Board, requires a
36 change in the estimates on which the budget of any Service

1 Board is based, the Board shall advise the affected Service
2 Board of such revised estimates, and such Service Board shall
3 within 30 days after receipt of such advice submit a revised
4 budget incorporating such revised estimates. If the revised
5 estimates require, in the judgment of the Board, that the
6 system generated revenues recovery ratio of one or more Service
7 Boards be revised in order to allow the Authority to meet its
8 required ratio, the Board shall advise any such Service Board
9 of its revised ratio and such Service Board shall within 30
10 days after receipt of such advice submit a revised budget
11 incorporating such revised estimates or ratio.

12 (2) Each Service Board shall, within such period after the
13 end of each fiscal quarter as shall be specified by the Board,
14 report to the Authority its financial condition and results of
15 operations and the financial condition and results of
16 operations of the public transportation services subject to its
17 jurisdiction, as at the end of and for such quarter. If in the
18 judgment of the Board such condition and results are not
19 substantially in accordance with such Service Board's budget
20 for such period, the Board shall so advise such Service Board
21 and such Service Board shall within the period specified by the
22 Board submit a revised budget incorporating such results.

23 (3) If the Board shall determine that a revised budget
24 submitted by a Service Board pursuant to subparagraph (1) or
25 (2) of this paragraph (c) does not meet the criteria specified
26 in clauses (ii) through (vii) of subparagraph (2) of paragraph
27 (b) of this Section, the Board shall not release any monies to
28 that Service Board except the proceeds of taxes imposed by the
29 Authority under Section 4.03 or 4.03.1 which are allocated to
30 the Service Board under Section 4.01. If the Service Board
31 submits a revised financial plan and budget which plan and
32 budget shows that the criteria will be met within a four
33 quarter period, the Board shall continue to release funds to
34 the Service Board. The Board by a 9 vote of its then Directors
35 may require a Service Board to submit a revised financial plan
36 and budget which shows that the criteria will be met in a time

1 period less than four quarters.

2 (d) All budgets and financial plans, financial statements,
3 audits and other information presented to the Authority
4 pursuant to this Section or which may be required by the Board
5 to permit it to monitor compliance with the provisions of this
6 Section shall be prepared and presented in such manner and
7 frequency and in such detail as shall have been prescribed by
8 the Board, shall be prepared on both an accrual and cash flow
9 basis as specified by the Board, and shall identify and
10 describe the assumptions and projections employed in the
11 preparation thereof to the extent required by the Board. Except
12 when the Board adopts a budget and a financial plan for a
13 Service Board under paragraph (b)(5), a Service Board shall
14 provide for such levels of transportation services and fares or
15 charges therefor as it deems appropriate and necessary in the
16 preparation of a budget and financial plan meeting the criteria
17 set forth in clauses (ii) through (vii) of subparagraph (2) of
18 paragraph (b) of this Section. The Board shall have access to
19 and the right to examine and copy all books, documents, papers,
20 records, or other source data of a Service Board relevant to
21 any information submitted pursuant to this Section.

22 (e) Whenever this Section requires the Board to make
23 determinations with respect to estimates, budgets or financial
24 plans, or rules or regulations with respect thereto such
25 determinations shall be made upon the affirmative vote of at
26 least 9 of the then Directors and shall be incorporated in a
27 written report of the Board and such report shall be submitted
28 within 10 days after such determinations are made to the
29 Governor, the Mayor of Chicago (if such determinations relate
30 to the Chicago Transit Authority), and the Auditor General of
31 Illinois.

32 Section 670. The Higher Education Student Assistance Act is
33 amended by changing Section 75 as follows:

1 Sec. 75. College savings programs.

2 (a) Purpose. The General Assembly finds and hereby declares
3 that for the benefit of the people of the State of Illinois,
4 the conduct and increase of their commerce, the protection and
5 enhancement of their welfare, the development of continued
6 prosperity and the improvement of their health and living
7 conditions, it is essential that all citizens with the
8 intellectual ability and motivation be able to obtain a higher
9 education. The General Assembly further finds that rising
10 tuition costs, increasingly restrictive eligibility criteria
11 for existing federal and State student aid programs and other
12 trends in higher education finance have impeded access to a
13 higher education for many middle-income families; and that to
14 remedy these concerns, it is of utmost importance that families
15 be provided with investment alternatives to enhance their
16 financial access to institutions of higher education. It is the
17 intent of this Section to establish College Savings Programs
18 appropriate for families from various income groups, to
19 encourage Illinois families to save and invest in anticipation
20 of their children's education, and to encourage enrollment in
21 institutions of higher education, all in execution of the
22 public policy set forth above and elsewhere in this Act.

23 (b) The Commission is authorized to develop and provide a
24 program of college savings instruments to Illinois citizens.
25 The program shall be structured to encourage parents to plan
26 ahead for the college education of their children and to permit
27 the long-term accumulation of savings which can be used to
28 finance the family's share of the cost of a higher education.
29 Income, up to \$2,000 annually per account, which is derived by
30 individuals from investments made in accordance with College
31 Savings Programs established under this Section shall be free
32 from all taxation by the State and its political subdivisions,
33 except for estate, transfer, and inheritance taxes.

34 (c) The Commission is authorized to contract with private
35 financial institutions and other businesses, individuals, and
36 other appropriate parties to establish and operate the College

1 Savings Programs. The Commission may negotiate contracts with
2 private financial and investment companies, establish College
3 Savings Programs, and monitor the vendors administering the
4 programs in whichever manner the Commission determines is best
5 suited to accomplish the purposes of this Section. The Auditor
6 General shall periodically review the operation of the College
7 Savings Programs and shall advise the Commission and the
8 General Assembly of his findings.

9 (d) In determining the type of instruments to be offered,
10 the Commission shall consult with, and receive the assistance
11 of, the Illinois Board of Higher Education, the Governor's
12 Office of Management and Budget ~~Bureau of the Budget~~, the State
13 Board of Investments, the Governor, and other appropriate State
14 agencies and private parties.

15 (e) The Commission shall market and promote the College
16 Savings Programs to the citizens of Illinois.

17 (f) The Commission shall assist the State Comptroller and
18 State Treasurer in establishing a payroll deduction plan
19 through which State employees may participate in the College
20 Savings Programs. The Department of Labor, Department of
21 Employment Security, Department of Revenue, and other
22 appropriate agencies shall assist the Commission in educating
23 Illinois employers about the College Savings Programs, and
24 shall assist the Commission in securing employers'
25 participation in a payroll deduction plan and other initiatives
26 which maximize participation in the College Savings Programs.

27 (g) The Commission shall examine means by which the State,
28 through a series of matching contributions or other incentives,
29 may most effectively encourage Illinois families to
30 participate in the College Savings Programs. The Commission
31 shall report its conclusions and recommendations to the
32 Governor and General Assembly no later than February 15, 1990.

33 (h) The College Savings Programs established pursuant to
34 this Section shall not be subject to the provisions of the
35 Illinois Administrative Procedure Act. The Commission shall
36 provide that appropriate disclosures are provided to all

1 citizens who participate in the College Savings Programs.

3 Section 675. The Illinois Prepaid Tuition Act is amended by
4 changing Section 20 as follows:

5 (110 ILCS 979/20)

6 Sec. 20. Investment Advisory Panel. The Illinois prepaid
7 tuition program shall be administered by the Illinois Student
8 Assistance Commission, with advice and counsel from an
9 investment advisory panel appointed by the Commission. The
10 Illinois prepaid tuition program shall be administratively
11 housed within the Commission, and the investment advisory panel
12 shall have such duties as are specified in this Act.

14 who are appointed by the Commission, including one recommended
15 by the State Treasurer, one recommended by the State

20 and experience in at least one of the following areas of
21 expertise: accounting, actuarial practice, risk management, or
22 investment management. Members shall serve 3-year terms except
23 that, in making the initial appointments, the Commission shall
24 appoint 2 members to serve for 2 years, 2 members to serve for
25 3 years, and 3 members to serve for 4 years. Any person
26 appointed to fill a vacancy on the panel shall be appointed in
27 a like manner and shall serve for only the unexpired term.
28 Investment advisory panel members shall be eligible for
29 reappointment and shall serve until a successor is appointed
30 and confirmed. Panel members shall serve without compensation
31 but shall be reimbursed for expenses. Before being installed as
32 a member of the investment advisory panel, each nominee shall
33 file verified written statements of economic interest with the
34 Secretary of State as required by the Illinois Governmental

1 Ethics Act and with the Board of Ethics as required by
2 Executive Order of the Governor.

3 The investment advisory panel shall meet at least twice
4 annually. At least once each year the Commission Chairman shall
5 designate a time and place at which the investment advisory
6 panel shall meet publicly with the Illinois Student Assistance
7 Commission to discuss issues and concerns relating to the
8 Illinois prepaid tuition program.

33 Management Fund to the Hazardous Waste Fund. Moneys transferred
34 under this subsection (g) shall be used only for the purposes
35 set forth in item (1) of subsection (d) of Section 22.2.

36 (h) The Agency is authorized to provide financial

1 assistance to units of local government for the performance of
2 inspecting, investigating and enforcement activities pursuant
3 to Section 4(r) at nonhazardous solid waste disposal sites.

4 (i) The Agency is authorized to support the operations of
5 an industrial materials exchange service, and to conduct
6 household waste collection and disposal programs.

7 (j) A unit of local government, as defined in the Local
8 Solid Waste Disposal Act, in which a solid waste disposal
9 facility is located may establish a fee, tax, or surcharge with
10 regard to the permanent disposal of solid waste. All fees,
11 taxes, and surcharges collected under this subsection shall be
12 utilized for solid waste management purposes, including
13 long-term monitoring and maintenance of landfills, planning,
14 implementation, inspection, enforcement and other activities
15 consistent with the Solid Waste Management Act and the Local
16 Solid Waste Disposal Act, or for any other environment-related
17 purpose, including but not limited to an environment-related
18 public works project, but not for the construction of a new
19 pollution control facility other than a household hazardous
20 waste facility. However, the total fee, tax or surcharge
21 imposed by all units of local government under this subsection
22 (j) upon the solid waste disposal facility shall not exceed:

23 (1) 60¢ per cubic yard if more than 150,000 cubic yards
24 of non-hazardous solid waste is permanently disposed of at
25 the site in a calendar year, unless the owner or operator
26 weighs the quantity of the solid waste received with a
27 device for which certification has been obtained under the
28 Weights and Measures Act, in which case the fee shall not
29 exceed \$1.27 per ton of solid waste permanently disposed
30 of.

31 (2) \$33,350 if more than 100,000 cubic yards, but not
32 more than 150,000 cubic yards, of non-hazardous waste is
33 permanently disposed of at the site in a calendar year.

34 (3) \$15,500 if more than 50,000 cubic yards, but not
35 more than 100,000 cubic yards, of non-hazardous solid waste
36 is permanently disposed of at the site in a calendar year.

1 (4) \$4,650 if more than 10,000 cubic yards, but not
2 more than 50,000 cubic yards, of non-hazardous solid waste
3 is permanently disposed of at the site in a calendar year.

4 (5) \$650 if not more than 10,000 cubic yards of
5 non-hazardous solid waste is permanently disposed of at the
6 site in a calendar year.

7 The corporate authorities of the unit of local government
8 may use proceeds from the fee, tax, or surcharge to reimburse a
9 highway commissioner whose road district lies wholly or
10 partially within the corporate limits of the unit of local
11 government for expenses incurred in the removal of
12 nonhazardous, nonfluid municipal waste that has been dumped on
13 public property in violation of a State law or local ordinance.

14 A county or Municipal Joint Action Agency that imposes a
15 fee, tax, or surcharge under this subsection may use the
16 proceeds thereof to reimburse a municipality that lies wholly
17 or partially within its boundaries for expenses incurred in the
18 removal of nonhazardous, nonfluid municipal waste that has been
19 dumped on public property in violation of a State law or local
20 ordinance.

21 If the fees are to be used to conduct a local sanitary
22 landfill inspection or enforcement program, the unit of local
23 government must enter into a written delegation agreement with
24 the Agency pursuant to subsection (r) of Section 4. The unit of
25 local government and the Agency shall enter into such a written
26 delegation agreement within 60 days after the establishment of
27 such fees. At least annually, the Agency shall conduct an audit
28 of the expenditures made by units of local government from the
29 funds granted by the Agency to the units of local government
30 for purposes of local sanitary landfill inspection and
31 enforcement programs, to ensure that the funds have been
32 expended for the prescribed purposes under the grant.

33 The fees, taxes or surcharges collected under this
34 subsection (j) shall be placed by the unit of local government
35 in a separate fund, and the interest received on the moneys in
36 the fund shall be credited to the fund. The monies in the fund

1 may be accumulated over a period of years to be expended in
2 accordance with this subsection.

3 A unit of local government, as defined in the Local Solid
4 Waste Disposal Act, shall prepare and distribute to the Agency,
5 in April of each year, a report that details spending plans for
6 monies collected in accordance with this subsection. The report
7 will at a minimum include the following:

8 (1) The total monies collected pursuant to this
9 subsection.

10 (2) The most current balance of monies collected
11 pursuant to this subsection.

12 (3) An itemized accounting of all monies expended for
13 the previous year pursuant to this subsection.

14 (4) An estimation of monies to be collected for the
15 following 3 years pursuant to this subsection.

16 (5) A narrative detailing the general direction and
17 scope of future expenditures for one, 2 and 3 years.

18 The exemptions granted under Sections 22.16 and 22.16a, and
19 under subsections (c) and (k) of this Section, shall be
20 applicable to any fee, tax or surcharge imposed under this
21 subsection (j); except that the fee, tax or surcharge
22 authorized to be imposed under this subsection (j) may be made
23 applicable by a unit of local government to the permanent
24 disposal of solid waste after December 31, 1986, under any
25 contract lawfully executed before June 1, 1986 under which more
26 than 150,000 cubic yards (or 50,000 tons) of solid waste is to
27 be permanently disposed of, even though the waste is exempt
28 from the fee imposed by the State under subsection (b) of this
29 Section pursuant to an exemption granted under Section 22.16.

30 (k) In accordance with the findings and purposes of the
31 Illinois Solid Waste Management Act, beginning January 1, 1989
32 the fee under subsection (b) and the fee, tax or surcharge
33 under subsection (j) shall not apply to:

34 (1) Waste which is hazardous waste; or

35 (2) Waste which is pollution control waste; or

36 (3) Waste from recycling, reclamation or reuse

1 processes which have been approved by the Agency as being
2 designed to remove any contaminant from wastes so as to
3 render such wastes reusable, provided that the process
4 renders at least 50% of the waste reusable; or

5 (4) Non-hazardous solid waste that is received at a
6 sanitary landfill and composted or recycled through a
7 process permitted by the Agency; or

8 (5) Any landfill which is permitted by the Agency to
9 receive only demolition or construction debris or
10 landscape waste.

13 (415 ILCS 5/22.16b) (from Ch. 111 1/2, par. 1022.16b)

14 Sec. 22.16b. (a) Beginning January 1, 1991, the Agency
15 shall assess and collect a fee from the owner or operator of
16 each new municipal waste incinerator. The fee shall be
17 calculated by applying the rates established from time to time
18 for the disposal of solid waste at sanitary landfills under
19 subdivision (b)(1) of Section 22.15 to the total amount of
20 municipal waste accepted for incineration at the new municipal
21 waste incinerator. The exemptions provided by this Act to the
22 fees imposed under subsection (b) of Section 22.15 shall not
23 apply to the fee imposed by this Section.

24 The owner or operator of any new municipal waste
25 incinerator permitted after January 1, 1990, but before July 1,
26 1990 by the Agency for the development or operation of a new
27 municipal waste incinerator shall be exempt from this fee, but
28 shall include the following conditions:

29 (1) The owner or operator shall provide information
30 programs to those communities serviced by the owner or
31 operator concerning recycling and separation of waste not
32 suitable for incineration.

33 (2) The owner or operator shall provide information
34 programs to those communities serviced by the owner or
35 operator concerning the Agency's household hazardous waste

1 collection program and participation in that program.

2 For the purposes of this Section, "new municipal waste
3 incinerator" means a municipal waste incinerator initially
4 permitted for development or construction on or after January
5 1, 1990.

6 Amounts collected under this subsection shall be deposited
7 into the Municipal Waste Incinerator Tax Fund, which is hereby
8 established as an interest-bearing special fund in the State
9 Treasury. Monies in the Fund may be used, subject to
10 appropriation:

11 (1) by the Department of Commerce and Economic
12 Opportunity ~~Community Affairs~~ to fund its public
13 information programs on recycling in those communities
14 served by new municipal waste incinerators; and

15 (2) by the Agency to fund its household hazardous waste
16 collection activities in those communities served by new
17 municipal waste incinerators.

18 (b) Any permit issued by the Agency for the development or
19 operation of a new municipal waste incinerator shall include
20 the following conditions:

21 (1) The incinerator must be designed to provide
22 continuous monitoring while in operation, with direct
23 transmission of the resultant data to the Agency, until the
24 Agency determines the best available control technology
25 for monitoring the data. The Agency shall establish the
26 test methods, procedures and averaging periods, as
27 certified by the USEPA for solid waste incinerator units,
28 and the form and frequency of reports containing results of
29 the monitoring. Compliance and enforcement shall be based
30 on such reports. Copies of the results of such monitoring
31 shall be maintained on file at the facility concerned for
32 one year, and copies shall be made available for inspection
33 and copying by interested members of the public during
34 business hours.

35 (2) The facility shall comply with the emission limits
36 adopted by the Agency under subsection (c).

1 (3) The operator of the facility shall take reasonable
2 measures to ensure that waste accepted for incineration
3 complies with all legal requirements for incineration. The
4 incinerator operator shall establish contractual
5 requirements or other notification and inspection
6 procedures sufficient to assure compliance with this
7 subsection (b) (3) which may include, but not be limited to,
8 routine inspections of waste, lists of acceptable and
9 unacceptable waste provided to haulers and notification to
10 the Agency when the facility operator rejects and sends
11 loads away. The notification shall contain at least the
12 name of the hauler and the site from where the load was
13 hauled.

14 (4) The operator may not accept for incineration any
15 waste generated or collected in a municipality that has not
16 implemented a recycling plan or is party to an implemented
17 county plan, consistent with State goals and objectives.
18 Such plans shall include provisions for collecting,
19 recycling or diverting from landfills and municipal
20 incinerators landscape waste, household hazardous waste
21 and batteries. Such provisions may be performed at the site
22 of the new municipal incinerator.

23 The Agency, after careful scrutiny of a permit application
24 for the construction, development or operation of a new
25 municipal waste incinerator, shall deny the permit if (i) the
26 Agency finds in the permit application noncompliance with the
27 laws and rules of the State or (ii) the application indicates
28 that the mandated air emissions standards will not be reached
29 within six months of the proposed municipal waste incinerator
30 beginning operation.

31 (c) The Agency shall adopt specific limitations on the
32 emission of mercury, chromium, cadmium and lead, and good
33 combustion practices, including temperature controls from
34 municipal waste incinerators pursuant to Section 9.4 of the
35 Act.

36 (d) The Agency shall establish household hazardous waste

1 collection centers in appropriate places in this State. The
2 Agency may operate and maintain the centers itself or may
3 contract with other parties for that purpose. The Agency shall
4 ensure that the wastes collected are properly disposed of. The
5 collection centers may charge fees for their services, not to
6 exceed the costs incurred. Such collection centers shall not
7 (i) be regulated as hazardous waste facilities under RCRA nor
8 (ii) be subject to local siting approval under Section 39.2 if
9 the local governing authority agrees to waive local siting
10 approval procedures.

14 Sec. 22.23. Batteries.

15 (a) Beginning September 1, 1990, any person selling
16 lead-acid batteries at retail or offering lead-acid batteries
17 for retail sale in this State shall:

18 (1) accept for recycling used lead-acid batteries from
19 customers, at the point of transfer, in a quantity equal to
20 the number of new batteries purchased; and

21 (2) post in a conspicuous place a written notice at
22 least 8.5 by 11 inches in size that includes the universal
23 recycling symbol and the following statements: "DO NOT put
24 motor vehicle batteries in the trash."; "Recycle your used
25 batteries."; and "State law requires us to accept motor
26 vehicle batteries for recycling, in exchange for new
27 batteries purchased.".

28 (b) Any person selling lead-acid batteries at retail in
29 this State may either charge a recycling fee on each new
30 lead-acid battery sold for which the customer does not return a
31 used battery to the retailer, or provide a recycling credit to
32 each customer who returns a used battery for recycling at the
33 time of purchasing a new one.

34 (c) Beginning September 1, 1990, no lead-acid battery
35 retailer may dispose of a used lead-acid battery except by

1 delivering it (1) to a battery wholesaler or its agent, (2) to
2 a battery manufacturer, (3) to a collection or recycling
3 facility, or (4) to a secondary lead smelter permitted by
4 either a state or federal environmental agency.

5 (d) Any person selling lead-acid batteries at wholesale or
6 offering lead-acid batteries for sale at wholesale shall accept
7 for recycling used lead-acid batteries from customers, at the
8 point of transfer, in a quantity equal to the number of new
9 batteries purchased. Such used batteries shall be disposed of
10 as provided in subsection (c).

11 (e) A person who accepts used lead-acid batteries for
12 recycling pursuant to subsection (a) or (d) shall not allow
13 such batteries to accumulate for periods of more than 90 days.

14 (f) Beginning September 1, 1990, no person may knowingly
15 cause or allow:

16 (1) the placing of a lead-acid battery into any
17 container intended for collection and disposal at a
18 municipal waste sanitary landfill; or

19 (2) the disposal of any lead-acid battery in any
20 municipal waste sanitary landfill or incinerator.

21 (g) The Department of Commerce and Economic Opportunity
22 ~~Community Affairs~~ shall identify and assist in developing
23 alternative processing and recycling options for used
24 batteries.

25 (h) For the purpose of this Section:

26 "Lead-acid battery" means a battery containing lead and
27 sulfuric acid that has a nominal voltage of at least 6 volts
28 and is intended for use in motor vehicles.

29 "Motor vehicle" includes automobiles, vans, trucks,
30 tractors, motorcycles and motorboats.

31 (i) (Blank.)

32 (j) Knowing violation of this Section shall be a petty
33 offense punishable by a fine of \$100.

35 (415 ILCS 5/27) (from Ch. 111 1/2, par. 1027)

1 Sec. 27. Rulemaking.

2 (a) The Board may adopt substantive regulations as
3 described in this Act. Any such regulations may make different
4 provisions as required by circumstances for different
5 contaminant sources and for different geographical areas; may
6 apply to sources outside this State causing, contributing to,
7 or threatening environmental damage in Illinois; may make
8 special provision for alert and abatement standards and
9 procedures respecting occurrences or emergencies of pollution
10 or on other short-term conditions constituting an acute danger
11 to health or to the environment; and may include regulations
12 specific to individual persons or sites. In promulgating
13 regulations under this Act, the Board shall take into account
14 the existing physical conditions, the character of the area
15 involved, including the character of surrounding land uses,
16 zoning classifications, the nature of the existing air quality,
17 or receiving body of water, as the case may be, and the
18 technical feasibility and economic reasonableness of measuring
19 or reducing the particular type of pollution. The generality of
20 this grant of authority shall only be limited by the
21 specifications of particular classes of regulations elsewhere
22 in this Act.

23 No charge shall be established or assessed by the Board or
24 Agency against any person for emission of air contaminants from
25 any source, for discharge of water contaminants from any
26 source, or for the sale, offer or use of any article.

27 Any person filing with the Board a written proposal for the
28 adoption, amendment, or repeal of regulations shall provide
29 information supporting the requested change and shall at the
30 same time file a copy of such proposal with the Agency and the
31 Department of Natural Resources. To aid the Board and to assist
32 the public in determining which facilities will be affected,
33 the person filing a proposal shall describe, to the extent
34 reasonably practicable, the universe of affected sources and
35 facilities and the economic impact of the proposed rule.

36 (b) Except as provided below and in Section 28.2, before

1 the adoption of any proposed rules not relating to
2 administrative procedures within the Agency or the Board, or
3 amendment to existing rules not relating to administrative
4 procedures within the Agency or the Board, the Board shall:

5 (1) request that the Department of Commerce and
6 Economic Opportunity ~~Community Affairs~~ conduct a study of
7 the economic impact of the proposed rules. The Department
8 may within 30 to 45 days of such request produce a study of
9 the economic impact of the proposed rules. At a minimum,
10 the economic impact study shall address (A) economic,
11 environmental, and public health benefits that may be
12 achieved through compliance with the proposed rules, (B)
13 the effects of the proposed rules on employment levels,
14 commercial productivity, the economic growth of small
15 businesses with 100 or less employees, and the State's
16 overall economy, and (C) the cost per unit of pollution
17 reduced and the variability in cost based on the size of
18 the facility and the percentage of company revenues
19 expected to be used to implement the proposed rules; and

20 (2) conduct at least one public hearing on the economic
21 impact of those new rules. At least 20 days before the
22 hearing, the Board shall notify the public of the hearing
23 and make the economic impact study, or the Department of
24 Commerce and Economic Opportunity's ~~Community Affairs'~~
25 explanation for not producing an economic impact study,
26 available to the public. Such public hearing may be held
27 simultaneously or as a part of any Board hearing
28 considering such new rules.

29 In adopting any such new rule, the Board shall, in its
30 written opinion, make a determination, based upon the evidence
31 in the public hearing record, including but not limited to the
32 economic impact study, as to whether the proposed rule has any
33 adverse economic impact on the people of the State of Illinois.

34 (c) On proclamation by the Governor, pursuant to Section 8
35 of the Illinois Emergency Services and Disaster Act of 1975,
36 that a disaster emergency exists, or when the Board finds that

1 a severe public health emergency exists, the Board may, in
2 relation to any proposed regulation, order that such regulation
3 shall take effect without delay and the Board shall proceed
4 with the hearings and studies required by this Section while
5 the regulation continues in effect.

6 When the Board finds that a situation exists which
7 reasonably constitutes a threat to the public interest, safety
8 or welfare, the Board may adopt regulations pursuant to and in
9 accordance with Section 5-45 of the Illinois Administrative
10 Procedure Act.

11 (d) To the extent consistent with any deadline for adoption
12 of any regulations mandated by State or federal law, prior to
13 initiating any hearing on a regulatory proposal, the Board may
14 assign a qualified hearing officer who may schedule a
15 prehearing conference between the proponents and any or all of
16 the potentially affected persons. The notice requirements of
17 Section 28 shall not apply to such prehearing conferences. The
18 purposes of such conference shall be to maximize understanding
19 of the intent and application of the proposal, to reach
20 agreement on aspects of the proposal, if possible, and to
21 attempt to identify and limit the issues of disagreement among
22 the participants to promote efficient use of time at hearing.
23 No record need be kept of the prehearing conference, nor shall
24 any participant or the Board be bound by any discussions
25 conducted at the prehearing conference. However, with the
26 consent of all participants in the prehearing conference, a
27 prehearing order delineating issues to be heard, agreed facts,
28 and other matters may be entered by the hearing officer. Such
29 an order will not be binding on nonparticipants in the
30 prehearing conference.

33 (415 ILCS 5/55) (from Ch. 111 1/2, par. 1055)

34 Sec. 55. Prohibited activities.

35 (a) No person shall:

1 (1) Cause or allow the open dumping of any used or
2 waste tire.

3 (2) Cause or allow the open burning of any used or
4 waste tire.

5 (3) Except at a tire storage site which contains more
6 than 50 used tires, cause or allow the storage of any used
7 tire unless the tire is altered, reprocessed, converted,
8 covered, or otherwise prevented from accumulating water.

9 (4) Cause or allow the operation of a tire storage site
10 except in compliance with Board regulations.

11 (5) Abandon, dump or dispose of any used or waste tire
12 on private or public property, except in a sanitary
13 landfill approved by the Agency pursuant to regulations
14 adopted by the Board.

15 (6) Fail to submit required reports, tire removal
16 agreements, or Board regulations.

17 (b) (Blank.)

18 (b-1) Beginning January 1, 1995, no person shall knowingly
19 mix any used or waste tire, either whole or cut, with municipal
20 waste, and no owner or operator of a sanitary landfill shall
21 accept any used or waste tire for final disposal; except that
22 used or waste tires, when separated from other waste, may be
23 accepted if: (1) the sanitary landfill provides and maintains a
24 means for shredding, slitting, or chopping whole tires and so
25 treats whole tires and, if approved by the Agency in a permit
26 issued under this Act, uses the used or waste tires for
27 alternative uses, which may include on-site practices such as
28 lining of roadways with tire scraps, alternative daily cover,
29 or use in a leachate collection system or (2) the sanitary
30 landfill, by its notification to the Illinois Industrial
31 Materials Exchange Service, makes available the used or waste
32 tire to an appropriate facility for reuse, reprocessing, or
33 converting, including use as an alternate energy fuel. If,
34 within 30 days after notification to the Illinois Industrial
35 Materials Exchange Service of the availability of waste tires,
36 no specific request for the used or waste tires is received by

1 the sanitary landfill, and the sanitary landfill determines it
2 has no alternative use for those used or waste tires, the
3 sanitary landfill may dispose of slit, chopped, or shredded
4 used or waste tires in the sanitary landfill. In the event the
5 physical condition of a used or waste tire makes shredding,
6 slitting, chopping, reuse, reprocessing, or other alternative
7 use of the used or waste tire impractical or infeasible, then
8 the sanitary landfill, after authorization by the Agency, may
9 accept the used or waste tire for disposal.

10 Sanitary landfills and facilities for reuse, reprocessing,
11 or converting, including use as alternative fuel, shall (i)
12 notify the Illinois Industrial Materials Exchange Service of
13 the availability of and demand for used or waste tires and (ii)
14 consult with the Department of Commerce and Economic
15 Opportunity ~~Community Affairs~~ regarding the status of
16 marketing of waste tires to facilities for reuse.

17 (c) Any person who sells new or used tires at retail or
18 operates a tire storage site or a tire disposal site which
19 contains more than 50 used or waste tires shall give notice of
20 such activity to the Agency. Any person engaging in such
21 activity for the first time after January 1, 1990, shall give
22 notice to the Agency within 30 days after the date of
23 commencement of the activity. The form of such notice shall be
24 specified by the Agency and shall be limited to information
25 regarding the following:

26 (1) the name and address of the owner and operator;

27 (2) the name, address and location of the operation;

28 (3) the type of operations involving used and waste
29 tires (storage, disposal, conversion or processing); and

30 (4) the number of used and waste tires present at the
31 location.

32 (d) Beginning January 1, 1992, no person shall cause or
33 allow the operation of:

34 (1) a tire storage site which contains more than 50
35 used tires, unless the owner or operator, by January 1,
36 1992 (or the January 1 following commencement of operation,

1 whichever is later) and January 1 of each year thereafter,
2 (i) registers the site with the Agency, (ii) certifies to
3 the Agency that the site complies with any applicable
4 standards adopted by the Board pursuant to Section 55.2,
5 (iii) reports to the Agency the number of tires
6 accumulated, the status of vector controls, and the actions
7 taken to handle and process the tires, and (iv) pays the
8 fee required under subsection (b) of Section 55.6; or

9 (2) a tire disposal site, unless the owner or operator
10 (i) has received approval from the Agency after filing a
11 tire removal agreement pursuant to Section 55.4, or (ii)
12 has entered into a written agreement to participate in a
13 consensual removal action under Section 55.3.

14 The Agency shall provide written forms for the annual
15 registration and certification required under this subsection
16 (d).

17 (e) No person shall cause or allow the storage, disposal,
18 treatment or processing of any used or waste tire in violation
19 of any regulation or standard adopted by the Board.

20 (f) No person shall arrange for the transportation of used
21 or waste tires away from the site of generation with a person
22 known to openly dump such tires.

23 (g) No person shall engage in any operation as a used or
24 waste tire transporter except in compliance with Board
25 regulations.

26 (h) No person shall cause or allow the combustion of any
27 used or waste tire in an enclosed device unless a permit has
28 been issued by the Agency authorizing such combustion pursuant
29 to regulations adopted by the Board for the control of air
30 pollution and consistent with the provisions of Section 9.4 of
31 this Act.

32 (i) No person shall cause or allow the use of pesticides to
33 treat tires except as prescribed by Board regulations.

34 (j) No person shall fail to comply with the terms of a tire
35 removal agreement approved by the Agency pursuant to Section
36 55.4.

3 (415 ILCS 5/55.3) (from Ch. 111 1/2, par. 1055.3)

4 Sec. 55.3. (a) Upon finding that an accumulation of used or
5 waste tires creates an immediate danger to health, the Agency
6 may take action pursuant to Section 34 of this Act.

7 (b) Upon making a finding that an accumulation of used or
8 waste tires creates a hazard posing a threat to public health
9 or the environment, the Agency may undertake preventive or
10 corrective action in accordance with this subsection. Such
11 preventive or corrective action may consist of any or all of
12 the following:

13 (1) Treating and handling used or waste tires and other
14 infested materials within the area for control of
15 mosquitoes and other disease vectors.

16 (2) Relocation of ignition sources and any used or
17 waste tires within the area for control and prevention of
18 tire fires.

19 (3) Removal of used and waste tire accumulations from
20 the area.

21 (4) Removal of soil and water contamination related to
22 tire accumulations.

23 (5) Installation of devices to monitor and control
24 groundwater and surface water contamination related to
25 tire accumulations.

26 (6) Such other actions as may be authorized by Board
27 regulations.

28 (c) The Agency may, subject to the availability of
29 appropriated funds, undertake a consensual removal action for
30 the removal of up to 1,000 used or waste tires at no cost to the
31 owner according to the following requirements:

32 (1) Actions under this subsection shall be taken
33 pursuant to a written agreement between the Agency and the
34 owner of the tire accumulation.

35 (2) The written agreement shall at a minimum specify:

1 (i) that the owner relinquishes any claim of an
2 ownership interest in any tires that are removed, or in
3 any proceeds from their sale;

4 (ii) that tires will no longer be allowed to be
5 accumulated at the site;

6 (iii) that the owner will hold harmless the Agency
7 or any employee or contractor utilized by the Agency to
8 effect the removal, for any damage to property incurred
9 during the course of action under this subsection,
10 except for gross negligence or intentional misconduct;
11 and

12 (iv) any conditions upon or assistance required
13 from the owner to assure that the tires are so located
14 or arranged as to facilitate their removal.

15 (3) The Agency may by rule establish conditions and
16 priorities for removal of used and waste tires under this
17 subsection.

18 (4) The Agency shall prescribe the form of written
19 agreements under this subsection.

20 (d) The Agency shall have authority to provide notice to
21 the owner or operator, or both, of a site where used or waste
22 tires are located and to the owner or operator, or both, of the
23 accumulation of tires at the site, whenever the Agency finds
24 that the used or waste tires pose a threat to public health or
25 the environment, or that there is no owner or operator
26 proceeding in accordance with a tire removal agreement approved
27 under Section 55.4.

28 The notice provided by the Agency shall include the
29 identified preventive or corrective action, and shall provide
30 an opportunity for the owner or operator, or both, to perform
31 such action.

32 For sites with more than 250,000 passenger tire
33 equivalents, following the notice provided for by this
34 subsection (d), the Agency may enter into a written
35 reimbursement agreement with the owner or operator of the site.
36 The agreement shall provide a schedule for the owner or

1 operator to reimburse the Agency for costs incurred for
2 preventive or corrective action, which shall not exceed 5 years
3 in length. An owner or operator making payments under a written
4 reimbursement agreement pursuant to this subsection (d) shall
5 not be liable for punitive damages under subsection (h) of this
6 Section.

7 (e) In accordance with constitutional limitations, the
8 Agency shall have authority to enter at all reasonable times
9 upon any private or public property for the purpose of taking
10 whatever preventive or corrective action is necessary and
11 appropriate in accordance with the provisions of this Section,
12 including but not limited to removal, processing or treatment
13 of used or waste tires, whenever the Agency finds that used or
14 waste tires pose a threat to public health or the environment.

15 (f) In undertaking preventive, corrective or consensual
16 removal action under this Section the Agency may consider use
17 of the following: rubber reuse alternatives, shredding or other
18 conversion through use of mobile or fixed facilities, energy
19 recovery through burning or incineration, and landfill
20 disposal. To the extent practicable, the Agency shall consult
21 with the Department of Commerce and Economic Opportunity
22 ~~Community Affairs~~ regarding the availability of alternatives
23 to landfilling used and waste tires, and shall make every
24 reasonable effort to coordinate tire cleanup projects with
25 applicable programs that relate to such alternative practices.

26 (g) Except as otherwise provided in this Section, the owner
27 or operator of any site or accumulation of used or waste tires
28 at which the Agency has undertaken corrective or preventive
29 action under this Section shall be liable for all costs thereof
30 incurred by the State of Illinois, including reasonable costs
31 of collection. Any monies received by the Agency hereunder
32 shall be deposited into the Used Tire Management Fund. The
33 Agency may in its discretion store, dispose of or convey the
34 tires that are removed from an area at which it has undertaken
35 a corrective, preventive or consensual removal action, and may
36 sell or store such tires and other items, including but not

1 limited to rims, that are removed from the area. The net
2 proceeds of any sale shall be credited against the liability
3 incurred by the owner or operator for the costs of any
4 preventive or corrective action.

5 (h) Any person liable to the Agency for costs incurred
6 under subsection (g) of this Section may be liable to the State
7 of Illinois for punitive damages in an amount at least equal
8 to, and not more than 2 times, the costs incurred by the State
9 if such person failed without sufficient cause to take
10 preventive or corrective action pursuant to notice issued under
11 subsection (d) of this Section.

12 (i) There shall be no liability under subsection (g) of
13 this Section for a person otherwise liable who can establish by
14 a preponderance of the evidence that the hazard created by the
15 tires was caused solely by:

16 (1) an act of God;

17 (2) an act of war; or

18 (3) an act or omission of a third party other than an
19 employee or agent, and other than a person whose act or
20 omission occurs in connection with a contractual
21 relationship with the person otherwise liable.

22 For the purposes of this subsection, "contractual
23 relationship" includes, but is not limited to, land contracts,
24 deeds and other instruments transferring title or possession,
25 unless the real property upon which the accumulation is located
26 was acquired by the defendant after the disposal or placement
27 of used or waste tires on, in or at the property and one or more
28 of the following circumstances is also established by a
29 preponderance of the evidence:

30 (A) at the time the defendant acquired the
31 property, the defendant did not know and had no reason
32 to know that any used or waste tires had been disposed
33 of or placed on, in or at the property, and the
34 defendant undertook, at the time of acquisition, all
35 appropriate inquiries into the previous ownership and
36 uses of the property consistent with good commercial or

1 customary practice in an effort to minimize liability;

2 (B) the defendant is a government entity which
3 acquired the property by escheat or through any other
4 involuntary transfer or acquisition, or through the
5 exercise of eminent domain authority by purchase or
6 condemnation; or

7 (C) the defendant acquired the property by
8 inheritance or bequest.

9 (j) Nothing in this Section shall affect or modify the
10 obligations or liability of any person under any other
11 provision of this Act, federal law, or State law, including the
12 common law, for injuries, damages or losses resulting from the
13 circumstances leading to Agency action under this Section.

14 (k) The costs and damages provided for in this Section may
15 be imposed by the Board in an action brought before the Board
16 in accordance with Title VIII of this Act, except that
17 subsection (c) of Section 33 of this Act shall not apply to any
18 such action.

19 (l) The Agency shall, when feasible, consult with the
20 Department of Public Health prior to taking any action to
21 remove or treat an infested tire accumulation for control of
22 mosquitoes or other disease vectors. The Agency may by contract
23 or agreement secure the services of the Department of Public
24 Health, any local public health department, or any other
25 qualified person in treating any such infestation as part of an
26 emergency or preventive action.

27 (m) Neither the State, the Agency, the Board, the Director,
28 nor any State employee shall be liable for any damage or injury
29 arising out of or resulting from any action taken under this
30 Section.

33 Sec. 55.7. The Department of Commerce and Economic
34 Opportunity ~~Community Affairs~~ may adopt regulations as
35 necessary for the administration of the grant and loan programs

1 funded from the Used Tire Management Fund, including but not
2 limited to procedures and criteria for applying for,
3 evaluating, awarding and terminating grants and loans. The
4 Department of Commerce and Economic Opportunity Community
5 ~~Affairs~~ may by rule specify criteria for providing grant
6 assistance rather than loan assistance; such criteria shall
7 promote the expeditious development of alternatives to the
8 disposal of used tires, and the efficient use of monies for
9 assistance. Evaluation criteria may be established by rule,
10 considering such factors as:

11 (1) the likelihood that a proposal will lead to the
12 actual collection and processing of used tires and
13 protection of the environment and public health in
14 furtherance of the purposes of this Act;

15 (2) the feasibility of the proposal;

16 (3) the suitability of the location for the proposed
17 activity;

18 (4) the potential of the proposal for encouraging
19 recycling and reuse of resources; and

20 (5) the potential for development of new technologies
21 consistent with the purposes of this Act.

24 Sec. 58.14. Environmental Remediation Tax Credit review.

25 (a) Prior to applying for the Environmental Remediation Tax
26 Credit under Section 201 of the Illinois Income Tax Act,
27 Remediation Applicants shall first submit to the Agency an
28 application for review of remediation costs. The application
29 and review process shall be conducted in accordance with the
30 requirements of this Section and the rules adopted under
31 subsection (g). A preliminary review of the estimated
32 remediation costs for development and implementation of the
33 Remedial Action Plan may be obtained in accordance with
34 subsection (d).

35 (b) No application for review shall be submitted until a No

1 Further Remediation Letter has been issued by the Agency and
2 recorded in the chain of title for the site in accordance with
3 Section 58.10. The Agency shall review the application to
4 determine whether the costs submitted are remediation costs,
5 and whether the costs incurred are reasonable. The application
6 shall be on forms prescribed and provided by the Agency. At a
7 minimum, the application shall include the following:

8 (1) information identifying the Remediation Applicant
9 and the site for which the tax credit is being sought and
10 the date of acceptance of the site into the Site
11 Remediation Program;

12 (2) a copy of the No Further Remediation Letter with
13 official verification that the letter has been recorded in
14 the chain of title for the site and a demonstration that
15 the site for which the application is submitted is the same
16 site as the one for which the No Further Remediation Letter
17 is issued;

18 (3) a demonstration that the release of the regulated
19 substances of concern for which the No Further Remediation
20 Letter was issued were not caused or contributed to in any
21 material respect by the Remediation Applicant. After the
22 Pollution Control Board rules are adopted pursuant to the
23 Illinois Administrative Procedure Act for the
24 administration and enforcement of Section 58.9 of the
25 Environmental Protection Act, determinations as to credit
26 availability shall be made consistent with those rules;

27 (4) an itemization and documentation, including
28 receipts, of the remediation costs incurred;

29 (5) a demonstration that the costs incurred are
30 remediation costs as defined in this Act and its rules;

31 (6) a demonstration that the costs submitted for review
32 were incurred by the Remediation Applicant who received the
33 No Further Remediation Letter;

34 (7) an application fee in the amount set forth in
35 subsection (e) for each site for which review of
36 remediation costs is requested and, if applicable,

1 certification from the Department of Commerce and Economic
2 Opportunity ~~Community Affairs~~ that the site is located in
3 an enterprise zone;

4 (8) any other information deemed appropriate by the
5 Agency.

6 (c) Within 60 days after receipt by the Agency of an
7 application meeting the requirements of subsection (b), the
8 Agency shall issue a letter to the applicant approving,
9 disapproving, or modifying the remediation costs submitted in
10 the application. If the remediation costs are approved as
11 submitted, the Agency's letter shall state the amount of the
12 remediation costs to be applied toward the Environmental
13 Remediation Tax Credit. If an application is disapproved or
14 approved with modification of remediation costs, the Agency's
15 letter shall set forth the reasons for the disapproval or
16 modification and state the amount of the remediation costs, if
17 any, to be applied toward the Environmental Remediation Tax
18 Credit.

19 If a preliminary review of a budget plan has been obtained
20 under subsection (d), the Remediation Applicant may submit,
21 with the application and supporting documentation under
22 subsection (b), a copy of the Agency's final determination
23 accompanied by a certification that the actual remediation
24 costs incurred for the development and implementation of the
25 Remedial Action Plan are equal to or less than the costs
26 approved in the Agency's final determination on the budget
27 plan. The certification shall be signed by the Remediation
28 Applicant and notarized. Based on that submission, the Agency
29 shall not be required to conduct further review of the costs
30 incurred for development and implementation of the Remedial
31 Action Plan and may approve costs as submitted.

32 Within 35 days after receipt of an Agency letter
33 disapproving or modifying an application for approval of
34 remediation costs, the Remediation Applicant may appeal the
35 Agency's decision to the Board in the manner provided for the
36 review of permits in Section 40 of this Act.

1 (d) (1) A Remediation Applicant may obtain a preliminary
2 review of estimated remediation costs for the development
3 and implementation of the Remedial Action Plan by
4 submitting a budget plan along with the Remedial Action
5 Plan. The budget plan shall be set forth on forms
6 prescribed and provided by the Agency and shall include but
7 shall not be limited to line item estimates of the costs
8 associated with each line item (such as personnel,
9 equipment, and materials) that the Remediation Applicant
10 anticipates will be incurred for the development and
11 implementation of the Remedial Action Plan. The Agency
12 shall review the budget plan along with the Remedial Action
13 Plan to determine whether the estimated costs submitted are
14 remediation costs and whether the costs estimated for the
15 activities are reasonable.

16 (2) If the Remedial Action Plan is amended by the
17 Remediation Applicant or as a result of Agency action, the
18 corresponding budget plan shall be revised accordingly and
19 resubmitted for Agency review.

20 (3) The budget plan shall be accompanied by the
21 applicable fee as set forth in subsection (e).

22 (4) Submittal of a budget plan shall be deemed an
23 automatic 60-day waiver of the Remedial Action Plan review
24 deadlines set forth in this Section and its rules.

25 (5) Within the applicable period of review, the Agency
26 shall issue a letter to the Remediation Applicant
27 approving, disapproving, or modifying the estimated
28 remediation costs submitted in the budget plan. If a budget
29 plan is disapproved or approved with modification of
30 estimated remediation costs, the Agency's letter shall set
31 forth the reasons for the disapproval or modification.

32 (6) Within 35 days after receipt of an Agency letter
33 disapproving or modifying a budget plan, the Remediation
34 Applicant may appeal the Agency's decision to the Board in
35 the manner provided for the review of permits in Section 40
36 of this Act.

1 (e) The fees for reviews conducted under this Section are
2 in addition to any other fees or payments for Agency services
3 rendered pursuant to the Site Remediation Program and shall be
4 as follows:

5 (1) The fee for an application for review of
6 remediation costs shall be \$1,000 for each site reviewed.

7 (2) The fee for the review of the budget plan submitted
8 under subsection (d) shall be \$500 for each site reviewed.

9 (3) In the case of a Remediation Applicant submitting
10 for review total remediation costs of \$100,000 or less for
11 a site located within an enterprise zone (as set forth in
12 paragraph (i) of subsection (1) of Section 201 of the
13 Illinois Income Tax Act), the fee for an application for
14 review of remediation costs shall be \$250 for each site
15 reviewed. For those sites, there shall be no fee for review
16 of a budget plan under subsection (d).

17 The application fee shall be made payable to the State of
18 Illinois, for deposit into the Hazardous Waste Fund.

19 Pursuant to appropriation, the Agency shall use the fees
20 collected under this subsection for development and
21 administration of the review program.

22 (f) The Agency shall have the authority to enter into any
23 contracts or agreements that may be necessary to carry out its
24 duties and responsibilities under this Section.

25 (g) Within 6 months after July 21, 1997, the Agency shall
26 propose rules prescribing procedures and standards for its
27 administration of this Section. Within 6 months after receipt
28 of the Agency's proposed rules, the Board shall adopt on second
29 notice, pursuant to Sections 27 and 28 of this Act and the
30 Illinois Administrative Procedure Act, rules that are
31 consistent with this Section. Prior to the effective date of
32 rules adopted under this Section, the Agency may conduct
33 reviews of applications under this Section and the Agency is
34 further authorized to distribute guidance documents on costs
35 that are eligible or ineligible as remediation costs.

10 Brownfields Redevelopment Fund and reused in accordance with
11 this Section.

12 (b) General requirements for loans:

14 accordance with a formula set forth in regulations
15 promulgated under subdivision (A)(c) of this subsection

22 (3) The maximum loan amount under this subsection (A)
23 for any one project is \$1,000,000.

14 contracts or agreements that may be necessary to carry out its
15 duties or responsibilities under this subsection (A). The
16 Agency shall have the authority to promulgate regulations

22 (1) loan application requirements;

23 (2) determination of credit worthiness of the loan

21 (d) Moneys in the Brownfields Redevelopment Fund may be
22 used as a source of revenue or security for the principal and
23 interest on revenue or general obligation bonds issued by the
24 State or any political subdivision or instrumentality thereof,
25 if the proceeds of those bonds will be deposited into the Fund.

26 (B) Brownfields Site Restoration Program.

27 (a) (1) The Agency, with the assistance of the Department
28 of Commerce and Economic Opportunity ~~Community Affairs~~,
29 must establish and administer a program for the payment of
30 remediation costs to be known as the Brownfields Site
31 Restoration Program. The Agency, through the Program,
32 shall provide Remediation Applicants with financial
33 assistance for the investigation and remediation of
34 abandoned or underutilized properties. The investigation
35 and remediation shall be performed in accordance with this

1 Title XVII of this Act.

2 (2) For each State fiscal year in which funds are made
3 available to the Agency for payment under this subsection
4 (B), the Agency must, subject to the availability of funds,
5 allocate 20% of the funds to be available to Remediation
6 Applicants within counties with populations over
7 2,000,000. The remaining funds must be made available to
8 all other Remediation Applicants in the State.

9 (3) The Agency must not approve payment in excess of
10 \$750,000 to a Remediation Applicant for remediation costs
11 incurred at a remediation site. Eligibility must be
12 determined based on a minimum capital investment in the
13 redevelopment of the site, and payment amounts must not
14 exceed the net economic benefit to the State of the
15 remediation project. In addition to these limitations, the
16 total payment to be made to an applicant must not exceed an
17 amount equal to 20% of the capital investment at the site.

18 (4) Only those remediation projects for which a No
19 Further Remediation Letter is issued by the Agency after
20 December 31, 2001 are eligible to participate in the
21 Brownfields Site Restoration Program. The program does not
22 apply to any sites that have received a No Further
23 Remediation Letter prior to December 31, 2001 or for costs
24 incurred prior to the Department of Commerce and Economic
25 Opportunity (formerly Department of Commerce and Community
26 Affairs) approving a site eligible for the Brownfields Site
27 Restoration Program.

28 (5) Brownfields Site Restoration Program funds shall
29 be subject to availability of funding and distributed based
30 on the order of receipt of applications satisfying all
31 requirements as set forth in this Section.

32 (b) Prior to applying to the Agency for payment, a
33 Remediation Applicant shall first submit to the Agency its
34 proposed remediation costs. The Agency shall make a
35 pre-application assessment, which is not to be binding upon the
36 Department of Commerce and Economic Opportunity ~~Community~~

1 ~~Affairs~~ or upon future review of the project, relating only to
2 whether the Agency has adequate funding to reimburse the
3 applicant for the remediation costs if the applicant is found
4 to be eligible for reimbursement of remediation costs. If the
5 Agency determines that it is likely to have adequate funding to
6 reimburse the applicant for remediation costs, the Remediation
7 Applicant may then submit to the Department of Commerce and
8 Economic Opportunity ~~Community Affairs~~ an application for
9 review of eligibility. The Department must review the
10 eligibility application to determine whether the Remediation
11 Applicant is eligible for the payment. The application must be
12 on forms prescribed and provided by the Department of Commerce
13 and Economic Opportunity ~~Community Affairs~~. At a minimum, the
14 application must include the following:

15 (1) Information identifying the Remediation Applicant
16 and the site for which the payment is being sought and the
17 date of acceptance into the Site Remediation Program.

18 (2) Information demonstrating that the site for which
19 the payment is being sought is abandoned or underutilized
20 property. "Abandoned property" means real property
21 previously used for, or that has the potential to be used
22 for, commercial or industrial purposes that reverted to the
23 ownership of the State, a county or municipal government,
24 or an agency thereof, through donation, purchase, tax
25 delinquency, foreclosure, default, or settlement,
26 including conveyance by deed in lieu of foreclosure; or
27 privately owned property that has been vacant for a period
28 of not less than 3 years from the time an application is
29 made to the Department of Commerce and Economic Opportunity
30 ~~Community Affairs~~. "Underutilized property" means real
31 property of which less than 35% of the commercially usable
32 space of the property and improvements thereon are used for
33 their most commercially profitable and economically
34 productive uses.

35 (3) Information demonstrating that remediation of the
36 site for which the payment is being sought will result in a

1 net economic benefit to the State of Illinois. The "net
2 economic benefit" must be determined based on factors
3 including, but not limited to, the capital investment, the
4 number of jobs created, the number of jobs retained if it
5 is demonstrated the jobs would otherwise be lost, capital
6 improvements, the number of construction-related jobs,
7 increased sales, material purchases, other increases in
8 service and operational expenditures, and other factors
9 established by the Department of Commerce and Economic
10 Opportunity ~~Community Affairs~~. Priority must be given to
11 sites located in areas with high levels of poverty, where

16 (4) An application fee in the amount set forth in
17 subdivision (B)(c) for each site for which review of an
18 application is being sought.

19 (c) The fee for eligibility reviews conducted by the
20 Department of Commerce and Economic Opportunity ~~Community~~
21 ~~Affairs~~ under this subsection (B) is \$1,000 for each site

30 application meeting the requirements of subdivision (B)(b),
31 the Department of Commerce and Economic Opportunity ~~Community~~
32 ~~Affairs~~ must issue a letter to the applicant approving the
33 application, approving the application with modifications, or
34 disapproving the application. If the application is approved or
35 approved with modifications, the Department of Commerce and
36 Economic Opportunity's ~~Community Affairs~~ letter must also

1 include its determination of the "net economic benefit" of the
2 remediation project and the maximum amount of the payment to be
3 made available to the applicant for remediation costs. The
4 payment by the Agency under this subsection (B) must not exceed
5 the "net economic benefit" of the remediation project, as
6 determined by the Department of Commerce and Economic
7 Opportunity ~~Community Affairs~~.

8 (e) An application for a review of remediation costs must
9 not be submitted to the Agency unless the Department of
10 Commerce and Economic Opportunity ~~Community Affairs~~ has
11 determined the Remediation Applicant is eligible under
12 subdivision (B) (d). If the Department of Commerce and Economic
13 Opportunity ~~Community Affairs~~ has determined that a
14 Remediation Applicant is eligible under subdivision (B) (d),
15 the Remediation Applicant may submit an application for payment
16 to the Agency under this subsection (B). Except as provided in

18 costs must not be submitted until a No Further Remediation
19 Letter has been issued by the Agency and recorded in the chain
20 of title for the site in accordance with Section 58.10. The
21 Agency must review the application to determine whether the
22 costs submitted are remediation costs and whether the costs
23 incurred are reasonable. The application must be on forms
24 prescribed and provided by the Agency. At a minimum, the
25 application must include the following:

26 (1) Information identifying the Remediation Applicant
27 and the site for which the payment is being sought and the

32 the chain of title for the site and a demonstration that
33 the site for which the application is submitted is the same
34 site as the one for which the No Further Remediation Letter
35 is issued.

36 (3) A demonstration that the release of the regulated

1 substances of concern for which the No Further Remediation
2 Letter was issued was not caused or contributed to in any
3 material respect by the Remediation Applicant. The Agency
4 must make determinations as to reimbursement availability
5 consistent with rules adopted by the Pollution Control
6 Board for the administration and enforcement of Section
7 58.9 of this Act.

10 eligibility, including the net economic benefit of the
11 remediation project.

12 (5) An itemization and documentation, including
13 receipts, of the remediation costs incurred.

14 (6) A demonstration that the costs incurred are
15 remediation costs as defined in this Act and rules adopted
16 under this Act.

18 were incurred by the Remediation Applicant who received the
19 No Further Remediation Letter.

20 (8) An application fee in the amount set forth in
21 subdivision (B)(j) for each site for which review of
22 remediation costs is requested.

23 (9) Any other information deemed appropriate by the
24 Agency.

25 (f) An application for review of remediation costs may be
26 submitted to the Agency prior to the issuance of a No Further
27 Remediation Letter if the Remediation Applicant has a Remedial
28 Action Plan approved by the Agency under the terms of which the
29 Remediation Applicant will remediate groundwater for more than
30 one year. The Agency must review the application to determine
31 whether the costs submitted are remediation costs and whether
32 the costs incurred are reasonable. The application must be on
33 forms prescribed and provided by the Agency. At a minimum, the
34 application must include the following:

35 (1) Information identifying the Remediation Applicant
36 and the site for which the payment is being sought and the

1 date of acceptance of the site into the Site Remediation
2 Program.

3 (2) A copy of the Agency letter approving the Remedial
4 Action Plan.

5 (3) A demonstration that the release of the regulated
6 substances of concern for which the Remedial Action Plan
7 was approved was not caused or contributed to in any
8 material respect by the Remediation Applicant. The Agency
9 must make determinations as to reimbursement availability
10 consistent with rules adopted by the Pollution Control
11 Board for the administration and enforcement of Section
12 58.9 of this Act.

13 (4) A copy of the Department of Commerce and Economic
14 Opportunity's ~~Community Affairs'~~ letter approving
15 eligibility, including the net economic benefit of the
16 remediation project.

17 (5) An itemization and documentation, including

19 (6) A demonstration that the costs incurred are
20 remediation costs as defined in this Act and rules adopted
21 under this Act.

23 were incurred by the Remediation Applicant who received
24 approval of the Remediation Action Plan.

25 (8) An application fee in the amount set forth in
26 subdivision (B)(j) for each site for which review of
27 remediation costs is requested.

28 (9) Any other information deemed appropriate by the
29 Agency.

30 (g) For a Remediation Applicant seeking a payment under
31 subdivision (B)(f), until the Agency issues a No Further
32 Remediation Letter for the site, no more than 75% of the
33 allowed payment may be claimed by the Remediation Applicant.
34 The remaining 25% may be claimed following the issuance by the
35 Agency of a No Further Remediation Letter for the site. For a
36 Remediation Applicant seeking a payment under subdivision

1 (B) (e), until the Agency issues a No Further Remediation Letter
2 for the site, no payment may be claimed by the Remediation
3 Applicant.

4 (h) (1) Within 60 days after receipt by the Agency of an
5 application meeting the requirements of subdivision (B) (e)
6 or (B) (f), the Agency must issue a letter to the applicant
7 approving, disapproving, or modifying the remediation
8 costs submitted in the application. If an application is
9 disapproved or approved with modification of remediation
10 costs, then the Agency's letter must set forth the reasons
11 for the disapproval or modification.

12 (2) If a preliminary review of a budget plan has been
13 obtained under subdivision (B) (i), the Remediation
14 Applicant may submit, with the application and supporting

16 the Agency's final determination accompanied by a
17 certification that the actual remediation costs incurred
18 for the development and implementation of the Remedial
19 Action Plan are equal to or less than the costs approved in
20 the Agency's final determination on the budget plan. The
21 certification must be signed by the Remediation Applicant
22 and notarized. Based on that submission, the Agency is not
23 required to conduct further review of the costs incurred
24 for development and implementation of the Remedial Action
25 Plan and may approve costs as submitted.

26 (3) Within 35 days after receipt of an Agency letter
27 disapproving or modifying an application for approval of
28 remediation costs, the Remediation Applicant may appeal
29 the Agency's decision to the Board in the manner provided
30 for the review of permits in Section 40 of this Act.

31 (i) (1) A Remediation Applicant may obtain a preliminary
32 review of estimated remediation costs for the development
33 and implementation of the Remedial Action Plan by
34 submitting a budget plan along with the Remedial Action
35 Plan. The budget plan must be set forth on forms prescribed
36 and provided by the Agency and must include, but is not

1 limited to, line item estimates of the costs associated
2 with each line item (such as personnel, equipment, and
3 materials) that the Remediation Applicant anticipates will
4 be incurred for the development and implementation of the
5 Remedial Action Plan. The Agency must review the budget
6 plan along with the Remedial Action Plan to determine
7 whether the estimated costs submitted are remediation
8 costs and whether the costs estimated for the activities
9 are reasonable.

10 (2) If the Remedial Action Plan is amended by the
11 Remediation Applicant or as a result of Agency action, the
12 corresponding budget plan must be revised accordingly and
13 resubmitted for Agency review.

14 (3) The budget plan must be accompanied by the
15 applicable fee as set forth in subdivision (B)(j).

16 (4) Submittal of a budget plan must be deemed an
17 automatic 60-day waiver of the Remedial Action Plan review
18 deadlines set forth in this subsection (B) and rules
19 adopted under this subsection (B).

20 (5) Within the applicable period of review, the Agency
21 must issue a letter to the Remediation Applicant approving,
22 disapproving, or modifying the estimated remediation costs
23 submitted in the budget plan. If a budget plan is
24 disapproved or approved with modification of estimated
25 remediation costs, the Agency's letter must set forth the
26 reasons for the disapproval or modification.

27 (6) Within 35 days after receipt of an Agency letter
28 disapproving or modifying a budget plan, the Remediation
29 Applicant may appeal the Agency's decision to the Board in
30 the manner provided for the review of permits in Section 40
31 of this Act.

32 (j) The fees for reviews conducted by the Agency under this
33 subsection (B) are in addition to any other fees or payments

3 under subdivision (B) (i) is \$500 for each site reviewed.

4 The application fee and the fee for the review of the
5 budget plan must be made payable to the State of Illinois, for
6 deposit into the Brownfields Redevelopment Fund.

7 (k) Moneys in the Brownfields Redevelopment Fund may be
8 used for the purposes of this Section, including payment for
9 the costs of administering this subsection (B). Any moneys
10 remaining in the Brownfields Site Restoration Program Fund on
11 the effective date of this amendatory Act of the 92nd General
12 Assembly shall be transferred to the Brownfields Redevelopment
13 Fund. Total payments made to all Remediation Applicants by the
14 Agency for purposes of this subsection (B) must not exceed
15 \$1,000,000 in State fiscal year 2002.

16 (l) The Department and the Agency are authorized to enter
17 into any contracts or agreements that may be necessary to carry
18 out their duties and responsibilities under this subsection
19 (B).

20 (m) Within 6 months after the effective date of this
21 amendatory Act of 2002, the Department of Commerce and
22 Community Affairs (now Department of Commerce and Economic
23 Opportunity) and the Agency must propose rules prescribing
24 procedures and standards for the administration of this
25 subsection (B). Within 9 months after receipt of the proposed
26 rules, the Board shall adopt on second notice, pursuant to
27 Sections 27 and 28 of this Act and the Illinois Administrative
28 Procedures Act, rules that are consistent with this subsection
29 (B). Prior to the effective date of rules adopted under this
30 subsection (B), the Department of Commerce and Community
31 Affairs (now Department of Commerce and Economic Opportunity)
32 and the Agency may conduct reviews of applications under this
33 subsection (B) and the Agency is further authorized to
34 distribute guidance documents on costs that are eligible or
35 ineligible as remediation costs.

31 landfill disposal.

32 (e) Each waste reduction plan shall evaluate the
33 institution's procurement policies and practices to eliminate
34 procedures which discriminate against items with recycled
35 content, and to identify products or items which are procured
36 by the institution on a frequent or repetitive basis for which

1 products with recycled content may be substituted. Each waste
2 reduction plan shall prescribe that it will be the policy of
3 the institution to purchase products with recycled content
4 whenever such products have met specifications and standards of
5 equivalent products which do not contain recycled content.

6 (f) Each waste reduction plan developed in accordance with
7 this Section shall be submitted to the Department of Commerce
8 and Economic Opportunity ~~Community Affairs~~ for review and

3 individuals employed by race, national origin, sex and
4 disability, and any other category that the Department
5 may require by rule;

6 (b) identifying all positions in which the
7 percentage of the people employed by race, national

1 may observe but may not actively participate, or advise
2 the State employee during the course of such meeting,

17 proceeding and pursuant to rules and regulations
18 governing confidentiality of such information as
19 promulgated by the appropriate State agency.

2 annually.

3 (b) Post in a prominent and accessible location and
4 distribute in a manner to assure notice to all agency
5 employees without exception the agency's sexual
6 harassment policy. Such documents may meet, but shall
7 not exceed, the 6th grade literacy level. Distribution
8 shall be effectuated within 90 days of the effective
9 date of this amendatory Act of 1992 and shall occur

12 prevention and the agency's sexual harassment policy
13 as a component of all ongoing or new employee training

28 board, commission, or instrumentality in which the
29 layoffs are to occur must conform to applicable
30 collective bargaining agreements.

31 (d) The State executive department, State agency,
32 board, commission, or instrumentality in which the
33 layoffs are to occur should notify each employee
34 targeted for layoff that transitional assistance may
35 be available to him or her under the Economic
36 Dislocation and Worker Adjustment Assistance Act

1 administered by the Department of Commerce and
2 Economic Opportunity ~~Community Affairs~~. Failure to
3 give such notice shall not invalidate the layoff or
4 postpone its effective date.

5 As used in this subsection (B), "disability" shall be
6 defined in rules promulgated under the Illinois Administrative
7 Procedure Act.

8 (C) Civil Rights Violations. It is a civil rights violation
9 for any public contractor or eligible bidder to:

10 (1) fail to comply with the public contractor's or
11 eligible bidder's duty to refrain from unlawful
12 discrimination and discrimination based on citizenship
13 status in employment under subsection (A)(1) of this

19 bidder in writing by certified mail that the public
20 contractor or eligible bidder may not be in compliance with
21 affirmative action requirements of subsection (A). A
22 minimum of 60 days to comply with the requirements shall be
23 afforded to the public contractor or eligible bidder before
