4 Section 5. The Library Records Confidentiality Act is
5 amended by changing Section 1 as follows:

6 (75 ILCS 70/1) (from Ch. 81, par. 1201)

7 Sec. 1. (a) The registration and circulation records of a
8 library are confidential information. ~~Except pursuant to a~~
9 ~~court order,~~ No person shall publish or make any information
10 contained in such records available to the public unless:

11 (1) required to do so under a court order; or

12 (2) the information is requested by a sworn law
13 enforcement officer who represents that it is impractical
14 to secure a court order as a result of an emergency where
15 the law enforcement officer reasonably believes that there
16 is an imminent danger. The information requested must be
17 limited to identifying a suspect, witness, or victim of a
18 crime. The information requested without a court order may
19 not include the disclosure of registration or circulation
20 records that would indicate materials borrowed, resources
21 reviewed, or services used at the library. If requested to
22 do so by the library, the requesting law enforcement
23 officer must sign a form acknowledging the receipt of the

1 information. A library providing the information may seek
2 subsequent judicial review to assess compliance with this
3 Section.

4 This subsection shall not alter any right to challenge the
5 use or dissemination of patron information that is otherwise
6 permitted by law.

7 (b) This Section does not prevent a library from publishing
8 or making available to the public reasonable statistical
9 reports regarding library registration and book circulation
10 where those reports are presented so that no individual is
11 identified therein.

12 (b-5) Nothing in this Section shall be construed as a
13 privacy violation or a breach of confidentiality if a library
14 provides information to a law enforcement officer under item
15 (2) of subsection (a).

16 (c) For the purpose of this Section, (i) "library" means
17 any public library or library of an educational, historical or
18 eleemosynary institution, organization or society; (ii)
19 "registration records" includes any information a library
20 requires a person to provide in order for that person to become
21 eligible to borrow books and other materials and (iii)
22 "circulation records" includes all information identifying the
23 individual borrowing particular books or materials.
