22 terms shall have the meanings ascribed to them in this
23 subsection:

7 includes the use of forensic databases and databanks, including
8 DNA, firearm, and fingerprint databases, and expert testimony.

9 "Private laboratory" or "subcontractor" means any
10 laboratory operated by any entity other than the Division of
11 Forensic Services of the Illinois State Police that performs
12 forensic testing on evidence in an investigation or other

6 disclosure would be burdensome or duplicative, or both, and is
7 relevant to the case in which the subpoena has been issued.
8 This disclosure obligation also applies to any subcontractors
9 used by the forensic laboratory to undertake forensic
10 examinations. Forensic laboratories shall also ensure
11 prosecution and defense counsel reasonable access to interview
12 personnel involved in the pending case. This shall include
13 cases that the laboratory sends to private laboratories as
14 subcontractors. Costs for discovery materials shall be borne by
15 the requesting party. Disclosure shall be limited to the

22 (725 ILCS 5/116-3)

23 Sec. 116-3. Motion for fingerprint or forensic testing not

1 (a) A defendant may make a motion before the trial court
2 that entered the judgment of conviction in his or her case for
3 the performance of fingerprint or forensic DNA testing,
4 including comparison analysis of genetic marker groupings of
5 the evidence collected by criminal justice agencies pursuant to
6 the alleged offense, to those of the defendant, to those of
7 other forensic evidence, and to those maintained under
8 subsection (f) of Section 5-4-3 of the Unified Code of
9 Corrections, on evidence that was secured in relation to the
10 trial which resulted in his or her conviction, but which was

12 technology for the testing was not available at the time of
13 trial. Reasonable notice of the motion shall be served upon the
14 State.

15 (b) The defendant must present a prima facie case that:

16 (1) identity was the issue in the trial which resulted
17 in his or her conviction; and

18 (2) the evidence to be tested has been subject to a
19 chain of custody sufficient to establish that it has not
20 been substituted, tampered with, replaced, or altered in
21 any material aspect.

22 (c) The trial court shall allow the testing under
23 reasonable conditions designed to protect the State's
24 interests in the integrity of the evidence and the testing
25 process upon a determination that:

1 potential to produce new, noncumulative evidence
2 materially relevant to the defendant's assertion of actual
3 innocence even though the results may not completely
4 exonerate the defendant;

5 (2) the testing requested employs a scientific method
6 generally accepted within the relevant scientific
7 community; and -

8 (3) when forensic DNA testing is requested, and the
9 testing is to be performed on or after the effective date
10 of this amendatory Act of the 95th General Assembly, the

14 Police Law of the Civil Administrative Code of Illinois,
15 and shall be an American Society of Crime Laboratory
16 Directors/Laboratory Accreditation Board (ASCLD/LAB)
17 accredited laboratory or an International Organization for
18 Standardization (ISO) accredited laboratory, unless upon
19 written motion and after hearing arguments or evidence, or
20 both, the court may order the DNA testing be performed by a
21 laboratory that is not ASCLD/LAB or ISO accredited.

6 national DNA identification index in accordance with this
7 Section by the Illinois Department of State Police, the DNA
8 record shall be expunged from the DNA identification index, and

12 Department or any law enforcement or police agency, or any
13 forensic DNA laboratory, including any duplicates or copies
14 thereof, are destroyed and a letter is sent to the court
15 verifying the expungement is completed.

16 (f-5) Any person who intentionally uses genetic marker
17 grouping analysis information, or any other information
18 derived from a DNA sample, beyond the authorized uses as

20 of the Criminal Code of 1961.

21 (g-5) (Blank).

22 (h) The Illinois Department of State Police shall be the
23 State central repository for all genetic marker grouping
24 analysis information obtained pursuant to this Act. The
25 Illinois Department of State Police may promulgate rules for
26 the form and manner of the collection of blood, saliva, or

1 tissue samples and other procedures for the operation of this
2 Act. The provisions of the Administrative Review Law shall
3 apply to all actions taken under the rules so promulgated.

4 (i) (1) A person required to provide a blood, saliva, or

13 cases in which an individual refuses to provide a DNA
14 sample required under this Act.

15 (j) Any person required by subsection (a) to submit
16 specimens of blood, saliva, or tissue to the Illinois
17 Department of State Police for analysis and categorization into
18 genetic marker grouping, in addition to any other disposition,
19 penalty, or fine imposed, shall pay an analysis fee of \$200. If
20 the analysis fee is not paid at the time of sentencing, the
21 court shall establish a fee schedule by which the entire amount
22 of the analysis fee shall be paid in full, such schedule not to
23 exceed 24 months from the time of conviction. The inability to
24 pay this analysis fee shall not be the sole ground to
25 incarcerate the person.

26 (k) All analysis and categorization fees provided for by

1 subsection (j) shall be regulated as follows:

2 (1) The State Offender DNA Identification System Fund
3 is hereby created as a special fund in the State Treasury.

4 (2) All fees shall be collected by the clerk of the
5 court and forwarded to the State Offender DNA
6 Identification System Fund for deposit. The clerk of the
7 circuit court may retain the amount of \$10 from each
8 collected analysis fee to offset administrative costs
9 incurred in carrying out the clerk's responsibilities
10 under this Section.

11 (3) Fees deposited into the State Offender DNA
12 Identification System Fund shall be used by Illinois State
13 Police crime laboratories as designated by the Director of
14 State Police. These funds shall be in addition to any
15 allocations made pursuant to existing laws and shall be
16 designated for the exclusive use of State crime
17 laboratories. These uses may include, but are not limited
18 to, the following:

19 (A) Costs incurred in providing analysis and

23 groupings as required by subsection (e).

24 (C) Costs incurred in the purchase and maintenance
25 of equipment for use in performing analyses.

26 (D) Costs incurred in continuing research and

1 development of new techniques for analysis and genetic
2 marker categorization.

3 (E) Costs incurred in continuing education,
4 training, and professional development of forensic
5 scientists regularly employed by these laboratories.

6 (1) The failure of a person to provide a specimen, or of
7 any person or agency to collect a specimen, within the ~~45-day~~
8 period or periods specified by this Section shall in no way
9 alter the obligation of the person to submit such specimen, or
10 the authority of the Illinois Department of State Police or
11 persons designated by the Department to collect the specimen,
12 or the authority of the Illinois Department of State Police to
13 accept, analyze and maintain the specimen or to maintain or
14 upload results of genetic marker grouping analysis information
15 into a State or national database.

16 (m) If any provision of this amendatory Act of the 93rd
17 General Assembly is held unconstitutional or otherwise
18 invalid, the remainder of this amendatory Act of the 93rd
19 General Assembly is not affected.

20 (n) Neither the Department of State Police, the Division of
21 Forensic Services, nor any laboratory of the Division of
22 Forensic Services may contract out forensic testing, as defined
23 in Section 2605-40 of the Department of State Police Law of the
24 Civil Administrative Code of Illinois, for the purpose of an
25 active investigation or a matter pending before a court of
26 competent jurisdiction without the written consent of the

1 prosecuting agency.

2 (o) On and after the effective date of this amendatory Act
3 of the 95th General Assembly, the Illinois Department of State
4 Police shall, within 30 days after sentencing or disposition
5 and receipt by the Department thereof from the forwarding
6 agency, analyze DNA samples required to be submitted by a
7 person described in subsection (a) who has been convicted of a
8 felony.
