16 (820 ILCS 130/4) (from Ch. 48, par. 39s-4)

17 Sec. 4. (a) The public body awarding any contract for
18 public works ~~work~~ or otherwise undertaking any public works,
19 shall ascertain the general prevailing rate of hourly wages in
20 the locality in which the work is to be performed, for each
21 craft or type of worker or mechanic needed to execute the
22 contract, and where the public body performs the work without
23 letting a contract therefor, shall ascertain the prevailing
24 rate of wages on a per hour basis in the locality. Such ~~, and~~
25 ~~such~~ public body shall specify in the resolution or ordinance

1 and in the call for bids for the contract, that the general
2 prevailing rate of wages in the locality for each craft or type
3 of worker or mechanic needed to execute the contract or perform
4 such work, also the general prevailing rate for legal holiday
5 and overtime work, as ascertained by the public body or by the
6 Department of Labor shall be paid for each craft or type of
7 worker needed to execute the contract or to perform such work.

8 ~~, and it~~

9 (b) It shall be mandatory upon the contractor to whom the
10 contract is awarded and upon any subcontractor under him, and
11 where the public body performs the work, upon the public body,
12 to pay not less than the specified rates to all laborers,
13 workers and mechanics employed by them in the execution of the
14 contract or such work; provided, however, that if the public
15 body desires that the Department of Labor ascertain the
16 prevailing rate of wages, it shall notify the Department of
17 Labor to ascertain the general prevailing rate of hourly wages
18 for work under contract, or for work performed by a public body
19 without letting a contract as required in the locality in which
20 the work is to be performed, for each craft or type of worker
21 or mechanic needed to execute the contract or project or work
22 to be performed. Upon such notification the Department of Labor
23 shall ascertain such general prevailing rate of wages, and
24 certify the prevailing wage to such public body.

25 (c) The public body awarding the contract shall cause to be
26 inserted in the project specifications and the contract a

1 stipulation to the effect that not less than the prevailing
2 rate of wages as found by the public body or Department of
3 Labor or determined by the court on review shall be paid to all
4 laborers, workers and mechanics performing work under the
5 contract.

6 (d) When a public body or other entity covered by this Act
7 contracts for work with a contractor without a public bid or
8 project specification, such public body or other entity shall
9 provide the contractor with a written notice that the
10 prevailing wage is required to be paid on the project as a
11 statement on the purchase order related to the work to be done
12 or on a separate document.

13 (e) Where a complaint has been made and the Department has
14 determined that a violation has occurred, the Department shall
15 determine if proper written notice under this Section 4 was
16 given. If proper written notice was not provided to the
17 contractor by the public body, the Department shall order the
18 public body to pay any back wages, interest, penalties or fines
19 owed by the contractor to all laborers, mechanics and other
20 workers who performed work on the project. For the purposes of
21 this subsection back wages shall be limited to the difference
22 between the actual amount paid and the prevailing wages
23 required to be paid for the project. A contractor shall not be
24 deemed in violation of this Act if proper written notice
25 pursuant to this Section 4 is not provided. The failure to
26 provide written notice by a public body or other entity does

1 not diminish the right of a laborer, worker, or mechanic to the
2 prevailing wage rate as determined under this Act.

3 (f) ~~(b)~~ It shall also be mandatory upon the contractor to
4 whom the contract is awarded to insert into each subcontract
5 and into the project specifications for each subcontract a
6 written stipulation to the effect that not less than the
7 prevailing rate of wages shall be paid to all laborers,
8 workers, and mechanics performing work under the contract. It
9 shall also be mandatory upon each subcontractor to cause to be
10 inserted into each lower tiered subcontract and into the
11 project specifications for each lower tiered subcontract a
12 stipulation to the effect that not less than the prevailing
13 rate of wages shall be paid to all laborers, workers, and
14 mechanics performing work under the contract. A contractor or
15 subcontractor who fails to comply with this subsection (f) ~~(b)~~
16 is in violation of this Act.

17 (g) When a contractor has awarded work to a subcontractor
18 without a contract or without a contract specification, the
19 contractor may comply with subsection (d) by providing a
20 subcontractor a written statement indicating that no less than
21 the prevailing wage rate shall be paid to all laborers,
22 mechanics and other workers performing work on the project. A
23 contractor or subcontractor who fails to comply with this
24 subsection (g) is in violation of this Act.

25 (h) Where a complaint has been made and the Department has
26 determined that a violation has occurred, the Department shall

1 determine if proper written notice under this Section 4 was
2 given. If proper written notice was not provided to the
3 subcontractor by the contractor, the Department shall order the
4 contractor to pay any back wages, interest, penalties or fines
5 owed by the subcontractor to all laborers, mechanics and other
6 workers who performed work on the project. For the purposes of
7 this subsection back wages shall be limited to the difference
8 between the actual amount paid and the prevailing wages
9 required for the project. A subcontractor shall not be deemed
10 in violation of this Act if such written notice is not
11 provided. However, if proper written notice was not provided to
12 the contractor by the public body under subsections (a) or (b)
13 of this Section 4, the Department shall order the public body
14 to pay any back wages, interest, penalties or fines owed by the
15 subcontractor to all laborers, mechanics and other workers who
16 performed work on the project. The failure to provide written
17 notice by a public body or contractor does not diminish the
18 right of a laborer, worker, or mechanic to prevailing wage rate
19 as determined under this Act.

20 (i) ~~(e)~~ It shall also require in all such contractor's
21 bonds that the contractor include such provision as will
22 guarantee the faithful performance of such prevailing wage
23 clause as provided by contract. All bid specifications shall
24 list the specified rates to all laborers, workers and mechanics
25 in the locality for each craft or type of worker or mechanic
26 needed to execute the contract.

1 (j) ~~(d)~~ If the Department of Labor revises the prevailing
2 rate of hourly wages to be paid by the public body, the revised
3 rate shall apply to such contract. The public body or the
4 Department of Labor shall make the revised rate of hourly wages
5 available to the contractor and each subcontractor and the
6 publication of the revised rate on the Department of Labor's
7 official website shall be deemed sufficient notice. The, ~~and~~
8 ~~the public body shall be responsible to notify the~~ contractor
9 and each subcontractor shall notify its employees pursuant to
10 this Act and pay the , ~~of the~~ revised rate.

11 ~~(c) Two or more investigatory hearings under this Section~~
12 ~~on the issue of establishing a new prevailing wage~~
13 ~~classification for a particular craft or type of worker shall~~
14 ~~be consolidated in a single hearing before the Department. Such~~
15 ~~consolidation shall occur whether each separate investigatory~~
16 ~~hearing is conducted by a public body or the Department. The~~
17 ~~party requesting a consolidated investigatory hearing shall~~
18 ~~have the burden of establishing that there is no existing~~
19 ~~prevailing wage classification for the particular craft or type~~
20 ~~of worker in any of the localities under consideration.~~

21 (k) It shall be mandatory upon the contractor or
22 construction manager to whom a contract for public works is
23 awarded to post, at a location on the project site of the
24 public works that is easily accessible to the workers engaged
25 on the project, the prevailing wage rates for each craft or
26 type of worker or mechanic needed to execute the contract or

1 project or work to be performed. In lieu of posting on the
2 project site of the public works, a contractor which has a
3 business location where laborers, workers and mechanics
4 regularly visit may: (1) post in a conspicuous location at that
5 business the current prevailing wage rates for each county the
6 contractor is performing work; or (2) provide such laborer,
7 worker or mechanic engaged on the public works project a
8 written notice indicating the prevailing wage rates for the
9 public works project. A failure to post or provide a prevailing
10 wage rate as required by this Section is a violation of this
11 Act.

12 (1) Beginning July 1, 2009, every public body awarding any
13 contract for a public works or otherwise undertaking any public
14 works shall notify the Department of Labor in writing, on a
15 form and in a format prescribed by the Department of Labor,
16 whenever a contract subject to the provisions of this Act has
17 been awarded. The notification mentioned herein shall be filed
18 with the Department of Labor within 30 days after such contract
19 is awarded or before commencement of the public works, and
20 shall include a list of all first-tier subcontractors.

17 (820 ILCS 130/9) (from Ch. 48, par. 39s-9)

18 Sec. 9. To effectuate the purpose and policy of this Act
19 each public body shall, during the month of June of each
20 calendar year, investigate and ascertain the prevailing rate of
21 wages as defined in this Act and publicly post or keep
22 available for inspection by any interested party in the main
23 office of such public body its determination of such prevailing
24 rate of wage and shall promptly file, no later than July 15 of
25 each year, a certified copy thereof in the office of the

1 Secretary of State at Springfield and the office of the
2 Illinois Department of Labor.

3 The Department of Labor shall during the month of June of
4 each calendar year, investigate and ascertain the prevailing
5 rate of wages for each county in the State. If a public body
6 does not investigate and ascertain the prevailing rate of wages
7 during the month of June as required by the previous paragraph,
8 then the prevailing rate of wages for that public body shall be
9 the rate as determined by the Department under this paragraph
10 for the county in which such public body is located.

11 Where the Department of Labor ascertains the prevailing
12 rate of wages, it is the duty of the Department of Labor within
13 30 days after receiving a notice from the public body
14 authorizing the proposed work, to conduct an investigation to
15 ascertain the prevailing rate of wages as defined in this Act
16 and such investigation shall be conducted in the locality in
17 which the work is to be performed. The Department of Labor
18 shall send a certified copy of its findings to the public body
19 authorizing the work and keep a record of its findings
20 available for inspection by any interested party in the office
21 of the Department of Labor at Springfield.

22 The public body except for the Department of Transportation
23 with respect to highway contracts shall within 30 days after
24 filing with the Secretary of State, or the Department of Labor
25 shall within 30 days after filing with such public body,
26 publish in a newspaper of general circulation within the area

1 that the determination is effective, a notice of its
2 determination and shall promptly mail a copy of its
3 determination to any employer, and to any association of
4 employers and to any person or association of employees who
5 have filed their names and addresses, requesting copies of any
6 determination stating the particular rates and the particular
7 class of workers whose wages will be affected by such rates.

8 At any time within 30 days after the Department of Labor
9 has published on its official web site a prevailing wage
10 schedule, any person affected thereby may object in writing to
11 the determination or such part thereof as they may deem
12 objectionable by filing a written notice with the public body
13 or Department of Labor, whichever has made such determination,
14 stating the specified grounds of the objection. It shall
15 thereafter be the duty of the public body or Department of
16 Labor to set a date for a hearing on the objection after giving
17 written notice to the objectors at least 10 days before the
18 date of the hearing and said notice shall state the time and
19 place of such hearing. Such hearing by a public body shall be
20 held within 45 days after the objection is filed, and shall not
21 be postponed or reset for a later date except upon the consent,
22 in writing, of all the objectors and the public body. If such
23 hearing is not held by the public body within the time herein
24 specified, the Department of Labor may, upon request of the
25 objectors, conduct the hearing on behalf of the public body.

26 The public body or Department of Labor, whichever has made

1 such determination, is authorized ~~in its discretion~~ to hear
2 each timely filed written objection. Two or more hearings under
3 this Section on the issue of establishing a new prevailing wage
4 classification for a particular craft or type of worker shall
5 be consolidated in a single hearing before the Department. Such
6 consolidation shall occur whether each separate hearing is
7 conducted by a public body or the Department. The party
8 requesting a consolidated hearing shall have the burden of
9 establishing that there is no existing prevailing wage
10 classification for the particular craft or type of worker in
11 any of the localities under consideration ~~filed separately or~~
12 ~~consolidate for hearing any one or more written objections~~
13 ~~filed with them.~~ At any such hearing the public body or
14 Department of Labor shall introduce in evidence the
15 investigation it instituted which formed the basis of its
16 determination, and the public body or Department of Labor, or
17 any interested objectors may thereafter introduce such
18 evidence as is material to the issue. Thereafter, the public
19 body or Department of Labor, must rule upon the written
20 objection and make such final determination as it believes the
21 evidence warrants, and promptly file a certified copy of its
22 final determination with such public body and the Secretary of
23 State, and serve a copy by personal service or registered mail
24 on all parties to the proceedings. The final determination by
25 the Department of Labor or a public body shall be rendered
26 within 30 days after the conclusion of the hearing.

1 If proceedings to review judicially the final
2 determination of the public body or Department of Labor are not
3 instituted as hereafter provided, such determination shall be
4 final and binding.

5 The provisions of the Administrative Review Law, and all
6 amendments and modifications thereof, and the rules adopted
7 pursuant thereto, shall apply to and govern all proceedings for
8 the judicial review of final administrative decisions of any
9 public body or the Department of Labor hereunder. The term
10 "administrative decision" is defined as in Section 3-101 of the
11 Code of Civil Procedure.

13 court in review of the final administrative decision of the
14 public body or Department of Labor, may be taken by any party
15 to the action.

16 Any proceeding in any court affecting a determination of
17 the Department of Labor or public body shall have priority in
18 hearing and determination over all other civil proceedings
19 pending in said court, except election contests.

20 In all reviews or appeals under this Act, it shall be the
21 duty of the Attorney General to represent the Department of
22 Labor, and defend its determination. The Attorney General shall
23 not represent any public body, except the State, in any such
24 review or appeal.

1 (820 ILCS 130/11) (from Ch. 48, par. 39s-11)

2 Sec. 11. No public works project shall be instituted unless
3 the provisions of this Act have been complied with. The
4 provisions of this Act shall not be applicable to Federal
5 construction projects which require a prevailing wage
6 determination by the United States Secretary of Labor. The
7 Illinois Department of Labor represented by the Attorney
8 General is empowered to sue for injunctive relief against the
9 awarding of any contract or the continuation of work under any
10 contract for public works at a time when the prevailing wage
11 prerequisites have not been met. Any contract for public works
12 awarded at a time when the prevailing wage prerequisites had
13 not been met shall be void as against public policy and the
14 contractor is prohibited from recovering any damages for the
15 voiding of the contract or pursuant to the terms of the
16 contract. The contractor is limited to a claim for amounts
17 actually paid for labor and materials supplied to the public
18 body. Where objections to a determination of the prevailing
19 rate of wages or a court action relative thereto is pending,
20 the public body shall not continue work on the project unless
21 sufficient funds are available to pay increased wages if such
22 are finally determined or unless the Department of Labor
23 certifies such determination of the prevailing rate of wages as
24 correct.

25 Any laborer, worker or mechanic employed by the contractor
26 or by any sub-contractor under him who is paid for his services

1 in a sum less than the stipulated rates for work done under
2 such contract, shall have a right of action for whatever
3 difference there may be between the amount so paid, and the
4 prevailing rate of wages required to be paid on the public
5 works project ~~rates provided by the contract~~ together with
6 costs and such reasonable attorney's fees as shall be allowed
7 by the court. Such contractor or subcontractor shall also be
8 liable to the Department of Labor for 20% of such underpayments
9 and shall be additionally liable to the laborer, worker or
10 mechanic for punitive damages in the amount of 2% of the amount
11 of any such penalty to the State for underpayments for each
12 month following the date of payment during which such
13 underpayments remain unpaid. Where a second or subsequent
14 action to recover underpayments is brought against a contractor
15 or subcontractor and the contractor or subcontractor is found
16 liable for underpayments to any laborer, worker, or mechanic,
17 the contractor or subcontractor shall also be liable to the
18 Department of Labor for 50% of the underpayments payable as a
19 result of the second or subsequent action, and shall be
20 additionally liable to the laborer, worker or mechanic for
21 punitive damages in the amount of ~~for~~ 5% of the amount of any
22 such penalty to the State for underpayments for each month
23 following the date of payment during which the underpayments
24 remain unpaid. The Department shall also have a right of action
25 on behalf of any individual who has a right of action under
26 this Section. An action brought to recover same shall be deemed

1 to be a suit for wages, and any and all judgments entered
2 therein shall have the same force and effect as other judgments
3 for wages. At the request of any laborer, workman or mechanic
4 employed by the contractor or by any subcontractor under him
5 who is paid less than the prevailing wage rate required by this
6 Act, the Department of Labor may take an assignment of such
7 wage claim in trust for the assigning laborer, workman or
8 mechanic and may bring any legal action necessary to collect
9 such claim, and the contractor or subcontractor shall be
10 required to pay the costs incurred in collecting such claim.

12 (820 ILCS 130/11b)

13 Sec. 11b. Discharge or discipline of "whistle blowers"
14 prohibited.

15 (a) No person shall discharge, discipline, or in any other
16 way discriminate against, or cause to be discharged,
17 disciplined, or discriminated against, any employee or any
18 authorized representative of employees by reason of the fact
19 that the employee or representative has filed, instituted, or
20 caused to be filed or instituted any proceeding under this Act,
21 or has testified or is about to testify in any proceeding
22 resulting from the administration or enforcement of this Act,
23 or offers any evidence of any violation of this Act.

24 (b) Any employee or a representative of employees who
25 believes that he has been discharged, disciplined, or otherwise

1 discriminated against by any person in violation of subsection
2 (a) of this Section may, within 60 ~~30~~ days after the alleged
3 violation occurs, apply to the Director of Labor for a review
4 of the discharge, discipline, or alleged discrimination. A copy
5 of the application shall be sent to the person who allegedly
6 committed the violation, who shall be the respondent. Upon
7 receipt of an application, the Director shall cause such
8 investigation to be made as he or she deems appropriate. The
9 investigation shall provide an opportunity for a public hearing
10 at the request of any party to the review to enable the parties
11 to present information relating to the alleged violation. The
12 parties shall be given written notice of the time and place of
13 the hearing at least 30 ~~5~~ days before the hearing. Upon
14 receiving the report of the investigation, the Director shall
15 make findings of fact. If the Director finds that a violation
16 did occur, he or she shall issue a decision incorporating his
17 or her findings and requiring the party committing the
18 violation to take such affirmative action to abate the
