HB0895 Enrolled

1 AN ACT concerning education.

2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Green
Cleaning Schools Act.

Section 5. Legislative findings. Children are vulnerable 6 7 to and may be severely affected by exposure to chemicals, 8 hazardous waste, and other environmental hazards. The Federal 9 Environmental Protection Agency estimates that human exposure to indoor air pollutants can be 2 to 5 times and up to 100 times 10 higher than outdoor levels. Children, teachers, janitors, and 11 other staff members spend a significant amount of time inside 12 13 school buildings and are continuously exposed to chemicals from 14 cleaners, waxes, deodorizers, and other maintenance products.

15 Section 10. Use of green cleaning supplies. By no later 16 than 90 days after implementation of the guidelines and specifications established under Section 15 of this Act or 17 18 thereafter when it is economically feasible, all elementary and 19 secondary public schools and all elementary and secondary non-public schools with 50 or more students shall establish a 20 21 green cleaning policy and exclusively purchase and use environmentally-sensitive cleaning products pursuant to the 22

1 guidelines and specifications established under Section 15 of 2 this Act. However, a school may deplete its existing cleaning 3 and maintenance supply stocks and implement the new 4 requirements in the procurement cycle for the following school 5 year.

6 For the purposes of this Section, adopting a green cleaning policy is not economically feasible if such adoption would 7 result in an increase in the cleaning costs of the school. If 8 9 adopting a green cleaning policy is not economically feasible, 10 the school must provide annual written notification to the 11 Illinois Green Government Coordinating Council (IGGCC), on a 12 form provided by the IGGCC, that the development and 13 implementation of a green cleaning policy is not economically feasible until such time that it is economically feasible. 14

15 Section 15. Green cleaning supply guidelines and 16 specifications. The Illinois Green Government Coordinating Council (IGGCC) shall, in consultation with the Department of 17 Public Health, the State Board of Education, regional offices 18 of education, the Illinois Environmental Protection Agency, 19 and a panel of interested stakeholders, including cleaning 20 21 product industry representatives, non-governmental 22 organizations, and others, establish and amend on an annual 23 basis quidelines and specifications for 24 environmentally-sensitive cleaning and maintenance products for use in school facilities. The IGGCC shall provide multiple 25

avenues by which cleaning products may be determined to be 1 2 environmentally-sensitive under the guidelines. Guidelines and 3 specifications must be established after a review and evaluation of existing research and must be completed no later 4 5 than 180 days after the effective date of this Act. Guidelines 6 and specifications may include implementation practices, 7 including inspection. The completed quidelines and 8 specifications must be posted on the IGGCC's Internet website.

Section 20. Dissemination to schools.

10 (a) Upon the completion of the quidelines and 11 specifications under Section 15 of this Act, the IGGCC shall 12 provide each regional office of education and each elementary or secondary non-public school with 50 or more students in this 13 14 State with the guidelines and specifications. Each regional 15 office of education shall immediately disseminate the 16 guidelines and specifications to every public school in the educational service region. Regional offices of education and 17 18 the IGGCC shall provide on-going assistance to schools to carry 19 out the requirements of this Act.

20 (b) In the event that the guidelines and specifications 21 under Section 15 of this Act are updated by the IGGCC, the 22 IGGCC shall provide the updates to each regional office of 23 education for immediate dissemination to each public school. 24 Additionally, the IGGCC shall post all updated materials on its 25 Internet website.
