1 AMENDMENT TO HOUSE BILL 3425

2 AMENDMENT NO. \_\_\_\_\_. Amend House Bill 3425 by replacing  
3 everything after the enacting clause with the following:

4 "Section 5. The Wildlife Code is amended by adding Section  
5 2.39 as follows:

6 (520 ILCS 5/2.39 new)

7 Sec. 2.39. Local control of deer population. A municipality  
8 or other unit of local government that conducts a scientific  
9 study, of at least 4 years, on controlling the deer population,  
10 using a method in addition to taking of the deer, in that  
11 municipality or other unit of local government and concludes,  
12 as a result of that study, that the deer population of the  
13 municipality or other unit of local government may be managed,  
14 using that alternative method, in a way that results in  
15 sustainable deer populations, then the Department must permit  
16 the municipality or other unit of local government to implement

1 the alternative method of deer population control on the lands  
2 of that municipality or other unit of local government at the  
3 municipality's or unit of local government's own expense. The  
4 municipality or unit of local government must report to the  
5 Department, on an annual basis, the local deer population  
6 count, as required by administrative rule.

7 Section 99. Effective date. This Act takes effect upon  
8 becoming law.".
